ITEM 5. OTHER EVENTS.

On November 27, 2002, Regeneration Technologies, Inc. (the Company) announced that it had completed a private placement of its common stock resulting in net proceeds of approximately \$25.8 million to the company. The Company sold 3.8 million shares of common stock at \$7.25 per share to certain accredited investors pursuant to a purchase agreement (the Purchase Agreement) by and among the Company and the investors named on the signature pages thereto (the Investors).

The Company also entered into a registration rights agreement by and among the Company and the Investors (the Registration Rights Agreement) pursuant to which the Company agreed to register the shares of common stock issued to the Investors for resale by the Investors. Pursuant to the Registration Rights Agreement, the Company must file a registration statement covering the resale of the shares by the Investors with the Securities and Exchange Commission within 30 days of the closing date. The registration statement must be effective by the 90th day following the closing date. In the event that the registration statement is not filed or declared effective within the time periods described above, the Company will be liable for cash damages of 1.5% of the purchase price for each 30-day period or pro rata for any portion thereof following the date by when the registration statement should have been filed or declared effective.

A copy of the Purchase Agreement and the Registration Rights Agreement are attached as exhibits and incorporated by reference into this report.
