Administrative Expenditures. Administrative expenses of \$1,123,974 for the six month period ending December 31, 2004 were 82% higher than administrative expenses of \$617,564 the previous year. The primary increase in administrative expenses for the six month period ending December 31, 2004 was related to increased litigation costs of \$540,204.

Depletion and Accretion. For the six month period ending December 31, 2004 depletion and accretion expense was \$361,613, 53% higher compared to \$236,212 for the six month period in 2003. The increased deletion and accretion was a result of higher production volumes and the addition of a new well.

Foreign Exchange. For the six months period ending December 31, 2004 the gain on foreign exchange was \$503,831 compared to a foreign exchange loss of \$152,824. The foreign exchange gain related to appreciation in the Canadian dollar compared to the US dollar relating to a litigation claim stated in US dollars. This gain was partially offset by a foreign exchange loss relating to Company's investment in Konaseema EPS Oakwell Power Limited (KEOPL).

Interest income. For the six months ending December 31, 2004 interest income was \$164,849, 179% higher compared to \$59,067 for the comparable six month period in 2003. The increase in interest income was related to interest payments received on the Company's investment in KEOPL.

Net loss from continuing operations. Net loss from continuing operations decreased 72% to \$684,644 for the six month period ended December 31, 2004 compared to a net loss of \$2,437,856 for the six month period ending December 31, 2003. Net loss from continuing operations were significantly higher in the previous year due to a \$1,603,000 provision for a litigation claim.

Net income from discontinued operations. Net income from discontinued operations resulted from the Company's discontinued operations of its Industrial & Offshore Division. Net income from discontinued operations decreased 82% to \$224,988 for the six month period ended December 31, 2004 compared to \$1,255,968 for the six month period ended December 31, 2003. The reduction in net income from discontinued operations was due to a significant contract performed during 2003, which did not recur during fiscal 2004.

Net loss. As a result of the above net loss decreased by 61% to \$495,656 for the six month period ending December 31, 2004 from \$1,181,888 for the comparable six month period ending December 31, 2003.

Net loss from continuing operations per share and fully diluted net loss from continuing operations per share. Net loss from continuing operations per share and fully diluted net loss per share from continuing operations for the six month period ending December 31, 2004 decreased by 72% to \$0.17 per share from \$0.60 per share for the same six month period 2003.

Net loss per share and fully diluted net loss per share. Net loss per share and fully diluted net loss per share for the six month period ending December 31, 2004 decreased by 61% to \$0.11 per share from \$0.29 per share for the same six month period 2003. Net loss per share and fully diluted net loss per share for the three month period ending December 31, 2004 decreased by 60% to \$0.14 per share from \$0.33 per share for the same six month period 2003.

Capital Expenditures. Capital expenditures totaled \$476,705 for the first six months of 2004 compared to \$790,221 in the first six months of 2003. During the six month period ending December 31, 2004 the Company's primary expenditures were related to drilling and completion costs of approximately \$149,980 for the Doe Property, Alberta, \$218,096 in re-completion and tie-ins at Olds, Alberta, and \$89,851 in re-completions in the Sibbald area of Alberta.
