On January 17, 2003, Dynegy Inc. ("Dynegy" or the "Company") issued a press release announcing that it reached agreement with ChevronTexaco to end their existing natural gas purchase and sale contracts related to ChevronTexaco's North American production and consumption, effective February 1, 2003. Dynegy paid ChevronTexaco approximately \$11 million in connection with ending the contracts and the transfer to ChevronTexaco of certain third-party contracts. Dynegy also agreed to provide ChevronTexaco with services that include agency arrangements, scheduling, invoicing and accounting through March 31, 2003. This agreement does not involve the natural gas processing and liquids agreements between Dynegy Midstream Services and ChevronTexaco, which will continue in their current forms.

Also on January 17, Dynegy issued a press release indicating that its senior vice president and controller, Michael R. Mott, resigned for personal reasons and will be replaced on an interim basis with current vice president and assistant controller Holli Nichols.
