Report of Independent Auditors

To the Participants and Administrator of the
Enbridge Employee Services, Inc. Employees' Savings Plan

In our opinion, the accompanying statements of net assets available for benefits and the related statements of changes in net assets available for benefits present fairly, in all material respects, the net assets available for benefits of Enbridge Employee Services, Inc Employees' Savings Plan (the "Plan") at December 31, 2002 and 2001, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Plan's management; our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with auditing standards generally accepted in the United States of America, which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental Schedule of Assets (Held At End of Year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Employees' Savings Plan

Notes to Financial Statements

December 31, 2002

(Dollars in Thousands)

NOTE A SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Presentation: The accounts of the Enbridge Employee Services, Inc. Employees' Savings Plan (the "Plan") are maintained on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Comparative Amounts: Comparative amounts are reclassified to conform with the current year's financial statement presentation.

Valuation of Investments and Income Recognition: The Plan's investments are stated at fair value. Shares of corporate stock and registered investment companies are valued using quoted market prices. Shares of common and collective funds are valued using amounts reported by the trustee. Participant loans are stated at cost, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date.

The Plan presents in the Statement of Changes in Net Assets Available for Benefits the Depreciation in Fair Value of Investments, which consists of net realized gains and losses and the unrealized appreciation and depreciation on those investments.

Benefit distributions are recorded when paid.

Trustee & Recordkeeper: T. Rowe Price Trust Company is the Trustee for the Plan. T. Rowe Price Retirement Plan Services, Inc. is the Recordkeeper for the Plan.

Use of Estimates: The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America, requires the plan administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties: The Plan provides investment options in various combinations of investments securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could

materially affect participant account balances and the amounts reported in the financial statements.

NOTE B DESCRIPTION OF THE PLAN

General: The following is a general description of the Plan. Participants should refer to the Plan document for a more complete description of its provisions. The Plan provides a program whereby eligible participants may accumulate savings on a regular basis. The Plan is a defined contribution plan intended to satisfy the requirements of Section 401(a) of the Internal Revenue Code of 1986, as

amended (the "Code"), and the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan allows participants to contribute to the Plan on a pre-tax basis pursuant to Section 401(k) of the Code and provides for employer matching contributions pursuant to Section 401(m) of the Code.

The Board of Directors of Enbridge (U.S.) Inc. approved the transfer of the sponsorship of the Plan to Enbridge Employee Services, Inc. (the "Company"), effective August 1, 2002. The Board of Directors of Enbridge Employee Services, Inc. accepted the transfer and approved a change in the name of the Plan from the Enbridge (U.S.) Inc. Employees' Savings Plan to the Enbridge Employee Services, Inc. Employees' Savings Plan and other amendments related to the name change, effective August 1, 2002. The Company also appointed the Pension Administration Committee effective August 1, 2002, with the same duties as the Pension Administration Committee previously appointed by Enbridge (U.S.) Inc. and dissolved by Enbridge (U.S.) Inc. effective July 31, 2002, in connection with the transfer of the Plan.

All regular employees of Enbridge Employee Services, Inc. and participating affiliates are eligible to participate in the Plan on the first day of the month following their date of hire. Temporary employees are eligible to participate after a year of service as defined in the Plan. Participating affiliates are Enbridge Services (U.S.) Inc. (formerly known as Enbridge (Pennsylvania) Inc.), until May 7, 2002, when it was sold to an unrelated company, and Enbridge Employee Services, Inc., until August 1, 2002, when it became the Plan sponsor. As of August 1, 2002, there were no participating affiliates.

Contributions: Plan contributions are funded as received from the Company and participating affiliates. Participants are entitled to make pre-tax contributions to the Plan by electing to contribute a specified percentage of their compensation, up to 50%, but in no event in excess of the statutory maximum contribution amount (\$11 for 2002, \$10.5 for 2001). The statutory maximum amount is increased by the "catch-up" contribution amount of \$1 for 2002 for anyone who attained age 50 during the year. The Company and participating affiliates pre-tax contributions (not including the catch-up contribution) up to the percentages of compensation set forth below, based on the participant's years of service:

| | |
|---------------------------------|----------|
| Less than one year of service: | 2% match |
| One year of service: | 3% match |
| Two years of service: | 4% match |
| Three or more years of service: | 5% match |

Service for designated affiliates and predecessor employers is taken into account for this purpose.

Except as provided in the next paragraph with respect to the fifty percent of the matching contribution, which is immediately in the Enbridge Stock Fund and must remain invested in the Enbridge Stock Fund, contributions are invested, at the discretion of each participant, in one or more of the investment options discussed below.

A participant contributes to the Plan by electing to defer a portion of his or her salary that would otherwise be payable to such participant. All matching contributions are initially invested in the Enbridge Inc. Stock Fund. The Plan provides that fifty percent of such matching contributions must remain invested in the Enbridge Inc. Stock Fund. At their discretion, and subject to the terms of the

Plan, participants may transfer the other fifty percent to the remaining investment options available under the Plan.

Vesting: Participants are fully vested in all contributions to the Plan. In the event of termination of the Plan, the Trust Fund will be valued as of the termination date and distributed in accordance with the provisions of the Plan.

Edgar Filing: ENBRIDGE INC - Form 11-K

6

Participant Loans: The Plan allows participants to borrow from their fund accounts, a minimum of \$1 up to a maximum of \$50 (\$25 until November 8, 2002) or 50 percent of their account balance, whichever is less. A loan is secured by the balance in the participant's account and bears interest at a rate of one percent above the prime rate as of the first business day of the month in which the loan is to be funded. Loans are to be repaid by payroll deduction not less frequently than quarterly over a period elected by the participant, which period may not exceed five years. Participants may have no more than two loans outstanding (one loan limit until November 8, 2002). Upon termination of employment, a participant may continue to repay the loan by personal check each month. If a participant fails to repay a loan according to its terms, the Trustee will declare the loan in default and, if the participant is entitled to receive a distribution from the Plan, the participant will be considered as receiving a distribution in the amount of the outstanding balance on the loan. The participant loans outstanding at December 31, 2002 were \$1,450 (2001 \$822).

Payment of Benefits: On termination of employment, a participant may elect to receive the value of the participant's account in any of the following forms of distribution: a lump sum, installments over a period elected by the participant or in two or more withdrawals, any one of which may be no less than \$1 and which may be taken no more frequently than once each calendar quarter. Distribution must commence no later than the required beginning date as set forth in the Plan. The Plan also permits withdrawals of pre-tax elective deferral contributions in the event of a hardship. Hardship for this purpose is defined as an immediate and financial need that cannot be satisfied from other sources and that is for the payment of medical expenses, purchase of a principal residence, payment of tuition and related fees for a year of post-secondary education or payments necessary to prevent the eviction of the participant or the foreclosure of the mortgage on the participant's primary residence.

Administrative Expenses: Plan administration expenses are paid by the Plan, unless paid by the Company, at the Company's sole discretion. Administrative expenses related to the 2002 Plan year of \$5 (2001 \$10) were paid by the Company.

NOTE C INCOME TAX STATUS

By resolution of the Board of Directors of Enbridge (U.S.) Inc. effective February 28, 2002, the Plan was amended and restated to comply with law changes (commonly referred to as "GUST" amendments), to incorporate Plan amendments since its last restatement and to make amendments required by the Economic Growth and Tax Relief Reconciliation Act of 2001. The restated Plan was submitted to the Internal Revenue Service on February 28, 2002, which issued a favorable tax determination letter on January 30, 2003. To the best of its knowledge, the Company believes that the Plan is being operated in compliance with applicable requirements of the Code.
