PROXY STATEMENT

The Board of Directors of Friendly Ice Cream Corporation (hereafter "Friendly's" or the "Company") solicits your proxy for use at the 2004 Annual Meeting of Shareholders. This proxy statement contains information related to the Annual Meeting of Shareholders of Friendly's to be held on May 19, 2004 at the Friendly Ice Cream Corporation Conference Center, 1855 Boston Road, Wilbraham, Massachusetts at 10:00 a.m., and at any postponements or adjournments of such meeting. This proxy statement and form of proxy are first being mailed to shareholders on approximately April 14, 2004.

THE ANNUAL MEETING

The Purpose of the 2004 Annual Meeting

At Friendly's 2004 Annual Meeting, shareholders will act upon matters outlined in the notice of meeting on the cover page of this proxy statement, including the election of two directors and ratification of the Company's independent accountants. Friendly's management will then report on the performance of Friendly's during fiscal 2003 and respond to questions from shareholders.

Voting at the Annual Meeting

You are entitled to vote at the meeting if you are an owner of record of shares of common stock of Friendly's, its only class of voting securities, at the close of business on April 7, 2004. As an owner of record on the record date, you are entitled to one vote for each share of common stock of Friendly's that you hold. On April 7, 2004, there were 7,549,277 shares of common stock issued and outstanding.

Voting by Proxy

To vote by proxy, please promptly complete, sign and return the enclosed proxy card. Once the enclosed proxy is completed, properly signed and returned to Friendly's, it will be voted as directed. If you are planning to attend the annual meeting, the proxy may also be delivered on the day of the annual meeting.

You may revoke this proxy if you attend the meeting in person and request that the proxy be revoked. To change your vote before the proxy is exercised, simply file either a notice of revocation or a duly executed proxy bearing a later date with the Clerk of Friendly's, *before* the proxy is exercised.

Edgar Filing: FRIENDLY ICE CREAM CORP - Form DEF 14A

Please specify your voting choices on the enclosed form of proxy. If you do not provide specific instructions, the shares represented by your signed proxy will be voted FOR the election of the director nominees and FOR the ratification of independent accountants.

What Constitutes a Quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum, permitting the meeting to conduct its business. Proxies received but marked as abstentions and shares held in "street name" and represented at the meeting which the record holders are not entitled to vote on certain matters ("broker non-votes") will be included in the calculation of the number of shares considered to be present at the meeting.

Voting for the Election of Directors

The directors will be elected by a plurality of the votes cast by the shareholders voting in person or by proxy at the Annual Meeting. You as a shareholder may vote in favor of the nominees or withhold your vote as to the nominees. A properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of the directors will not be voted with respect to the director, and will have no effect on the outcome, although it will be counted for purposes of determining whether there is a quorum.

Broker non-votes will have no effect on this outcome.

Board's Recommendation

Unless otherwise instructed on the proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendation of the Board of Directors. The Board's recommendation is set forth below together with the description of the proposal in this proxy statement. In summary, the Board recommends a vote:

FOR election of the nominated directors (see "Election of Directors").

FOR ratification of the appointment of Ernst & Young LLP as the Company's independent accountants for fiscal 2004 (see "Independent Public Accountants").

Should any other matter come properly before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

Section 16(a) Beneficial Ownership Reporting Compliance

The Securities and Exchange Commission requires that Friendly's identify each person who at any time during the fiscal year was a director, officer or beneficial owner of more than ten percent of any class of equity securities of Friendly's that failed to file on a timely basis reports required by section 16(a) of the Securities Exchange Act of 1934 during the most recent fiscal year or prior fiscal years. Based on a review of such reports, and on written representations from reporting persons, Friendly's believes that all Section 16(a) filing requirements were complied with during fiscal 2003 except as follows: (a) one transaction was inadvertently reported late on behalf of each of Messrs. Ledsinger, Ezzes, Daly and Manning, each transaction involving a stock option grant on October 22, 2003; and (b) one transaction was inadvertently reported late on behalf of each of Messrs. Cutter, Hoagland, Maglioli, Rusinko, Ulrich and Okscin, each transaction involving a stock option grant on July 23, 2003.

ELECTION OF DIRECTORS

The Board of Directors is divided into three classes of directors. The term of office of the directors in Class I expires at the 2004 Annual Meeting. At the Annual Meeting, two directors will be elected in Class I to hold office until the 2007 Annual Meeting of Shareholders or until their successors are elected and qualified. The Board of Directors proposes that the nominees described below, who are currently serving as Class I directors, be reelected as Class I directors.

Should the nominees become unable to serve for any reason, which is not anticipated, the Board of Directors may, unless the Board by resolution provides for a lesser number of directors, designate a substitute nominee, in which event the persons named in the enclosed proxy will vote proxies that would otherwise be voted for the named nominees for the election of such substitute nominee.

The Company encourages the Board of Directors to attend Annual Meetings of Shareholders and believe that attendance at Annual Meetings is just as important as attendance at meetings of the Board of Directors. In fact, Board of Directors and committee meetings are typically scheduled to coincide with the dates of the Company's Annual Meetings. All of the directors who were serving at the time attended last year's Annual Meeting held on May 14, 2003.

Board Committees and Meetings

Edgar Filing: FRIENDLY ICE CREAM CORP - Form DEF 14A

Friendly's Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating Committee. The Board of Directors met six times during fiscal 2003.

The Audit Committee: This Committee has three directors that meet the standards of independence as required by the American Stock Exchange and applicable SEC rules. The Committee met six times during fiscal 2003. It annually recommends to the Board of Directors the appointment of independent auditors and reviews with the auditors the plan and scope of the audit and audit fees; reviews the guidelines established for the dissemination of financial information; meets periodically with the independent and internal auditors, the Board of Directors and management to monitor the adequacy of reporting and internal controls; reviews consolidated financial statements; and performs any other functions or duties deemed appropriate by the Board of Directors. Messrs. Ezzes, Ledsinger and Daly are the current members of this Committee. Mr. Ledsinger is the Chair of this Committee and has been designated as the Audit Committee Financial Expert by the Board of Directors.

The Compensation Committee: This Committee has three directors that meet the standards of independence as required by the American Stock Exchange. The Committee met six times during fiscal 2003. It annually recommends to the Board of Directors the base salary, incentive compensation and any other compensation of the Chairman of the Board and the elected officers of Friendly's and makes recommendations to the Board on the administration of the terms and policies of Friendly's Annual Incentive Plan, 1997 Restricted Stock Plan, 1997 Stock Option Plan and the 2003 Incentive Plan. The Committee also reviews and submits recommendations to the Board of Directors regarding certain employee benefit plans, and performs any other functions or duties as deemed appropriate by the Board. Messrs. Daly, Ledsinger and Manning are the current members of this Committee. Mr. Manning is the Chair of this Committee.

The Nominating Committee: This Committee consists of Mr. Smith and two directors that meet the standards of independence as required by the American Stock Exchange. The Committee met once

6

during fiscal 2003. It considers and proposes director nominees for election at the Annual Meeting; selects candidates to fill Board vacancies as they occur; makes recommendations to the Board of Directors regarding Board committee memberships; and performs any other functions deemed appropriate by the Board of Directors. The Committee does not have a charter. Messrs. Daly, Ezzes and Smith are the current members of this Committee. Mr. Smith is the Chair of this Committee. The Nominating Committee does not set specific, minimum qualifications that nominees must meet in order for the Committee to recommend them to the Board of Directors, but rather believes that each nominee should be evaluated based on his or her individual merits, taking into account the needs of Friendly's and the composition of the Board of Directors. Members of the Nominating Committee discuss and evaluate possible candidates in detail, and suggest individuals to explore in more depth. Outside consultants may also be employed to help in identifying candidates. Once a candidate is identified whom the Committee wants to seriously consider and move toward nomination, the Chairman of the Nominating Committee enters into a discussion with that nominee. The Nominating Committee will consider nominees recommended by shareholders. The policy adopted by the Nominating Committee provides that nominees recommended by shareholders are given appropriate consideration in the same manner as other nominees. Shareholders who wish to submit nominees for director for consideration by the Nominating Committee may do so by submitting in writing such nominees' names to the Nominating Committee in the manner described under "Shareholder Communications". The nominee's written consent to the nomination and sufficient background information on the candidate must be included to enable the Committee to make proper judgments as to his or her qualifications.

The Board of Directors recommends that stockholders vote "FOR" the election of the directors standing for election (Item 1 on Proxy Card).

REPORT OF THE AUDIT COMMITTEE

During fiscal 2000, the Audit Committee of the Board of Directors developed an updated charter for the Committee, a copy of which was included in Friendly's 2001 Annual Meeting Proxy Statement. The charter is reviewed on an annual basis. On July 23, 2003, the Audit Committee amended the charter. A copy of the revised charter is attached as Exhibit A.

In overseeing the preparation of Friendly's audited financial statements, the Committee met with both management and Friendly's outside auditors to review and discuss the financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Committee that the financial statements were prepared in accordance with generally accepted accounting principles. The Committee's review included discussion with the outside auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication With Audit Committees).

Edgar Filing: FRIENDLY ICE CREAM CORP - Form DEF 14A

With respect to Friendly's outside auditors, the Committee, among other things, discussed with Ernst & Young LLP matters relating to its independence, including the letter received from the outside auditors and the written disclosures they made to the Committee as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

On the basis of these reviews and discussions, the Committee recommended to the Board of Directors that the Board approve the inclusion of Friendly's audited financial statements in Friendly's Annual Report on Form 10-K for the fiscal year ended December 28, 2003, for filing with the Securities and Exchange Commission.

THE AUDIT COMMITTEE

Charles A. Ledsinger, Jr.
Steven L. Ezzes
Michael J. Daly

INDEPENDENT PUBLIC ACCOUNTANTS

Ernst & Young LLP, independent public accountants, audited the accounts of Friendly's for 2003. The Audit Committee recommended the appointment of Ernst & Young LLP as independent public accountants for the fiscal year ending January 2, 2005 and the directors accepted the recommendation of the Audit Committee and appointed Ernst & Young LLP to examine the consolidated financial statements of Friendly's 2004 fiscal year. Accordingly, the shareholders will be asked to ratify such appointment at the Annual Meeting by the affirmative vote of a majority of the votes cast by the holders of the outstanding shares of common stock represented at the Annual Meeting in person or by proxy. A representative of Ernst & Young LLP is expected to be present at the meeting, and will have an opportunity to make a statement if he or she desires to do so, or respond to appropriate questions.

The Board of Directors recommends that stockholders vote "FOR" ratification of the appointment of Ernst & Young LLP as Friendly's independent public accountants for the fiscal year ending January 2, 2005 (Item 2 on Proxy Card). Should the stockholders not approve Proposal 2, Friendly's will take such voting results into consideration when determining whom to engage as its auditors for fiscal year 2005.

Fees for Fiscal 2003 and Fiscal 2002

The following table shows the fees paid or accrued by the Company for the audit and other services provided by Ernst & Young LLP for fiscal 2003 and 2002.

	2003	2002

Tax fees	11,825	17,180
All other fees	0	0
Total fees	\$ 336,070	\$ 291,392

Audit Fees represent fees for professional services provided in connection with the audit of the Company's and certain consolidated subsidiaries' annual financial statement and review of the Company's quarterly financial statements and audit services provided in connection with other statutory or regulatory filings or engagements, including comfort letters and consents related to SEC filings and securities offerings.

Audit-Related Fees represent fees for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. These services include audits of employee benefit plans and advice and consultations in connection with the implementation of Section 404 of the Sarbanes-Oxley Act.

Tax Fees represent fees for professional services for federal and state tax compliance, tax advice and tax planning.

All Other Fees represent fees for financial information systems design and implementation. There were no Other Fees paid to Ernst & Young LLP in fiscal 2002 or 2003.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Public Accountants

The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent public accountants. These services may include audit services, audit-related services, tax services and other services. Pre-approval for ongoing services is generally provided for up to one year,

8

and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent public accounts and management are required to quarterly report to the Audit Committee regarding the extent of services provided by the independent public accountants in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of Friendly's is comprised of three independent directors. The Compensation Committee is responsible for recommending compensation and benefits for the elected officers of Friendly's, including awards under Friendly's stock plans.

The Committee is committed to implementing a compensation program that supports Friendly's mission to grow Friendly's revenues and earnings by building on and reinforcing the Friendly's brand. Thus, executive compensation will be structured around the following tenets:

Total compensation programs should strengthen the relationship between pay and performance by emphasizing variable, at-risk compensation that is dependent on the achievement of Friendly's and individual performance goals.

Management should be focused on the long-term interests of shareholders. Thus, a portion of the compensation opportunity should be long-term, at-risk pay in the form of equity.

Friendly's must maintain its ability to attract, retain and encourage the development of qualified, capable executives. Total compensation opportunities will generally mirror those offered by comparably sized organizations within the restaurant industry although, for those positions where the labor market is not limited to the restaurant industry, Friendly's will reference broader general industry information for similarly sized organizations. The comparator group used for compensation purposes will generally be broader than the group that comprises the published industry index in the Performance Graph included in this proxy statement. The Compensation Committee believes that Friendly's competition for executive talent is not limited to the companies included in the published industry index established for comparing shareholder returns.

The key elements of Friendly's executive compensation program are base salary, annual incentives and long-term compensation. These key elements are addressed separately below.

Base Salaries

The Committee annually reviews each executive officer's base salary. Base salaries are targeted at or slightly above the median of market levels with adjustments above or below market to recognize varying levels of responsibility, prior experience, breadth of knowledge and internal equity issues, as well as external pay practices. Increases to base salaries are driven primarily by individual performance. Individual performance is evaluated based on sustained levels of individual contribution to Friendly's.

Annual Incentives

The Annual Incentive Plan ("AIP Plan") is structured to provide a variable pay opportunity based on company and individual performance. Each year, the Compensation Committee establishes Company financial objectives. The financial objectives are based upon Friendly's achievement of specified levels of earnings as measured by EBITDA (i.e., earnings before interest, taxes, depreciation and amortization). These goals are considered achievable but require above-average performance. For Mr. Cutter, target payout in fiscal 2003 ranged up to 100% of base pay. For all other executive officers, target payouts in fiscal 2003 ranged up to 50% of base pay. Maximum awards for superior performance

9

are capped at 150% of target. Mr. Cutter and other executive officers earned cash bonuses in fiscal 2003 by achieving 96.4% of the EBITDA target for 2003 pursuant to the terms of the AIP Plan.

Long-Term Incentives

Long-term incentives may be provided pursuant to Friendly's 1997 Restricted Stock Plan, 1997 Stock Option Plan and the 2003 Incentive Plan. The Committee anticipates that a combination of stock options and other performance-based awards will be the primary form of long-term incentives. During fiscal 2003, such incentives consisted of a stock option and a performance unit grant. Stock options representing 112,217 shares were awarded to executive officers during fiscal 2003. Performance units with a target cash payout value of \$775,000 were issued to executive officers during fiscal 2003.

Stock options under Friendly's 1997 Option Plan and the 2003 Incentive Plan are granted at the fair market value of the common stock on the date of grant. The ultimate value of an option grant to the recipient depends on the shareholder value created between the date of grant and the date of exercise. Option awards are based primarily on competitive practice but may also be adjusted to reflect factors such as individual and company performance.

Policy with Respect to the \$1 Million Deduction Limit

Section 162(m) of the Internal Revenue Code generally limits the corporate deduction for compensation paid to elected officers named in the proxy to \$1 million, unless certain requirements are met. The Compensation Committee will consider the impact of this provision when making compensation decisions. However, the Committee will weigh all pertinent factors to determine appropriate plan design and incentive awards.

Pension Plan

Benefits under the Friendly Ice Cream Corporation Cash Balance Pension Plan (the "Pension Plan") for Messrs. Smith, Cutter, Hoagland, Maglioli, Ulrich, Parker and Okscin are generally determined based on the value in their respective notional cash balance accounts under the Pension Plan. Each year each Participant's cash balance account is credited with a percentage of flexible

pension compensation, which percentage is determined based on the Participant's years of service. Interest is also credited to the cash balance account each year. Amounts in excess of those payable under the Pension Plan as a result of limits imposed by the Internal Revenue Code will be paid under the Friendly Ice Cream Corporation Supplemental Executive Retirement Plan (the "SERP"). Both plans provide for an election to receive benefits in an actuarially determined lump sum. As of December 28, 2003, the estimated annual benefits, payable upon retirement at age 65 in the form of a straight life annuity, unreduced for social security benefits and including benefits payable under the SERP, for each of Messrs. Smith, Cutter, Hoagland, Maglioli, Ulrich, Parker and Okscin were \$18,500, \$9,000, \$1,600, \$48,000, \$22,700, \$30,300 and \$40,600, respectively.

Stock Options

The following tables show information concerning option grants in fiscal 2003 (and how much the named officers may eventually realize in future dollars under two hypothetical situations: if the stock gains 5% or 10% in value per year, compounded over the five-year life of the options) and fiscal year-end option values. The hypothetical 5% and 10% rates are assumed rates of appreciation required by the Securities and

Exchange Commission and are not intended to forecast future appreciation of the common stock.

All of the stock options awarded in 2003 have a three-year vesting and a five-year expiration from date of grant, subject to the optionee's continued employment with Friendly's. All awards under the Stock Option Plan will become fully vested and exercisable upon a change in control of Friendly's. In general terms, a change in control may occur when:

third parties acquire 35% or more of the voting stock of Friendly's, with certain exceptions, and existing senior management and certain existing shareholders collectively own less voting stock than such third parties and no longer have the ability to elect a majority of the Board of Directors;

individuals currently on the Board of Directors cease to constitute a majority of the Board of Directors, unless a majority of the existing Board of Directors approves such new directors; or

a reorganization, merger, consolidation, liquidation, dissolution or sale of substantially all the assets of Friendly's occurs.

Long-Term Incentive Plan

The Company has established a Performance Unit Plan, which has been approved by shareholders as part of the 2003 Incentive Plan. The Compensation Committee of the Board of Directors, which administers the plan, sets award targets for participating executives of the Company. The Compensation Committee determines a target award for each participant, and the target award cannot be increased for that period. The Committee also sets a matrix, which contains the target levels for the performance measures selected. Actual awards are determined after the end of the three-year period and range from 0% to 150% of the participant's target award. The performance period for the awards set forth is 2003-2005. If actual Company performance falls below certain parameters, no payouts are made. The target amount is earned if performance targets are achieved.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Ice Cream Company ("TICC") operates three Friendly's restaurants under franchise agreements with Friendly's Restaurants Franchise, Inc. ("FRFI"), a subsidiary of Friendly's. The owners of TICC are family members of Mr. Smith. The franchise agreement terms with TICC are identical in all material respects to the terms generally offered to unrelated franchisees of FRFI in the ordinary course of Friendly's business. TICC purchases certain food products used in the normal course of its franchise business from Friendly's. For the year ended December 28, 2003, TICC paid Friendly's approximately \$1,817,000 for franchise royalty fees, marketing fees, food purchases and miscellaneous other products and services.

In 1994, TRC Realty LLC (a subsidiary of TRC, whose majority equity owner is the Company's Chairman) entered into a ten-year operating lease for an aircraft for use by both the Company and TRC (which operates restaurants using the trademark Perkins Restaurant and Bakery ("Perkins")). In 1999, this lease was cancelled and TRC Realty LLC entered into a new ten-year operating lease for a new aircraft. The Company shared proportionately with Perkins in reimbursing TRC Realty LLC for leasing, tax and insurance expenses. In addition, the Company also incurred actual usage costs. During the year ended December 29, 2002, the Company expensed its share of the expected net loss on the termination of the cost sharing arrangement as TRC Realty LLC anticipated terminating the lease and disposing of the aircraft by May 2003. The Company's share of the expected net loss was approximately \$950,000 and was included in operating expenses in the consolidated statement of operations for the year ended December 29, 2002. At the Company's July 23, 2003 Board of Directors meeting, the disinterested Board members approved a payment up to \$1,000,000 to TRC Realty LLC and on August 26, 2003, a payment of approximately \$868,000 was made to TRC Realty LLC that terminated the Company's cost sharing arrangement with Perkins. The payment exceeded the remaining reserve for expected losses by approximately \$86,000, which was included in operating expenses for the year ended December 28, 2003. Under the cost sharing arrangement, which would have expired in January 2010, the Company paid approximately \$500,000 annually.

During August 2003, Friendly's entered into a single restaurant franchise agreement with Treats of Huntersville LLC ("Treats"). The owner of Treats is a family member of the Company's Chairman of the Board of Directors. The transaction was a standard agreement in compliance

Edgar Filing: FRIENDLY ICE CREAM CORP - Form DEF 14A

with the terms and conditions of the Uniform Franchise Offering Circular allowing Treats to operate one location. The location, which was initially opened by a former franchisee but closed in July 2002, was reopened by Treats in August 2003. Treats paid an initial franchise fee of \$35,000, which was included in income during the year ended December 28, 2003.

Friendly's purchases certain food products used in the normal course of business from a division of TRC at cost plus a mark-up. For the year ended December 28, 2003, purchases were approximately \$322,000.

On February 25, 2003, S. Prestley Blake ("Blake"), holder of less than 10% of Friendly's outstanding common stock, sued Friendly's and its Chairman in a purported derivative action in Hampden Superior Court, Massachusetts, alleging breach of fiduciary duty and misappropriation of corporate assets in that the Company had paid certain expenses relating to a corporate jet and the Chairman's use of that jet and use of an office in Illinois. The suit seeks to require the Chairman to reimburse the Company, and the Company to pay Blake's attorneys' fees. The Company and its Chairman have denied Blake's allegations and are vigorously defending the lawsuit.

FRIENDLY ICE CREAM CORPORATION AUDIT COMMITTEE CHARTER

This charter governs the operations of the audit committee. The audit committee will be appointed by the board of directors and will be comprised of at least three members of the board of directors, each of whom is independent of management of the Company. Members of the committee will be considered independent as long as they meet the independence requirements of the rules of the SEC and the American Stock Exchange. All committee members shall be financially literate, and meet the standards of the SEC and the American Stock Exchange.

The primary function of the audit committee is to assist the board in fulfilling its oversight responsibilities by reviewing the financial information that will be provided to the shareholders and others, the systems of internal controls, which management and the board of directors have established and all audit processes.

GENERAL REPONSIBILITIES

2. The audit committee must report committee actions to the full board of directors and may make appropriate recommendations.
3. The audit committee has the power to conduct or authorize investigations into matters within the committee's scope of responsibilities. The committee is authorized to retain independent counsel, accountants or others it needs to assist in an investigation.
4. The committee will meet at least four times each year, more frequently if circumstances make that preferable. The audit committee chairman has the power to call a committee meeting whenever he or she thinks there is a need. An audit committee member should not vote on any matter in which he or she is not independent. The committee may ask members of management or others to attend the meeting and is authorized to receive all pertinent information from management.

6. The audit committee will make sure that the officer responsible for internal audit and the independent auditors coordinate the internal and external audits. The purpose of coordinating these efforts is to assure completeness of coverage, reduce redundancy and use audit resources effectively.
