Item 8.01 Other Events

Sprint Corporation (the Company) is filing this Current Report on Form 8-K to revise the historical financial statements contained in the Company's Transition Report on Form 10-K for the three-month period ended March 31, 2014 (2014 Form 10-K) to include a footnote (Guarantor Financial Information Footnote) in the Notes to the Consolidated Financial Statements that provides supplemental guarantor financial information pursuant to Rule 3-10 of Regulation S-X.

The condensed consolidating information in the Guarantor Financial Information Footnote is required as a result of the expected registration under the U.S. federal securities laws of certain senior notes issued by the Company, that have been guaranteed by a subsidiary of the Company. The Guarantor Financial Information Footnote includes summarizing financial information for the parent company issuer, the subsidiary guarantor and the non-guarantor subsidiaries on a combined basis.

These revised historical financial statements are filed as Exhibit 99.1 to this Current Report on Form 8-K and have been updated in compliance with generally accepted accounting principles solely to include the Guarantor Financial Information Footnote and are incorporated herein by reference.

Except as described above, we have not modified or updated other disclosures contained in the Company's Consolidated Financial Statements and Notes thereto included in the 2014 Form 10-K. Accordingly, this Form 8-K, with the exception of the foregoing, does not reflect events occurring after the date of filing of the 2014 Form 10-K or update disclosures to already disclosed subsequent events or that are affected by any further subsequent events. Consequently, all other information not affected by the additions described above is unchanged and reflects the disclosures and other information made at the dates of the filing of the 2014 Form 10-K and should be read in conjunction with our filings with the SEC subsequent to such dates, including amendments to such filings, if any.
