, 2005

To our Stockholders:

On behalf of our board of directors, I cordially invite you to a special meeting of stockholders of PanAmSat Holding Corporation, to be held at _____, on _____, 2005 at _____. The formal notice of the special meeting, proxy statement and a proxy card are enclosed with this letter. All holders of the outstanding shares of our common stock as of the close of business on _____, 2005 will be entitled to notice of and to vote at the special meeting. You may vote your shares at the special meeting only if you are present in person or represented by proxy.

At the special meeting, we will ask you to consider and vote upon a proposal to approve and adopt the merger agreement, dated as of August 28, 2005, pursuant to which we have agreed to be acquired by a subsidiary of Intelsat, Ltd. If the transaction is completed, you will be entitled to receive \$25.00 in cash plus an amount equal to the pro rata portion of any undeclared regular quarterly dividend attributable to the fiscal quarter in which the merger occurs, without interest, for each share of our common stock that you own. We have attached a copy of the merger agreement as Appendix A to the accompanying proxy statement, and we encourage you to read it in its entirety. You should be aware that the receipt of cash in exchange for shares of our common stock in the merger will be a taxable transaction for U.S. federal income tax purposes and may be taxable for state and local income tax purposes. We urge you to consult your own tax advisor regarding the specific tax consequences that may result from your individual circumstances.

Our board of directors has considered and evaluated the merger agreement and has determined that the merger agreement and the merger are fair to, advisable and in the best interests of PanAmSat and our stockholders. Accordingly, our board of directors has approved the merger agreement and the merger and recommends that you vote "FOR" the approval and adoption of the merger agreement.

Approval and adoption of the merger agreement requires the affirmative vote of the holders of a majority of all outstanding shares of our common stock. Investment vehicles affiliated with Kohlberg Kravis Roberts & Co., The Carlyle Group and Providence Equity Partners together own approximately 58% of our outstanding common stock. These investment vehicles have entered into a voting agreement with us and subsidiaries of Intelsat, Ltd., whereby they have agreed to vote in favor of the approval and adoption of the merger agreement at the special meeting and against any proposal in opposition to the merger or the merger agreement. We encourage you to read the accompanying proxy statement carefully as it sets forth details of the proposed merger and other important information related to the merger.

Whether or not you plan to attend the special meeting, please complete, sign and date the accompanying proxy card and return it in the enclosed prepaid envelope. By doing so, you will ensure that your shares are represented and voted at the meeting. If you attend the special meeting, you may revoke your proxy and vote your shares in person if you wish, even if you have previously returned your proxy card. PROXY STATEMENT

Special Meeting of Stockholders

, 2005

We are furnishing this proxy statement to stockholders of PanAmSat Holding Corporation, a Delaware corporation ("we," "us," the "company" or "PanAmSat"), in connection with the solicitation of proxies by our board of directors for use at a special meeting of stockholders to be held at _____ on _____, 2005, at _____, and any adjournments or postponements of the special meeting.

Information Concerning Voting of Proxies

Record Date

Common stockholders of record as of the close of business on _____, 2005 will be entitled to vote at the meeting or any adjournments or postponements of the special meeting. As of the record date, we had _____ outstanding shares of common stock, par value \$0.01 per share, each entitled to one vote on all matters to be voted on at the meeting. This proxy statement and the accompanying proxy card are intended to be mailed to each stockholder entitled to vote at the special meeting on or about _____, 2005.

Voting

The affirmative vote of the holders of a majority of the outstanding shares of our common stock will be required to approve and adopt the Merger Agreement, dated as of August 28, 2005, by and among us, Intelsat (Bermuda), Ltd., or Parent, and Proton Acquisition Corporation, or Merger Sub, pursuant to which, among other things, Merger Sub will merge with and into us. If the merger is completed, you will be entitled to receive \$25.00 in cash plus an amount equal to the pro rata portion of any undeclared regular quarterly dividend attributable to the fiscal quarter in which the merger occurs, without interest, for each share of our common stock that you own. We have attached a copy of the merger agreement as Appendix A to the accompanying proxy statement, and we encourage you to read it in its entirety.

Affiliates of Kohlberg Kravis Roberts & Co. L.P., or KKR, The Carlyle Group, or Carlyle, and Providence Equity Partners, Inc., or Providence, together own approximately 58% of our outstanding common stock. We collectively refer to KKR, Carlyle and Providence as the "Sponsors" in this proxy statement. Certain affiliates of the Sponsors that own shares of our common stock have entered into a voting agreement with us, Parent and Merger Sub, whereby they have agreed to vote in favor of the merger at the annual meeting and against any proposal in opposition to the merger or merger agreement unless the merger agreement is terminated.

As of the record date, our directors and executive officers owned, in the aggregate, _____ shares of our common stock, or approximately _____ % of our outstanding common stock.

If you execute the enclosed proxy and we receive it at any time prior to the special meeting and you do not revoke it, all shares represented by the proxy will be voted. Each proxy will be voted in accordance with the stockholder's instructions. If you do not specify instructions, your proxy will be voted "FOR" the approval and adoption of the merger agreement.

Abstentions

Abstentions from votes in respect of the merger will be counted in the determination of a quorum and will have the same effect as votes "AGAINST" that proposal. Votes of shares for which brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned a proxy (so called "broker non-votes") will have the same effect as votes "AGAINST" the proposal, but will be counted in the determination of a quorum.

Revocation of Proxies

You may revoke your proxy at any time before it is voted by delivering to us a subsequently executed proxy or a written notice of revocation. In addition, returning your completed proxy will not prevent you from voting in person at the special meeting should you be present and wish to do so.

Solicitation Fees and Expenses

We will pay the cost of soliciting proxies. We have also arranged for reimbursement of brokerage houses, nominees, custodians and fiduciaries for the forwarding of proxy materials to the beneficial owners of shares held of record. Proxies may also be solicited by our directors, officers and employees, but such persons will not be specially compensated for such services.

Questions and Answers About the Special Meeting and the Merger

The information provided in this question-and-answer format below is for your convenience and is merely a summary of other information contained in this proxy statement. You should carefully read this entire proxy statement, including each of the appendices attached to this proxy statement.

Q1:

What is the date, time and place of the special meeting?

A1:

The special meeting of our stockholders will be held at _____, on _____, 2005, at _____.

Q2:

What am I being asked to vote on?

A2:

You are being asked to consider and vote on a proposal to approve and adopt the merger agreement, pursuant to which Merger Sub will merge with and into PanAmSat, with PanAmSat to continue as a wholly-owned subsidiary of Parent, which in turn is a wholly-owned subsidiary of Intelsat Ltd, or Intelsat, after the merger.

Q3:

What will I be entitled to receive in the merger?

A3:

If the merger is completed, each of your shares of our common stock will be converted into the right to receive \$25.00 in cash plus an amount equal to the pro rata portion of any regular undeclared quarterly dividend attributable to the fiscal quarter in which the merger occurs, without interest (unless you validly perfect appraisal rights under Delaware law). If the merger is completed, you will not have any continuing interest in PanAmSat and will have no interest in Intelsat or Parent.

For more information, see "The Merger Effects of the Merger" and "Terms of the Merger Agreement."

Q4:

What will the Sponsors receive in the merger?

A4:

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

The Sponsors will receive the same per share consideration as every other stockholder. They will receive no additional fees or consideration.

Q5: Why are we proposing the transaction?

A5: We believe that the merger offers an attractive opportunity to provide value to our stockholders. The \$25.00 per share price being offered by Parent represents an approximately 26% premium above the trading price of our shares on August 26, 2005, the last trading day before the announcement of the merger agreement, and an approximately 40% premium above our initial public offering price in March 2005.

Q6: What vote is required to approve and adopt the merger agreement?

A6: The affirmative vote of the holders of a majority of all outstanding shares of our common stock is required to approve and adopt the merger agreement. Approval and adoption of the merger agreement does not require the separate vote of a majority of our common stockholders unaffiliated with the Sponsors, and no separate vote of those stockholders will be conducted. The Sponsors beneficially own approximately 58% of our outstanding common stock as of the record date. The affiliates of the Sponsors that own our common stock have entered into a voting agreement with us, Parent and Merger Sub, whereby they have agreed to vote in favor of the approval and adoption of the merger agreement at the special meeting and against any proposal in opposition to the merger or merger agreement unless the merger agreement is terminated.

For more information, see "Terms of the Merger Agreement" and "Voting Agreement."

Q7: What does our board of directors recommend?

A7: Our board of directors recommends that you vote "FOR" approval and adoption of the merger agreement. In considering the recommendation of our board of directors, you should be aware that certain of our directors and executive officers have interests in the merger agreement that are different from yours.

For more information, see "The Merger Recommendation of Our Board of Directors" and "Interests of the Directors and Executive Officers."

Q8: When do you expect the merger to be completed?

A8: We are working to complete the merger as quickly as possible. In addition to the approval and adoption of the merger agreement by our common stockholders, we must also obtain various regulatory approvals and satisfy other conditions to the merger. If the conditions to the merger are satisfied or waived (to the extent permitted by applicable law), we expect to consummate the merger in the second or third quarter of 2006.

Q9: What are the tax consequences of the merger to me?

A9: The receipt of cash in exchange for shares of our common stock in the merger will be a taxable transaction for U.S. federal income tax purposes and may be taxable for state and local income tax purposes. For U.S. federal income tax purposes, if you receive cash in exchange for common stock in the merger, you will recognize gain or loss equal to the difference, if any, between the cash consideration received and your adjusted tax basis in the shares of common stock surrendered. We urge you to consult your own tax advisor regarding the specific tax consequences that may result from your individual circumstances, as well as the foreign, state and local tax consequences of the disposition of shares in the merger.

For more information, see "Material U.S. Federal Income Tax Consequences of the Merger."

Q10:

What if I oppose the merger? Do I have appraisal rights?

A10: If you are a stockholder who objects to the merger, and if you comply with the procedures required under Delaware law, you may elect to pursue your appraisal rights to receive the statutorily determined "fair value" of your shares, which could be more or less than the merger

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

consideration of \$25.00 plus an amount equal to the pro rata portion of any undeclared regular quarterly dividend. In order to qualify for these rights, you must (1) vote "AGAINST" or "ABSTAIN" with respect to the approval and adoption of the merger agreement, (2) make a written demand for appraisal prior to the taking of the vote on the merger agreement at the special meeting and (3) otherwise comply with the Delaware law procedures for exercising appraisal rights. An executed proxy card that is not marked "AGAINST" or "ABSTAIN" will be voted for the approval and adoption of the merger agreement and will disqualify you from demanding appraisal rights.

For more information, see "Appraisal Rights of Stockholders."

Q11:

What should I do now? How do I vote?

A11:

After you read and consider carefully the information contained in this proxy statement, please fill out, sign and date your proxy card and mail your signed proxy card in the enclosed return envelope as soon as possible so that your shares may be represented at the special meeting. Failure to return your proxy card or vote in person at the meeting will have the same effect as a vote against the approval and adoption of the merger agreement.

For more information, see "Information Concerning Voting of Proxies."

Q12:

Can I vote in person?

A12:

Yes. You may attend the special meeting and vote your shares in person whether or not you sign and return a proxy card or otherwise vote by proxy.

Q13:

If my shares are held in "street name" by my broker, will my broker vote my shares for me?

A13:

Yes, but only if you provide instructions to your broker on how to vote. You should fill out, sign, date and return the proxy card and otherwise follow the directions provided by your broker regarding how to instruct your broker to vote your shares.

For more information, see "Information Concerning Voting of Proxies."

Q14:

Can I change my vote or revoke my proxy after I have mailed my signed proxy card?

A14:

You can change your vote before your proxy is voted at the special meeting. If you are a holder of record, you can do this in one of three ways. First, you can deliver a written notice stating that you would like to revoke your proxy to our corporate secretary on or before the business day prior to the special meeting. Second, you can submit a new later-dated proxy card to us prior to the special meeting. Third, you can attend the special meeting and vote in person. Simply attending the special meeting, however, will not revoke your proxy; you must vote at the special meeting. If you are not a holder of record and/or if you have instructed a broker to vote your shares, you must follow directions received from your broker to change your vote.

For more information, see "Information Concerning Voting of Proxies."

Q15:

Should I send in my stock certificates now?

A15:

No. If the merger is completed, shortly thereafter you will receive a letter of transmittal with instructions informing you how to send in your stock certificates to our paying agent. You should use the letter of transmittal to exchange your stock certificates for the merger consideration of \$25.00 plus an amount equal to the pro rata portion of any undeclared regular quarterly dividend to which you will be entitled as a result of the merger. You should not send any stock certificates with your proxy cards. You should follow the procedures

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

described in "Terms of the Merger Agreement Exchange and Payment Procedures."

Summary

This summary highlights important information in this proxy statement relating to the proposed merger and does not contain all of the information that may be important to you. You should carefully read this entire proxy statement and the other documents to which we refer you for a more complete understanding of the matters being considered at the special meeting.

The Parties to the Merger Agreement (see page 11)

PanAmSat Holding Corporation

We are incorporated in the state of Delaware, with our principal place of business in Wilton, Connecticut. We are a leading global provider of video, broadcasting and network distribution and delivery services through our fleet of 26 satellites. We lease transponder capacity on our satellites for the distribution and delivery of entertainment and information to cable television systems, television broadcast affiliates, direct-to-home television services, Internet service providers, telecommunications companies and other corporations and governments. Our in-orbit fleet is one of the world's largest commercial geostationary earth orbit satellite networks, capable of reaching over 98% of the world's population. We have seven technical facilities in the U.S., which provide transmission, monitoring and control services for operating our fleet and transmission and other services for our customers.

Intelsat (Bermuda), Ltd.

Intelsat (Bermuda), Ltd., or Parent, is a Bermuda company and a subsidiary of Intelsat. Intelsat is a leading communications provider offering flexible and secure services to customers in over 220 countries and territories. Intelsat has maintained a leadership position for over 40 years by distributing voice, video, and data for television and content providers, government and military entities, major corporations, telecommunications carriers, and Internet service providers. Intelsat's reach, power and expanding solutions portfolio deliver information reliably and quickly to every corner of the globe.

Proton Acquisition Corporation

Proton Acquisition Corporation, or Merger Sub, is a Delaware corporation and a wholly-owned subsidiary of Parent that was organized solely for the purpose of entering into the merger agreement and consummating the transactions contemplated by the merger agreement. It has not carried on any activities to date other than activities incident to its formation and in connection with the transactions contemplated by the merger agreement.

Recommendation of Our Board of Directors (see page 13)

At the meeting of our board of directors on August 27, 2005, our board of directors, by unanimous vote:

determined that the merger agreement and the merger are fair to, advisable and in the best interests of PanAmSat and our stockholders;

approved the merger agreement and the merger;

resolved to submit the merger agreement to our stockholders for approval and adoption; and

resolved to recommend that our stockholders vote "FOR" approval and adoption of the merger agreement.

Fairness Opinion of Morgan Stanley & Co. Incorporated (see page 21)

On August 27, 2005, the board of directors received the opinion of Morgan Stanley & Co. Incorporated, or Morgan Stanley, to the effect that, as of that date, and based upon and subject to the assumptions, qualifications and limitations set forth in its written opinion, the \$25.00 per share portion of the merger consideration to be received by the holders of our common stock pursuant to the merger agreement was fair, from a financial point of view, to such holders.

Effects of the Merger (see page 12)

The consummation of the merger will result in:

the conversion of each share of our common stock issued and outstanding immediately prior to the effective time of the merger into the right to receive \$25.00 in cash plus an amount equal to the pro rata portion of any undeclared regular quarterly dividend attributable to the fiscal quarter in which the merger occurs, without interest (less any applicable withholding tax), other than shares of our common stock:

held by stockholders who perfect their appraisal rights under Delaware law;

held by Parent; or

held by us or any of our subsidiaries;

all outstanding options being accelerated and cashed-out for an amount equal to the excess of \$25.00 over its exercise price;

the termination of the restrictions on any of our restricted stock, the vesting of those shares and the conversion of each of those shares into the right to receive the merger consideration;

the conversion of each of our deferred stock units into a lump sum in cash equal to the merger consideration subject to the plans under which such units are outstanding; and

Parent, and thus Intelsat, beneficially owning all of the outstanding shares of our common stock.

Upon completion of the merger, we will remove our common stock from listing on the New York Stock Exchange, and our common stock will no longer be publicly traded.

Financing of the Merger (see page 45)

In connection with the merger, Parent will pay approximately \$3.2 billion to our stockholders (not including the pro rata dividends).

Parent has received financing commitments for the full amount of the purchase price from a group of financial institutions led by Deutsche Bank Securities Inc., Citigroup Global Markets Inc., Credit Suisse First Boston LLC and Lehman Brothers Inc. The funding of the commitments is subject to certain conditions, including satisfaction of the conditions to the merger. A substantial portion of the financing for the transaction is expected to be raised by Parent, with additional financing expected to be raised at PanAmSat, PanAmSat Corporation (PanAmSat's subsidiary), and Intelsat Subsidiary Holding Company, Ltd., a subsidiary of Parent.

Upon completion of the merger, both PanAmSat and Intelsat Subsidiary Holding Company, Ltd. will be direct or indirect wholly-owned subsidiaries of Parent, and PanAmSat and its subsidiaries will continue as separate corporate entities. The merger is expected to result in a change of control, as defined in the indenture governing PanAmSat's outstanding bonds and certain of the indentures governing PanAmSat Corporation's outstanding bonds. The financing commitments also include a commitment for the amounts required, if any, to be paid for offers to purchase such bonds as a result of such change in control and to refinance PanAmSat Corporation's credit facilities.

Dividend Policy (see pages 11 and 33)

The merger agreement permits us to declare regular quarterly dividends of up to \$0.3875 in respect of each of the third and fourth fiscal quarters of 2005 and \$0.42625 in respect of each full fiscal quarter thereafter, although we are not legally required to declare any dividends and stockholders are not entitled to receive dividends unless and until declared. For more information about our dividend policy and the restrictions on dividends set forth in the merger agreement, see "Market Price of Our Stock" and "Terms of the Merger Agreement Conduct of Our Business Pending the Merger."

Interests of the Directors and Executive Officers (see page 49)

In considering the recommendation of our board of directors, you should be aware that some of our directors and certain of our officers may have interests in the merger that are different from, or in

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

addition to, your interests as a stockholder generally and may create conflicts of interests. These include but are not limited to:

The right of certain of our executives, pursuant to change-in-control severance agreements, to receive severance and other benefits in the event of an involuntary termination of the executive's employment within three years after a change in control;

The stock options and other equity based awards held by certain of our directors and executive officers, which will vest (to the extent not already vested) and will be cashed out in connection with the merger;

Our chief executive officer, Joseph R. Wright, Jr., is expected to be Chairman of the Intelsat board of directors after the merger;

Although customary for transactions of this type, Parent's agreement that it and the surviving corporation will indemnify each of our directors and officers with respect to claims arising from facts or events that occurred prior to the effective time of the acquisition and Parent's agreement to obtain tail insurance policies for the period specified in the merger agreement with respect to our directors' and officers' liability for claims arising from facts or events that occurred prior to such time; and

The relationship of certain of our directors to the Sponsors, who control approximately 58% of our stock.

The board of directors was aware of these differing interests and considered them, among other matters, in evaluating the merger agreement and in recommending that the merger agreement be approved and adopted by our stockholders.

Material U.S. Federal Income Tax Consequences of the Merger (see page 57)

For U.S. federal income tax purposes, the merger will be treated as a taxable sale by our stockholders of their shares of our common stock in which they will recognize gain or loss equal to the difference between (1) the amount of the cash consideration received in the merger and (2) their adjusted tax basis in the shares of common stock surrendered in the merger.

Regulatory Approvals (see page 43)

The completion of the transactions depends on the following regulatory approvals:

the parties must receive all approvals of the Federal Communications Commission, or FCC, required in connection with the merger;

the parties must make filings with regulatory bodies under foreign communications laws in certain countries;

all waiting periods applicable to the consummation of the transactions contemplated by the merger agreement must have expired or terminated under the Hart-Scott Rodino Antitrust Improvements Act of 1976, as amended;

the parties must receive competition and/or antitrust approvals or clearances from regulatory bodies in certain countries; and

the parties must make the requisite filings under the Defensive Production Act of 1950, the International Traffic in Arms Regulations and related laws and regulations.

Conditions to the Merger (see page 38)

The completion of the merger depends on the satisfaction or waiver of a number of conditions, including but not limited to the following:

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

the approval and adoption of the merger agreement by our stockholders;

the absence of any governmental order that prohibits the merger or any law that prohibits or makes illegal the transactions contemplated by the merger agreement; and

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

the expiration or termination of all waiting periods applicable under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended.

Intelsat's obligation to consummate the Merger is further conditioned on the satisfaction or waiver of additional conditions, including but not limited to the following:

receipt of all required regulatory approvals as final orders and without any burdensome conditions (as defined in the merger agreement);

the absence of any pending or granted order or injunction that imposes, or would reasonably be expected to impose, a burdensome condition or otherwise have a material adverse effect on us or on Parent and us taken together;

the absence of any change, development, event, condition, occurrence or effect that, individually or in the aggregate, would reasonably be expected to have a material adverse effect on us; and

receipt of debt financing by Parent on the terms and conditions set forth in its debt commitment letter or terms equal to or more favorable to Parent.

In addition, each of our and Intelsat's obligation to consummate the merger is conditioned on the satisfaction or waiver of conditions relating to:

the truth and accuracy of representations and warranties of the other party, and the performance of covenants by the other party.

Termination of the Merger Agreement (see page 40)

We and Parent may mutually agree to terminate the merger agreement at any time prior to the completion of the merger.

In addition, the merger agreement may be terminated:

by us or Parent, if:

the transactions contemplated by the merger agreement have not been consummated by November 26, 2006, so long as failure of the terminating party to comply with any material obligation of the merger agreement has not been the cause of or resulted in the failure of the consummation of such transactions by such date;

the FCC has denied, dismissed or designated for hearing any consent application related to the transactions contemplated by the merger agreement, other than with respect to immaterial assets or businesses;

five business days have elapsed following a permanent injunction or order of a court or governmental authority (other than the FCC) located in the United States preventing the consummation of the transactions contemplated by the merger agreement if the injunction is still in effect and the parties have used their reasonable best efforts to lift the injunction; or

our stockholders do not approve and adopt the merger agreement upon taking a vote at the special meeting;

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

by us, if:

there has been a breach by Parent of any representation, warranty or covenant in the merger agreement, which breach, individually or in the aggregate with all other breaches, would give rise to the failure of any of the applicable closing conditions set forth in the merger agreement and the breach has not been cured within 30 days of receipt of notice of the breach (or if earlier, by November 25, 2006);

prior to the special meeting, our board of directors has resolved to enter into a superior proposal after we have complied in all material respects with certain provisions of the merger agreement relating to the solicitation of competing transactions;

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

Parent has failed to obtain the financing contemplated by its debt commitment letter by November 26, 2006 or by the end of an agreed upon marketing period for the financing, if the other conditions to the consummation of the merger are satisfied; however, we cannot terminate the merger agreement if our failure to comply in any material respect with certain obligations caused or materially contributed to the failure to obtain such financing or if Parent or its relevant financing sources have not received all of the information required to be delivered by the merger agreement in connection with the financing and this fact caused or materially contributed to the failure to obtain such financing;

Parent has failed to obtain the requisite regulatory approvals by November 26, 2006, if the other conditions to the consummation of the merger are satisfied and as long as (1) we did not cause or materially contribute to the failure to obtain such approvals and (2) any lawsuit brought by us or any of our stockholders in their capacity as a stockholder does not cause the failure of any of the regulatory conditions to be satisfied; or

prior to November 26, 2006, a final and non-appealable order of the FCC has been issued that would cause any of the regulatory-related conditions in the merger agreement to be incapable of being satisfied, unless (1) Parent takes actions that it believes in good faith can be taken by it to satisfy such regulatory-related conditions, (2) the marketing period for its financing begins within 20 business days of the issuance of the order, or (3) the conditions to Parent's obligation to consummate the merger other than those related to financing and regulatory approvals are not satisfied or are incapable of being satisfied;

by Parent, if:

there has been a breach by us of any representation, warranty or covenant in the merger agreement, which breach, individually or in the aggregate with all other breaches, would give rise to the failure of any of the applicable closing conditions set forth in the merger agreement and the breach has not been cured within 30 days of receipt of notice of the breach (or if earlier, by November 25, 2006);

our board of directors withdraws, modifies or fails to make its recommendation in favor of the merger or approves or recommends a superior proposal;

we breach our obligation to call, give notice of, convene and hold the special meeting; or

a tender offer or exchange offer for 20% or more of our outstanding shares of common stock is commenced or another competing transaction is otherwise publicly announced, and our board of directors recommends that our stockholders tender their shares in such tender offer or exchange offer, or otherwise fails to recommend rejecting such tender offer or exchange offer or such competing transaction, within the time periods specified in the merger agreement.

Fees and Expenses (see page 41)

The merger agreement provides that upon a termination in specified circumstances, we must pay a termination fee to Parent, plus expenses of up to \$5 million incurred by Parent and Merger Sub. We will pay a termination fee of \$64 million if the merger agreement is terminated in certain circumstances on or before October 26, 2005 or if the merger agreement is terminated thereafter in certain circumstances and our stockholders have approved and adopted the merger agreement on or before October 26, 2005. In all other cases that we are required to pay a termination fee, the amount of the termination fee will be \$96 million.

The merger agreement also provides that upon a termination in specified circumstances regarding Parent's failure to obtain its financing or the requisite regulatory approvals, Parent must pay a termination fee of \$250 million to us.

Appraisal Rights of Stockholders (see page 58)

Under Delaware law, you are entitled to appraisal rights in connection with the merger.

You will have the right under Delaware law to have the "fair value" of your shares of our common stock determined by the Court of Chancery of the State of Delaware. This right to appraisal is subject to a number of restrictions and procedural requirements. Generally, in order to exercise your appraisal rights you must:

send a written demand to us for appraisal in compliance with the Delaware General Corporation Law before the vote on approving and adopting the merger agreement;

not vote in favor of approving and adopting the merger agreement; and

continuously hold your shares of our common stock, from the date you make the demand for appraisal through the effective date of the merger.

A holder who is the record holder of shares of our common stock on the date the written demand for appraisal is made, but who thereafter transfers those shares prior to the effective time of the merger will lose any appraisal rights with respect to those shares.

Merely voting against the approval and adoption of the merger agreement will not protect your rights to an appraisal. In order to protect your rights to an appraisal you must take all the steps required under Delaware law. Delaware law requirements for exercising appraisal rights are described in further detail in this proxy statement. The relevant section of Delaware law regarding appraisal rights is reproduced and attached as Appendix B to this proxy statement.

If you vote for the approval and adoption of the merger agreement, you will waive your rights to seek appraisal of your shares of our common stock under Delaware law.

table sets forth, for the calendar periods indicated, the high and low closing sales price per share for our common stock, as reported by the New York Stock Exchange since our initial public offering:

	High	Low
2005		
First Quarter (March 17, 2005 to March 31, 2005)	\$ 17.70	\$ 17.00

Third Quarter (July 1, 2005 to September 9, 2005)	\$ 24.42	\$ 19.65

The following table sets forth the closing per share sales price of our common stock, as reported on New York Stock Exchange on August 26, 2005, the last full trading day before the public announcement of the merger agreement, and on September 9, 2005, the latest practicable trading day before the printing of this proxy statement:

Date	Closing Price
August 26, 2005	\$ 19.80
September 9, 2005	\$ 24.42

Our board of directors has adopted a dividend policy which reflects an intention to distribute a substantial portion of the cash generated by our business in excess of operating expenses and working capital requirements, interest and principal payments on our indebtedness and capital expenditures, as regular quarterly dividends to our stockholders. On March 21, 2005 our board of directors declared a partial quarterly dividend for the period from March 22, 2005 to March 31, 2005 in the amount of \$0.043056 per share, payable on or about April 15, 2005 to stockholders of record as of March 31, 2005. On June 20, 2005, our board of directors declared a quarterly dividend for the period from April 1, 2005 to June 30, 2005 in the amount of \$0.3875 per share, payable on or about July 15, 2005 to stockholders of record as of June 30, 2005. Our ability to declare future dividends is limited to the declaration of regular quarterly dividends, with restrictions, as set forth more fully in "Terms of the Merger Agreement Conduct of Our Business Pending the Merger."

Effects of the Merger

The merger agreement contemplates a merger whereby Merger Sub will be merged with and into us, and we will be the surviving corporation in the merger.

The consummation of the merger will result in the following:

the conversion of each share of our common stock issued and outstanding immediately prior to the effective time of the merger into the right to receive \$25.00 in cash plus an amount equal to the pro rata portion of any undeclared regular quarterly dividend attributable to the fiscal quarter in which the merger occurs (but not with respect to the period after the merger closes), without interest, other than shares of our common stock:

held by stockholders who perfect their appraisal rights under Delaware law;

held by Parent; and

held by us or any of our subsidiaries;

all outstanding options being accelerated and cashed-out for an amount equal to the excess of \$25.00 over its exercise price;

the termination of the restrictions on any of our restricted stock, the vesting of those shares and the conversion of each of those shares into the right to receive the merger consideration; and

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

the conversion of each of our deferred stock units into a lump sum in cash equal to the merger consideration, subject to the plans under which such units are outstanding; and

Parent, and thus Intelsat, beneficially owning all of the outstanding shares of our common stock.

As a privately held corporation, there will be no public market for our common stock and our shares of common stock will no longer be quoted on the New York Stock Exchange, and the registration of our common stock under the Securities Exchange Act of 1934, as amended, will be terminated. This termination will make certain provisions of the Exchange Act, the short-swing profit recovery provisions of Section 16(b), the requirement of furnishing a proxy or information statement in connection with stockholders' meetings and certain of the corporate governance requirements under the Sarbanes-Oxley Act of 2002 no longer applicable to us. However, we anticipate that debt that may remain outstanding following the merger may require us to file periodic and current reports under the Exchange Act and will subject us to certain of the requirements of the Sarbanes-Oxley Act of 2002.

Upon consummation of the merger, we will be a wholly-owned direct subsidiary of Parent and thereby an indirect wholly-owned subsidiary of Intelsat. Our current stockholders will cease to have ownership interests in us or rights as our stockholders, will not be stockholders of Intelsat, and will therefore not have the opportunity to share in any of our or Intelsat's future earnings or growth or any increase in our or Intelsat's value after the merger, or bear the risk of any losses generated by our or Intelsat's operations or any decrease in our or Intelsat's value after the merger.

Recommendation of Our Board of Directors

At a meeting of our board of directors held on August 27, 2005, the board resolved by unanimous vote that the merger agreement and the merger are fair to, advisable and in the best interests of the company and our stockholders, and resolved to:

approve the merger agreement and the merger; and

submit the merger agreement to our stockholders for approval and adoption.

Our board of directors unanimously recommends that our stockholders vote "FOR" the approval and adoption of the merger agreement.

Reasons for the Merger

The material factors considered by our board that support the determination and recommendation set forth above include the following:

the relationship between the \$25.00 price per share portion of the merger consideration and the recent and historical market prices of our common stock. The board of directors deliberated over the \$25.00 portion of the merger consideration and considered the following information:

all analysts' target prices were less than the \$25.00 per share portion of the merger consideration;

the \$25.00 per share portion of the merger consideration exceeded our closing share price on each trading day since the pricing of our initial public offering on March 16, 2005;

the \$25.00 per share portion of the merger consideration represents an approximately 26% premium above the trading price of our shares on August 26, 2005, the last trading day before the announcement of the merger agreement, and an approximately 40% premium above our initial public offering price;

the fact that the merger agreement permits us to declare regular quarterly dividends at our current levels and at 10% higher levels after December 31, 2005 and that the merger

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

consideration also includes an amount equal to the pro rata portion of any undeclared dividends for the quarter during which the merger closes (other than the period after the closing of the merger);

the fact that the merger consideration is all cash, which provides certainty of value to all of our stockholders;

the support of the Sponsors, who beneficially own approximately 58% of our common stock and who will receive the same per share consideration as all other stockholders, in favor of the merger;

the opinion of Morgan Stanley that as of August 27, 2005 and based on and subject to the assumptions, qualifications and limitations in its opinion, the \$25.00 per share portion of the merger consideration was fair, from a financial point of view, to our stockholders. A summary of Morgan Stanley's presentation and analyses is described under "Fairness Opinion of Morgan Stanley & Co. Incorporated," and the written opinion of Morgan Stanley dated August 27, 2005 is included as Appendix C to this proxy statement;

the fact that the per share consideration was set after negotiations with Intelsat;

the terms of the merger agreement that permit our board of directors, in the exercise of its fiduciary duties to our stockholders, to consider competing proposals and to terminate the merger agreement and accept a superior proposal under certain conditions upon the payment to Parent by us of a termination fee of \$64 million in certain cases prior to October 26, 2005 and \$96 million in all other cases, which amounts were deemed favorable to us and reasonable for a transaction of this size and type. See "Terms of the Merger Agreement No Solicitation of Transactions" for additional information regarding the ability of our board of directors to consider and accept competing proposals;

our right to receive \$250 million of termination fees from Parent in the event of the termination of the merger agreement in certain circumstances concerning the failure of Parent to obtain its financing for the merger or to obtain the requisite regulatory approvals. See "Terms of the Merger Agreement Termination of the Merger Agreement" and "Terms of the Merger Agreement Fees and Expenses" for information about when we are permitted to terminate the merger agreement and when we are entitled to receive a termination fee from Parent;

the fact that the Sponsors are not bound by the voting agreement if our board of directors accepts a superior proposal in accordance with the terms of the merger agreement, allowing the Sponsors to vote in favor of an alternative transaction (for a more detailed description of the voting agreement, please see "Voting Agreement");

the nature of Parent's financing commitments received with respect to the merger, including the identity of the institutions providing such commitments, the conditions to the obligations of such institutions to fund such commitments, including the absence of a "market-out" provision and the duration of such commitments; and

the fact that stockholders who do not support the merger have the ability to obtain "fair value" for their shares if they properly perfect and exercise their appraisal rights under the Delaware General Corporation Law. See "Appraisal Rights of Stockholders" for information on how to exercise your appraisal rights.

Our board also considered the following material risks or potentially adverse factors in making its determination and recommendation:

the fact that we will cease to be a public company and our current stockholders will no longer participate in any of our potential future growth;

the fact that gains from all-cash transactions are generally taxable to our stockholders for U.S. federal income tax purposes;

the interests of certain of our directors and officers that may be different from, or in addition to, the interests of our other stockholders. See "Interests of the Directors and Executive Officers" for more information;

the terms of the merger agreement that place limitations on our ability to consider competing proposals and to terminate the merger agreement and accept a superior proposal; and

the possibility of disruption to our operations following the announcement of the merger, and the resulting effect on us if the merger does not close.

The preceding discussion of the factors considered by our board of directors is not intended to be exhaustive. In view of the wide variety of factors considered in connection with the evaluation of the merger and the complexity of these matters, our board of directors found it impracticable, and did not attempt, to quantify, rank or otherwise assign relative weights to the specific factors they considered or determine that any factor was of particular importance in reaching its determination that the merger agreement and the merger, are fair to, advisable and in the best interests of the company and our stockholders. Rather, our board of directors viewed its determination as being based upon the judgment of its members, in light of the totality of the information presented and considered, including the knowledge of such members of our business, financial condition and prospects and the advice of financial and legal advisors. In considering the factors discussed above, individual directors may have given different weights to different factors. After taking into account the above factors, as well as other factors, our board determined that the benefits of the merger outweighed the risks.

Background of the Merger

From February 2004 to April 2004, the then majority stockholder of PanAmSat Corporation, The DIRECTV Group, Inc. (formerly known as Hughes Electronics Corporation), received bids from various potential buyers to acquire PanAmSat Corporation. In this process, Intelsat submitted an indication of interest, but was not selected by The DIRECTV Group to proceed to the final round. As a result of this auction, all of PanAmSat Corporation's outstanding capital stock was instead purchased by entities controlled by the Sponsors. Since the consummation of PanAmSat Corporation's acquisition by the Sponsors on August 20, 2004, and the contribution of all of PanAmSat Corporation's common stock to us in exchange for our common stock on October 8, 2004, making PanAmSat Corporation our wholly-owned subsidiary, we have been focused on improving our core businesses and eliminating costs. For more information about these transactions, see "Recent Transactions August 2004 Recapitalization" and "Recent Transactions October 2004 Contribution."

In the spring of 2004, Intelsat's then owners solicited bids for a sale of Intelsat. We desired to participate in this auction process, but we did not ultimately submit a final bid. Instead, Intelsat was acquired by an entity controlled by a consortium of private equity buyers consisting of entities advised by or associated with Apax Partners, Inc., Apax Partners Worldwide LLP, Apollo Management V, L.P., Madison Dearborn Partners, and Permira Advisers LLC in a transaction that was consummated on January 28, 2005.

Except as noted above, neither company had approached the other about any significant business combination transaction in the past two years.

On or about April 5, 2005, James Perry, Jr., a director of Intelsat and a principal of Madison Dearborn Partners, contacted Alexander Navab, a director of PanAmSat and a principal of KKR, to explore the possibility of a business combination transaction between Intelsat and us. Mr. Navab

subsequently informed members of our board of directors and senior management, including Joseph Wright, our Chief Executive Officer, of Intelsat's expression of interest.

On April 7, 2005, Mr. Navab, Bruce Rosenblum (a director of PanAmSat and a principal of Carlyle), and Paul Salem (a director of PanAmSat and a principal of Providence) met with Mr. Perry and other representatives of Intelsat to discuss their interest in a possible business combination. On April 8, 2005, our board discussed the possibility of such a business combination and determined that exploring the possibility further was in the best interest of our company and its stockholders. On or about April 12, 2005, Mr. Navab, on behalf of our company, notified Mr. Perry of our interest in beginning formal discussions about a potential business combination, and in the following days the parties began to negotiate a confidentiality agreement.

We and Intelsat entered into a mutual confidentiality agreement, dated as of April 19, 2005, pursuant to which we both agreed to keep confidential our discussions and the confidential information to be shared between us and them. We and Intelsat also agreed to an exclusivity arrangement for a period of 60 days, during which neither we nor they would solicit, discuss or enter into a material acquisition or alternative business combination transaction.

In connection with the possible transaction, Intelsat retained Credit Suisse First Boston LLC as its financial advisor, and Wachtell, Lipton, Rosen & Katz as its legal counsel.

During the months of April, May and June 2005, we and Intelsat provided each other with confidential information about our respective businesses, financial condition and results of operations. In particular, on May 20, 2005, Mr. Wright and James Cuminale, our Executive Vice President, Corporate Development, General Counsel and Secretary, met in Washington, D.C. with David McGlade (Chief Executive Officer of Intelsat), Ramu Potarazu (Chief Operating Officer of Intelsat), Phillip Spector (Executive Vice President and General Counsel of Intelsat), and William Atkins (then Chief Financial Officer of Intelsat) to discuss possible synergies of a business combination and the possible operating expense and capital expense savings that could result from a business combination transaction. In addition, James Frownfelter, our President and Chief Operating Officer, discussed our business with Mr. Potarazu by telephone.

On June 1, 2005, our management met with Intelsat's management at the offices of Wachtell Lipton, and we both conducted management presentations of our respective companies to each other. Directors of our company and Intelsat were also present at this meeting. We and Intelsat discussed our respective business plans, details about our respective satellite fleets, the potential for cost savings and a number of other matters in order to determine whether a business combination merited further discussion. Over the following days, we and Intelsat analyzed the information received and the potential costs and benefits of a transaction.

On June 13, 2005, Mr. Perry, acting on behalf of Intelsat, together with other representatives of Intelsat met with Mr. Navab and other representatives of our company to discuss their proposal for a merger between our two companies whereby our stockholders would receive an amount of stock such that our stockholders would own slightly less than half of the combined company and would also receive an amount of cash constituting a relatively small component of the entire merger consideration. Over the following days, we and Intelsat discussed various terms about the merger proposal.

Over the following days, Mr. Navab and members of our management generally discussed the merger proposal with our directors, and at an executive committee meeting of our board of directors on June 21, 2005, members of our board, management and the Sponsors concurred that they were not interested in pursuing such a transaction at that time because of the following, among other, considerations: the insufficient valuation of PanAmSat implied by the proposed merger consideration, the value of the combined company stock that would constitute part of the proposed merger consideration, the prospects of PanAmSat as a stand-alone business, PanAmSat's interests in future

transactions, including a new joint venture with JSAT International Inc., for North America and a potential acquisition of Europe*Star Limited, and the prospects of the combined company, including the proposed management team of the combined company following the merger.

On or about June 24, 2005, Mr. Navab, on behalf of our company, informed Mr. Perry that Intelsat's proposed merger with the mix of stock and cash consideration suggested was not attractive to us at that time and that we were interested in pursuing other transactions in the near term. Mr. Navab indicated that although we would consider the discussions to be terminated at that time, we would be willing to revisit the possibility of a merger transaction at a later date.

In July 2005, Credit Suisse First Boston, acting on behalf of Intelsat, contacted Mr. Navab, on an informal and exploratory basis, to gauge our interest in pursuing a business combination transaction with Intelsat. We did not discuss or negotiate any specific terms for a business combination transaction with Credit Suisse First Boston, Intelsat or its other representatives at this time. On July 29, 2005 we filed an application with the FCC for the change in control of our FCC licenses held by us and our subsidiaries in connection with a contemplated secondary offering by the Sponsors and not in anticipation of any transaction with Intelsat.

On or about August 10, 2005, Credit Suisse First Boston, on behalf of Intelsat, called Mr. Navab to inquire whether we would be interested in restarting discussions for a possible merger transaction in which Intelsat would acquire us at a purchase price of \$24 per share in cash. Credit Suisse First Boston indicated that in connection with the transaction, Intelsat would be willing to permit us to pay our regular quarterly dividends (without reducing the purchase price) and also a special pre-closing dividend of up to \$5.00 per share to be funded by new PanAmSat debt, which would reduce the \$24.00 per share purchase price on a dollar for dollar basis. Mr. Navab notified members of our board of directors and certain senior members of management, including Mr. Wright, of the proposal. Messrs. Navab and Perry, on behalf of their respective companies, continued to discuss the proposal generally, and Mr. Navab requested that Intelsat provide in writing the material terms of the proposed transaction. During these discussions, Mr. Perry emphasized that Intelsat's proposal was conditioned on prompt negotiation of a transaction.

On August 11, 2005, Credit Suisse First Boston, on behalf of Intelsat, delivered to us a non-binding term sheet outlining the proposed merger and re-emphasized Intelsat's sense of urgency by stating that Intelsat's proposal was conditioned on receiving an immediate response from us. In addition to Intelsat's purchase price proposal, the term sheet provided for Intelsat's proposals on regulatory matters, financing, termination fees and conditions to closing among other terms. Our management discussed the proposal with certain of our directors and other representatives, including Messrs. Navab, Rosenblum and Salem.

On August 12, 2005, our board of directors convened by telephone to discuss the term sheet, and authorized management to retain a financial advisor to assist us in our evaluation of Intelsat's proposal. In view of our current business and prospects, and informed in part by the fact that we had recently conducted an initial public offering of our shares, the board believed that a transaction such as that being proposed by Intelsat could provide the best means of maximizing shareholder value. Accordingly, and keeping in mind Intelsat's sense of urgency, our board authorized our management and representatives to explore the transaction and to prepare a response to Intelsat's terms. We also informed Simpson Thacher & Bartlett LLP, one of our regular outside counsels, of these developments. On August 12, 2005, we retained Morgan Stanley as our financial advisor. In advance of a formal response, Mr. Navab indicated to Mr. Perry that we were actively analyzing Intelsat's proposal but that in addition to the best price available, we had concerns about deal certainty, in particular certainty of financing and of receiving regulatory approvals.

Over the weekend of August 13 and 14, 2005, our directors, management and advisors further discussed Intelsat's terms and considered our response to Intelsat. Morgan Stanley conducted

discussions with Credit Suisse First Boston over the weekend to understand the financing and capital structure of the proposed transaction.

On August 15, 2005, Morgan Stanley and Credit Suisse First Boston met to discuss terms on behalf of their principals. After Credit Suisse First Boston informed Mr. Perry and other representatives of Intelsat of the suggestion that we may be seeking a price of \$27 per share, Mr. Perry immediately notified Mr. Navab that Intelsat would not entertain any transaction close to that suggested price. After having rejected our suggested price, Intelsat made no revised proposal. Mr. Navab notified our directors and management of this development, and thereafter Mr. Salem on our behalf called Mr. Perry to organize a meeting between Intelsat and us to discuss whether there was any possibility of a transaction.

On August 16, 2005, Messrs. Navab, Rosenblum and Salem and our other representatives met with Mr. Perry and other representatives of Intelsat to discuss Intelsat's proposal. At this meeting, Mr. Navab stated that the \$24 per share consideration was inadequate and that a higher per share amount was required for any proposed merger transaction. Mr. Navab also emphasized that our board would not approve a transaction that had any significant risk of failure because of Intelsat's failure to obtain its financing or to obtain regulatory approval. In that regard, Mr. Navab requested a termination fee of \$250 million if Intelsat did not obtain its financing to consummate the merger and other alternative terms to improve, from our point of view, Intelsat's commitment to obtain the requisite regulatory approvals to consummate a transaction.

Later on August 16, 2005, after continued discussions about valuation and other matters between the representatives of PanAmSat and Intelsat, Intelsat indicated that it would be willing to continue with the transaction on the basis of paying \$25 per share in cash, plus a pro rata share of undeclared dividends, permitting our boards to declare, if at all, regular quarterly dividends of up to \$0.3875 per share in each of the third and fourth quarters of 2005 and up to \$0.42625 per share in each quarter thereafter (without reduction of the purchase price), and paying a \$250 million financing termination fee. However, both parties cautioned each other that this understanding was only the basis on which the parties would continue negotiation of the transaction, and that any official agreement was subject to the negotiation and execution of satisfactory definitive documentation. Intelsat also cautioned that its willingness to enter into such a transaction was subject to its satisfactory completion of its business, financial, legal and accounting diligence of PanAmSat.

Later in the day on August 16, 2005, our directors held a meeting of the board of directors by telephone, at which Mr. Navab and our management updated the directors on the status of negotiations and our management indicated their support of the transaction and at which our legal counsel was present. The board asked questions of management and our advisors and other representatives, and after discussion, authorized Mr. Navab and our management and other representatives to continue discussions with Intelsat. On the evening of August 16, 2005, representatives of PanAmSat and Intelsat, together with our respective financial and legal advisors, met at the offices of Wachtell Lipton to discuss the due diligence process for the proposed transaction.

On August 17, 2005, Mr. Wright met with Mr. Perry and other representatives of Intelsat to discuss the transaction. Later that day, Simpson Thacher discussed certain legal aspects of the term sheet with Wachtell Lipton in advance of Wachtell Lipton's distribution of a first draft of the merger agreement. We and Intelsat prepared for Intelsat's due diligence investigation of PanAmSat to begin the next day.

On August 18, 2005, we made available certain documents at the offices of Simpson Thacher for their review by Intelsat and its advisors. Intelsat was assisted in its due diligence by Wachtell Lipton, Paul, Weiss, Rifkind, Wharton & Garrison LLP, Aon Corporation, and Pricewaterhouse Coopers LLP. On August 19, 2005, senior management of PanAmSat and Intelsat discussed by conference call, among other things, our satellite health, terrestrial facilities, and technical and operations organization. Intelsat and its advisors continued to review these and other documents made available for their review and

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

asked numerous questions of us throughout the following days until the execution of the merger agreement on August 28, 2005.

On August 19, 2005, Wachtell Lipton distributed a first draft of the merger agreement to Simpson Thacher. The parties and their respective legal counsel discussed and negotiated the terms of the merger agreement over the following days until the execution of the merger agreement.

Over the next few days, the parties continued their negotiations and due diligence process, and in particular, on August 22, 2005, senior management of PanAmSat and Intelsat, together with their respective representatives, met in person at the offices of Simpson Thacher to discuss our financial projections and business plans and to answer Intelsat's further questions about our business.

Intelsat's diligence of us continued on August 23, 2005, including site visits at certain of our facilities. We and Intelsat amended our confidentiality agreement as of August 23, 2005, to agree that except in certain circumstances neither party would solicit or hire the other party's employees with whom it had contact in connection with the proposed transaction. Afterwards, Intelsat also conducted interviews of other members of our management.

On the morning of August 24, 2005, our management met again with Intelsat's management at the offices of Wachtell Lipton to answer Intelsat's remaining diligence questions. During the day, Wachtell Lipton distributed a first draft of the voting agreement to Simpson Thacher, which the parties and their respective legal counsel negotiated together with the merger agreement. Wachtell Lipton also provided a draft of Intelsat's commitment letter from its financing sources for our review.

At noon on August 24, 2005, our directors convened a meeting of our board to discuss the current terms of the proposed merger. At this meeting, Mr. Navab and our management presented their views of the material terms of the merger agreement and generally recommended continuing negotiation of definitive terms. Morgan Stanley discussed its financial analysis to date, and indicated that it generally supported the view that the portion of the merger consideration consisting of \$25 per share in cash was fair, from a financial point of view, to PanAmSat's stockholders as of that date. Simpson Thacher advised the board of its fiduciary duties in connection with its evaluation of the transaction. Final approval for the merger was not sought at that time, but our board of directors indicated its support for our management and our representatives and advisors to proceed to resolve all issues necessary to finalize the terms of the transaction. In light of our expired severance plan, the pending transaction, concerns about the potential length of time to consummate the merger, our need to retain key employees, the sensitivities of our employees, and other factors, and based on management's recommendations, our board of directors approved the adoption of a severance plan on terms similar to our recently expired plan and authorized a retention pool of up to \$10 million for non-senior management employees.

On August 25, 2005, Messrs. Navab and Rosenblum met with Mr. Perry and other representatives of Intelsat at the offices of Wachtell Lipton to discuss remaining material issues concerning the merger agreement. In particular, Messrs. Navab and Rosenblum, on behalf of our company, expressed their view that we required a stronger commitment from Intelsat to obtain all regulatory approvals necessary to consummate the merger. Later that night, Mr. Navab, on behalf of our company, proposed that Intelsat pay a termination fee of \$300 million if Intelsat failed to obtain the requisite regulatory approvals for the merger as a showing of sufficient commitment by Intelsat.

On August 26, 2005, Intelsat agreed to the proposal, subject to reducing the amount of such fee to \$250 million and receiving certain concessions in the merger agreement, including but not limited to Intelsat retaining control of the regulatory approval process. The parties and their advisors continued the negotiation of the merger agreement and voting agreement, and Intelsat continued its diligence efforts.

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

On August 27, 2005, our directors convened a meeting of the board of directors by conference telephone call to consider and, if advisable, give final approval of the proposed merger. At this meeting, our management reaffirmed its recommendation in favor of the transaction, and the Sponsors reconfirmed their desire to accept the transaction, including entering into the voting agreement. Morgan Stanley delivered its opinion to our board of directors that, as of that date and based on and subject to the considerations, assumptions and limitations set forth in its opinion, the portion of the merger consideration consisting of \$25 per share was fair, from a financial point of view, to PanAmSat's stockholders. Simpson Thacher also discussed the material terms and conditions of the definitive agreements for the merger transaction. Our board of directors also discussed Intelsat's proposed financing and examined its impact on the solvency of PanAmSat. During these discussions, our board discussed the proposed merger and related agreements and asked questions of our directors, senior management, legal counsel and financial advisor. Following deliberations, our board of directors unanimously approved the merger agreement and voting agreement and resolved to recommend that our stockholders vote in favor of approving and adopting the merger agreement.

At this meeting, our board of directors also considered the request of Intelsat to revise the terms of the recently adopted severance plan, which had not yet been announced or implemented, to reduce the period during which termination of employment after a change in control would give rise to special severance benefits from 24 months to 18 months and to permit an acquiring company to amend certain provisions of the plan other than specified provisions concerning special severance benefits. In light of Intelsat's request and the fact that our management had intended to consult with Intelsat on this matter prior to its full adoption, the board approved these revisions to the newly adopted severance plan.

On August 28, 2005, the proper officers of PanAmSat, Parent and Merger Sub executed and delivered the merger agreement and the voting agreement. Concurrently, the proper officers of PanAmSat, our Sponsors, Parent and Merger Sub executed the voting agreement.

On August 29, 2005, prior to the opening of trading on the New York Stock Exchange, we and Intelsat issued a joint press release announcing that we had executed definitive agreements to implement the merger.

Our Financial Forecasts

We do not as a matter of course make public any projections as to future financial performance or earnings, and the projections set forth below are included in this proxy statement only because this information was provided to our board of directors, Morgan Stanley and Intelsat, in connection with their evaluation of a potential transaction.

The projections described below were not prepared for public disclosure or in compliance with guidelines of the SEC or the American Institute of Certified Public Accountants regarding projections. (1) EBITDA means earnings before interest, taxes, depreciation and amortization, excluding certain non-recurring items.

(2) Adjusted EBITDA is not a presentation made in accordance with GAAP, and does not purport to be an alternative to net income (loss) determined in accordance with GAAP or as a measure of operating performance or to cash flows from operating activities determined in accordance with GAAP as a measure of liquidity. Additionally, Adjusted EBITDA is not intended to be a measure of cash flow for management's discretionary use, as it does not consider certain cash requirements such as interest payments, tax payments and debt service requirements. Because not all companies use identical calculations, this presentation of Adjusted EBITDA may not be comparable to other similarly titled measures of other companies. Adjusted EBITDA is defined as net income (loss) plus net interest expense, income tax expense (benefit) and depreciation and amortization, further adjusted to give effect to unusual items, non-cash items and other adjustments specifically required in calculating covenant ratios and compliance under the indenture governing our 10³/₈% senior discount notes, the indenture governing PanAmSat Corporation's 9% senior notes due 2014 and PanAmSat Corporation's senior secured credit facilities. These adjustments include unusual items such as severance, relocation costs and one-time compensation charges, non-cash charges such as non-cash compensation expense and other adjustments. Adjusted EBITDA is a material component of these covenants.

The following is a summary of the material financial analyses performed by Morgan Stanley in connection with its oral opinion of August 27, 2005 and the preparation of its written opinion of August 27, 2005. Some of these summaries include information in tabular format. In order to understand fully the financial analyses used by Morgan Stanley, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the analyses.

Historical Share Price Analysis. Morgan Stanley reviewed the recent stock price performance of PanAmSat based on an analysis of the historical closing prices for various periods since the pricing of PanAmSat's initial public offering on March 16, 2005, as compared to \$25.00 per share. From the date of the launch of the initial public offering to August 26, 2005 (the last trading date prior to the announcement of the merger), the closing price of PanAmSat's common stock ranged from \$16.55 to \$20.85 per share. The following table lists the implied percentage premium of the \$25.00 portion of the merger consideration as compared to closing stock prices over various periods, each ending on August 26, 2005.

Morgan Stanley noted that the per share merger consideration (not including the pro rata amount of undeclared dividends if any) was \$25.00.

Wall Street Equity Research Analyst Price Targets. Morgan Stanley reviewed publicly available published 12-month price target estimates for PanAmSat's common stock from Wall Street equity research analysts. Morgan Stanley observed that the 12-month analyst price targets ranged from \$19.00 to \$24.00 per share of PanAmSat common stock. Morgan Stanley noted that the median analyst price target was \$22.00 per share of PanAmSat common stock. Morgan Stanley noted that the per share merger consideration (not including the pro rata amount of undeclared dividends, if any) was \$25.00.

Comparable Company Analysis. Morgan Stanley reviewed and analyzed certain financial data of and calculated selected public market trading metrics for PanAmSat and for public companies with operations that Morgan Stanley deemed to be similar to those of PanAmSat. For purposes of its analysis, Morgan Stanley deemed the following publicly traded corporations providing satellite services as sharing certain characteristics with PanAmSat:

Inmarsat Ltd.

New Skies Satellites N.V.

SES Global S.A.

Morgan Stanley also identified the following rural local exchange carriers (RLEC) that had dividend policies that were similar to those of PanAmSat:

Alaska Communications Systems Group, Inc.

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

Citizens Communications Company

FairPoint Communications, Inc.

Iowa Telecommunications Services, Inc.

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

Valor Communications Group, Inc.

Morgan Stanley calculated the aggregate market value (defined as public equity market value plus total book value of debt, total book value of preferred stock and minority interest less cash and other short term investments) divided by estimated 2006 earnings before interest, taxes, depreciation and amortization (hereinafter referred to as EBITDA) for the satellite services comparable companies and for PanAmSat. Morgan Stanley also calculated the current dividend yield (defined as the annual dividend per share of common stock divided by the then existing share price as of August 26, 2005) for both the satellite services and RLEC comparable companies and for PanAmSat.

Morgan Stanley calculated these metrics for the comparable companies based on publicly available financial data, including the latest publicly available historical financial statements, as of August 27, 2005. The estimates of 2006 EBITDA were based on publicly available Wall Street equity research estimates. The 2006 EBITDA estimate for PanAmSat was based upon the 2006 estimated Adjusted EBITDA from the management plan (hereinafter referred to as the Management Plan), which reflected projections developed by PanAmSat's management team.

A summary of the reference range of market trading multiples and dividend yields (which reflected Morgan Stanley's qualitative assessments of, among other things, the market trading multiples for the comparable companies and for PanAmSat) that Morgan Stanley derived is set forth below:

	Reference Range	PanAmSat Metrics at 08/27/05
Aggregate Value/2006 estimated EBITDA	8.0-8.3x	8.0x
Current Dividend Yield	7.5-8.0%	7.8%

Using these derived reference ranges of multiples and dividend yields, Morgan Stanley calculated an implied valuation range for PanAmSat by applying the reference ranges to the applicable PanAmSat metric. Assumptions made with respect to the value of PanAmSat's debt, cash and cash equivalents as well as to the number of PanAmSat primary shares outstanding were based on information provided in PanAmSat's June 30, 2005 Quarterly Report on Form 10-Q, as filed with the Securities and Exchange Commission on August 9, 2005. PanAmSat's debt and cash balances at June 30, 2005 were adjusted to reflect accrued interest, dividends payable and certain obligations related to a recent acquisition and joint venture. Assumptions with respect to the current number of outstanding employee stock options were based on schedules provided by PanAmSat management. Based upon and subject to the foregoing, Morgan Stanley calculated the following implied valuation ranges for PanAmSat common stock:

	Implied Valuation Range for PanAmSat Common Stock
Aggregate Value/2006 estimated Adjusted EBITDA	\$19.50-\$21.20
Dividend Yield	\$19.38-\$20.67

Morgan Stanley noted that the per share merger consideration (not including the pro rata amount of undeclared dividends, if any) was \$25.00.

Although the foregoing companies were compared to PanAmSat for purposes of this and the foregoing analysis, Morgan Stanley noted that no company utilized in this analysis is identical to PanAmSat because of differences among the business mix, regulatory environment, operations, capital structure and other characteristics of PanAmSat and the comparable companies. In evaluating the comparable companies and selecting the valuation multiples and dividend yields to apply, Morgan Stanley made qualitative judgments and assumptions with regard to industry performance, general business, economic, regulatory, market and financial conditions and other matters, many of which are beyond the control of PanAmSat, such as the impact of competition on the business of PanAmSat and the satellite services industry generally, industry growth and the absence of any adverse material change

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

in the financial condition and prospects of PanAmSat or the industry or in the markets in general. Mathematical analysis (such as determining the average or median) is not in itself a meaningful method of using comparable company data.

Precedent Transactions Analysis. Morgan Stanley reviewed the acquisition premiums paid above the price of a target's common stock one day prior to the announcement of the applicable transaction in acquisitions of U.S.-based public companies, focusing on deals with a transaction value between \$2.5 billion and \$5.0 billion since 1996. Morgan Stanley reviewed transactions where the consideration used to acquire the target was either all cash, all stock or a mix of cash and stock. Morgan Stanley also reviewed premiums paid above the price of a target's common stock one day prior to the announcement in selected precedent transactions involving other satellite services companies. Based on these analyses, Morgan Stanley derived a reference range of such premiums of 20% to 30%, and applying this range to PanAmSat's stock price on August 26, 2005, implied a valuation of PanAmSat's common stock of \$23.76 to \$25.74 per share. Morgan Stanley noted that the per share merger consideration (not including the pro rata amount of undeclared dividends, if any) was \$25.00.

Morgan Stanley also reviewed and analyzed publicly available information, including the transaction value and certain financial information of the target company, relating to selected precedent transactions involving other companies in the satellite services industry and calculated certain valuation multiples implied by such information. Morgan Stanley chose transactions based on the similarity of the target companies to PanAmSat. The multiples analyzed for these transactions included the transaction aggregate value to the last twelve months EBITDA (hereinafter referred to as LTM EBITDA) and the transaction aggregate value to the next twelve months EBITDA (hereinafter referred to as Forward EBITDA). The following acquisition transactions were reviewed in connection with this analysis:

Apax, Apollo, Madison Dearbon and Permira/Intelsat Ltd.

Blackstone/New Skies Satellites N.V.

KKR, Carlyle and Providence/PanAmSat Corp

Apax and Permira/Inmarsat Ltd.

Intelsat Ltd./Loral Space Satellites

SES Global S.A./GE Americom

Lockheed Martin/Comsat

Loral Space & Communications/SatMex

Loral Space & Communications/Orion Network Systems

Loral Space & Communications/AT&T Skynet

Hughes Electronics Corporation/PanAmSat Corp

Morgan Stanley then derived from these selected transactions a reference range of Forward EBITDA multiples of 7.0x to 8.0x. Applying this range of multiples to PanAmSat's 2006 estimated Adjusted EBITDA (adjusted for the add-back of sales type leases) based on the Management Plan, Morgan Stanley calculated an implied valuation range for PanAmSat common stock of \$13.90 to \$19.50 per share. Morgan Stanley noted that the per share merger consideration (not including the pro rata amount of undeclared dividends, if any) was \$25.00.

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

Morgan Stanley further noted that the merger and acquisition transaction environment varies over time because of macroeconomic factors such as interest rate and equity market fluctuations and microeconomic factors such as industry results and growth expectations. Morgan Stanley noted that no company or transaction reviewed was identical to PanAmSat or the proposed transaction and that, accordingly, these analyses involve complex considerations and qualitative judgments concerning differences in financial and operating characteristics of PanAmSat and other factors that would affect the acquisition values in the comparable transactions, including the size, regulatory and economic

characteristics of the competitive environments in which these companies operate. Mathematical analyses (such as determining the average or median) is not in itself a meaningful method of using comparable transaction data.

Discounted Cash Flow Analysis. Morgan Stanley performed a nine-year discounted cash flow analysis of PanAmSat based upon each of the Management Plan and a research case (herein after referred to as the Research Case), which was based on projections from selected Wall Street equity research analysts.

Utilizing such projections, Morgan Stanley calculated the annual after-tax unlevered free cash flows for fiscal years 2005 through 2013. In the case of the Management Plan, the projections for 2005 through 2009 were developed by PanAmSat management, and the projections for 2010 to 2013 were based on Morgan Stanley extrapolations from the prior projection period. Morgan Stanley also calculated a normalized year (hereinafter referred to as Normalized Year) after-tax unlevered free cash flow, which was based on 2013 projections from each of the Management Plan and Research Case and assumed a normalized level of capital expenditures on new satellites and adjusted for certain tax attributes that were not expected to continue in perpetuity. Morgan Stanley estimated a range of terminal values calculated in 2013 utilizing both perpetual growth rates and EBITDA multiples. Under the perpetual growth rate methodology, Morgan Stanley applied a range of perpetual growth rates of 1-2% to the unlevered free cash flows in the Normalized Year. Morgan Stanley noted that the range of perpetual growth rates was generally consistent with estimates from selected Wall Street equity research analysts. Under the EBITDA multiple methodology, Morgan Stanley applied a range of 7.0x to 8.0x forward EBITDA. Morgan Stanley noted that this range of terminal EBITDA multiples reflected current trading multiples for PanAmSat and selected comparable companies as well as an assessment by Morgan Stanley of the impact that industry growth trends might have on valuation multiples by 2013. Morgan Stanley then discounted the unlevered free cash flow streams and the estimated terminal value to a present value at a discount rate of 7.5%. The discount rate utilized in this analysis was chosen based upon an analysis of the weighted average cost of capital of PanAmSat and other comparable companies. Based on the aforementioned projections and assumptions, the discounted cash flow analysis of PanAmSat yielded an implied valuation range of PanAmSat common stock of \$21.36 to \$28.53 per share utilizing the Management Plan and \$18.56 to \$25.89 per share utilizing the Research Case. Morgan Stanley noted that the per share merger consideration (not including the pro rata amount of undeclared dividends, if any) was \$25.00.

Discounted Equity Value Analysis. Morgan Stanley performed a discounted equity value analysis of the future price per share of PanAmSat common stock and the regular dividends expected to be paid to holders of PanAmSat common stock. Morgan Stanley calculated the future stock price of PanAmSat at December 31, 2007 under the following methodologies:

assuming a dividend yield at December 31, 2007 of 7% to 9% and no increase in PanAmSat's existing annualized dividend per share of \$1.55;

assuming a dividend yield at December 31, 2007 of 7.8% (PanAmSat's then existing dividend yield) and an annualized dividend at December 31, 2007 that had been increased to reflect a two-year annual growth rate of 5% to 10%; and

assuming a forward EBITDA multiple of 7.5x to 8.5x applied to PanAmSat's 2008 estimated Adjusted EBITDA (adjusted for sales type leases) based on the Management Plan.

These methodologies supported a value per share of PanAmSat common stock at December 31, 2007 of \$17.22 to \$27.04. Morgan Stanley then discounted these future stock prices along with the quarterly dividends that holders of PanAmSat common stock would be expected to receive from the third quarter of 2005 to the fourth quarter of 2007 to present at a cost of equity of 10%, based on the capital asset pricing model, a theoretical financial model that estimates the cost of equity capital. Based

on the aforementioned projections and assumptions, the discounted equity value analysis implied a valuation range of PanAmSat common stock of \$17.21 to \$25.06 per share.

Morgan Stanley then compared this valuation range with the present value of the per share merger consideration of \$25.00 plus the present value of the quarterly dividends that holders of PanAmSat common stock are expected to receive through the closing of the merger. Morgan Stanley assumed that the merger would close in twelve months and that holders of PanAmSat common stock would receive a regular quarterly dividend of \$0.3875 per share during the third and fourth fiscal quarters of 2005 and thereafter a regular quarterly dividend of \$0.42625 (including the pro rata portion of PanAmSat's undeclared regular quarterly dividend attributable to the fiscal quarter in which the merger occurs). Morgan Stanley discounted the merger consideration of \$25.00 and the interim regular quarterly dividends (including the pro rata portion of PanAmSat's undeclared regular quarterly dividend attributable to the fiscal quarter in which the merger occurs) to present at a cost of equity of 10%. Based on these assumptions, Morgan Stanley calculated a present value of the per share merger consideration to holders of PanAmSat common stock of \$24.52.

Analysis of Returns to IPO Investors. Morgan Stanley calculated the internal rate of return to public shareholders who invested in PanAmSat's common stock at the pricing of the initial public offering on March 16, 2005 at a price per share of PanAmSat common stock of \$18.00. To calculate the internal rate of return to such shareholders, Morgan Stanley assumed that the merger would close in twelve months and an IPO investor would receive, in addition to all regular dividends previously received through the second fiscal quarter of 2005, a regular quarterly dividend of \$0.3875 per share during the third and fourth fiscal quarters of 2005 and thereafter a regular quarterly dividend of \$0.42625 (including the pro rata portion of PanAmSat's undeclared regular quarterly dividend attributable to the fiscal quarter in which the merger occurs). Based on a per share price of \$25.00, Morgan Stanley calculated the internal rate of return to investors in the initial public offering of PanAmSat common stock to be 34.9%, assuming that the merger were consummated in one year.

Morgan Stanley performed a variety of financial and comparable analyses for purposes of rendering its opinion. The preparation of a fairness opinion is a complex process and is not susceptible to partial analysis or summary description. In arriving at its opinion, Morgan Stanley considered the results of all of its analyses as a whole and did not attribute any particular weight to any analysis or factor considered. Furthermore, Morgan Stanley believes that the summary provided and the analyses described above must be considered as a whole and that selecting any portion of the analyses, without considering all of them as a whole, would create an incomplete view of the process underlying Morgan Stanley's analyses and opinion. In addition, Morgan Stanley may have given various analyses and factors more or less weight than other analyses and factors, and may have deemed various assumptions more or less probable than other assumptions. As a result, the ranges of valuations resulting from any particular analysis or combination of analyses described above should not be taken to be the view of Morgan Stanley with respect to the actual value of PanAmSat common stock.

In performing its analyses, Morgan Stanley made numerous assumptions with respect to industry performance, general business, regulatory, and economic conditions and other matters, many of which are beyond the control of Morgan Stanley or PanAmSat. Any estimates contained in the analyses of Morgan Stanley are not necessarily indicative of future results or actual values, which may be significantly more or less favorable than those suggested by such estimates. The analyses performed were prepared solely as part of the analyses of Morgan Stanley of the fairness of the consideration to be received by holders of shares of PanAmSat common stock, pursuant to the merger agreement from a financial point of view, and were prepared in connection with the delivery by Morgan Stanley of its oral opinion on August 27, 2005, confirmed in writing on the same date, to PanAmSat's board of directors.

The merger consideration was determined through arm's-length negotiations between PanAmSat and Intelsat and was approved by PanAmSat's board of directors. Morgan Stanley did not recommend

any specific merger consideration to PanAmSat or that any specific merger consideration constituted the only appropriate merger consideration for the merger. Except as noted above, Morgan Stanley principally based its analyses on a per share price of \$25.00. Morgan Stanley took into account potential value attributable to the part of the merger consideration consisting of the pro rata amount of the undeclared dividends, if any, that would be payable to PanAmSat's stockholders upon the closing of the merger; however, with the permission of PanAmSat it did not explicitly incorporate a value to such undeclared dividends in its analyses because the board of directors may instead declare and pay full dividends for the fiscal quarter in which the merger closes if such declaration and payment are consistent with usual and customary declaration, record and payment dates and no additional amount would in that case be payable in respect of undeclared dividends. It should be noted that any additional amount paid in respect of such undeclared dividends in excess of the \$25.00 per share portion of the merger consideration would increase the aggregate merger consideration that would be paid to PanAmSat's stockholders.

The opinion of Morgan Stanley was one of the many factors taken into consideration by PanAmSat's board of directors in making its determination to approve the proposed transaction. Consequently, the analyses as described above should not be viewed as determinative of the opinion of PanAmSat's board of directors with respect to the merger consideration or of whether PanAmSat's board of directors would have been willing to agree to a different merger consideration. The foregoing summary does not purport to be a complete description of all of the analyses performed by Morgan Stanley.

The board of directors of PanAmSat selected Morgan Stanley to act as its financial advisor based on Morgan Stanley's qualifications, expertise, reputation and its knowledge of the business of PanAmSat. Morgan Stanley is an internationally recognized investment banking and advisory firm. Morgan Stanley, as part of its investment banking business, is continuously engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate, estate and other purposes. In the ordinary course of its trading, brokerage, investment management and financing activities, Morgan Stanley or its affiliates may actively trade the debt and equity securities of PanAmSat and the debt securities of Intelsat and its affiliates for its own accounts or for the accounts of its customers and, accordingly, may at any time hold long or short positions in such securities. In addition, Morgan Stanley, its affiliates, directors or officers, including individuals working with PanAmSat in connection with this transaction, may have committed and may commit in the future to invest in private equity funds involved in this transaction.

Pursuant to an engagement letter, PanAmSat has agreed to pay Morgan Stanley customary fees in connection with the merger that are contingent upon the consummation of the merger. PanAmSat has also agreed to reimburse Morgan Stanley for its fees and expenses incurred performing its services. In addition, PanAmSat has agreed to indemnify Morgan Stanley and its affiliates, their respective directors, officers, agents and employees and each person, if any, controlling Morgan Stanley or any of its affiliates against certain liabilities and expenses, including certain liabilities under the federal securities laws, related to or arising out of Morgan Stanley's engagement and any related transactions. In the past, Morgan Stanley and its affiliates have provided financial advisory and financing services for the PanAmSat and Intelsat and certain of their affiliates and have received fees for the rendering of these services. With respect to Intelsat, during the past two years, Morgan Stanley advised Intelsat on, among other things, its sale to Intelsat Holdings, Ltd., which sale closed in January 2005, its acquisition of the business of COMSAT General Corporation and certain of its affiliates, which acquisition closed in October 2004, and its acquisition of satellite assets and related customer contracts from Loral, which acquisition closed in March 2004. Morgan Stanley may also seek to provide such parties services in the future and may receive fees in connection with such services.

Terms of the Merger Agreement

The Merger Agreement

The following summarizes material provisions of the merger agreement, a copy of which is attached to this proxy statement as Annex A and which we incorporate by reference into this document. This summary does not purport to be complete and may not contain all of the information about the merger agreement that is important to you. We encourage you to read carefully the merger agreement in its entirety, as the rights and obligations of the parties are governed by the express terms of the merger agreement and not by this summary or any other information contained in this proxy statement.

The merger agreement provides that after receipt of all required regulatory approvals, the requisite approval of our common stockholders and satisfaction of the other conditions to closing, Merger Sub will merge with and into us and each outstanding share of our common stock (with customary exceptions) will be converted in the merger into the right to receive merger consideration of an amount of cash per share described below under "Treatment of Common Stock and Other Equity Based Rights." Upon consummation of the merger, we will be a wholly-owned direct subsidiary of Parent and thereby a wholly-owned indirect subsidiary of Intelsat, Ltd.

Effective Time of the Merger

The merger will be consummated and become effective at the time a certificate of merger is filed with the Secretary of State of the State of Delaware or such later time as is agreed by us and Parent and specified in the certificate of merger.

Treatment of Common Stock and Other Equity Based Rights

Our Common Stock. At the effective time of the merger, each share of our common stock issued and outstanding immediately prior to the effective time of the merger will automatically be canceled and will cease to exist and will be converted into the right to receive \$25.00 plus a "Pro Rata Dividend" (as defined below), without interest, other than shares of our common stock:

held by us or our subsidiaries;

held by Parent; and

held by stockholders validly perfecting appraisal rights in accordance with the Delaware General Corporation Law.

"Pro Rata Dividend" means with respect to any fiscal quarter in which we have not declared a dividend, the portion of the quarterly dividend attributable to the period from the beginning of the quarter through the effective date of the merger.

Company Stock Options. Immediately following the closing of the merger, each option, whether vested or unvested, will be accelerated and cashed out, and the holder will be entitled to receive for each share of our common stock subject to the option a cash payment equal to the excess, if any, of \$25.00 over the per share exercise price of the option, reduced by applicable withholding taxes.

Restricted Stock. Each share of restricted stock that is outstanding immediately prior to the effective time of the merger will vest and become free of such restrictions as of the effective time of the merger, and the holders will be entitled to receive a payment equal to the merger consideration for each share, reduced by applicable withholding taxes.

Deferred Stock Units

At the effective time of the merger, each vested deferred stock unit will be cancelled and the holder will be entitled to receive a cash payment equal to the merger consideration, reduced by applicable withholding taxes.

No Further Ownership Rights. After the effective time of the merger, each of our outstanding stock certificates will represent only the right to receive the merger consideration, without interest (and less any applicable withholding taxes). The merger consideration paid upon surrender of each certificate will be paid in full satisfaction of all rights pertaining to the shares of our common stock represented by that certificate.

Exchange and Payment Procedures

Not later than the effective time of the merger, we will deposit the proceeds of the financing for the merger raised by us and PanAmSat Corporation, together with certain cash on hand, with an exchange agent and Parent will deposit or cause to be deposited the remaining amount of cash sufficient to pay the merger consideration to each holder of shares of common stock entitled to receive the merger consideration in the merger. Promptly after the effective time of the merger, the exchange agent will mail a letter of transmittal and instructions to our stockholders. The letter of transmittal and instructions will tell you how to surrender your common stock certificates in exchange for the merger consideration.

You should not return your stock certificates with the enclosed proxy card, and you should not forward your stock certificates to the exchange agent without a letter of transmittal.

You will not be entitled to receive the merger consideration until you surrender your common stock certificate or certificates to the exchange agent, together with a duly completed and executed letter of transmittal with such provisions that we or Parent may reasonably require. The merger consideration may be paid to a person other than the person in whose name the corresponding certificate is registered if the certificate is properly endorsed or is otherwise in the proper form for transfer. In addition, the person requesting payment must either pay any applicable stock transfer taxes or establish to the satisfaction of the surviving corporation that those stock transfer taxes have been paid or are not applicable.

No interest will be paid or will accrue on the cash payable upon surrender of the certificates. Each of the exchange agent and the surviving corporation will be entitled to deduct and withhold any applicable taxes from the merger consideration.

At the effective time of the merger, our share transfer books will be closed and there will be no further registration of transfers of outstanding shares of our common stock. If, after the effective time of the merger, certificates are presented to the surviving corporation or the exchange agent for any reason, they will be canceled and exchanged for the merger consideration.

Neither the exchange agent nor any party to the merger agreement will be liable to any person for any cash delivered to a public official pursuant to any applicable abandoned property, escheat or similar law. Any portion of the merger consideration deposited with the exchange agent that remains undistributed to the holders of certificates evidencing shares of our common stock for six months after the effective time of the merger will be delivered, upon request, to Parent (or an affiliate of Parent). Holders of certificates who have not surrendered their certificates within six months after the effective time of the merger may only look to Parent for the payment of the merger consideration. Any portion of the merger consideration that remains unclaimed as of a date that is immediately prior to the time any such amounts would otherwise escheat to or become property of any governmental authority will become the property of Parent free and clear of any claims or interest of any person previously entitled to the merger consideration. If you have lost a certificate, or if it has been stolen or destroyed, then

before you will be entitled to receive the merger consideration, you will have to make an affidavit that your certificate was lost, stolen or destroyed and, if Parent or the surviving corporation requires, you will have to post a bond in a reasonable amount determined by them indemnifying Parent, us, the surviving corporation and the exchange agent against any claims made against them with respect to that certificate.

Certificate of Incorporation and Bylaws

At the effective time of the merger, our certificate of incorporation will be amended to read in the same fashion as the certificate of incorporation of Merger Sub in effect immediately before the effective time of the merger, other than the incorporator of Merger Sub, the exculpation and indemnification provisions (which shall remain unchanged), and the corporate name, which will remain "PanAmSat Holding Corporation." In addition, the bylaws of Merger Sub, as in effect immediately prior to the effective time, will be the bylaws of the surviving corporation, other than references to our corporate name, which will remain "PanAmSat Holding Corporation."

Directors and Officers

Until successors are elected or appointed, the directors of Merger Sub at the effective time of the merger will be the directors of the surviving corporation, and our officers at the effective time of the merger will be the officers of the surviving company.

Representations and Warranties

Each of the parties to the merger agreement made certain customary representations and warranties related to their due organization, valid existence, good standing, and authorization to enter into the merger agreement, the merger and the other transactions contemplated by the merger agreement, consents of governmental entities required as a result of the transactions contemplated by the merger agreement and the absence of any violation of or conflict with such party's organizational documents, applicable law or material contracts of such party as a result of entering into the merger agreement and consummating the transactions contemplated by the merger agreement, among others. In addition, each party made certain representations and warranties particular to such party.

The statements embodied in the representations and warranties made by the parties were made for purposes of the merger agreement and are subject to qualifications and limitations agreed by the parties in connection with negotiating the terms of the merger agreement. In addition, certain representations and warranties were made as of a specified date, may be subject to a contractual standard of materiality different from those generally applicable to shareholders or may have been used for purposes of allocating risk between the respective parties rather than establishing matters as facts.

agree or commit to take any of the foregoing actions.

In addition, in the event of a total or partial failure of any of our satellites, we have agreed to notify Parent within twenty-four hours of the time that we have knowledge of such failure, to provide Parent with a list of technical requirements of any service which we intend for third parties to restore, and to consider in good faith any offer Parent makes to provide such restoration services.

Moreover, we have agreed to notify Parent prior to entering into any inbound capacity lease, request that Parent make a proposal to us to provide such in-bound capacity lease and, if Parent provides such a proposal, refrain from obtaining such in-bound capacity lease from a third party, unless such third party provides an in-bound capacity lease on terms more favorable than those proposed by Parent.

Additional Agreements

Parent has agreed to use its commercially reasonable efforts to arrange the financing contemplated by Parent's debt commitment letters on the terms set forth in its debt commitment letter. If prior to the closing of the merger, a commitment from a financing source expires, terminates, or is modified or amended for any reason or a financing source notifies Parent that it will be unable to provide financing substantially on the agreed upon terms, Parent has agreed to notify us within twenty-four hours. In connection with the arrangement of the debt financing we have agreed to, and to cause our subsidiaries to, provide all cooperation reasonably requested by Parent in connection with the financing.

We and Parent have agreed (1) to make the required filings under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, (2) to make other required filings in connection with any other applicable antitrust or competition laws, (3) to make the required filings under the International Traffic in Arms Regulations (ITAR), and (4) to make all necessary applications with respect to our governmental permits, including all necessary applications to the FCC. We and Parent have also agreed to use our respective reasonable best efforts (1) to obtain prompt termination of any waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 or any other applicable law, (2) to cause the regulatory-related conditions to the consummation of the merger to be satisfied, (3) to diligently prosecute all applications with the FCC and all similar foreign governmental authorities, and (4) to seek to lift, reverse or remove any temporary restraining order, injunction or other order or decree that would otherwise give rise to a failure of any of the regulatory-related conditions. In addition, we and Parent have agreed to (1) cooperate and consult with each other in connection with making all filings, notifications and other material actions concerning regulatory matters, (2) furnish to each other such information and assistance as may be reasonably requested in connection with submissions to, or agency proceedings by, any governmental authority (including the preparation or prosecution of any FCC applications), (3) inform promptly the other of communications with, and inquiries or requests for information from, any governmental authority (including from the FCC and any similar foreign governmental authority), and (4) consult the other in advance of any meeting or conference with any governmental authority or, in connection with a proceeding, any other person.

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

In furtherance of these agreements the parties have agreed to cooperate and use their reasonable best efforts to:

address any objections that may be asserted under the Communications Act of 1934, the Telecommunications Act of 1996, any rule, regulation or policy of the FCC or any other communications governmental authority, or any applicable antitrust and/or competition laws;

assist in the defense by any other party in any proceeding before any governmental authority reviewing the transactions contemplated by the merger agreement; and

to resolve any objections or challenges that any governmental authority or private party may have under applicable law to the transactions contemplated by the merger agreement. In connection with any such resolutions, we and Parent have agreed to enter into one or more settlements, including settlements that require us or Parent to restructure operations or dispose of assets. We must first obtain Parent's consent for any settlement, and Parent must obtain our consent for any settlement that would bind us even if the closing of the merger does not occur.

Notwithstanding anything to the contrary, Parent is not obligated to take, and we may not take, any action that would be, or result in, individually or in the aggregate, a "burdensome condition," which has been defined to mean (1) any condition, obligation or requirement, individually or in the aggregate, to agree to sell or divest the operations of (A) any of our assets or (B) any assets of Parent other than up to any three revenue producing station-kept satellites designated "IA- " (three such specified satellites being referred to as the "limit"), or (2) in the event Parent offers to sell or divest its assets to the limit, the imposition by any governmental authority of any condition, restriction, obligation or requirement with respect to Parent, us, or Parent's or our respective subsidiaries or assets, other than customary transition service arrangements in connection with the sale or divestiture of any satellites within the limit.

In addition, subject to the terms and conditions of the merger agreement, each party has agreed to use commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all other things necessary, proper or advisable under applicable law to consummate the transactions contemplated by the merger agreement.

Parent and Merger Sub have also agreed that Parent and its controlled affiliates will not enter into any agreements or arrangements for the acquisition of certain fixed satellite services businesses in North America or South America which is, individually or in the aggregate, reasonably likely to adversely affect the ability of Parent to obtain U.S. antitrust regulatory approval without a burdensome condition by November 26, 2006.

Access to Information; Confidentiality

We have agreed to, and to cause our subsidiaries to cooperate with Parent and its advisors in their investigation of our business, and to grant them reasonable access to our offices, records and employees. We have also agreed to furnish them with financial and operating data and other information as they may reasonably request, as well as monthly health status reports on our satellites as and when delivered to our customers in the ordinary course of business. Parent and its advisors have agreed to hold this information in confidence.

No Solicitation of Transactions

We have agreed that none of us or any of our respective subsidiaries will directly or indirectly:

solicit, initiate or otherwise take any action to facilitate or encourage the making by any person of any proposal, offer or inquiry that constitutes, or could be reasonably be expected to lead to, a competing transaction;

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

participate in any discussions or negotiations regarding, or furnish or disclose to any person any information with respect to or in furtherance of, or take any action to facilitate any inquiries with respect to, any competing transaction; or

execute or enter into, or approve or recommend, any competing transaction or any agreement, understanding or arrangement relating to any competing transaction.

For purposes of the merger agreement, "competing transaction" means any proposal for any merger, reorganization, share exchange, tender offer, exchange offer, consolidation, recapitalization, liquidation, dissolution, joint venture or other business combination involving us or any of our subsidiaries, or any purchase of 10% or more of our capital stock or a material portion of our assets and our subsidiaries' assets on a consolidated basis.

At any time before our stockholders have approved and adopted the merger agreement, we are permitted to participate in any discussions or negotiations regarding, or furnish or disclose to any person any information with respect to or in furtherance of, or take any action to facilitate any inquiries with respect to, any competing transaction; *provided:*

we have received an unsolicited bona fide written proposal for a competing transaction that, in the good faith judgment of our board of directors, after consultation with its financial advisors, is or is reasonably likely to be or become a superior proposal and our board of directors determines in good faith following receipt of the advice of counsel that it is necessary to do so in order to comply with its fiduciary duties under applicable law; and

we receive an executed confidentiality agreement containing terms that are substantially similar to and no less favorable to us than those contained in the confidentiality agreement signed with Parent related to the merger.

In addition, at any time before our stockholders have approved and adopted the merger agreement, we are permitted to enter into, or approve or recommend, any competing transaction or any agreement, understanding or arrangement relating to any competing transaction and our board of directors may approve or recommend to our stockholders a competing proposal or modify its recommendation in favor of the merger agreement in response to an unsolicited bona fide written proposal for a competing transaction; *provided:*

we have complied with our obligations under the merger agreement not to solicit or facilitate competing transaction proposals;

we have given Parent four business days to respond to the competing transaction;

our board of directors has concluded in its good faith judgment, that in the absence of any further action by Parent, after consultation with its financial advisors, the competing transaction is a superior proposal;

our board of directors has determined in good faith, following receipt of the advice of counsel, it is necessary to take such action in order to comply with its fiduciary duties under applicable law; and in each case our board of directors has given due consideration to any amendments or modifications to the merger agreement proposed by Parent during the four business day period; and

if we intend to enter into an agreement or arrangement regarding any such competing transaction, we have previously terminated the merger agreement and paid the specified termination fee as described below under " Fees and Expenses."

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

For purposes of the merger agreement, "superior proposal" means any bona fide written proposal for a competing transaction that:

is not solicited in violation of our obligations not to solicit or facilitate competing transactions under the merger agreement;

would result in a third party acquiring more than 50% of our outstanding common stock or all or substantially all of our and our subsidiaries' assets, taken as a whole; and

our board of directors determines in good faith, after consultation with our counsel and financial advisors, would, if consummated, result in a transaction that would be more favorable to us and our stockholders (taking into account factors that our board of directors deems relevant including the identity of the offeror and all legal, financial, regulatory and other aspects of the proposal, including the terms of any financing and likelihood that the transaction will be consummated), than transactions contemplated by the merger agreement.

We have agreed to notify Parent within 24 hours of our receipt of any inquiries, proposals or offers, requests for information or requests for discussions or negotiations regarding any competing transaction. We have agreed to specify in our notice to Parent the material terms and conditions of the competing transaction and the identity of the third party making the proposal. We have also agreed to keep Parent reasonably informed of the status of any discussions or negotiations with third parties and of any modifications to the possible terms of the competing transaction that is the subject of such inquiries, proposals or offers or status, in each case, within 24 hours of such modification. Under the merger agreement, we may not terminate, waive, amend or modify any standstill or confidentiality agreement relating to our sale to which we are a party. We have also agreed to terminate or cause to be terminated any discussions or negotiations with any parties that may have been ongoing with respect to any competing transaction prior to the date of the merger agreement.

Even in the absence of an unsolicited bona fide written competing transaction, our board of directors may determine, in good faith and following receipt of the advice of counsel, that it is necessary to withdraw, revoke or modify its recommendation in favor of the merger agreement in a manner adverse to Parent in order to comply with its fiduciary duties under applicable law. In this situation, we would not be permitted to terminate the merger agreement and would remain obligated to conduct the special meeting. Parent, however, would have the right to terminate the merger agreement if our board of directors made that determination, as described below under " Termination of the Merger Agreement."

Conditions to the Merger

The obligations of the parties to complete the merger are subject to the following mutual conditions:

the absence of any governmental order that prohibits the merger or any law that prohibits or makes illegal the transactions contemplated by the merger agreement; provided the party seeking to rely on this condition must have first used reasonable best efforts to lift such order; and provided further that Parent may waive this condition on our behalf so long as it would not result in any criminal or civil liability to any of our officers, directors, employees, shareholders, control person or affiliate;

the expiration or termination of all waiting periods applicable to the consummation of the transactions contemplated by the merger agreement under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended; and

approval and adoption by our stockholders of the merger agreement.

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

Our obligation to complete the merger is subject to the following additional conditions:

the representations and warranties of Parent and Merger Sub must be true and correct in all respects as of the date of the merger agreement and at and as of the effective time of the merger (except for representations and warranties made as of a specified date, which need be true and correct only as of the specified date), except to the extent that all of the breaches of such representations and warranties collectively (without giving effect to any materiality or similar qualification) have not had and would not reasonably be expected to result in a material adverse impact on their ability to consummate the transactions contemplated by the merger agreement;

Parent and Merger Sub must have performed in all material respects all of their obligations required to be performed by them under the merger agreement at or prior to the effective time of the merger; and

receipt of a certificate signed by Parent's chief executive officer or chief financial officer certifying that the conditions related to its representations and warranties and performance of its obligations have been satisfied.

The consummation of the merger is also subject to the following additional conditions that are for the benefit of Parent and Merger Sub:

our representations and warranties must be true and correct in all respects as of the date of the merger agreement and at and as of the effective time of the merger (except for representations and warranties made as of a specified date, which need be true and correct only as of the specified date), except to the extent that all of the breaches of such representations and warranties collectively (without giving effect to any materiality or similar qualification, except with regard to certain of our representations and warranties concerning the absence of certain changes) have not had and would not reasonably be expected to result in a material adverse effect on us or a material adverse impact on our ability to consummate the transactions contemplated by the major agreement, except that our representations and warranties regarding our capitalization, ownership of PanAmSat Corporation, indebtedness, authorization, board approval and recommendation, finder's fees, opinion of financial advisors, and non-applicability of takeover statutes must be true and correct in all material respects;

we must have performed in all material respects all of our obligations required to be performed by us under the merger agreement at or prior to the effective time of the merger;

we must have delivered a certificate from our chief executive officer or chief financial officer certifying that the conditions related to our representations and warranties and performance of our obligations have been satisfied;

all government approvals required in connection with the consummation of the transactions contemplated by the merger agreement must have been obtained as final orders without the imposition of a burdensome condition, which is defined as (1) any condition, obligation or requirement, individually or in the aggregate, to agree to sell or divest the operations of (A) any of our assets or (B) any assets of Parent other than up to any three revenue producing station-kept satellites designated "IA- " (three such specified satellites being referred to as the "limit"), or (2) in the event Parent offers to sell or divest its assets to the limit, the imposition by any governmental authority of any condition, restriction, obligation or requirement with respect to Parent, us, or Parent's or our respective subsidiaries or assets, other than customary transition service arrangements in connection with the sale or divestiture of any satellites within the limit;

no government authority shall have obtained or instituted an action or proceeding seeking an order or injunction that does, or would reasonably be expected to, impose a burdensome

condition or have a material adverse effect on us or on the business or operations of the Parent and us taken as a whole;

Parent must have received the funds committed for the debt financing on the terms and conditions set forth in the debt commitment letter or upon terms and conditions which are equal or more favorable to Parent, and to the extent that any such term or condition is not set forth in the debt commitment letters, upon terms and conditions which are reasonable and customary; and

there shall not have occurred any change, development, event, or condition that, individually or in the aggregate, would reasonably be expected to have a material adverse effect on us.

Termination of the Merger Agreement

The merger agreement may be terminated at any time prior to the closing of merger, whether before or after stockholder approval has been obtained, as follows:

by the mutual written consent of us and Parent;

by us or Parent, if:

the transactions contemplated by the merger agreement have not been consummated by November 26, 2006, so long as failure of the terminating party to comply with the merger agreement has not been the cause of or resulted in the failure of the consummation of such transactions by such date;

the FCC has denied, dismissed or designated for hearing any consent application related to the transactions contemplated by the merger agreement, other than with respect to immaterial assets or businesses;

five business days have elapsed following a permanent injunction or order of a court or governmental authority (other than the FCC) located in the United States preventing the consummation of the transactions contemplated by the merger agreement; or

our stockholders do not approve and adopt the merger agreement upon taking a vote at the special meeting;

by us, if:

there has been a breach by Parent of any representation, warranty or covenant in the merger agreement, which breach, individually or in the aggregate with all other breaches, would give rise to the failure of any of the applicable closing conditions set forth in the merger agreement and the breach has not been cured within 30 days of receipt of notice of the breach (or if earlier, by November 25, 2006);

prior to the special meeting, our board of directors has resolved to enter into a superior proposal if we have not materially breached certain provisions of the merger agreement relating to the solicitation of competing transactions;

Parent has failed to obtain the financing contemplated by its debt commitment letter by November 26, 2006 or by the end of an agreed upon marketing period for the financing, if the other conditions to the consummation of merger are satisfied; however, we cannot terminate the merger agreement if our failure to comply in any material respect with certain obligations caused or materially contributed to the failure to obtain such financing or if Parent or its relevant financing sources have not received all of the information required to be delivered by the merger agreement in connection with the financing and this fact caused or materially contributed to the failure to obtain

such financing;

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

Parent has failed to obtain the requisite regulatory approvals by November 26, 2006, if the other conditions to the consummation of merger are satisfied and as long as (1) we did not cause or materially contribute to the failure to obtain such approvals and (2) any lawsuit brought by us or any of our stockholders in their capacity as a stockholder does not cause the failure of any of the regulatory-related conditions to be satisfied; or

prior to November 26, 2006, a final and non-appealable order of the FCC has been issued that would cause any of the regulatory-related conditions in the merger agreement to be incapable of being satisfied, unless (1) Parent takes actions that it believes in good faith can be taken by it to satisfy such regulatory-related conditions, (2) the marketing period for its financing begins within 20 business days of the issuance of the order, or (3) the conditions to Parent's obligation to consummate the merger other than those related to financing and regulatory approvals are not satisfied or are incapable of being satisfied;

by Parent, if:

there has been a breach by us of any representation, warranty or covenant in the merger agreement, which breach, individually or in the aggregate with all other breaches, would give rise to the failure of any of the applicable closing conditions set forth in the merger agreement and the breach has not been cured within 30 days of receipt of notice of the breach (or if earlier, by November 25, 2006);

our board of directors withdraws, modifies or fails to make its recommendation in favor of the merger or approves or recommends a superior proposal;

we breach our obligation to call, give notice of, convene and hold the special meeting; or

a tender offer or exchange offer for 20% or more of our outstanding shares of common stock is commenced or another competing transaction is otherwise publicly announced, and our board of directors recommends that our stockholders tender their shares in such tender offer or exchange offer, or otherwise fails to recommend rejecting such tender offer or exchange offer or such competing transaction, within the time periods specified in the merger agreement.

Fees and Expenses

We have agreed to pay Parent a termination fee in the amount described below, plus expenses of up to \$5 million incurred by Parent and Merger Sub, in circumstances where:

Parent terminates the merger agreement because of a breach by us of the merger agreement as discussed above and

at or prior to the termination date, a competing transaction has been commenced, publicly disclosed or communicated to our board of directors and not abandoned; and

within 6 months of the termination, we or any of our affiliates enters into a definitive agreement for a competing transaction or consummate a transaction that would constitute a competing transaction;

either we or Parent terminate the merger agreement because of the failure to receive our stockholders' approval and adoption of the merger agreement at the special meeting;

we terminate the merger agreement because we intend to enter into an agreement or arrangement for a superior proposal prior to the special meeting; or

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

Parent terminates the merger agreement because our board of directors withdraws, modifies or fails to make its recommendation in favor of the merger, approves or recommends a superior proposal, fails to call, give notice of and convene the special meeting, or recommends tendering

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

shares in a competing tender offer or exchange offer or otherwise fails to reject such tender offer or exchange offer or other competing transaction.

The amount of the above termination fee will be \$64 million if the merger agreement is terminated in the circumstances described above on or before October 26, 2005 or if the merger agreement is terminated thereafter in the circumstances described above and our stockholders have adopted and approved the merger agreement on or before October 26, 2005. In all other cases, the termination fee will be \$96 million.

Parent has agreed to pay a termination fee of \$250 million to us if:

we terminate the merger agreement in certain circumstances due to Parent's failure to obtain the financing by November 26, 2006 or the last day of a 30-business day marketing period for the financing;

we terminate the merger agreement in certain circumstances due to the failure of Parent to obtain the requisite regulatory approvals, as long as (1) we did not cause or materially contribute to (A) the failure to obtain the requisite regulatory approvals or (B) the issuance of an order that would cause any of the regulatory-related conditions to be unsatisfied and (2) any lawsuit brought by us or any of our stockholders in their capacity as a stockholder does not cause any of the regulatory-related conditions to be unsatisfied; or

Parent terminates the merger agreement in certain circumstances due to failure to obtain the requisite FCC approval or due to the imposition of an injunction or order preventing the transactions contemplated by the merger agreement, as long as (1) we did not cause or materially contribute to (A) the failure to obtain the requisite regulatory approvals or (B) the issuance of an order that would cause any of the regulatory-related conditions to be unsatisfied and (2) any lawsuit brought by us or any of our stockholders in their capacity as a stockholder does not cause any of the regulatory-related conditions to be unsatisfied.

Pursuant to the merger agreement, all fees and expenses incurred in connection with the merger agreement and the transactions contemplated by the merger agreement will be paid by the party incurring those expenses, except as otherwise provided in connection with certain terminations of the merger agreement.

Effect of Termination

If the merger agreement is terminated, it will become void and have no effect, other than the provisions relating to confidentiality and termination fees and expenses. Termination, however, will not relieve any party from liability or damages resulting from any breach by that party of the merger agreement, except that any damages will be reduced by the amount of any termination fees actually received pursuant to the merger agreement.

Amendment and Waiver

Any provision of the merger agreement may be amended or waived prior to the closing of the merger if the amendment or waiver is in writing and signed, in the case of an amendment by us, Parent and Merger Sub or, in the case of a waiver, by the party against whom the waiver is to be effective. After our stockholders have approved and adopted the merger agreement, no amendment may be made that would require further approval by our stockholders without obtaining that approval.

Voting Agreement

Concurrently with the execution of the merger agreement, Parent and Merger Sub entered into a voting agreement with Constellation, LLC, Carlyle PanAmSat I, LLC, Carlyle PanAmSat II, LLC, PEP PAS, L.L.C., and PEOP PAS, L.L.C., which are affiliates of the Sponsors that collectively hold 71,315,359 shares of our common stock. Together these shares represent approximately 58% of our outstanding common stock as of the record date. We are also a party to the voting agreement.

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

Pursuant to the voting agreement, and subject to the terms and conditions contained in the voting agreement, these affiliates of the Sponsors have agreed, among other things, to vote their shares of our common stock in favor of approving and adopting the merger agreement. Further, they have agreed to vote against:

the approval of any competing transaction or other business combination between us and any other person other than the merger;

any proposal in opposition to, or in competition or inconsistent with, the merger or the merger agreement;

any action or agreement known by such affiliates of the Sponsors to result in a breach of any of our representations, warranties, covenants or agreements under the merger agreement;

any liquidation or winding up of our company;

any extraordinary dividend by us or change in our capital structure;

any action or agreement known by such affiliates of the Sponsors to reasonably be likely to result in any condition to the consummation of the merger set forth in the merger agreement not being fulfilled or known by such affiliates of the Sponsors to materially adversely affect our ability to consummate the transactions contemplated by the merger agreement by the outside date set forth in the merger agreement.

Under the terms of the voting agreement each of these affiliates of the Sponsors has granted an irrevocable proxy and power of attorney to Parent, Merger Sub and their designees to vote at the special meeting with respect to the shares it holds unless the voting agreement is terminated as described below.

These affiliates of the Sponsors have also agreed (1) not to transfer their shares of our common stock until the voting agreement is terminated, (2) except in limited circumstances, not to solicit any competing transactions or participate in any solicitation of proxies for any competing transaction, and (3) to indemnify and reimburse us if we are required to pay a termination fee to Parent in respect of the failure to obtain our stockholders' approval and adoption of the merger agreement due to the breach by them of their obligation to vote as set forth above.

The voting agreement provides that it will terminate and the proxy described above will expire upon the earliest of:

the effective date of the merger; or

the termination of the merger agreement in accordance with its terms.

Regulatory Approvals

We have summarized below the material regulatory requirements affecting the transactions contemplated by the merger agreement. Although we cannot guarantee these approvals will be obtained on a timely basis, or at all, we believe that the necessary approvals can be obtained in sufficient time to allow the merger to be completed by November 26, 2006.

FCC Approval

Pursuant to the Communications Act of 1934, the transfer of control, directly or indirectly, of a company holding FCC licenses requires prior FCC approval. Certain of our subsidiaries hold FCC licenses. As a result of the transactions contemplated by the merger agreement the Sponsors will transfer their interests in us, including their indirect controlling interests in these license subsidiaries, to Parent and/or Intelsat. Therefore, the licensee subsidiaries and/or Intelsat are required to file an application for FCC consent to the transfer of control of the licensee

subsidiaries in connection with the merger.

After the submission of the application, the FCC will place the application on public notice and invite petitions, oppositions and other comments by third parties with respect to the application. This public notice period typically lasts for 30 days. Third parties will be able to request, among other things, that the FCC impose conditions on its grant of approval, designate the application for a formal hearing before deciding the merits and/or deny the application. There can be no assurance that petitions, oppositions or other comments by third parties will not be received during the public notice period.

The FCC has developed an informal timetable for acting upon transfer of control applications. The agency will seek to take action on any such application (i.e., grant, deny, or designate the application for hearing) within 180 days from the initial public notice accepting the application for filing. Routine applications are typically decided within the 180-day period; however, more complex applications may take longer. The FCC reserves the right to stop that 180-day "clock" at its discretion. We cannot assure you that the FCC will grant its consent in a timely manner or that the FCC will not agree with the views of third parties that may oppose the application and deny its approval or impose onerous conditions in connection with granting its approval.

U.S. Antitrust Requirements

The transactions contemplated by the merger agreement are subject to the requirements of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, and the rules and regulations thereunder, which provide that certain acquisition transactions may not be completed until specified information has been furnished to the Antitrust Division of the Department of Justice, and the Federal Trade Commission, or FTC, and until certain waiting periods have been terminated or have expired. We and Parent and/or Intelsat are required by the merger agreement to file the required information and materials to notify the Antitrust Division and the FTC of the merger within 30 business days of having entered into the merger agreement.

Foreign and Certain Other Regulatory Matters

Approvals or clearances from regulatory bodies in certain other countries are conditions to the completion of the transactions contemplated by the merger agreement. In addition, we and our subsidiaries provide communications services to other foreign countries in all regions of the world. In many of these countries, we and our subsidiaries have received government licenses or other authorizations to provide such services. In some of the countries, completion of the transactions contemplated by the merger agreement may require either government approval or notification of the change in control over the relevant licenses or authorizations. We do not currently anticipate that our pursuit of any other foreign notifications, clearances or approvals will hinder, delay or restrict completion of the transactions contemplated by the merger agreement.

The transactions contemplated by the merger agreement may also be subject to regulatory requirements of other state, federal, and foreign governmental agencies and authorities, including those relating to any foreign control or national security issues and those relating to the solicitation of a stockholder vote. Intelsat and the Sponsors are currently working with us to evaluate and comply in all material respects with these requirements, as appropriate, and do not currently anticipate that they will hinder, delay, or restrict completion of the transactions contemplated by the merger agreement.

Committee on Foreign Investment in the United States

The Exon-Florio Amendment to the Defense Production Act of 1950, commonly known as "Exon-Florio," provides the President of the United States with the authority to investigate and, where necessary, block or unwind mergers and acquisitions by foreign persons that could threaten U.S. national security. By executive order, the President has delegated his investigatory powers under Exon-Florio to the Committee on Foreign Investment in the United States ("CFIUS"), an interagency

committee chaired by the U.S. Treasury Department. We intend, jointly with Intelsat or Parent, to make a filing with CFIUS seeking confirmation that the merger does not threaten the national security.

Other U.S. Regulatory Filings

We engage in several business areas that are regulated by the U.S. Government on national security grounds. In particular, we are registered with the U.S. State Department as a manufacturer or exporter of satellite-related items that are controlled under the International Traffic in Arms Regulations, or ITAR. In addition, we have a subsidiary that engages in certain U.S. Government contracting activities that are regulated by the U.S. Department of Defense under the National Industrial Security Program Operating Manual, or NISPOM. In connection with the transfer of control of PanAmSat to Intelsat, appropriate notice and other filings will be made with the Departments of State and Defense.

Financing of the Merger

In connection with the merger, Parent will pay or cause to be paid approximately \$3.2 billion to our stockholders.

Parent has received financing commitments for the full amount of the purchase price from a group of financial institutions, or the lenders, led by Deutsche Bank Securities Inc., Citigroup Global Markets Inc., Credit Suisse First Boston LLC and Lehman Brothers Inc. A substantial portion of the financing for the transaction is expected to be raised by Parent, with additional financing expected to be raised at PanAmSat, PanAmSat Corporation, and Intelsat Subsidiary Holding Company, Ltd.

The lenders have committed, on the terms and conditions set forth in their debt commitment letter with Parent, to:

provide up to \$572,900,000 in aggregate principal amount of senior interim loans to PanAmSat Corporation in the event that senior notes of PanAmSat Corporation are not issued in like amounts on or prior to the closing date;

provide up to \$721,200,000 in aggregate principal amount of senior interim loans to PanAmSat in the event that senior notes of PanAmSat are not issued in like amounts on or prior to the closing date;

provide up to \$557,000,000 in aggregate principal amount of senior interim loans to Intelsat Subsidiary Holding Company, Ltd. (of which up to \$357,000,000 may be issued by Parent and be guaranteed on a senior basis by Intelsat Subsidiary Holding Company, Ltd. and certain of its direct and indirect subsidiaries) in the event that senior notes of Intelsat Subsidiary Holding Company, Ltd. and Parent in like amounts are not issued on or prior to the closing date;

provide up to \$1,415,500,000 in aggregate principal amount of senior interim loans to Parent in the event that senior notes of Parent in like amounts are not issued on or prior to the closing date;

provide up to \$663,570,000 in aggregate principal amount of senior interim loans to PanAmSat Corporation to the extent offers to purchase made as a result of the change of control are accepted by the holders of the 9% notes issued by PanAmSat Corporation;

provide up to \$301,990,000 in aggregate principal amount of senior interim loans to PanAmSat to the extent offers to purchase made as a result of the change of control are accepted by the holders of the 10³/₈% Notes issued by PanAmSat;

refinance the full amount of the PanAmSat Corporation bank facility in the event that such bank facility is not amended on terms reasonably satisfactory to Parent prior to the closing date; and

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

refinance the full amount of the Intelsat Subsidiary Holding Company, Ltd. bank facility in the event that such bank facility is not amended on terms reasonably satisfactory to Parent prior to the closing date.

Parent has the right under the debt commitment letter, under certain circumstances, to re-allocate the commitments among the facilities listed above.

The obligations of the banks to make available the facilities are subject to the satisfaction or waiver of a number of conditions including, without limitation:

the merger shall be consummated pursuant to the merger agreement and no material provision or condition thereof shall have been waived, amended, supplemented or otherwise modified in a manner that is material and adverse to the lead arrangers or the banks without the prior written consent of the lead arrangers, which shall not be unreasonably withheld or delayed.

completion of the final documentation for the facilities;

the preparation of offering memoranda related to the issuance of certain notes and the investment banks engaged to publicly offer or privately place the notes having been afforded the opportunity to market such notes pursuant to such offering memoranda and provided certain assistance in respect of such marketing; and

certain other customary closing conditions, including delivery of customary legal opinions, the correctness in all material respects of certain representations and warranties, and satisfaction with the results of certain lien and litigation searches.

Such obligations of the banks, however, are not subject to the satisfaction of any condition specifying the absence of a material adverse change in the financial markets, a pro forma leverage test for the combined companies, or the absence of a material adverse change in the business of Intelsat.

Pursuant to the debt commitment letter, the interim loans will be unsecured obligations of their respective borrowers, and the replacement bank facilities, if utilized, will each be secured on a similar basis as the respective bank facility being replaced.

The interim loans will also include other covenants and restrictions customary for interim facilities, and the replacement bank facilities will, if utilized, each contain other covenants and restrictions similar to those in the respective bank facility being replaced.

The debt commitment letter and each of the facilities are subject to termination on the earliest of (1) the date the merger agreement is terminated, (2) the consummation of the acquisition without the finding of the facilities and (3) the date that is 455 days after the date of the commitment letter.

Prior to this financing and the closing of the merger, Parent is expected to transfer substantially all of its assets and liabilities (including its 9¹/₄% Senior Discount Notes due 2015) to a newly formed wholly owned subsidiary. Upon completion of the transaction, both PanAmSat and Intelsat Subsidiary Holding Company, Ltd. will be direct or indirect wholly owned subsidiaries of Parent, and PanAmSat and its subsidiaries will continue as separate corporate entities. The transaction is expected to result in a change of control, as defined in the indenture governing PanAmSat's outstanding bonds and certain of the indentures governing PanAmSat Corporation's outstanding bonds.

Interests of the Directors and Executive Officers

In considering the recommendations of our board of directors, you should be aware that some of our directors and officers may have interests in the merger that may be different from, or in addition to, your interests as a stockholder generally and may create potential conflicts of interests. Our board of directors was aware of these interests in making its recommendations.

Affiliations with Sponsors and Stock Ownership

Eight of our eleven directors are affiliated with the Sponsors as described below, and the Sponsors may have interests in the merger that are different than the other unaffiliated stockholders. Although these directors have not entered into the voting agreement to which other affiliates of the Sponsors have entered, the Sponsors have expressed their approval of the merger. See "Voting Agreement".

In addition, these directors and our other directors and management, as stockholders, may have preferences with respect to their stock ownership that differ from our unaffiliated stockholders. As of August 28, 2005, our directors and executive officers beneficially owned the number of shares of our common stock listed below, representing approximately the percentage of the outstanding shares of our

common stock set forth opposite such number (based on 122,598,093 shares of our common stock outstanding as of August 28, 2005).

Treatment of Stock Options

As of August 28, 2005, there were approximately 5,070,136 shares of our common stock subject to stock options granted under our equity incentive plans to our current executive officers and directors. Each outstanding stock option that remains unexercised as of the completion of the merger, whether or not the option is vested or exercisable, will be cashed-out and the holder of such stock option that has

an exercise price of less than \$25.00 will be entitled to receive a cash payment, without interest and less applicable withholding taxes, equal to the product of:

the number of shares of our common stock subject to the option as of the effective time of the merger, multiplied by

the excess, if any, of \$25.00 over the exercise price per share of common stock subject to such option.

The following table summarizes the vested and unvested options with exercise prices of less than \$25.00 per share held by our executive officers and directors as of August 28, 2005:

Treatment of Restricted Stock and Deferred Stock Units

As of August 28, 2005, there were approximately 975,228 shares of restricted stock held by our executive officers and directors. As of August 28, 2005, there were approximately 202,213 deferred stock units held by our executive officers and directors, which represent the right to receive, on a one-for-one basis, the merger consideration equivalent to approximately 202,213 shares of our common stock. Under the terms of the merger agreement, all such restricted stock shall become immediately vested effective as of the completion of the merger, and all deferred stock units are currently vested. At the effective time of the merger, any restricted stock will be converted into the right to receive a cash payment of \$25.00 per share plus an amount equal to the pro rata portion of our undeclared regular quarterly dividend attributable to the fiscal quarter in which the merger occurs, subject to any required withholding taxes. Each deferred stock unit will be converted into a lump sum in cash equal to \$25.00 per share plus an amount equal to the pro rata portion of our undeclared regular quarterly dividend attributable to the fiscal quarter in which the merger occurs, subject to any required withholding taxes and to the plans under which such units are outstanding.

Employment Contracts and Termination of Employment and Change-In-Control Arrangements

Employment agreement with Joseph R. Wright

On August 20, 2004, PanAmSat entered into an employment agreement with Joseph R. Wright, Jr. pursuant to which Mr. Wright agreed to continue to serve as Chief Executive Officer of PanAmSat. The agreement provides for a one-year term of employment that automatically renews annually unless either party gives notice, with an annual base salary of \$685,000 (subject to increase at the discretion of the Board) and an annual target bonus amount equal to 100% of the annual base salary, based on the achievement of performance targets and/or other bonus criteria established by our board of directors. Mr. Wright is entitled to participate in our employee benefit and retirement plans.

If Mr. Wright is terminated without "cause" or resigns for "good reason" (each as defined in his agreement), or if we do not renew his agreement at the end of any one-year term, he is entitled to receive a severance amount equal to two and one-half times the sum of his base salary plus the greater of the most recent bonus paid to him or the bonus target in effect at the time of termination. In addition, we will pay the costs of Mr. Wright's (and his eligible dependents') participation in our health and insurance benefits until the earlier of 30 months following his termination and the date on which Mr. Wright secures alternate employment. In the event that any amount or distribution to Mr. Wright would be subject to the excise tax imposed under Section 4999 of the Internal Revenue Code of 1986, as amended, or the Code, then we will pay Mr. Wright the amount necessary to fully reimburse him for such taxes.

As a condition precedent to the receipt of any severance payment or benefits, Mr. Wright must execute a written waiver and release of claims against us. In addition, Mr. Wright has agreed that during the term of the agreement and for a period of 18 months after the termination of his employment, he will not compete with us or solicit any key employees to accept employment with any of our competitors.

Employment agreement with James B. Frownfelter

On August 20, 2004, PanAmSat entered into an employment agreement with James B. Frownfelter, pursuant to which Mr. Frownfelter agreed to continue to serve as President and Chief Operating Officer. The employment agreement provides for a one-year term of employment that automatically renews annually unless either party gives notice, with an annual base salary of \$448,000 (subject to increase at the discretion of the Board) and an annual target bonus amount equal to 100% of the annual base salary, based on the achievement of performance targets and/or other bonus criteria established by the board of directors. Mr. Frownfelter is entitled to participate in our employee benefit and retirement plans.

If Mr. Frownfelter is terminated without "cause" or resigns for "good reason" (each as defined in his agreement), or if we do not renew his agreement at the end of any one-year term, he is entitled to receive a severance amount equal to two times the sum of his base salary plus the greater of the most recent bonus paid to him or the bonus target in effect at the time of termination. In addition, we will pay the costs of Mr. Frownfelter's (and his eligible dependents') participation in our health and insurance benefits until the earlier of 24 months following his termination or the date on which Mr. Frownfelter secures alternate employment. In the event that any amount or distribution to Mr. Frownfelter would be subject to the excise tax imposed under Section 4999 of the Code, then we will pay Mr. Frownfelter the amount necessary to fully reimburse him for such taxes.

As a condition precedent to the receipt of any severance payment or benefits, Mr. Frownfelter must execute a written waiver and release of claims against us. In addition, Mr. Frownfelter has agreed that during the term of the agreement and for a period of 18 months after the termination of his employment, he will not compete with us or solicit any key employees to accept employment with any of our competitors.

Mr. Frownfelter's employment agreement superseded the executive change-in-control severance agreement between us and Mr. Frownfelter entered into in March 2002.

Severance Pay Plan

Our 2005 Severance Pay Plan (the "*Severance Pay Plan*") provides severance pay to eligible employees upon certain separations of employment. Each of our regular full-time employees is a participant in the Severance Pay Plan. An employee terminated by us for any reason other than for cause (as defined in the Severance Pay Plan) shall be eligible to receive severance benefits pursuant to the Severance Pay Plan. Severance benefits are calculated based upon the employee's level of compensation and the number of years with us, with a minimum of 12 weeks' salary and a maximum of 52 weeks' salary for executive employees, a minimum of 6 weeks' salary and a maximum of 40 weeks' salary for exempt employees, and a minimum of four weeks' salary and a maximum of 29 weeks' salary for non-exempt employees. The terminated employee is also entitled to participate in our group health, dental and life insurance plans for the number of weeks calculated above. In the event that due to, and within 18 months after, a change in control (as defined in the Severance Pay Plan), an employee either resigns for good reason (as defined in the Severance Pay Plan) or is terminated by us pursuant to a layoff or other termination (as determined by our Chief Executive Officer in his sole discretion) other than for cause, then severance benefits shall instead be calculated based upon the employee's level of compensation, with a minimum for all eligible employees of 26 weeks salary and a maximum of 52 weeks salary, and the employee is entitled to participate in our group health, dental and life insurance plans for no more than three months after such termination. The severance benefit is paid as soon as practicable after execution and effectiveness of a signed waiver and release of all claims which the employee may have by reason of employment with us of termination thereof, at our option, either (i) in a lump sum, or (ii) in accordance with our payroll practices, in each case, less applicable deductions and withholdings. The consummation of the merger will constitute such a change in control.

Under the terms of the Severance Pay Plan, the Chief Executive Officer or his designee has the power to determine all ambiguities arising under the Severance Pay Plan, and any decision regarding any matter within the discretion of the Chief Executive Officer and made by him in good faith is binding on all persons. We have reserved the right through our board of directors to amend the Severance Pay Plan or to terminate the Severance Pay Plan at any time without prior notice, provided that the Severance Pay Plan shall not be terminated with respect to any Terminated Employee (as defined in the Severance Pay Plan) or amended in a way that is adverse to the interests of any Terminated Employee.

Our executives are entitled to receive the benefits of our Severance Pay Plan unless such benefits are superseded or otherwise provided in his or her executive change-in-control severance agreements (described below) or employment agreement.

Executive Change-in-Control Severance Agreements

In March 2002, effective as of October 15, 2001, PanAmSat entered into executive change-in-control severance agreements (the "*Severance Agreements*") with each of James W. Cuminale, Thomas E. Eaton, Jr. and Michael J. Inglese (the "*Retained Officers*"). The Severance Agreements provide for payments by us to the Retained Officers in the event we terminate such officer's employment without cause or the Retained Officer terminates his employment for good reason (an "*Involuntary Termination*"), in each case within three years after a change-in-control (as defined in the Severance Agreements). As a change-in-control of both The DIRECTV Group and PanAmSat have occurred, these agreements will apply if an involuntary termination of the executive occurs during the period specified by the agreement.

In the event of an Involuntary Termination of a Retained Officer, we will pay to such Retained Officer all accrued compensation in an amount equal to the sum of (i) the unpaid annual base salary earned as of the date of termination, (ii) an amount equal to the higher of (x) the Retained Officer's unpaid targeted annual bonus established for the fiscal period in which the Involuntary Termination occurs or (y) the actual bonus paid or payable to the Retained Officer in respect of our most recent full fiscal year, in each case multiplied by a fraction, the numerator of which is the number of days elapsed in the current fiscal period to the date of termination, and the denominator of which is 365 and (iii) an amount equal to the Retained Officer's accrued balance under our "paid time off" program (or successor or replacement program), calculated based on the Retained Officer's annual base salary.

The Severance Agreements also require that we pay to such Retained Officer severance compensation upon Involuntary Termination in an amount equal to two times the sum of (i) the Retained Officer's annual base salary for the year in which the Involuntary Termination occurs plus (ii) the higher of (x) the Retained Officer's targeted annual bonus established for the fiscal period in which the Involuntary Termination occurs or (y) the actual bonus paid or payable to the Retained Officer in respect of our most recent full fiscal year. Payment of the severance compensation is conditioned upon receipt of a written release from the Retained Officer of any claims against us or our subsidiaries. Payment of such severance compensation is due within 10 days following the effective date of such release. Under the Severance Agreements, all payments thereunder are subject to the Retained Officer's compliance with covenants not to compete with GM, The DIRECTV Group and us for two years following termination, not to solicit our employees for two years following termination, and not to disclose any of our confidential information.

The Severance Agreements also provide that (i) any unvested stock options, restricted stock units and other awards ("*Stock Awards*") granted prior to the change-in-control under our Long-Term Stock Incentive Plan (or successor or replacement plan) held by a Retained Officer shall immediately become vested and exercisable, and any restrictions thereon shall lapse upon the change-in-control and, to the extent such Stock Awards are assumed, substituted or continued, following any Involuntary Termination such Stock Awards shall be exercisable under the terms and conditions of our Long-Term Stock

Incentive Plan and any award agreements thereunder for a period equal to the lesser of (x) five years from the date of the Retained Officer's Involuntary Termination or (y) the term of such Stock Award, (ii) the Retained Officer and the Retained Officer's dependents shall be entitled to participate on the same basis as active employees and their dependents, respectively, in our group health, dental and life insurance plans (including premium payments and credit dollars paid by us), or we shall make available comparable benefits (but not any other welfare benefit plans or any retirement plans, except as described below) for a period of two years following an Involuntary Termination of employment, (iii) the Retained Officer shall be entitled to reimbursement for actual payments made for professional outplacement services, not to exceed \$25,000 and (iv) the Retained Officer shall be entitled to reimbursement for all outstanding unreimbursed business expenses incurred prior to the Involuntary Termination.

If any amounts or other benefits payable to a Retained Officer under the Severance Agreements or otherwise become subject to an excise tax imposed under Section 4999 of the Code or any other similar tax or assessment, we will pay the Retained Officer the amount necessary to fully reimburse such Retained Officer for these taxes, unless the Retained Officer would not receive a net after-tax benefit of at least \$50,000, in which case his severance would be reduced so as to avoid the imposition of any excise taxes. The Severance Agreements also provide that we reimburse a Retained Officer for attorneys' fees and other costs necessary to enforce or defend his rights under the relevant Severance Agreement.

We continue to provide Messrs. Inglese and Cuminale with the severance payments and benefits available under their respective Severance Agreements until the expiration of such agreements. Messrs. Wright, Inglese and Cuminale have agreed to 18-month post-termination non-competition and non-solicitation covenants.

On August 20, 2004, PanAmSat amended the terms of the Severance Agreements with Messrs. Cuminale and Inglese to indefinitely extend the period in which a qualifying severance of such Retained Officer will trigger severance benefits. The severance payment for this extended period (beyond the period contemplated by the Severance Agreement) is an amount equal to the sum of (i) the Retained Officer's annual base salary for the year in which the Involuntary Termination occurs plus (ii) the higher of (x) the Retained Officer's targeted annual bonus established for the fiscal period in which the Involuntary Termination occurs or (y) the actual bonus paid or payable to the Retained Officer in respect of our most recent full fiscal year.

Indemnification and Insurance

In the merger agreement, Parent agreed that it and the surviving corporation would indemnify, after the effective time of the merger, each of our directors and officers with respect to claims arising from facts or events that occurred prior to the effective time of the acquisition. These rights to indemnification will continue for at least six years after the closing of the merger.

In addition, Parent has agreed to obtain "tail" insurance policies at the effective time of the merger that provide, for at least six years after such time, insurance coverage with respect to directors' and officers' liability for claims arising from facts or events that occurred prior to such time. The amount and scope of the coverage will be at least as favorable as the terms of our policies in effect as of the date of the acquisition agreement, provided that if the premiums paid for such tail insurance policies exceed 200% of the per annum rate of premium paid by us as of the date of the merger agreement for such insurance, then Parent shall provide a policy with the best coverage as shall then be available at 200% of such rate.

Recent Transactions

August 2004 Recapitalization

Prior to its recapitalization discussed below, PanAmSat Corporation was a publicly-held company whose common stock traded on NASDAQ; as a result of this recapitalization, PanAmSat Corporation became a privately-held company. In August 2004, the Sponsors and certain members of management recapitalized PanAmSat Corporation through a series of transactions described below that we collectively refer to as the "Recapitalization". The aggregate transaction value of the Recapitalization, including the assumption of indebtedness, premiums and fees and expenses, was approximately \$4.4 billion. The series of transactions that led up to and comprised the Recapitalization include the following:

The 2004 Merger. Prior to the Recapitalization, The DIRECTV Group beneficially owned 80.4% of PanAmSat Corporation's common stock. In order to acquire the remaining shares of PanAmSat Corporation held by PanAmSat Corporation's public stockholders, The DIRECTV Group consummated a merger whereby a wholly-owned subsidiary of The DIRECTV Group merged into PanAmSat Corporation. In that merger, each share of PanAmSat Corporation common stock was converted into a right to receive \$23.50 in cash (on an unadjusted basis) (other than shares owned by The DIRECTV Group and certain shares held by members of management who agreed not to have their equity interests cashed out in the merger). As a result of that merger, The DIRECTV Group became the beneficial owner of all of the outstanding shares of PanAmSat Corporation's common stock (other than certain shares held by members of management who agreed not to have their equity interests cashed out in the merger).

The DIRECTV Stock Sale. Two business days after the consummation of that merger, The DIRECTV Group sold its shares of PanAmSat Corporation common stock in two steps:

Step one: PanAmSat Corporation repurchased from The DIRECTV Group approximately 95,742,728 shares of PanAmSat Corporation common stock owned by The DIRECTV Group for approximately \$21.84 per share (on an unadjusted basis), or an aggregate consideration of approximately \$2.09 billion, with funds borrowed under the new borrowings described below; and

Step two: The Sponsors, certain members of management and one of PanAmSat Corporation's new directors purchased the remaining 25,069,447 shares of PanAmSat Corporation common stock owned by The DIRECTV Group for approximately \$21.84 per share (on an unadjusted basis), or an aggregate consideration of approximately \$548 million.

The Borrowings. In connection with the Recapitalization, PanAmSat Corporation entered into \$2.71 billion of senior secured credit facilities and issued \$1.01 billion aggregate principal amount of 9% senior notes due 2014. The proceeds of these borrowings were used to fund the repurchase described in step one above, repay PanAmSat Corporation's then-existing indebtedness described below and pay transaction fees and expenses of approximately \$73 million.

The Repayment of Then-Existing Indebtedness. Approximately \$934 million and \$256 million of the proceeds of the borrowings described above were used to purchase PanAmSat Corporation's 8¹/₂% Senior Notes due 2012 and 6¹/₈% Senior Notes due 2005, respectively, in tender offers.

After the Recapitalization, the Sponsors owned an aggregate of approximately 98% of PanAmSat Corporation's common stock.

October 2004 Contribution

On October 8, 2004, the Sponsors and certain members of PanAmSat Corporation's management and board of directors contributed all of PanAmSat Corporation's common stock held by them to us in exchange for a pro rata share of our common stock. In addition, options and all

other equity rights for

PanAmSat Corporation's common stock were converted to similar rights for our common stock. As a result, PanAmSat Corporation became a wholly-owned subsidiary of ours.

The Initial Public Offering

On March 22, 2005, we completed an initial public offering of our common stock in order to repay a significant portion of our outstanding indebtedness and to pay a dividend to our then existing stockholders. After the consummation of the initial public offering, the Sponsors owned an aggregate of approximately 58% of our common stock.

Material U.S. Federal Income Tax Consequences of the Merger

The following is a summary of the material U.S. federal income tax consequences of the merger to our stockholders with respect to their exchange of common stock for cash pursuant to the merger, such exchanging stockholders referred to herein as "stockholders." This summary does not purport to be a description of all tax consequences that may be relevant to our stockholders. This summary is based on current provisions of the Code, existing regulations promulgated under the Code, and current administrative rulings and court decisions, all of which are subject to change, possibly retroactively. It is assumed that the shares of common stock are held as capital assets. This summary does not address the consequences of the merger under state, local or foreign law, nor does it address all aspects of federal income taxation that may be important to some or all of our stockholders in light of their individual circumstances. It also does not address tax issues that may be significant to stockholders subject to special rules, such as financial institutions; broker-dealers or traders in securities; persons who are not citizens or residents of the United States or that are foreign corporations, partnerships, estates or trusts; mutual funds; insurance companies; tax-exempt entities; holders who acquired their shares through stock option or stock purchase programs or otherwise as compensation; holders who are subject to alternative minimum tax; or holders who hold their shares as part of a hedge, straddle or other risk-reduction transaction.

Stockholders are encouraged to consult their own tax advisors to determine the particular tax consequences to them (including the application and effect of any federal, state, local and foreign income and other tax laws) of the merger.

The merger will be treated for federal income tax purposes as a taxable sale by our stockholders of their shares of common stock. A stockholder will recognize gain or loss equal to the difference between (1) the amount of the cash consideration received in the merger and (2) the stockholder's adjusted tax basis in the shares of our common stock surrendered in the merger. Any gain or loss will be capital gain or loss and will be long-term capital gain or loss if, as of the date of the merger, the stockholder held such shares of common stock for more than one year. For individual stockholders, long-term capital gain generally is subject to preferential rates. There are limitations on the deductibility of capital losses.

Under U.S. federal income tax law, the payment of the cash consideration to a stockholder (other than certain exempt stockholders, including among others, corporations) pursuant to the merger may be subject to backup withholding at a rate of 28%. Backup withholding will generally not apply with respect to payments made pursuant to the merger to a stockholder who (a) provides his, her or its correct taxpayer identification number and certifies that such stockholder is not subject to backup withholding on the Substitute Form W-9 included in the letter of transmittal or (b) provides a certification of foreign status on Internal Revenue Service Form W-8BEN or an appropriate substitute form. Any amount withheld from the payment of the merger consideration under the backup withholding rules will be allowed as a refund or credit against the stockholder's federal income tax liability if the stockholder furnishes the required information to the Internal Revenue Service in a timely manner. Stockholders should consult their own tax advisors as to their qualification for exemption from backup withholding and the procedure for obtaining such exemption.

Appraisal Rights of Stockholders

The following discussion is not a complete statement of appraisal rights under Delaware law and is qualified in its entirety by the full text of Section 262 of the Delaware General Corporation Law, which is attached as Appendix B. All references in Section 262 of the Delaware General Corporation Law and in this summary to a "stockholder" are to the record holder of the shares of our common stock as to which appraisal rights are asserted. Stockholders intending to exercise appraisal rights should carefully review Appendix B. **Failure to comply strictly with all of the procedures specified in Appendix B will result in the loss of appraisal rights.**

Under Section 262 of the Delaware General Corporation Law, if you do not wish to accept the merger consideration for your shares of our common stock you may elect to have the "fair value" of your shares judicially determined and paid to you in cash in lieu of the merger consideration that you would otherwise be entitled to receive if the merger is consummated.

The following is a brief summary of Section 262 of the Delaware General Corporation Law, which explains the procedures and requirements for exercising statutory appraisal rights. Failure to precisely follow the procedures described in Section 262 of the Delaware General Corporation Law could result in the loss of appraisal rights. This proxy statement constitutes notice to holders of our common stock concerning the availability of appraisal rights under Section 262 of the Delaware General Corporation Law. A stockholder of record wishing to exercise appraisal rights must hold the shares of stock on the date of making a demand for appraisal rights with respect to such shares and must continuously hold such shares through the effective date of the merger.

Stockholders who desire to exercise their appraisal rights must satisfy all of the conditions of Section 262 of the Delaware General Corporation Law, including:

as more fully described below, the stockholder must deliver to us a demand for appraisal of his, her or its shares before the vote on the merger agreement at the annual meeting;

the stockholder must not vote its shares of our common stock in favor of the approval and adoption of the merger agreement. A submitted signed proxy not marked "AGAINST" or "ABSTAIN" will be voted for the proposal to approve and adopt the merger agreement and the transactions contemplated thereby. The submission of a proxy not marked "AGAINST" or "ABSTAIN" will result in the waiver of appraisal rights. A stockholder that has not submitted a proxy will not waive his, her or its appraisal rights solely by abstaining if the stockholder satisfies all other provisions of Section 262 of the Delaware General Corporation Law; and

the stockholder must continuously hold its shares from the date of making the demand through the effective date of the merger. A stockholder who is the record holder of shares of our common stock on the date the written demand for appraisal is made but who thereafter transfers those shares prior to the effective date of the merger will lose any right to appraisal in respect of those shares.

A demand for appraisal must be executed by or on behalf of the stockholder of record, fully and correctly, as such stockholder's name appears on the stock certificate. If the shares are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, this demand must be executed by or for the fiduciary. If the shares are owned by or for more than one person, as in a joint tenancy or tenancy in common, such demand must be executed by or for all joint owners. An authorized agent, including an agent for two or more joint owners, may execute the demand for appraisal for a stockholder of record. However, the agent must identify the record owner and expressly disclose the fact that, in exercising the demand, he is acting as agent for the record owner. **A person having a beneficial interest in our common stock held of record in the name of another person, such as a broker or nominee, must act promptly to cause the record holder to follow the steps summarized below in a timely manner to perfect whatever appraisal rights the beneficial owners may have.**

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

A stockholder who elects to exercise appraisal rights should mail or deliver his, her or its written demand to us at our principal executive offices at 20 Westport Road, Wilton, Connecticut 06897, Attention: General Counsel and Secretary. The written demand for appraisal should state the stockholder's name and mailing address, the number of shares of our common stock owned by the stockholder and must reasonably inform us that the stockholder intends thereby to demand appraisal of his, her or its shares of our common stock. Within 10 days after the effective date of the merger, we will provide notice of the effective date of the merger to all of our stockholders who have complied with Section 262 of the Delaware General Corporation Law and have not voted for the merger.

A record holder, such as a broker, fiduciary, depositary or other nominee, who holds shares of our common stock as a nominee for others, may exercise appraisal rights with respect to the shares held for all or less than all beneficial owners of shares as to which such person is the record owner. In such case, the written demand must set forth the number of shares covered by such demand. Where the number of shares is not expressly stated, the demand will be presumed to cover all shares of our common stock outstanding in the name of such record owner.

Within 120 days after the effective date of the merger (but not thereafter), any stockholder who has satisfied the requirements of Section 262 of the Delaware General Corporation Law may deliver to us a written demand for a statement listing the aggregate number of shares not voted in favor of the merger and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. We, as the surviving corporation in the merger, must mail such written statement to the stockholder within ten days after the stockholders' request is received by us or within ten days after the latest date for delivery of a demand for appraisal under Section 262 of the Delaware General Corporation Law, whichever is later.

Within 120 days after the effective date of the merger (but not thereafter), either us or any stockholder who has complied with the required conditions of Section 262 of the Delaware General Corporation Law and who is otherwise entitled to appraisal rights may file a petition in the Court of Chancery of the State of Delaware demanding a determination of the fair value of the shares of our common stock of stockholders entitled to appraisal rights. We have no present intention to file such a petition if a demand for appraisal is made and stockholders seeking to exercise appraisal rights should not assume that we will file such a petition or that we will initiate any negotiations with respect to the fair value of such shares. Accordingly, stockholders who desire to have their shares appraised should initiate all necessary action to perfect their appraisal rights within the time periods and in the manner prescribed in Section 262. Since we have no obligation to file a petition, your failure to do so within the period specified could nullify your previous written demand for appraisal.

Upon the filing of a petition in the Court of Chancery of the State of Delaware by a stockholder demanding a determination of the fair value of our common stock, service of a copy of the petition must be made upon us. We must then, within 20 days after service, file in the office of the Register in Chancery in which the petition was filed, a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached with us. If we file a petition, the petition must be accompanied by the duly verified list. The Register in Chancery, if so ordered by the court, will give notice of the time and place fixed for the hearing of such petition by registered or certified mail to us and to the stockholders shown on the list at the addresses therein stated, and notice also will be given by publishing a notice at least one week before the day of the hearing in a newspaper of general circulation published in the City of Wilmington, Delaware, or such publication as the court deems advisable. The court must approve the forms of the notices by mail and by publication, and we must bear the costs of the notices.

At the hearing on the petition, the Court of Chancery of the State of Delaware will determine which stockholders have become entitled to appraisal rights. The court may require the stockholders who have demanded an appraisal for their shares (and who hold stock represented by certificates) to

submit their stock certificates to the Register in Chancery for notation of the pendency of the appraisal proceedings and the Court of Chancery of the State of Delaware may dismiss the proceedings as to any stockholder that fails to comply with such direction.

After determining which stockholders are entitled to appraisal rights, the court will appraise the shares owned by these stockholders, determining the "fair value" of such shares, exclusive of any element of value arising from the accomplishment or expectation of the merger, together with a fair rate of interest to be paid, if any, upon the amount determined to be the fair value. In determining "fair value," the Court of Chancery of the State of Delaware is required to take into account all relevant factors. In *Weinberger v. UOP, Inc.* the Supreme Court of the State of Delaware discussed the factors that could be considered in determining fair value in an appraisal proceeding, stating that "proof of value by any techniques or methods which are generally considered acceptable in the financial community and otherwise admissible in court" should be considered and that "[f]air price obviously requires consideration of all relevant factors involving the value of a company." The Supreme Court of the State of Delaware has stated that in making this determination of fair value the court must consider market value, asset value, dividends, earnings prospects, the nature of the enterprise and any other facts which could be ascertained as of the date of the merger which throw any light on future prospects of the merged corporation. Section 262 of the Delaware General Corporation Law provides that fair value is to be "exclusive of any element of value arising from the accomplishment or expectation of the Merger." In *Weinberger*, the Supreme Court of the State of Delaware construed Section 262 of the Delaware General Corporation Law to mean that "elements of future value, including the nature of the enterprise, which are known or susceptible of proof as of the date of the merger and not the product of speculation, may be considered." **Our stockholders considering seeking appraisal of their shares should note that the fair value of their shares determined under Section 262 of the Delaware General Corporation Law could be more than, the same as or less than the consideration they would receive pursuant to the merger agreement if they did not seek appraisal of their shares.**

The costs of the appraisal proceeding may be determined by the court and taxed against the parties as the court deems equitable under the circumstances. Upon application of a stockholder who has perfected appraisal rights, the court may order that all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, be charged pro rata against the value of all shares entitled to appraisal.

No stockholder who has duly demanded appraisal in compliance with Section 262 of the Delaware General Corporation Law, and has not properly withdrawn such demand, will, after the effective date of the merger, be entitled to vote for any purpose the shares subject to demand or to receive payment of dividends or other distributions on such shares, except for dividends or distributions payable to stockholders of record at a date prior to the effective date of the merger.

At any time within 60 days after the effective date of the merger, any stockholder will have the right to withdraw his demand for appraisal and to accept the terms offered in the merger agreement. After this period, a stockholder may withdraw his demand for appraisal and receive payment for his shares as provided in the merger agreement only with our consent. If no petition for appraisal is filed with the court within 120 days after the effective date of the merger, the stockholder's rights to appraisal (if available) will cease. Inasmuch as we have no obligation to file such a petition, any stockholder who desires a petition to be filed is advised to file it on a timely basis. No petition timely filed in the court demanding appraisal may be dismissed as to any stockholder without the approval of the court, which approval may be conditioned upon such terms as the court deems just.

Any stockholder wishing to exercise appraisal rights is urged to consult legal counsel before attempting to exercise appraisal rights. Failure to comply strictly with all of the procedures set forth in Section 262 of the Delaware General Corporation Law may result in the loss of a stockholder's statutory appraisal rights.

Submission of Stockholder Proposals and Nominations

If the merger occurs within 150 days after the close of our 2005 fiscal year, there will be no annual meeting of stockholders next year. If the merger is not completed by then, set forth below is information relevant to the 2006 annual meeting.

Our Bylaws contain procedures for stockholder nomination of directors and for other stockholder proposals to be presented before annual stockholder meetings. For nominations or other business to be properly brought before an annual meeting by a stockholder, the stockholder must have given timely notice thereof in writing to the Secretary of our company at our principal executive offices not less than 90 days nor more than 120 days prior to the first anniversary of the date on which we first mailed our proxy materials for the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is changed by more than 30 days from the anniversary date of the previous year's meeting, notice by the stockholder to be timely must be so delivered not earlier than 120 days prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made. Public announcement of an adjournment of an annual meeting shall not commence a new time period for the giving of a stockholder's notice. Notwithstanding anything in this paragraph to the contrary, if the number of directors to be elected to our board of directors at an annual meeting is increased and there is no public announcement by us naming all of the nominees for director or specifying the size of the increased board of directors at least 100 calendar days prior to the anniversary of the mailing of proxy materials for the prior year's annual meeting of stockholders, then a stockholder's notice required by our Bylaws shall be considered timely, but only with respect to nominees for any new positions created by such increase, if it is received by the Secretary of our company not later than the close of business on the 10th calendar day following the day on which such public announcement is first made by us.

If stockholders wish to have a proposal included in our proxy statement for next year's annual meeting, they must comply with our Bylaws and the applicable requirements of the Exchange Act, and the rules and regulations thereunder including Rule 14a-8 under such Act. In order to be so eligible, stockholder proposals must be received by us between November 14, 2005 and December 14, 2005 or such other dates as we may publicly announce.

A copy of the Bylaw provisions described above is available upon written request to James W. Cuminale, Esq., Executive Vice President Corporate Development, General Counsel and Secretary, PanAmSat Holding Corporation, 20 Westport Road, Wilton, Connecticut 06897. The person presiding at the meeting is authorized to determine if a proposed matter is properly before the meeting or if a nomination is properly made.

(collectively, the "*Stockholders*") beneficially own an aggregate of 71,315,359 shares of Company Common Stock, which constitute approximately 58% of the outstanding capital stock of the Company as of the date hereof;

WHEREAS, the respective Board of Directors of Parent, Merger Sub and the Company have approved, and deem it advisable to consummate, the merger of Merger Sub with and into the Company, with the Company surviving as the Surviving Corporation, on the terms and conditions set forth herein;

WHEREAS, as a condition and an inducement to the willingness of Parent and Merger Sub to enter into this Agreement, the Stockholders have concurrently herewith entered into that certain Voting Agreement with Parent in substantially the form attached hereto as Exhibit A; and

WHEREAS, Parent, Merger Sub and the Company desire to make certain representations, warranties, covenants and agreements in connection with the Merger (as hereinafter defined).

NOW, THEREFORE, in consideration of the premises and the respective representations, warranties, covenants and agreements set forth herein, and, intending to be legally bound hereby, the parties hereto agree as follows:

ARTICLE I

The Merger

1.1. *The Merger.* Upon the terms and subject to the conditions set forth in this Agreement, at the Effective Time, Merger Sub shall be merged (the "*Merger*") with and into the Company in accordance with the General Corporation Law of the State of Delaware, as amended (the "*DGCL*"), whereupon the separate existence of Merger Sub shall cease, and the Company shall continue as the surviving corporation (the "*Surviving Corporation*").

1.2. *Closing Date.* Upon the terms and subject to the conditions set forth in this Agreement, the closing of the Merger (the "*Closing*") shall take place at 10:00 a.m. on a date (the "*Closing Date*"), which shall be the date after satisfaction or waiver of the conditions set forth in Article V other than those conditions that by their nature are to be satisfied by actions taken at the Closing, but subject to the fulfillment or waiver of those conditions, that is the earlier of (a) a date during the Marketing Period to be specified by Parent on no less than three Business Days' notice to the Company and (b) the final day of the Marketing Period, at the offices of Wachtell, Lipton, Rosen & Katz, 51 West 52nd Street, New York, New York 10019, or at such other time, date or place as agreed to in writing by the parties hereto.

1.3. *Effective Time.* Upon the Closing, the Company and Merger Sub will file a certificate of merger (the "*Certificate of Merger*") with the Secretary of State of the State of Delaware as executed in accordance with the relevant provisions of the DGCL. The Merger shall become effective at such time as the Certificate of Merger is duly filed with the Secretary of State of the State of Delaware or at such later time as is agreed by Parent and the Company and specified in the Certificate of Merger (the "*Effective Time*"). The Merger shall have the effects set forth in the DGCL. Without limiting the

generality of the foregoing, and subject thereto, at the Effective Time, all the properties, rights, privileges, powers and franchises of the Company and Merger Sub shall vest in the Surviving Corporation, and all debts, liabilities and duties of the Company and Merger Sub shall become the debts, liabilities and duties of the Surviving Corporation.

1.4. *Certificate of Incorporation.* The certificate of incorporation of the Company as in effect immediately prior to the Effective Time shall be amended to read in its entirety in the same fashion as the certificate of incorporation of Merger Sub, other than the incorporator of Merger Sub, the exculpation and indemnification provisions (which shall remain unchanged), and corporate name (which shall remain PanAmSat Holding Corporation), and, as so amended, shall be the certificate of incorporation of the Surviving Corporation.

1.5. *Bylaws.* The bylaws of the Company in effect at the Effective Time shall be amended to read in their entirety in the same fashion as the bylaws of Merger Sub, other than references to the corporate name of the Company (which shall remain PanAmSat Holding Corporation), and, as so amended shall be the bylaws of the Surviving Corporation until amended in accordance with applicable law.

1.6. *Directors and Officers.* From and after the Effective Time, until successors are duly elected or appointed and qualified in accordance with the DGCL and the certificate of incorporation and bylaws of the Surviving Corporation, (a) the directors of Merger Sub at the Effective Time shall be the directors of the Surviving Corporation, and (b) the officers of the Company at the Effective Time shall be the officers of the Surviving Corporation.

1.7. *Conversion of Securities.* Subject to the terms and conditions of this Agreement, at the Effective Time, by virtue of the Merger and without any action on the part of Parent, Merger Sub, the Company or the holders of any securities of Merger Sub or the Company:

(a) *Merger Consideration.* Each share of common stock, par value \$0.01 per share, of the Company ("*Company Common Stock*") issued and outstanding immediately prior to the Effective Time (other than shares of Company Common Stock to be cancelled in accordance with Section 1.7(c), the Dissenting Shares, and the shares of Company Common Stock beneficially owned by Parent or any direct or indirect wholly owned Subsidiary of the Company, which shall remain outstanding except that the number of such shares owned by Parent or such Subsidiaries shall be adjusted in the Merger to maintain relative ownership percentages) shall automatically be converted into the right to receive \$25.00 per share plus the amount, if any, of the Pro Rata Dividend, in cash without interest (the "*Merger Consideration*"), payable to the holder of such shares of Company Common Stock, upon surrender, in the manner provided in Section 1.8, of the certificate that formerly evidenced such share of Company Common Stock. All such shares of Company Common Stock, when so converted, shall no longer be outstanding and shall automatically be cancelled and retired and shall cease to exist, and each holder of a certificate representing any such shares of Company Common Stock shall cease to have any rights with respect thereto, except the right to receive the Merger Consideration therefor, without interest, upon the surrender of such certificate in accordance with Section 1.8.

(b) *Merger Sub.* Each issued and outstanding share of common stock, par value \$0.01 per share, of Merger Sub shall be converted into one validly issued and fully paid share, par value \$0.01 per share, of the Surviving Corporation.

(c) *Cancellation.* Each share of Company Common Stock owned by the Company immediately prior to the Effective Time shall be cancelled and extinguished without any conversion thereof and no payment or other consideration shall be made with respect thereto.

1.8. *Surrender of Certificates.*

(a) *Exchange Agent.* Prior to the Effective Time, Parent shall select a bank or trust company reasonably acceptable to the Company to act as the exchange agent (the "*Exchange Agent*") for the holders of shares of Company Common Stock in connection with the Merger and shall enter into an agreement with the Exchange Agent which is reasonably acceptable to the Company. Promptly and in any event no later than simultaneously with the Closing, the Company shall deposit, or cause to be deposited, the proceeds of the PanAmSat Debt Financing (including the cash on hand contemplated thereby, less the amount of any fees or expenses paid by the Company) with the Exchange Agent, for the benefit of the holders of shares of Company Common Stock and Parent shall deposit, or cause to be deposited, with the Exchange Agent, for the benefit of the holders of shares of Company Common Stock, cash in an aggregate amount equal to the excess of (A) the product of (i) the number of shares of Company Common Stock issued and outstanding at the Effective Time (other than shares of Company Common Stock to be cancelled in accordance with Section 1.7(c), the Dissenting Shares and the shares of Company Common Stock beneficially owned by Parent, or the Company or any of their respective wholly-owned direct or indirect Subsidiaries) and (ii) the Merger Consideration over (B) the proceeds of the PanAmSat Debt Financing (including such cash on hand, less the amount of any fees or expenses paid by the Company). Any funds deposited with the Exchange Agent shall hereinafter be referred to as the "*Exchange Fund*."

(b) *Exchange Procedures.* Promptly after the Effective Time, the Surviving Corporation shall cause the Exchange Agent to mail to each holder of record as of the Effective Time of a certificate or certificates (the "*Certificates*") which immediately prior to the Effective Time represented outstanding shares of Company Common Stock and whose shares were converted pursuant to Section 1.7(a) into the right to receive the Merger Consideration: (i) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Exchange Agent and shall be in such form and have such other provisions not inconsistent with this Agreement as Parent and Surviving Corporation shall reasonably specify) and (ii) instructions for use in effecting the surrender of the Certificates in exchange for the Merger Consideration to which the holder of such Certificate is entitled pursuant to Section 1.7(a) (without limiting the effect of Section 1.11). Upon surrender of a Certificate for cancellation to the Exchange Agent and such other documents as may be reasonably requested by the Exchange Agent, together with such letter of transmittal duly completed and validly executed in accordance with the instructions thereto, the holder of such Certificate shall be entitled to receive promptly in exchange therefor the aggregate Merger Consideration which such holder has the right to receive pursuant to Section 1.7(a) (after taking into account all Certificates surrendered by such holder), and each Certificate so surrendered shall forthwith be cancelled. Until so surrendered, each Certificate will represent, from and after the Effective Time, only the right to receive the Merger Consideration in cash as contemplated by this Article I. No interest shall accrue or be paid on the amounts payable pursuant to this Article I upon surrender of a Certificate.

(c) *No Liability.* Notwithstanding anything to the contrary in this Section 1.8, neither the Exchange Agent, Parent, the Surviving Corporation nor any party hereto shall be liable to any Person in respect of any Merger Consideration for any amount properly delivered to a public official pursuant to any applicable abandoned property, escheat or similar law.

(d) *Termination of Exchange Agent.* Any portion of the Exchange Fund which remains undistributed to the holders of Certificates six (6) months after the Effective Time shall, at the request of Parent, be delivered to Parent (or an affiliate of Parent) or otherwise on the instruction of Parent, and any holders of the Certificates who have not surrendered such Certificates in compliance with this Section 1.8 shall after such delivery look only to Parent (subject to abandoned property, escheat and similar laws) for payment, as general creditors thereof, of their claim for the Merger Consideration, without interest, to which such holders may be entitled pursuant to Section 1.7(a). Any such portion of

the Exchange Fund remaining unclaimed by holders of shares of Company Common Stock immediately prior to such time as such amounts would otherwise escheat to or become property of any Governmental Authority shall, to the extent permitted by law, become the property of Parent free and clear of any claims or interest of any Person previously entitled thereto.

1.9. *No Further Ownership Rights in Company Common Stock.* From and after the Effective Time, the holders of Company Common Stock outstanding immediately prior to the Effective Time whose shares of Company Common Stock were converted into the right to receive Merger Consideration in the Merger shall cease to have any rights with respect to such shares of Company Common Stock except as otherwise provided herein or by applicable law. The Merger Consideration paid in exchange for shares of Company Common Stock in accordance with the terms hereof shall be deemed to have been paid in full satisfaction of all rights pertaining to such shares of Company Common Stock previously represented by such Certificates. As of the Effective Time, the stock transfer books of the Company shall be closed with respect to those stockholders whose shares of Company Common Stock were converted into the right to receive the Merger Consideration in the Merger and there shall be no further registration of transfers on the records of the Surviving Corporation of such shares of Company Common Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, Certificates with respect to those stockholders whose shares of Company Common Stock were converted into the right to receive Merger Consideration in the Merger are presented to the Surviving Corporation or the Exchange Agent for any reason, such Certificates shall be cancelled and exchanged as provided for in this Article I.

1.10. *Lost, Stolen or Destroyed Certificates.* In the event any Certificates shall have been lost, stolen or destroyed, the Exchange Agent shall deliver in exchange for such lost, stolen or destroyed Certificates, upon the making of an affidavit of that fact by the holder thereof, the Merger Consideration to which the holder thereof is entitled pursuant to this Article I; provided, however, Parent or the Surviving Corporation may, as a condition precedent to such delivery, require the owner of such lost, stolen or destroyed Certificates to deliver a bond in such sum as they may reasonably direct as indemnity against any claim that may be made against Parent, the Surviving Corporation, the Company or the Exchange Agent with respect to the Certificates alleged to have been lost, stolen or destroyed.

1.11. *Dissenting Shares.* Notwithstanding any provision of this Agreement to the contrary, any issued and outstanding shares of Company Common Stock held by a Person who has the right to and has demanded appraisal of such shares in accordance with Section 262 of the DGCL ("*Dissenting Holder*"), and as of the Effective Time has not failed to perfect, effectively withdrawn or lost his right to such appraisal ("*Dissenting Shares*"), shall not be converted into or represent a right to receive the Merger Consideration pursuant to Section 1.7(a), but such Dissenting Holder thereof shall only be entitled to such rights in respect thereof as are granted by Section 262 of the DGCL.

1.12. *Withdrawal.* Notwithstanding the provision of Section 1.11, if any Dissenting Holder shall effectively withdraw or lose (through failure to perfect or otherwise) his right to appraisal, then as of the Effective Time or the occurrence of such event, whichever occurs later, such shares shall automatically be converted into and represent only the right to receive the Merger Consideration, as provided in Section 1.7(a), without interest thereon, upon surrender of the certificate or certificates representing such shares in accordance with Section 1.7(a).

1.13. *Notice of Dissenters.* The Company shall provide Parent (i) prompt notice of any written demands for appraisal or payment of the fair value of any shares of Company Common Stock, the withdrawals of such demands and any other related instruments served pursuant to the DGCL and received by the Company and (ii) the opportunity to participate in all negotiations and proceedings with respect to demands for appraisal under the DGCL. Except with the prior written consent of

Parent and, until the Effective Time, the Company shall not voluntarily make any payment with respect to any demands for appraisal and shall not settle or offer to settle any such demands.

1.14. *Withholding Taxes.* Each of the Exchange Agent, the Company, the Surviving Corporation and Parent shall be entitled to deduct and withhold from the Merger Consideration pursuant to the Merger such amounts as the Exchange Agent, the Company, the Surviving Corporation and Parent are required to deduct and withhold with respect to the making of such payment under the Internal Revenue Code of 1986, as amended (the "Code"), or under any applicable provision of state, local or foreign Law. To the extent that amounts are so withheld, such amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the Company Common Stock, in respect of which such deduction and withholding was made by the Exchange Agent, the Company, the Surviving Corporation or Parent.

1.15. *Transfer of Ownership.* If the Merger Consideration is to be paid to a Person other than the Person in whose name the surrendered Certificate formerly evidencing shares of Company Common Stock is registered, it will be a condition of payment that the Certificate so surrendered will be properly endorsed and otherwise in proper form for transfer and that the Persons requesting such payment will have paid to the Surviving Corporation or any agent designated by it any transfer or other Taxes required by reason of the payment of the amount specified in Section 1.7(a) to a Person other than the registered holder of the Certificates surrendered, or established to the satisfaction of the Surviving Corporation or any agent designated by it that such Tax has been paid or is not payable.

1.16. *Further Action.* At and after the Effective Time, the officers and directors of the Surviving Corporation will be authorized to execute and deliver, in the name and on behalf of the Company and Merger Sub, any deeds, bills of sale, assignments or assurances and to take and do, in the name and on behalf of the Company and Merger Sub, any other actions and things to vest, perfect or confirm of record or otherwise in the Surviving Corporation any and all right, title and interest in, to and under any of the rights, properties or assets acquired or to be acquired by the Surviving Corporation as a result of, or in connection with, the Merger.

1.17. *Company Equity Awards.*

(a) *Company Options.* As soon as practicable following the date of this Agreement, the Board of Directors of the Company (the "Board of Directors") (or, if appropriate, any committee administering the Company's Second Amended and Restated 2004 Stock Option Plan for Key Employees (the "2004 Option Plan"), and Fourth Amended and Restated Long-Term Stock Incentive Plan (together with the 2004 Option Plan, the "Company Equity Plans")) shall adopt such resolutions or take such other actions as are required to adjust the terms of each outstanding option to purchase shares of Company Common Stock (each a "Company Option") under any Company Equity Plan or otherwise, to provide that, at the Effective Time, each Company Option, including each Performance Option (as defined in the Amended and Restated Stock Option Agreements issued under the 2004 Option Plan), shall (i) if unvested, vest in full, and (ii) automatically be cancelled at the Effective Time and converted into the right to receive as soon as reasonably practicable following the Effective Time (but in no event later than three Business Days after the Effective Time) a lump sum cash payment (less applicable Taxes required to be withheld with respect to such payment) equal to the product of (i) the number of shares subject to such Company Option and (ii) the excess, if any, of (A) \$25.00 less (B) the exercise price per share of such Company Option.

(b) *Restricted Shares.* Each share of Company Common Stock granted to any director of the Company that is subject to vesting or other lapse restrictions pursuant to any Company Equity Plan (collectively, "Restricted Shares") and that is outstanding immediately prior to the Effective Time shall vest and become free of such restrictions as of the Effective Time, and, at the Effective Time, the holder thereof shall, subject to this Article I, be entitled to receive the Merger Consideration with respect to each such Restricted Share.

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

(c) *No Other Company Equity Awards.* The Company shall take all actions reasonably necessary to ensure that from and after the Effective Time the Surviving Corporation will not be bound by any options, rights, units, awards or arrangements which would entitle any Person, other than Parent or its Subsidiaries, to beneficially own shares of the Surviving Corporation or receive any payments (other than as set forth in this Section 1.17) in respect of such options, rights, units, awards or arrangements.

(d) Prior to the Effective Time, the Company shall deliver appropriate notices (which notices shall have been approved by Parent) to each holder of Company Options setting forth each holder's rights pursuant to the respective Company Equity Plans, stating that such Company Options shall be treated in the manner set forth in this Section 1.17.

(e) *Deferred Stock Units.* As soon as practicable following the date of this Agreement, the Board of Directors (or, if appropriate, any committee administering the Deferred Compensation Plan (the "*Deferral Plan*"), and Supplemental Savings Plan, (the "*SERP*")) shall adopt such resolutions or take such other actions as are required to adjust the terms of each outstanding deferred stock unit (each a "*DSU*") under the Deferral Plan and SERP, to provide that, at the Effective Time, each vested DSU shall automatically be cancelled at the Effective Time and converted into a lump sum in cash equal to the Merger Consideration, subject to the terms and conditions set forth in the Deferral Plan or the SERP, as applicable, including the terms and conditions with respect to distributions thereunder.

Each of the Company and its Subsidiaries is duly qualified or licensed to do business and is in good standing in each jurisdiction in which the property owned, leased or operated by it or the nature of the business conducted by it makes such qualification or licensing necessary, except where the failure to be so duly qualified or licensed and in good standing has not had and would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

(b) *Subsidiaries.* Section 2.1(b) of the Company Disclosure Schedule sets forth a complete list of the Company's Subsidiaries and all other entities in which the Company owns, directly or indirectly, any shares of capital stock or equity interests and such list sets forth the jurisdiction of organization of each such Subsidiary and other entity as of the date hereof and separately identifies each Significant Subsidiary.

(c) *Charter Documents.* The Company has delivered or made available to Parent: (i) a true and correct copy of the restated certificate of incorporation and bylaws of the Company, each as amended

No Contract pursuant to which any Indebtedness of the Company or its Subsidiaries is outstanding or may be incurred provides for the right to vote (or is convertible into, or exchangeable or exercisable for, securities having the right to vote) on any matters on which the shareholders of the Company or its Subsidiaries may vote. No event has occurred which entitles (with or without notice or lapse of time or both) the holder of any Indebtedness set forth in Section 2.2(c) of the Company Disclosure Schedule to accelerate, or which does accelerate, the maturity of any such Indebtedness.

2.3. *Corporate Authorization; Board Approval.*

(b) *Board Approval.* The Board of Directors of the Company has by unanimous vote of all of the directors, at a meeting duly called and held on or prior to the date hereof, (i) determined and declared that this Agreement and the Merger are advisable and fair to and in the best interests of the Company and its stockholders, (ii) approved this Agreement and the transactions contemplated hereby, including the Merger and the transactions contemplated thereby, (iii) resolved to make the Company Recommendation and (iv) directed that this Agreement be submitted to the Company's stockholders for adoption.

the consummation of any of the transactions contemplated hereby without the prior written consent of the Company.

4.3. *Debt Offer Documents, Proxy Statement; SEC Documents; Company Financial Statements.*

(a) *Proxy Statement.* As promptly as reasonably practicable following the date hereof, the Company shall prepare and shall file (no later than the tenth Business Day following the date hereof) with the SEC a preliminary Proxy Statement, together with a form of proxy, with respect to the Company Stockholders' Meeting at which the stockholders of the Company will be asked to vote upon and approve this Agreement and the Merger and shall use its commercially reasonable efforts to have the Proxy Statement and form of proxy cleared by the SEC as soon as practicable following the date the Proxy Statement is filed with the SEC and shall cause the Proxy Statement to be mailed to the Company's stockholders as soon as practicable following the date the form of proxy is cleared by the SEC. Each of Parent and the Company shall cooperate and the Company shall provide Parent and its counsel with a reasonable opportunity to review and comment on the Proxy Statement and on any amendment or supplement to the Proxy Statement prior to filing such with the SEC and will provide Parent with a copy of all such filings made with the SEC. The information provided and to be provided by Parent, Merger Sub and the Company, respectively, for use in the Proxy Statement or any amendment or supplement thereto and the Debt Offer Documents or any amendment or supplement thereto, in the case of the Proxy Statement, at the date the Proxy Statement or any such amendment or supplement is first mailed to stockholders of the Company and at the time of the Company Stockholders' Meeting, and in the case of the Debt Offer Documents or any amendments or supplements thereto, at the time the Debt Offer Documents are first made available to potential purchasers of PanAmSat Debt Financing and at the time of the consummation of the PanAmSat Debt Financing, any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; provided that with respect to the Bank Book, the Company's only obligation shall be to provide such information regarding the Company as it would be required to inform the lenders and banks under the Commitment Letters as if the Company were a party thereto. Parent shall provide to the Company a copy of any disclosure relating to the Company and its Subsidiaries in the Bank Book or any revision thereto and an opportunity to correct such disclosure prior to the dissemination of the Bank Book or any such revision.

None of the Company SEC Documents (including any financial statements or schedules included or incorporated by reference therein) to be filed by the Company after the date of this Agreement, when filed (unless amended, in which case when amended), will contain any untrue statement of a material fact or omit to state a material fact required to be stated or incorporated by reference therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(d) *Company Financial Statements.* Each of the audited and unaudited financial statements (including any related notes) included in the Company SEC Documents to be filed by the Company after the date of this Agreement, when filed (unless amended, in which case when amended), will comply in all material respects with all applicable accounting requirements and with the published rules and regulations of the SEC with respect thereto, will have been prepared in accordance with GAAP (except, in the case of unaudited quarterly statements, as permitted by Form 10-Q of the SEC) applied on a consistent basis throughout the periods involved (except as may be indicated in the notes thereto) and will fairly present the consolidated financial position of the Company and its Subsidiaries at the respective date thereof and the consolidated results of its and their operations and cash flows for the periods indicated (subject, in the case of unaudited quarterly statements, to normal year-end audit adjustments, which were not and are not expected to be material in amount).

4.4. *Company Stockholders' Meeting.*

(a) *Company's Obligations Relating to the Stockholder Approval Process.* The Company shall, consistent with its obligations under Section 4.7, as promptly as practicable following the execution of this Agreement:

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

only if the Company shall have complied in all respects with the applicable provisions of Section 4.6 with respect to such Superior Proposal. Notwithstanding anything to the contrary in this Agreement, unless this Agreement is earlier terminated in accordance with its terms, the Company shall be required to submit this Agreement for approval by its stockholders at the Company Stockholders' Meeting and comply with its other obligations hereunder regardless of any Non-Recommendation Determination.

(c) *Conditions to the Company's Obligations Relating to the Stockholder Approval Process.* The Company's obligation to hold and convene a meeting as set forth in Section 4.4(a)(i) and to take the actions set forth in Section 4.4(a)(iii) is subject to the receipt of all required approvals and clearances of the Proxy Statement from the SEC and that no restraining order shall have been entered or threatened by the SEC with respect to the Proxy Statement.

4.5. *Confidentiality; Access to Information.*

(a) *Confidentiality.* The parties acknowledge that the Company and an affiliate of Parent have previously executed a Confidentiality Agreement dated April 19, 2005, as amended (the "*Confidentiality Agreement*"), which Confidentiality Agreement will continue in full force and effect in accordance with its terms, and Parent will hold, and will cause its directors, officers, employees, agents and advisors (including attorneys, accountants, consultants, bankers and financial advisors) to hold, any Evaluation Material (as defined in the Confidentiality Agreement) confidential in accordance with the terms of the Confidentiality Agreement.

(b) *Access to Information.* To the extent permitted by applicable Law, from the date hereof and continuing until the earlier of the termination of this Agreement or the Effective Time, the Company will and will cause its Subsidiaries to (i) give Parent, its counsel, financial advisors, auditors and other authorized representatives reasonable access during normal business hours to the offices, properties, employees and personnel (including for purposes of discussing post-Closing employment), books and records of the Company and its Subsidiaries, (ii) furnish to Parent, its counsel, financial advisors, auditors, financing sources that executed and delivered the Commitment Letters, and other authorized representatives such financial and operating data and other information as such persons may reasonably request (including for the purpose of planning for post-closing integration between the parties), (iii) instruct the Company's employees, auditors, counsel and financial advisors to cooperate with Parent in its investigation of the business of the Company and its Subsidiaries and in Parent's and its Subsidiaries' integration planning efforts and (iv) deliver to Parent a copy of the monthly "*Health Status Reports*" at the same time that such reports are delivered to the Company's customers in the ordinary course of business consistent with past practice. 4.6. *No Solicitation.*

(a) The Company agrees that, during the term of this Agreement, it shall not, nor shall it permit any of its Subsidiaries to, nor shall it authorize or permit any of its or its Subsidiaries' officers, directors, employees, investment bankers, attorneys, accountants, agents or other advisors or representatives (collectively, "*Representatives*"), directly or indirectly, to:

(i) solicit, initiate or otherwise take action to facilitate (including by way of furnishing information) or encourage the making by any Person (other than the other parties hereto) of any proposal, offer or inquiry (including any proposal from or offer to its shareholders) that constitutes, or could reasonably be expected to lead to, a proposal for any merger, reorganization, share exchange, tender offer, exchange offer, consolidation, recapitalization, liquidation, dissolution, joint venture or other business combination involving the Company or any of its Subsidiaries, or any purchase of 10% or more of the capital stock or a material portion of the

assets of the Company and its Subsidiaries on a consolidated basis (in each case, a "*Competing Transaction*");

(ii) participate in any discussions or negotiations regarding, or furnish or disclose to any Person any information with respect to or in furtherance of, or take any other action to facilitate any inquiries with respect, to any Competing Transaction; or

(iii) execute or enter into any agreement, understanding or arrangement with respect to any Competing Transaction, or approve or recommend or propose to approve or recommend any Competing Transaction or any agreement, understanding or arrangement relating to any Competing Transaction (or resolve or authorize or propose to agree to do any of the foregoing actions); provided, however, that:

(A) at any time prior to such time, if any, that the Company Requisite Vote shall have been received, the Company may take any action described in the foregoing clause (ii) in respect of any Person, but only if (1) such Person has delivered an unsolicited bona fide written proposal for a Competing Transaction that, in the good faith judgment of the Company's Board of Directors (or any authorized committee thereof), after consultation with its financial advisors, is a Superior Proposal or is reasonably likely to be or become a Superior Proposal and (2) the Board of Directors of the Company (or any authorized committee thereof) determines in good faith following the receipt of the advice of counsel that it is necessary to do so in order to comply with its fiduciary duties under applicable Law; provided, further, that (x) prior to the Company furnishing any confidential information to such Person, such Person shall have entered into a confidentiality agreement with the Company in substance substantially similar to and no more favorable to such Person than the Confidentiality Agreement (excluding any standstill provision) and (y) the Company shall promptly notify (but in no event later than 24 hours) Parent of any such inquiries, proposals or offers received by, any such information requested from, or any such discussions or negotiations sought to be initiated or continued with, any of its Representatives indicating, in connection with such notice, the name of such Person and the material terms and conditions (including without limitation with respect to any rights and obligations of any shareholders) of any inquiries, proposals or offers, and shall keep Parent reasonably informed as to the status thereof and of any oral or written modifications to the possible terms of the Competing Transaction that is the subject of such inquiries, proposals or offers or status in each case, within 24 hours of such modification. The Company agrees that it and its respective Subsidiaries will not enter into any confidentiality agreement with any Person subsequent to the date of this Agreement which prohibits the Company from providing such information to Parent. The Company agrees that neither it nor any of its Subsidiaries shall terminate, waive, amend or modify any provision of any standstill or confidentiality agreement relating to the sale or other disposition of the Company or any material portion of its or any of its Subsidiaries' equity interests or assets to which it or any of its Subsidiaries is a party and that it and its Subsidiaries shall enforce the provisions of any such agreement by appropriate commercially reasonable action.

(B) The Company may enter into any agreement or arrangement (other than a confidentiality agreement, which may be entered into if the conditions of clause (A) above have been met) regarding any such Competing Transaction, or the Company's Board of Directors (or any authorized committee thereof) may approve or recommend to its stockholders (or resolve to do so), or publicly propose to approve or recommend to its stockholders, an unsolicited bona fide written proposal for a Competing Transaction or make a Non-Recommendation Determination in connection with a Superior Proposal, but only if (1) the Company and its Subsidiaries have complied with their obligations under this Section 4.6 in all material respects and with this clause (B) in all respects, (2) the Company

has first given Parent at least four Business Days to respond to such Competing Transaction after the Company has notified Parent of all material terms of such transaction as described above and that, in the absence of any further action by Parent, (i) in the good faith judgment of the Company's Board of Directors (or any authorized committee thereof), after consultation with its financial advisors, the Company's Board of Directors (or any authorized committee thereof) has concluded such Competing Transaction is a Superior Proposal and (ii) the Company's Board of Directors (or any authorized committee thereof), has determined in good faith and following the receipt of the advice of counsel, that it is necessary to take such action (and describing the action that it intends to take) in order to comply with its fiduciary duties under applicable Law, and in each case having given due consideration to any amendments or modifications to this Agreement proposed by Parent during such four Business Days period; and (3) in the event the Company intends to enter into any such agreement or arrangement (other than a confidentiality agreement that may be entered into if the conditions of clause (A) above have been met) regarding any such Competing Transaction, the Company has previously terminated this Agreement in accordance with Section 6.1(c)(ii) hereof and simultaneously paid the Company Termination Fee pursuant to Section 6.3(b) hereof;

(C) nothing herein shall limit the Company's ability to comply in good faith, to the extent applicable, with Rules 14d-9 and 14e-2 of the Exchange Act with regard to a tender or exchange offer or to make any disclosure required by applicable Law that the Company's Board of Directors (or any authorized committee thereof) determines in good faith following the receipt of the advice of counsel is required by applicable Law; provided, however, that neither the Company nor the Company's Board of Directors (nor any committee thereof) shall (i) recommend that the stockholders of the Company tender their Company Common Stock in connection with any such tender or exchange offer (or otherwise approve or recommend any Competing Transaction) or (ii) withdraw or modify the Company Recommendation, unless in each case the requirements of this Section 4.6 shall have been satisfied.

(b) For the purposes of this Agreement, "*Superior Proposal*" means a bona fide, written proposal by a third party for a Competing Transaction not solicited in violation of this Section 4.6 that is on terms that the Company's Board of Directors (or any authorized committee thereof) determines in good faith, after consultation with its counsel and financial advisors, would, if consummated, result in a transaction that would be more favorable to the Company and its stockholders (taking into account such factors as the Company's Board of Directors (or any authorized committee thereof) in good faith deems relevant, including the identity of the offeror and all legal, financial, regulatory and other aspects of the proposal, including the terms of any financing and the likelihood that the transaction will be consummated) than the Merger contemplated by this Agreement would be if it were consummated; provided that to be a Superior Proposal, the consummation of one or more steps in a Competing Transaction must result in a third party (or the shareholders of such third party) acquiring, directly or indirectly, more than 50% of the Company Common Stock (or the surviving or ultimate parent entity in such transaction) or all or substantially all of the assets of the Company and its Subsidiaries, taken as a whole.

(c) The Company will, and will cause its Subsidiaries and their respective Representatives to, cease and cause to be terminated immediately all existing discussions or negotiations with any Persons conducted on or before the date hereof with respect to any Competing Transaction and shall request that all confidential information previously furnished to any such third parties be returned or destroyed promptly in accordance with confidentiality agreements with such third parties.

4.7. *Commercially Reasonable Efforts.* Subject to the terms and conditions of this Agreement, each party will use its commercially reasonable efforts (except where a different efforts standard is specifically contemplated by this Agreement, in which case such different standard shall apply) to take,

or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under applicable Laws and Orders to consummate the transactions contemplated by this Agreement.

4.8. *Regulatory Matters.*

(a) Within thirty (30) Business Days after the date hereof or any shorter period as required by applicable Law, (i) each of Parent and the Company shall file any Notification and Report Forms and related material required to be filed by it with the Federal Trade Commission and the Antitrust Division of the United States Department of Justice under the HSR Act, and Parent and the Company shall make any similar required competition law filings under any other applicable Laws, including, but not limited to, Antitrust Laws with respect to the transactions contemplated by this Agreement, and shall promptly make any further filings pursuant thereto that may be necessary, proper or advisable, (ii) each of Parent and the Company shall make any required filings under any other Antitrust Laws, and (iii) the Company shall make an application with the Department of State relating to the registration of the Company or any of its Subsidiaries as an exporter under ITAR (which application shall request that any related ITAR licenses relating to the Company or any of its Subsidiaries as an exporter under ITAR be transferred to the Company or any of its Subsidiaries upon the Closing Date).

(b) Within thirty (30) Business Days after the date hereof, each of Parent and the Company shall make, and shall cause its Subsidiaries to make all necessary filings with or applications to any Governmental Authority that has issued a Company Permit with respect to the transactions contemplated by this Agreement, including any necessary applications to the FCC for its consent to the transactions contemplated hereby with respect to a Company Permit issued by the FCC (the "*FCC Consent Application*").

(c) Parent and the Company shall, and shall cause their respective Subsidiaries to: (i) use their reasonable best efforts to obtain prompt termination of any waiting period under the HSR Act and prompt termination of any other requisite waiting period under any applicable Law; (ii) cooperate and consult with each other in connection with the making of all filings, notifications and any other material actions pursuant to this Section 4.8, including subject to Applicable Law, by permitting counsel for the other party to review in advance, and consider in good faith the views of the other party in connection with, any proposed written communication to any Governmental Authority and by providing counsel for the other party with copies of all filings and submissions made by such party and all correspondence between such party (and its advisors) with any Governmental Authority and any other information supplied by such party and such party's Subsidiaries to a Governmental Authority or received from such a Governmental Authority in connection with the transactions contemplated by this Agreement, provided, however, that materials may be redacted (x) to remove references concerning the valuation of Parent, the Company, or any of their Subsidiaries, and (y) as necessary to comply with contractual arrangements, and (z) as necessary to address reasonable privilege or confidentiality concerns; (iii) furnish to the other parties such information and assistance as such parties reasonably may request in connection with the preparation of any submissions to, or agency proceedings by, any Governmental Authority; (iv) promptly inform the other party of any communications with, and inquiries or requests for information from, such Governmental Authorities in connection with the transactions contemplated by the Agreement; (v) consult with the other parties in advance of any meeting or conference, whether in-person or by telephone, with any such Governmental Authority or, in connection with any proceeding by a private party, with any other Person, and to the extent permitted by such applicable Governmental Authority or other Person, give the other parties the opportunity to attend and participate in such meetings and conferences; and (vi) use their reasonable best efforts to cause the Regulatory Conditions to be satisfied.

(d) Parent and the Company shall, and shall cause their respective Subsidiaries to: (i) use reasonable best efforts to diligently prosecute all applications with the FCC, including the FCC Consent Application, and all similar foreign Governmental Authorities for consent to the transactions

contemplated herein and to provide all appropriate filings and notifications to foreign Governmental Authorities, (ii) furnish to the other parties such information and assistance as such parties reasonably may request in connection with the preparation or prosecution of any such applications, and (iii) keep the other parties promptly apprised of any communications with, and inquiries or requests for information from, such Governmental Authorities with respect to the transactions contemplated hereby.

(e) In furtherance and not in limitation of the covenants of the parties contained in Sections 4.8(a), (b), (c), and (d), each party agrees to use its reasonable best efforts to address such objections, if any, as may be asserted with respect to the transactions contemplated hereby under the Communications Act of 1934, as amended (the "*Communications Act*"), the Telecommunications Act of 1996, any rule, regulation or policy of the FCC, and/or any statute, rule, regulation or policy of any other Governmental Authority with respect to the operation of channels of radio communication and/or the provision of communications services (including the provision of direct-to-home video programming) (collectively, "*Communications Regulation*") or any applicable Antitrust Law. In connection with the foregoing, each party agrees to cooperate and use its reasonable best efforts to assist in any defense by any other party hereto of the transactions contemplated by this Agreement before any Governmental Authority reviewing the transactions contemplated by this Agreement, including by providing (as promptly as practicable) such information as may be requested by such Governmental Authority or such assistance as may be reasonably requested by the other party hereto in such defense.

(f) If any objections are asserted with respect to the transactions contemplated hereby, or if any Action is instituted by, any Governmental Authority or any private party challenging any of the transactions contemplated hereby as violative of any applicable Antitrust Law or Communications Regulation or other applicable Law, the parties shall, subject to Section 4.9, use their reasonable best efforts to resolve any such objections or challenge as such Governmental Authority or private party may have to such transactions under such Law with the goal of enabling the transactions contemplated by this Agreement to be consummated by the Outside Date. In furtherance of the parties' obligations under this Section 4.8, Parent and, to the extent requested by Parent, the Company, shall be required, with the goal of enabling the parties to consummate the transactions contemplated by this Agreement by the Outside Date, to, propose, negotiate, commit to and enter into one or more settlements, undertakings, conditions, consent decrees, stipulations and other agreements with or to one or more Governmental Authorities (each, a "*Settlement*") in connection with the transactions contemplated by this Agreement (including obtaining the requisite consent of such Governmental Authorities), including one or more Settlements that require Parent or, to the extent requested by Parent, the Company, to restructure the operations of, and sell or otherwise divest or dispose of its or its Subsidiaries' assets up to the Limit; provided, however, that (A) the Company shall not take any of the foregoing actions without the consent of Parent, and (B) Parent shall not take any of the foregoing actions without the consent of the Company if such actions would bind the Company to do something irrespective of whether the Closing occurs. In addition, Parent and the Company and their respective Subsidiaries shall, subject to the preceding and next succeeding sentences, use their respective reasonable best efforts to seek to lift, reverse or remove any temporary restraining order, preliminary or permanent injunction or other order or decree that would otherwise give rise to a failure of any Regulatory Conditions. Notwithstanding anything to the contrary in this Agreement, Parent shall not be obligated to agree, and neither the Company nor any Subsidiary shall or shall agree without Parent's consent, to take any action or to accept any condition, restriction, obligation or requirement with respect to Parent, the Company, their respective Subsidiaries or their and their Subsidiaries' assets if such action, condition, restriction, obligation or requirement would be, or result in, individually or in the aggregate, a Burdensome Condition.

(g) Notwithstanding anything to the contrary herein, nothing in this Section 4.8 shall (i) limit either the Company's or Parent's right to terminate this Agreement pursuant to Section 6 hereof so long as such party has complied in all material respects with its obligations under this Section 4.8, or

(ii) require any party to amend this Agreement or to waive or forbear from exercising any of its rights or remedies hereunder or under this Agreement.

4.9. *Approach to Proceedings.* Parent will determine strategy, lead all proceedings and coordinate all activities with respect to seeking any actions, consents, approvals or waivers of any Governmental Authority as contemplated hereby, and the Company and its Subsidiaries will take such actions as reasonably requested by Parent in connection with obtaining such consents, approvals or waivers. Notwithstanding Parent's rights to lead all proceedings as provided in the prior sentence, Parent shall not require the Company to, and the Company shall not be required to, take any action with respect to satisfying the Regulatory Conditions which would bind the Company or its Subsidiaries irrespective of whether the Closing occurs. For all purposes and provisions of this Agreement, each requirement for the Company and its Subsidiaries to use "reasonable best efforts" in respect of matters relating to the satisfaction of the Regulatory Conditions is subject to the following qualifications: (1) except as requested or directed by Parent, the Company shall not be obligated to offer or agree to restructure the operations of, or sell or otherwise divest or dispose of any of its or its Subsidiaries' assets, and (2) with respect to matters as to which Parent has made a specific request or provided specific direction to the Company, the Company and its Subsidiaries shall be deemed to satisfy their reasonable best efforts obligation if it or they use reasonable best efforts to accomplish the actions so requested or directed. Notwithstanding any other provision of this Agreement, Parent and Merger Sub may withdraw or cause the withdrawal, or request the Company to withdraw, any filing, notice or consent without being deemed to be in breach of any obligation hereunder so long as action was taken in good faith with the goal of enabling the transactions contemplated by this Agreement to be consummated by the Outside Date.

4.10. *Public Announcements.* So long as this Agreement is in effect, Parent and the Company will consult with each other before issuing any press release or making any SEC filing or other public statement with respect to this Agreement or the transactions contemplated hereby and, except as may be required by applicable Law or the rules of the New York Stock Exchange (in which case the issuing party shall use its reasonable best efforts to consult with the other party before issuing any such press release or making any such SEC filing or public statement), will not issue any such press release or make any such SEC filing or other public statement prior to such consultation and providing the other party with a reasonable opportunity to comment thereon.

4.11. *Director and Officer Liability.*

(a) From and after the Effective Time, the bylaws and certificate of incorporation of the Company shall contain provisions no less favorable with respect to indemnification of, and advancement of expenses to, present and former directors and officers of the Company than those set forth in the Company's bylaws and restated certificate of incorporation on the date of this Agreement, which provisions shall not be amended, repealed or otherwise modified for a period of six years from the Closing Date in any manner that would adversely affect the rights thereunder of the individuals who at the Closing are present or former directors or officers of the Company, unless such modification is required after the Closing by applicable Law. Parent shall obtain as of the Effective Time "tail" insurance policies with a claims period of at least six years from the Closing with respect to the directors' and officers' liability insurance in amount and scope at least as favorable as the coverage applicable to the Company's director's and officers for the period from August 20, 2004 through the Closing Date; provided, if the premiums for such tail insurance policies exceed 200% of the per annum rate of premium paid by the Company as of the date hereof for such insurance, then Parent shall provide a policy with the best coverage as shall then be available at 200% of such rate (which annual premium is set forth on Section 4.11 of the Company Disclosure Schedule);

(b) Parent agrees that for six years after the Closing Date, it shall, and shall cause the Company and its Subsidiaries to, indemnify each Person who is now, or has been at any time prior to the date hereof, a director or officer of the Company or of any of its Subsidiaries, and each of their successors

and assigns (individually an "*Indemnified Party*" and collectively the "*Indemnified Parties*"), with respect to any claim, liability, loss, damage, judgment, fine, penalty, amount paid in settlement or compromise, cost or expense (including reasonable fees and expenses of legal counsel), against any Indemnified Party in his or her capacity as a officer or director of the Company or its Subsidiaries, whenever asserted or claimed, based in whole or in part on, or arising in whole or in part out of, any facts or circumstances occurring at or prior to the Effective Time whether commenced, asserted or claimed before or after the Effective Time, including liability arising under the Securities Act, the Exchange Act or any other Law and including any liability arising out of or pertaining to the transactions contemplated by this Agreement, in each case to the same extent as provided in the Company's bylaws or restated certificate of incorporation or any other applicable contract or agreement in effect on the date of this Agreement. In the event of any claim, liability, loss, damage, judgment, fine, penalty, amount paid in settlement or compromise, cost or expense described in the preceding sentence, the Company shall pay the reasonable fees and expenses of counsel selected by the Indemnified Parties promptly after statements are received in advance of settlement, judgment or other resolution thereof to such Indemnified Party upon request reimbursement of documented expenses reasonably incurred, provided the applicable Indemnified Parties provide an undertaking to repay all advanced expenses if it is finally judicially determined that such Indemnified Parties are not entitled to indemnification.

(c) If Parent, the Surviving Corporation or any of its successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger, or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, to the extent necessary, proper provision shall be made so that the successors and assigns of Parent or the Surviving Corporation, as the case may be, shall assume the obligations set forth in this Section 4.11.

(d) The rights of each Indemnified Parties under this Section 4.11 shall be in addition to any rights such Person may have under the certificate of incorporation, bylaws or similar organizational documents of the Company or any of its Subsidiaries, or under applicable Law or under any agreement of any Indemnified Party with the Company or any of its Subsidiaries. These rights shall survive consummation of the Merger and are intended to benefit, and shall be enforceable by, each Indemnified Party.

4.12. *Employee Benefits.* (a) For the period beginning on the Closing Date and ending on the Continuation Date, Parent shall, or shall cause the Company and its other Subsidiaries to, maintain (i) employee benefit plans, programs and arrangements, salaries and bonus programs (excluding equity- based plans, retention and bonus programs (except for the Company's Sales Incentive Plan which will continue in accordance with its terms through the calendar quarter in which the Closing Date occurs) and any provision under the PanAmSat Corporation Retirement Savings Plan increasing the company matching contribution in effect since the Company Balance Sheet Date) for employees of the Company or any Subsidiary of the Company immediately prior to the Closing Date who continue to be so employed after the Closing Date, which are, in the aggregate, no less favorable than those provided pursuant to Company Plans (excluding equity-based plans, retention and bonus programs (except for the Company's Sales Incentive Plan which will continue in accordance with its terms through the calendar quarter in which the Closing Date occurs) and any provision under the PanAmSat Corporation Retirement Savings Plan increasing the company matching contribution in effect since the Company Balance Sheet Date) as of immediately before the Closing Date, (ii) employee benefit plans, programs and arrangements, salaries and bonus programs that are triggered upon the termination of employment for employees of the Company or any Subsidiary of the Company immediately prior to the Closing Date who continue to be so employed after the Closing Date, which are, in the aggregate, no less favorable than those provided pursuant to the Company Maintained Plans as of immediately before the Closing Date and (iii) contribution levels and loan provisions under the defined contribution plans of the Company and its Subsidiaries, in each case, at levels which are no less favorable than those provided as of immediately prior to the Closing Date. Notwithstanding anything in this Section 4.12 to

the contrary, for the three-year period beginning on the Closing Date, Parent shall, or shall cause the Company and its other Subsidiaries to, honor the terms of the Company's 2005 Severance Pay Plan as it exists on the date hereof, subject to the amendment of the Severance Plan described in Section 2.15(g) hereof (the "*Severance Plan*"). Employees of the Company or its Subsidiaries immediately prior to the Closing Date who continue to be so employed after the Closing Date (a "*Covered Company Employee*") shall be given credit for all service with the Company or any of its Subsidiaries (and service credited by the Company or any of its Subsidiaries) prior to the Closing Date (to the extent recognized as service under corresponding Company Plans in effect immediately before the Closing Date) for crediting service for purposes of eligibility to participate, vesting and determination of level of benefits (other than for level of benefits under any defined benefit pension plan, except as would result in the duplication of benefits or under plans or programs which do not provide for credit for prior service for employees of Parent generally), under (i) all employee benefit plans, programs and arrangements maintained by or contributed to by Parent and its Subsidiaries (including, after the Closing Date, the Company) in which such Covered Company Employees become participants, and (ii) severance plans for purposes of calculating the amount of each Covered Company Employee's severance benefits. After the Closing Date, Parent and the Company shall (i) waive all limitations as to preexisting conditions and waiting periods with respect to participation and coverage requirements applicable to the Covered Company Employees under any welfare benefit plans that such Covered Company Employees may be eligible to participate in after the Closing Date, to the extent such waivers are consistent with the welfare benefit plans in which the Covered Company Employees participated immediately prior to the Closing Date, and (ii) provide each Covered Company Employee with credit for any co-payments and deductibles paid during the portion of the relevant plan year prior to the Closing Date in which the Closing Date occurs in satisfying any applicable deductible or out-of-pocket requirements under any welfare plans that such Covered Company Employees are eligible to participate in after the Closing Date. Without limiting the generality of the foregoing, after the Closing Date, Parent shall cause the Company to honor (1) those employment, termination and severance agreements, in each case, to which the Company or any of its Subsidiaries is a party and (2) those incentive compensation plans maintained by the Company or any of its Subsidiaries, all as set forth in Section 4.12 of the Company Disclosure Schedule, subject in each case to the terms of such agreements and plans, including such terms governing amendment and termination thereof. Except as expressly provided in the immediately preceding sentence, this Section 4.12 shall not require Parent to continue or cause the Company to continue any specific Company Plan or continue the employment of employees. Notwithstanding anything herein to the contrary, no Person (other than the parties hereto) shall have any rights or remedies pursuant to this Section 4.12.

(b) For the calendar year in which the Closing occurs (the "*Closing Year*") the Company shall pay an annual bonus (the "*Closing Year Bonus*"), based upon the sum of the Pre-Closing Amount plus the Post-Closing Amount, to employees who remain employed with the Company or any of its Subsidiaries through the date on which bonuses are generally paid by Parent to similarly situated employees of Parent and its Subsidiaries (pro rata for any employee hired by the Company after January 1 of the Closing Year). The Closing Year Bonus shall be comprised of (x) an amount prorated through the Closing Date based upon performance through the Closing Date (the "*Pre-Closing Date Amount*") and (y) an amount based upon performance from the Closing Date through December 31 of the Closing Year (the "*Post Closing Date Amount*"), and shall be earned separately for each such period based upon achievement of applicable performance goals during such period. In determining the amount of the bonuses to be earned for the Pre-Closing Date Amount, the Company shall set annual bonus targets for officers and employees with respect to any calendar year prior to the Closing Year in amounts and on terms and conditions and other criteria in the ordinary course of business consistent with past practice, and such targets shall be substantially comparable to and no more likely to be achieved at the time they are established than the corresponding performance targets established for the Company's 2005 Annual Incentive Plan, and the Company shall provide for no greater target or maximum bonus

(expressed as a percentage of base salary) for each participant in the Annual Incentive Plan than was provided for in 2005 (other than in connection with promotions or newly hired employees, provided that such target or maximum bonus amounts shall be established in a manner consistent with similarly situated employees). All annual bonuses paid pursuant to this Section 4.12(b) shall be paid as of the date on which Purchaser and its Subsidiaries pay annual bonuses to employees of Purchaser and its Subsidiaries generally; provided that with respect to any employee who is (i) terminated by Parent or the Company without Cause (as defined in the Severance Plan) or (ii) terminates employment for Good Reason (as defined in Appendix A to the Severance Plan), in either case, on or after the Closing Date, any such employee shall be paid, on or reasonably promptly after the date of such termination, the Pre-Closing Date Amount. Parent shall set annual bonus targets for Covered Company Employees with respect to 2006 and/or 2007, as applicable, under an annual bonus plan of Parent or its Subsidiaries (the "*Parent Bonus Plan*") in amounts and on terms and conditions and other criteria in the ordinary course of business consistent with the past practice of Parent and its Subsidiaries (taking into account the effect of this transaction) provided to similarly situated employees of Parent and its Subsidiaries and no less likely to be achieved than bonuses established for similarly situated employees of Parent and its Subsidiaries.

4.13. *Cooperation with Financing and Debt Registrations.*

(a) The Company shall provide, and shall cause its Subsidiaries to, and shall use commercially reasonable efforts to cause the respective officers, employees and Representatives, including legal and accounting, of the Company and its Subsidiaries to provide, all cooperation reasonably requested by Parent in connection with the Debt Financing and the Parent Debt Registrations (including in connection therewith the filing of the Company's Financial Statements if required by the SEC as part of the applicable registration statements), and shall (i) in the case of the Debt Financing, cause appropriate officers and employees to be available on a customary basis (A) to meet with prospective lenders and investors in presentations, meetings, road shows and due diligence sessions, to assist with the preparation of disclosure documents in connection therewith, and (B) to execute and deliver any pledge and security documents, other definitive financing documents, and other certificates (including solvency certificates), legal opinions or documents as may be reasonably or customarily requested by the banks and lenders in connection with the terms of the PanAmSat Debt Financing, (ii) take all necessary corporate action to consummate the PanAmSat Debt Financing immediately prior to the Closing, and (iii) in the case of the Debt Financing and the Parent Debt Registrations, use commercially reasonable efforts to cause its independent accountants and counsel to provide assistance to Parent, including providing consent, on a customary basis, to Parent to use their audit reports relating to the Company and its Subsidiaries and, at the cost of Parent, to provide any necessary "comfort letters" and to prepare and deliver other customary opinions and other deliverables.

(b) Provided that Parent provides to the Company such information concerning Parent and its Subsidiaries and the Debt Financing as the Company reasonably requests or requires in connection with the following, the Company shall use commercially reasonable efforts to cause the following to occur: not later than 30 days before the Closing Date, the Administrative Agent (as defined in the Commitment Letters) and Parent shall have received audited, in the case of year end, and unaudited, in the case of interim (which have been reviewed by the independent accountants for the Company as provided in Statement on Auditing Standards No. 100), consolidated financial statements of the Company and its consolidated Subsidiaries) and financial statements relating to completed or probable acquisitions (including pro forma financial statements), in each case required by and meeting the requirements of Regulation S-X that would apply to a Form S-1 registration statement being filed by the Company on such date of delivery under the Securities Act of 1933, as amended (the "*Required Financial Information*"); provided that, if on any date during such 30-day period prior to the Closing Date financial statements for a later period-end would be required if the Company filed a registration statement on Form S-1 on such date, and the Administrative Agent requests that such financial statement be provided, then financial statements with such later period-end meeting the forgoing

requirements shall have also been received reasonably promptly following such request, and in any event, prior to the Closing Date.

4.14. *Merger Sub.* Parent will take all action necessary to cause Merger Sub to perform its obligations under this Agreement and to consummate the Merger on the terms and conditions set forth in this Agreement. Merger Sub shall not engage in any business which is not in connection with the Merger or other transactions contemplated hereby.

ARTICLE V

Conditions to the Merger

5.1. *Conditions to the Obligations of the Parties.* The respective obligations of the Company, Merger Sub and Parent to consummate the Merger are subject to the satisfaction (or if permitted by applicable Law waived by each party, including Parent, for whose benefit the applicable condition exists) on or before the Effective Time of each of the following conditions:

(a) *No Order.* No temporary restraining order, preliminary or permanent injunction or other order or decree issued by a court of competent jurisdiction located in the United States or in another jurisdiction outside of the United States in which the Company or any of its Subsidiaries, or Parent or any of its Subsidiaries, engage in business activities that prohibits the consummation of the Merger shall have been issued and remain in effect, and no Law shall have been enacted, issued, enforced, entered, or promulgated after the date of the Agreement that prohibits or makes illegal the consummation of any of the transactions contemplated by this Agreement; provided, however, that this condition shall be deemed to be satisfied for and may not be asserted by any party that has not used or is not using its reasonable best efforts to seek to lift, reverse or remove any temporary restraining order, preliminary or permanent injunction or other order or decree that would otherwise give rise to a failure of this condition; provided, further, that Parent may waive this condition on its own behalf, or on behalf of the Company or Merger Sub, so long as such waiver would not result in criminal or civil liability of any officer, director, employee, shareholder, control person or affiliate of the Company or any of its Subsidiaries other than the Company or any of its Subsidiaries.

(b) *Antitrust Laws.* All waiting periods applicable to the consummation of the transactions contemplated by this Agreement under the HSR Act shall have expired or been terminated;

(c) *Company Stockholder Approval.* This Agreement and the transactions contemplated hereby shall have been approved and adopted and the Merger shall have been approved by the stockholders of the Company by the Company Requisite Vote.

(a) *Representations and Warranties of Parent and Merger Sub.* The representations and warranties of Parent and Merger Sub set forth in Article III herein shall be true and correct as of the date of this Agreement and at and as of the Effective Time as though made at and as of the Effective Time (except for representations and warranties made as of a specified date, which need be true and correct only as of the specified date), except to the extent that all of the breaches of such representations and warranties collectively (without giving effect to any materiality or similar qualification) have not had and would not reasonably be expected to result in a material adverse impact on Parent's ability to consummate the transactions contemplated by this Agreement;

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

(a) *Governmental Consents.* (i) All waiting periods applicable to the consummation of the transactions contemplated by this Agreement under the HSR Act shall have expired or been terminated and all approvals thereunder shall have been obtained and no Burdensome Condition shall have been imposed on Parent, the Company or their respective Subsidiaries in connection with such termination or approval, (ii) all of the Required Consents shall have been obtained, and (iii) all other notices, reports, applications and other filings required to be made prior to the Effective Time by the Company or Parent or any of their respective Subsidiaries with, and all other consents, registrations, approvals, permits, clearances and authorizations required to be obtained prior to the Effective Time by the Company or Parent or any of their respective Subsidiaries from, any Governmental Authority the failure to make or obtain which, individually or in the aggregate, have, or would reasonably be expected to have, a Company Material Adverse Effect or render illegal the consummation of the Merger shall have been made or obtained, in the cases of clauses (ii) and (iii) as a Final Order and without any Burdensome Condition having been imposed on Parent, the Company or their respective Subsidiaries in connection therewith. For purposes of this Agreement, "Final Order" means an action or decision that has been granted as to which (A) no request for a stay or any similar request is pending, no stay is in effect, the action or decision has not been vacated, reversed, set aside, annulled or suspended and any deadline for filing such a request that may be designated by statute or regulation has passed, (B) no petition for rehearing or reconsideration or application for review is pending and the time for the filings of any such petition or application has passed, (C) no Governmental Authority has undertaken to reconsider the action on its own motion and the time within which it may effect such reconsideration has passed and (D) no appeal is pending (including other administrative or judicial review) or in effect and any deadline for filing any such appeal that may be specified by statute or rule has passed, which in any such case (A), (B), (C) or (D) is reasonably likely to result in vacating, reversing, setting aside, annulling, suspending or modifying such action or decision (in the case of any modification in a manner that would impose any term, condition or consequence that would reasonably be expected to result in a Burdensome Condition).

(b) *Orders.* No Governmental Authority shall have obtained, or shall have instituted an action or proceeding seeking, an Order that does, or would reasonably be expected to, impose a Burdensome Condition or otherwise have a Company Material Adverse Effect or a material adverse effect on the business or operations of Parent, the Company and their respective Subsidiaries taken as a whole.

(c) *Debt Financing.* Parent shall have received the funds committed for the Debt Financing on the terms and conditions set forth in the Commitment Letters (as modified by any changes the borrowers are required to accept pursuant to the terms contained in any related agreement) or upon terms and conditions which are equal or more favorable to Parent, and to the extent that any

The amounts payable pursuant to Sections 6.3(b) and (e) hereof constitute liquidated damages and not a penalty and shall be the sole monetary remedy in the event a Company Termination Fee or a Parent Termination Fee is paid in connection with a termination of this Agreement on the bases specified in Section 6.3 hereof, except as provided in Section 6.2(b)(ii). 7.8. *Exclusive Jurisdiction.* Any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated by this Agreement shall be brought against any of the parties in any Federal court located in the State of Delaware, or any Delaware state court, and each of the parties hereto hereby consents to the exclusive jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and waives any objection to venue laid therein. 7.9. *Counterparts; Effectiveness.* This Agreement may be executed in two or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party, it being understood that all parties need not sign the same counterpart.

Delaware General Corporation Law**Section 262. Appraisal Rights**

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a stock corporation and also a member of record of a nonstock corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words and also membership or membership interest of a member of a nonstock corporation; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title), § 252, § 254, § 257, § 258, § 263 or § 264 of this title:

(1) *Provided, however*, that no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of and to vote at the meeting of stockholders to act upon the agreement of merger or consolidation, were either (i) listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in subsection (f) of § 251 of this title.

(2) Notwithstanding paragraph (1) of this subsection, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to § 251, 252, 254, 257, 258, 263 and 264 of this title to accept for such stock anything except:

- a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;
 - b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or held of record by more than 2,000 holders;
 - c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a. and b. of this paragraph; or
 - d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a., b. and c. of this paragraph.
-

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 253 of this title is not owned by the parent corporation immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for such meeting with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) hereof that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228 or § 253 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; *provided, however*, that if such second notice is sent more than 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give

either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, *provided*, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) hereof and who is otherwise entitled to appraisal rights, may file a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) hereof, whichever is later.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After determining the stockholders entitled to an appraisal, the Court shall appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. In determining the fair rate of interest, the Court may consider all relevant factors, including the rate of interest which the surviving or resulting corporation would have had to pay to borrow money during the pendency of the proceeding. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the

Court may, in its discretion, permit discovery or other pretrial proceedings and may proceed to trial upon the appraisal prior to the final determination of the stockholder entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Interest may be simple or compound, as the Court may direct. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); *provided, however*, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.

Board of Directors
PanAmSat Holding Corporation
20 Westport Road
Wilton, CT 06897

Members of the Board:

We understand that PanAmSat Holding Corporation ("PanAmSat" or the "Company"), Intelsat (Bermuda), Ltd. ("Parent") and Proton Acquisition Corporation ("Merger Sub"), a wholly-owned subsidiary of Parent, propose to enter into an agreement, substantially in the form of the draft dated August 27, 2005 (the "Agreement"), which provides, among other things, for the merger (the "Merger") of Merger Sub with and into PanAmSat. Pursuant to the Merger, PanAmSat will become a wholly-owned subsidiary of Parent and each issued and outstanding share of common stock, par value \$0.01 per share (the "Company Common Stock"), of PanAmSat, other than shares held in treasury or held by Parent or any subsidiary of the Company or as to which dissenters' rights have been perfected, will be converted into the right to receive \$25.00 in cash (the "Merger Consideration"). We also note that certain stockholders of the Company propose to enter into a voting agreement, substantially in the form of the draft dated August 27, 2005 (the "Voting Agreement"), with respect to the Merger. The terms and conditions of the Merger are more fully set forth in the Merger Agreement.

You have asked for our opinion as to whether the Merger Consideration to be received by the holders of Company Common Stock pursuant to the Merger Agreement is fair from a financial point of view to such holders.

For purposes of the opinion set forth herein, we have:

- a) reviewed certain publicly available financial statements and other information of the Company;
- b) reviewed certain internal financial statements and other financial and operating data concerning the Company prepared by the management of the Company;
- c) reviewed certain internal financial statements and other financial operating data concerning the Parent prepared by the management of the Parent;
- d) reviewed certain financial projections prepared by the management of the Company;
- e) reviewed certain financial projections prepared by the management of the Parent;
- f) discussed the past and current operations and financial condition and the prospects of the Company with senior executives of the Company;
- g) discussed certain information relating to strategic, operational and financial benefits anticipated from the Merger and the strategic rationale for the Merger with senior executives of the Company;
- h) discussed certain information prepared by the managements of the Company and the Parent relating to strategic, operational and financial benefits anticipated from the Merger;
- i) reviewed the pro-forma impact of the Merger on certain financial ratios and the combined company's potential credit statistics based on financial projections prepared by the management of the Parent and the management of the Company, and based on the financing structure proposed for the Merger;

j)

reviewed the reported prices and trading activity for the Company Common Stock;

Edgar Filing: PanAmSat Holding CORP - Form PREM14A

- k) compared the financial performance of the Company and the prices and trading activity of the Company Common Stock with that of certain other comparable publicly-traded companies and their securities;
- l) reviewed the financial terms, to the extent publicly available, of certain comparable acquisition transactions;
- m) participated in discussions and negotiations among representatives of the Company, Parent and their financial and legal advisors;
- n) reviewed the commitment letter dated August 27, 2005, received by Parent from Citigroup, Credit Suisse First Boston, Deutsche Bank and Lehman Brothers in connection with the financing of the Merger (collectively, the "Debt Financing Commitment Letter");
- o) reviewed the proposed Merger Agreement, Voting Agreement and certain related documents; and
- p) considered such other factors and performed such other analyses as we have deemed appropriate.

We have assumed and relied upon without independent verification the accuracy and completeness of the information supplied or otherwise made available to us for the purposes of this opinion. With respect to the financial projections, including information relating to certain strategic, financial and operational benefits anticipated from the merger, we have assumed that they have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the future financial performance of the Company and the Parent. In addition, we have assumed that the Merger will be consummated in accordance with the terms set forth in the Merger Agreement, and that the financing of the Merger will be consummated in accordance with the terms set forth in the Debt Financing Commitment Letter. As you know, we are not legal or regulatory experts and have relied on the assessments of the legal and regulatory advisors to the Company with respect to such issues. We have assumed that in connection with the receipt of all necessary regulatory approvals for the proposed Merger, no restrictions will be imposed that would have a material adverse effect on the consummation of the Merger as contemplated in the Merger Agreement. We have also relied without independent verification on the assessment of the management of the Company regarding the strategic rationale for the Merger. We have not made any independent valuation or appraisal of the assets or liabilities of the Company or the Parent, nor have we been furnished with any such appraisals. This opinion does not address the solvency or fair value of the Company or the Parent under any U.S. state, U.S. federal, or any other applicable laws relating to bankruptcy, insolvency or similar matters. Our opinion is necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. In arriving at our opinion, we were not authorized to solicit, and did not solicit, interest from any third party with respect to an acquisition, business combination or other extraordinary transaction involving the Company.

We have acted as financial advisor to the Board of Directors of the Company in connection with this transaction and will receive a fee for our services which is contingent upon closing of the Merger. In the past, Morgan Stanley & Co. Incorporated ("Morgan Stanley") and its affiliates have provided financial advisory and financing services for the Company and Intelsat, Ltd., Parent's parent company ("Intelsat") and certain of their affiliates and have received fees for the rendering of these services. With respect to Intelsat, during the past two years, Morgan Stanley advised Intelsat on, among other things, its sale to Intelsat Holdings, Ltd., which sale closed in January 2005, its acquisition of the business of COMSAT General Corporation and certain of its affiliates, which acquisition closed in October 2004, and its acquisition of satellite assets and related customer contracts from Loral, which acquisition closed in March 2004. Morgan Stanley may also seek to provide such parties services in the future and may receive fees in connection with such services. In addition, Morgan Stanley is a full

service securities firm engaged in securities trading, investment management and brokerage services. In the ordinary course of its trading, brokerage, investment management and financing activities, Morgan Stanley or its affiliates may actively trade the debt and equity securities of the Company and the debt securities of Parent and its affiliates for its own accounts or for the accounts of its customers and, accordingly, may at any time hold long or short positions in such securities. In addition, Morgan Stanley, its affiliates, directors or officers, including individuals working with PanAmSat in connection with this transaction, may have committed and may commit in the future to invest in private equity funds involved in this transaction.

It is understood that this opinion is for the information of the Board of Directors of the Company and may not be disclosed or referred to publicly or used for any other purpose without our prior written consent, except that this opinion may be included in its entirety in any filing required to be made by the Company in respect of the Merger with the U.S. Securities and Exchange Commission if such inclusion is required by applicable law or in any proxy or other materials distributed to the Company's stockholders. In addition, Morgan Stanley expresses no opinion or recommendation as to how the stockholders of the Company should vote at the stockholders' meeting held in connection with the Merger.

Based on and subject to the foregoing, we are of the opinion on the date hereof that the Merger Consideration to be received by the holders of the Company Common Stock pursuant to the Merger Agreement is fair from a financial point of view to such holders.

Very truly yours,

MORGAN STANLEY & CO. INCORPORATED
