Explar	No new transaction is being reported in Table I by the Reporting Person. However, this filing corrects the Reporting Person's prior Form 4, filed July 10, 2001, which did not show the indirect ownership described herein and which included 1,312 shares which should not have been included as part of the Reporting Person's beneficial ownership total. This filing also corrects the Form 3 filed on June 9, 2000 by the Reporting Person to reflect the initial beneficial ownership described in this Table I.
