Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On October 11, 2017, the Board of Directors of the Company adopted the Penske Automotive Group, Inc. Deferred Compensation Plan, effective January 1, 2018 (the “DCP”), a copy of which is attached hereto as Exhibit 10.1. Participation in the DCP, which is an unfunded, non-qualified deferred compensation plan, is limited to certain members of management or highly compensated employees (the “Participants”), who contribute significantly to the future business success of the Company and its affiliates. It allows Participants to defer all or a portion of their annual bonus and/or up to 50% of their salary to be paid at a future date, generally subject to acceleration in the event of disability, separation from service, death, unforeseeable emergency, or a change in control of the Company. Deferral elections must be made by the Participants prior to the calendar year in which the compensation is earned and distributions can be paid in a variety of forms from lump sum to installments over a period of years.

Hypothetical accounts of the Participants under the DCP are not funded and payment obligations pursuant to the DCP are unsecured general obligations of the Company. The Company does not guarantee a rate of return on deferred balances. The Company reserves the right to amend or terminate the DCP at any time, provided that no such action generally will alter a Participant’s right to receive a payment due under the terms of such plan at the date of the action. The foregoing description of the DCP is a summary and is qualified in its entirety by reference to the plan, which is attached hereto as Exhibit 10.1 and is incorporated by reference herein.
