PROXY STATEMENT

SOLICITING, VOTING AND REVOCABILITY OF PROXY

This proxy statement is being made available to all stockholders of record at the close of business on June 15, 2016 in connection with the solicitation by the Board of Directors of proxies to be voted at the Annual Meeting of Stockholders to be held on August 10, 2016 at 9:00 a.m., local time, or any adjournment thereof. Proxy materials for the Annual Meeting of Stockholders were made available to stockholders on or about June 24, 2016.

All shares represented by proxies duly executed and received will be voted on the matters presented at the meeting in accordance with the instructions specified in such proxies. Proxies so received without specified instructions will be voted as follows:

- (i) FOR the nominees named in the proxy to our Board of Directors.
- (ii) FOR the ratification of the selection of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.
- (iii) FOR the approval of the compensation of our named executive officers.

If you are a beneficial owner of shares held in street name and you do not provide specific voting instructions to the organization that holds your shares, the organization will be prohibited under the current rules of the New York Stock Exchange from voting your shares on “non-routine” matters. This is commonly referred to as a “broker non-vote.” The election of directors and the advisory vote with respect to executive compensation are considered “non-routine” matters and therefore may not be voted on by your bank or broker absent specific instructions from you. The ratification of the selection of our independent registered public accounting firm is a routine matter. Please instruct your bank or broker so your vote can be counted.

Our Board of Directors does not know of any other matters that may be brought before the meeting nor does it foresee or have reason to believe that the proxy holder will have to vote for substitute or alternate nominees to the Board of Directors. In the event that any other matter should come before the meeting or any nominee is not available for election, the person named in the enclosed proxy will have discretionary authority to vote all proxies not marked to the contrary with respect to such matters in accordance with his best judgment.

The total number of common shares outstanding and entitled to vote as of the close of business on June 15, 2016 was 7,912,375. The common shares are the only class of securities entitled to vote on matters presented to our stockholders, each share being entitled to one vote. A majority of the common shares outstanding and entitled to vote as of the close of business on June 15, 2016, or 3,956,188 common shares, must be present at the meeting in person or by proxy in order to constitute a quorum for the transaction of business.

Our Restated Certificate of Incorporation provides for cumulative voting of shares for the election of directors. This means that each stockholder has the right to cumulate his votes and give to one or more nominees as many votes as equals the number of directors to be elected (five) multiplied by the number of shares he is entitled to vote. A stockholder may therefore cast his votes for one nominee or distribute them among two or more of the nominees; however, in order to cumulate votes, a stockholder must request a proxy card (as Internet and telephone voting will not be available for such purposes). Only stockholders of record as of the close of business on June 15, 2016 will be entitled to vote. With regard to the election of directors, votes may be cast in favor or withheld. The directors shall be elected by a plurality of the votes cast in favor. Accordingly, based upon there being five nominees, each person who receives one or more votes will be elected as a director. Votes withheld in connection with the election of one or more of the nominees for director will not be counted as votes cast for such individuals and may be voted for the other nominees.

Stockholders may expressly abstain from voting on Proposal 2 or 3 by so indicating on the proxy. Abstentions are counted as present in the tabulation of votes on Proposals 2 and 3. Since Proposals 2 and 3 require the affirmative approval of a majority of the common shares present in person or represented by proxy at the meeting and entitled to vote (assuming a quorum is present at the meeting), abstentions will have the effect of a negative vote while broker non-votes will have no effect.

Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before its exercise. The proxy may be revoked by filing with us written notice of revocation or a fully executed proxy bearing a later date. The proxy may also be revoked by affirmatively electing to vote in person while in attendance at the meeting. However, a stockholder who attends the meeting need not revoke a proxy given and vote in person unless the stockholder wishes to do so. Written revocations or amended proxies should be sent to us at 15 Joys Lane, Kingston, New York 12401, Attention: Corporate Secretary. Those voting by Internet or by telephone may also revoke their proxy by voting in person at the meeting or by voting and submitting their proxy at a later time by Internet or by telephone.

The proxy is being solicited by our Board of Directors. We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and other custodians, nominees and fiduciaries for forwarding proxy materials to beneficial owners of our shares. Solicitations will be made primarily by Internet availability of proxy materials and by mail, but certain of our directors, officers or employees may solicit proxies in person or by telephone, telecopier or email without special compensation.

A list of stockholders entitled to vote at the meeting will be available for examination by any stockholder for any purpose germane to the meeting, during ordinary business hours, for ten days prior to the meeting, at our offices located at 15 Joys Lane, Kingston, New York 12401, and also during the whole time of the meeting for inspection by any stockholder who is present. To contact us, stockholders should call (845) 802-7900.

PROPOSAL 1: ELECTION OF DIRECTORS

Five directors are to be elected at the meeting to serve until the next annual meeting of stockholders and until their respective successors shall have been elected and have qualified.

Our Restated Certificate of Incorporation provides for cumulative voting of shares for the election of directors. This means that each stockholder has the right to cumulate his votes and give to one or more nominees as many votes as equals the number of directors to be elected (five) multiplied by the number of shares he is entitled to vote. A stockholder may therefore cast his votes for one nominee or distribute them among two or more of the nominees.

Nominees for Directors

All five of the nominees are currently members of our Board of Directors. The following table sets forth each nominee's age as of June 15, 2016, the positions and offices presently held by him with us, and the year in which he became a director. The Board of Directors recommends a vote FOR all nominees. The person named as proxy intends to vote cumulatively all shares represented by proxies equally among all nominees for election as directors, unless proxies are marked to the contrary.

Mr. Seibald also operated The Seibald Report, Inc., an independent research firm specializing in the retailing sector. He holds an M.B.A. from Hofstra University and a B.A. from George Washington University. Mr. Seibald has served as one of our directors since 2004. In January 2008, the Financial Industry Regulatory Authority (“FINRA”) imposed a \$100,000 fine and 20-day suspension on Mr. Seibald in connection with the settlement of a FINRA action against Sanders Morris Harris Inc. and Mr. Seibald, among others. FINRA had found that Mr. Seibald had improperly received compensation from a profit pool derived, in part, from commissions on trading by a hedge fund for which he served as a manager. We believe that Mr. Seibald’s corporate finance and executive-level experience, as well as his service on the Board of KICO since 2006 (including his service as Chairman of its Investment Committee), give him the qualifications and skills to serve as one of our directors.

The members of our Board's Audit Committee currently are Messrs. Tupper, Haft, Seibald and Yankus. Our Board has adopted a written charter for the Audit Committee. A copy of the charter is available on our website, www.kingstonecompanies.com.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of the Board of Directors is responsible for assisting the Board in identifying and recruiting qualified individuals to become Board members, selecting director nominees to be presented for Board and/or stockholder approval, identifying members of the Board to serve on each Board committee, identifying individuals to serve as officers and developing corporate governance guidelines.

The members of the Nominating and Corporate Governance Committee currently are Messrs. Haft, Seibald, Tupper and Yankus. Our Board has adopted a written charter for the Nominating and Corporate Governance Committee. A copy of the charter is available on our website, www.kingstonecompanies.com.

While the Nominating and Corporate Governance Committee does not have a formal policy on diversity for members of the Board of Directors, the Nominating and Corporate Governance Committee considers diversity of background, experience and qualifications in evaluating prospective Board members. The Nominating and Corporate Governance Committee will consider qualified director candidates recommended by stockholders if such recommendations are provided in accordance with the procedures set forth in the section entitled "Stockholder Proposals - Stockholder Nominees" below. The Nominating and Corporate Governance Committee evaluates all candidates based upon, among other factors, a candidate's financial literacy, knowledge of our industry, other relevant background experience, judgment, skill, integrity, the interplay of a candidate's experience with the experience of other Board members, 'independence' (for purposes of compliance with the rules of the SEC and the NASDAQ Marketplace Rules), and

willingness, ability and availability for service. After conducting an initial evaluation of a prospective nominee, the Nominating and Corporate Governance Committee will interview that candidate if it believes the candidate might be suitable to be a director. The Nominating and Corporate Governance Committee may also ask the candidate to meet with management. If the Nominating and Corporate Governance Committee believes a candidate would be a valuable addition to our Board of Directors, it may recommend to the full Board that candidate's nomination and election. At this time, the Nominating and Corporate Governance Committee has not adopted minimum criteria for consideration of a proposed candidate for nomination.

Compensation Committee

The Compensation Committee of the Board of Directors is responsible for the management of our business and affairs with respect to the compensation of our employees. The responsibilities and duties of the Compensation Committee include the following:

- review and approve the compensation of our Chief Executive Officer,
- make recommendations to our Board regarding the compensation of all other executive officers,
- review, and make recommendations to our Board regarding, incentive compensation plans and equity-based plans, and where appropriate or required, recommend for approval by our stockholders, which includes the ability to adopt, amend and terminate such plans,
- administer our incentive compensation plans and equity-based plans, including designating the employees to whom awards are to be granted, the amount of the award or equity to be granted and the terms and conditions applicable to each award or grant, subject to the provisions of each plan,
 - review, and make recommendations to our Board regarding, employment agreements and severance arrangements or plans, including any benefits to be provided in connection with a change in control, for our Chief Executive Officer and other executive officers, which includes the ability to adopt, amend and terminate such agreements, arrangements or plans,

The Compensation Committee may form and delegate authority to subcommittees and may delegate authority to one or more designated members of the Compensation Committee. Our Chief Executive Officer assists the Compensation Committee from time to time by advising on a variety of compensation matters, such as assisting the Compensation Committee in determining appropriate salaries and bonuses for our executive officers. The Compensation Committee has the authority to consult with management and to engage the services of outside advisors, experts and others to assist it in its efforts.

Board Leadership Structure and Role in Risk Oversight

Our Board of Directors as a whole is responsible for our risk oversight. Our executive officers address and discuss with our Board of Directors our risks and the manner in which we manage or mitigate such risks. While our Board of Directors has the ultimate responsibility for our risk oversight, our Board of Directors works in conjunction with its committees on certain aspects of its risk oversight responsibilities. In particular, our Audit Committee focuses on financial reporting risks and related controls and procedures and our Compensation Committee strives to create compensation practices that do not encourage excessive levels of risk taking that would be inconsistent with our strategies and objectives.

Since 2001, Barry B. Goldstein has served as our Chief Executive Officer and Chairman of the Board. We do not currently have a lead independent director. At this time, our Board of Directors believes that Mr. Goldstein's combined role as Chief Executive Officer and Chairman of our Board enables us to benefit from Mr. Goldstein's significant institutional and industry knowledge and experience, while at the same time promoting unified leadership and direction for our Board and executive management without duplication of effort and cost. Given our history, position, Board composition and the relatively small size of our company and management team, at this time, our Board believes that we and our stockholders are best served by our current leadership structure.

Report of the Audit Committee

In overseeing the preparation of the financial statements of the Company as of December 31, 2015 and for the years ended December 31, 2015 and 2014, the Audit Committee met with management to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Audit Committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee discussed the statements with management. The Audit Committee also discussed with Marcum LLP, the Company's outside auditors ("Marcum"), the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 16, Communications With Audit Committees, as currently in effect.

The Audit Committee received the written disclosures and the letter from Marcum required by applicable requirements of the Public Company Accounting Oversight Board regarding Marcum's communications with the Audit Committee concerning independence and the Audit Committee discussed Marcum's independence with Marcum.

On the basis of these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2015, for filing with the Securities and Exchange Commission.

PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board of Directors has selected Marcum as our independent registered public accounting firm to examine our financial statements for the year ending December 31, 2016.

Although ratification by stockholders is not required by our organizational documents or other applicable law, our Board of Directors has determined that requesting ratification by stockholders of the appointment of Marcum as our independent registered public accounting firm for the fiscal year ending December 31, 2016 is a matter of good corporate practice. If stockholders do not ratify the selection, the Audit Committee may reconsider whether or not to retain Marcum, but may still determine to retain them. Even if the selection is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of us and our stockholders.

Marcum has served as our independent registered public accountants with respect to the fiscal year ended December 31, 2013 and each subsequent fiscal year.

It is not expected that a representative of Marcum will attend the meeting.

The following is a summary of the fees billed to us by Marcum for professional services rendered for the fiscal years ended December 31, 2015 and 2014:

| Fee Category | Fiscal 2015 Fees | Fiscal 2014 Fees |

| Tax Fees(3) | \$ 5,379 | \$ 43,085 |
| All Other Fees(4) | \$ - | \$ - |
| TOTAL FEES | \$ 209,128 | \$ 235,403 |

- (1) Audit Fees consist of fees billed for services rendered for the audit of our consolidated financial statements and review of our condensed consolidated financial statements included in our quarterly reports on Form 10-Q, services rendered in connection with the filing of Form S-8 and services provided in connection with other statutory or regulatory filings.

- (2) Audit-Related Fees consist of aggregate fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under “Audit Fees.”
- (3) Tax Fees consist of fees billed by our independent auditors for professional services related to preparation of our 2013 U.S. federal and state income tax returns, representation for the examination of our 2011 and 2012 federal tax returns, and tax advice.
- (4) All Other Fees consist of aggregate fees billed for products and services provided by our independent auditors, other than those disclosed above.

The Audit Committee is responsible for the appointment, compensation and oversight of the work of the independent auditors and approves in advance any services to be performed by the independent auditors, whether audit-related or not. The Audit Committee reviews each proposed engagement to determine whether the provision of services is compatible with maintaining the independence of the independent auditors. Substantially all of the fees shown above were pre-approved by the Audit Committee.

Vote Required

The ratification of the selection of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016 requires the affirmative vote of stockholders who hold a majority of the common shares present in person or represented by proxy at the meeting and entitled to vote.

Recommendation

The Board of Directors recommends a vote FOR the ratification of the selection of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

PROPOSAL 3: ADVISORY VOTE ON THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act and Section 14A of the Securities Exchange Act of 1934, as amended, we are providing our stockholders with the opportunity to cast a non-binding advisory vote on the compensation of our named executive officers as disclosed in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on the compensation of our named executive officers. In accordance with the advisory vote conducted at our 2013 annual meeting of stockholders on the frequency of future say-on-pay votes, we are currently conducting say-on-pay votes every three years. The next advisory vote on the frequency of say-on-pay votes will be conducted at our 2019 annual meeting of stockholders.

The compensation structure established by our Compensation Committee is designed to attract and retain motivated executives who substantially contribute to our long-term success and the creation of stockholder value, to reward executives when we perform financially or operationally well, to align the financial interests of our executives with the interests of our stockholders, and to be competitive within our industry. We believe that our philosophy and practices have resulted in executive compensation decisions that are appropriate and that have benefited us over time.

We are requesting stockholder approval of the compensation of our executive officers as disclosed in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our executive officers’ compensation.

We are asking our stockholders to indicate their support for our named executive officer compensation through the following resolution:

“RESOLVED, that the stockholders approve the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion in the Company’s proxy statement for its 2016 annual meeting.”

Because this stockholder vote is advisory, it is not binding on us or our Board of Directors. However, our Board and the Compensation Committee, which is responsible for designing and administering our executive compensation program, value the opinions that our stockholders express in their votes. The Compensation Committee will review the results of the stockholder votes on this “say-on-pay” proposal and consider whether to recommend any changes or modifications to our executive compensation policies and practices as a result of such votes.

Vote Required

The approval of the compensation of our named executive officers as disclosed in this proxy statement requires the affirmative vote of stockholders who hold a majority of the common shares present in person or represented by proxy at the meeting and entitled to vote.

Recommendation

The Board of Directors recommends a vote FOR approval of the compensation of our named executive officers as disclosed in this proxy statement.

If during the prior year we did not hold an annual meeting, or if the date of the meeting for which a stockholder intends to submit a proposal has changed by more than 30 days from the date of the meeting in the prior year, then the notice must be received a reasonable time before we mail the notice regarding the availability of proxy materials for the current year. - the class and number of our shares which are beneficially owned by such stockholder; and
 - any material interest of such stockholder in such business.

Stockholder Nominees

To be timely, the notice must be received at our principal executive offices (as provided below) not less than 60 days nor more than 90 days prior to the meeting; however, if less than 70 days' notice of the date of the meeting is given to stockholders and public disclosure of the meeting date, pursuant to a press release, is either not made at all or is made less than 70 days prior to the meeting date, notice by a stockholder to be timely made must be so received no later than the close of business on the tenth day following the earlier of the following:

- the day on which the notice of the date of the meeting was made available to stockholders, or
 - the day on which such public disclosure of the meeting date was made.

The stockholder sending the notice of nomination must describe various matters, including such information as:

- the name, age, business and residential addresses, occupation or employment and shares held by the nominee;
- any other information relating to such nominee required to be disclosed in a proxy statement; and

These requirements are separate from and in addition to the requirements a stockholder must meet to have a proposal included in our proxy statement.

Any notice given pursuant to the foregoing requirements must be sent to our Corporate Secretary at 15 Joys Lane, Kingston, New York 12401. The foregoing is only a summary of the provisions of our By-Laws that relate to stockholder proposals and stockholder nominations for director. Any stockholder desiring a copy of our By-Laws will be furnished one without charge upon receipt of a written request therefor.

OTHER BUSINESS

While the accompanying Notice of Annual Meeting of Stockholders provides for the transaction of such other business as may properly come before the meeting, we have no knowledge of any matters to be presented at the meeting other than those listed as Proposals 1, 2 and 3 in the notice. However, the enclosed proxy gives discretionary authority in the event that any other matters should be presented.

FORM 10-K

This proxy statement is accompanied by a copy of our Annual Report on Form 10-K for the year ended December 31, 2015 (excluding exhibits). We may charge a fee equal to our reasonable expenses in furnishing the exhibits.
