PROXY STATEMENT FOR 2011 ANNUAL MEETING OF STOCKHOLDERS

Our Board of Directors solicits your Proxy (the “Proxy”) on behalf of Lantronix, Inc., a Delaware corporation (“Lantronix” or the “Company”), for use at our 2011 Annual Meeting of Stockholders (the “Annual Meeting”) to be held on Wednesday, November 16, 2011, at 9:00 a.m. Pacific Standard time, and at any adjournment(s) thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held at Lantronix Corporate Headquarters, 167 Technology Drive, Irvine, California, 92618.

The Notice of Annual Meeting of Stockholders, Proxy Statement, Proxy, letter to stockholders and Form 10-K were first mailed on or about October 6, 2011, to all stockholders entitled to vote at the Annual Meeting. In this Proxy Statement, we refer to the fiscal year ended June 30, 2011 as the 2011 fiscal year.

INFORMATION CONCERNING SOLICITATION AND VOTING AT THE ANNUAL MEETING

Record Date

Stockholders of record at the close of business on September 19, 2011 (the “Record Date”) are entitled to notice of the Annual Meeting and to vote at the Annual Meeting. Presence in person or by proxy of a majority of the shares of common stock outstanding on the Record Date is required for a quorum. As of the close of business on the Record Date, 10,580,819 shares of our common stock were outstanding and were the only class of voting securities outstanding. Each share is entitled to one vote on any matter that may be presented for consideration and action by the stockholders at the Annual Meeting.

Electronic Access to Proxy Materials

The Proxy will provide you with instructions on how to:

View on the Internet the proxy materials for our Annual Meeting;

Vote on the Internet; and

Instruct us to send our future proxy materials to you electronically by e-mail.

Choosing to receive future proxy materials by e-mail will save us the cost of printing and mailing the proxy materials to you and will reduce the environmental impact of our Annual Meeting. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions including a link to the proxy materials and a link to the proxy voting site. Your election to receive proxy materials by e-mail will remain in effect until you terminate it.

Street Name Holdings

Most stockholders hold their shares through a broker, trustee or other nominee rather than directly in their own name. If you do hold shares directly in your name with our transfer agent, BNY Mellon Shareowner Services, you are considered the stockholder of record with respect to those shares and we are sending these proxy materials directly to you. As a stockholder of record, you have the right to grant your voting proxy directly to the named proxy holder or to vote in person at the Annual Meeting. If your shares are held in a brokerage account or by a trustee or other nominee, you are considered the beneficial owner of these shares held in “street name,” and these proxy materials are being made available to you, together with a voting instruction card, by your broker, trustee or nominee. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote. You are also entitled to attend the Annual Meeting; however, you may not vote these shares in person at the Annual Meeting unless you obtain a “legal proxy” from the broker, trustee or nominee that holds your shares giving you the right to vote the shares in person at the Annual Meeting.

Revocability of Proxies

Any stockholder has the power to revoke his or her Proxy or voting instructions at any time before the Annual Meeting. If you are a stockholder of record, you may revoke your Proxy (i) by submitting a written notice of revocation to Lantronix, Inc., 167 Technology Drive, Irvine, California 92618, Attention: Corporate Secretary, or (ii) by submitting a duly executed written Proxy bearing a later date to change your vote. A Proxy will not be voted if the stockholder of record who executed it is present at the Annual Meeting and votes the shares represented by the Proxy in person at the Annual Meeting. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker, trustee or nominee giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

Our Voting Recommendations

The Board of Directors recommends that you vote:

“FOR” the four (4) nominees named by the Company herein to serve as directors until the 2012 Annual Meeting of Stockholders; and

“FOR” the ratification of the appointment of McGladrey & Pullen, LLP as our independent registered public accountants for the fiscal year ending June 30, 2012.

Voting and Solicitation

Each share of common stock outstanding on the Record Date will be entitled to one vote on all matters presented at the Annual Meeting. Stockholders do not have the right to cumulate their votes in the election of directors. Voting results will be tabulated by Broadridge, Inc., our proxy services provider, and certified by the Inspector of Elections.

By signing and returning the proxy card or voting instruction card according to the enclosed instructions, you are enabling Jeremy Whitaker, our Chief Financial Officer and Corporate Secretary, and Dennis O’Reilly, Esq., Of Counsel, who are named on the Proxy as a “proxy holders,” to vote your shares at the meeting in the manner you indicate. We encourage you to sign and return the Proxy even if you plan to attend the meeting. In this way, your shares will be voted even if you are unable to attend the Annual Meeting.

Each valid Proxy will be voted according to the stockholder’s direction. If no direction is given, the Proxy will be voted: (i) “FOR” the election of each of the four (4) nominees for director named herein; and (ii) “FOR” the ratification of the appointment of McGladrey & Pullen, LLP as our independent registered public accountants for the fiscal year ending June 30, 2012. No business other than that set forth in the accompanying Notice of Annual Meeting of Stockholders is expected to come before the Annual Meeting. Should any other matter requiring a vote of stockholders properly arise, the persons named on the Proxy will have discretionary authority to vote all proxies received with respect to such matters in accordance with their judgment.

We will pay the costs of soliciting proxies from stockholders, including the preparation, assembly, Internet posting, printing and mailing of proxy solicitation materials. We will provide copies of solicitation materials to banks, brokerage houses, fiduciaries and custodians holding in their names shares of common stock beneficially owned by others with instructions to forward these materials to the beneficial owners of common stock. We may reimburse brokerage firms and other such persons representing beneficial owners of common stock for their expenses in forwarding solicitation materials to such beneficial owners. Proxies may be solicited by certain of our directors, officers and employees, without additional compensation, personally or by telephone, telegram, letter or facsimile

transmission or other electronic media, personal meetings and interviews.

Householding

In an effort to reduce printing costs and postage fees, we have adopted a practice approved by the SEC called “householding.” Under this practice, stockholders who have the same address and last name and do not participate in electronic delivery of proxy materials will receive only one copy of these proxy materials unless one or more of these stockholders notifies us that they wish to continue receiving individual copies. Stockholders who participate in householding will continue to receive separate proxy cards.

If you share an address with another stockholder and received only one set of proxy materials and would like to request a separate copy of these materials and/or future proxy materials, please send your request to: Lantronix, Inc., 167 Technology Drive, Irvine, California 92618, Attention: Chief Financial Officer, visit our website at www.lantronix.com, or contact our Chief Financial Officer by phone at (949) 453-3990. You may also contact us if you received multiple copies of the proxy materials and would prefer to receive a single copy in the future.

Quorum; Abstentions; Broker Non-Votes

The holders of a majority of the shares of common stock outstanding on the Record Date and entitled to vote at the Annual Meeting, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting and any adjournments or postponements thereof. If you vote on the Internet or by telephone or submit a properly executed proxy card or voting instruction card, even if you abstain from voting, your shares will be counted for purposes of determining the presence or absence of a quorum. If a broker, trustee or other nominee indicates on a proxy that it lacks discretionary authority to vote your shares on a particular matter, commonly referred to as “broker non-votes,” those shares will also be counted for purposes of determining the presence of a quorum at the Annual Meeting.

For purposes of Proposal One, the four nominees receiving the greatest number of valid votes will be elected. (For additional details regarding the number of nominees to be elected, see “Election of Directors”). Withheld votes and broker non-votes cast in the election of the directors will be entirely excluded from the vote and will have no legal effect. Proposal Two requires the affirmative approval of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting (the “Votes Cast”). For these purposes, abstentions with respect to a matter are treated as Votes Cast with respect to such matter, so abstaining has the same effect as a negative vote.

Under the rules governing brokers who have record ownership of shares that are held in “street name” for their clients (the beneficial owners of the shares), brokers have discretion to vote these shares on routine matters but not on non-routine matters. Thus, if you do not otherwise instruct your broker, your broker may turn in a Proxy voting your shares “FOR” routine matters but expressly instructing that the broker is NOT voting on non-routine matters. A “broker non-vote” occurs when a broker expressly instructs on a Proxy that it is not voting on a non-routine matter. Broker non-votes are not treated as Votes Cast for purposes of determining whether the matter has been approved by a majority of the Votes Cast.

The first proposal regarding the election of the nominees for the Company Board is considered a non-routine matter. The second proposal regarding the election of the independent auditors is considered a routine matter.

Except as described below, the Board of Directors knows of no other matters to be presented for stockholder action at the Annual Meeting. However, if other matters do properly come before the meeting or any adjournments or postponements thereof, the Board of Directors intends that the persons named in the proxies will vote upon such matters in accordance with their best judgment.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Requirements for Stockholder Proposals to be Considered for Inclusion in our 2012 Proxy Materials. Stockholders may submit proposals appropriate for stockholder action at meetings of our stockholders. For such a proposal to be included in our proxy materials relating to the 2012 Annual Meeting of Stockholders, all applicable requirements of Rule 14a-8 must be satisfied and such proposals must be received by us no later than June 8, 2012, which is 120 days prior to the one-year anniversary of the mailing date of this year’s proxy materials (October 6, 2011). Such proposals should be delivered to the attention of our Corporate Secretary at Lantronix, Inc., 167 Technology Drive, Irvine, California 92618, and we encourage you to send a copy via e-mail to CorporateSecretary@lantronix.com. The

submission of a stockholder proposal does not guarantee that it will be included in our 2012 Proxy Statement.

Bylaw Requirements for Director Nominations and Stockholder Proposals to be Brought Before the Annual Meeting. Our Bylaws provide that, for stockholder nominations to the Board of Directors or other stockholder proposals to be considered at an annual meeting (but not intended to be included in our proxy materials), in general the stockholder must have given timely notice thereof in writing to the Secretary at our Corporate Headquarters not later than the 45th day nor earlier than the 75th day before the one-year anniversary of the date on which the Company first mailed its proxy materials or a notice of availability of proxy materials (whichever is earlier) for the preceding year's annual meeting. For our 2012 Annual Meeting, notice will be timely if received on or after July 23, 2012 and no later than August 22, 2012. However, in the event that no annual meeting was held in the previous year or if the date of the annual meeting is advanced by more than 30 days prior to, or delayed by more than 60 days after the one-year anniversary of the date of the previous year's annual meeting, then, for notice by the stockholder to be timely, it must be so received by the Corporate Secretary not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of (i) the 90th day prior to such annual meeting, or (ii) the tenth day following the day on which Public Announcement (as defined in the Bylaws) of the date of such annual meeting is first made. As described in our Bylaws, the stockholder submission must include certain specified information concerning the proposal or nominee, as the case may be, and information as to the stockholder's ownership of our common stock. We will not entertain any proposals or nominations at the annual meeting that do not meet these requirements. If a stockholder complies with the requirements of the notice provisions for stockholder nominations and/or other proposals as set forth in the Bylaws, we may not exercise our discretionary voting authority under proxies that we hold unless we include in our proxy statement a brief description of the matter and how we intend to exercise our discretion to vote on such matter. To make a submission or to request a copy of our Bylaws, stockholders should contact our Secretary via e-mail at CorporateSecretary@lantronix.com, or by mail to Attention: Corporate Secretary, Lantronix, Inc., 167 Technology Drive, Irvine, CA 92618. We strongly encourage stockholders to seek advice from knowledgeable counsel before submitting a proposal or nomination.

CORPORATE GOVERNANCE

Nomination of Director Candidates

The Corporate Governance and Nominating Committee considers candidates for Board membership, and recommends director nominees to the independent members of the Board of Directors for consideration and approval. There are no specific minimum qualifications that a director must possess to be nominated. However, the Corporate Governance and Nominating Committee assesses the appropriate skills and characteristics of a nominee based on the composition of the Board as a whole and based on the nominee's qualifications, such as independence, diversity, skills, age and experience in such areas as operations, finance, marketing and sales. See also "Corporate Governance and Nominating Committee" below.

Any stockholder holding shares of our common stock may suggest a candidate for election to the Board of Directors to the Corporate Governance and Nominating Committee by directing the suggestion in writing to Lantronix, Inc., 167 Technology Drive, Irvine, California 92618, Attention: Corporate Secretary. The suggestion must include the suggested candidate's name, home and business contact information, detailed biographical data, relevant qualifications, a signed letter from the suggested candidate confirming willingness to serve, information regarding any relationships between the suggested candidate and Lantronix and evidence of the suggesting stockholder's ownership of our common stock. Such suggestions must also include a statement from the suggesting stockholder in support of the suggested candidate, particularly within the context of the criteria for Board membership, including issues of character, integrity, judgment, diversity of experience, independence, area of expertise, corporate experience, length of service, potential conflicts of interest, other commitments and personal references. The Corporate Governance and Nominating Committee will consider such suggestions for candidates for Board membership, but it is not obligated to include them on the Company's slate of nominees for directors.

In addition, a stockholder may nominate a person directly for election to our Board of Directors, provided the person meets the requirements set forth in the rules and regulations of the SEC related to proxy access (if any) and the requirements set forth in our Bylaws. The process for properly submitting a stockholder proposal, including a proposal to nominate a person for election to our Board of Directors at an annual meeting, is described in the section above entitled "Deadline of Receipt of Stockholder Proposals."

Board Leadership Structure

At such times as an independent director is serving as Chairman of the Board, the leadership of the Board is the responsibility of the Chairman. Mr. Thomas Wittenschlaeger, who is an independent director, has served as Chairman of the Board since July 12, 2011. In accordance with our Corporate Governance Guidelines, if a non-independent director were serving as Chairman of the Board, the leadership of the Board would be shared by the Chairman and a lead independent director who would be appointed by the independent directors from among themselves. We believe that this leadership structure provides the appropriate level of independent oversight necessary to ensure that the Board meets its fiduciary obligations to our stockholders, that the interests of management and our stockholders are properly aligned, and that we establish and follow sound business practices and strategies that are in the best interests of our stockholders.

Risk Oversight

Management has primary responsibility for identifying and mitigating risks to the Company, while our Board of Directors has overall responsibility for oversight of such risks, with a focus on the most significant risks facing the Company. At the beginning of each fiscal year, management and the Board jointly review the strategic goals of the Company and associated risks. Throughout the year, the Board and the committees to which the Board has delegated

responsibility dedicate a portion of their meetings to review and discuss specific risk topics in greater detail. For example, strategic and operational risks are presented and discussed at regularly-scheduled Board meetings and at presentations to the Board and its committees by executive management.

The Board has delegated responsibility for the oversight of specific risks to Board committees as follows:

The Audit Committee oversees our risk policies and processes relating to financial statements and financial reporting, as well as investment, capital structure and compliance risks, and the guidelines, policies and processes for monitoring and mitigating those risks.

The Compensation Committee oversees risks associated with the Company's incentive plans, the compensation of executive management, and the effect the compensation structure may have on business decisions.

The Nominating and Corporate Governance Committee oversees risks related to the Company's governance structure and the evaluation of individual board members and committees.

The Board's risk oversight process builds upon management's enterprise-wide risk assessment and mitigation processes, which include ongoing monitoring of various risks including those associated with long-term strategy and business operations; regulatory and legal compliance; and financial reporting.

Board Meetings and Committees

Our Board of Directors currently consists of five (5) directors, the majority of whom the Board has determined are independent under the requirements of the NASDAQ Stock Market and applicable SEC rules. Mr. Hoshi Printer, Mr. John Rehfeld, Mr. Howard T. Slayen, and Mr. Thomas M. Wittenschlaeger are all independent under the requirements of the NASDAQ Stock Market and applicable SEC rules. The Board of Directors held a total of eighteen (18) meetings during the 2011 fiscal year, and it met without the presence of management for a portion of each meeting. The aforementioned meetings included dedicated discussions related to an independent investigation conducted by the Audit Committee as discussed further below. In addition, during the year, certain matters were approved by the Board of Directors, or a Committee of the Board of Directors, or by unanimous written consent. During fiscal year 2011, the Board of Directors had three (3) standing committees: the Audit Committee, the Compensation Committee, and the Corporate Governance and Nominating Committee. Each Committee has a written charter approved by the Board of Directors, which is available on our website at www.lantronix.com.

Primary Functions of the Board of Directors

Our Board of Directors oversees the conduct of our business by management and reviews our financial objectives, major corporate plans, strategies, actions and major capital expenditures. Our directors are expected to promote the best interests of our stockholders in terms of corporate governance, fiduciary responsibilities, compliance with laws and regulations, and maintenance of accounting and financial controls. Our directors participate in the selection, evaluation and, where appropriate, replacement of our chief executive officer. Directors also provide input to our chief executive officer for the evaluation and recruitment of our principal senior executives. We strongly encourage all of our directors to attend each annual meeting of stockholders. All five (5) of our current five (5) directors attended last year's annual meeting.

Each incumbent director attended 75% or more of the total number of meetings of our Board of Directors and the meetings of the committees of the Board on which the director served that were held during the 2011 fiscal year and while the director was serving as such.

Audit Committee

The 2011 Audit Committee currently consists of the following members: Mr. Hoshi Printer (Chairperson), Mr. John Rehfeld and Mr. Thomas M. Wittenschlaeger. Mr. Printer joined the Audit Committee effective December 15, 2010 and Mr. Rehfeld effective July 12, 2011. As of July 12, 2011, Mr. Printer became the Chairperson of the Audit Committee (succeeding Mr. Howard Slayen), while Mr. Wittenschlaeger continued to serve on the Committee. Each member of the 2011 Audit Committee met the NASDAQ and SEC requirements as to independence and financial knowledge. During fiscal year 2011, the Audit Committee met twenty-eight (28) times. The Board has determined that Mr. Printer, Chairperson of the Audit Committee, is an “audit committee financial expert” as defined by rules of the SEC. A copy of the Audit Committee Charter can be found on our website, www.lantronix.com. The report of the Audit Committee is included on page 14 of this Proxy Statement.

The Audit Committee assists the Board of Directors in fulfilling its responsibilities for general oversight of the integrity of our financial statements, its compliance with legal and regulatory requirements, the qualifications and independence of the independent registered public accounting firm, the performance of the independent registered public accounting firm, risk assessment and risk management, and finance and investment functions. Among other matters, the Audit Committee: prepares the Audit Committee Report for inclusion in the annual proxy statement; annually reviews its charter and performance; appoints, evaluates and determines the compensation of the independent registered public accounting firm; reviews and approves the audit fees and the financial statements; reviews our disclosure controls and procedures, internal controls, information security policies and corporate policies with respect to financial information and earnings guidance; oversees investigations into complaints concerning financial matters; and reviews other risks that may have a significant impact on our financial statements. The Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding for, outside legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties. All committee members must be financially literate, and at least one member shall have accounting or related financial management expertise. During fiscal year 2011, the Audit Committee oversaw a voluntary independent investigation conducted with respect to certain allegations raised by a member of the Board as to potential inadequacies of the Company's internal controls and potential misconduct of certain members of management. Twenty (20) of the twenty-eight (28) Audit Committee meetings in fiscal 2011 were in relation to such independent investigation.

Compensation Committee

The Compensation Committee currently consists of the following members: Mr. John R. Rehfeld (Chairperson), Mr. Hoshi Printer and Mr. Thomas Wittenschlaeger. During fiscal year 2011, the Compensation Committee met twelve (12) times. Mr. Printer joined the Compensation Committee effective December 15, 2010 and Mr. Wittenschlaeger effective July 12, 2011. Our Board has determined that each member of the Compensation Committee meets the applicable NASDAQ, SEC and Internal Revenue Service rules and requirements as to independence for Compensation Committee members. A copy of the Compensation Committee Charter can be found on our website, www.lantronix.com.

Scope and Authority of Compensation Committee. Among other responsibilities set forth in its charter, the Compensation Committee determines our overall policies on compensation and the compensation to be provided to our Chief Executive Officer and other executive officers, including, among other things, annual salaries and bonuses, stock-based awards, stock options, and other compensation arrangements. In addition, the Compensation Committee administers the Company's equity incentive plans and reviews the philosophy and policies behind, and any material risks created by, the salary, bonus and equity compensation arrangements for all other employees. The Compensation Committee also makes recommendations to the Board of Directors with respect to amendments to the Company's equity incentive plans and changes in the numbers of shares reserved for issuance thereunder. The Compensation Committee may form subcommittees for any purpose the Compensation Committee deems appropriate and may delegate to such subcommittees such power and authority as the Compensation Committee deems appropriate.

Role of Officers and Compensation Consultants in Recommending Compensation. The agenda for meetings of the Compensation Committee is determined by its Chairperson with the assistance of our Human Resources and Finance Departments. Compensation Committee meetings are regularly attended by our Chief Executive Officer, our Chief Financial Officer, representatives from Human Resources, and other employees with functional responsibilities related to the committee's work. In fiscal 2011, the Compensation Committee retained an outside compensation consultant, Frederick W. Cook & Co. ("FW Cook"), to review and assist Lantronix with executive and director compensation and to consult with Lantronix in fiscal 2011. FW Cook was engaged to conduct a competitive market analysis for the Company's top five (5) executives, provide assistance in creation of company-wide incentive guidelines, including but not limited to equity grant guidelines for hiring as well as ongoing annual guidelines and provide periodic consultation to the chairperson of the Compensation Committee and other members as required. These consulting services did not

exceed \$120,000 in fiscal 2011.

Corporate Governance and Nominating Committee

Our director nominees are selected by a majority of the independent directors of the Board of Directors. In addition, we have a Corporate Governance and Nominating Committee, which currently consists of the following members: Mr. Thomas M. Wittenschlaeger (Chairperson), Mr. John R. Rehfeld, and Mr. Hoshi Printer. During fiscal year 2011, the Corporate Governance and Nominating Committee met five (5) times. Mr. Printer joined the Corporate Governance and Nominating Committee effective July 12, 2011. Our Board has determined that all members of the Corporate Governance and Nominating Committee meet the independence requirements of the SEC and NASDAQ. A copy of the Corporate Governance and Nominating Committee Charter can be found on our website, www.lantronix.com.

The Corporate Governance and Nominating Committee assists the Board in overseeing the implementation and monitoring the effectiveness of our Corporate Governance Guidelines and Code of Conduct and in developing and recommending to the Board modifications and/or additions to those and other corporate policies. The committee reviews our overall corporate governance as well as Board policies and procedures and recommends improvements as needed. The committee is also responsible for recommending director nominees for election at each annual meeting of stockholders and for the review and approval of related party transactions, as well as evaluation of the “independence” of directors and director nominees against the independence requirements of the NASDAQ rules, SEC rules and other applicable laws. The committee also reviews and recommends compensation programs for outside directors and oversees the director performance evaluation process.

Criteria for Director Nominees and Board Diversity. The Board believes that it should be composed of directors with diverse, complementary backgrounds, and that directors should, at a minimum, exhibit proven leadership capabilities and experience at a high level of responsibility within their chosen fields and have the ability to quickly grasp complex principles of business, finance and technology. Directors should possess the highest personal and professional ethics, integrity and values and should be committed to representing the long-term interests of our stockholders.

When considering a candidate for director, the committee takes into account a number of factors, including the following:

- Independence from management;

- Depth of understanding of technology, manufacturing, sales and marketing, finance and/or other elements directly relevant to our business;

- Education and professional background;

- Judgment, skill, integrity and reputation;

- Existing commitments to other businesses as a director, executive or owner;

- Personal conflicts of interest, if any;

- The size and composition of our existing Board; and

- Diversity of skills, backgrounds, experiences and other qualifications, to meet Lantronix’ ongoing needs.

In general, candidates who hold or who have held an established executive-level position in a high technology company are preferred. The Board’s consideration of diversity as a criteria for director nominations is primarily focused on evaluating a nominee’s expected contribution to the diversity of skills, background, experiences and perspectives, given the then existing composition of the Board as a whole.

When seeking candidates for director, the committee may solicit suggestions from incumbent directors, management, stockholders and others. Additionally, the committee has in the past used, and may continue to use, the services of third party search firms to assist in the identification and analysis of appropriate candidates. After conducting an initial evaluation of a prospective candidate, the committee will interview that candidate if it believes the candidate might be suitable. The committee may also ask the candidate to meet with other members of the Board and with management. If the committee believes a candidate would be a valuable addition to the Board, it may recommend to the Board that candidate’s appointment or election. The committee applies the same standards of review to all prospective candidates

for director, regardless of who initially brings them to the committee's attention.

Concerns relating to accounting, internal controls or auditing matters should be brought to the attention of a member of our senior management or the Audit Committee, as appropriate, and are handled in accordance with procedures established by the Audit Committee with respect to such matters.

Stockholder Communications with Our Board of Directors

You may communicate with any director, the entire Board of Directors or any committee of the Board by sending a letter to the director, the Board or the committee, addressed to our Corporate Secretary at Lantronix, Inc., 167 Technology Drive, Irvine, California 92618. Any stockholder communication marked “confidential” will be logged as “received” and forwarded to the appropriate person without review.

2010 Proxy Contest

On August 19, 2010, TL Investment GmbH (“TLI”), of which Mr. Bruscha owns 100% of the stock, delivered a letter to the Company, notifying Lantronix that, as its largest stockholder, it intended to nominate three (3) members for election to the Company’s Board of Directors at the 2010 Annual Meeting of Stockholders. Subsequently TLI filed a Preliminary Proxy Statement on Schedule 14A under the Securities Exchange Act of 1934, as amended, in support of such proposal on October 13, 2010. The Company and TLI engaged in a proxy contest, which was resolved by entering into a settlement agreement dated November 29, 2010 between the parties (the “Settlement Agreement”). Pursuant to the Settlement Agreement, the Company and TLI agreed, in connection with the 2010 Annual Meeting of Stockholders, that the Company would (i) nominate seven persons for election to the Board, including Bernhard Bruscha and Hoshi Printer or their respective replacements, in the Company’s slate of nominees for election to the Board of Directors at the 2010 Annual Meeting of Stockholders and (ii) amend its Schedule 14A to reflect the inclusion of such individuals on the Company’s slate of recommended nominees for election to the Board of Directors at the 2010 Annual Meeting of Stockholders. TLI agreed to certain standstill restrictions through the end of the Company’s 2011 Annual Meeting of Stockholders, including TLI’s agreement not to increase its beneficial ownership of the Company’s common stock above 38% of the Company’s then currently outstanding common stock. Additionally, TLI agreed to refrain from making any public announcement with respect to, or submitting a proposal or offer of any merger, business combination, recapitalization, restructuring or other extraordinary transaction involving the Company or any of its securities or assets. With respect to the 2011 Annual Meeting, the Settlement Agreement also stated that the Company would nominate seven persons for election to the Board, of which TLI would be entitled to nominate three (3) persons. The Settlement Agreement, by its terms, was to terminate upon the earlier of (i) the day after the Company’s 2011 Annual Meeting; (ii) the 15-month anniversary of the effective date of the Settlement Agreement; or (iii) in the event Mr. Bruscha ceased to own or control a majority in interest of TLI, in each case if not previously terminated by the mutual agreement of the Company and TLI. By its terms, the Settlement Agreement provided that, irrespective of any termination or expiration of the Settlement Agreement, neither TLI, the Company, nor any officer or director thereof was to call a special meeting of stockholders of the Company to be held regarding any election of directors within six months after the 2011 Annual Meeting of Stockholders.

Following a review of the current corporate governance of the Company in light of two resignations from the Board of Directors, (Mr. Jerry Chase’s resignation as a result of his separation agreement entered into as of June 22, 2011, and the resignation of the Chairman of the Board, Mr. Larry Sanders, on June 24, 2011), and one pending resignation from the Board of Directors of Mr. Howard Slayen, to be effective one day prior to the date of the Company’s 2011 Annual Meeting, as well as the current scope of the Company’s operations, the Board concluded that the Company would be best served with a Board comprised of fewer than seven (7) members. The Board believed that it would be in the best interests of the Company to reduce the size of the Board to four (4) members effective upon the date of the 2011 Annual Meeting. The Board intends to actively consider expanding the number of directors in the future as the

scope of the Company's operations warrant.

As a pre-requisite to reducing the size of the Board, the Company entered into an agreement with TLI and Mr. Bruscha dated August 9, 2011 (the "Termination Agreement") to terminate the Settlement Agreement on such date, prior to the date the Settlement Agreement would otherwise have expired. Pursuant to the terms of the Termination Agreement: (i) Mr. Bruscha, in his capacity as a member of the Board, agreed to recuse himself from deliberating and voting as a director with regard to the appointment of a fifth director of the Company in the event the Board determines to expand the size of the Board following the Company's 2011 Annual Meeting (with such agreement to recuse himself terminating on March 15, 2012); and (ii) TLI agreed that, until November 16, 2011, it shall not, alone or in conjunction with any third party, without the prior written consent of the Company, make any public announcement with respect to, or submit a proposal for, or offer of (with or without conditions) any merger, business combination, recapitalization, restructuring or other extraordinary transaction involving the Company or any of its securities or assets.

PROPOSAL ONE

ELECTION OF DIRECTORS

Our Board of Directors currently consists of five (5) members. The terms of all five (5) directors will expire at the Annual Meeting. Effective as of the date of the Annual Meeting, the Board of Directors has reduced the authorized number of directors from five (5) to four (4). Accordingly, the stockholders will elect four (4) directors at the Annual Meeting. Four (4) of our incumbent directors, Bernhard Bruscha, Hoshi Printer, John Rehfeld and Thomas M. Wittenschlaeger, are being nominated by the Board for re-election. There are no family relationships among any directors or executive officers. In the event that less than four (4) persons are duly nominated and elected, vacancies on the Board may be filled by a majority of the elected directors.

If elected at the Annual Meeting, each nominee will serve until the 2012 Annual Meeting of Stockholders and until his successor is elected and qualified, or until his earlier resignation or removal. A director elected to fill a vacancy (including a vacancy created by an increase in the size of the Board of Directors) will serve until the next annual meeting of stockholders and until his successor is elected and qualified.

Unless otherwise instructed, the holders of proxies solicited by this Proxy Statement will vote the proxies received by them for our four nominees. Directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote at the meeting. Shares represented by signed proxies will be voted, if authority to do so is not withheld, for the election of the nominees named below. In the event that any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the Proxy holders will vote for a nominee designated by the current Board of Directors to fill the vacancy. We are not aware of any reason that the Company's nominees will be unable or will decline to serve as directors. The Board of Directors recommends a vote "FOR" the election of the Company's four (4) nominees. Since the deadline for providing advance notice of stockholder nominations for directors has already passed, no additional persons may be nominated from the floor.

The names of the current members of our Board of Directors, their ages as of September 19, 2011, and certain other information about them are set forth below.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

We are asking our stockholders to ratify the Audit Committee's selection of McGladrey & Pullen, LLP as our independent registered public accountants for the fiscal year ending June 30, 2012.

McGladrey & Pullen, LLP was engaged in January 2005 and has served as our independent registered public accountants since then. A representative of McGladrey & Pullen, LLP will be present at the Annual Meeting and will have the opportunity to make a statement if he or she desires to do so and be available to answer any appropriate questions.

Audit and Related Fees

The following table is a summary of the fees billed for professional services performed by McGladrey & Pullen, LLP, our independent registered public accountants for services rendered during the fiscal years ended June 30, 2011 and 2010:

Fee Category	Year Ended June 30,	
	2011	2010
Audit fees	\$ 452,712	\$ 348,610
Audit-related fees	-	-
Tax fees	69,220	50,333
All other fees	-	-
Total fees	\$ 521,932	\$ 398,943

Audit Fees. Consist of fees billed for professional services rendered for the audit of our consolidated financial statements and review of our quarterly interim consolidated financial statements, as well as services that are normally provided by our independent registered public accountants in connection with statutory and regulatory filings or engagements. In fiscal 2011, audit fees included fees relating to an independent investigation. See also "Corporate Governance -- Audit Committee" above.

Audit-Related Fees. Normally consist of fees billed for audits required by statute in certain locations outside the U.S. where we have operations and accounting consultations. There were no fees billed for this category for services rendered during the fiscal years ended June 30, 2011 and 2010.

Tax Fees. Consist of fees billed for professional services, including tax advice and tax planning and assistance regarding federal, state and international tax compliance and related services. McGladrey & Pullen, LLP was engaged to assist the company with tax compliance during the fiscal year ended June 30, 2011 and 2010.

All Other Fees. There were no fees for this category during the fiscal years ended June 30, 2011 and 2010.

Before selecting McGladrey & Pullen, LLP, the Audit Committee carefully considered the firm's qualifications as independent registered public accountants. This included a review of the qualifications of the engagement team, the quality control procedures the firm has established, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee's review included inquiry concerning any litigation involving McGladrey & Pullen, LLP and any proceeding by the SEC against the firm. In this respect, the Audit Committee concluded that the ability of McGladrey & Pullen, LLP to perform services for us is in no way adversely affected by such litigation or investigation. The Audit Committee's review also included matters required to be considered under

the SEC's rules on auditor independence, including the nature and extent of non-audit services, to ensure that the auditors' independence will not be impaired. The Audit Committee pre-approves all audit and non-audit services provided by McGladrey & Pullen, LLP, or subsequently approves non-audit services in those circumstances where a subsequent approval is necessary and permissible. All of the services, if any, provided by McGladrey & Pullen, LLP described under "Audit-Related Fees," "Tax Fees" and "All Other Fees" were pre-approved by the Audit Committee. The Audit Committee of our Board of Directors has determined that the provision of services by McGladrey & Pullen, LLP other than for audit-related services is compatible with maintaining the independence of McGladrey & Pullen, LLP as our independent registered public accountants.

Required Vote; Recommendation of the Board of Directors

The affirmative vote of a majority of the Votes Cast is necessary to approve this proposal. Assuming a quorum is present, abstentions will have the effect of a vote “against” this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” RATIFICATION OF THE APPOINTMENT OF MCGLADREY & PULLEN, LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR THE FISCAL YEAR ENDING JUNE 30, 2012.

Directors also receive \$1,000 for each additional full-day in-person meeting in excess of one meeting per quarter and \$500 for each telephonic conference.

Stock Option Program. Members of our Board of Directors who are not employees of ours, or any parent or subsidiary of ours ("Non-Employee Directors"), are eligible to participate in our 2010 Stock Plan. Under the 2010 Stock Plan, Non-Employee Directors are eligible to receive a discretionary grant of non-statutory stock options on the date such Non-Employee Director first joins our Board. Each Non-Employee Director is also eligible for an additional annual option grant. The exercise price for these options is 100% of the fair market value of the shares on the date of grant. These options have a term of seven (7) years; provided, however, that they may terminate earlier under certain circumstances.

During fiscal 2011, each Non-Employee Director was granted an option to purchase 10,000 shares at an exercise price of \$3.45 per share. The options were fully vested as of the date of the grant and expire on December 15, 2017.

Reimbursements. We reimburse our Non-Employee Directors for travel expenses in accordance with the Company's travel and expense policies and procedures. In the case of Mr. Bruscha, for fiscal 2011 we agreed to provide a travel stipend of \$2,016 per in-person meeting for which he traveled to the Company.

Except as described above, directors do not receive any other compensation for their services as our directors or as members of committees of the Board of Directors.

Appointment of Interim CEO and CFO During Fiscal Year 2011

Concurrent with the separation of Mr. Chase and Mr. Sakai from their executive positions with the Company, effective June 24, 2011, the Board appointed an Interim President and CEO, Mr. Larry Sanders (who was previously Chairman of the Board of the Company until his effective date of resignation from such position on June 24, 2011), as well as an Interim Chief Financial Officer, Mr. Jim Kerrigan (who had previously served in both an Interim Chief Financial Officer and Chief Financial Officer capacity for the Company).

As reported in a Form 8-K filed by the Company on August 31, 2011, Mr. Sanders subsequently resigned as an employee of Lantronix. The Compensation Committee approved extending the original post-termination exercise through August 26, 2012, with respect to the vested shares subject to two (2) options held by Mr. Sanders as of August 26, 2011, which were previously granted to Mr. Sanders on November 18, 2009 and November 19, 2008.

Prior to his resignation, on August 18, 2011, Mr. Sanders was granted a non-statutory stock option to purchase 8,281 shares of common stock under the 2010 Stock Incentive Plan at an exercise price of \$3.06 per share. The option was scheduled to vest over a period of seventeen (17) months such that (i) 2/17 of the total grant was immediately vested as of the date of the grant and (ii) 1/17 of the total grant was scheduled to vest on the 18th day of each month thereafter so long as Mr. Sanders remained a Service Provider of the Company (as such term is defined in the 2010 Stock Incentive Plan). The grant was to become fully vested as of November 18, 2012. This option ceased vesting on August 26, 2011 when Mr. Sanders resigned as an employee of the Company. Mr. Sanders has one (1) year from August 26, 2011 within which to exercise such option as to the vested shares from such grant, after which the option will expire with respect to any unexercised shares.

Agreements with Current Executive Officers

No executive officer has or had an employment agreement that provides for a specific term of employment. Accordingly, the employment of each executive officer may be terminated at any time at the discretion of the Board of Directors.

Other than Mr. Chase and Mr. Sakai, who entered into Separation Agreements with the Company effective as of June 30, 2011 as described above, we did not enter into agreements that provide for benefits upon termination of employment of Mr. Sanders or Mr. Kerrigan, our executive officers as of June 30, 2011. We have, however, entered into agreements with each of our current executive officers, Mr. Kurt Busch (who became President and CEO effective as of August 23, 2011) and Mr. Jeremy Whitaker (who became Chief Financial Officer and Corporate Secretary effective as of September 26, 2011), that provide certain benefits upon the termination of employment under certain prescribed circumstances. Those agreements are summarized below:

Kurt Busch – President and Chief Executive Officer. In August 2011, we entered into an offer letter agreement with Mr. Busch. If a Change of Control occurs (as defined below) and the Market Cap (as defined below) of the Company is equal to or less than \$50 million, the incentive stock options granted to Mr. Busch to purchase 350,000 shares will fully vest. In addition, if such a Change of Control results in his resignation for Good Cause (as defined below), the Company shall pay Mr. Busch a total sum of (i) the equivalent of nine (9) months of his then current base salary, plus (ii) 40% of nine (9) months of his then current base salary. If a Change of Control occurs and the Market Cap is greater than \$50 million, Mr. Busch's options to purchase 350,000 shares shall also fully vest. If such a Change of Control results in Mr. Busch's resignation for Good Cause, the Company shall pay Mr. Busch severance in an amount equivalent to the total sum of (x) the product of two (2) multiplied by his then current base salary, plus (y) 80% of his then current annual base salary. Any such severance payments shall be subject to the effectiveness of a release of claims and shall be paid in lump sum on the 53rd day following his effective date of resignation for Good Cause or such later date as is required to avoid adverse taxation under Internal Revenue Code Section 409A.

Additionally, if there is no Change of Control and we terminate Mr. Busch without Cause (as defined below), we will pay him an amount equal to the sum of (i) nine (9) months of his then current base salary, plus (ii) an amount equal to seventy-five percent (75%) of his bonus actually earned and paid during the previous 12-month period. All such severance payments to Mr. Busch shall be paid in a lump sum on the 53rd day following his date of termination or such later date as is required to avoid adverse taxation under Internal Revenue Code Section 409A.

Jeremy Whitaker - Chief Financial Officer and Corporate Secretary. In September 2011, we entered into an offer letter agreement with Mr. Whitaker. If a Change of Control occurs (as defined below) and the Market Cap (as defined below) of the Company is equal to or less than \$50 million, the incentive stock options granted to Mr. Whitaker to purchase 55,000 shares shall fully vest. In addition, if such a Change of Control results in his resignation for Good Cause (as defined below), the Company shall pay Mr. Whitaker an amount equivalent to six (6) months of his then current base salary. If a Change of Control occurs and the Market Cap is greater than \$50 million, Mr. Whitaker's options to purchase 55,000 shares shall also fully vest. If such a Change of Control results in Mr. Whitaker's resignation for Good Cause, the Company shall pay Mr. Whitaker severance in an amount equivalent to twelve (12) months of his then current base salary. Any such severance payments shall be subject to the effectiveness of a release of claims and shall be paid in lump sum on the 53rd day following his effective date of resignation for

Good Cause or such later date as is required to avoid adverse taxation under Internal Revenue Code Section 409A.

Additionally, if there is no Change of Control and we terminate Mr. Whitaker without Cause within one (1) year of his start date (September 26, 2011), we will pay him an amount equal to three (3) months of his then current base salary.
