SECTION 1 REGISTRANT'S BUSINESS AND OPERATIONS.

ITEM 1.01 Entry into a Material Definitive Agreement.

On September 19, 2005, Patient Infosystems, Inc. (the Registrant) announced the execution of an Agreement and Plan of Merger, dated September 19, 2005, by and among the Registrant, PATY Acquisition Corp, Inc., a newly formed wholly-owned subsidiary of the Registrant (Merger Sub) and CCS Consolidated, Inc. (CCS), pursuant to which Merger Sub will merge with and into CCS (the Merger Agreement). In accordance with the terms of the Merger Agreement, CCS will become a wholly-owned subsidiary of the Registrant and the current CCS stockholders will receive currently authorized but newly issued shares of the Registrant's Common Stock. Immediately after the consummation of the transactions contemplated by the Merger Agreement, the current CCS stockholders will own approximately but not exceeding sixty-five percent (65%) of the issued and outstanding shares of the Registrant's Common Stock. The Merger Agreement has been approved by the Boards of Directors of all three companies. The consummation of the transactions contemplated by the Merger Agreement is subject to, among other standard closing conditions, a condition that the Registrant raise, through the sale of its equity securities, no less than \$6,000,000 to be used for working capital. The sale of such equity securities has not been and will not be registered under the Securities Act of 1933, as amended. Furthermore, the terms of such sale or such sales have not been established and there are no assurances that such sales can or will be completed. Additionally, the consummation of the transactions contemplated by the Merger Agreement is subject to the condition that all outstanding shares of the Registrant's Preferred Stock be converted into the Registrant's Common Stock.

Prior to the consummation of the transactions contemplated by the Merger Agreement, the Registrant will issue a dividend of up to 13,000,000 shares of American Caresource Holdings, Inc., (ACS) its wholly-owned subsidiary, to holders of its equity securities. The Registrant may retain up to 1,000,000 shares of ACS which it may sell into the market. It is intended that the proceeds of such sales would be used to extinguish debt of the Registrant.

Upon the consummation of the transactions contemplated by the Merger Agreement, two of the Registrant's stockholders, John Pappajohn and Derace Schaffer, who also serve as directors of the Registrant, may be obligated to purchase shares of the Registrant's Common Stock at a price based upon a market driven formula. The proceeds of such sale could be as much as \$6,000,000 and would be used to extinguish existing debt of the Registrant that has not been repaid by December 31, 2005. Under a Stockholders Agreement to be executed at the closing, stockholders who will hold more than a majority of the outstanding shares of the Registrant's Common Stock after the consummation of the transactions contemplated by the Merger Agreement, have agreed to vote their shares in favor of the election of Mr. Pappajohn, Dr. Schaffer and five other designees of such stockholders to the Registrant's Board of Directors.

In connection with the Merger Agreement, the Registrant entered into employment agreements dated September 19, 2005, which become effective upon the consummation of the transactions contemplated by the Merger Agreement with each of Chris Paterson and Glen

Spence, currently the President and Chief Executive Officer of CCS and Chief Financial Officer of CCS, respectively. Pursuant to the terms of the employment agreements, Chris Paterson will become the President and Chief Executive Officer of the Registrant and Glen Spence will become the Chief Financial Officer of the Registrant. The Registrant also entered into employment agreements dated September 19, 2005, which become effective upon the consummation of the transactions contemplated by the Merger Agreement with each of Roger Chaufourmier and Christine St. Andre, currently the Chief Executive Officer of the Registrant and the President and Chief Operating Office of the Registrant, respectively. Pursuant to the terms of the employment agreements Roger Chaufourmier will become President of a subsidiary of the Registrant and Christine St. Andre will become Chief Operating Officer of a subsidiary.

The terms of the Merger Agreement were determined on a basis of arms-length negotiations. The forgoing summary of the terms of the transaction is qualified in its entirety by reference to the Merger Agreement, which is attached hereto as Exhibit 2.1 to this report

ITEM 3.02 Unregistered Sales of Equity Securities.

On September 19, 2005, the Registrant agreed to sell to the stockholders of CCS, a number of shares of its Common Stock which equals approximately but not exceeding sixty-five (65%) of its shares of Common Stock outstanding, on a fully diluted basis, as of the closing date, which may occur any time on or prior to December 15, 2005.

The shares of Common Stock are being sold to the stockholders of CCS in exchange for the merger of Merger Sub with and into CCS, whereby CCS, as the surviving entity, shall become a wholly-owned subsidiary of the Registrant.

The shares of Common Stock that were offered and which are being sold to the stockholders of CCS, who are comprised of certain accredited investors and up to 35 unaccredited investors, were offered and will be sold without registration under the Securities Act of 1933, as amended (the Securities Act), in reliance upon the exemptions provided by Section 4(2) of the Securities Act and Regulation D promulgated thereunder.
