PROXY STATEMENT FOR THE 2003 ANNUAL MEETING OF SHAREHOLDERS

About the Annual Meeting

Why have I received these materials?

We are mailing the accompanying proxy to shareholders on or about March 21, 2003. The proxy is solicited by the Board of Directors of S.Y. Bancorp Inc. (referred to throughout this Proxy Statement as "S.Y. Bancorp" or "we" or "our") in connection with our Annual Meeting of Shareholders that will take place on Wednesday, April 23, 2003. We cordially invite you to attend the Annual Meeting and request you to vote on the proposals described in this Proxy Statement.

What am I voting on?

Approving the action of the Board of Directors fixing the number of directors at twelve and electing three directors.

Approving a proposed amendment to our Articles of Incorporation to increase the authorized shares of Common Stock.

Approving a proposed amendment to our Articles of Incorporation to create a new class of Preferred Stock and authorizing XXX,XXX shares of Preferred Stock.

What is the relationship of S.Y. Bancorp and Stock Yards Bank & Trust Company?

S.Y. Bancorp is the holding company for Stock Yards Bank & Trust Company (referred to throughout this Proxy Statement as "the Bank"). S.Y. Bancorp owns 100% of Stock Yards Bank & Trust Company. Because S.Y. Bancorp has no operations of its own, its business and that of Stock Yards Bank & Trust Company are essentially the same.

Edgar Filing: S Y BANCORP INC - Form PRE 14A

Who is entitled to vote at the Annual Meeting?

Holders of common stock ("Common Stock") of S.Y. Bancorp as of the close of business on March 7, 2003 will be entitled to vote at the Annual Meeting. On March 7, 2003, there were 6,xxx,xxx shares of Common Stock outstanding and entitled to vote, each of which is entitled to one vote except that cumulative voting applies in the election of directors.

How do I vote my shares at the Annual Meeting?

If you are a "record" shareholder of Common Stock (that is, if you hold Common Stock in your own name in S.Y. Bancorp's stock records maintained by our transfer agent, Stock Yards Bank & Trust Company), you may complete and sign the accompanying proxy card and return it to S.Y. Bancorp or deliver it in person. Shares will be voted as you instruct. If you return your proxy card and do not mark your voting instructions on your signed card, David Brooks and David Heintzman, as proxies named on the proxy card, will vote FOR the election of the three director nominees and FOR approval of each of the two proposed amendments to the Articles of Incorporation.

"Street name" shareholders of Common Stock (that is, shareholders who hold Common Stock through a broker or other nominee) who wish to vote at the Annual Meeting will need to obtain a proxy form from the institution that holds their shares and to follow the voting instructions on such form.

If you are a participant in the Stock Yards Bank & Trust Company Employees Stock Ownership Plan or the Stock Yards Bank & Trust Company 401(k) Profit Sharing Plan, you will receive a proxy card(s) for the shares that you own through those savings plans. That proxy card will serve as a voting

instruction card for the trustees of those plans. If you own shares through these plans and do not vote, the plan trustees will vote the plan shares in the same proportion as shares for which instructions were received under each plan.

Can I change my vote after I return my proxy card?

Yes. After you have submitted a proxy, you may change your vote at any time before the proxy is exercised by submitting a notice of revocation to the Secretary of S.Y. Bancorp or a proxy bearing a later date. Or you may attend the annual meeting, revoke your proxy and vote in person. In each event, the later submitted vote will be recorded and the earlier vote revoked. Your attendance at the Annual Meeting will not revoke your proxy unless you provide written notice of revocation.

What constitutes a quorum for purposes of the Annual Meeting?

The presence at the Annual Meeting in person or by proxy of the holders of a majority of the voting power of all outstanding shares of Common Stock entitled to vote shall constitute a quorum for the transaction of business. Proxies marked as abstaining (including proxies containing broker non-votes) on any matter to be acted upon by shareholders will be treated as present at the meeting for purposes of determining a quorum but will not be counted as votes cast on such matters.

What vote is required to approve each item?

Directors will be elected by a plurality of the total votes cast at the Annual Meeting. Assuming three directors are to be elected, a plurality means that the three nominees receiving the highest number of votes will be deemed elected. Each of the proposed amendments to our Articles of Incorporation and any other item to be voted upon at the Annual Meeting will pass if votes cast in its favor exceed votes cast against it.

How do I cumulatively vote for directors?

In the election of directors, shareholders have cumulative voting rights. Under cumulative voting rights, each shareholder is entitled to cast as many votes in the aggregate as equal the number of shares of S.Y. Bancorp Common Stock owned by him or her multiplied by the number of directors to be elected. Each shareholder, or his or her proxy, may cast all of his or her votes, as thus determined, for a single nominee for director or may distribute them among two or more nominees, in the shareholder's discretion.

Who counts the votes?

Judges appointed for the meeting will tabulate votes cast in person or by proxy at the Annual Meeting. These judges also certify the results of the voting. The judges will also determine whether or not a quorum is present at the meeting.

How are abstentions and broker non-votes treated?

A shareholder entitled to vote for the election of directors may withhold authority to vote for all nominees for directors or may withhold authority to vote for certain nominees for directors. A shareholder may also abstain from voting on the proposals to fix the number of directors and to approve the proposed amendments to the Articles of Incorporation. The judges will treat votes withheld from the election of any nominee for director and abstentions from any other proposal as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but will not be counted in the number of votes cast for or against any matter. If a broker does not receive voting instructions from the beneficial owner of shares on a particular matter and indicates on the proxy that it does not have discretionary authority to vote on that matter, the judges will treat these

2

shares as present at the meeting for purposes of determining a quorum but will not be counted as votes cast on the matter.

What information do I need to attend the Annual Meeting?

We do not use tickets for admission to the Annual Meeting. If you are voting in person, we may ask for photo identification.

How does the Board recommend that I vote my shares?

The Board recommends a vote FOR the Directors' proposals to fix the number of directors at twelve and to elect the nominated Directors set forth in this document and a vote FOR each of the two proposed amendments to the Articles of Incorporation.

With respect to any other matter that properly comes before the Annual Meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion in the best interests of S.Y. Bancorp. At the date this Proxy Statement went to press, the Board of Directors had no knowledge of any business other than that described herein that would be presented for consideration at the Annual Meeting.

Who will bear the expense of soliciting proxies?

S.Y. Bancorp will bear the cost of soliciting proxies in the form enclosed. In addition to the solicitation by mail, proxies may be solicited personally or by telephone, facsimile or electronic transmission by our employees. We reimburse brokers holding Common Stock in their names or in the names of their nominees for their expenses in sending proxy materials to the beneficial owners of such Common Stock.

Is there any information that I should know about future annual meetings?

Any shareholder who intends to present a proposal at the 2004 Annual Meeting of Shareholders (the "2004 Annual Meeting") must deliver the proposal to the Corporate Secretary at 1040 East Main Street, Louisville, Kentucky 40206 not later than November 21, 2003, if the proposal is submitted for inclusion in our proxy materials for that meeting pursuant to Rule 14a-8 under the Securities Exchange Act of 1934. In addition, S.Y. Bancorp's Bylaws impose certain advance notice requirements on a shareholder nominating a director or submitting a proposal to an Annual Meeting. Such notice must be submitted to the secretary of S.Y. Bancorp no later than January 23, 2004. The notice must contain information prescribed by the Bylaws, copies of which are available from the secretary. These requirements apply even if the shareholder does not desire to have his or her nomination or proposal included in S.Y. Bancorp's proxy statement.

ITEM 1. ELECTION OF DIRECTORS

Directors' Proposals to Fix the Number of Directors and to Elect Directors

The articles of incorporation and bylaws of S.Y. Bancorp provide that the Board of Directors be composed of nine to twenty-five members. Each year the Board of Directors recommends the number for the coming year and presents a resolution to be adopted by the shareholders at the Annual Meeting. The Board of Directors has recommended that the number of directors constituting the Board be fixed at twelve for the ensuing year, subject to approval by shareholders at the Annual Meeting. If the three individuals nominated are elected, there will be ten individuals serving on the Board following the date of the 2003 Annual Meeting. Messrs. Jack M. Crouner and Carl T. Fischer, Jr. will retire from the Board of Directors as of April 23, 2003, the date of the Company's Annual Meeting. The Board of Directors may appoint individuals to fill the vacancies resulting from these retirements.

**CORPORATE GOVERNANCE AND RELATED MATTERS
BOARD OF DIRECTORS' MEETINGS, COMMITTEES AND FEES**

During 2002, the Board of Directors of S.Y. Bancorp held five regularly scheduled and special meetings. All directors of S.Y. Bancorp are also directors of the Bank. During 2002, the Bank's Board of Directors held thirteen regularly scheduled and special meetings.

All directors attended at least 75% of the number of meetings of the Board and committees of the Board on which they served. S.Y. Bancorp has a standing Audit Committee and Compensation Committee of the Board of Directors. S.Y. Bancorp's Board of Directors considers matters relating to the selection and nomination of directors, but there is no standing nominating committee of the Board of Directors. There are no formal procedures whereby a shareholder may recommend nominees to the Board of Directors.

Audit Committee

The Board of Directors of S.Y. Bancorp, Inc. maintains an Audit Committee comprised of four directors who are not officers of S.Y. Bancorp. The Audit Committee is comprised of Messrs. Carrico, Edinger, Madison and McMahon. Each of these individuals meets the American Stock Exchange independence requirements for membership on an audit committee. The Board of Directors has adopted a written charter for the Audit Committee.

The Audit Committee oversees S.Y. Bancorp's financial reporting process on behalf of the Board of Directors. Management has primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee, among other things, considers the appointment of the independent auditors for S.Y. Bancorp, reviews with the auditors the plan and scope of the audit and audit fees, monitors the adequacy of reporting and internal controls and meets regularly with internal and independent auditors. The Audit Committee meets with our management periodically to consider the adequacy of our internal controls and the objectivity of our financial reporting. This Committee also meets with the independent auditors and with our own appropriate financial personnel and internal auditors regarding these matters. Both the independent auditors and the internal auditors regularly meet privately with this Committee and have unrestricted access to this Committee. The Audit Committee held four meetings during 2002. See "CORPORATE GOVERNANCE AND RELATED MATTERS REPORT OF THE AUDIT COMMITTEE" for more information.

Compensation Committee

The members of the Compensation Committee are Messrs. Carrico, Crowner, Fischer and Madison, all of whom are non-employee Directors. The functions of this committee include making recommendations to our Board of Directors establishing the compensation of executive officers and reviewing the compensation of Directors. The Compensation Committee held two meetings during 2002.

How are Directors compensated?

For 2002, non-employee directors received an annual retainer of \$2,400. Bancorp's directors received \$900 for each meeting of S.Y. Bancorp's Board of Directors he or she attended, if the meeting was not held immediately before or after a meeting of the Board of Directors of the Bank. S.Y. Bancorp's directors are also directors of the Bank, and received \$900 for each Bank board meeting attended.

Non-employee directors of S.Y. Bancorp and the Bank who are members of the various committees of the Board of Directors received \$400 per meeting of S.Y. Bancorp's Audit Committee

6

and \$300 increased to \$400 per meeting of S.Y. Bancorp's Compensation Committee, \$400 per meeting attended of the Bank's Trust Committee, and \$300 per meeting attended of the Bank's Loan Committee.

Directors may defer all or a portion of their fees under our deferred compensation plan.

Non-employee directors receive a one-time grant of options to purchase 1,000 shares of S.Y. Bancorp Common Stock. These options are granted at the fair market value of S.Y. Bancorp Common Stock at the time of the grant and are adjusted for subsequent stock splits, stock dividends, etc.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee acts under a written charter approved and adopted by the Board of Directors. The Audit Committee reviews S.Y. Bancorp's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that S.Y. Bancorp's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed *by Statement on Auditing Standards No. 61 (Communication With Audit Committees)*.

In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from S.Y. Bancorp and its management, including the matters in the written disclosures required by the Independence Standards Board Standard No.1 (Independence Discussions With Audit Committees). The Audit Committee has also considered whether the independent auditors' provision of non-audit services to S.Y. Bancorp is compatible with the auditors' independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board approved, that the audited financial statements be included in S.Y. Bancorp's Annual Report on Form 10-K for the year ended December 31, 2002, for filing with the SEC.

S.Y. Bancorp has not undertaken the expense and effort of compiling the number of shares certain officers and employees of the Bank may hold other than directly in their own name.

EXECUTIVE COMPENSATION AND OTHER INFORMATION REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee is comprised of four members of the Board of Directors who are not, nor have they been, employees of S.Y. Bancorp or the Bank. The Committee is responsible for establishing and administering S.Y. Bancorp's executive compensation programs. The compensation philosophy of the Committee supports S.Y. Bancorp's primary objective of creating value for its shareholders. The Compensation Committee strives to ensure the compensation of S.Y. Bancorp's executive officers is adequate to attract and retain talented individuals with proven abilities to lead S.Y. Bancorp and the Bank so growth and profitability are realized while maintaining stability and capital strength. The Committee believes the following compensation strategies for S.Y. Bancorp's executive officers, including the Chief Executive Officer (the "CEO"), achieve this objective.

In early 2002, The Hay Group conducted a study of the Bank's executive officers' compensation. This study, along with a 2001 study conducted by Clark Bardes Consulting, identified comparable banks based on size, complexity, and demographics. It identified similar positions within each peer bank to

compare with each of the Bank's executive officers. Factors considered when comparing other institutions' compensation information to that of the Bank include growth of earnings per share, return on average assets and equity, and one and five year total shareholder return. Using these factors, the Compensation Committee concluded it appropriate to use the 75th percentile to compare the Bank's executive officers' compensation with those of peer institutions. The Compensation Committee updated the information in these studies by reference to 2002 proxy information for peer banks. Because there is a qualitative relationship between performance and executive officer compensation, the salary increases noted in the Summary Compensation Table were made in light of S.Y. Bancorp's and the Bank's market and earnings growth and other favorable factors. Salaries are based on individual performance contributions within a competitive salary range. Pay levels are competitive within a range the Committee considers reasonable and necessary.

Base Salary. The salaries of the executive officers are determined substantially as described above with additional considerations. Factors affecting and considerations made for the CEO's salary are substantially the same as those for other executive officers. In addition to the process described above, the Committee considers the executive's leadership skills and managerial results. Among these considerations are consolidated financial performance and condition, growth of the Bank, regulators' conclusions, community involvement, the executive's ability to choose and lead his/her respective management teams, and the recommendation of the CEO. Objective, subjective, quantitative, and qualitative measures are used. The Committee reaches a conclusion as to an appropriate salary and presents it to the Board of Directors for discussion and approval. While peer group comparisons of salaries include companies which are also included in the indices used for the shareholder return performance graph there is no direct correlation between the companies used in CEO and other executive officer compensation and companies included in that graph.

Annual Incentive Compensation. The objective of annual incentive compensation is to deliver competitive levels of compensation for the attainment of annual financial objectives and operating results. The Committee believes these to be primary drivers of stock price performance over time. The annual determination as to whether incentives will be paid is based upon the achievement of certain set goals for earnings growth, return on average assets and return on average equity. The Committee feels that in a time of significant expansion, there is potential for strong earnings growth as long as the process is managed with adequate focus. Therefore, the Committee established an incentive program based upon the achievement of net income goals.

For the CEO and President, the formula requires at least a 10% increase in S.Y. Bancorp's corporate earnings per share over the prior year. The actual payment for 2002 was 45% of base pay for attaining a 15% increase in earnings per share. The incentive determination for Greg Hoeck, Sam Smith, and Nancy Davis was at a reduced percentage of the aforementioned formula. For Kathy Thompson the formula required at least a 10% increase in the Trust Department's operating income, as well as in the Bank's earning per share, over the prior year. The actual payment for 2002 was 31% of base pay for attaining a 13% increase in operating income.

Long Term Incentives. The Committee also believes the best interests of shareholders to be served by providing those persons having responsibility for the management and growth of S.Y. Bancorp and the Bank with an opportunity to increase their ownership of S.Y. Bancorp Common Stock. Executive officers are granted options, from time to time, giving them the right to purchase S.Y. Bancorp Common Stock at a specified price in the future. The number of stock options granted is based upon individual performance contributions and comparative practices. Based on review of peer data, the Compensation Committee determined that David Brooks and David Heintzman should receive option grants based on 30% of base compensation while other executive officer grants would be at 20% of base compensation. Using the Black Scholes model to estimate the value of each option

grant, the Committee determined the number of options to be granted to meet the targeted percentage of base compensation. See the discussion under "Stock Incentive Plan" below.

In summary, the Committee believes the total compensation program for S.Y. Bancorp's executive officers is competitive with programs offered by similar institutions, and executive compensation is appropriate to further the goals and objectives of S.Y. Bancorp and the Bank.

Stock Incentive Plan

S.Y. Bancorp has a stock option plan under which options may be granted to officers, other key employees of the Bank, and non-employee directors. Key employees are those persons who, in the judgment of the Compensation Committee, are mainly responsible for the success of the Bank. Options under this plan are granted at the fair market value of S.Y. Bancorp's Common Stock at the time of the grant.

The following table summarizes options granted during 2002 to the executive officers named in the Summary Compensation Table.

(1) These options were granted in December, 2002 and become exercisable six months following the grant date.

(2) These options were granted in December, 2002 and become exercisable in 20% increments over five years beginning one year after grant date.

(3) All shareholders are shown for comparison purposes only. The potential realizable value to all shareholders is the aggregate net gain for all shareholders, assuming a hypothetical ten-year option if the price of S.Y. Bancorp stock increases at the assumed annual rates shown in the table. Appreciation is computed using actual strike price of options of \$39.10 and is based on actual option term and annual compounding, without regard to the taxes associated with gains upon option exercises. These amounts assume the stated rates of appreciation will be realized. Actual gains, if any, are dependent upon the future performance of the Company's Common Stock. The potential realizable value of stock price appreciation for the option term related to the option grant for all executive officers of S.Y. Bancorp at 5% is \$879,085 and at 10% is \$2,227,773, which represents .54% of the total potential realizable value for all shareholders at 5% and 10%.

The following table shows, as to the individuals included in the Summary Compensation Table, information as to aggregate options exercised in 2002 and December 31, 2002 year end option values.

Aggregated Options Exercised in 2002 and 2002 Year End Option Values

Senior Officer Security Plan

The Bank has established a Senior Officer Security Plan (the "Security Plan") for a select group of management and highly compensated officers who contribute materially to the continued growth, development, and future business success of the Bank. Life insurance owned and paid for by the Bank has been purchased on each covered officer. The Security Plan is designed so that if the assumptions made as to mortality experience, policy dividends and other factors are realized, the Bank will recover both the cost of benefits and after tax costs of the plan. The

Edgar Filing: S Y BANCORP INC - Form PRE 14A

amount of benefits to be received under the Security Plan, for the officers listed below, was determined by projecting each participant's current salary amount to that at his/her retirement date. His/her expected social security benefits and expected benefits under the defined contribution plans were also estimated. The Security Plan supplemental retirement benefit amount was determined to be the amount necessary to bring total retirement payments to an approximate 75% of his/her projected salary at retirement age. Under the Security Plan, the following individuals listed in the Summary Compensation Table will receive the following annual supplemental retirement benefits at their normal retirement age of 65. There are also pre-retirement death and disability benefits provided by the Security Plan.

David H Brooks	\$84,000 each year for 15 years
David P. Heintzman	\$136,500 each year for 15 years
Kathy C. Thompson	\$82,000 each year for 15 years

In 2001, Phillip S. Smith and Nancy B. Davis were included in a modified version of the Security Plan. The Bank purchased life insurance on each of these two officers. Upon retirement each of these two individuals will receive the investment value of the policies rather than a defined benefit.

Senior Executive Severance Agreement

The Bank has established a Senior Executive Severance Agreement (the "Severance Agreement") for certain Executive Officers of the Bank. S.Y. Bancorp and the Bank have concluded it to be in the best interests of S.Y. Bancorp, its Shareholders and the Bank to take reasonable steps to help assure key executives of the Bank that they will be treated fairly in the event of a tender offer or takeover bid, or an actual Change in Control. It is important, should S.Y. Bancorp receive take over or acquisition proposals from third parties, that S.Y. Bancorp be able to call upon the key executives of the Bank for their advice and assessment of whether such proposals are in the best interests of shareholders, free of the influences of their personal employment situations. This severance agreement was not entered into because of any belief by management that a Change in Control of S.Y. Bancorp was imminent.

The Severance Agreement provides that, in the event (1) an executive is forced to resign following a Change in Control of S.Y. Bancorp or (2) an executive voluntarily terminates employment with the Bank for up to three years following a Change in Control, the Bank will pay the executive a severance payment equal to 299 percent of the executive's annual salary. Should voluntary termination occur between 24 and 36 months following the Change in Control, the executive will receive only $\frac{2}{3}$ of the severance payment. Furthermore, if the executive is 58 years old or more at the date of the severance payment, the amount of the payment is reduced. As the executive approaches retirement age of 65 years, the severance payment decreases proportionately to zero at age 65. The severance agreement also provides that the Bank pay legal fees and expenses incurred in contesting any termination or enforcing the severance agreement.

The following performance graph compares the performance of Bancorp Common Stock to the Russell 2000 index, the SNL AMEX Bank index and SNL Midwest Bank index for Bancorp's last five fiscal years. TRANSACTIONS WITH MANAGEMENT AND OTHERS

The Bank has had, and expects to have in the future, banking transactions in the ordinary course of business with certain directors and officers of S.Y. Bancorp and the Bank and their associates, as well as with corporations or organizations with which they are connected as directors, officers, shareholders or partners. These banking transactions are made on substantially the same terms (including interest rates and collateral) as those prevailing at the time for comparable transactions with other persons. In the opinion of management of S.Y. Bancorp and the Bank, such transactions do not involve more than the normal risk of collectibility or present other unfavorable features. Loans made to

directors and executive officers are in compliance with federal banking regulations and are thereby exempt from insider loan prohibitions included in the Sarbanes-Oxley Act of 2002.

At December 31, 2002, loans to directors and officers of S.Y. Bancorp and the Bank and their associates totaled \$4,952,000 equaling 5.8% of the Bancorp's consolidated stockholders' equity.

**ITEM 2. PROPOSAL TO APPROVE AN AMENDMENT TO
THE ARTICLES OF INCORPORATION TO INCREASE THE
NUMBER OF AUTHORIZED SHARES OF COMMON STOCK**

The Board of Directors has recommended that Article VI of Bancorp's Articles of Incorporation be amended to increase the number of authorized shares of Common Stock from 10,000,000 to 20,000,000 shares, subject to approval by shareholders at the Annual Meeting. The additional authorized shares will be available for stock dividends, splits, options, public or private issuances of Common Stock, and other general corporate purposes. When required for such purposes, such shares will be issued on such terms as the Board of Directors determines to be in the best interests of Bancorp without further action by the shareholders, unless such action is then required by applicable law or the rules of any stock exchange on which Bancorp's securities may be listed. Some of these potential uses may decrease certain per share financial measures for a period of time and may diminish a shareholder's percentage of voting power in Bancorp. Holders of Common Stock have no preemptive rights to subscribe to any shares of stock in Bancorp. Other than management considering the advisability of a stock split within the next year, there are no current plans, arrangements or understandings for these additional authorized shares of Common Stock.

The proposed increase in the authorized number of shares of Common Stock could be construed as having an anti-takeover effect, although the amendment to increase the authorized Common Stock was not proposed for that purpose. Under certain circumstances, such shares could be used to create impediments to or to frustrate persons seeking to effect a takeover or otherwise gain control of Bancorp. Such shares could, for example, be privately placed with purchasers who might side with the Board of Directors in opposing a hostile takeover bid.

Also, the amendment to increase the authorized Common Stock might be considered as having the effect of discouraging an attempt by another person or entity, through the acquisition of a substantial number of shares of Bancorp's Common Stock, to acquire control of Bancorp with a view to imposing a merger, sale of all or any part of Bancorp's assets or a similar transaction since the issuance of new shares could be used to dilute the stock ownership of any such person or entity. However, the Board of Directors does not have any present intent to issue any shares of Common Stock primarily for anti-takeover purposes.

**THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR APPROVAL OF THE PROPOSED
INCREASE IN AUTHORIZED COMMON STOCK.**

**ITEM 3. PROPOSAL TO APPROVE AN AMENDMENT TO
THE ARTICLES OF INCORPORATION
TO AUTHORIZE A NEW CLASS OF PREFERRED STOCK**

Bancorp's Articles of Incorporation do not currently authorize the issuance of Preferred Stock. On February 18, 2003, the Board of Directors unanimously adopted a resolution recommending to the shareholders their approval of an amendment to Bancorp's Articles of Incorporation to provide for the authorization and creation of up to xxx shares of Preferred Stock, the relative rights, preferences and other terms of which will be determined by the Board prior to any issuance.

The Board of Directors believes the creation of a new class of Preferred Stock is in the best interest of Bancorp and its shareholders in that the existence of such shares would provide the Board

with flexibility in managing the Company's capital structure. The Preferred Stock could be issued in connection with, among other things, stock dividends, financing transactions, corporate mergers, acquisitions, employee benefit plans, a shareholders' rights plan and other corporate purposes. The availability of Preferred Stock would allow the issuance of such shares in the future without the expense and delay of a special Shareholder's Meeting. The shares of Preferred Stock would be available for issuance without further shareholder action unless such action were required by applicable law or the rules of the American Stock Exchange or any other stock exchange on which the Company's securities may then be listed or traded.

The proposed Preferred Stock would be "blank check" preferred stock, which means that the Board of Directors would have the discretion, from time to time, to determine the designations and relative voting, dividend, conversion, liquidation, and other rights, preferences and limitations of Preferred Stock, including, among other things: (i) the designation of each class and number of shares in a class or series; (ii) the dividend rights, if any, of the class or series; (iii) the redemption provisions, if any, of the shares; (iv) the preference, if any, to which any class or series would be entitled in the event of the liquidation or distribution of Bancorp's assets; (v) the provisions of a purchase, retirement or sinking fund, if any, to accommodate redemption of the Preferred Stock; (vi) the rights, if any, to convert or exchange the shares into or for other

securities; (vii) the voting rights, if any (in addition to any prescribed by law), of the holders of the shares of the class or series; (viii) the conditions or restrictions, if any, on specified actions of Bancorp affecting the rights of the shares; and (ix) any other preferences, privileges, powers, rights, qualifications, limitations or restrictions of or on the class or series. Depending on the rights and preferences designated for any particular series, issuances of Preferred Stock could have the effect of diluting shareholders' equity, earnings per share and voting rights attributable to the Common Stock.

The Board of Directors will make any determination to issue shares of Preferred Stock based on its judgment at the time as to the best interests of Bancorp and its shareholders. The Board of Directors could issue a series of Preferred Stock that might, depending on the terms of such series, impede or discourage an attempt to obtain control of Bancorp by means of a merger, tender offer, proxy contest or other means that the Board of Directors determines not to be in the best interests of Bancorp and its shareholders. Under certain circumstances, for example, such shares could be used to create voting impediments or to deter persons or entities seeking to effect a takeover or otherwise gain control of the Company. The issuance of Preferred Stock could also be used to dilute the stock ownership of a potential acquirer. Such shares could be sold in public or private transactions to purchasers who might side with the Board of Directors in opposing a takeover bid that the Board of Directors determines not to be in the best interests of the Company and its shareholders.

If the proposed amendment is approved by shareholders, shares of Preferred Stock will be used in connection with the adoption by the Board on February 18, 2003, of a shareholder rights plan in which rights to purchase shares of Preferred Stock would become exercisable by holders of Common Stock upon the occurrence of certain triggering events. The existence of such a shareholder rights plan could delay, impede or prevent offers for the Company that the Board of Directors determines not to be in the best interests of the Company and its shareholders.

The rights plan adopted by the Board of Directors provides that, if shareholders approve the proposed amendment to the Articles of Incorporation to create the preferred stock, Bancorp will distribute to each holder of Bancorp common stock of record on April 24, 2003, one preferred share purchase right for each share of common stock owned on that date. In addition, the rights plan provides for the automatic issuance of one preferred share purchase right with respect to each share of common stock issued after April 24, 2003. Each right entitles the holder to purchase from Bancorp one one-hundredth of a share of a new series of preferred stock of Bancorp at an exercise price of \$130 per each one one-hundredth share of preferred stock.

17

The rights issued under the plan will not provide any immediate value to shareholders and will not dilute the shareholders' ownership of the company. Until separate rights certificates are issued following a triggering event, the rights will be evidenced by Bancorp common stock certificates, will automatically trade with the common stock, and will not be exercisable. A triggering event would generally be the attempt by someone or group other than certain exempt persons, to acquire 10% or more of Bancorp outstanding common shares. Following the acquisition of 10% or more of Bancorp outstanding common shares by an "Acquiring Person," each right (other than rights held by an Acquiring Person) will entitle its holder to purchase, for the \$130 exercise price, a number of shares of Bancorp common stock having a market value of twice the exercise price. However, any rights held by an Acquiring Person cannot be exercised. The rights plan provides additional shareholder protection should the rights be triggered. Bancorp may redeem rights for \$0.01 per right at any time on or before 10 days following the date an Acquiring Person becomes such, or such later date as may be determined by the Board of Directors.

If shareholders approve the proposed amendment to the Articles of Incorporation, details of the rights plan will be outlined in a letter to shareholders that will be mailed to all shareholders of record on the close of business on April 24, 2003.

The shareholder rights plan was not adopted by the Board of Directors in response to any specific effort to acquire control of Bancorp. Rather, it was adopted to preserve the long-term value of Bancorp for its shareholders by deterring abusive practices in the event of a possible takeover attempt. The rights plan is not intended to prevent an acquisition of Bancorp at a price and on terms that the Board of Directors believes is in the best interests of shareholders. However, the plan is intended to encourage any person seeking to acquire control of Bancorp to first negotiate with the Board of Directors. Although the rights plan is intended to benefit all of Bancorp's constituencies, it could also have the effect of discouraging tender offers and other attempts to acquire control of the company and thereby make it more difficult to remove incumbent management.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR APPROVAL OF THE PROPOSED AMENDMENT TO AUTHORIZE A NEW CLASS OF PREFERRED STOCK.
