AAON REPORTS HIGHER SALES AND EARNINGS

Tulsa, OK, April 19, 2005 - AAON, Inc. (NASDAQ-AAON), today announced its operating results for the three months ended March 31, 2005, of \$42.8 million in sales (up 14%), and \$3.3 million of net income, \$0.26 per share, compared to \$37.5 million in sales and \$2.3 million in net income (up 40%), \$0.18 per share, a year ago. Per share earnings are on a diluted basis.

Norman H. Asbjornson, President and CEO, stated that "the increase in earnings was attributable to both volume and price increases totaling \$5.3 million compared to the first quarter of 2004, despite continued, relatively high material costs, the after tax loss by AAON Canada of approximately \$700,000 and burdensome costs of Sarbanes-Oxley compliance."

Mr. Asbjornson added that "based on the first quarter results and other relevant factors, we expect 2005 to produce both higher sales and earnings than 2004."

Certain statements in this news release may be "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933. Statements regarding future prospects and developments are based upon current expectations and involve certain risks and uncertainties that could cause actual results and developments to differ materially from the forward-looking statements.
