Item 7.01 Regulation FD Disclosure

On November 30, 2005, our President and CEO David Brain made a presentation to the Friedman Billings Ramsey 2005 Investor Conference at which he made certain statements with regard to our business, strategies, acquisitions, financings and outlook. A webcast of Mr. Brain's presentation is posted on our website at www.eprkc.com.

Mr. Brain's remarks included forward-looking statements as defined in the Private Securities Litigation Reform Act of 1995, identified by such words as "will be," "intend," "continue," "believe," "may," "expect," "hope," "anticipate," "predict" or other comparable terms. Our actual business, financial condition, results of operations and funds from operations may vary materially from those contemplated by such forward-looking statements. A discussion of the factors that could cause actual results to differ materially from those forward-looking statements is contained in our SEC filings, including our annual report on Form 10-K for the year ended December 31, 2004.
