PROPOSED CASH MERGER YOUR VOTE IS VERY IMPORTANT

To Our Stockholders:

You are cordially invited to attend a special meeting of stockholders of Specialty Laboratories, Inc., which we refer to as Specialty, to be held on _____ at _____ a.m., Pacific Time, in the first floor auditorium at Specialty Laboratories, Inc., 27027 Tourney Road, Valencia, California 91355. At the special meeting, you will be asked to consider and vote upon a proposal to approve the Agreement and Plan of Merger, dated as of September 29, 2005, among Specialty, AmeriPath Holdings, Inc. (which is referred to as Holdings in this letter), AmeriPath, Inc. (which is referred to as AmeriPath in this letter) and Silver Acquisition Corp., and the merger contemplated by the merger agreement. Under the merger agreement, Silver Acquisition Corp., a wholly-owned subsidiary of AmeriPath, will be merged with and into Specialty, with Specialty being the surviving corporation. This merger is referred to as the merger in this letter. Silver Acquisition Corp. is a California corporation that was formed by AmeriPath for the purpose of completing the merger and related transactions. A copy of the merger agreement is included as Appendix A to these materials.

Simultaneously with the execution of the merger agreement, Holdings, AmeriPath Group Holdings, Inc., a Delaware corporation and a wholly-owned subsidiary of Holdings (which is referred to as Group Holdings in this letter), Aqua Acquisition Corp., a Delaware corporation and a wholly-owned subsidiary of Group Holdings, certain stockholders of Holdings and certain stockholders of Specialty who hold a majority of the outstanding Specialty common stock entered into a subscription, merger and exchange agreement (which is referred to as the SME agreement in this letter). The stockholders of Specialty who are parties to the SME agreement are Specialty Family Limited Partnership, the majority stockholder of Specialty, and certain other affiliates and family members of James B. Peter, M.D., Ph.D., Specialty's founder and a member of the Specialty board of directors, and Deborah A. Estes, Dr. Peter's daughter and a member of the Specialty board of directors. They are referred to as the continuing investors in this letter. Pursuant to the SME agreement, among other things, (a) Group Holdings will issue equity securities to certain of the stockholders of Holdings in exchange for cash and shares of Holdings, (b) Group Holdings will issue equity securities to the continuing investors in exchange for a portion of the shares of Specialty common stock held by the continuing investors and (c) Aqua Acquisition Corp. will be merged with and into Holdings, with Holdings being the surviving corporation. A copy of the SME agreement is included as Appendix E to these materials. While the various transactions described in the SME agreement are a condition to closing the merger, you are not being asked to vote on those transactions.

When the merger and the transactions contemplated by the SME agreement are completed, Welsh, Carson, Anderson & Stowe IX, L.P., its co-investors, the continuing investors and certain other current stockholders of Holdings will indirectly own all the capital stock of Specialty.

Dr. Peter is expected to join the board of directors of Group Holdings and will execute a services agreement with AmeriPath upon consummation of the transactions contemplated by the SME

agreement. Accordingly, he and the continuing investors have interests in the merger that are different from, or in addition to, the interests of Specialty stockholders generally.

If the merger is completed, each issued and outstanding share of Specialty common stock owned by you will be converted into the right to receive \$13.25 in cash, without interest, unless you choose to exercise and perfect your dissent rights under California law. Each outstanding option for Specialty common stock, except as provided in an applicable agreement with the optionee, will be canceled in exchange for (1) the excess of \$13.25 over the per share exercise price of the option multiplied by (2) the number of shares of common stock subject to the option, less applicable withholding taxes.

If the merger is completed, all unvested shares of Specialty common stock issued and outstanding immediately prior to the effective time of the merger will become fully vested as of the effective time of the merger.

If the merger is completed, Specialty will no longer be a publicly-traded company. After the merger, you will no longer have an equity interest in Specialty and will not participate in any potential future earnings and growth of Specialty.

The board of directors of Specialty formed a special committee, composed of all the directors except for Dr. Peter and Deborah A. Estes, who is also Specialty's Secretary. The members of the special committee are independent of and have no economic interest or expectancy of an economic interest in the continuing investors, Welsh, Carson, Anderson & Stowe IX, L.P., Group Holdings, Holdings, AmeriPath or the surviving corporation (except that David C. Weavil is the Chief Executive Officer of Specialty and may continue as an employee of Specialty, AmeriPath or their affiliates following the closing of the merger). As described in the accompanying proxy statement, the special committee was formed to, among other things, evaluate, negotiate and make a recommendation to the board of directors regarding the merger proposal and related transactions, including the terms of the merger agreement. As described in the accompanying proxy statement, the members of the special committee have interests in the merger that are different from, or in addition to, interests of Specialty stockholders generally.

The board of directors, acting on the unanimous (with one member absent) recommendation of the special committee, has unanimously (with one director absent) approved the merger agreement and the merger. The special committee and the board of directors each has determined that the terms of the merger agreement and the proposed merger are advisable and procedurally and substantively fair to, and in the best interest of, the stockholders of Specialty (other than the continuing investors and their affiliates, for whom no determination of fairness or advisability was made by the special committee or the board of directors). The board of directors recommends that you vote FOR the approval of the merger agreement and the merger. The board of directors also recommends that you vote FOR the grant to the proxyholders of the authority to vote in their discretion with respect to the approval of any proposal to postpone or adjourn the special meeting to a later date to solicit additional proxies in favor of the approval of the merger agreement and the merger if there are not sufficient votes for approval of the merger agreement and the merger at the special meeting.

In arriving at their recommendation of the merger agreement and the merger, the Specialty board of directors carefully considered a number of factors which are described in the accompanying proxy statement. The proxy statement provides information about the merger agreement, the merger and the related transactions, and the special meeting. You may obtain additional information about Specialty from documents filed with the Securities and Exchange Commission. We urge you to read the entire proxy statement carefully, including the appendices and materials incorporated by reference, as it sets forth the details of the merger agreement and other important information related to the merger, including the factors considered by the Specialty board of directors.

Your vote is very important. The merger cannot be completed unless the merger agreement and the merger are approved by the affirmative vote of (1) the holders of a majority of the outstanding shares of Specialty common stock entitled to vote and (2) the holders of a majority of the outstanding shares of Specialty common stock entitled to vote not held by the continuing investors or their

affiliates. The continuing investors and certain of their affiliates have entered into a voting agreement that will ensure that the first vote is passed, but that will have no effect on the outcome of the second vote. A copy of the voting agreement is included as Appendix D to these materials. **Regardless of whether you plan to attend the special meeting, it is important that your shares are represented at the special meeting. To ensure that your shares will be represented, please complete, sign, date and mail the enclosed proxy card at your first opportunity.**

This solicitation for your proxy is being made by Specialty on behalf of its board of directors. If you fail to vote on the merger, the effect will be the same as a vote against the approval of the merger agreement and the merger for purposes of the vote referred to above. You may vote by completing and mailing a proxy card in the postage-paid envelope provided. If you complete, sign and submit your proxy card without indicating how you wish to vote, your proxy will be counted as a vote in favor of approval of the merger agreement, the merger and any postponement or adjournment of the special meeting referred to above. Returning the proxy card will not deprive you of your right to attend the special meeting and vote your shares in person.

On behalf of your board of directors, thank you for your continued support.

Sincerely,

Richard K. Whitney
Chairman of the Board of Directors

, 2005

NOTICE OF SPECIAL MEETING OF STOCKHOLDERS

To Be Held On

To Our Stockholders:

You are invited to attend a special meeting of stockholders of Specialty Laboratories, Inc., which we refer to as Specialty.

Date:

Time:

Place: Specialty Laboratories, Inc.,
27027 Tourney Road,
Valencia, California 91355
First Floor Auditorium

Only stockholders who owned Specialty common stock of record at the close of business on _____, 2005 can vote at this meeting or any postponements or adjournments that may take place.

The purposes of the special meeting are:

to consider and vote upon a proposal to approve the Agreement and Plan of Merger, dated as of September 29, 2005, among Specialty, AmeriPath Holdings, Inc., AmeriPath, Inc. and Silver Acquisition Corp., and the merger contemplated by the merger agreement;

to grant to the proxyholders the authority to vote in their discretion with respect to the approval of any proposal to postpone or adjourn the special meeting to a later date to solicit additional proxies in favor of the approval of the merger agreement and the merger if there are not sufficient votes for approval of the merger agreement and the merger at the special meeting; and

to consider and vote upon such other matters as may properly come before the special meeting or any adjournment or postponement of the special meeting.

The board of directors, acting on the unanimous (with one member absent) recommendation of the special committee, has unanimously (with one director absent) approved the merger agreement and the merger. The special committee and the board of directors have determined that the merger agreement and the merger are advisable and procedurally and substantively fair to, and in the best interest of, Specialty's stockholders (other than the continuing investors and their affiliates, for whom no determination of fairness or advisability was made by the special committee or the board of directors). These continuing investors are Specialty Family Limited Partnership, the majority

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

stockholder of Specialty, and certain other affiliates and family members of James B. Peter, M.D., Ph.D., Specialty's founder and a member of the Specialty board of directors, and Deborah A. Estes, Dr. Peter's daughter and a member of the Specialty board of directors. The board of directors recommends that you vote FOR the approval of the merger agreement and the merger. The board of directors also recommends that you vote FOR the grant to the proxyholders of the authority to vote in their discretion with respect to the approval of any postponement or adjournment of the special meeting referred to above.

Stockholders of Specialty who do not vote in favor of approval of the merger agreement and the merger will have the right to seek payment of the fair value of their shares if the merger is completed, but only if they submit a written demand for payment to Specialty before the vote is taken on the merger agreement and the merger and they comply with California law as explained in the accompanying proxy statement.

Your vote is very important, regardless of the number of shares you own. The merger cannot be completed unless the merger agreement and the merger are approved by the affirmative vote of (1) the holders of a majority of the outstanding shares of Specialty common stock entitled to vote and (2) the holders of a majority of the outstanding shares of Specialty common stock entitled to vote not held by the continuing investors or their affiliates. The continuing investors and certain of their affiliates have entered into a voting agreement that will ensure that the first vote is passed, but that will have no effect on the outcome of the second vote. Failure to vote on the merger has the same effect as a vote against the merger proposal. Even if you plan to attend the special meeting in person, it is important that your shares are represented at the special meeting. To ensure that your shares will be represented at the special meeting, please complete, date, sign and mail the enclosed proxy card. A return envelope (which is postage prepaid if mailed in the United States) is enclosed for submissions by mail.

This solicitation for your proxy is being made by Specialty on behalf of its board of directors. If you do attend the special meeting and wish to vote in person, you may withdraw your proxy and vote in person. However, if your shares are held of record by a broker, bank or other nominee and you wish to vote at the meeting, you must obtain from the record holder a proxy issued in your name.

If you have any questions or need assistance in voting your shares, please call _____, which is assisting Specialty, at _____.

The merger agreement and the merger are described in the accompanying proxy statement, which we urge you to read carefully. A copy of the merger agreement is included as Appendix A to the accompanying proxy statement.

By Order of the Board of Directors

Deborah A. Estes
Secretary

SUMMARY TERM SHEET

This summary provides a brief description of the material terms of the merger agreement, the merger and certain related agreements. This summary highlights selected information contained in this proxy statement and may not contain all of the information that is important to you. You are urged to read this entire proxy statement carefully, including the information incorporated by reference and the information in the appendices. We incorporate by reference important business and financial information about us into this proxy statement. You may obtain the information incorporated by reference into this proxy statement without charge by following the instructions in the section entitled "Where Stockholders Can Find More Information" beginning on page 105.

The Parties to the Merger

Specialty Specialty Laboratories, Inc. is a California corporation that is headquartered in Valencia, California. Specialty performs highly advanced clinical tests used by physicians to diagnose, monitor and treat disease. See "The Participants" beginning on page 18.

Holdings AmeriPath Holdings, Inc. is a Delaware corporation and is a portfolio company of Welsh Carson Anderson & Stowe IX, L.P., referred to in this proxy as Welsh Carson. Welsh Carson is a Delaware limited partnership organized by Welsh, Carson, Anderson & Stowe, a New York-based private equity firm. See "The Participants" beginning on page 18.

AmeriPath AmeriPath, Inc. is a Delaware corporation and a wholly-owned subsidiary of Holdings that is headquartered in Palm Beach Gardens, Florida. AmeriPath is a leading national provider of physician-based anatomic pathology, dermatopathology and molecular diagnostic services to physicians, hospitals, national clinical laboratories and surgery centers. See "The Participants" beginning on page 18.

Acquisition Corp. Silver Acquisition Corp. is a California corporation that is a wholly-owned subsidiary of AmeriPath. AmeriPath formed Acquisition Corp. for the purpose of completing the merger and related transactions. See "The Participants" beginning on page 18.

The Merger and Related Transactions

In the merger, Acquisition Corp. will merge with and into Specialty. Upon completion of the merger, Acquisition Corp. will cease to exist and Specialty will continue as the surviving corporation and as a wholly-owned subsidiary of AmeriPath. Following the merger, Specialty will no longer be a publicly traded company. We have attached a copy of the merger agreement as Appendix A to this proxy statement. We encourage you to read the merger agreement in its entirety because it is the legal document that governs the merger. See "Special Factors" beginning on page 20 and "The Merger Agreement" beginning on page 62.

Following the merger, current Specialty stockholders (except for the continuing investors described in the next sentence) will cease to have ownership interests in Specialty or rights as Specialty stockholders. The continuing investors are the stockholders of Specialty which are parties to the SME agreement described in the next paragraph, which are Specialty Family Limited Partnership, the majority stockholder of Specialty, and certain other affiliates and family members of James B. Peter, M.D., Ph.D., Specialty's founder and a member of the Specialty board of directors, and Deborah A. Estes, Dr. Peter's daughter and a member of the Specialty board of directors.

Simultaneously with the execution of the merger agreement, Holdings, AmeriPath Group Holdings, Inc., a Delaware corporation and a wholly-owned subsidiary of Holdings (which is referred to as Group Holdings in this proxy statement), Aqua Acquisition Corp., a Delaware corporation and a wholly-owned subsidiary of Group Holdings, certain stockholders of Holdings

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

and the continuing investors entered into a subscription, merger and exchange agreement (which is referred to as the SME agreement in this proxy statement). Pursuant to the SME agreement, among other things, (a) Group Holdings will issue equity securities to certain of the stockholders of Holdings in exchange for cash and shares of Holdings, (b) Group Holdings will issue equity securities to the continuing investors in exchange for a portion of the shares of Specialty common stock held by the continuing investors and (c) Aqua Acquisition Corp. will be merged with and into Holdings, with Holdings being the surviving corporation. We have attached a copy of the SME agreement as Appendix E to this proxy statement. While the various transactions described in the SME agreement are a condition to closing the merger, you are not being asked to vote upon those transactions.

Stockholder Vote Required to Approve the Merger

You are being asked to consider and vote upon a proposal to approve the merger agreement and the merger contemplated by the merger agreement. Approval of the merger agreement and the merger require the affirmative vote of (1) the holders of a majority of the outstanding shares of common stock of Specialty entitled to vote and (2) the holders of a majority of the outstanding shares of Specialty common stock entitled to vote not held by the continuing investors or their affiliates. The continuing investors and certain of their affiliates have entered into a voting agreement that will ensure that the first vote is passed, but that will have no effect on the outcome of the second vote. We have attached a copy of the voting agreement as Appendix D to this proxy statement.

Abstentions and broker non-votes will have the effect of a vote against the merger. On the record date, there were _____ shares of common stock outstanding and entitled to be voted at the special meeting. The continuing investors and their affiliates control approximately 60.4% of the outstanding shares of common stock of Specialty. Accordingly, if unaffiliated stockholders holding in excess of approximately 19.8% of the outstanding common stock abstain from voting or vote against the merger, the merger will not receive the required approval of stockholders. *See "The Special Meeting" beginning on page 15.*

Voting Information

Before voting your shares of Specialty common stock, we encourage you to read this proxy statement in its entirety, including its appendices and materials incorporated by reference, and carefully consider how the merger will affect you. Then, to ensure that your shares can be voted at the special meeting, please complete, sign, date and mail the enclosed proxy card, which requires no postage if mailed in the United States, as soon as possible. If a broker holds your shares in "street name," your broker should provide you with instructions on how to vote. For more information about how to vote your shares, *see "The Special Meeting Record Date, Quorum and Voting Information" beginning on page 16.*

Recommendations of the Special Committee and the Board of Directors

The special committee is composed of six directors who are not officers or employees of Specialty (other than David C. Weavil, who is the Chief Executive Officer of Specialty) and who are independent of and have no economic interest or expectancy of an economic interest in the continuing investors, Welsh Carson, Group Holdings, Holdings, AmeriPath, or the surviving corporation (except that Mr. Weavil may continue as an employee of Specialty, AmeriPath or their affiliates following the closing of the merger). The members of the special committee are Richard K. Whitney, Michael T. DeFreece, Hubbard C. Howe, William J. Nydam, David R. Schreiber and David C. Weavil. If the merger is completed, the members of the special committee will, like all other stockholders, receive cash payments for their shares. In addition,

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

the members of the special committee will receive cash payments totaling approximately \$2.5 million in the aggregate for their stock options and unvested stock in the merger. The cash payments for these stock options represent consideration for the cancellation of the stock options on the same terms as provided to other holders of stock options in the merger agreement. The members of the special committee control 102,095 or 0.43% of the outstanding shares of common stock of Specialty. Whether the merger is completed or not, members of the special committee will be paid up to a total amount of \$300,000 in the aggregate for their service on the special committee, in addition to Specialty's standard committee fees, and will be reimbursed for any out-of-pocket expenses incurred in connection with service on the special committee. In addition to the foregoing payments to be made, Mr. Whitney was awarded the amount of \$100,000, which has already been paid, for his services as a member of the special committee and as Chairman of the board of directors. Furthermore, pursuant to the terms of Mr. Schreiber's consulting agreement, Mr. Schreiber is entitled to a payment equal to six times his monthly consulting fee, or a total amount of approximately \$163,000, upon the completion of the merger. As members of the board of directors, the special committee members will also benefit from the indemnification, insurance and related provisions contained in the merger agreement with respect to their acts or omissions as directors. Because of these interests and the other interests described under "Special Factors Interests of Certain Persons in the Merger", the interests of the special committee and the stockholders of Specialty may not be aligned. *See* "Special Factors Interests of Certain Persons in the Merger Interests of Specialty Directors and Executive Officers in the Merger" beginning on page 46.

The special committee and the board of directors have determined that the terms of the merger agreement and the proposed merger are advisable and procedurally and substantively fair to, and in the best interest of, the Specialty stockholders (other than the continuing investors and their affiliates, for whom no determination of fairness or advisability was made by the special committee or the board of directors). In this proxy statement, we sometimes refer to the Specialty stockholders other than the continuing investors and their affiliates as the "unaffiliated stockholders" of Specialty. For information as to the reasons for the special committee and the board of directors reaching their respective determinations, *see* "Special Factors Recommendation of the Special Committee and the Board of Directors and Reasons for the Merger" beginning on page 26. The board of directors, acting on the unanimous (with one member absent) recommendation of the special committee, has unanimously (with one director absent) approved the merger agreement and the merger and recommends that you vote FOR the approval of the merger agreement and the merger and FOR the approval of any proposal to postpone or adjourn the special meeting to a later date to solicit additional proxies in favor of the approval of the merger agreement and the merger if there are not sufficient votes for approval of the merger agreement and the merger at the special meeting.

Opinion of the Financial Advisor to the Board of Directors

In connection with the merger, Specialty retained J.P. Morgan Securities Inc. (referred to as JPMorgan in this proxy statement), as its financial advisor. JPMorgan rendered a written opinion to Specialty's board of directors on September 29, 2005 that, as of the date of the opinion and based upon and subject to the considerations described in its opinion and other matters as JPMorgan considered relevant, the consideration to be received by the holders of Specialty common stock other than the continuing investors and their affiliates (for purposes of such opinion, the Founder Parties) in the proposed merger was fair, from a financial point of view, to such holders. In deciding to recommend approval of the merger to Specialty's board of directors, the special committee considered the opinion of JPMorgan and, in deciding to approve the merger, Specialty's board of directors considered the opinion of JPMorgan. *See* "Special Factors Opinion of the Financial Advisor to the Board" beginning on page 31.

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

The full text of the written opinion of JPMorgan, which sets forth, among other things, the assumptions made, procedures followed, matters considered and limitations on the review undertaken by JPMorgan in connection with the opinion, is attached as Appendix B to this proxy statement. JPMorgan provided its opinion to Specialty's board of directors (and, at the board of directors' instruction, to the special committee) in connection with and for the purposes of their respective evaluations of the merger. The JPMorgan opinion is not a recommendation as to how any holder of common stock should vote with respect to the merger or any other matter. The Specialty stockholders are urged to read such opinion in its entirety. Pursuant to the terms of its engagement letter with JPMorgan, Specialty agreed to pay the fees described below under "Special Factors Opinion of the Financial Advisor to the Board" beginning on page 31, part of which was paid to JPMorgan upon delivery of JPMorgan's opinion and a substantial portion of which, the balance, will become payable only if the proposed merger is consummated.

Position of the AmeriPath Group as to the Fairness of the Merger

Each of Group Holdings, Holdings, AmeriPath, Welsh Carson and WCAS IX Associates LLC, the general partner of Welsh Carson (which are referred to collectively as the AmeriPath group in this proxy statement) believes that the merger is both procedurally and substantively fair to Specialty's unaffiliated stockholders. For information as to the reasons for the AmeriPath group reaching this conclusion, *see* "Special Factors Position of the AmeriPath Group as to the Fairness of the Merger" beginning on page 38.

Position of the SFLP Group as to the Fairness of the Merger

Each of Dr. Peter, Deborah A. Estes and Specialty Family Limited Partnership (which are referred to collectively as the SFLP group in this proxy statement) believes that the merger is both procedurally and substantively fair to Specialty's unaffiliated stockholders. For information as to the reasons for the SFLP group reaching this conclusion, *see* "Special Factors Position of the SFLP Group as to the Fairness of the Merger" beginning on page 40.

Purpose of the Merger

The principal purpose of the merger is to provide you with an opportunity to receive an immediate cash payment for your Specialty shares at a price that constitutes a premium over recent stock market prices and to enable AmeriPath to acquire Specialty. The merger consideration of \$13.25 per share represents approximately a 27% premium over the average trading price of \$10.44 per share for the three months preceding the public announcement of the execution of the merger agreement. *See* "Special Factors Purpose and Structure of the Merger" beginning on page 42.

Consideration; Effect of the Merger on Specialty Stockholders

In the merger, each share of Specialty common stock will be converted automatically into the right to receive \$13.25 in cash, without interest, except for:

treasury shares of Specialty common stock, all of which will be canceled without any payment;

shares of Specialty common stock owned by Holdings or Acquisition Corp. or any direct or indirect wholly-owned subsidiary of Holdings or Specialty, all of which will be canceled without any payment; and

shares of Specialty common stock held by stockholders who properly exercise and perfect their dissent rights in accordance with Chapter 13 of the California General Corporation

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

Law, which is referred to as the CGCL in this proxy statement. *See* "Special Factors Dissent Rights of Dissenting Specialty Stockholders" beginning on page 58.

At the effective time of the merger, each outstanding option under the Specialty stock option plans, except as provided in an applicable agreement with the optionee, will be canceled in exchange for an amount in cash determined by multiplying (1) the excess of \$13.25 over the per share exercise price of the option by (2) the number of shares of Specialty common stock subject to the option, less applicable withholding taxes. *See* "The Merger Agreement Treatment of Options and Unvested Stock" beginning on page 63.

At the effective time of the merger, all unvested shares of Specialty common stock issued and outstanding immediately prior to the effective time of the merger will become fully vested as of the effective time of the merger. *See* "The Merger Agreement Treatment of Options and Unvested Stock" beginning on page 63.

Upon completion of the merger, current Specialty stockholders, other than the continuing investors, will cease to have ownership interests in Specialty or rights as Specialty stockholders. Therefore, current stockholders of Specialty, other than the continuing investors, will not participate in any future earnings or growth of Specialty and will not benefit from any appreciation in value of Specialty. *See* "Special Factors Effects of the Merger" beginning on page 43.

As a result of the merger, Specialty will be a privately-held corporation, and there will be no public market for its common stock. After the merger, Specialty common stock will no longer be listed on the New York Stock Exchange, and its registration under the Securities Exchange Act of 1934, as amended, which is referred to as the Exchange Act in this proxy statement, will be terminated. *See* "Special Factors Effects of the Merger" beginning on page 43.

Interests of Certain Persons in the Merger

In considering the recommendations of the special committee and the board of directors, Specialty stockholders should be aware that some of Specialty's executive officers and directors have interests in the merger that are different from, or in addition to, the interests of Specialty stockholders generally. These interests include the following:

Pursuant to the merger agreement, the executive officers and directors of Specialty (other than Dr. Peter and Ms. Estes) will receive an aggregate of approximately \$7.84 million for their shares of Specialty common stock and for the cancellation of their options to purchase Specialty common stock and unvested stock (in each case on the same basis as the unaffiliated stockholders generally);

Certain executive officers and directors of Specialty may be entitled to receive severance payments upon the consummation of the merger;

Members of the special committee will receive fees up to a total amount of \$300,000 in the aggregate for their service on the special committee and, in addition, Mr. Whitney was awarded the amount of \$100,000, which has already been paid, for his services as a member of the special committee and as Chairman of the board of directors;

Pursuant to the terms of Mr. Schreiber's consulting agreement, Mr. Schreiber is entitled to a payment equal to six times his monthly consulting fee, or a total amount of approximately \$163,000, upon the completion of the merger;

The vesting of options held by certain executive officers and directors will be accelerated as of the effective time of the merger, and unvested stock held by certain executive officers and directors will become fully vested as of the effective time of the merger;

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

The continuing investors will contribute shares of Specialty common stock held by them to Group Holdings in exchange for equity securities of Group Holdings under the SME agreement. The aggregate investment in Group Holdings by the continuing investors following that exchange and the other transactions contemplated by the SME agreement (including taking into account the additional current stockholders of Holdings that are expected to become parties to the SME agreement prior to closing and to roll over their Holdings investment into Group Holdings), is expected to be approximately 20% of the full equity capitalization of Group Holdings at closing;

Pursuant to the merger agreement, the continuing investors and certain affiliated entities will receive an aggregate of approximately \$72.2 million for their shares of Specialty common stock which are not contributed to Group Holdings pursuant to the SME agreement and for the cancellation of their options to purchase Specialty common stock and unvested stock (in each case on the same basis as the unaffiliated stockholders generally); and

Dr. Peter is expected to join the board of directors of Group Holdings and will execute a services agreement with AmeriPath upon consummation of the transactions contemplated by the SME agreement.

The merger agreement also provides that all rights of indemnification and exculpation from liability for acts and omissions occurring prior to the effective time of the merger (including the advancement of funds for expenses) of the current and former directors and officers of Specialty, as provided in its charters, bylaws, indemnification agreements or applicable law, will survive the merger and continue for six years after the effective time of the merger. The special committee members will also benefit from the indemnification, insurance and related provisions contained in the merger agreement with respect to their acts or omissions as directors.

Prior to the effective time of the merger, AmeriPath will purchase a six year extended reporting provision under a directors' and officers' liability policy with respect to liability obligations of the individuals that are officers and directors of Specialty on the date of the merger agreement in respect of indemnification from liabilities for acts or omissions occurring at or prior to the closing of the merger agreement, which policy shall be no less favorable to the beneficiaries than the directors' and officers' liability policies maintained by Specialty on the date of the merger agreement and will be provided by carriers with comparable ratings. However, Holdings and AmeriPath will not be required to pay a premium in connection with such policy in excess of \$2.6 million.

These interests are more fully described under "Special Factors Interests of Certain Persons in the Merger Interests of Specialty Directors and Executive Officers in the Merger" beginning on page 46.

In considering the recommendations of the special committee and board of directors, Specialty stockholders should also be aware that JPMorgan has certain interests relating to Specialty. *See* "Special Factors Opinion of the Financial Advisor to the Board" beginning on page 31. These interests include the following:

Specialty agreed to pay JPMorgan a fee in connection with the merger, a substantial portion of which is payable upon consummation of the merger (*see* "Special Factors Opinion of the Financial Advisor to the Board" beginning on page 31).

Specialty has established, prior to JPMorgan's engagement in connection with the merger, an irrevocable letter of credit with JPMorgan's affiliate, JPMorgan Chase Bank, that names Lexington Corporate Properties Trust as the beneficiary. In addition, JPMorgan has provided financial advisory services to Specialty in the past and JPMorgan and its affiliates

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

have provided financial advisory, financing and other investment banking and commercial banking services to Welsh Carson and its affiliates in the past, in each case for customary compensation.

In the ordinary course of its businesses, JPMorgan and its affiliates may actively trade the equity securities of Specialty, the debt securities of AmeriPath, and certain public debt and equity securities of other affiliates of Welsh Carson for JPMorgan's own account or for the accounts of customers and, accordingly, JPMorgan may at any time hold long or short positions in such securities.

The special committee and the board were aware of these interests and considered them, among other factors, when recommending approval of the merger agreement and the merger.

Merger Financing

The total amount of funds necessary to complete the merger and the related transactions is anticipated to be approximately \$354.9 million, consisting of:

approximately \$207.2 million to pay Specialty's stockholders and option holders the amounts due to them under the merger agreement, assuming that no Specialty stockholder exercises and perfects his, her or its dissent rights;

approximately \$129.0 million to refinance AmeriPath's existing credit facility;

approximately \$3.0 million to pay executive severance payments; and

approximately \$15.7 million to pay related fees and expenses.

See "Special Factors Merger Financing" beginning on page 49.

Holdings and AmeriPath expect that the total amount necessary to complete the merger and the related transactions will be funded with (1) an equity investment by Welsh Carson and its co-investors pursuant to the SME agreement, (2) certain amounts remaining under AmeriPath's contingent note reserve, (3) the debt financing under the commitment letter referred to below, and (4) excess Specialty cash. *See "Special Factors Merger Financing" beginning on page 49.*

AmeriPath has received a commitment letter pursuant to which Wachovia Bank, National Association, Citigroup Global Markets Inc., Deutsche Bank Trust Company Americas and UBS Loan Finance LLC have committed, subject to the terms and conditions set forth in the commitment letter, to provide AmeriPath with up to \$298.5 million in senior secured credit facilities, consisting of a \$203.5 million term loan and a \$95.0 million revolving credit facility. Up to \$203.5 million of the term loan and up to \$52.0 million of the revolving credit facility may be used to fund a portion of the merger consideration, to pay certain transaction costs, to refinance existing indebtedness of AmeriPath, to pay related expenses and to provide ongoing working capital. *See "Special Factors Merger Financing Senior Secured Credit Facilities" beginning on page 51.*

Regulatory Approvals

On October 20 and 21, 2005, the parties filed for approval pursuant to the requirements of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, which is referred to as the HSR Act in this proxy statement. The continuing investors also filed for approval pursuant to the HSR Act with respect to their equity investment in Group Holdings pursuant to the SME agreement. *See "Special Factors Federal Regulatory Matters" beginning on page 52.*

Material U.S. Federal Income Tax Consequences

The receipt of cash by a United States holder in exchange for Specialty common stock will be a taxable transaction for U.S. federal income tax purposes. In general, United States holders of Specialty common stock who receive cash in exchange for their shares pursuant to the merger should recognize gain or loss for U.S. federal income tax purposes equal to the difference, if any, between their adjusted tax basis in their shares and the amount of cash received. If a stockholder holds Specialty shares as a capital asset, such gain or loss should generally be a capital gain or loss. If the stockholder has held the shares for more than one year, the gain or loss should generally be a long-term gain or loss. The deductibility of capital losses is subject to limitations. Tax matters are very complex, and the tax consequences of the merger to you will depend on the facts of your own situation. You should consult your tax advisor for a full understanding of the tax consequences of the merger to you, including the federal, state, local and foreign tax consequences of the merger. See "Special Factors Material U.S. Federal Income Tax Consequences" beginning on page 52.

Fees and Expenses of the Merger

The merger agreement provides that Specialty, Holdings and Acquisition Corp. each will pay all costs and expenses incurred by it in connection with the merger agreement and the merger, subject to certain instances in which Specialty will be required to reimburse expenses incurred by Holdings and Acquisition Corp. A financing fee of approximately \$0.5 million is expected to be paid at the closing of the merger to an affiliate of Welsh Carson. In addition, Holdings will reimburse the out-of-pocket expenses of Welsh Carson and its affiliates. Currently, we anticipate that Specialty or the surviving corporation will pay an aggregate \$15.7 million in costs and expenses in connection with the merger. See "Special Factors Fees and Expenses of the Merger" beginning on page 54.

Solicitation of Transactions

Subject to certain provisions in the merger agreement, until the effective time of the merger or the termination of the merger agreement, Specialty may not, and may not direct, authorize or permit its subsidiaries or representatives to, directly or indirectly: (1) solicit, initiate or knowingly encourage any prospective purchaser or the submission of any acquisition proposal, take any action designed to facilitate inquiries, proposals or offers or any other efforts constituting an acquisition proposal or engage in any discussions or negotiations in connection with or otherwise cooperate with or make any other efforts or attempts that constitute, or may reasonably be expected to lead to an acquisition proposal, or assist, participate in or facilitate any such inquiries, proposals, discussions or negotiations; or (2) accept an acquisition proposal or enter into any agreement or agreement in principle with respect to any such acquisition proposal or requiring Specialty to abandon, terminate or fail to consummate the merger or breach its obligations under the merger agreement; or (3) furnish to any person any information with respect to any such acquisition proposal.

Specialty may furnish information to, and participate in discussions or negotiations in respect of an acquisition proposal with, any potential buyers only if, at any time prior to the approval of the merger agreement by its stockholders, Specialty receives a written acquisition proposal, and: (1) Specialty otherwise complies with its non-solicitation obligations and Specialty receives an acquisition proposal from a person that the board of directors of Specialty determines in good faith to be bona fide; (2) the board of directors of Specialty determines in good faith, after consultation with its independent financial advisors, that such acquisition proposal constitutes or could reasonably be expected to constitute a superior proposal; and (3) the board of directors, after consultation with its outside counsel, determines in good faith that taking such action is

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

necessary to comply with its fiduciary duties. As of the date of this proxy statement, Specialty has not received any acquisition proposals.

If an acquisition proposal is accepted, Specialty will be required to pay to Holdings or its designee a \$13.0 million termination fee, inclusive of out-of-pocket fees and expenses reasonably incurred by Holdings, AmeriPath, Group Holdings and Acquisition Corp in connection with the merger agreement and the merger. The obligation to pay the termination fee could have the effect of deterring third parties from making acquisition proposals. See "The Merger Agreement Fees and Expenses; Termination Fee" beginning on page 77.

See "The Merger Agreement Solicitation of Transactions" beginning on page 70.

Conditions of the Merger

The completion of the merger is subject to approval by (1) the holders of a majority of the outstanding shares of Specialty common stock entitled to vote and (2) the holders of a majority of outstanding shares of Specialty common stock entitled to vote not held by the continuing investors and their affiliates, as well as the satisfaction or waiver (where permitted by law) of other conditions, including obtaining the proceeds of the necessary financing to complete the merger, the receipt of approval pursuant to the requirements of the HSR Act, consummation of the transactions contemplated by the SME agreement, the absence of any governmental order or law that prevents or restricts the merger, the exercise of dissent rights with respect to fewer than 10% of outstanding shares of Specialty common stock, and the absence of a material adverse effect on Specialty.

Any or all of the conditions to closing of the merger that are not satisfied may be waived by the parties, other than conditions that are required by law. We do not anticipate waiving any condition to closing that we are permitted to waive; however, we would do so if we believed it to be in the best interests of Specialty and its stockholders. Holdings has informed us that although it does not anticipate waiving any condition to the closing, it reserves the right to do so.

Specialty is unable to determine on the date of this proxy statement whether it would regard it as legally necessary or advisable to resolicit proxies because of any waiver of a condition. It is possible that Specialty would deem it advisable to resolicit proxies, based on the particular condition that is waived and the circumstances under which the condition was waived. However, in a cash-only transaction, such as the merger, it is difficult at present to identify a circumstance in which proxies would be required to be resolicited absent any proposed reduction of the merger price of \$13.25 per share or some other material adverse proposed change in the terms of the merger. Specialty will determine whether resolicitation is necessary based upon its assessment of the facts and circumstances present at the time. This assessment would include an analysis of whether there is a substantial likelihood that a reasonable stockholder would consider the facts and circumstances under which the condition would be waived material in making a decision with respect to the merger.

See "The Merger Agreement Conditions to Completing the Merger" beginning on page 74 and "Special Factors Merger Financing" beginning on page 49.

Termination of the Merger Agreement

The merger agreement may be terminated prior to the closing of the merger under several circumstances, including:

by either Specialty or Holdings if the merger is not completed on or before March 31, 2006 (or June 30, 2006 if the only condition required to be fulfilled on March 31, 2006 is the

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

condition relating to the HSR Act waiting period) (so long as such party's breach of the merger agreement has not caused or resulted in such failure to complete the merger);

by either Specialty or Holdings if the stockholders of Specialty do not approve the merger agreement and the merger by the affirmative vote of (1) the holders of a majority of the outstanding shares of Specialty common stock entitled to vote and (2) the holders of a majority of the outstanding shares of Specialty common stock entitled to vote not held by the continuing investors and their affiliates;

by either Specialty or Holdings if the SME agreement is terminated in accordance with its terms;

by Holdings if the board of directors of Specialty withdraws or modifies, or proposes publicly to withdraw or modify, in any manner adverse to Holdings, its approval or recommendation of the merger agreement, the merger and the other transactions contemplated by the merger agreement, approves any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement or other similar agreement constituting or relating to, or that is intended to or could reasonably be expected to lead to, any acquisition proposal, or approves, recommends or proposes publicly to approve or recommend any acquisition proposal; or

by either Specialty or Holdings if the board of directors, prior to the stockholder approval of the merger agreement and the merger as described above, resolves to enter into a definitive agreement in connection with a superior proposal.

See "The Merger Agreement Termination" beginning on page 76.

Termination Fees

If the merger agreement is terminated under certain circumstances, including acceptance of a superior proposal or a willful and knowing breach of the merger agreement by Specialty, Specialty will be required to pay to Holdings a \$13.0 million termination fee, inclusive of out-of-pocket fees and expenses reasonably incurred by Holdings, AmeriPath, Group Holdings and Acquisition Corp. If the merger agreement is terminated because the unaffiliated stockholders fail to approve the merger at a meeting of the Specialty stockholders held to consider the merger, Specialty will reimburse Holdings for expenses reasonably incurred by Holdings, AmeriPath, Group Holdings and Acquisition Corp., up to a maximum amount of \$1.0 million. *See "The Merger Agreement Fees and Expenses; Termination Fee" beginning on page 77.*

Dissent Rights

Any holder of Specialty common stock who does not wish to accept the per share merger consideration in cash for such holder's shares may exercise dissent rights under the CGCL and elect to have the fair value of the holder's shares on the date of the merger (exclusive of any element of value arising from the accomplishment or expectation of the merger) judicially determined and paid to the holder in cash, together with the legal rate of interest, if any, provided that the holder complies with the provisions of Chapter 13 of the CGCL. To perfect his, her or its dissent rights under Chapter 13 of the CGCL, a Specialty stockholder (1) must deliver to Specialty, before the special meeting, a demand for payment of fair market value and (2) must not vote in favor of the merger agreement or the merger. Dissent rights will only be available under Chapter 13 of the CGCL if such rights are exercised with respect to at least 5% of the outstanding Specialty common stock. A stockholder's vote against the merger agreement or the merger does not constitute a demand for dissent rights or a waiver of his, her or its

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

dissent rights. *See* "Special Factors Dissent Rights of Dissenting Specialty Stockholders" beginning on page 58 and Appendix C to this proxy statement.

Voting Agreement

Simultaneously with the execution of the merger agreement, Holdings, the continuing investors and certain affiliates of the continuing investors entered into a voting agreement (referred to as the voting agreement in this proxy statement) pursuant to which, among other things, the continuing investors and such affiliates agreed to vote in favor of the merger and to vote against competing transactions unless the merger agreement is terminated. If the merger agreement is terminated under certain circumstances, and Specialty subsequently consummates an alternative transaction, then the continuing investors and such affiliates will be required to pay to Holdings 50% of (a) the consideration paid to the continuing investors and such affiliates in respect of their shares of Specialty common stock, minus (b) the amounts that would otherwise be payable to such persons pursuant to the merger agreement. The continuing investors also granted an irrevocable proxy to representatives of Holdings to vote on the merger and other matters governed by the voting agreement. The provisions of the voting agreement apply to all shares of Specialty common stock held by the continuing investors and their affiliates that are parties to the voting agreement. *See* "The Voting Agreement" beginning on page 80.

Litigation Challenging the Merger

Five purported class action lawsuits were filed in October and November 2005 naming Specialty and each of its directors as defendants. One of the lawsuits also names Specialty Family Limited Partnership as a party. An amended complaint in one of the five lawsuits also names AmeriPath as a defendant. All five suits were filed in Los Angeles Superior Court by purported stockholders of Specialty on behalf of all similarly situated stockholders. The complaints allege, among other things, that the defendants have breached their fiduciary duties to the stockholders of Specialty by entering into the merger agreement. To support the allegation of breach of fiduciary duty the complaints assert that the consideration offered in the merger is inadequate and is the result of unfair dealing, that in negotiating the transaction the defendants failed to disclose information that would have increased the valuation of Specialty, and that the transaction is the result of a conflict of interest, because Dr. Peter and his affiliates will receive an equity share in the surviving corporation. In the amended complaint adding AmeriPath as a defendant, AmeriPath is alleged to have aided and abetted the alleged actions of the other defendants. The complaints seek an injunction against the proposed merger or, if it is consummated, rescission of the merger, as well as money damages, attorneys' fees, expenses and other relief. Additional lawsuits could be filed in the future, and the allegations in these five complaints could be amended or supplemented. Specialty believes that these lawsuits and the allegations contained in them lack merit; however, Specialty notified the applicable insurance carriers of the lawsuits. These suits are in their earliest stages. The court has scheduled an initial status conference for December 6, 2005. Discovery has not yet begun and at this juncture it is too soon to predict with any accuracy how these suits will be resolved. *See* "Special Factors Litigation Challenging the Merger" beginning on page 58.

QUESTIONS AND ANSWERS ABOUT THE MERGER

The following section provides brief answers to some of the questions that may be raised by the merger agreement and the merger. This section is not intended to contain all of the information that is important to you. You are urged to read the entire proxy statement carefully, including the information incorporated by reference and the information in the appendices.

Q: What am I being asked to vote on?

A: You are being asked to approve the merger agreement and the merger, which provides for the acquisition of Specialty by AmeriPath, and to approve the adjournment of the special meeting to a later date to solicit additional proxies in favor of the approval of the merger agreement and the merger if there are not sufficient votes for approval of the merger agreement and the merger at the special meeting. After the merger, Specialty will become a privately-held company and a wholly-owned subsidiary of AmeriPath, which will be indirectly owned by Welsh Carson, its co-investors, the continuing investors and certain other current stockholders of Holdings.

The board of directors, acting upon the unanimous (with one member absent) recommendation of the special committee, unanimously (with one director absent) approved the merger agreement and the merger. The special committee and the board of directors believe that the terms of the merger agreement and the merger are advisable and procedurally and substantively fair to, and in the best interest of, the unaffiliated stockholders. The board of directors recommends that you vote FOR the approval of the merger agreement and the merger and FOR the approval of any proposal to postpone or adjourn the special meeting to a later date to solicit additional proxies in favor of the approval of the merger agreement and the merger if there are not sufficient votes for approval of the merger agreement and the merger at the special meeting.

Q: What vote is required to approve the merger agreement and the merger?

A: The merger cannot be completed unless the merger agreement and the merger are approved by the affirmative vote of (1) the holders of a majority of the outstanding shares of Specialty common stock entitled to vote and (2) the holders of a majority of the outstanding shares of Specialty common stock entitled to vote not held by the continuing investors or their affiliates. The continuing investors and certain of their affiliates have entered into a voting agreement that will ensure that the first vote is passed, but that will have no effect on the outcome of the second vote. On the record date, there were _____ shares of common stock outstanding and entitled to be voted at the special meeting. The continuing investors and their affiliates control approximately 60.4% of the outstanding shares of common stock of Specialty. Accordingly, if unaffiliated stockholders holding in excess of approximately 19.8% of the outstanding common stock abstain from voting or vote against the merger, the merger will not receive the required approval of stockholders.

Q: What will I receive in the merger?

A: You will receive \$13.25 in cash for each share of Specialty common stock held by you.

Q: What function did the special committee serve with respect to the merger and who are its members?

A: The principal function of the special committee with respect to the merger was to examine and evaluate the merits of any potential sale, merger or other similar business combination with AmeriPath and to make a recommendation to the board with respect to the proposed transaction. The special committee is composed of Richard K. Whitney, Michael T. DeFreece, Hubbard C. Howe, William J. Nydam, David R. Schreiber and David C. Weavil, who are independent of and have no economic interest or expectancy of an economic interest in the continuing investors, Welsh Carson,

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

Group Holdings, Holdings, AmeriPath or the surviving corporation (except that Mr. Weavil is the Chief Executive Officer of Specialty and may continue as an employee of Specialty, AmeriPath or their affiliates following the closing of the merger). The members of the special committee have certain interests that are in addition to or different from the interests of the other Specialty stockholders. See "Special Factors Interests of Certain Persons in the Merger Interests of Specialty Directors and Executive Officers in the Merger" at page 46.

Q: When and where is the special meeting?

A: The special meeting of Specialty stockholders will be held at _____ a.m., Pacific Time, on _____ in the first floor auditorium at Specialty Laboratories, Inc., 27027 Tourney Road, Valencia, California 91355.

Q: Who can vote on the merger agreement?

A: Stockholders as of the close of business on _____, 2005, the record date for the special meeting, are entitled to vote on the merger agreement and the merger in person or by proxy at the special meeting. On the record date, _____ shares of common stock were outstanding and eligible to vote, and there were _____ record holders. A list of stockholders eligible to vote will be available at the offices of Specialty, 27027 Tourney Road, Valencia, California beginning on _____, 2005. Stockholders may examine this list during normal business hours for any proper purpose relating to the special meeting.

Q: How many votes do I have?

A: You have one vote for each share of Specialty common stock that you owned at the close of business on _____, 2005, the record date for the special meeting.

Q: What happens if I do not respond?

A: The failure to respond by returning your proxy card will have the same effect as voting against the merger agreement and the merger unless you vote for the merger agreement and the merger in person at the special meeting.

Q: May I vote in person?

A: Yes. You may attend the special meeting and vote your shares in person, regardless of whether you sign and return your proxy card prior to the special meeting. If your shares are held of record by a broker, bank or other nominee and you wish to vote at the meeting, you must obtain a proxy from the record holder.

Q: May I change my vote after I have mailed my signed proxy card or otherwise submitted my vote?

A: Yes. You may change your vote at any time before your proxy is voted at the special meeting. You can do this in one of three ways. First, you can send a written notice revoking your proxy or voting instructions. Second, you can complete and submit a new proxy card or voting instructions bearing a later date. Third, you can attend the special meeting and vote in person. Your attendance alone will not revoke your proxy. If you have instructed a broker to vote your shares, you must follow directions received from your broker to change those instructions.

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

Q: If my shares are held in "street name" by my broker, will my broker vote my shares for me?

A: Your broker will not be able to vote your shares without instructions from you. You should instruct your broker to vote your shares, following the procedures provided to you by your broker.

Q: When do you expect the merger to be completed?

A: The parties to the merger agreement are working toward completing the merger as quickly as possible. If the merger agreement and the merger are approved by the requisite stockholder votes and the other conditions to the merger are satisfied or waived, the merger is expected to be completed promptly after the special meeting.

Q: Should I send in my stock certificates now?

A: No. Assuming the merger is completed, the paying agent for the merger will send you a letter of transmittal and written instructions for exchanging your shares of Specialty common stock for the merger consideration, without interest. You should not send in your Specialty stock certificates until you receive the letter of transmittal. *See* "The Merger Agreement Payment for Shares" beginning on page 63.

Q: What is "householding?"

A: If you and other residents at your mailing address own shares of common stock in "street name," your broker or bank may have notified you that your household will receive only one proxy statement for each company in which you hold stock through that broker or bank. This practice is known as "householding." Unless you responded that you did not want to participate in "householding," you were deemed to have consented to the process. Each stockholder will continue to receive a separate proxy card or voting instruction card. If you did not receive an individual copy of this proxy statement, we will promptly send a separate copy upon your oral or written request to Specialty Laboratories, Inc., 27027 Tourney Road, Valencia, California 91355, Attn: Investor Relations, or call (888) 676-5441. *See* "Other Matters" beginning on page 105.

Q: Who can help answer my questions?

A: The information provided above in the question-and-answer format is for your convenience only and is merely a summary of some of the information contained in this proxy statement. You should carefully read the entire proxy statement, including the information incorporated by reference and the information in the appendices. *See* "Where Stockholders Can Find More Information" beginning on page 105. If you would like additional copies of this proxy statement, without charge, or if you have questions about the merger, including the procedures for voting your shares, you should contact: Specialty Laboratories, Inc., 27027 Tourney Road, Valencia, California 91355, Attn: Investor Relations or call (888) 676-5441.

You may also wish to consult your own legal, tax and/or financial advisors with respect to the merger agreement, the merger or the other matters described in this proxy statement.

THE SPECIAL MEETING

General

The enclosed proxy is solicited by Specialty on behalf of the board of directors of Specialty for use at a special meeting of stockholders to be held on _____, at _____ a.m., Pacific Time, in the first floor auditorium at Specialty Laboratories, Inc., 27027 Tourney Road, Valencia, California 91355, or at any adjournments or postponements thereof, for the purposes set forth in this proxy statement and in the accompanying notice of special meeting. Specialty intends to mail this proxy statement and accompanying proxy card on or about _____ to all stockholders entitled to vote at the special meeting.

At the special meeting, the stockholders of Specialty will be asked to consider and vote upon a proposal to approve the Agreement and Plan of Merger, dated as of September 29, 2005, among Holdings, AmeriPath, Acquisition Corp. and Specialty, and the merger contemplated by the merger agreement. You also will be asked to vote on any proposal to approve the adjournment or postponement of the special meeting to a later date to solicit additional proxies in favor of the approval of the merger agreement and the merger if there are not sufficient votes for approval of the merger agreement and the merger at the special meeting. Under the merger agreement, Acquisition Corp. will be merged with and into Specialty, and each issued and outstanding share of Specialty common stock will be converted into the right to receive \$13.25 in cash, without interest, except for:

treasury shares of Specialty common stock, all of which will be canceled without any payment;

shares of Specialty common stock owned by Holdings or Acquisition Corp. or any direct or indirect wholly-owned subsidiary of Holdings or Specialty, all of which will be canceled without any payment; and

shares of Specialty common stock held by stockholders who properly exercise and perfect their dissent rights in accordance with Chapter 13 of the CGCL.

At the effective time of the merger, each outstanding stock option, except as provided in an applicable agreement with the optionee, will be canceled in exchange for an amount in cash determined by multiplying (1) the excess of \$13.25 over the per share exercise price of the option by (2) the number of shares of Specialty common stock subject to the option, less applicable withholding taxes.

At the effective time of the merger, all unvested shares of Specialty common stock issued pursuant to Specialty's executive incentive compensation plan and outstanding immediately prior to the effective time of the merger will become fully vested.

Immediately prior to the effective time of the merger, pursuant to the terms of the SME agreement, among other things, (a) Group Holdings will issue equity securities to certain of the stockholders of Holdings in exchange for cash and shares of Holdings, (b) Group Holdings will issue equity securities to the continuing investors in exchange for a portion of the shares of Specialty common stock held by the continuing investors and (c) Aqua Acquisition Corp. will be merged with and into Holdings, with Holdings being the surviving corporation. While the various transactions described in the SME agreement are a condition to closing the merger, you are not being asked to vote upon those transactions.

After consummation of the transactions contemplated by the SME agreement and the merger agreement, Specialty will be owned by AmeriPath; AmeriPath will be owned by Holdings; Holdings will be owned by Group Holdings; and Group Holdings will be owned by Welsh Carson, its co-investors, the continuing investors and certain other current stockholders of Holdings.

The board of directors, following the unanimous (with one member absent) recommendation of the special committee, unanimously (with one director absent) approved the merger agreement and the

merger. The board of directors recommends that you vote FOR the approval of the merger agreement and the merger.

Record Date, Quorum and Voting Information

Only holders of record of Specialty common stock at the close of business on _____, 2005, the record date for the special meeting, will be entitled to notice of and to vote at the special meeting. At the close of business on the record date, _____ shares of Specialty common stock were outstanding and entitled to vote. Of those shares, _____ shares were held by stockholders other than the continuing investors and their affiliates. A list of the Specialty stockholders entitled to vote at the special meeting will be available for review, for any proper purpose relating to the special meeting, at Specialty's executive offices during regular business hours for a period of not less than 10 days prior to the special meeting. Each holder of record of Specialty common stock on the record date will be entitled to one vote for each share held. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of common stock entitled to vote at the special meeting is necessary to constitute a quorum for the transaction of business at the special meeting.

All votes will be tabulated by the inspector of elections appointed for the special meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Brokers who hold shares in street name for clients typically have the authority to vote on routine proposals when they have not received instructions from beneficial owners. However, absent specific instructions from the beneficial owner of the shares, brokers are not allowed to exercise their voting discretion with respect to the approval of non-routine matters, such as the merger agreement and the merger. Proxies submitted without a vote by the brokers on these matters are referred to as broker non-votes. Abstentions and broker non-votes are counted for purposes of determining whether a quorum exists at the special meeting.

The affirmative vote of (1) the holders of a majority of the outstanding shares of common stock entitled to vote and (2) the holders of a majority of the outstanding shares of common stock entitled to vote that are not held by the continuing investors and their affiliates is required to approve the merger agreement and the merger. The continuing investors and certain of their affiliates have entered into a voting agreement that will ensure that the first vote is passed, but that will have no effect on the outcome of the second vote. Accordingly, proxies that reflect abstentions and broker non-votes, as well as proxies that are not returned, will have the same effect as a vote against approval of the merger agreement and the merger. The special committee and the board of directors urge the stockholders to complete, sign, date and return the enclosed proxy card in the accompanying self-addressed postage prepaid envelope as soon as possible.

Stockholders who do not vote in favor of approval of the merger agreement and the merger, and who otherwise comply with the applicable statutory procedures and requirements of the CGCL summarized elsewhere in this proxy statement, will be entitled to seek payment of the fair market value of their shares as set forth in Chapter 13 of the CGCL. See "Special Factors Dissent Rights of Dissenting Specialty Stockholders" beginning on page 58 and Appendix C to this proxy statement.

Your shares can be voted at the special meeting only if you are present or represented by proxy. Whether or not you plan to attend the special meeting, you are encouraged to vote by proxy to ensure that your shares will be represented. You may vote by completing and mailing a proxy card in the postage-paid envelope provided. Please refer to your proxy card or the information forwarded by your bank, broker or other holder of record to determine which options are available to you.

Proxies; Revocation

Any person giving a proxy pursuant to this solicitation has the power to revoke the proxy at any time before it is voted at the special meeting. A proxy may be revoked by filing, with the Secretary of

Specialty at Specialty's executive offices located at 27027 Tourney Road, Valencia, California 91355, a written notice of revocation or a duly executed proxy bearing a later date, or by attending the special meeting and voting in person. Attendance at the special meeting will not, by itself, revoke a proxy. Furthermore, if a stockholder's shares are held of record by a broker, bank or other nominee and the stockholder wishes to vote at the meeting, the stockholder must obtain from the record holder a proxy issued in the stockholder's name. If a stockholder has instructed a broker to vote the stockholder's shares, the stockholder must follow such broker's directions to change such instructions.

Expenses of Proxy Solicitation

Specialty will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional information furnished to stockholders in connection with their proxy. Specialty has retained _____ to assist in the solicitation of proxies for a fee of _____, plus reimbursement of out-of-pocket expenses. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of Specialty common stock beneficially owned by others to forward to the beneficial owners. Specialty will reimburse persons representing beneficial owners of its common stock for their costs of forwarding solicitation materials to the beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or other electronic means, or by personal solicitation by directors, officers or other regular employees of Specialty or by representatives of _____. No additional compensation will be paid to directors, officers or other regular employees of Specialty for their services in connection with the solicitation of proxies.

Adjournments

If the requisite stockholder vote approving the merger has not been received at the time of the special meeting, holders of Specialty common stock may be asked to vote on a proposal to adjourn or postpone the special meeting, if necessary, to solicit additional proxies in favor of the merger proposal. The board of directors recommends that you vote FOR the approval of any such adjournment or postponement of the meeting, if necessary.

Stock Certificates

Please do not surrender stock certificates at this time. If the merger is completed, the paying agent for the merger will distribute instructions regarding the procedures for exchanging Specialty stock certificates for the merger consideration. See "The Merger Agreement Payment for Shares" beginning on page 63.

SPECIAL FACTORS

General

At the special meeting, Specialty will ask its stockholders to vote on a proposal to approve the merger agreement and the merger of Acquisition Corp. with and into Specialty. We have attached a copy of the merger agreement as Appendix A to this proxy statement. We urge you to read the merger agreement in its entirety because it is the legal document governing the merger.

Background of the Merger

Prior to April 2005, the board of directors of Specialty considered, from time to time, various strategic alternatives to maximize stockholder value, including, but not limited to, mergers, acquisitions, joint ventures and the potential sale of Specialty. During that time, Specialty held discussions and negotiations with third parties (not including AmeriPath) regarding possible transactions, but none of these discussions or negotiations resulted in an agreed transaction.

During April and May 2005, Mr. Whitney of Specialty had several discussions separately with Scott Mackesy of Welsh Carson and Keith Laughman of AmeriPath in which they informally discussed possible mutual business interests between the two companies, including a possible acquisition by Specialty of AmeriPath's esoteric testing business or the creation of a joint venture comprising the esoteric testing businesses of the two companies.

During the same time period, and continuing thereafter, Dr. Peter and Mr. Laughman periodically discussed possible mutual business interests between the two companies and business transactions the companies might consider.

On May 25, 2005, Donald Steen and Mr. Laughman of AmeriPath met with Dr. Peter and Mr. Whitney of Specialty in Los Angeles to discuss possible strategic transactions involving the two companies. Discussions at this meeting focused on the strategic and business rationale of combining the esoteric testing capabilities of the two companies, as well as a possible joint venture involving the esoteric testing businesses of the two companies, or the possible acquisition by Specialty of AmeriPath's esoteric testing business.

During the month of June 2005, representatives of Specialty and AmeriPath held additional discussions regarding potential transactions. During the course of these discussions, representatives of AmeriPath indicated their preference for a business combination between AmeriPath and Specialty as opposed to an esoteric testing business joint venture or an acquisition by Specialty of AmeriPath's esoteric testing business. Also, during the month of June 2005, Mr. Whitney had various discussions with other members of Specialty's board in order to keep them updated as to the status of the discussions and to solicit feedback related to the potential transaction alternatives being discussed.

On June 15, 2005, Specialty and AmeriPath entered into a confidentiality agreement.

On June 21 and 22, Mr. Laughman, Dr. Jeffrey Mossler and other representatives of AmeriPath and Welsh Carson met Mr. Schreiber, Mr. Whitney and Dr. Peter at Specialty's facility in Valencia, California. During these meetings, representatives of Specialty provided preliminary due diligence materials and described the status of operating initiatives at Specialty and the parties discussed possible synergies from a business combination.

During late June 2005, representatives of Specialty and JPMorgan discussed, on a preliminary basis, the structure and terms of a potential transaction with AmeriPath.

On June 24, Mr. Steen contacted Mr. Whitney to propose on a preliminary basis to acquire all the Specialty common stock held by the public and a portion of the Specialty common stock held by Dr. Peter and his affiliates at a price of \$12 in cash per share. As part of that preliminary proposal, the remaining Specialty common stock held by Dr. Peter and his affiliates would be required to be exchanged for stock of Holdings. This exchange of stock would be based on a value for Holdings

common stock of \$6 per share, which would be the same price as existing Holdings stockholders would invest the cash required for the proposed acquisition of Specialty, and a value for Specialty common stock equal to the per share cash consideration payable to other stockholders in the proposed transaction. Mr. Whitney indicated in this conversation that \$12 per share was not likely to be a price that was acceptable to the Specialty board but that he believed there would be an interest in continuing the discussions regarding a potential business combination. Mr. Whitney subsequently updated members of the board regarding the price and other terms of AmeriPath's proposal.

On the following days, Mr. Whitney and Mr. Steen had several additional discussions regarding the proposed transaction. Mr. Whitney continued to indicate that the proposed price of \$12 in cash per share of Specialty was not acceptable.

Effective June 28, 2005, Specialty engaged JPMorgan as its financial advisor in connection with the proposed transaction. Specialty had previously engaged JPMorgan to provide strategic advice on matters unrelated to the proposed transaction.

On June 30, 2005, Specialty engaged O'Melveny & Myers LLP as its legal advisor in connection with the proposed transaction.

On July 1, 2005, Mr. Whitney of Specialty spoke with Mr. Steen and Jarod Moss of AmeriPath. During that conversation, AmeriPath increased the price of their preliminary proposal to a range of \$12 to \$13 per share. On that date, trading in the Specialty common stock closed on the New York Stock Exchange at \$8.38 per share.

On July 6, 2005, Dr. Peter and Mr. Whitney of Specialty met with Mr. Laughman and Dr. Mossler of AmeriPath in Phoenix to discuss the AmeriPath business plan and activities and to further the discussions regarding the possible strategic transaction. At this meeting, AmeriPath provided preliminary due diligence materials regarding its business.

On July 12, 2005, Specialty held a special board meeting to discuss on a preliminary basis a possible transaction with AmeriPath. Representatives of JPMorgan and O'Melveny & Myers LLP attended the meeting. JPMorgan discussed with the board its preliminary views of various financial analyses related to the preliminary proposal made by AmeriPath. O'Melveny & Myers LLP advised the board regarding its fiduciary duties in connection with a possible transaction, and described the possible advantages of including a condition to the transaction that it be supported by a majority of the stockholders not affiliated with the continuing investors (the majority of the minority condition), and the possibility of forming a special committee if and when discussions with AmeriPath had progressed further. O'Melveny & Myers LLP also made a presentation to the board regarding possible structuring alternatives for the proposed transaction in order to obtain tax-deferred treatment for the potential investment by Dr. Peter and his affiliates in the combined company. The board instructed Mr. Whitney and Specialty's advisors to proceed with further discussions regarding the transaction proposed by AmeriPath.

During the following weeks, JPMorgan and Specialty, on the one hand, and AmeriPath and Welsh Carson, on the other hand, engaged in further discussions regarding valuations of both Specialty and AmeriPath, and AmeriPath provided additional confidential information regarding its business.

On July 28, 2005, representatives of Specialty and JPMorgan held a meeting to discuss possible responses to the offer from AmeriPath. They concluded that Specialty should make a counter-proposal of \$14.50 in cash per share.

Later on July 28, 2005, representatives of JPMorgan called Mr. Mackesy of Welsh Carson and indicated that Specialty expected a purchase price of \$14.50 per share in the proposed transaction. On the same day, Mr. Whitney of Specialty called Mr. Steen of AmeriPath and delivered the same message.

Over the course of the next several days, representatives of Specialty and JPMorgan, on the one hand, and AmeriPath and Welsh Carson, on the other hand, held several discussions regarding the proposed cash purchase price for Specialty common stock in the proposed transaction.

On August 8, 2005, Welsh Carson sent a letter to JPMorgan indicating that AmeriPath would be willing to raise its offer for Specialty common stock from a range of \$12 to \$13 per share to \$13 per share. Any such offer by AmeriPath remained subject to, among other things, Dr. Peter's agreement to cause his affiliates to exchange a substantial portion of their existing Specialty common stock for Holdings common stock as part of the transaction and the completion of due diligence by AmeriPath. On that date, trading in the Specialty common stock closed on the New York Stock Exchange at \$9.71 per share.

On August 10, 2005, the board of Specialty met. JPMorgan and Mr. Whitney updated the board regarding discussions with AmeriPath and the letter received from Welsh Carson on August 8, 2005. Following discussions regarding possible responses to AmeriPath's offer, the board instructed JPMorgan to communicate to AmeriPath that Specialty had price expectations of at least \$14 per share.

On August 15, 2005, representatives of JPMorgan discussed valuation and other terms of the proposed transaction with Mr. Mackesy of Welsh Carson. As instructed by the board of Specialty, JPMorgan indicated that Specialty had price expectations of at least \$14 per share.

On August 17, 2005, Mr. Mackesy of Welsh Carson contacted a representative of JPMorgan to propose a revised merger price of \$13.25 per share and indicated that this constituted their best and final offer. On that date, trading in the Specialty common stock closed on the New York Stock Exchange at \$9.62 per share.

On August 18, 2005, the board of Specialty met. The board discussed the revised merger price proposal of \$13.25 made by AmeriPath and authorized representatives of Specialty to proceed with negotiations on that basis. The board approved the formation of a special committee, consisting of all members of the board other than Dr. Peter and Ms. Estes. Mr. Whitney was named as the Chairman of the special committee. All members of the special committee were and are independent of and had and have no economic interest or expectancy of an economic interest in the continuing investors, Welsh Carson, Group Holdings, Holdings, AmeriPath, or the surviving corporation (except that Mr. Weavil may continue as an employee of Specialty, AmeriPath or their affiliates following the closing of the merger). The special committee was authorized to review the possible strategic transaction with AmeriPath and the terms and conditions of any such transaction, to determine if the proposed transaction was in the best interest of Specialty and its stockholders and, if so, to recommend the proposed transaction to the board and Specialty's stockholders or, if not, to recommend to the board that it reject the proposed transaction. Following the board meeting, the board instructed JPMorgan to, in addition to continuing to assist the board, render assistance to the special committee in connection with its evaluation of and deliberations regarding the merger.

The special committee met following the board meeting, with O'Melveny & Myers LLP and JPMorgan present, and discussed the possible structure of the transaction with AmeriPath, including the price proposed. JPMorgan discussed the provision of an opinion as to the fairness of the cash price offered to the stockholders other than the continuing investors and their affiliates. The special committee also discussed the possibility of including in the merger agreement a majority of the minority condition, as previously considered by the board, and agreed to discuss such matters further after review and discussion by outside and internal legal counsel.

During the following weeks, Specialty provided confidential information to AmeriPath and representatives of AmeriPath met with employees and representatives of Specialty to discuss Specialty's business.

Between August 30, 2005 and September 2, 2005, O'Melveny & Myers LLP and Guth Christopher LLP, counsel to Specialty Family Limited Partnership (in which capacity it negotiated certain matters

with respect to certain of that entity's partners, which include Dr. Peter and Ms. Estes), exchanged preliminary drafts of the merger agreement and the SME agreement.

On September 7, 2005, O'Melveny & Myers LLP circulated initial drafts of the merger agreement and the SME agreement, as well as a term sheet prepared by Guth Christopher LLP for a shareholders' agreement and a registration rights agreement for the continuing investors, to Ropes & Gray LLP, counsel to AmeriPath. The draft merger agreement included a majority of the minority condition and a "fiduciary out" provision under which Specialty could terminate the agreement in order to enter into a superior transaction in return for the payment of a termination fee.

On September 13, 2005, Ropes & Gray LLP circulated comments on the merger agreement and on the term sheet for the shareholders' agreement and the registration rights agreement for the continuing investors.

On September 15, 2005, the special committee and the board held meetings. JPMorgan and O'Melveny & Myers LLP presented an update of the status of negotiations to both the special committee and the board.

Also on September 15, 2005, Ropes & Gray LLP circulated an initial draft of the voting agreement to be entered into by the continuing investors. The draft voting agreement, among other things, required the continuing investors to vote in favor of the merger, to vote against any competing transaction for a period of 18 months even if the merger agreement were terminated in accordance with its terms, and to pay to AmeriPath 50% of any increase in consideration paid to the continuing investors in respect of their Specialty stock over the amounts that would be otherwise payable pursuant to the merger agreement.

On September 19, 2005, Ropes & Gray LLP circulated comments on the SME agreement.

On September 20 and 21, 2005, representatives of AmeriPath, Welsh Carson, Specialty and JPMorgan met in Valencia. At these meetings, AmeriPath discussed the results of its due diligence investigation of Specialty and the parties discussed various open terms of the proposed transaction. Separately, Dr. Peter and Mr. Whitney met with representatives of AmeriPath and Welsh Carson to discuss open business points in the arrangements to be entered into between the continuing investors and AmeriPath and its affiliates.

On September 22, 2005, O'Melveny & Myers LLP, Ropes & Gray LLP and Guth Christopher LLP met to begin negotiating the merger agreement, the SME agreement, the voting agreement, the shareholders' agreement, the registration rights agreement and a services agreement to be entered into by Dr. Peter and AmeriPath.

Also on September 22, 2005, the board held a meeting to discuss the proposed transaction. Mr. Whitney summarized for the board the status of discussions and negotiations between Specialty and AmeriPath.

On September 23, 2005, Ropes & Gray LLP contacted O'Melveny & Myers LLP to propose revised transaction terms, which included eliminating the majority of the minority condition in exchange for AmeriPath removing the provision in the voting agreement that would have required the continuing investors to vote against a competing transaction even if Specialty terminated the merger agreement in accordance with its terms. As part of that proposal, Specialty would pay a termination fee to AmeriPath in the amount of \$8.0 million plus up to \$2.0 million in expenses upon termination of the merger agreement in certain circumstances. In addition, the proposal continued to include a condition to closing that dissent rights not be exercised with respect to more than 5% of the Specialty common stock.

On September 26, 2005, O'Melveny & Myers LLP responded to this proposal and, among other things, insisted that the transaction include a majority of the minority condition. Later on the same day, Ropes & Gray LLP contacted O'Melveny & Myers LLP to propose further revised transaction terms. The proposal included acceptance of the majority of the minority condition in exchange for an increase

in the amount of the proposed termination fee to \$20.0 million, inclusive of expenses. The proposal also included acceptance of a threshold of 10% with respect to the dissenting shares closing condition.

On September 27, 2005, the board of Specialty met, with JPMorgan, O'Melveny & Myers LLP and Guth Christopher LLP attending. Mr. Whitney and Specialty's advisors updated the board on the status of negotiations and the principal outstanding issues, including, among others, the majority of the minority vote, the amount of the termination fee, and certain closing conditions, including the requirement that dissent rights not be exercised with respect to more than 10% of the Specialty common stock. Following the board meeting, the special committee met and reviewed the issues discussed at the board meeting, and instructed representatives of Specialty to maintain the majority of the minority vote condition and to discuss with representatives of AmeriPath certain proposals regarding the termination fee and closing conditions.

Later on September 27, 2005, Ropes & Gray LLP contacted O'Melveny & Myers LLP to propose an amendment to the transaction terms proposed the previous day. The amended proposed transaction terms would provide that the fee to be paid by Specialty in the event that the merger was not approved by the minority shareholders would be \$5.0 million, rather than the \$20.0 million termination fee payable in certain other circumstances.

On September 28, 2005, AmeriPath circulated to Specialty a draft commitment letter that it had received from Wachovia Bank, NA and other banks to provide debt financing for the merger and the related transactions.

On the morning of September 28, 2005, the special committee met for several hours, with JPMorgan and O'Melveny & Myers LLP attending. At this meeting, JPMorgan presented its financial analysis of Specialty and the proposed consideration of \$13.25 per share in cash to be received in the merger by the holders of Specialty common stock other than the continuing investors. JPMorgan discussed the status of its internal process and explained that, based upon and assuming no change in then available information, it expected to be able to give its opinion at a board meeting on September 29, 2005 that, as of such date, based upon and subject to the considerations described in its written opinion and other matters as JPMorgan considered relevant, the consideration of \$13.25 per share in cash to be received in the merger by the holders of Specialty common stock other than the continuing investors and their affiliates would be fair, from a financial point of view, to such holders. Also at this meeting, the special committee reviewed in detail with O'Melveny & Myers LLP the current agreed terms of the transaction, including the terms that the special committee had previously insisted upon: the fact that the merger agreement included a "fiduciary out" provision under which Specialty could terminate the agreement in order to enter into a superior transaction, in return for the payment of a termination fee; the fact that the merger would be contingent on the approval of a majority of the unaffiliated stockholders; and the fact that the voting agreement would not include a provision requiring the continuing investors to vote against a competing transaction even if the merger agreement were terminated in accordance with its terms. The special committee also reviewed in detail with O'Melveny & Myers LLP the significant open issues in the transaction, including the terms of the financing commitment letter and the amount of the termination fees payable in certain circumstances. The special committee provided Specialty's management and advisors with parameters as to termination fee amounts that would be acceptable to Specialty, and instructed Specialty's advisors to continue negotiations with AmeriPath and its advisors. The special committee also considered whether to request that AmeriPath increase the cash consideration to be paid in the merger.

Following the special committee meeting, the board held a meeting, with JPMorgan, O'Melveny & Myers LLP and Guth Christopher LLP attending. At this meeting, JPMorgan presented its financial analysis of Specialty and the proposed \$13.25 per share merger consideration to be received by the holders of Specialty common stock other than the continuing investors in the merger. JPMorgan confirmed that, based upon and assuming no change in then available information, it expected to be able to give its opinion at a board meeting on September 29, 2005 that, as of such date, based upon

and subject to the considerations described in its written opinion and other matters as JPMorgan considered relevant, the consideration of \$13.25 per share in cash to be received in the merger by the holders of Specialty common stock other than the continuing investors and their affiliates would be fair, from a financial point of view, to such holders. Members of the special committee and Specialty's advisors advised Dr. Peter and Ms. Estes of the status of the negotiations with AmeriPath. Dr. Peter and Ms. Estes indicated their agreement with the instructions given by the special committee. Also at that meeting, the board agreed in principle to the payment of certain fees (in an aggregate amount of up to \$300,000) to those members of the special committee who were most extensively involved in negotiating the merger with AmeriPath and overseeing the negotiations and sale process. Such fees were to be determined at a later date and approved by the full board. The board also authorized a separate payment in the amount of \$100,000 to Mr. Whitney in connection with his services as Chairman of the Board since his appointment to that position on February 5, 2005, including his work on the proposed merger with AmeriPath. Mr. Whitney and Mr. Schreiber were present for portions of the meeting discussing such payments to the special committee and to Mr. Whitney, and then left the meeting prior to the final deliberations and decisions with respect to such payments.

On September 29, 2005, the special committee and the board each met twice to discuss further the merger agreement and the status of negotiations of the remaining open issues. All members of the special committee and the board, other than Mr. Hubbard C. Howe, were present at each of these meetings. Representatives of JPMorgan and O'Melveny & Myers LLP attended each special committee and board meeting, and representatives of Guth Christopher LLP attended each board meeting.

At the first meeting of the special committee on September 29, 2005, after a thorough discussion of the remaining open issues, the special committee instructed JPMorgan to propose to AmeriPath a compromise position on the open issues, including a termination fee in the amount of \$12.0 million plus up to \$1.0 million in expenses, and a fee of \$1.0 million payable to AmeriPath to cover its expenses in the event that the minority shareholders failed to approve the merger. Although the special committee considered that the purchase price of \$13.25 in cash per share was fair, in the context of the resolution of the final outstanding issues, the special committee considered it advisable and appropriate to propose an increase in the purchase price. Accordingly, as part of this proposal, the special committee instructed JPMorgan to propose an increase in the purchase price to an amount of \$13.75 per share.

Following this meeting of the special committee, the board held a meeting and members of the special committee and Specialty's advisors advised Dr. Peter and Ms. Estes of the status of the negotiations with AmeriPath. After a lengthy discussion, the board indicated its agreement with the proposed compromise position and the instructions given by the special committee to JPMorgan.

Subsequently, Dr. Peter called Mr. Whitney to inform him that the continuing investors would be willing to forgo a price increase above \$13.25 for their shares, and that Mr. Whitney and Specialty's advisors could proceed to attempt to negotiate a higher price for the unaffiliated stockholders only. Mr. Whitney informed JPMorgan of the substance of this conversation and instructed JPMorgan to convey this message to AmeriPath.

JPMorgan then contacted representatives of AmeriPath and discussed the proposal authorized by the special committee and the board, together with the continuing investors' willingness to forgo their share of any price increase above \$13.25 that would otherwise be received by the continuing investors and their affiliates.

Later in the evening of September 29, 2005, at the second meeting of the special committee, JPMorgan reported that representatives of AmeriPath had agreed to a termination fee in the amount of \$13.0 million, inclusive of expenses, and to a fee of \$1.0 million payable in the event that the minority shareholders failed to approve the merger, but had not agreed to an increase in the purchase price. JPMorgan then (as instructed by the board) provided the special committee with JPMorgan's oral opinion that would be rendered at the next board meeting that as of that date, based upon and subject

to the considerations described in its written opinion and other matters as JPMorgan considered relevant, the consideration of \$13.25 per share in cash to be received in the merger by the holders of Specialty common stock other than the continuing investors and their affiliates would be fair, from a financial point of view, to such holders. All members of the special committee present at the meeting, after discussion, unanimously agreed that it was in the best interests of Specialty and the unaffiliated stockholders to proceed with the transaction, and agreed to recommend the transaction to the board.

The board then held a meeting. Members of the special committee and Specialty's advisors advised Dr. Peter and Ms. Estes of the terms of the proposed transaction with AmeriPath and the special committee's conclusion that the transaction was in the best interests of Specialty and the unaffiliated stockholders. JPMorgan then provided its oral opinion to the board that, as of that date, based upon and subject to the considerations described in its written opinion and other matters as JPMorgan considered relevant, the consideration of \$13.25 per share in cash to be received in the merger by the holders of Specialty common stock other than the continuing investors and their affiliates was fair, from a financial point of view, to such holders. On September 29, 2005, JPMorgan subsequently delivered its written opinion to the board, dated September 29, 2005, to the same effect. After JPMorgan provided its oral opinion to the board, all members of the board present at the meeting, after discussion and based on the factors discussed above, unanimously adopted the recommendation of the special committee, declared that the terms of the merger and the merger agreement were advisable and procedurally and substantively fair to and in the best interests of Specialty and the unaffiliated stockholders, and approved the merger agreement and the merger.

Later on the night of September 29, 2005, Specialty, AmeriPath and the other parties to the merger agreement executed the merger agreement, and the parties to the voting agreement and the SME agreement executed those agreements.

On the morning of September 30, 2005, Specialty issued a press release announcing that it had entered into a definitive merger agreement with Holdings, AmeriPath and Acquisition Corp. In the same press release, Specialty also announced that the voting agreement and the SME agreement had been entered into by the parties to those agreements.

From the commencement of discussions between Specialty and AmeriPath, despite volatility in Specialty's stock price, Specialty was not contacted by any third party to discuss a potential strategic transaction.

Recommendation of the Special Committee and the Board of Directors and Reasons for the Merger

The special committee unanimously (with one member absent) determined that the terms of the merger agreement, including the merger consideration of \$13.25 in cash per share of common stock, and the merger are advisable and procedurally and substantively fair to, and in the best interests of, the unaffiliated stockholders. As a result, the special committee unanimously (with one member absent) adopted resolutions supporting the merger and recommending that the board of directors approve and declare advisable the merger agreement and the merger. In making these determinations, the special committee considered a number of factors, as more fully described above under " Background of the Merger" and below under " Reasons for the Special Committee's Determination."

After receiving the special committee's recommendation, the board of directors unanimously (with one director absent) agreed that it was in the best interests of the unaffiliated stockholders to proceed with the merger. Thereafter, the board of directors adopted the recommendation of the special committee, found that the merger agreement and the merger were advisable and procedurally and substantively fair to, and in the best interests of, the unaffiliated stockholders and unanimously (with one director absent) approved the merger agreement and the merger. **The board of directors recommends that stockholders vote FOR the approval of the merger agreement and the merger.**

Reasons for the Special Committee's Determination. The members of the special committee are all the members of the board other than Dr. Peter and Ms. Estes. The special committee members, with the exception of Mr. Weavil, who is the Chief Executive Officer of Specialty, are not officers or employees of Specialty. The special committee members are independent of and have no economic interest or expectancy of an economic interest in the continuing investors, Welsh Carson, Group Holdings, Holdings, AmeriPath, or the surviving corporation (except that Mr. Weavil may continue as an employee of Specialty, AmeriPath or their affiliates following the closing of the merger). Whether the merger is completed or not, special committee members will be paid up to a total amount of \$300,000 in the aggregate for their service on the special committee, in addition to Specialty's standard committee fees, and will be reimbursed for out-of-pocket expenses incurred in connection with that service. In addition to the foregoing payments to be made, Mr. Whitney was awarded the amount of \$100,000, which has already been paid, for his services as a member of the special committee and as Chairman of the board of directors. Furthermore, pursuant to the terms of Mr. Schreiber's consulting agreement, Mr. Schreiber is entitled to a payment equal to six times his monthly consulting fee, or a total amount of approximately \$163,000, upon the completion of the merger. The special committee members also have certain other interests that may be in addition to or different from the interests of the unaffiliated stockholders, as described under " Interests of Certain Persons in the Merger Interests of Specialty Directors and Executive Officers in the Merger". Because of these interests, the interests of the special committee and the unaffiliated stockholders of Specialty may not be aligned. See " Interests of Certain Persons in the Merger Interests of Specialty Directors and Executive Officers in the Merger" beginning on page 46.

In recommending the approval of the merger agreement and the merger to the board of directors, the special committee considered the following material factors that it believed supported its recommendation:

the merger consideration of \$13.25 per share was payable in cash and represented a substantial premium over the market price of common stock of Specialty before the public announcement of the execution of the merger agreement, namely, approximately a 27% premium over the average trading price of \$10.44 for the three months preceding the public announcement of the execution of the merger agreement;

JPMorgan's opinion rendered to Specialty's board of directors (and, as instructed by Specialty's board of directors, provided to the special committee), to the effect that as of September 29, 2005, based upon and subject to the considerations described in its opinion and other matters as JPMorgan considered relevant, the consideration to be received by holders of Specialty common stock other than the continuing investors and their affiliates in the merger was fair, from a financial point of view, to such holders of Specialty common stock, and the related financial presentation presented to the board and the special committee in connection therewith (as described under " Opinion of the Financial Advisor to the Board");

the ability of the unaffiliated stockholders to recognize a significant cash value through the cash proceeds of the merger versus continued risks and uncertainties of operating as a stand-alone company, and of holding an illiquid investment of undetermined value in Group Holdings, which risks and uncertainties will be borne solely by the stockholders of Group Holdings after the merger, and not by the public stockholders of Specialty;

the special committee's familiarity with Specialty's recent, current and anticipated future financial performance and the effects of such financial performance on the potential stock market performance of Specialty common stock;

the fact that the special committee understood that AmeriPath, Holdings and Group Holdings did not intend to publicly offer equity securities as part of any potential transaction and, as a

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

result, the combination of stock of Group Holdings and cash to be received by the continuing investors in the transaction would not be available to the unaffiliated stockholders;

the terms of the merger agreement, including the cash price, the ability to consider unsolicited offers by other possible buyers, the requirement that the merger receive the approval of not only the holders of a majority of shares of Specialty common stock but also the holders of a majority of Specialty common stock excluding the continuing investors and their affiliates, and the amount of the termination fee (which the special committee believed should not unduly discourage other possible buyers from offering acquisition proposals that are more favorable than the transactions contemplated by the merger agreement);

the agreement of Holdings that any impact of changes in law (to the extent such changes exist or have been proposed prior to September 29, 2005) and changes in reimbursement practices of customers will not constitute a material adverse effect with respect to Specialty that would result in the failure of Specialty to satisfy a condition to closing of the merger;

the fact that, under certain circumstances described in the merger agreement, Specialty may provide information and participate in negotiations with respect to other possible buyers that have submitted acquisition proposals and may terminate the merger agreement to accept a superior proposal;

the fact that the voting agreement would not prohibit the continuing investors and their affiliates from approving a competing transaction in the event that the merger agreement is terminated;

its review of the alternatives to a sale of Specialty, including maintaining the status quo; and

the nature of the financing commitments received by AmeriPath and Holdings with respect to the merger, including the conditions to those financing commitments.

The special committee did not consider any firm acquisition proposals from other possible buyers with respect to a merger or consolidation, sale of assets or other change of control of Specialty because no such proposals were made during the past three years (although the special committee was aware that Specialty had at times during that period entered into negotiations that did not result in firm offers). Similarly, the special committee did not assign any significance to recent purchases of Specialty common stock by any of the affiliates of the continuing investors described under "Common Stock Purchase Information" beginning on page 55. In addition, the special committee did not consider a possible liquidation transaction as a viable alternative because the value of Specialty is tied to its existence as an integrated going concern. Specialty is essentially a service company, and its tangible assets are incidental to its service operations. As a result, the value of Specialty is tied to its existence as an integrated going concern. Moreover, a portion of Specialty's success is attributable to its position and reputation in the industry. As a result, the special committee concluded that any liquidation of Specialty's assets, or any break-up, spin-off and piecemeal sale of Specialty's business or assets, would not maximize stockholder value. Therefore, the special committee did not consider a possible liquidation value. Further, the special committee did not consider net book value, which is an accounting concept, as a factor because the merger consideration of \$13.25 per share is significantly higher than \$4.29, the net book value per share of Specialty common stock at June 30, 2005.

The special committee also determined that the merger is procedurally fair because, among other things:

the board of directors established a special committee of independent directors to consider and negotiate the merger agreement;

the special committee consists solely of directors who are not officers or employees of Specialty (other than Mr. Weavil, who is the Chief Executive Officer of Specialty), and who are independent of and have no economic interest or expectancy of an economic interest in the

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

continuing investors, Welsh Carson, Group Holdings, Holdings, AmeriPath, or the surviving corporation (except that Mr. Weavil may continue as an employee of Specialty, AmeriPath or their affiliates following the closing of the merger);

the special committee was given authority, pursuant to resolutions adopted by the board of directors, to, among other things, evaluate, negotiate and recommend the terms of the proposed transaction or to recommend that the board reject the proposed transaction;

the cash merger consideration of \$13.25 per share and other terms and conditions of the merger agreement resulted from arm's-length negotiations between the special committee and AmeriPath;

the continuing investors were represented by their own counsel, and counsel and the financial advisor to the board and the special committee did not represent the continuing investors;

the continuing investors did not participate in or have any influence on the deliberative process of, or the conclusions reached by, the special committee or the negotiating positions of the special committee;

the merger must be approved not only by the holders of a majority of shares of Specialty common stock but also by holders of a majority of the shares of Specialty common stock excluding the continuing investors and their affiliates;

subject to certain conditions, including the payment of a termination fee under certain circumstances, the merger agreement permits the board of directors to exercise its fiduciary duties to consider alternative transactions if it believes that an acquisition proposal received from another possible buyer after the date of the merger agreement could result in a superior proposal;

the special committee believed that the termination fee of \$13.0 million (or approximately 4% of the equity value of Specialty), inclusive of expenses, was within a range comparable to termination fees in most public company merger transactions, and that the obligation to pay this fee should not unduly discourage other possible buyers from offering acquisition proposals that are more favorable than the merger agreement proposed by AmeriPath;

the special committee believed that the expense reimbursement of up to \$1.0 million to be paid in the event that the unaffiliated stockholders vote against the approval of the merger would not unduly discourage the unaffiliated stockholders from rejecting the merger if they do not wish to consummate the merger; and

under California law, the stockholders of Specialty have the right to demand payment of the fair market value of their shares, which rights are described below under "Dissent Rights of Dissenting Specialty Stockholders" beginning on page 58 and Appendix C to this proxy statement.

In light of the creation of the special committee and the fact that the use of a special committee of this type is a well-recognized mechanism to achieve fairness in transactions such as the merger, the non-employee directors of Specialty determined that the appointment of an additional representative unaffiliated with Specialty or the continuing investors to act solely on behalf of the stockholders of Specialty that are not affiliated with the continuing investors to further protect their interests in connection with the negotiation of the merger agreement or the evaluation of the fairness of the merger was not necessary.

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

In connection with its review of the merger agreement, the merger and the related transactions, the special committee also considered the following risks and other potentially material negative factors concerning the merger:

the fact that the obligation of AmeriPath to complete the merger is conditioned upon the receipt of financing by AmeriPath, as discussed below in " Merger Financing" beginning on page 49, and that AmeriPath may not secure any financing for a variety of reasons, including reasons beyond the control of Specialty or AmeriPath;

the specific wording of language in the merger agreement and in AmeriPath's financing commitment relating to the occurrence of a material adverse effect on Specialty's business that could cause the merger not to close;

the fact that if the merger is not consummated under circumstances further discussed in "The Merger Agreement Termination" beginning on page 76 and "The Merger Agreement Fees and Expenses; Termination Fee" beginning on page 77, Specialty may be required to pay a termination fee to AmeriPath;

the fact that, after the effective date of the merger, the unaffiliated stockholders would cease to participate in any future earnings growth of Specialty or benefit from any increase in the value of Specialty;

the fact that the continuing investors will receive equity of Group Holdings in exchange for a portion of their Specialty common stock and the value of that equity could potentially be significantly greater than the value of the cash consideration under the merger;

the fact that certain directors and officers of Specialty have interests in the merger that are different from, or in addition to, the interests of Specialty stockholders generally, as further discussed in " Interests of Certain Persons in the Merger Interests of Specialty Directors and Executive Officers in the Merger";

the fact that the Specialty common stock contributed by the continuing investors for equity of Group Holdings will benefit from tax-deferred treatment;

the fact that the unaffiliated stockholders, after the effective date of the merger, would be required to surrender their shares involuntarily in exchange for a cash price determined by the special committee and the board of directors and would not have the right to liquidate their shares at a time and for a price of their own choosing; and

the fact that the merger would be a taxable transaction and that the stockholders of Specialty may be subject to taxation on the proceeds of the merger.

The foregoing describes all of the material factors considered by the special committee in its consideration of the merger and alternatives to the merger. After considering these factors, the special committee concluded that the positive factors relating to the merger outweighed the negative factors and that the merger constituted a more attractive transaction for stockholders than the alternatives described above. Because of the variety of factors considered, the special committee did not find it practicable to quantify or otherwise assign relative weights to, and did not make specific assessments of, the specific factors considered in reaching its determination. In addition, each member of the special committee may have assigned different weights to various factors. The determination of the special committee was made after consideration of all factors taken as a whole.

Reasons for the Board of Directors' Determination. The board of directors of Specialty consists of eight directors, all of whom except for Dr. Peter and Ms. Estes serve on the special committee. In reporting to the Specialty board of directors regarding its determination and recommendation, the special committee, with the legal and financial advisors of the board participating, advised the other

members of the board of directors of the course of negotiations with AmeriPath and its legal counsel, its review of the merger agreement and the related financing commitments and the factors that the special committee considered in reaching its determination that the terms of the merger agreement and the merger are advisable and fair to, and in the best interests of, the unaffiliated stockholders. On September 29, 2005, JPMorgan provided its written opinion, dated September 29, 2005, to the board of directors which stated that, as of that date, and based upon and subject to the assumptions made, matters considered, qualifications and limitations set forth in the written opinion, the consideration of \$13.25 per share in cash to be received in the merger by the holders of Specialty common stock other than the continuing investors and their affiliates was fair from a financial point of view to such holders, and presented a related financial presentation to the board in connection therewith. After receiving the special committee's recommendation with respect to the approval of the merger agreement and the merger and listening to the presentation of JPMorgan, the board of directors unanimously (with one director absent) agreed that it was in the best interests of the unaffiliated stockholders to proceed with the merger. Thereafter, the board of directors adopted the recommendation of the special committee, found that the merger agreement and the merger are advisable and procedurally and substantively fair to, and in the best interests of, the unaffiliated stockholders and unanimously (with one director absent) approved the merger agreement and the merger. As part of its determination with respect to the merger, the board of directors adopted the fairness analysis and conclusion of the special committee and the opinion of JPMorgan and the related financial presentation presented to the board and the special committee in connection therewith, and adopted and relied upon each of the factors, both positive and negative, considered by the special committee in respect of such fairness analysis and conclusion, based upon the board of directors' view as to the reasonableness of such fairness analysis and conclusion. In light of the wide variety of factors considered in its evaluation of the merger, the board of directors did not find it practicable to quantify or otherwise assign relative weights to, and did not make specific assessments of, the specific factors considered in reaching its determination. Instead, the board of directors based its position on the totality of the information presented and considered.

Special Committee Fees. The board of directors determined that members of the special committee would be paid up to a total amount of \$300,000 in the aggregate for their service on the special committee, in addition to Specialty's standard committee fees, regardless of whether any proposed transaction was entered into or completed. In addition to the foregoing payments to be made, Mr. Whitney was awarded the amount of \$100,000, which has already been paid, for his services as a member of the special committee and as Chairman of the board of directors. Furthermore, pursuant to the terms of Mr. Schreiber's consulting agreement, Mr. Schreiber is entitled to a payment equal to six times his monthly consulting fee, or a total amount of approximately \$163,000, upon the completion of the merger. The members of the special committee are entitled to reimbursement for their out-of-pocket expenses incurred in connection with their service on the special committee.

Opinion of the Financial Advisor to the Board

Pursuant to an engagement letter dated July 5, 2005, Specialty retained JPMorgan as its financial advisor in connection with the proposed transaction and to render an opinion to the board of directors of Specialty as to the fairness, from a financial point of view, of the consideration to be received by the holders of common stock in the proposed merger. JPMorgan was selected by the board of directors based on JPMorgan's qualifications, reputation and substantial experience with transactions similar to the merger, as well as JPMorgan's familiarity with Specialty. JPMorgan rendered (and, as instructed by the board of directors of Specialty, provided to the special committee) its opinion to the board of directors on September 29, 2005, that, as of such date, the consideration to be received by the holders of common stock other than the continuing investors and their affiliates (for purposes of such opinion, the Founder Parties) in the proposed merger was fair, from a financial point of view, to such holders.

The full text of the written opinion rendered by JPMorgan to the board of directors, dated September 29, 2005, which sets forth the assumptions made, general procedures followed, matters considered and limitations on the scope of the review undertaken by JPMorgan in rendering its opinion, is attached as Appendix B to this proxy statement and is incorporated herein by reference. JPMorgan's opinion is directed to the board of directors of Specialty (and, as instructed by the board of directors of Specialty, provided to the special committee) and addresses the fairness, from a financial point of view, to the holders of Specialty common stock other than the continuing investors of the consideration to be received by such holders in the merger. JPMorgan's opinion does not constitute a recommendation to any stockholders as to how to vote with respect to the proposed transaction. The Specialty stockholders are urged to read such opinion in its entirety. JPMorgan's opinion did not address the merits of the underlying decision by Specialty to engage in the merger or the fairness of the transactions contemplated by the SME agreement to the continuing investors, the holders of Specialty common stock other than the continuing investors or any other person or entity. This summary is qualified in its entirety by reference to the full text of such opinion.

In arriving at its opinion, JPMorgan:

reviewed a draft dated September 29, 2005 of the merger agreement;

reviewed certain publicly available business and financial information concerning Specialty and the industries in which it operates;

compared the proposed financial terms of the merger with the publicly available financial terms of certain transactions involving companies JPMorgan deemed relevant and the consideration received for such companies;

compared the financial and operating performance of Specialty with publicly available information concerning certain other companies JPMorgan deemed relevant and reviewed the current and historical market prices of the common stock and certain publicly traded securities of such other companies;

reviewed certain internal financial analyses and forecasts prepared by the management of Specialty relating to its business; and

performed such other financial studies and analyses and considered such other information as JPMorgan deemed appropriate for the purposes of the JPMorgan opinion.

JPMorgan also held discussions with certain members of the management of Specialty and Holdings and representatives of Welsh Carson with respect to certain aspects of the merger, and the past and current business operations of Specialty, the financial condition and future prospects and operations of Specialty, and other matters JPMorgan believed necessary or appropriate to JPMorgan's inquiry.

In giving its opinion, JPMorgan relied upon and assumed, without assuming responsibility or liability for independent verification, the accuracy and completeness of all information that was publicly available or was furnished to or discussed with JPMorgan by Specialty, Holdings and Welsh Carson or otherwise reviewed by or for JPMorgan. JPMorgan did not conduct any valuation or appraisal of any assets or liabilities, nor did JPMorgan evaluate the solvency of Specialty or Holdings under any state or federal laws relating to bankruptcy, insolvency or similar matters. In relying on financial analyses and forecasts provided to JPMorgan, JPMorgan assumed that such analyses and forecasts were reasonably prepared based on assumptions reflecting the best currently available estimates and judgments by management as to the expected future results of operations and financial condition of Specialty to which the analyses or forecasts relate. JPMorgan expressed no view as to such analyses or forecasts or the assumptions on which they were based. JPMorgan also assumed that the merger and other transactions contemplated by the merger agreement would be consummated as described in the merger

agreement, and that the definitive merger agreement would not differ in any material respect from the draft thereof furnished to JPMorgan. JPMorgan relied, as to all legal matters relevant to rendering its opinion, upon the advice of counsel. JPMorgan further assumed that all material governmental, regulatory or other consents and approvals necessary for the consummation of the merger will be obtained without any adverse effect on Specialty.

JPMorgan's opinion was necessarily based on economic, market and other conditions as in effect on, and the information made available to JPMorgan as of, September 29, 2005. Subsequent developments may affect the JPMorgan opinion and JPMorgan does not have any obligation to update, revise, or reaffirm its opinion. JPMorgan's opinion is limited to the fairness, from a financial point of view, of the consideration to be received by the holders of Specialty common stock other than the continuing investors in the proposed merger and JPMorgan expressed no opinion as to the fairness of the transactions contemplated by the SME agreement or any consideration received by the continuing investors in connection therewith to the continuing investors, the holders of Specialty common stock other than the continuing investors, or any other person or entity. JPMorgan further expressed no opinion as to the fairness of the merger (or the consideration received therein) to the continuing investors or the holders of any other class of securities, creditors or other constituencies of Specialty or as to the underlying decision by Specialty to engage in the merger.

JPMorgan noted that it was not authorized to and did not solicit any expressions of interest from any other parties with respect to the sale of all or any part of Specialty or any other alternative transaction. Consequently, JPMorgan did not express any opinion as to whether any alternative transaction might produce consideration for holders of Specialty common stock other than the continuing investors in an amount in excess of that contemplated in the merger.

The following is a brief summary of the material financial analyses performed by JPMorgan in connection with rendering its opinion to the board of directors of Specialty on September 29, 2005 (and, as instructed by the Specialty board, providing the opinion to the special committee). Some of the summaries of the financial analyses include information presented in tabular format. To fully understand the financial analyses, the tables should be read together with the text of each summary. Considering the data set forth in the table without considering the narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the financial analyses.

Historical Stock Price Analysis

JPMorgan reviewed the historical daily highest and lowest trading prices of Specialty common stock for the 52 weeks ending September 26, 2005. The analysis indicated that the highest and the lowest trading prices of Specialty common stock for the 52 weeks ending September 26, 2005 were \$15.10 and \$6.55, respectively. The price of Specialty common stock as of September 26, 2005 was \$12.96. Ninety-five percent of trading of Specialty common stock in the one year period ending on September 26, 2005 was below \$13.25. The analysis indicated that the consideration to be received by the holders of common stock in the proposed merger represented:

a premium of 2.2% based on the closing price of Specialty common stock on September 26, 2005 of \$12.96;

a premium of 6.5% based on the 1-month average closing price as of September 26, 2005 of \$12.44;

a premium of 29.6% based on the 3-month average closing price as of September 26, 2005 of \$10.23;

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

a premium of 41.2% based on the 6-month average closing price as of September 26, 2005 of \$9.38; and

a premium of 34.9% based on the 1-year average closing price as of September 26, 2005 of \$9.82.

Comparison of Trading Multiples

In conducting its analysis, JP Morgan considered two projected financial cases for Specialty that were prepared by Specialty's management. Specialty's management instructed JPMorgan to weight the two cases equally. The first case, referred to as Case 1, assumed, among other things, flat pricing in 2006 through 2014 and termination of certain independent laboratory business that Specialty believes may be temporary in nature on January 1, 2008. The second case, referred to as Case 2, assumed, among other things, 1% pricing declines through 2014 and termination of certain independent laboratory business that Specialty believes may be temporary in nature on January 1, 2006. Each case assumed full implementation of current initiatives and continued strong specimen growth. For a further discussion of the two cases and the assumption underlying each case, see " Certain Projections" beginning on page 55.

Using Specialty management forecasts, selected published Wall Street equity research estimates, public SEC filings and other publicly available information, JPMorgan compared financial information, financial ratios and valuation multiples for Specialty to corresponding measures for three publicly traded clinical laboratory testing companies. The companies reviewed in connection with this analysis were Bio-Reference Laboratories Inc., Laboratory Corporation of America and Quest Diagnostics.

Although none of the selected companies is directly comparable to Specialty, the companies were chosen because they are publicly traded companies with businesses and operations that for purposes of the analysis may be considered similar to certain operations of Specialty. The financial ratios and valuation multiples of the selected companies were calculated using the closing prices of the common stock of the selected companies on September 26, 2005.

JPMorgan calculated the enterprise values of the selected companies as multiples of the estimated revenue and earnings before interests, taxes, depreciation and amortization (excluding minority interests) (referred to as EBITDA in this proxy statement) for the 2005 and 2006 calendar years for the selected companies, as estimated and published by Wall Street equity research and brokerage firms. The enterprise value of each company was calculated by JPMorgan based on publicly available information as the market capitalization (calculated based upon fully diluted shares using the treasury method) of each company as of September 26, 2005 plus total debt less total cash and cash equivalents of each company as of the most recent relevant public SEC filing date for each company. Based on such Wall Street estimates and other publicly available information, JPMorgan also calculated the ratio of the enterprise value of each selected company to the estimated revenue and estimated EBITDA for such company, as well as the EBITDA margin (a percentage calculated as estimated EBITDA divided by estimated revenue) for each company, for the 2005 and 2006 calendar years. The following table presents the summary results of this analysis:

	Enterprise Value/2005E Revenue	Enterprise Value/2006E Revenue	Enterprise Value/2005E EBITDA	Enterprise Value/2006E EBITDA	2005E EBITDA Margin	2006E EBITDA Margin
Median	2.1x	2.0x	9.7x	9.0x	21.7%	22.2%
High	2.3x	2.1x	13.1x	10.1x	24.0%	24.5%
Low	1.5x	1.2x	9.4x	8.6x	11.1%	12.3%

JPMorgan calculated the implied enterprise value of Specialty of \$284.5 million, based on an implied fully diluted market capitalization of \$327.7 million (based on 24.7 million fully diluted shares)

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

of common stock outstanding (including 0.7 million dilutive effect of options calculated using the treasury method) and the price of \$13.25 per share), plus zero total debt, less total cash and cash equivalents of \$18.1 million, less long-term investments of \$21.6 million, less receivable from sale of property of \$3.5 million, as of August 31, 2005, in each case, as provided by Specialty management to JPMorgan. JPMorgan also calculated the ratio of the implied enterprise value of Specialty to the estimated revenue and estimated EBITDA for Specialty, as well as the EBITDA margin for Specialty, for the 2005 and 2006 calendar years under Case 1 and Case 2 (in each case, using an estimated run rate of business at December 31, 2005 for the 2005 calendar year per Specialty management's projections and estimates). The following table presents the summary results of this analysis:

	Implied Enterprise Value/2005E Revenue	Implied Enterprise Value/2006E Revenue	Implied Enterprise Value/2005E EBITDA	Implied Enterprise Value/2006E EBITDA	Implied 2005E EBITDA Margin	Implied 2006E EBITDA Margin
Case 1	1.8x	1.5x	21.6x	12.9x	8.2%	12.0%
Case 2	1.8x	1.6x	21.6x	19.9x	8.2%	8.2%

Based upon Specialty management's projections and estimates, in conducting its analysis, JPMorgan selected the following range of multiples to determine an implied range of equity value per share under each case:

1.2 to 1.6x estimated 2005 end of year run rate revenue;

1.0 to 1.4x 2006 projected revenue;

10.0 to 13.0x estimated 2005 end of year run rate EBITDA; and

9.0 to 10.0x 2006 projected EBITDA.

This range of multiples implied a range of equity value per share (rounded to the nearest \$0.10) under Case 1 of:

\$9.40 to \$12.20, based on Specialty management estimates of 2005 end of year run rate revenue of \$159.8 million and 2006 projected revenue of \$183.6 million; and

\$7.30 to \$10.80, based on Specialty management estimates of 2005 end of year run rate EBITDA of \$13.2 million and 2006 projected EBITDA of \$22.0 million.

This range of multiples implied a range of equity value per share (rounded to the nearest \$0.10) under Case 2 of:

\$9.00 to \$12.20, based on Specialty management estimates of 2005 end of year run rate revenue of \$159.8 million and 2006 projected revenue of \$174.8 million; and

\$7.20 to \$8.90, based on Specialty management estimates of 2005 end of year run rate EBITDA of \$13.2 million and 2006 projected EBITDA of \$14.3 million.

JPMorgan's analysis indicated that the ratio of the implied enterprise value of Specialty (calculated as described above based on the merger consideration of \$13.25 per share) to the last twelve months revenue of \$148.7 million as of August 31, 2005 is 1.9x.

Based on this analysis, JPMorgan selected a range of multiples of estimated revenue of the last twelve months of 1.5 to 2.0x for Specialty, which implied a range of equity value per share (rounded to the nearest \$0.10) of \$10.90 to \$13.70 based on the last twelve months revenue for Specialty of \$148.7 million as of August 31, 2005.

None of the companies or the selected transactions used in the above analysis is identical to Specialty or the merger. Accordingly, an analysis of the results of the foregoing necessarily involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies and the selected transactions and other factors that may have affected the selected transactions and/or affect the merger.

Discounted Cash Flow Analysis

JPMorgan calculated a range of discounted cash flows for Specialty using Specialty management's projections provided to JPMorgan. This analysis was based on the sum of (i) the present value of projected, standalone, after-tax, unlevered free cash flows of Specialty for fiscal periods from 2004 through fiscal year 2014 and (ii) the present value of the projected terminal value, based on an annual perpetuity revenue growth rate. JPMorgan calculated a range of values for Specialty by utilizing a cost of capital range of 10.5% to 11.5% and terminal revenue growth rates ranging from 4.00% to 4.50%. JPMorgan applied these ranges to both of the projected financial cases prepared by Specialty's management.

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

Based on the foregoing calculations and based on Specialty management's projected financial Case 1, JPMorgan derived a range of implied equity value per fully diluted share (rounded to the nearest \$0.10), as of September 26, 2005, of \$12.10 to \$14.40 per share of common stock, based on fully diluted shares of common stock outstanding (calculated as 24.0 million shares of common stock plus the dilutive effect of outstanding options calculated using the treasury method) and including Specialty management's estimates of the present value of net operating loss carryforwards of approximately \$0.57 per share (without giving effect to any limitations of Section 382 of the Internal Revenue Code). The implied equity value per fully diluted share under Case 1, at midpoint, implied terminal last 12 month EBITDA and EBIT multiples of 7.3x and 8.4x respectively.

Based on the foregoing calculations and based on Specialty management's projected financial Case 2, JPMorgan derived a range of implied equity value per fully diluted share (rounded to the nearest \$0.10), as of September 26, 2005, of \$8.20 to \$9.60 per share of Specialty common stock, based on fully diluted shares of common stock outstanding (calculated as 24.0 million shares of common stock plus the dilutive effect of outstanding options calculated using the treasury method) and including Specialty management's estimates of the present value of net operating loss carryforwards of approximately \$0.52 per share (without giving effect to any limitations of Section 382 of the Internal Revenue Code). The implied equity value per fully diluted share under Case 2, at midpoint, implied terminal last 12 month EBITDA and EBIT multiples of 6.7x and 8.2x respectively.

The foregoing summary of certain material financial analyses does not purport to be a complete description of the analyses or data presented by JPMorgan. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. JPMorgan believes that the foregoing summary and its analyses must be considered as a whole and that selecting portions of the foregoing summary and these analyses, without considering all of its analyses as a whole, could create an incomplete view of the processes underlying the analyses and its opinion. In arriving at its opinion, JPMorgan did not attribute any particular weight to any analyses or factors considered by it and did not form an opinion as to whether any individual analysis or factor (positive or negative), considered in isolation, supported or failed to support its opinion. Rather, JPMorgan considered the totality of the factors and analyses performed in determining its opinion. Analyses based upon forecasts of future results are inherently uncertain, as they are subject to numerous factors or events beyond the control of the Specialty and its advisors. Accordingly, forecasts and analyses used or made by JPMorgan are not necessarily indicative of actual future results, which may be significantly more or less favorable than suggested by those analyses. Moreover, JPMorgan's analyses are not and do not purport to be appraisals or otherwise reflective of the prices at which businesses actually could be bought or sold. None of the selected companies reviewed as described in the above summary is identical to Specialty and none of the selected transactions reviewed was identical to the transactions contemplated by the merger agreement. However, the companies selected were chosen because they are publicly traded companies with operations and businesses that, for purposes of JPMorgan's analysis, may be considered similar to those of Specialty. The transactions selected were similarly chosen because their participants, size and other factors, for purposes of JPMorgan's analysis, may be considered similar to the transactions contemplated by the merger agreement. The analyses necessarily involve complex considerations and judgments concerning differences in financial and operational characteristics of the companies involved and other factors that could affect the companies compared to Specialty and the transactions compared to the transactions contemplated by the merger agreement.

JPMorgan's opinion and the related financial presentation presented to the board and the special committee in connection therewith were only one of many factors considered by the special committee and the board of directors of Specialty in their evaluation of the transactions contemplated by the merger agreement and should not be viewed as determinative of the views of the special committee, the board of directors of Specialty or Specialty management with respect to the transactions

contemplated by the merger agreement or the consideration to be received by the holders of Specialty common stock in the proposed merger.

Pursuant to an engagement letter dated April 5, 2005, between Specialty and JPMorgan, JPMorgan has acted as financial advisor to Specialty with respect to the proposed merger and Specialty will pay to JPMorgan a fee equal to \$4.50 million (assuming there are 24.7 million fully diluted shares of common stock outstanding immediately prior to the consummation of the merger). The fee is payable in installments as follows: (i) an initial installment of \$1 million was paid upon delivery of the JPMorgan opinion and (ii) the balance shall be payable upon consummation of the merger. Specialty will also indemnify JPMorgan for certain liabilities arising out of JPMorgan's engagement and reimburse JPMorgan for its reasonable expenses. Specialty has established, prior to JPMorgan's engagement in connection with the merger, an irrevocable letter of credit with JPMorgan's affiliate, JPMorgan Chase Bank, that names Lexington Corporate Properties Trust as the beneficiary. In addition, JPMorgan has provided financial advisory services to Specialty in the past and JPMorgan and its affiliates have provided financial advisory, financing and other investment banking and commercial banking services to Welsh Carson and its affiliates in the past, in each case for customary compensation. In the ordinary course of its businesses, JPMorgan and its affiliates may actively trade the equity securities of Specialty, the debt securities of AmeriPath, and certain public debt and equity securities of other affiliates of Welsh Carson for JPMorgan's own account or for the accounts of customers and, accordingly, JPMorgan may at any time hold long or short positions in such securities.

Position of the AmeriPath Group as to the Fairness of the Merger

Under the rules of the Securities and Exchange Commission, each member of the AmeriPath group is required to express its belief as to the fairness of the proposed merger to the unaffiliated stockholders. Each member of the AmeriPath group believes that the merger is both procedurally and substantively fair to such unaffiliated stockholders because, among other things:

the merger consideration of \$13.25 per share was payable in cash and represented a substantial premium over the market price of common stock of Specialty before the public announcement of the execution of the merger agreement, namely, approximately a 27% premium over the average trading price of \$10.44 per share for the three months preceding the public announcement of the execution of the merger agreement;

the \$13.25 per share merger consideration and other terms and conditions of the merger agreement resulted from arm's-length negotiations between the special committee and AmeriPath;

the ability of Specialty stockholders to recognize a significant cash value through the proceeds of the merger versus continued risk of operating as a stand-alone company, and of holding an illiquid investment of undetermined value in Group Holdings, which risks and uncertainties will be borne by Group Holdings and its stockholders after the merger, and not by the public stockholders of Specialty;

the merger consideration is all cash, thus eliminating any uncertainties in valuing the consideration to be received by the stockholders of Specialty;

the fact that, under certain circumstances described in the merger agreement, Specialty may provide information and participate in negotiations with respect to other possible buyers that have submitted acquisition proposals and may terminate the merger agreement to accept a superior proposal;

the AmeriPath group believes that the termination fee of \$13.0 million (or approximately 4% of the equity value of the transaction), inclusive of expenses, was within a range comparable to

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

termination fees in most public company merger transactions and would not necessarily deter another potential purchaser from considering a transaction with Specialty at a higher price;

the agreement of Holdings that any impact of changes in law (to the extent such changes exist or have been proposed prior to September 29, 2005) and changes in reimbursement practices of customers will not constitute a material adverse effect with respect to Specialty that would result in the failure of Specialty to satisfy a condition to closing of the merger;

the special committee consists solely of directors who are independent of and have no economic interest or expectancy of an economic interest in the continuing investors, Welsh Carson, Group Holdings, Holdings, AmeriPath, or the surviving corporation (except that Mr. Weavil is the Chief Executive Officer of Specialty and may continue as an employee of Specialty, AmeriPath or their affiliates following the closing of the merger);

the special committee's unanimous (with one member absent) recommendation to the Specialty board of directors that the merger agreement and the merger be approved;

the continuing investors did not participate in or have any influence on the deliberative process of, or the conclusions reached by, the special committee or the negotiating positions of the special committee;

the transaction must be approved not only by the holders of a majority of shares of Specialty common stock but also by holders of a majority of the shares of Specialty common stock entitled to vote excluding the continuing investors and their affiliates; and

under California law, the stockholders of Specialty have the right to demand payment of the fair market value of their shares.

Each member of the AmeriPath group believes that the merger is procedurally fair for all the reasons listed above, including as a result of the creation of the special committee, notwithstanding the fact that Specialty did not retain an unaffiliated representative to act on behalf of Specialty's unaffiliated stockholders. In this regard, each member of the AmeriPath group notes that Specialty's non-employee directors believe it was not necessary to appoint an additional representative unaffiliated with Specialty to act solely on behalf of the unaffiliated stockholders for purposes of negotiating the terms of the merger agreement or preparing a report concerning the fairness of the merger in light of the fact that the use of a special committee of this type is a well-recognized mechanism to achieve fairness in transactions such as the merger. *See* "Recommendation of the Special Committee and the Board of Directors and Reasons for the Merger Reasons for the Special Committee's Determination" beginning on page 26.

In evaluating the fairness of the merger to Specialty's unaffiliated stockholders, the AmeriPath group did not consider net book value because they believe that net book value, which is an accounting concept, does not reflect, or have any meaningful impact on, the market trading prices for Specialty common stock. The AmeriPath group noted, however, that the merger consideration of \$13.25 per share is significantly higher than \$4.29, the net book value per share of Specialty common stock at June 30, 2005. The AmeriPath group did not consider liquidation value in determining the fairness of the merger to Specialty's unaffiliated stockholders because Specialty will continue to operate its businesses following completion of the merger and because of the AmeriPath group's belief that liquidation sales generally result in proceeds substantially less than sales of a going concern. The AmeriPath group did not establish stand alone going concern value for the Specialty common stock as a public company to determine the fairness of the merger consideration to the unaffiliated shareholders. None of the members of the AmeriPath group believe that there is a single method for determining going concern value and, therefore, did not base their valuation of Specialty on a concept that is subject to various interpretations. Further, the members of the AmeriPath group believed that, to the extent that Specialty's pre-merger going concern value was already reflected in the

pre-announcement per share stock price of Specialty's common stock, such pre-merger going concern value undervalued Specialty in comparison to the offer prices being discussed in the merger negotiations, which from the outset reflected a premium to such pre-announcement stock price. In addition, the AmeriPath group did not consider any other firm offers made by any unaffiliated third parties with respect to a merger or consolidation, sale of assets or other sale of Specialty, as it was not aware of any such offers during the past two years (although it was aware that Specialty had at times entered into negotiations that did not result in firm offers). The AmeriPath group also did not assign any significance to recent purchases of Specialty common stock by certain affiliates of the continuing investors described under " Common Stock Purchase Information" beginning on page 55.

The AmeriPath group did not receive any opinion, report or appraisal from an outside party that is materially related to the merger. In addition, since the members of the AmeriPath group relied on their own analysis and conclusions in determining their belief as to the fairness of the proposed merger to Specialty's unaffiliated stockholders, they did not adopt the conclusions of the special committee or the board of directors of Specialty with respect to such fairness and did not adopt the analysis or opinion of the board of director's financial advisor.

The AmeriPath group found it impracticable to assign, nor did they assign, relative weight to the individual factors considered in reaching its conclusion as to fairness. The foregoing discussion of the information and factors considered by the AmeriPath group as to the fairness of the merger is believed to include all of the material factors considered by the AmeriPath group.

The AmeriPath group's views as to the fairness of the merger to the unaffiliated stockholders should not be construed as a recommendation to any stockholder as to whether such stockholder should vote in favor of the merger agreement and the merger.

Position of SFLP Group as to the Fairness of the Merger

Under the rules of the Securities and Exchange Commission, each member of the SFLP group is required to express its belief as to the fairness of the proposed merger to the unaffiliated stockholders. Each member of the SFLP group believes that the merger is both procedurally and substantively fair to the unaffiliated stockholders because, among other things:

the special committee consists solely of directors who are independent of the continuing investors and have no economic interest or expectancy of an economic interest in the continuing investors, Welsh Carson, Group Holdings, Holdings, AmeriPath, or the surviving corporation (except that Mr. Weavil is the Chief Executive Officer of Specialty and may continue as an employee of Specialty, AmeriPath or their affiliates following the closing of the merger);

under California law, the stockholders of Specialty have the right to demand a payment of the fair market value of their shares.

In evaluating the fairness of the merger to Specialty's unaffiliated stockholders, the SFLP group did not consider net book value because they believe that net book value, which is an accounting concept, does not reflect, or have any meaningful impact on, the market trading prices for Specialty common stock. The SFLP group noted, however, that the merger consideration of \$13.25 per share is significantly higher than \$4.29, the net book value per share of Specialty common stock at June 30, 2005. The SFLP group did not consider liquidation value in determining the fairness of the merger to Specialty's unaffiliated stockholders because Specialty will continue to operate its businesses following completion of the merger and because of the continuing investors' belief that liquidation sales generally result in proceeds substantially less than sales of a going concern. the merger consideration to the unaffiliated shareholders. The SFLP group also did not assign any significance to recent purchases of Specialty common stock by certain affiliates of the continuing investors described under " Common Stock Purchase Information" beginning on page 55.

The SFLP group did not receive any opinion, report or appraisal from an outside party that is materially related to the merger, except that, in their capacity as directors (but not in their capacity as continuing investors), Dr. Peter and Ms. Estes received all opinions, reports and appraisals that were delivered to the board.

The SFLP group adopted the conclusions of the special committee and the board of directors of Specialty with respect to such fairness.

The SFLP group found it impracticable to assign, nor did they assign, relative weight to the individual factors considered in reaching their conclusion as to fairness. The foregoing discussion of the information and factors considered by the continuing investors as to the fairness of the merger is believed to include all of the material factors considered by the SFLP group.

The SFLP group's views as to the fairness of the merger to the unaffiliated stockholders should not be construed as a recommendation to any stockholder as to whether such stockholder should vote in favor of the merger agreement and the merger.

Certain of members of the SFLP group are directors and executive officers of Specialty and have an interest in the merger not shared by other stockholders of Specialty. These interests are described under " Interests of Specialty Directors and Executive Officers in the Merger."

Purpose and Structure of the Merger

The purpose of the merger for Specialty is to allow its stockholders to realize the value of their investment in Specialty in cash and to enable AmeriPath to acquire Specialty. The special committee and the board of directors of Specialty believe, based upon the reasons discussed under " Recommendation of the Special Committee and the Board of Directors and Reasons for the Merger," that the merger is advisable and procedurally and substantively fair to, and in the best interests of, the Specialty unaffiliated stockholders.

For the continuing investors (with respect to the shares of Specialty common stock exchanged for Group Holdings stock pursuant to the SME agreement) and the AmeriPath group, the purpose of the merger is to allow them to benefit from any future earnings and growth of Specialty after its common stock ceases to be publicly traded. One of the purposes of the merger for the continuing investors and the AmeriPath group is to afford greater operating flexibility, allowing management to concentrate on long-term growth and to reduce its focus on the quarter-to-quarter performance often emphasized by the public markets. The merger will offer the opportunity to build on both companies' leadership positions in their respective markets, provide access to each other's medical and scientific expertise, expand their geographic presence and allow both companies to better support community-based medicine and patient care. The merger is also intended to enable Specialty to use in its operations

funds that would otherwise be expended in complying with certain requirements applicable to public companies. The continuing investors and the AmeriPath group, in deciding to engage in the merger, considered these factors as well as the projections for revenues and earnings prepared by Specialty's management described under the section entitled " Certain Projections."

The transaction has been structured as a cash merger in order to provide the unaffiliated stockholders with cash for all of their shares and stock options and the continuing investors with cash for a portion of their shares and stock options, and to provide a prompt and orderly transfer of ownership of Specialty with reduced transaction costs.

Effects of the Merger

When the merger is completed, each share of Specialty common stock issued and outstanding immediately prior to the effective time of the merger (other than treasury shares, shares of Specialty common stock owned by Holdings or Acquisition Corp. or any direct or indirect wholly-owned subsidiary of Holdings or Specialty and shares held by stockholders who validly exercise and perfect their dissent rights) will be converted into the right to receive \$13.25 in cash, without interest. Each outstanding option, except as provided in an applicable agreement with the optionee, will be canceled in exchange for an amount in cash determined by multiplying (1) the excess of \$13.25 over the per share exercise price of the option by (2) the number of shares of common stock subject to the option, less applicable withholding taxes.

At the effective time of the merger, current Specialty stockholders (other than the continuing investors) will cease to have ownership interests in Specialty or rights as Specialty stockholders. Therefore, such current unaffiliated stockholders will not participate in any future earnings or growth of Specialty and will not benefit from any appreciation in the value of Specialty.

Immediately prior to the effective time of the merger, pursuant to the terms of the SME agreement, among other things, (a) Group Holdings will issue equity securities to certain of the stockholders of Holdings in exchange for cash and shares of Holdings, (b) Group Holdings will issue equity securities to the continuing investors in exchange for a portion of the shares of Specialty common stock held by the continuing investors and (c) Aqua Acquisition Corp. will be merged with and into Holdings, with Holdings being the surviving corporation.

After consummation of the transactions contemplated by the SME agreement and the merger agreement, Specialty will be owned by AmeriPath; AmeriPath will be owned by Holdings; Holdings will be owned by Group Holdings; and Group Holdings will be owned by Welsh Carson, its co-investors and the continuing investors and certain other current stockholders of Holdings.

Specialty common stock is currently registered under the Exchange Act and listed on the New York Stock Exchange under the symbol "SP." As a result of the merger, Specialty will be a privately-held corporation, and there will be no public market for its common stock. After the merger, the common stock will cease to be listed on the New York Stock Exchange, and price quotations with respect to sales of shares of common stock in the public market will no longer be available. In addition, registration of Specialty common stock under the Exchange Act will be terminated. This termination will make certain provisions of the Exchange Act, such as the requirement of furnishing a proxy or information statement in connection with stockholders' meetings, no longer applicable to Specialty. After the effective time of the merger, Specialty also will no longer be required to file periodic reports with the Securities and Exchange Commission.

At the effective time of the merger, the directors of Acquisition Corp. will become the initial directors of the surviving corporation, and the officers of the surviving corporation immediately after the effective time of the merger will be determined by the directors of the surviving corporation. The articles of incorporation of Specialty will be amended to be as set forth in an exhibit to the merger

agreement. The bylaws of Acquisition Corp. in effect immediately prior to the effective time of the merger will become the initial bylaws of the surviving corporation.

It is expected that, upon completion of the merger, the operations of Specialty will be conducted substantially as they are currently conducted, except that Specialty will not be subject to the obligations and constraints, and the related direct and indirect costs and personnel requirements, associated with being a public company. AmeriPath has advised Specialty that it does not have any present plans or proposals that relate to or would result in an extraordinary corporate transaction following completion of the merger involving Specialty's corporate structure, business or management, such as a merger, reorganization, liquidation, relocation of any operations or sale or transfer of a material amount of assets. Holdings and AmeriPath expect, however, that, following the merger, Specialty's management and new controlling stockholders will continuously evaluate and review Specialty's business and operations and may develop new plans and proposals that they consider appropriate to maximize the value of Specialty.

A benefit of the merger to Welsh Carson, its co-investors, certain other current stockholders of Holdings, and the continuing investors is that Specialty's future earnings and growth will be solely for their benefit and not for the benefit of its current stockholders. The detriments to Welsh Carson, its co-investors, certain other current stockholders of Holdings, and the continuing investors of the merger are the lack of liquidity for the Group Holdings capital stock, the risk that Specialty will decrease in value following the merger, the incurrence by AmeriPath of up to \$298.5 million of new long-term debt (inclusive of refinanced debt) and the payment by the surviving corporation of approximately \$15.7 million in estimated fees and expenses related to the merger and the related transactions. *See* " Merger Financing" beginning on page 49 and " Fees and Expenses of the Merger" beginning on page 54.

As described under " Interests of Certain Persons in the Merger," certain of the continuing investors and their affiliates will receive benefits in connection with the merger to which they otherwise would not have been entitled. These incremental benefits include the right to continue their equity investment in Specialty by making an equity investment in Group Holdings, the receipt of the payment required by the merger agreement for their existing options for Specialty common stock, the receipt of merger consideration for a portion of their Specialty common stock, the appointment of Dr. Peter as a director of Group Holdings and the services agreement to be entered into between Dr. Peter and AmeriPath.

The benefit of the merger to Specialty's unaffiliated stockholders is the right to receive \$13.25 per share for their shares of Specialty common stock. The detriments are that Specialty's unaffiliated stockholders will cease to participate in our future earnings and growth, if any, and that the receipt of the payment for their shares will be a taxable transaction for federal income tax purposes. *See* " Material U.S. Federal Income Tax Consequences" beginning on page 52.

Prior to the merger, Welsh Carson, Holdings, AmeriPath and Acquisition Corp. will have no interest in Specialty's net book value or net earnings. The following table sets forth for each member of the AmeriPath group and the continuing investors (1) such investor's interest in the stockholders' equity (net book value) of Specialty at September 30, 2005, (2) such investor's interest in the net income of Specialty for the nine months ended September 30, 2005 (in the case of (1) and (2), such investor's interest has been calculated to give pro forma effect to the exercise of all stock options (vested and unvested) and unvested stock that were outstanding on September 30, 2005) and (3) the approximate percentage interest expected to be held by each such investor in the equity (and accordingly the net book value and net income) of Specialty (which takes into account the additional current stockholders of Holdings that are expected to become parties to the SME agreement prior to closing and to roll over their Holdings investment into Group Holdings), without giving effect to option or restricted stock ownership, immediately following the merger.

Risks that the Merger Will Not Be Completed

Completion of the merger is subject to various risks, including, but not limited to, the following:

that the merger agreement and the merger will not be approved by the holders of at least a majority of the outstanding shares of Specialty common stock entitled to vote not held by the continuing investors and their affiliates;

that there will occur any change, effect, event, occurrence or circumstance that has a material adverse effect on the business, financial condition, or results of operations or prospects of Specialty and its subsidiaries, or the ability of Specialty to perform its obligations under the merger agreement or to consummate the merger and the other transactions contemplated by the merger agreement, subject to certain limited exceptions;

that Holdings, AmeriPath and Acquisition Corp. will not secure the financing necessary to complete the merger on substantially the terms and conditions set forth in the financing commitment letter, as further described in " Merger Financing" beginning on page 49;

that Holdings does not consummate the merger because the total number of shares held by stockholders who validly exercise and perfect their dissent rights exceeds 10% of the issued and outstanding shares of Specialty common stock immediately before the effective time of the merger;

that one of the parties will not have performed in all material respects its obligations contained in the merger agreement at or before the effective time of the merger;

that the SME agreement will be terminated in accordance with its terms;

that Specialty will not secure required governmental or third party consents to and authorizations for the merger;

that the representations and warranties made by the parties in the merger agreement will not be true and correct to the extent required in the merger agreement immediately before the effective time of the merger; and

that the litigation filed or that may be filed in connection with the merger prevents or delays the closing of the merger.

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

As used in the merger agreement, a material adverse effect with respect to Specialty means (1) a material adverse effect on the business, financial condition or results of operations of Specialty and its

subsidiaries, taken as a whole, or (2) a material adverse effect on the ability of Specialty to perform its obligations under the merger agreement and to consummate the merger and the other transactions contemplated by the merger agreement; *provided*, that material adverse effect will not be deemed to include any such material adverse effect arising as a result of (a) changes, effects, events, occurrences or circumstances that generally affect either (i) the U.S. economy or (ii) the industry of Specialty and its subsidiaries (other than changes in law that do not exist and have not been proposed prior to the date of the merger agreement), which in each case does not have a materially disproportionate impact on Specialty and its subsidiaries, taken as a whole, (b) changes in law (but only to the extent such changes exist or have been proposed prior to the date of the merger agreement) or reimbursement policies or practices of customers, (c) the announcement of the merger agreement, or (d) any changes, effects, events, occurrences or circumstances resulting from any action required to be taken pursuant to the merger agreement or at the request of Holdings, AmeriPath or Acquisition Corp., the failure to take any action prohibited from being taken pursuant to the merger agreement or for which any required consent of Holdings, AmeriPath or Acquisition Corp. is not granted, or the effects of the termination of certain contracts and customer relationships of Specialty.

As a result of various risks to the completion of the merger, there can be no assurance that the merger will be completed even if the requisite stockholder approval is obtained. If Specialty stockholders do not approve the merger agreement and the merger or if the merger is not completed for any other reason, the current management of Specialty, under the direction of its board of directors, is expected to continue to manage Specialty as an ongoing business.

Interests of Certain Persons in the Merger

Interests of Specialty Directors and Executive Officers in the Merger

In considering the recommendations of the special committee and the board of directors, Specialty stockholders should be aware that some of Specialty's executive officers and directors have interests in the transaction that are different from, or in addition to, the interests of Specialty stockholders generally. The special committee was aware of these differing interests and considered them, among other matters, in evaluating and negotiating the merger agreement and the merger and in recommending to the board of directors that the merger agreement and the merger be approved.

The board of directors appointed the special committee, consisting solely of directors who are not officers or employees of Specialty (other than Mr. Weavil, who is the Chief Executive Officer of Specialty) and are independent of and have no economic interest or expectancy of an economic interest in the continuing investors, Welsh Carson, Group Holdings, Holdings, AmeriPath, or the surviving corporation (except that Mr. Weavil may continue as an employee of Specialty, AmeriPath or their affiliates following the closing of the merger), to evaluate, negotiate and make a recommendation with respect to the merger agreement and to evaluate whether the merger is in the best interests of the unaffiliated stockholders.

Cash Payments to Directors and Executive Officers Under the Terms of the Merger. The total amount payable to directors and executive officers of Specialty (other than Dr. Peter and Ms. Estes) in connection with the merger in respect of shares of Specialty common stock and stock options and unvested stock held by them is approximately \$7.84 million. These cash payments represent consideration for Specialty common stock and for the cancellation of stock options on the same terms as provided to other holders of Specialty common stock and stock options in the merger agreement.

Acceleration of Vesting of Options and Unvested Stock. The vesting of options held by certain executive officers and directors will be accelerated as of the effective time of the merger, and unvested stock held by certain executive officers and directors will become fully vested as of the effective time of the merger.

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

Change in Control Payments to Executive Officers and Director. Most of the executive officers of Specialty have an agreement with Specialty containing a change of control provision providing that such executive officer may be entitled to a lump sum cash payment or a payment over time equal to his or her base salary for a specified number of months and an amount equal to the payments necessary for the continuation of his or her health benefits under COBRA for a specified number of months if the officer is no longer employed by the surviving corporation within a specified period of time after the merger under certain circumstances. In the event of termination of employment under certain circumstances following the merger, the executive officers would be entitled to up to an aggregate cash payment of up to approximately \$1.6 million. In addition, Mr. Schreiber, a current director of Specialty, will be entitled to a lump sum cash payment equal to six times his monthly consulting fee, or a total amount of approximately \$163,000, following the merger.

Payments to Special Committee. Whether the merger is completed or not, members of the special committee will be paid up to a total amount of \$300,000 in the aggregate for their service on the special committee, in addition to Specialty's standard committee fees, and each member will be reimbursed for out-of-pocket expenses incurred in connection with that service.

Payment to Richard K. Whitney. Mr. Whitney was awarded the amount of \$100,000, which has already been paid, for his services as a member of the special committee and as Chairman of the board of directors.

Employee Plans. Following the merger, the executive officers of Specialty that accept employment with AmeriPath will be eligible to participate and receive grants under AmeriPath's stock option plan as well as any other benefit plans generally available to AmeriPath's employees.

Directors' and Officers' Indemnification and Insurance. The merger agreement provides that Holdings and AmeriPath will, to the fullest extent permitted by law, cause the surviving corporation to honor all Specialty's obligations to indemnify (including any obligations to advance funds for expenses) the current or former directors or officers of Specialty for acts or omissions by such directors and officers occurring prior to the effective time of the merger to the extent that such obligations of Specialty exist on the date of the merger agreement, whether pursuant to Specialty's articles of incorporation, the bylaws, individual indemnity agreements, applicable law or otherwise, and such obligations shall survive the merger and will continue in full force and effect in accordance with the terms of Specialty's articles of incorporation, bylaws and such individual indemnity agreements or applicable law for a period of six years from the effective time of the merger.

Holdings and AmeriPath will purchase prior to the effective time of the merger a six year extended reporting provision (so-called "tail policy") under a directors' and officers' liability policy, to include "employment practices" liability and "fiduciary" with respect to liability obligations of the individuals that are officers and directors of Specialty on the date of the merger agreement in respect of indemnification from liabilities for acts or omissions occurring at or prior to the closing of the merger, which policy shall be no less favorable to the beneficiaries than the directors' and officers' liability policies maintained by Specialty on the date of the merger agreement and will be provided by carriers with comparable ratings. However, Holdings and AmeriPath will not be required to pay an amount in connection with such policy in excess of \$2.6 million.

Payments Under the Merger Agreement.

The table below sets forth, as of September 30, 2005, for each of Specialty's executive officers and directors other than Dr. Peter and Ms. Estes, (1) the number of shares of Specialty common stock currently held, (2) the amount of cash that will be paid in respect of such shares upon consummation of the merger, (3) the number of shares of Specialty common stock subject to the options held by such person, whether or not vested, (4) the amount of cash that will be paid in respect of cancellation of

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

such options upon consummation of the merger, (5) the number of unvested shares of Specialty common stock held by such person, (6) the amount of cash that will be paid in respect of the acceleration of the unvested shares upon consummation of the merger, and (7) the total amount of cash that will be received by each such person in respect of such shares and options upon consummation of the merger. All dollar amounts are gross amounts and do not reflect deductions for income taxes and other withholding. In each case with respect to the options, the payment amount is calculated by multiplying (a) the excess of \$13.25 over the per share exercise price of the option by (b) the number of shares subject to the option. The merger agreement requires the board of directors of Specialty or any committee administering the stock option plans to take all actions necessary to cause all outstanding stock options granted under the stock option plans to be cancelled as of the effective time of the merger.

Interests of Continuing Investors in the Merger

Dr. Peter is the father of Ms. Estes. The continuing investors, who are affiliates of Dr. Peter and Ms. Estes, will, immediately prior to the merger, contribute 9,025,000 shares of Specialty common stock owned by them to Group Holdings in exchange for equity securities of Group Holdings under the terms of the SME agreement. The aggregate investment in Group Holdings by the continuing investors following that exchange and the other transactions contemplated by the SME agreement (including taking into account the additional current stockholders of Holdings that are expected to become parties to the SME agreement prior to closing and to roll over their Holdings investment into Group Holdings), is expected to be approximately 20% of the full equity capitalization of Group Holdings at closing. The value of the equity of Group Holdings to be held by the continuing investors pursuant to the SME agreement could potentially be significantly greater than the value of the cash consideration under the merger.

All shares of Specialty common stock held by the continuing investors and not exchanged for shares of Group Holdings stock under the SME agreement as described in the preceding paragraph will be converted into the right to receive \$13.25 in cash under the merger agreement. All options held by the continuing investors will be cancelled on the same terms as other options under the terms of the merger agreement. The total cash payment to the continuing investors under the merger agreement will be approximately \$72.2 million.

Dr. Peter and AmeriPath will enter into a services agreement (referred to as the services agreement in this proxy statement) pursuant to which Dr. Peter will be employed on a part-time basis

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

by AmeriPath for a period of three years after the effective date of the services agreement. Dr. Peter will make himself available for agreed upon projects as requested by AmeriPath and consistent with his status and seniority, reporting directly to the chief executive officer of AmeriPath. Dr. Peter will not be required to provide services for more than three days in any week without his prior consent. As compensation for his services, AmeriPath will pay Dr. Peter at an annual rate of \$225,000 during the term of his employment. If Dr. Peter works more than half of his time in any quarter, he will receive an additional payment for the additional time worked equal to \$56,250 multiplied by the ratio that the additional time worked bears to half time. Other benefits provided to Dr. Peter will include participation in any medical or health plans maintained by AmeriPath for its executive officers, prompt reimbursement for all reasonable business expenses incurred by Dr. Peter in performing services under the services agreement, secretarial support in connection with his services and 20 vacation days each calendar year. Subject to certain limited exceptions, Dr. Peter may not directly or indirectly engage in competition with, or own any interest in, perform any services for, participate in or be connected with any business or organization which competes with AmeriPath.

Group Holdings, Welsh Carson, its co-investors, the continuing investors and certain other current stockholders of Holdings will enter into a stockholders agreement which provides for certain matters relating to Group Holdings' common stock and preferred stock (referred to in this proxy statement as the Group Holdings capital stock) and any securities directly or indirectly convertible into or exercisable or exchangeable for Group Holdings capital stock held by such parties. Such agreement will include a voting agreement that, among other things, provides that the continuing investors will be entitled to designate one member of the Group Holdings board of directors (which is expected to be Dr. Peter). In addition, such agreement will include provisions relating to restrictions on transfer of the Group Holdings capital stock held by such parties as well as co-sale rights, drag-along rights, rights of first refusal and preemptive rights. In addition, such parties will enter into a registration rights agreement, which provides certain registration rights to such parties with respect to their Group Holdings capital stock.

Merger Financing

The total amount of funds necessary to complete the merger and the related transactions is anticipated to be approximately \$354.9 million, consisting of: (1) approximately \$207.2 million to pay Specialty's stockholders and option holders the amounts due to them under the merger agreement, assuming that no Specialty stockholder exercises and perfects his, her or its dissent rights, (2) approximately \$129.0 million to refinance AmeriPath's existing credit facility, (3) approximately \$3.0 million to pay executive severance payments and (4) approximately \$15.7 million to pay related fees and expenses.

These funds are anticipated to come from the following sources:

an equity investment by Welsh Carson and its co-investors of up to \$45.9 million in Group Holdings;

\$17.0 million remaining under AmeriPath's contingent note reserve;

borrowings of approximately \$255.5 million under AmeriPath's new senior secured credit facilities; and

excess cash on hand of Specialty.

AmeriPath's Cash Equity Commitments

Pursuant to the terms and conditions of the SME agreement, Welsh Carson will provide Group Holdings with \$45.9 million in cash in exchange for preferred stock and common stock of Group Holdings.

Equity Contribution

The continuing investors in Group Holdings each will acquire preferred and common stock of Group Holdings. Approximately 80% of the amount invested by each investor will be used to acquire preferred stock, and approximately 20% will be used to acquire common stock. The material terms of the preferred and common stock of Group Holdings are set forth below.

Preferred Stock. The Group Holdings preferred stock will rank senior to the Group Holdings common stock as to dividends and rights to payment upon liquidation, dissolution or winding up transaction and will participate with the common stock in such payments and other corporate events. The Group Holdings preferred stock also will be entitled to receive cumulative dividends, at a rate to be determined prior to the closing of the merger, on the stated value thereof. The Group Holdings preferred stock has no fixed redemption date, but Group Holdings will be required to redeem the preferred stock, together with all accrued and unpaid dividends thereon, upon a change of control transaction. In addition, upon the consummation of a qualified public offering of Group Holdings common stock, each share of Group Holdings preferred stock will be automatically converted into Group Holdings common stock through the issuance of an equivalent value of Group Holdings common stock determined by reference to the public offering price and a fixed conversion ratio. All shares of Group Holdings preferred stock that are automatically converted into Group Holdings common stock upon a qualified public offering will be redeemed to the extent of available cash at a redemption price equal to the public offering price of the Group Holdings common stock in such offering.

The Group Holdings preferred stock will vote together with the Group Holdings common stock, other than in connection with the election or removal of directors, with each share of Group Holdings preferred stock having voting rights equivalent to one (subject to appropriate adjustment in the event of any stock split or similar event affecting the Group Holdings common stock) share of Group Holdings common stock issuable in respect of the participation right of the Group Holdings preferred stock. In addition, the Group Holdings preferred stock, voting as a separate class, will be entitled to elect two directors to the Group Holdings board of directors.

For so long as any shares of Group Holdings preferred stock remain outstanding, the consent of the holders of not less than 66²/₃% of the Group Holdings preferred stock will be required for any action that alters or changes the rights, preferences or privileges of the Group Holdings preferred stock. In addition, consent of the holders of at least a majority of the Group Holdings preferred stock will be required for any action that increases or decreases the authorized number of shares of Group Holdings preferred stock or otherwise adversely affects the rights or preferences of the holders of the Group Holdings preferred stock.

Common Stock. The Group Holdings common stock will rank junior to the Group Holdings preferred stock as to dividends and rights to payment upon liquidation, except with respect to the participation feature of the Group Holdings preferred stock, which will rank on an equal basis with the Group Holdings common stock. The Group Holdings common stock will be entitled to receive dividends as from time to time may be declared by the board of directors of Group Holdings, but dividends cannot be paid on the Group Holdings common stock without the consent of holders of a majority of the Group Holdings preferred stock. Upon any liquidation, dissolution or winding up of Group Holdings, after the payment of or provision for all debts and liabilities of Group Holdings and the preferential amounts payable to the holders of the Group Holdings preferred stock, the holders of the Group Holdings common stock will be entitled to share ratably, together with the holders of the Group Holdings preferred stock to the extent of the participation feature of the Group Holdings preferred stock, in the remaining assets of Group Holdings available for distribution to the Group Holdings stockholders. With respect to any matter to be voted on by the stockholders of Group Holdings (other than the election of the two directors to be elected separately by the Holdings

preferred stock), the holders of the Group Holdings common stock will be entitled to one vote for each share of Group Holdings common stock held by them.

Senior Secured Credit Facilities

AmeriPath has received a commitment letter pursuant to which Wachovia Bank, National Association, Citigroup Global Markets Inc., Deutsche Bank Trust Company and UBS Loan Finance LLC, which are referred to as the Agents in this proxy statement, will provide the surviving corporation with up to \$298.5 million in senior secured credit facilities, consisting of a \$203.5 million term loan and a \$95.0 million revolving credit facility. Up to \$203.5 million of the term loan and up to \$52.0 million of the revolving credit facility may be used to fund a portion of the merger consideration, to refinance existing indebtedness of AmeriPath, to pay related fees and expenses and provide ongoing working capital and for other general corporate purposes of AmeriPath and its subsidiaries. All obligations of AmeriPath under the senior credit facilities will be guaranteed, on a joint and several basis, by (i) each direct and indirect domestic subsidiary of AmeriPath (other than certain exceptions mutually agreed upon) and (ii) Holdings. The senior credit facilities will be secured by substantially all the assets of Holdings, AmeriPath and any existing or subsequently acquired or organized domestic subsidiary of AmeriPath, subject to certain exceptions. The term loan is expected to bear interest at either the adjusted London inter-bank offered rate, which is referred to as LIBOR in this proxy statement, plus 2.5% per annum, or the alternate base rate, which is referred to as ABR in this proxy statement, plus 1.5% per annum, at the option of AmeriPath. Subject to adjustment, the revolving credit facility is expected to bear interest at either adjusted LIBOR plus 2.5% per annum or ABR plus 1.5% per annum, at the option of AmeriPath. The term loan will mature six years and nine months after the closing date of the merger, and the revolving credit facility will mature five years after the closing date of the merger.

The commitment of each of the Agents to provide senior secured financing is subject to a number of conditions set forth in the commitment letter, including, but not limited to, the following:

the cash contribution of a minimum of \$45.9 million by Welsh Carson, which will have been contributed by Holdings to AmeriPath as equity on terms and conditions satisfactory to the Agents;

the contribution of a minimum of \$119.3 million of reinvestment equity (based on the number of shares of Specialty common stock reinvested times the price per share paid in the merger) by the continuing investors to AmeriPath on terms and conditions satisfactory to the Agents;

the Agents' satisfaction that the pro forma EBITDA of AmeriPath and its subsidiaries for the latest four fiscal quarter period ended at least 45 days prior to the closing date of the merger is at least \$95.5 million;

the consummation of the merger in accordance with the merger agreement, including not more than 10% of the outstanding Specialty common stock being subject to properly exercised dissent rights;

the obtaining of ratings by Standard & Poor's Rating Services and Moody's Investors Services;

the compliance of the financing with the provisions of AmeriPath's indenture relating to its 10.5% senior subordinated notes due 2013;

the absence of indebtedness of Holdings and its subsidiaries other than (i) the 10% senior subordinated notes of Holdings in an aggregate principal amount of \$67.0 million or the accreted value thereof; (ii) \$350.0 million aggregate principal amount of 10.5% senior subordinated notes due 2013 issued by AmeriPath; (iii) indebtedness incurred as part of the term loan in an amount not to exceed \$203.5 million and incurred as part of the revolving credit

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

facility in an amount not to exceed \$52.0 million; and (iv) additional indebtedness on terms reasonably acceptable to the arrangers under the commitment letter in an amount not to exceed \$3.2 million;

the satisfaction of all earn-outs owed to physicians pursuant to AmeriPath's contingent note reserve; and

the preparation and execution of definitive loan agreements.

Federal Regulatory Matters

The HSR Act requires that each of Specialty Family Limited Partnership (which is the continuing investor that owns the largest amount of Specialty common stock) and Welsh Carson, as the ultimate parent entities of Specialty and Holdings, respectively, file notification and report forms with respect to the merger with the Federal Trade Commission and the Antitrust Division of the U.S. Department of Justice. The HSR Act also requires that Specialty Family Limited Partnership and Welsh Carson file notification and report forms with respect to the exchange of stock by Specialty Family Limited Partnership under the SME agreement. The parties filed these notification and report forms on October 20 and 21, 2005. The parties are required to observe a waiting period after these filings before completing the merger and the transactions contemplated by the SME agreement. The waiting period will expire 30 days after the filings were made unless the Federal Trade Commission or the Antitrust Division of the U.S. Department of Justice issues a second request for additional information, in which case the waiting period will expire 20 days after substantial compliance with such request. The required waiting period may be terminated by the Federal Trade Commission or the Antitrust Division of the U.S. Department of Justice before its expiration. The Department of Justice, the Federal Trade Commission, state antitrust authorities or a private person or entity could seek to enjoin the merger and the transactions contemplated by the SME agreement under federal or state antitrust laws at any time before completion of the merger and the transactions contemplated by the SME agreement or to compel rescission or divestiture at any time subsequent to the completion of the merger and the transactions contemplated by the SME agreement.

Material U.S. Federal Income Tax Consequences

The following discussion summarizes the material U.S. federal income tax consequences of the merger that are generally applicable to (1) United States holders (as defined below) of Specialty common stock and (2) Specialty. This discussion is based on currently existing provisions of the Internal Revenue Code of 1986, as amended, which is referred to as the Code in this proxy statement, existing and proposed Treasury Regulations promulgated under the Code, and current administrative rulings and court decisions, all of which are subject to change, possibly with retroactive effect. This discussion does not address state, local or foreign tax consequences that may be applicable to the parties specified in the first sentence of this paragraph, and such parties should consult their own tax advisors with respect to such consequences.

United States Holders

The following discussion applies only to United States holders (as defined below) of Specialty common stock who hold such shares as capital assets and may not apply to shares of Specialty common stock acquired pursuant to the exercise of employee stock options or other compensation arrangements (and does not, except as specifically set forth below, apply to the exchange or cancellation of employee stock options, including the receipt of cash therefor), and this discussion does not address tax issues relevant to certain classes of taxpayers who may be subject to special treatment under the Code, such as banks, other financial institutions, insurance companies, tax-exempt investors, regulated investment companies, real estate investment trusts, persons subject to the alternative minimum tax, persons who

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

hold their Specialty common stock as part of a position in a "straddle" or as part of a "hedging" or "conversion" transaction, persons who are deemed to sell their Specialty common stock under the constructive sale provisions of the Code, traders in securities that elect to use a mark-to-market method of accounting for their securities holdings, persons that have a functional currency other than the U.S. dollar, expatriates, S corporations, entities classified as partnerships for U.S. federal income tax purposes or stockholders who hold Specialty common shares as dealers. All such United States holders should consult their own tax advisors concerning the U.S. federal income tax consequences of the merger to their particular situations.

Tax matters are very complex and the tax consequences of the merger to you will depend on the facts of your particular situation. You should consult your tax advisor for a full understanding of the tax consequences of the merger to you, including the federal, state, local and foreign tax consequences of the merger.

If a partnership holds Specialty common stock, the tax treatment of a partner will generally depend on the status of the partner and the tax treatment of the partnership. A partner of a partnership holding Specialty common stock should consult his, her or its tax advisors.

For purposes of this discussion, a "United States holder" means a holder that is (1) a citizen or resident of the United States for federal income tax purposes, (2) a corporation (or other entity treated as an association taxable as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States or any state, (3) an estate, the income of which is subject to U.S. federal income taxation regardless of its source, or (4) a trust if (a) a U.S. court is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have authority to control all substantial decisions of the trust, or (b) the trust has a valid election in effect under applicable Treasury Regulations to be treated as a U.S. person.

In general, United States holders of Specialty stock who receive cash in exchange for their shares pursuant to the merger should recognize gain or loss for U.S. federal income tax purposes equal to the difference, if any, between their adjusted tax basis in their shares and the amount of cash received. If a stockholder holds Specialty common stock as a capital asset, the gain or loss should generally be a capital gain or loss. If the stockholder has held the shares for more than one year, the gain or loss should generally be a long-term gain or loss. The deductibility of capital losses is subject to limitations.

In general, stockholders who receive cash in connection with the exercise of their dissent rights will recognize gain or loss. Any stockholder considering exercising statutory dissent rights should consult with his or her own tax advisor.

United States holders of Specialty common stock may be subject to backup withholding at a rate of 28% on cash payments received in exchange for shares in the merger or received upon the exercise of dissent rights. Backup withholding generally will apply only if the stockholder fails to furnish a correct social security number or other taxpayer identification number, or otherwise fails to comply with applicable backup withholding rules and requirements. Corporations generally are exempt from backup withholding. Stockholders should complete and sign the substitute Form W-9 that will be part of the letter of transmittal to be returned to the paying agent following the completion of the merger to provide the information and certification necessary to avoid backup withholding.

Specialty

The merger will cause an "ownership change" of Specialty for purposes of Section 382 of the Code. As a result, Specialty's use of pre-merger tax net operating losses and certain other tax attributes, if any, will be limited following the merger. This limitation should not have any material impact on Specialty, because Specialty is not expected to have any significant pre-merger net operating losses or other such tax attributes. In addition, Specialty should be entitled to an ordinary compensation deduction for U.S. federal income tax purposes with respect to cash paid for the surrender of any compensatory option in an amount equal to the product of (1) the excess of \$13.25 over the per share exercise price of the option multiplied by (2) the number of shares of Specialty subject to the option. With respect to any such cash payments to its employees, Specialty will be responsible for withholding federal, state and local income tax as well as the employee's share of social security, Medicare and other applicable payroll taxes. In addition, Specialty will be responsible for paying the employer's share of social security, Medicare and other applicable payroll taxes. Subsequent to the merger, Specialty will join in the U.S. federal income consolidated tax group that includes Group Holdings. The merger should not cause any other material U.S. federal income tax consequences to Specialty.

Fees and Expenses of the Merger

The estimated fees and expenses in connection with the merger are as follows (in millions):

Financial Advisor Fees and Expenses	\$ 4.6
Legal, Accounting and Other Professional Fees	\$ 3.0
Printing, Proxy Solicitation and Mailing Costs	\$ 0.2
Financing Related Fees	\$ 4.0
Filing Fees	\$ 0.3
Miscellaneous	\$ 3.6
TOTAL	\$ 15.7

Except as described below, the merger agreement provides that each of Specialty, on the one hand, and Holdings, AmeriPath and Acquisition Corp., on the other hand, will pay all costs and expenses incurred by it in connection with the merger agreement and the merger. None of these costs and expenses will reduce the \$13.25 per share merger consideration payable to holders of Specialty common stock or the amount payable to stock option holders.

If the merger agreement is terminated under certain circumstances, including acceptance of a superior proposal by Specialty, Specialty may be required to pay to Holdings a \$13.0 million termination fee, inclusive of out-of-pocket fees and expenses reasonably incurred in connection with the merger agreement and merger. Specialty must pay to Holdings an amount necessary to reimburse Holdings, AmeriPath, Group Holdings and Acquisition Corp. for their out-of-pocket expenses reasonably incurred in connection with the merger agreement and the merger, up to a maximum of \$1.0 million, if the merger agreement is terminated because the requisite stockholder approval of Specialty is not obtained. See "The Merger Agreement Fees and Expenses; Termination Fee" beginning on page 77.

Prior Public Offerings

Specialty has not made an underwritten public offering of its common stock for cash at any time during the last three years.

Certain Projections

In connection with AmeriPath's review of Specialty and during the course of the negotiations between Specialty and AmeriPath described in " Background of the Merger," Specialty provided

AmeriPath with certain non-public business and financial information. The non-public information included projections of Specialty's future operating performance. Such projections, as well as certain additional projections, were also provided to JPMorgan in its capacity as financial advisor to the board. These projections do not give effect to the transactions contemplated by the merger agreement, including the merger, or the financing of the merger.

Specialty does not, as a matter of course, publicly disclose projections of future revenues or earnings. The projections were not prepared with a view to public disclosure and are included in this proxy statement only because such information was made available to AmeriPath in connection with its due diligence investigation of Specialty. The projections were not prepared with a view to compliance with the published guidelines of the Securities and Exchange Commission regarding projections, nor were they prepared in accordance with the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of financial projections. Ernst & Young LLP, Specialty's independent registered public accounting firm, has neither examined nor compiled the projections, and accordingly, Ernst & Young LLP does not express an opinion or any other form of assurance with respect to the projections. The Ernst & Young LLP report incorporated by reference into this proxy statement relates to Specialty's historical financial information. It does not extend to the projections and should not be read to do so. In compiling the projections, Specialty's management took into account historical performance, combined with projections regarding development activities. The projections were developed in a manner consistent with management's historical development of budgets and long-range operating projections and were not developed for public disclosure. Although the projections were presented with numerical specificity, the projections reflect numerous assumptions and estimates as to future events made by Specialty's management that Specialty's management believed were reasonable at the time the projections were prepared, including those assumptions described below. Failure to achieve any of the assumptions underlying the projections would impact the accuracy of the projections. In addition, factors such as industry performance and general business, economic, regulatory, market and financial conditions, all of which are difficult to predict and beyond the control of Specialty's management, may cause the projections or the underlying assumptions to be inaccurate. Accordingly, there can be no assurance that the projections will be realized, and actual results may be materially greater or less than those contained in the projections. See "Cautionary Statement Concerning Forward-Looking Information" on page 107.

Specialty does not intend to update or otherwise revise the projections to reflect circumstances existing after the date when made or to reflect the occurrence of future events, even if any or all of the assumptions underlying the projections are shown to be in error.

Specialty provided the following two sets of projections to JPMorgan. Specialty also provided the first set of projections (only with respect to the years through 2007) to AmeriPath. The projections included estimates of calendar year 2005, 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013 and 2014 base revenue, other revenue, net income before interest, taxes, depreciation and amortization (EBITDA), and net income before interest and taxes (EBIT) for Specialty. Specialty's management instructed JPMorgan to weight the sets of projections equally.

Litigation Challenging the Merger

On October 3, 2005, a purported class action complaint was filed in the Superior Court of the State of California, County of Los Angeles by a stockholder named Anees Mohammed against Specialty, Richard K. Whitney, James B. Peter, Deborah A. Estes, Hubbard C. Howe, Michael T. DeFreece, David R. Schreiber and William J. Nydam.

On October 6, 2005, a purported class action complaint was filed in the Superior Court of the State of California, County of Los Angeles by a stockholder named Dipakkumar Patel against Specialty, James B. Peter, David C. Weavil, Deborah A. Estes, Richard K. Whitney, Michael T. DeFreece, Hubbard C. Howe, William J. Nydam and David R. Schreiber. An amended complaint naming AmeriPath as a defendant was filed on October 27, 2005.

On October 7, 2005, a purported class action complaint was filed in the Superior Court of the State of California, County of Los Angeles by a stockholder named E. Leslie Banks against Specialty, James B. Peter, Richard K. Whitney, Hubbard C. Howe, Michael T. DeFreece, David R. Schreiber, William J. Nydam, David C. Weavil and Deborah A. Estes.

On October 11, 2005, a purported class action complaint was filed in the Superior Court of the State of California, County of Los Angeles by a stockholder named Rod Raynovich against Specialty, James B. Peter, Richard K. Whitney, Hubbard C. Howe, Michael T. DeFreece, David R. Schreiber, William J. Nydam, David C. Weavil and Deborah A. Estes.

On November 1, 2005, a purported class action complaint was filed in the Superior Court of the State of California, County of Los Angeles by a stockholder named Ernesto Calanoc against Specialty, the Specialty Family Limited Partnership, Richard K. Whitney, David C. Weavil, James B. Peter, Deborah A. Estes, David R. Schreiber, Michael T. DeFreece, Hubbard C. Howe, and William J. Nydam.

In all five of these purported class action suits, the complaints allege, among other things, that the defendants have breached their fiduciary duties to the stockholders of Specialty by entering into the merger agreement. To support the allegation of breach of fiduciary duty the complaints assert that the consideration offered in the merger is inadequate and is the result of unfair dealing, that in negotiating the transaction the defendants failed to disclose information that would have increased the valuation of Specialty, and that the transaction is the result of a conflict of interest, because Dr. Peter and his affiliates will receive an equity share in the surviving corporation. In the amended complaint adding AmeriPath as a defendant, AmeriPath is alleged to have aided and abetted the alleged actions of the other defendants. The complaints seek an injunction against the proposed merger or, if it is consummated, rescission of the merger, as well as money damages, attorneys' fees, expenses and other relief. Additional lawsuits could be filed in the future, and the allegations in these five complaints could be amended or supplemented. Specialty believes that these lawsuits and the allegations contained in them lack merit; however, Specialty notified the applicable insurance carriers of the lawsuits. These suits are in their earliest stages. The court has scheduled an initial status conference for December 6, 2005. Discovery has not yet begun and at this juncture it is too soon to predict with any accuracy how these suits will be resolved.

Dissent Rights of Dissenting Specialty Stockholders

The following discussion is a summary of Sections 1300 through 1313 of the CGCL which sets forth the procedures for Specialty stockholders to dissent from the merger and to demand statutory dissent rights under the CGCL. The following discussion is not a complete statement of the provisions of the CGCL relating to the rights of Specialty's stockholders to payment of the fair market value of their shares and is qualified in its entirety by reference to the full text of Sections 1300 to and including 1313 of the CGCL, which is provided in its entirety as Appendix C to this proxy statement. All references in Sections 1300 through 1313 and in this summary to a "stockholder" are to the holder of

record of the shares of Specialty common stock as to which dissent rights are asserted. A person having a beneficial interest in the shares of Specialty common stock held of record in the name of another person, such as a broker or nominee, must act promptly to cause the holder of record to follow the steps summarized below properly and in a timely manner to perfect dissenters' rights.

Chapter 13 of the CGCL provides Specialty stockholders who do not approve the merger with the right, subject to compliance with the requirements summarized below, to dissent and demand the payment of, and be paid in cash, the fair market value of their Specialty shares owned by such stockholder as of the record date for Specialty's special stockholder meeting. In accordance with Chapter 13 of the CGCL, the fair market value of Specialty shares will be their fair market value determined as of September 29, 2005, the day before the first announcement of the proposed terms of the merger, exclusive of any appreciation or depreciation in the value of the shares in consequence of the proposed merger. Because Specialty common stock is listed on the New York Stock Exchange (referred to as the NYSE in this proxy statement), stockholders will be entitled to dissent and seek payment of the fair market value for their shares only if holders of 5% or more of the outstanding shares dissent from the proposed merger and demand payment of fair market value, in which case all holders of shares will have the right to dissent and seek payment of fair market value for such shares.

Even though a stockholder who wishes to exercise dissenters' rights may be required to take certain actions before Specialty's special stockholder meeting, if the merger agreement is later terminated and the merger is abandoned, no stockholder of Specialty will have the right to any payment from the company, other than necessary expenses incurred in proceedings initiated in good faith and reasonable attorneys' fees, by reason of having taken that action. The following discussion is subject to those qualifications.

Refrain from Voting for the Merger. Any Specialty stockholder who desires to exercise dissent rights must not vote his, her or its Specialty shares in favor of the merger agreement or the merger. If a Specialty stockholder returns a proxy that is voted in favor of the merger or a signed proxy not indicating any vote, then he, she or it will be deemed to have voted in favor of the merger and will not be entitled to exercise dissent rights.

Written Demand for Payment. The written demand must be made by the record holder of the shares. Such demand must be mailed or otherwise directed to Specialty Laboratories, Inc., 27027 Tourney Road, Valencia, California 91355, Attn: Office of the General Counsel; be received not later than the date of the stockholder meeting to vote on the merger; specify the stockholder's names and mailing address and the number and class of Specialty's shares held of record which the stockholder demands Specialty purchase; state that the stockholder is demanding purchase of the shares and payment of their fair market value; and state the price which the stockholder claims to be the relevant fair market value of the shares. The fair market value of the shares is determined as of the day before the first announcement of the terms of the proposed merger. The statement of fair market value constitutes an offer by the stockholder to sell the shares at such price.

In addition, within 30 days after notice of the approval of the merger is mailed to stockholders, the stockholder must also submit to Specialty or a transfer agent of Specialty, for endorsement as dissenting shares, the stock certificates representing the Specialty shares as to which the stockholder is exercising dissenters' rights.

Simply failing to vote for, or voting against, the proposed merger will not be sufficient to constitute the demand described above.

Shares of Specialty held by stockholders who have perfected their dissenters' rights in accordance with Chapter 13 of the CGCL and have not withdrawn their demands or otherwise lost their rights are referred to in this summary as "dissenting shares."

Notice by Specialty. Within 10 days after approval of the merger by Specialty's stockholders, Specialty must mail notice of the approval, accompanied by a copy of Sections 1300, 1301, 1302, 1303, and 1304 of the CGCL, to each Specialty stockholder who voted against the merger and who properly made a written demand to Specialty in the manner described above. This notice must state the price determined by the company to represent the fair market value of the dissenting shares. The fair market value of the shares is determined as of the day before the first announcement of the terms of the proposed merger. The notice must also include a brief description of the procedure to be followed if the stockholder desires to exercise the stockholder's right under such sections. The statement of price determined by Specialty to represent the fair market value of dissenting shares, as set forth in the notice of approval of merger, will constitute an offer by Specialty to purchase the dissenting shares at the stated amount if the merger closes.

Irrespective of the percentage of Specialty's shares with respect to which dissent demands have been properly filed, the company must mail the notice referred to above to any stockholder who has filed a demand with respect to Specialty's shares that are subject to transfer restrictions imposed by Specialty or by any law or regulations.

Payment of agreed upon price. If Specialty and a dissenting stockholder agree that the shares are dissenting shares and agree on the price of the shares, the dissenting stockholder is entitled to receive the agreed price with interest at the legal rate on judgments from the date of that agreement. Payment for the dissenting shares must be made within 30 days after the later of the date of that agreement or the date on which all statutory and contractual conditions to the merger are satisfied. Payments are also conditioned on the surrender of the certificates representing the dissenting shares.

Determination of dissenting shares or fair market value. If Specialty denies that shares are dissenting shares or the stockholder fails to agree with Specialty as to the fair market value of the shares, then, within the time period provided by Section 1304(a) of the CGCL, any stockholder demanding purchase of such shares as dissenting shares or any interested corporation may file a complaint in the superior court in the proper California county praying the court to determine whether the shares are dissenting shares or as to the fair market value of the holder's shares, or both, or may intervene in any action pending on such complaint.

On the trial of the action, the court determines the issues. If the status of the shares as dissenting shares is in issue, the court first determines that issue. If the fair market value of the dissenting shares is in issue, the court determines, or appoints one or more impartial appraisers to determine, the fair market value of the shares.

If the court appoints an appraiser or appraisers, they shall proceed to determine the fair market value per share. Within the time fixed by the court, the appraisers, or a majority of the appraisers, shall make and file a report in the office of the clerk of the court. Thereafter, on the motion of any party, the report shall be submitted to the court and considered on such evidence as the court considers relevant. If the court finds the report reasonable, the court may confirm it.

If a majority of the appraisers fail to make and file a report within 10 days after the date of their appointment or within such further time as the court allows, or if the court does not confirm the report, the court determines the fair market value of the dissenting shares. Subject to Section 1306 of the CGCL, judgment is rendered against the corporation for payment of an amount equal to the fair market value of each dissenting share multiplied by the number of dissenting shares that any dissenting stockholder who is a party, or who has intervened, is entitled to require the corporation to purchase, with interest at the legal rate from the date on which the judgment is entered. Any party may appeal from the judgment.

The costs of the action, including reasonable compensation to the appraisers to be fixed by the court, is assessed or apportioned as the court considers equitable. However, if the appraisal determined by the court is more than 125 percent of the price offered by the corporation, the corporation pays the

costs (including, in the discretion of the court, attorneys' fees, fees of expert witnesses and interest at the legal rate on judgments from the date the stockholder made the demand and submitted shares for endorsement).

Maintenance of dissenting share status. Except as expressly limited by Chapter 13 of the CGCL, holders of dissenting shares continue to have all the rights and privileges incident to their shares until the fair market value of their shares is agreed upon or determined. A holder of dissenting shares may not withdraw a demand for payment unless Specialty consents to the withdrawal. Dissenting shares lose their status as dissenting shares, and dissenting stockholders cease to be entitled to require the company to purchase their shares upon the happening of any of the following:

The merger is abandoned.

The shares are transferred before their submission to Specialty for the required endorsement.

The dissenting stockholder and Specialty do not agree on the status of the shares as dissenting shares or do not agree on the purchase price, but neither Specialty nor the stockholder files a complaint or intervenes in a pending action within six months after Specialty mails a notice that its stockholders have approved the merger.

With Specialty's consent, the holder delivers to Specialty a written withdrawal of such holder's demand for purchase of the dissenting shares.

To the extent that the provisions of Chapter 5 of the CGCL (which places conditions on the power of a California corporation to make distributions to its stockholders) prevent the payment to any holders of dissenting shares of the fair market value of the dissenting shares, the dissenting stockholders will become creditors of the company for the amount that they otherwise would have received in the repurchase of their dissenting shares, plus interest at the legal rate on judgments until the date of payment, but subordinate to all other creditors of the company in any liquidation proceeding, with the debt to be payable when permissible under the provisions of Chapter 5 of the CGCL.

Any Specialty stockholder wishing to exercise dissenters' rights is urged to consult legal counsel before attempting to exercise dissenters' rights. Failure to comply strictly with all of the procedures set forth in Sections 1300-1313 of the CGCL may result in the loss of a stockholder's statutory dissenters' rights. In such case, such stockholder will be entitled to receive the merger consideration for their shares as provided in the merger agreement.

THE MERGER AGREEMENT

The following is a summary of the material provisions of the merger agreement and is qualified in its entirety by reference to the complete text of the merger agreement. The full text of the merger agreement is included in this proxy statement as Appendix A, exclusive of all exhibits, and is incorporated herein by reference. Stockholders are urged to read the entire merger agreement.

The Merger

The merger agreement provides that, at the effective time of the merger, Acquisition Corp. will merge with and into Specialty. Upon completion of the merger, Acquisition Corp. will cease to exist as a separate entity, and Specialty will continue as the surviving corporation and will be a wholly owned subsidiary of AmeriPath.

Effective Time of the Merger

The parties will cause the merger to be consummated by filing a certificate of merger with the Secretary of State of the State of California as provided in the CGCL. The time at which the certificate of merger is filed is referred to as the effective time of the merger in this proxy statement.

Articles of Incorporation; Bylaws; and Directors and Officers of Specialty and the Surviving Corporation

When the merger is completed:

the articles of incorporation of Specialty will be amended in their entirety to be as set forth in an exhibit to the merger agreement;

the bylaws of Acquisition Corp. in effect immediately prior to the effective time of the merger will become the bylaws of the surviving corporation;

the directors of Acquisition Corp. immediately prior to the effective time of the merger will be the initial directors of the surviving corporation; and

the officers of the surviving corporation immediately after the effective time of the merger will be determined by the directors of the surviving corporation.

Conversion of Common Stock

At the effective time of the merger, each share of Specialty common stock outstanding immediately before the effective time of the merger will be converted automatically into the right to receive \$13.25 in cash, without interest, subject to adjustment for any reclassification, stock split (including a reverse stock split), combination or exchange of shares, stock dividend or stock distribution that may occur from the date of the merger agreement until the effective time of the merger, such amount being referred to as the merger consideration in this proxy statement, except for:

treasury shares of Specialty common stock, all of which will be canceled without any payment;

shares of Specialty common stock owned by Holdings or Acquisition Corp. or any direct or indirect wholly-owned subsidiary of Holdings or Specialty, all of which will be canceled without any payment; and

shares of Specialty common stock held by stockholders who properly exercise and perfect their dissent rights in accordance with Chapter 13 of the CGCL.

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

At the effective time of the merger, each share of capital stock of Acquisition Corp. outstanding immediately before the effective time of the merger will be converted into and exchanged for one fully

paid and non-assessable share of common stock of the surviving corporation, which shares will all be held by AmeriPath.

Treatment of Options and Unvested Stock

At the effective time of the merger, each outstanding option to acquire shares of common stock of Specialty granted under the Specialty stock option plans, except as provided in an applicable agreement with the optionee, will be canceled in exchange for an amount in cash determined by multiplying (1) the excess of \$13.25 over the per share exercise price of the option by (2) the number of shares of Specialty common stock subject to the option, whether or not vested and exercisable, less applicable withholding taxes. Immediately after the effective time of the merger, each Specialty stock option plan and employee stock purchase plan in effect immediately prior to the merger will terminate and the provisions in any agreement, arrangement or other benefit plan providing for the issuance, transfer or grant of any capital stock of Specialty or any interest in respect of any capital stock of Specialty will be deleted immediately after the effective time of the merger.

Each unvested share of Specialty common stock issued and outstanding immediately prior to the effective time of the merger will become fully vested as of the effective time of the merger.

Payment for Shares

Prior to the effective time of the merger, Holdings and Specialty will select a bank or trust company to act as paying agent for the payment of the merger consideration, pursuant to the terms of the merger agreement, upon surrender of certificates representing the shares of common stock of Specialty. Immediately following the effective time of the merger, Holdings and AmeriPath will take the necessary steps to enable and cause the surviving corporation to provide the paying agent with the aggregate merger consideration necessary to pay for the shares of common stock converted into the right to receive cash.

As soon as reasonably practicable after the effective time of the merger, the paying agent will mail to each record holder of shares of Specialty common stock whose shares were converted into the right to receive the merger consideration, a transmittal letter containing instructions to effect the surrender of the holder's share certificate(s) in exchange for payment of the merger consideration. To receive payment for shares, a stockholder must submit a properly completed letter of transmittal to the paying agent.

Upon surrender of a certificate for cancellation to the paying agent, together with such letter of transmittal, duly executed, and such other documents as may reasonably be required by the paying agent, the holder of such certificate shall be entitled to receive in exchange therefor the amount of cash into which the shares of Specialty common stock represented by such certificate are to be converted, and the certificate so surrendered will be canceled. In the event of a transfer of ownership of Specialty common stock that is not registered in the transfer records of Specialty, payment may be made to a person other than the person in whose name the certificate so surrendered is registered, if such certificate is properly endorsed or otherwise is in proper form for transfer and the person requesting such payment will pay any transfer or other taxes required by reason of the payment to a person other than the registered holder of such certificate or establish to the satisfaction of Holdings that such tax has been paid or is not applicable. Until surrendered, each certificate will be deemed at any time after the effective time of the merger to represent only the right to receive upon such surrender the amount of cash, without interest, into which the shares of Specialty common stock represented by such certificate have been converted. No interest shall be paid or accrue on the cash payable upon surrender of any certificate

Any funds deposited with the paying agent for use in payment of the merger consideration and which have not been disbursed to holders of Specialty common stock six months after the effective time

of the merger will be delivered to Holdings by the paying agent, upon demand. Thereafter, holders of certificates representing shares outstanding before the effective time of the merger will be entitled to look only to the surviving corporation for payment of any consideration to which they may be entitled. None of Holdings, AmeriPath, Specialty, Acquisition Corp., the surviving corporation or the paying agent or any of their respective directors, officers, employees and agents will be liable to any person in respect of any cash from the fund delivered to a public official pursuant to any applicable abandoned property, escheat or similar law. If any certificate has not been surrendered prior to five years after the effective time of the merger (or immediately prior to such earlier date on which merger consideration in respect of such certificate would otherwise escheat to or become the property of any governmental entity), any such shares, cash, dividends or distributions in respect of such certificate shall, to the extent permitted by applicable law, become the property of the surviving corporation, free and clear of all claims or interest of any person previously entitled thereto.

Transfer of Shares

After the effective time of the merger, there will be no further registration on the stock transfer books of the surviving corporation of transfers of shares of Specialty common stock that were outstanding immediately prior to the effective time of the merger.

If, after the effective time of the merger, any certificates formerly representing shares of Specialty common stock are presented to the surviving corporation or the paying agent for any reason, they will be canceled and exchanged for the appropriate merger consideration. All consideration paid upon surrender for exchange of those certificates representing shares, in accordance with the terms of the merger agreement, will be deemed to have been paid in full satisfaction of all rights pertaining to the shares.

Material Adverse Effect. Some of the representations and warranties referred to above are not breached unless the breach of the representation or warranty has or could reasonably be expected to have a material adverse effect on Specialty and its subsidiaries. As used in the merger agreement, a material adverse effect with respect to Specialty means (1) a material adverse effect on the business, financial condition or results of operations of Specialty and its subsidiaries, taken as a whole, or (2) a material adverse effect on the ability of Specialty to perform its obligations under the merger agreement and to consummate the merger and other transactions contemplated by the merger agreement; *provided*, that material adverse effect will not be deemed to include any effect arising as a result of (a) changes, effects, events, occurrences or circumstances generally affecting either (i) the U.S. economy or (ii) the industry of Specialty and its subsidiaries (other than changes in law that do not exist and have not been proposed prior to the date of the merger agreement), which in each case does not have a materially disproportionate impact on Specialty and its subsidiaries, taken as a whole, (b) changes in law (but only to the extent such changes exist or have been proposed prior to the date of the merger agreement) or reimbursement policies or practices of customers, (c) the announcement of the merger agreement, or (d) any changes, effects, events, occurrences or circumstances resulting from any action required to be taken pursuant to the merger agreement or at the request of Holdings, AmeriPath or Acquisition Corp., the failure to take any action prohibited from being taken pursuant to the merger agreement or for which any required consent of Holdings, AmeriPath or Acquisition Corp. is not granted, or the effect of termination of certain contracts or customer relationships of Specialty.

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

The covenants in the merger agreement or instruments delivered pursuant to the merger agreement will not survive the effective time of the merger except for covenants that contemplate performance after the effective time.

Preparation of Proxy Statement and Schedule 13E-3; Stockholders' Meeting

Subject to certain exceptions, the merger agreement provides that Specialty will prepare, and work with the Securities and Exchange Commission to clear, an appropriate proxy statement and Specialty, Holdings, AmeriPath and Acquisition Corp. will prepare, and work with the Securities and Exchange Commission to clear, an appropriate Schedule 13E-3.

Specialty will duly call, give notice of, convene and hold (no later than 45 days after mailing the proxy statement to the stockholders) the special meeting of Specialty's stockholders to which the proxy statement relates to consider and approve the merger agreement and the merger and will solicit proxies in favor thereof. The merger agreement provides that the proxy statement will include the recommendation of the board of directors that the stockholders approve the merger agreement and the merger, subject to the exceptions described below under " Solicitation of Transactions."

Access to Information; Confidentiality

Except for information that is subject to the terms of a confidentiality agreement with a third party, from the date of the merger agreement to the effective time of the merger, Specialty has agreed to give the officers, employees, accountants, counsel, financial advisors and other representatives of Holdings, during normal business hours and upon reasonable request, reasonable access to all of Specialty's and its subsidiaries' properties, books, contracts, commitments, personnel and records. All information so furnished will be subject to the confidentiality agreement entered into between Holdings and Specialty on June 15, 2005.

Solicitation of Transactions

Specialty will not, nor will it authorize or permit its subsidiaries to, nor will it authorize or permit any officer, director, employee or affiliate of, or any investment banker, attorney or other advisor or representative of, Specialty or its subsidiaries to, (i) solicit, initiate or knowingly encourage (including by way of providing any information not provided generally to the public) any prospective purchaser or the submission of any acquisition proposal, take any action designed to facilitate any inquiries, offers, or proposals, or make any other efforts or attempts that constitute, or may reasonably be expected to lead to, any acquisition proposal, or engage in any discussions or negotiations with respect thereto or otherwise cooperate with or assist or participate in, or facilitate any such inquiries, offers, proposals, discussions or negotiations, (ii) accept an acquisition proposal or enter into any agreement or agreement in principle with respect to any acquisition proposal or enter into any agreement or agreement in principle requiring Specialty to abandon, terminate or fail to consummate the transactions contemplated by the merger agreement or breach its obligations with respect to solicitation of an acquisition proposal, or (iii) furnish to any person any information with respect to any acquisition proposal.

Under the merger agreement, an "acquisition proposal" means any proposal or offer for a merger, share exchange, business combination, consolidation, dual listed structure, liquidation, dissolution, recapitalization, reorganization or other similar transaction involving Specialty, (ii) any proposal or offer to acquire in any manner, directly or indirectly, over 20% of the equity securities of Specialty or any business that constitutes 20% or more of the consolidated net revenues, net income or net assets of Specialty, (iii) any proposal or offer relating to any tender offer or exchange offer that if consummated would result in any person or group of persons beneficially owning 20% or more of the outstanding equity securities of Specialty, or (iv) any proposal or offer to acquire, lease, exchange, mortgage, pledge, dispose of or otherwise transfer, in any manner, directly or indirectly, over 20% of the consolidated total assets of Specialty, in a single transaction or a series of related transactions, in each case other than the transactions contemplated by the merger agreement. Under the merger agreement, a "superior proposal" is defined as any proposal made by a third party to acquire all or substantially all

of the equity securities or assets of Specialty, pursuant to a tender or exchange offer, a merger, a consolidation, a liquidation or dissolution, a recapitalization or a sale of all or substantially all of its assets (i) on terms which the Specialty board determines in good faith, after consultation with outside counsel, to be superior from a financial point of view to the holders of Specialty common stock than the transactions contemplated by the merger agreement, taking into account all the terms and conditions of such proposal and the merger agreement (including any proposal by Holdings to amend the terms of the merger agreement or the transactions contemplated by the merger agreement) and (ii) that is reasonably capable of being completed, taking into account all financial, regulatory, legal and other aspects of such proposal.

Specialty may furnish information to the person making an acquisition proposal and its representatives pursuant to a customary confidentiality agreement that contains provisions which are no less favorable to Specialty than those contained in the confidentiality agreement entered into between Holdings and Specialty on June 15, 2005 and participate in discussions or negotiations (including solicitation of a revised acquisition proposal from such person) with such person and its representatives regarding such acquisition proposal, so long as: (1) Specialty has otherwise complied with its non-solicitation obligations and Specialty has received an acquisition proposal from a person that the board of directors of Specialty determines in good faith to be bona fide, (2) the board of directors of Specialty determines in good faith, after consultation with its independent financial advisors, that such acquisition proposal constitutes or could reasonably be expected to constitute a superior proposal, and (3) after consultation with its outside counsel, the board of directors of Specialty determines in good faith that taking such action is necessary for the board of directors of Specialty to comply with its fiduciary duties under applicable Law.

The board of directors of Specialty or any committee thereof may not (1) withdraw or modify in a manner adverse to Holdings, or propose publicly to withdraw or modify, in a manner adverse to Holdings, the approval or recommendation by the board of directors of Specialty or any such committee of the merger agreement, the merger or the other transactions contemplated by the merger agreement, (2) approve any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other similar agreement constituting or relating to, or that is intended to or could reasonably be expected to lead to, any acquisition proposal or (3) approve or recommend, or propose publicly to approve or recommend, any acquisition proposal. At any time prior to obtaining the approval of Specialty's stockholders, the board of directors of Specialty may take any action described in clause (1), (2) or (3) above if Specialty receives a superior proposal and as a result thereof the board of directors of Specialty determines in good faith, after consultation with outside counsel, that it is necessary to do so in order to comply with its fiduciary obligations.

The board of directors of Specialty may take and disclose to the stockholders of Specialty a position on a third party tender or exchange offer pursuant to Rules 14d-9 and 14e-2(a) of the Exchange Act or make any other disclosure required by applicable law, without violating any limitations on soliciting transactions in the merger agreement.

Notification

Specialty will promptly advise Holdings orally and in writing of any acquisition proposal or any inquiry that could reasonably be expected to lead to any acquisition proposal, the identity of the person making any such acquisition proposal and the principal terms and conditions thereof prior to furnishing any information or participating in any discussions permitted by the merger agreement with respect to such acquisition proposal. Specialty will (i) keep Holdings reasonably informed on a current basis of the status of and material developments respecting any acquisition proposal or inquiry (including any changes to the principal terms and conditions thereof), (ii) provide to Holdings as soon as practicable after receipt or delivery thereof with copies of all written acquisition proposals sent or provided to

Specialty or any representative from any person, and (iii) provide notice to Holdings of any intent to (A) withdraw or modify in a manner adverse to Holdings, or propose publicly to withdraw or modify, in a manner adverse to Holdings, the approval or recommendation by the board of directors of Specialty or any such committee of the merger agreement, the merger or the other transactions contemplated by the merger agreement, (B) approve any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other similar agreement constituting or relating to, or that is intended to or could reasonably be expected to lead to, any acquisition proposal or (C) approve or recommend, or propose publicly to approve or recommend, any acquisition proposal, or to terminate the merger agreement in connection with the approval of a superior acquisition proposal in accordance with the terms of the merger agreement, subject to certain conditions.

Directors' and Officers' Indemnification and Insurance

Holdings and AmeriPath will, to the fullest extent permitted by law, cause the surviving corporation to honor all Specialty's obligations to indemnify (including any obligations to advance funds for expenses) the current or former directors or officers of Specialty for acts or omissions by such directors and officers occurring prior to the effective time of the merger to the extent that such obligations of Specialty exist on the date of the merger agreement, whether pursuant to Specialty's articles of incorporation or bylaws, individual indemnity agreements, applicable law or otherwise, and such obligations shall survive the merger and will continue in full force and effect in accordance with the terms of Specialty's articles of incorporation, bylaws and such individual indemnity agreements or applicable law for a period of six years from the effective time of the merger.

Holdings and AmeriPath will purchase prior to the effective time of the merger a six year extended reporting provision (so-called "tail policy") under a directors' and officers' liability policy, to include "employment practices" liability and "fiduciary" with respect to liability obligations of the individuals that are officers and directors of Specialty on the date of the merger agreement in respect of indemnification from liabilities for acts or omissions occurring at or prior to the closing of the merger, which policy shall be no less favorable to the beneficiaries than the directors' and officers' liability policies maintained by Specialty on the date of the merger agreement and will be provided by carriers with comparable ratings. However, Holdings and AmeriPath will not be required to pay an amount in connection with such policy in excess of \$2.6 million.

Financing

Holdings and AmeriPath have agreed to use their respective commercially reasonable efforts to arrange financing for the merger and other transactions contemplated by the merger agreement on terms and conditions described in the financing commitment letters attached to the merger agreement. In addition, if any portion of the financing contemplated by such letters becomes unavailable, Holdings and AmeriPath have agreed to use their respective commercially reasonable efforts to obtain any such portion of such financing from alternative sources which provide such financing on terms which have substantially similar economic terms as those set forth in the commitment letters attached to the merger agreement.

Specialty has agreed to provide, and to cause its subsidiaries to provide, all necessary cooperation reasonably requested by Holdings, AmeriPath or Acquisition Corp. in connection with the arrangement of the financing necessary to complete the merger.

Best Efforts; Consents and Approvals

Specialty, Holdings, AmeriPath and Acquisition Corp. have agreed to use their best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the

other parties in doing, all things necessary, proper or advisable to consummate and make effective, in the most expeditious manner practicable, the transactions contemplated by the merger agreement, including (i) the obtaining of all necessary consents of governmental entities and the making of all necessary registrations, declarations and filings (including filings with governmental entities, if any) and the taking of all reasonable steps as may be necessary to obtain an approval or waiver from, or to avoid an action or proceeding by, any governmental entity and (ii) the obtaining of all necessary consents, approvals or waivers from third parties. Each of the parties has agreed to file or cause to be filed with the Federal Trade Commission and the Antitrust Division of the Department of Justice any notification required to be filed by it or its "ultimate parent" company under the HSR Act and the rules and regulations promulgated thereunder with respect to the transactions contemplated by the merger agreement. Such parties will make such filings promptly and respond on a timely basis to any requests for additional information made by either of such agencies. Each of the parties have agreed to furnish the other with copies of all correspondence, filings and communications (and memoranda setting forth the substance thereof) between it and its affiliates and their respective representatives, on the one hand, and the FTC, the Antitrust Division of the Department of Justice or any other governmental entity or members or their respective staffs, on the other hand, with respect to the merger, other than personal financial information filed therewith.

Specialty and its board of directors will (1) use their reasonable efforts to take all action necessary or otherwise reasonably requested by Holdings, AmeriPath or Acquisition Corp. to exempt the merger from the provisions of any applicable takeover, business combination, control share acquisition or similar law and (2) if any takeover, business combination, control share acquisition or similar law becomes applicable to the merger agreement or the merger, use their reasonable efforts to take all action necessary to ensure that the merger may be consummated as promptly as practicable on the terms contemplated by the merger agreement and otherwise to minimize the effect of such statute or regulation on the merger.

Public Announcements

Specialty, Holdings, AmeriPath and Acquisition Corp. have agreed to consult with each other before issuing, and to mutually agree upon, any press release or other public announcement pertaining to the merger and the related transactions, except as may be required by applicable law, in which case the party proposing to issue the press release or announcement will use its reasonable efforts to consult in good faith with the other parties before any such issuance.

Employee Benefits Matters

Until August 1, 2006, Holdings and AmeriPath have agreed to either maintain Specialty's benefit plans (other than plans providing for the issuance of Specialty capital stock or other equity-based compensation) at the benefit levels in effect as of the date of the merger agreement or to provide benefits to employees of Specialty and its subsidiaries that, taken as a whole, are not materially less favorable in the aggregate to such employee than those provided to them prior to the effective time of the merger.

From and after the effective time of the merger, Holdings and AmeriPath have agreed to honor all of Specialty's existing employment, severance and termination agreements, plans and policies. With respect to any employee benefit plan maintained by Holdings or any of its subsidiaries, for all purposes, including determining eligibility to participate, level of benefits and vesting, service with Specialty or its subsidiaries will, to the extent permitted under applicable laws, be treated as service with Holdings or any of its subsidiaries. To the extent permitted under applicable laws, Holdings and Parent will (i) waive or cause to be waived any pre-existing condition limitation under any welfare benefit plan maintained by Holdings or any of its affiliates (other than Specialty) in which employees of Specialty or its subsidiaries will be eligible to participate after the effective time of the merger, subject to certain

limited exceptions, and (ii) recognize or cause to be recognized the dollar amount of all expenses incurred by each employee of Specialty during the calendar year in which the effective time of the merger occurs for purposes of satisfying such year's deductible and co-payment limitations under the relevant welfare benefit plans in which they will be eligible to participate from and after the effective time of the merger.

If the effective time of the merger occurs before the date of the fiscal year 2005 bonuses for employees of Specialty are determined, Specialty may, immediately prior to the effective time of the merger, in consultation with Holdings, determine the bonuses to be paid to its employees for fiscal year 2005 pursuant to any contract or benefit plan and may pay any amounts (not to exceed \$400,000) awarded by the board of directors of Specialty prior to the execution of the merger agreement, and Specialty may pay all such amounts. If Specialty has not paid such amounts prior to the effective time of the merger, then AmeriPath or the surviving corporation will pay such amount to such employees promptly following the effective time of the merger.

Stockholder Litigation

Specialty has agreed to promptly notify Holdings of any stockholder litigation against Specialty and/or its directors relating to the merger agreement and the merger, and before any settlement of such litigation, Holdings must consent to any settlement in writing, but such consent may not be unreasonably withheld or delayed.

Conditions to Completing the Merger

Conditions to Each Party's Obligation. The obligations of Specialty, Holdings, AmeriPath and Acquisition Corp. to complete the merger are subject to the satisfaction or waiver (where permitted by law) of the following conditions:

the merger agreement must have been approved at a special meeting of stockholders by the affirmative vote of the holders of a majority of the outstanding shares of Specialty common stock entitled to vote and by the holders of a majority of the outstanding shares of Specialty common stock entitled to vote and not held by the continuing investors and their affiliates;

the waiting period (and any extension thereof) applicable to the merger under the HSR Act must have been terminated or must have expired and any material consents of, filings with and notices to, all governmental entities required of Holdings, AmeriPath, Acquisition Corp. or Specialty or any of their respective subsidiaries or other affiliates prior to the effective time of the merger in connection with the merger must have been obtained, effected or made;

no judgment or law must be in effect that prevents the consummation of the merger; and

the transactions set forth in the SME agreement must have been consummated.

Conditions to Holdings' Obligations. The obligations of Holdings to complete the merger are subject to the satisfaction or waiver (where permitted by law) of the following additional conditions:

(1) certain specified representations and warranties of Specialty must be true and correct in all material respects as of the closing date of the merger, except to the extent such representations and warranties expressly relate to an earlier date (in which case such representations and warranties shall be true and correct as of such earlier date) and (2) all other representations and warranties set forth in the merger agreement, disregarding qualifications as to materiality, material adverse effect or words of similar import, must be true and correct as of the closing date of the merger as though made on the closing date of the merger agreement, except to the extent such representations and warranties expressly relate to an earlier date (in which case such representations and warranties, disregarding qualifications as to materiality, material adverse

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

effect or words of similar import, shall be true and correct as of such earlier date), other than, in the case of clause (2) only, for such failures to be true and correct that, individually and in the aggregate, have not had a material adverse effect on Specialty, and Specialty must provide an officer's certificate to Holdings confirming the foregoing;

Specialty must have performed in all material respects the obligations required to be performed by it under the merger agreement on or prior to the closing date of the merger, and Specialty must provide Holdings an officers' certificate confirming the foregoing;

there must not be pending any suit, action or proceeding by any governmental entity seeking to restrain or prohibit the consummation of the merger or seeking to place limitations on the ownership of shares of Specialty capital stock by Holdings, AmeriPath or Acquisition Corp. or otherwise having, or being reasonably expected to have, a material adverse effect;

there must not have occurred after the date of the merger agreement any event, change, condition, circumstance or state of facts, or aggregation of events, changes, conditions, circumstances or state of facts, that has had or could reasonably be expected to have, individually or in the aggregate, a material adverse effect;

Holdings, AmeriPath, Group Holdings and Acquisition Corp. must have obtained proceeds of the bank financing substantially on the terms contemplated by the commitment letters; and

the total number of dissenting shares must not exceed 10% of the issued and outstanding shares of Specialty common stock as of the effective time of the merger.

Conditions to Specialty's Obligation. The obligation of Specialty to complete the merger is subject to the satisfaction or waiver (where permitted by law) of the following additional conditions:

the representations and warranties of Holdings, AmeriPath and Acquisition Corp. in the merger agreement, disregarding qualifications as to materiality, material adverse effect or words of similar import, must be true and correct as of the closing date of the merger as though made on the closing date of the merger, except to the extent such representations and warranties expressly relate to an earlier date (in which case such representations and warranties, disregarding qualifications as to materiality, material adverse effect or words of similar import, must be true and correct on and as of such earlier date), other than for such failures to be true and correct that, individually and in the aggregate, have not had and could not reasonably be expected to have a material adverse effect on Holdings, and Holdings must provide an officer's certificate to Specialty confirming the foregoing;

each of Holdings, AmeriPath and Acquisition Corp. must have performed in all material respects the obligations required to be performed by them under the merger agreement on or prior to the closing date of the merger, and Holdings will provide Specialty an officer's certificate confirming the foregoing.

Any or all of the conditions to the closing of the merger that are not satisfied may be waived by the parties in their discretion, other than conditions that are required by law. Specialty is unable to determine on the date of this proxy statement whether it would regard it as legally necessary or advisable to resolicit proxies because of any waiver of a condition. It is possible that Specialty would deem it advisable to resolicit proxies, based on the particular condition that is waived and the circumstances under which the condition was waived, although in a cash-only transaction, such as the merger, it is difficult at present to identify a circumstance in which proxies would be required to be resolicited absent any proposed reduction of the merger price of \$13.25 per share or some other material adverse proposed change in the terms of the merger. Specialty will determine whether resolicitation is necessary based upon an objective assessment of the facts and circumstances present at the time. This assessment would include an analysis of whether there is a substantial likelihood that a

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

reasonable stockholder would consider the facts and circumstances under which the condition would be waived material in making a decision with respect to the merger. Materiality would be established if there is a substantial likelihood that the facts and circumstances would assume actual significance in the deliberations of a reasonable stockholder or would alter the total mix of information available to the stockholder with respect to the merger.

Termination

Specialty, Holdings, AmeriPath and Acquisition Corp. may terminate the merger agreement and abandon the merger prior to the effective time of the merger as follows:

by mutual written consent of Specialty and Holdings;

by either Holdings or Specialty, if:

- (1) the transactions contemplated by the merger agreement do not occur on or before March 31, 2006 (or June 30, 2006 if the only condition required to be fulfilled on March 31, 2006 is the condition relating to the HSR Act waiting period), unless the failure to consummate such transaction is the result of a breach of or failure to fulfill any obligations under the merger agreement by the party seeking to terminate the merger agreement,
- (2) any governmental entity issues an order, decree or ruling or takes any other action permanently enjoining, restraining or otherwise prohibiting the transactions contemplated by the merger agreement and such order, decree, ruling or other action will become final and nonappealable,
- (3) if, upon a vote at a duly held meeting to obtain stockholder approval, Specialty fails to obtain the necessary stockholder approvals for the merger agreement and the merger, or
- (4) if the SME agreement is terminated in accordance with its terms;

by Holdings, if:

- (1) any representation or warranty of Specialty in the merger agreement fails to be true or correct such that the corresponding closing condition in the merger agreement will not be satisfied or Specialty breaches or fails to comply with any of its obligations under the merger agreement such that the corresponding closing condition in the merger agreement is not satisfied (in either case, other than as a result of a material breach by Holdings or Acquisition Corp. of any of their respective obligations under the merger agreement) and such failure or breach with respect to any such representation, warranty or obligation cannot be cured or, if curable, continues unremedied for a period of 20 days after Specialty receives a written notice from Holdings of the occurrence of such failure or breach,
- (2) if (A) the board of directors of Specialty withdraws or modifies in a manner adverse to Holdings, or proposes publicly to withdraw or modify, in a manner adverse to Holdings, the approval or recommendation by the board of directors of Specialty or any such committee of the merger agreement, the merger or the other transactions contemplated by the merger, approves any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other similar agreement constituting or relating to, or that is intended to or could reasonably be expected to lead to, any acquisition proposal or approves or recommends, or proposes publicly to approve or recommend, any acquisition proposal, (B) the board of directors of Specialty or any committee thereof fails to recommend to Specialty's stockholders that they give their necessary stockholder approval of the merger agreement and the merger at the special meeting, or (C) a tender or exchange offer that would constitute an alternative acquisition proposal is commenced on or after the

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

date of the merger agreement and the board of directors of Specialty or any committee thereof fails to recommend against acceptance of such tender or exchange offer by Specialty's stockholders within 10 business days from commencement thereof or the board of directors of Specialty or any committee thereof resolves to take any of the foregoing actions in clauses (A), (B) and (C), or

(3) if Specialty gives Holdings a termination notice in connection with a superior proposal;

by Specialty, if:

(1) any representation or warranty of Holdings, AmeriPath or Acquisition Corp. fails to be true or correct such that the corresponding closing condition in the merger agreement will not be satisfied or Holdings, AmeriPath or Acquisition Corp. breaches or fails to comply with its obligations under the merger agreement such that the corresponding closing condition in the merger agreement is not satisfied (in either case, other than as a result of a material breach by Specialty of any of its obligations under the merger agreement) and such failure or breach with respect to any such representation, warranty or obligation cannot be cured or, if curable, continues unremedied for a period of 20 days after Holdings receives a written notice from Specialty of the occurrence of such failure or breach, or

(2) the board of directors of Specialty approves and Specialty enters into a definitive agreement with respect to a superior proposal in compliance with the terms of the merger agreement.

Subject to limited exceptions, including the survival of any obligations to pay the termination fee and expenses, if the merger agreement is terminated, there will be no liability on the part of Holdings, AmeriPath, Acquisition Corp. or Specialty or their respective affiliates, officers, directors or stockholders, and all rights and obligations of the parties under the merger agreement will cease.

Fees and Expenses; Termination Fee

Subject to certain exceptions, each party has agreed to pay all fees and expenses incurred by it in connection with the merger agreement and the merger. Specialty has agreed to pay all costs for the printing and mailing of this proxy statement and all filing fees of the Securities and Exchange Commission related to the proxy statement and the Schedule 13E-3.

Specialty has agreed to pay Holdings or its designee a fee of \$13.0 million which will be inclusive of out-of-pocket fees and expenses reasonably incurred by Holdings, AmeriPath and Acquisition Corp. in connection with the merger agreement and the merger, if the merger is terminated:

by Specialty, as the result of the board of directors resolving to enter into a definitive agreement containing a superior proposal in compliance with the terms of the merger agreement;

THE SUBSCRIPTION, MERGER AND EXCHANGE AGREEMENT

The following is a summary of the material provisions of the subscription, merger and exchange agreement (referred to as the SME agreement in this proxy statement) and is qualified in its entirety by reference to the complete text of the SME agreement. The full text of the SME agreement is included in this proxy statement as Appendix E, exclusive of all schedules and exhibits, and is incorporated herein by reference. Stockholders are urged to read the entire SME agreement.

Subscription, Merger and Exchange

The SME agreement provides that, at the closing date, certain Holdings stockholders will (1) subscribe for and Group Holdings will issue an aggregate of 7,650,000 shares of Group Holdings common stock, par value \$0.001 per share, and an aggregate of 7,650,000 shares of Group Holdings preferred stock, par value \$0.01 per share, at a purchase price of \$1.20 per share of Holdings common stock and \$4.80 per share for Holdings preferred stock (aggregate purchase price of \$45.9 million) or (2) sell and transfer 47,471,279 shares of Holdings common stock to Group Holdings, and in exchange therefor, Group Holdings will issue to such Holdings stockholders 47,471,279 shares of Group Holdings common stock and 47,471,279 shares of Group Holdings preferred stock, subject to certain adjustments.

Additionally, the continuing investors will sell and transfer 9,025,000 shares of Specialty common stock to Group Holdings, and, in exchange therefor, Group Holdings will issue 19,930,208 shares of Group Holdings common stock and 19,930,208 shares of Group Holdings preferred stock, subject to certain adjustments. If at the effective time of the Holdings merger, the continuing investors do not hold an aggregate 20% or more of the outstanding shares of Group Holdings common stock and an aggregate 20% or more of the outstanding shares of Group Holdings preferred stock, then the shares of Specialty common stock to be contributed by the Specialty Family Limited Partnership will be increased such that at the effective time of the Holdings merger described in the next paragraph, the continuing investors will hold an aggregate 20% of the outstanding shares of Group Holdings common stock and Group Holdings preferred stock.

Aqua Acquisition Corp. will then be merged with and into Holdings, with Holdings continuing as the surviving corporation (referred to as the Holdings merger in this proxy statement).

At the effective time of the Holdings merger, Group Holdings and Holdings will take all action necessary so that each outstanding option to purchase shares of Holdings common stock will be cancelled and will entitle the holder to receive an amount in cash equal to the product of (x) the total number of shares of Holdings common stock subject to the option times (y) the excess, if any, of \$6.00 over the exercise price of Holdings common stock under such option, less applicable withholding taxes.

After consummation of the transactions contemplated by the SME agreement and the merger agreement, Specialty will be owned by AmeriPath; AmeriPath will be owned by Holdings; Holdings will be owned by Group Holdings; and Group Holdings will be owned by Welsh Carson, its co-investors and the continuing investors and certain other current stockholders of Holdings.

Effective Time of the Holdings Merger

The parties will cause the Holdings merger to be consummated by filing a certificate of merger with the Secretary of State of the State of Delaware as provided in the Delaware General Corporation Law, which is referred to as the DGCL in this proxy statement. The time at which the certificate of merger is filed is referred to as the effective time of the Holdings merger in this proxy statement. The effective time of the Holdings merger will be immediately prior to the effective time of the merger of Specialty and Acquisition Corp. pursuant to the merger agreement.

Certificate of Incorporation; Bylaws; and Directors and Officers of Holdings and the Surviving Corporation

When the merger is completed:

the certificate of incorporation of the surviving corporation will be amended in its entirety to be as set forth in an exhibit to the SME agreement;

the bylaws of Holdings as in effect immediately prior to the effective time of the Holdings merger will be the bylaws of the surviving corporation;

the directors and officers of Holdings immediately prior to the effective time of the Holdings merger will be the directors and officers of the surviving corporation.

Adjustment to Purchase Price

With respect to the transactions contemplated under the SME agreement, the parties assumed that (i) the per share value of a share of Holdings common stock contributed to Group Holdings prior to the effective time of the Holdings merger would be \$6.00, (ii) the per share value of a share of Specialty common stock contributed to Group Holdings prior to the effective time of the Holdings merger would be \$13.25, (iii) 20% of the value of cash and contributed securities will be used to subscribe for, or will be exchanged for, Group Holdings common stock (the "Group Holdings Common Allocation"), (iv) 80% of the value of cash and contributed securities will be used to subscribe for, or will be exchanged for, Group Holdings preferred stock (the "Group Holdings Preferred Allocation"), and (v) the per share value of the shares of Group Holdings common stock and Group Holdings preferred stock issued in such transactions are \$1.20 per share and \$4.80 per share respectively. The parties agree that it may be in the best interest of Group Holdings to adjust the Group Holdings Common Allocation and the Group Holdings Preferred Allocation or sell shares of Group Holdings common stock and Group Holdings preferred stock at a price per share other than agreed upon prices. Accordingly, the parties agree that Group Holdings shall be entitled to amend the SME agreement to adjust one or more of the Group Holdings Common Allocation, the Group Holdings Preferred Allocation and the stock prices subject to certain conditions.

Effect on the Capital Stock

At the effective time of the Holdings merger, each share of Holdings common stock that is issued and outstanding prior to the effective date of the Holdings merger will be converted into the right to receive \$6.00 in cash, except for:

treasury shares of Holdings common stock, all of which will be canceled without any payment;

each share of Holdings common stock held by Group Holdings or any wholly-owned subsidiary of Holdings, all of which will be canceled without any payment; and

shares of Holdings common stock held by stockholders who properly exercise and perfect their dissent rights in accordance with Section 262 of the DGCL.

At the effective time of the Holdings merger, each share of capital stock of Aqua Acquisition Corp. will be converted into and become one fully paid and nonassessable share of common stock of the surviving corporation, all of which shares will be held by Group Holdings.

Shares of Holdings common stock that are issued and outstanding immediately prior to the effective time of the Holdings merger and that are held by a holder who was entitled to and has validly demanded dissent rights in accordance with Section 262 of the Delaware General Corporate Law (referred to as the DGCL in this proxy statement), will not be converted into the right to receive \$6.00 in cash unless and until such holder fails to perfect or effectively withdraws or loses such holder's

dissent rights. Instead the stock will be converted into the right to receive payment from the surviving corporation with respect to such dissenting shares in accordance with the DGCL. If any such holder fails to perfect or effectively withdraws or loses such right, each share of such holder will be treated as a share of Holdings common stock that had been converted as of the effective time of the Holdings merger into the right to receive \$6.00 in cash.

Termination

The SME agreement will terminate automatically, without any action on the part of any party thereto, upon the termination of the merger agreement in accordance with its terms. Holdings or the continuing investors may terminate the SME agreement (1) if any governmental entity issues an order, decree or ruling or takes any other action permanently enjoining, restraining or otherwise prohibiting the transactions contemplated by the SME agreement and such order, decree, ruling or other action will have become final and nonappealable or (2) if any condition to the obligation of the party to consummate the transactions becomes incapable of satisfaction prior to March 31, 2006 (or June 30,

Other than in accordance with certain sections of the SME agreement, the SME agreement may not be amended except by an instrument in writing signed on behalf of each of the parties. The prior written consent of Specialty is required for any amendment, extension or waiver that (1) increases the economic value of the aggregate consideration to be received by the continuing investors for each share of Specialty common stock contributed to Group Holdings or (2) changes or has the effect of changing any other provision of the SME agreement, which change could reasonably be expected to prevent or materially delay the consummation of the transactions contemplated by the SME agreement.

In connection with its relocation, Specialty recorded facility exit costs of \$2.3 million related to exiting our Santa Monica facilities, the disposal of equipment not used in the new facility and the remaining rental obligation on the closed Santa Monica laboratory. - (3) As part of an overall restructuring and reorganization plan, three reductions in workforce were conducted during 2002 that resulted in charges totaling \$5.1 million during the year ended December 31, 2002. These charges comprised \$4.3 million of severance payments and related obligations for employees whose positions were eliminated, a \$0.3 million write-off of certain assets related to Specialty's clinical trials business, and \$0.5 million for the write-off of certain capitalized costs associated with the delayed move to Specialty's new Valencia facility, and the related termination of the synthetic lease financing arrangement with the banking group led by BNP Paribas.
- (4) Specialty recorded charges of \$2.3 million for the year ended December 31, 2002 in connection with the sanctions imposed by CMS in a notification received April 12, 2002 as a result of laboratory inspections conducted by CDHS in June and October 2001. For details of the components of the regulatory matters, see "Charge Related to Regulatory Matters" in Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations Year Ended December 31, 2003 Compared with Year Ended December 31, 2002" in the 2004 10-K.

In addition to Specialty, the executive officers and directors of Specialty may also be deemed to be participants in the solicitation of proxies from the Specialty stockholders in connection with the special meeting.

During the last five years, none of the persons specified above has been (1) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (2) a party to any judicial or administrative proceeding (except for matters that were dismissed without sanction or settlement) that resulted in a judgment, decree or final order enjoining the person from future violations of, or prohibiting activities subject to, federal or state securities laws, or a finding of any violation of federal or state securities laws.

FUTURE STOCKHOLDER PROPOSALS

If the merger is completed, Specialty will no longer be a publicly held company and there will be no public participation in any future meetings of our stockholders. However, if the merger is not completed, Specialty stockholders will continue to be entitled to attend and participate in Specialty's stockholders' meetings. Specialty will hold an annual meeting in 2006 only if the merger is not completed.

If the merger is not completed and you intend to present a proposal at the 2006 annual meeting, you must submit the proposal to Specialty by February 3, 2006 to receive consideration for inclusion in Specialty's 2006 proxy materials. If Specialty is not notified of a stockholder proposal by March 17, 2006, then the proxies solicited by the board of directors for the 2006 annual meeting will confer discretionary authority to vote against such shareholder proposal.

OTHER MATTERS

Other Business at Special Meeting

As of the date of this proxy statement, the board of directors is not aware of any other business to be presented at the special meeting. If other matters do properly come before the special meeting, or any adjournments or postponements thereof, that Specialty does not know, a reasonable time before the mailing of this proxy statement, will be presented at the special meeting, it is the intention of the persons named in the proxy to vote on such matters in their sole discretion. If Specialty becomes aware, a reasonable time before the mailing of this proxy statement, of any other business to be presented at the special meeting, the persons named in the proxy will not exercise their discretionary authority to vote on such matters.

Delivery of this Proxy Statement

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries (such as brokers) to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, known as "householding," potentially means extra convenience for stockholders and cost savings for companies. This year, a number of brokers with customers who are our stockholders will be "householding" our proxy materials unless contrary instructions have been received from the customers. We will promptly deliver, upon oral or written request, a separate copy of the proxy statement to any stockholder sharing an address to which only one copy was mailed. Requests for additional copies should be directed to Specialty Laboratories, Inc., 27027 Tournay Road, Valencia, California 91355, Attn: Investor Relations or by telephone at (888) 676-5441.

Once a stockholder has received notice from his or her broker that the broker will be "householding" communications to the stockholder's address, "householding" will continue until the stockholder is notified otherwise or until the stockholder revokes his or her consent. If, at any time, a stockholder no longer wishes to participate in "householding" and would prefer to receive separate copies of the proxy statement, the stockholder should so notify his or her broker. Any stockholder who currently receives multiple copies of the proxy statement at his or her address and would like to request "householding" of communications should contact his or her broker or, if shares are registered in the stockholder's name, our Investor Relations, at the address or telephone number provided above.

ARTICLE I

The Merger

SECTION 1.01 *The Merger.* On the terms and subject to the conditions set forth in this Agreement, and in accordance with the California General Corporation Law (the "*CGCL*"), Merger Sub shall be merged with and into the Company at the Effective Time (as defined in Section 1.03). At the Effective Time, the separate corporate existence of Merger Sub shall cease and the Company shall continue as the surviving corporation (the "*Surviving Corporation*"). The Merger and the other transactions contemplated by this Agreement and the Subscription and Exchange Agreement are referred to in this Agreement collectively as the "*Transactions*".

SECTION 1.02 *Closing.* The closing (the "*Closing*") of the Transactions shall take place at the offices of Ropes & Gray LLP, 45 Rockefeller Plaza, New York, New York, 10111 as promptly as practicable after all the conditions set forth in Article VII have been satisfied (or, to the extent permitted by Law (as defined in Section 3.05), waived by the parties entitled to the benefits thereof), and in any event, not more than two business days following the satisfaction or waiver of all such conditions, in each case other than those conditions that by their nature are to be satisfied at the Closing, but subject to the fulfillment or waiver of those conditions, or at such other place, time and date as shall be agreed in writing between Parent and the Company. The date on which the Closing occurs is referred to in this Agreement as the "*Closing Date*".

SECTION 1.03 *Effective Time.* Prior to the Closing, Parent and the Company shall prepare, and on the Closing Date the Company shall cause to be filed with the Secretary of State of the State of California a copy of this Agreement and the officers' certificates required by Section 1103 of the CGCL or other appropriate documents (in any such case, the "*Merger Filing*") executed in accordance with the relevant provisions of the CGCL and shall make all other filings or recordings required under the CGCL. The Merger shall become effective at such time as the Merger Filing is duly filed with the Secretary of State of the State of California (the time the Merger becomes effective being the "*Effective Time*").

SECTION 1.04 *Effects.* The Merger shall have the effects set forth in the CGCL, including Section 1107 of the CGCL.

SECTION 1.05 *Articles of Incorporation and Bylaws.* (a) *Articles of Incorporation.* The Articles of Incorporation of the Surviving Corporation shall be amended at the Effective Time to read in the form of Exhibit A, and, as so amended, such Articles of Incorporation shall be the Articles of Incorporation of the Surviving Corporation until thereafter changed or amended as provided therein or by applicable Law.

(b) *Bylaws.* The Bylaws of Merger Sub as in effect immediately prior to the Effective Time shall be the Bylaws of the Surviving Corporation until thereafter changed or amended as provided therein or by applicable Law.

SECTION 1.06 *Directors.* The directors of Merger Sub immediately prior to the Effective Time shall be the directors of the Surviving Corporation, until the earlier of their resignation or removal or until their respective successors are duly elected and qualified, as the case may be.

SECTION 1.07 *Officers.* The officers of the Surviving Corporation immediately after the Effective Time shall be determined by the directors of the Surviving Corporation, to serve until the

earlier of their resignation or removal or until their respective successors are duly elected or appointed and qualified, as the case may be.

ARTICLE II

Effect on the Capital Stock of the Constituent Corporations; Exchange of Certificates

SECTION 2.01 *Effect of Merger on Capital Stock.* At the Effective Time, by virtue of the Merger and without any action on the part of the holder of any capital stock of the Company or Merger Sub:

(a) *Capital Stock of Merger Sub.* Each issued and outstanding share of capital stock of Merger Sub shall be converted into and become one fully paid and nonassessable share of common stock, par value \$0.01 per share, of the Surviving Corporation.

(b) *Cancellation of Certain Owned Shares.* Each share of Company Common Stock that is held in the treasury of the Company, or outstanding and held by Parent or any direct or indirect wholly owned subsidiary of Parent or the Company, shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist, and no cash or other consideration shall be delivered or deliverable in exchange therefor.

(c) *Conversion of Company Common Stock.* Subject to Sections 2.01(b) and 2.01(d), each issued share of Company Common Stock shall be converted into the right to receive \$13.25 in cash (the "*Merger Consideration*"). As of the Effective Time, all such shares of Company Common Stock shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist, and each holder of a certificate representing any such shares of Company Common Stock shall cease to have any rights with respect thereto, except the right to receive Merger Consideration upon surrender of such certificate in accordance with Section 2.02, without interest. In the event that prior to the Effective Time, solely as a result of a reclassification, stock split (including a reverse stock split), combination or exchange of shares, stock dividend or stock distribution which in any such event is made on a pro rata basis to all holders of Company Common Stock, there is a change in the number of shares of Company Common Stock outstanding or issuable upon the conversion, exchange or exercise of securities or rights convertible into or exchangeable or exercisable for shares of Company Common Stock, then the Merger Consideration shall be equitably adjusted to eliminate the effects of such event.

(d) *Dissent Rights.* Notwithstanding anything in this Agreement to the contrary, shares ("*Dissenting Shares*") of Company Common Stock that are outstanding immediately prior to the Effective Time and that are held by any person who is entitled to demand and properly demands payment of the fair market value of such Dissenting Shares pursuant to, and who complies in all respects with, Chapter 13 of the CGCL ("*Chapter 13*") shall not be converted into Merger Consideration as provided in Section 2.01(c), but rather the holders of Dissenting Shares shall be entitled to payment of the fair market value of such Dissenting Shares in accordance with Chapter 13; *provided, however*, that if any such holder shall fail to perfect or otherwise shall waive, withdraw or lose the right to receive payment of fair market value under Chapter 13, then the right of such holder to be paid the fair value of such holder's Dissenting Shares shall cease and such Dissenting Shares shall be deemed to have been converted as of the Effective Time into, and to have become exchangeable solely for the right to receive, Merger Consideration as provided in Section 2.01(c). The Company shall give prompt notice to Parent of any demands, attempted withdrawals of such demands and any other instruments served pursuant to the CGCL received by the Company for appraisal of shares of Company Common Stock, and Parent shall have the right to participate in all negotiations and proceedings with respect to such demands, except as required by applicable Law. The Company shall not, except with the prior written consent of Parent, such

consent not to be unreasonably withheld or delayed, make any payment with respect to, settle, offer to settle, or approve any withdrawal of any such demands.

SECTION 2.02 *Exchange of Certificates.* (a) *Paying Agent.* Prior to the Effective Time, Parent and the Company shall select a bank or trust company to act as paying agent (the "*Paying Agent*") for the payment of the Merger Consideration upon surrender of certificates representing Company Common Stock. Parent and Opco shall take all steps necessary to enable and cause the Surviving Corporation to provide to the Paying Agent immediately following the Effective Time all the cash necessary to pay for the shares of Company Common Stock converted into the right to receive cash pursuant to Section 2.01(c) (such cash being hereinafter referred to as the "*Exchange Fund*").

(b) *Exchange Procedure.* As soon as reasonably practicable after the Effective Time, the Paying Agent shall mail to each holder of record of a certificate or certificates (the "*Certificates*") that immediately prior to the Effective Time represented outstanding shares of Company Common Stock that were converted into the right to receive Merger Consideration pursuant to Section 2.01, (i) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Paying Agent and shall be in such form and have such other provisions as Parent may reasonably specify) and (ii) instructions for use in effecting the surrender of the Certificates in exchange for Merger Consideration. Upon surrender of a Certificate for cancellation to the Paying Agent, together with such letter of transmittal, duly executed, and such other documents as may reasonably be required by the Paying Agent, the holder of such Certificate shall be entitled to receive in exchange therefor the amount of cash into which the shares of Company Common Stock theretofore represented by such Certificate shall have been converted pursuant to Section 2.01, and the Certificate so surrendered shall forthwith be canceled. In the event of a transfer of ownership of Company Common Stock that is not registered in the transfer records of the Company, payment may be made to a person other than the person in whose name the Certificate so surrendered is registered, if such Certificate shall be properly endorsed or otherwise be in proper form for transfer and the person requesting such payment shall pay any transfer or other taxes required by reason of the payment to a person other than the registered holder of such Certificate or establish to the satisfaction of Parent that such tax has been paid or is not applicable. Until surrendered as contemplated by this Section 2.02, each Certificate shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the amount of cash, without interest, into which the shares of Company Common Stock theretofore represented by such Certificate have been converted pursuant to Section 2.01. No interest shall be paid or accrue on the cash payable upon surrender of any Certificate.

(c) *No Further Ownership Rights in Company Common Stock.* The Merger Consideration paid in accordance with the terms of this Article II upon conversion of any shares of Company Common Stock shall be deemed to have been paid in full satisfaction of all rights pertaining to such shares of Company Common Stock except as provided by applicable Law, and after the Effective Time there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation of shares of Company Common Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, any certificates formerly representing shares of Company Common Stock are presented to the Surviving Corporation or the Paying Agent for any reason, they shall be canceled and exchanged as provided in this Article II.

(d) *Termination of Exchange Fund.* Any portion of the Exchange Fund that remains undistributed to the holders of Company Common Stock for six months after the Effective Time shall be delivered to Parent, upon demand, and any holder of Company Common Stock who has not theretofore complied with this Article II shall thereafter look only to the Surviving Corporation for payment of its claim for Merger Consideration.

(e) *No Liability.* None of Parent, Opco, the Company, Merger Sub, the Surviving Corporation or the Paying Agent or any of their respective directors, officers, employees and agents shall be liable to any person in respect of any cash from the Exchange Fund delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law. If any Certificate has not been surrendered prior to five years after the Effective Time (or immediately prior to such earlier date on which Merger Consideration in respect of such Certificate would otherwise escheat to or become the property of any Governmental Entity (as defined in Section 3.05(b))), any such shares, cash, dividends or distributions in respect of such Certificate shall, to the extent permitted by applicable Law, become the property of the Surviving Corporation, free and clear of all claims or interest of any person previously entitled thereto.

(f) *Investment of Exchange Fund.* The Paying Agent shall invest any cash included in the Exchange Fund, as directed by Parent, on a daily basis. Any interest and other income resulting from such investments shall be paid to Parent.

(g) *Withholding Rights.* The Surviving Corporation or the Paying Agent shall be entitled to deduct and withhold from the consideration otherwise payable to any holder of Company Common Stock pursuant to this Agreement such amounts as may be required to be deducted and withheld with respect to the making of such payment under the Internal Revenue Code of 1986, as amended (the "*Code*"), or under any provision of state, local or foreign tax Law. To the extent that amounts are so deducted and withheld by the Surviving Corporation or the Paying Agent, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the shares of Company Common Stock in respect of which such deduction and withholding was made by the Surviving Corporation or the Paying Agent.

(h) *Lost Certificates.* If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen or destroyed and, if required by the Surviving Corporation, the posting by such person of a bond in such reasonable amount as the Surviving Corporation may require as indemnity against any claim that may be made against it with respect to such Certificate, the Paying Agent will issue in exchange for such lost, stolen or destroyed Certificate the Merger Consideration payable pursuant to this Agreement.

SECTION 2.03 *Company Options and Unvested Stock.* (a) Except as set forth in Section 2.03(a) of the Company Disclosure Letter (as defined in Article III), at the Effective Time each outstanding option to purchase shares of Company Common Stock (a "*Company Option*"), whether or not then exercisable, shall be cancelled and shall entitle the holder thereof to receive, as soon as reasonably practicable after surrender thereof, only an amount in cash equal to the product of (x) the total number of shares of Company Common Stock subject to the Company Option times (y) the excess of the value of the Merger Consideration over the exercise price per share of Company Common Stock under such Company Option, less applicable Taxes required to be withheld with respect to such payment.

(b) All unvested shares of Company Common Stock issued and outstanding immediately prior to the Effective Time shall become fully vested as of the Effective Time.

(c) The Surviving Corporation shall be entitled to deduct and withhold from the amounts otherwise payable pursuant to this Section 2.03 to any holder of Company Options such amounts as the Surviving Corporation is required to deduct and withhold with respect to the making of such payment under the Code, or any provision of state, local or foreign tax Law. To the extent that amounts are so deducted and withheld by the Surviving Corporation, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the Company Options in respect of which such deduction and withholding was made by the Surviving Corporation.

(d) The Company Option Plan (as defined in Section 3.03) and the employee stock purchase plan of the Company shall be terminated immediately after the Effective Time, and the provisions in any agreement, arrangement or other benefit plan providing for the issuance, transfer or grant of any capital stock of the Company or any interest in respect of any capital stock of the Company shall be deleted immediately after the Effective Time, and the Company shall take such actions to ensure that following the Effective Time no holder of a Company Option or any participant in or a party to the Company Option Plan or any similar plan or other agreement, arrangement or benefit plan shall have any right thereunder to acquire any capital stock or any interest in respect of any capital stock of the Surviving Corporation.

ARTICLE III

Representations and Warranties of the Company

The Company represents and warrants to Parent that, except as set forth in the corresponding section of the letter, dated as of the date of this Agreement, from the Company to Parent (the "*Company Disclosure Letter*"), or in any other section of the Company Disclosure Letter if the relevance of such disclosure or matter is reasonably apparent (except that no matter shall be deemed to be disclosed for purposes of Section 3.05 or Section 3.21 of the Company Disclosure Letter if it is not set forth or cross-referenced in such section of the Company Disclosure Letter):

SECTION 3.01 *Organization, Standing and Power.* Each of the Company and each of its subsidiaries (the "*Company Subsidiaries*") is a corporation, partnership or limited liability company duly organized, validly existing and in good standing under the laws of the jurisdiction in which it is organized and has full corporate, partnership or limited liability company power and authority to conduct its businesses as presently conducted. The Company and each Company Subsidiary is duly qualified to do business as a foreign corporation, partnership or limited liability company and is in good standing in each jurisdiction where the nature of its business or the ownership or leasing of its properties make such qualification necessary, except where the failure to so qualify has not had and could not reasonably be expected to have a Company Material Adverse Effect (as defined in Section 9.03). The Company has made available to Parent true and complete copies of the articles of incorporation of the Company, as amended to the date of this Agreement (as so amended, the "*Company Charter*"), the Bylaws of the Company, as amended to the date of this Agreement (as so amended, the "*Company Bylaws*") and the comparable charter and organizational documents of each Company Subsidiary.

SECTION 3.02 *Company Subsidiaries; Equity Interests.* (a) Section 3.02(a) of the Company Disclosure Letter lists each Company Subsidiary, its jurisdiction of organization and each holder of outstanding capital stock or other ownership interests of such subsidiary. No shares of capital stock of any Company Subsidiary have been issued in violation of any purchase option, call option, right of first refusal, preemptive right, subscription right or any similar right. No shares of capital stock of any Company Subsidiary are reserved for issuance.

(b) Except for its interests in the Company Subsidiaries, the Company does not as of the date of this Agreement own, directly or indirectly, (i) any capital stock, membership interest, partnership interest or other equity interest in any person or securities convertible into or exchangeable for any equity interest of any person or (ii) any participating interest in the revenues or profits of any person,

and neither the Company nor any Company Subsidiary is subject to any obligation to make any investment (in the form of loan, capital contribution or otherwise) in any person.

SECTION 3.03 Capital Structure. The authorized capital stock of the Company consists of 100,000,000 shares of Company Common Stock and 10,000,000 shares of preferred stock, no par value per share (the "*Company Preferred Stock*" and, together with the Company Common Stock, the "*Company Capital Stock*"). Since the Capitalization Date, no other shares of capital stock or other voting securities of the Company have been issued or reserved for issuance, other than the granting of 12,500 additional Company Options and the issuance of Company Common Stock upon the exercise of Company Options outstanding on the Capitalization Date and in accordance with their present terms, and other than as permitted pursuant to Section 5.01(b). All outstanding shares of Company Capital Stock are, and all such shares that may be issued prior to the Effective Time will be when issued, duly authorized, validly issued, fully paid and nonassessable and not subject to or issued in violation of any purchase option, call option, right of first refusal, preemptive right, subscription right or any similar right under any provision of the CGCL, the Company Charter, the Company Bylaws, any Contract (as defined in Section 3.05) to which the Company is a party or otherwise. There are not any bonds, debentures, notes or other indebtedness of the Company or any Company Subsidiary having the right to vote (or convertible into, or exchangeable for, securities having the right to vote) on any matters on which holders of Company Common Stock or holders of equity securities of any Company Subsidiary may vote ("*Voting Company Debt*"). Except as set forth above there are not any options, warrants, rights, convertible or exchangeable securities, "phantom" stock rights, stock appreciation rights, restricted stock awards, dividend equivalent awards, stock-based performance units, commitments, Contracts (as defined in Section 3.05), arrangements or undertakings of any kind to which the Company or any Company Subsidiary is a party (i) obligating the Company or any Company Subsidiary to issue, deliver or sell, or cause to be issued, delivered or sold, additional shares of capital stock or other equity interests in, or any security convertible into or exercisable or exchangeable for any capital stock of or other equity interest in, the Company or of any Company Subsidiary or any Voting Company Debt or (ii) obligating the Company or any Company Subsidiary to issue, grant, extend or enter into any such option, warrant, call, right, security, commitment, Contract, arrangement or undertaking. There are not any outstanding contractual obligations of the Company or any Company Subsidiary to repurchase, redeem or otherwise acquire any shares of capital stock of the Company or any Company Subsidiary.

SECTION 3.04 Authority; Execution and Delivery, Enforceability. (a) The Company has all requisite corporate power and authority to execute and deliver this Agreement and to consummate the Transactions contemplated by this Agreement. The execution and delivery by the Company of this Agreement and the consummation by the Company of the Transactions contemplated by this Agreement have been duly authorized by all necessary corporate action on the part of the Company, subject, in the case of the Merger, to receipt of the Company Stockholder Approval (as defined in Section 3.04(c)). The Company has duly executed and delivered this Agreement, and this Agreement constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms.

(b) The Board of Directors of the Company (the "*Company Board*"), at a meeting duly called and held, acting on the unanimous recommendation of the special committee of the Company Board (the "*Special Committee*"), duly and unanimously adopted resolutions (i) approving this Agreement, the

Merger and the other Transactions contemplated by this Agreement, and (ii) recommending that the Company's stockholders approve this Agreement and the Merger. No state takeover statute or similar statute or regulation applies or purports to apply to the Company with respect to this Agreement, the Merger or the other Transactions contemplated by this Agreement.

SECTION 3.05 *No Conflicts; Consents.* (a) The execution and delivery by the Company of this Agreement do not, and the consummation of the Merger and the other Transactions contemplated by this Agreement and compliance with the terms hereof will not, conflict with, or result in any violation of or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination, cancellation, modification or acceleration of any obligation or to loss of a material asset (including material intellectual property asset) or benefit under, or result in the creation of any Lien upon any of the properties or assets of the Company or any Company Subsidiary under, any provision of (i) the Company Charter, the Company Bylaws or the comparable charter or organizational documents of any Company Subsidiary, (ii) any contract, lease, license, loan, credit agreement, indenture, note, bond, mortgage, deed of trust, agreement, Company Permit (as defined in Section 3.16), obligation, concession, franchise or other instrument (collectively, "*Contracts*") to which the Company or any Company Subsidiary is a party or by which any of their respective properties or assets is bound or (iii) subject to the filings and other matters referred to in Section 3.05(b), any writ, judgment, order, award, consent decree, waiver, stipulation, subpoena, citation, notice, summons, restraining order, injunction, stay, ruling or decree (collectively, "*Judgments*"), or statute, law (including common law), ordinance, rule (including any New York Stock Exchange or other stock exchange rule or listing requirement) or regulation (collectively, "*Laws*") applicable to the Company or any Company Subsidiary or their respective properties or assets, other than, in the case of clauses (ii) and (iii) above, any such items that, individually or in the aggregate, have not had and could not reasonably be expected to have a Company Material Adverse Effect.

(b) No consent, approval, license, permit, order or authorization ("*Consent*") of, or registration, declaration or filing with, or permit from, any government or any court of competent jurisdiction, tribunal, judicial body, arbitrator, stock exchange, administrative or regulatory agency, self-regulatory organization, commission or other governmental or quasi-governmental authority or instrumentality, in each case, whether local, state or Federal, domestic or foreign (a "*Governmental Entity*"), is required to be obtained or made by or with respect to the Company or any Company Subsidiary in connection with the execution, delivery and performance of this Agreement or the consummation of the Transactions contemplated by this Agreement, other than (i) compliance with and filings under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "*HSR Act*"), (ii) relicensures that may be required following the Effective Time pursuant to applicable state or Federal Law, (iii) the filing with the Securities and Exchange Commission (the "*SEC*") of a proxy or information statement relating to the approval of the Merger by the Company's stockholders (the "*Proxy Statement*") and a Schedule 13E-3 relating to the Merger (the "*Schedule 13E-3*"), (iv) the filing of the Merger Filing with the Secretary of State of the State of California and appropriate documents with the relevant authorities of the other jurisdictions in which the Company is qualified to do business, (v) such filings as may be required in connection with the taxes described in Section 6.08, and (vi) such other items (A) required solely by reason of the participation of Parent (as opposed to any third party) in the

Transactions or (B) that, individually or in the aggregate, have not had and could not reasonably be expected to have a Company Material Adverse Effect.

SECTION 3.06 *SEC Documents; Undisclosed Liabilities.* (a) The Company has filed all reports, schedules, forms, statements and other documents required to be filed by the Company with the SEC since December 31, 2002 pursuant to Sections 13(a) and 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") (the "Company SEC Documents").

(b) As of its respective date, each Company SEC Document complied in all material respects with the requirements of the Exchange Act and the rules and regulations of the SEC promulgated thereunder applicable to such Company SEC Document, and did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. Except to the extent that information contained in any Company SEC Document has been revised or superseded by a later filed Company SEC Document, none of the Company SEC Documents contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The consolidated financial statements of the Company included in the Company SEC Documents comply as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto, have been prepared in accordance with generally accepted accounting principles ("GAAP") (except, in the case of unaudited statements, as permitted by Form 10-Q of the SEC) applied on a consistent basis during the periods involved (except as may be indicated in the notes thereto) and fairly present the consolidated financial position of the Company and its consolidated subsidiaries as of the dates thereof and the consolidated results of their operations and cash flows for the periods shown (subject, in the case of unaudited statements, to normal year-end audit adjustments).

(c) Except as set forth in the financial statements filed with the 2004 10-K or incurred in the ordinary course since December 31, 2004, as of the date of this Agreement neither the Company nor any Company Subsidiary has any liabilities or obligations of any nature (whether accrued, absolute, contingent or otherwise) that, individually or in the aggregate, could reasonably be expected to have a Company Material Adverse Effect.

(d) None of the Company Subsidiaries is, or has at any time been, subject to the reporting requirements of Sections 13(a) and 15(d) of the Exchange Act.

SECTION 3.07 *Information Supplied.* None of the information supplied or to be supplied by the Company for inclusion or incorporation by reference in the Proxy Statement or the Schedule 13E-3 will, in the case of the Proxy Statement, at the date it is first mailed to the Company's stockholders or at the time of the Company Stockholders Meeting (as defined in Section 6.01(b)), or, in the case of the Schedule 13E-3, at the date it is first filed with the SEC, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. The Proxy Statement and the Schedule 13E-3 will comply as to form in all material respects with the requirements of the Exchange Act and the rules and regulations thereunder, except that no representation is made by the Company with respect to statements made or incorporated by reference therein based on information supplied by Parent, Opco, Holdings, Merger Sub, Parent Stockholders or Founder Parties for inclusion or incorporation by reference therein.

SECTION 3.08 *Absence of Certain Changes or Events.* Since December 31, 2004, (i) each of the Company and each Company Subsidiary has conducted its business, in all material respects, only in the ordinary course and in a manner consistent with past practice (except in connection with the negotiation and execution and delivery of this Agreement), (ii) no event has occurred and no action has been taken that would have been prohibited by the terms of Section 5.01 if such Section had been

in effect as of and at all times since December 31, 2004 and (iii) there has not been any change, event, condition, circumstance or state of facts (whether or not covered by insurance), individually or in the aggregate, that has had or that could reasonably be expected to have, a Company Material Adverse Effect.

SECTION 3.09 *Taxes.* (a) Each of the Company and each Company Subsidiary has timely filed, or has caused to be timely filed on its behalf, all Tax Returns required to be filed by it with the appropriate Governmental Entity, and all such Tax Returns are true, complete and accurate in all material respects. All Taxes shown to be due on such Tax Returns, or other Taxes owed, have been timely paid. The Company has afforded Parent the opportunity to examine true and correct copies of all material Tax Returns, examination reports, ruling requests and statements of deficiencies, filed, assessed against or agreed to by the Company or any Company Subsidiary.

(b) Except as could not reasonably be expected to have a Company Material Adverse Effect, each of the Company and each Company Subsidiary has timely paid any Taxes that are due and payable by it. The most recent financial statements contained in the Company SEC Documents filed with the SEC prior to the date of this Agreement (the "*Filed Company SEC Documents*") reflect an adequate reserve for all Taxes payable (or that may become payable) by the Company or any Company Subsidiary (in addition to any reserve for deferred Taxes to reflect timing differences between book and Tax items) for all Taxable periods and portions thereof through the date of such financial statements. No deficiency with respect to any Taxes has been proposed, asserted or assessed against the Company or any Company Subsidiary, and no requests for waivers of the time to assess any such Taxes are pending.

(c) The Federal income Tax Returns of the Company and each Company Subsidiary consolidated in such Tax Returns have been examined by and settled with the United States Internal Revenue Service, or have closed by virtue of the expiration of the relevant statute of limitations, for all years ending on or before December 31, 2001. All material assessments for Taxes due with respect to such completed and settled examinations or any concluded litigation have been fully paid.

(d) There are no material Liens for Taxes (other than for current Taxes not yet due and payable) on the assets of the Company or any Company Subsidiary. Neither the Company nor any Company Subsidiary is a party to any Contract with respect to Taxes, including (i) a "closing agreement" as defined under Code Section 7121 (or any corresponding or similar provision of state, local or foreign Law), (ii) a waiver of any statute of limitations in respect of Taxes or the agreement to an extension of time with respect to a material assessment of deficiency, (iii) any Tax allocation, indemnity or sharing agreement or (iv) a power of attorney with respect to any Tax.

(e) Each of the Company and each Company Subsidiary has complied in all material respects with all applicable Laws relating to the withholding of Taxes and has timely withheld and paid to the proper Governmental Entities all amounts required to have been withheld and paid in connection with amounts paid or owing to any employee, independent contractor, creditor or stockholder.

(f) There are no audits or other administrative or court proceedings presently pending with regard to any Taxes for which the Company or any Company Subsidiary could be liable. No dispute or claim concerning any Taxes for which the Company or any Company Subsidiary could be liable has been claimed or raised by any Governmental Entity in writing to the Company, and no claim has been made in writing to the Company by any Governmental Entity in a jurisdiction where the Company or any Company Subsidiary does not file Tax Returns that the Company or any such Company Subsidiary is, or may be, subject to taxation by that jurisdiction.

(g) Neither the Company nor any Company Subsidiary (i) has been a member of an affiliated group filing a consolidated federal income Tax return (other than such a group of which the Company is the common parent) or (ii) will be required to pay the Taxes of any other person under Treasury regulation Section 1.1502-6 (or similar Law), as a transferee or successor, by Contract or otherwise.

Edgar Filing: SPECIALTY LABORATORIES INC - Form PREM14A

(h) Within the past five years, neither the Company nor any Company Subsidiary (i) has constituted either a "distributing corporation" or a "controlled corporation" within the meaning of Section 355(a)(1)(A) of the Code in a distribution qualifying (or intended to qualify) under Section 355 of the Code (or so much of Section 356 as related to Section 355) or (ii) been a party to any transaction that was reported as a reorganization within the meaning of Section 368.

(i) Neither the Company nor any Company Subsidiary is a party to any Contract that, individually or collectively, could give rise to the payment of any amount which would not be deductible by reason of Section 162(m).

(j) For purposes of this Agreement:

"*Taxes*" includes all forms of taxation, whenever created or imposed, and whether of the United States or elsewhere, and whether imposed by a local, municipal, governmental, state, foreign, Federal or other Governmental Entity, or in connection with any agreement with respect to Taxes, including all interest, penalties and additions imposed with respect to such amounts.

"*Tax Return*" means any Federal, state, local, provincial and foreign Tax return, declaration, statement, report, schedule, form or other information filed with respect to any Tax, including any claim for refunds of any Tax and any attachment to or any amendment or supplement of any of the foregoing, filed or required to be filed with any Governmental Entity in connection with the determination, assessment or collection of any Tax or the administration of any Laws relating to any Tax.

SECTION 3.10 *Absence of Changes in Benefit Plans.* Except as disclosed in the Filed Company SEC Documents, from the date of the most recent financial statements included in the Filed Company SEC Documents to the date of this Agreement, there has not been any adoption or amendment in any material respect by the Company or any Company Subsidiary of any collective bargaining agreement or any bonus, pension, profit sharing, deferred compensation, incentive compensation, stock ownership, stock purchase, stock option, phantom stock, retirement, vacation, severance, change of control, indemnification, disability, death benefit, hospitalization, medical or other plan, agreement, arrangement or understanding providing benefits to any current or former employee, officer or director of the Company or any Company Subsidiary (collectively, "*Company Benefit Plans*"). Except as disclosed in the Filed Company SEC Documents, as of the date of this Agreement there are not any employment, severance or termination agreements or arrangements between the Company or any Company Subsidiary and any current or former executive officer or director of the Company or any Company Subsidiary (collectively, the "*Company Benefit Agreements*").

SECTION 3.11 *ERISA Compliance; Excess Parachute Payments.* (a) The Company Disclosure Letter contains a list of any and all Company Benefit Plans, including any and all "employee pension benefit plans" (as defined in Section 3(2) of the Employee Retirement Income Security Act of 1974, as amended ("*ERISA*")) ("*Company Pension Plans*"), "employee welfare benefit plans" (as defined in Section 3(1) of ERISA) and all other fringe benefit plans or arrangements maintained, or contributed to, by the Company or any Company Subsidiary for the benefit of any current or former employees, consultants, officers or directors of the Company or any Company Subsidiary (or the dependents of the foregoing or with respect to which the Company has or may have any material liability). Each Company Benefit Plan has been administered in compliance with its terms and applicable Law, other than instances of noncompliance that, individually and in the aggregate, have not had and could not reasonably be expected to have a Company Material Adverse Effect. All reports and disclosures relating to each Company Benefit Plan required to be filed with or furnished to any Governmental Entity or plan participants or beneficiaries have been filed or furnished in all material respects in accordance with applicable law in a timely manner. All contributions required to be made to each Company Benefit Plan pursuant to the terms of such plan have been timely made. The Company has made available to Parent true, complete and correct copies of (i) each Company Benefit Plan (or, in

the case of any unwritten Company Benefit Plan, a description thereof), (ii) the most recent annual report on Form 5500 filed with the Internal Revenue Service with respect to each Company Benefit Plan (if any such report was required), (iii) the most recent summary plan description for each Company Benefit Plan for which such summary plan description is required and (iv) each trust agreement and group annuity contract relating to any Company Benefit Plan.

(b) Each Company Pension Plan intended to be a "qualified plan" within the meaning of Section 401(a) of the Code has been the subject of a determination letter from the Internal Revenue Service to the effect that such Company Pension Plan is qualified and exempt from Federal income taxes under Sections 401(a) and 501(a), respectively, of the Code, and no such determination letter has been revoked nor, to the knowledge of the Company, has revocation been threatened, and nothing has occurred since the date of its most recent determination letter in any respect that would adversely affect its qualification or materially increase its costs.

(c) No Company Benefit Plan is a "multiemployer plan" within the meaning of Section 3(37) of ERISA (a "*Multiemployer Pension Plan*"), and no Company Benefit Plan is subject to Title IV or Section 302 of ERISA or Section 412 or 4971 of the Code.

(d) None of the Company, any Company Subsidiary, any officer of the Company or any of the Company Subsidiaries or any of the Company Benefit Plans that are subject to ERISA, including the Company Pension Plans, any trusts created thereunder or any trustee or administrator thereof, has engaged in a "prohibited transaction" (as such term is defined in Section 406 of ERISA or Section 4975 of the Code) or any other breach of fiduciary responsibility that could subject the Company, any Company Subsidiary or any officer of the Company or any Company Subsidiary to the tax or penalty on prohibited transactions imposed by such Section 4975 or to any liability under Section 502(i) or 502(1) of ERISA, except as could not reasonably be expected to have a Company Material Adverse Effect.

(e) No Company Benefit Plan or trust has been terminated, nor has there been any "reportable event" (as that term is defined in Section 4043 of ERISA) with respect to any Company Benefit Plan during the last five years. Neither the Company nor any Company Subsidiary has incurred a "complete withdrawal" or a "partial withdrawal" (as such terms are defined in Sections 4203 and 4205, respectively, of ERISA) since the effective date of such Sections 4203 and 4205 with respect to any Multiemployer Pension Plan.

(f) With respect to any Company Benefit Plan that is an employee welfare benefit plan, (i) each such Company Benefit Plan is (x) funded through an insurance contract and is not a "welfare benefits fund" (as such term is defined in Section 419(e) of the Code) or (y) unfunded, and (ii) no such Company Benefit Plan provides for life, health, medical, disability or other welfare benefits to former employees or beneficiaries or dependents thereof, except for health continuation coverage provided at no expense to the Company or any Company Subsidiary as required by Section 4980B of the Code or Part 6 of Title I of ERISA.

(g) There are no material actions, claims, liens or investigations existing or pending (other than routine claims for benefits) or, to the knowledge of the Company, threatened with respect to any Company Benefit Plan. No Company Benefit Plan is under audit or investigation by any Governmental Entity and no such completed audit, if any, has resulted in the imposition of any Tax during the last 12 months.

(h) Other than payments that may be made to the persons listed in the Company Disclosure Letter (the "*Primary Company Executives*"), any amount that could be received (whether in cash or property or the vesting of property) as a result of the Merger by any employee, officer or director of the Company or any of its affiliates who is a "disqualified individual" (as such term is defined in proposed Treasury Regulation Section 1.280G-1) under any employment, severance or termination

agreement, other compensation arrangement or Company Benefit Plan currently in effect, would not constitute an "excess parachute payment" (as defined in Section 280G(b)(1) of the Code).

SECTION 3.12 *Litigation; Inspections and Investigations.* (a) As of the date of this Agreement, there is no claim, suit, action, audit or proceeding pending or, to the knowledge of the Company, threatened against the Company, any Company Subsidiary or, to the knowledge of the Company, any person that the Company or any Company Subsidiary has agreed to indemnify in respect thereof, nor, to the knowledge of the Company, is there any investigation of the Company (collectively, "*Company Litigation*") that if adversely decided could result (x) in a liability to the Company and the Company Subsidiaries in excess of \$1,000,000 or (y) in injunctive or other equitable remedy against such parties that would materially affect the operation of the business of the Company, and the Company is not aware of any basis for any such claim, suit, action, audit, proceeding or investigation. As of the date of this Agreement, there is no Company Litigation that, individually or in the aggregate, has had or could reasonably be expected to have a Company Material Adverse Effect. As of the date of this Agreement, there is not any Judgment outstanding against the Company or any Company Subsidiary or affecting any of their respective properties or assets or business operations. There is no Judgment (whether outstanding as of the date of this Agreement or first outstanding after the date of this Agreement) the effect of which has had or could reasonably be expected to have a Company Material Adverse Effect. The Company and any Company Subsidiaries have in all material respects performed all of the obligations required to be performed to the date of this Agreement by any Judgment against the Company or any Company Subsidiary, or by any Contract that settled any suit, action or proceeding against the Company or any Company Subsidiary.

(b) None of the Company or any Company Subsidiaries nor, to the Company's knowledge, any of their respective officers, directors, employees or agents (or stockholders, representatives or other persons acting on the express, implied or apparent authority of such entities) is currently, or has been within the last two years, with respect to any state or Federal criminal enforcement agency or with respect to Medicare, Medicaid, or any other state or Federal health care payment or reimbursement program: (i) the subject of any audit or, to the knowledge of the Company, any investigation; or (ii) party to any Contract or Judgment that (A) requires, or could reasonably be expected to require, the payment of a material amount of money by the Company or any of the Company Subsidiaries to any state or Federal agency, program, or fiscal intermediary, or (B) requires or prohibits any activity by the Company or any of the Company Subsidiaries; and which, in the case of either (A) or (B) of this sentence, is either punitive in nature, or serves as a civil penalty.

SECTION 3.13 *Compliance with Applicable Laws; Compliance Program.* (a) The business of the Company and Company Subsidiaries is currently being conducted and since January 1, 2004 has been conducted in compliance with all applicable Laws, including those relating to licensure, certification, and operation of clinical laboratories, individuals providing services in or to clinical laboratories, reimbursement for products or services provided by the Company and the Company Subsidiaries, submission of claims to any payor, including Medicare, Medicaid or other third party payors, for items or services, and Environmental Laws (as defined in Section 3.17), except for instances of noncompliance that, individually and in the aggregate, have not had and could not reasonably be expected to have a Company Material Adverse Effect. Neither the Company nor any Company Subsidiaries have received any written notice asserting a failure to comply with any Law, which failure has had or could reasonably be expected to have a Company Material Adverse Effect, and which notice has not prior to the date of this Agreement been fully and completely resolved. This Section 3.13 does not relate to matters with respect to Taxes, which are the subject of Section 3.09.

(b) The Company and Company Subsidiaries have timely filed all material filings and reports of every kind whatsoever required by Law or by written or oral Contract or otherwise to have been filed or made with respect to the provision of services by the Company and Company Subsidiaries to third-party purchasers, including, but not limited to, Medicare and Medicaid, insurance carriers and other

fiscal intermediaries. No validation review or program integrity review related to the Company and the Company Subsidiaries has been conducted by any commission, board or agency in connection with the Medicare or Medicaid program, and no such reviews are scheduled, pending or, to the Company's knowledge, threatened against or affecting the Company or the Company Subsidiaries or the consummation of the transactions contemplated hereby.

(c) The Company and the Company Subsidiaries maintain an effective voluntary compliance program to promote compliance with Law that is consistent with model compliance guidance issued by the United States Department of Health and Human Services Office of Inspector General ("*OIG*") and applicable laws and regulations. To the knowledge of the Company, no individual employed by, contracting independently with or otherwise providing services or supplies in connection with the conduct of business by the Company or any Company Subsidiary is excluded from participation in the Medicare or Medicaid programs or is listed on the excluded individuals list published by the *OIG*.

SECTION 3.14 *Material Contracts.* (a) Section 3.14(a) of the Company Disclosure Letter sets forth a list of the following Contracts, whether written or oral (and if oral, a complete and accurate summary thereof) to which the Company or any Company Subsidiary is a party, in each case to the extent in effect on this date of this Agreement (the "*Company Material Contracts*"):

All the Company Material Contracts are in full force and effect, constitute legal, valid and binding obligations of the respective parties thereto, and are enforceable in accordance with their respective terms. The Company or the Company Subsidiary that is a party to any Company Material Contract has in all material respects performed all of the obligations required to be performed by it to the date of this Agreement, and there exists no default, or any event which upon the giving of notice or the passage of time, or both, would give rise to a default, in the performance by the Company or such applicable Company Subsidiaries or, to the knowledge of the Company, any other party to any Company Material Contract of their respective obligations thereunder. Neither the Company nor any Company Subsidiary has received any written notice of the intention of any party to terminate or cancel any Company Material Contract, whether as a termination or cancellation for convenience or for default of the Company or any Company Subsidiary thereunder.

All such policies are in full force and effect, all premiums due and payable thereon have been paid and the Company and the Company Subsidiaries have complied with the provisions of such policies, except where such failure to be in full force and effect, such nonpayment or such noncompliance has not had and could not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect. Section 3.19 of the Company Disclosure Letter contains a list of the policies issued to the Company and the Company Subsidiaries that are in effect on the date of this Agreement. None of the Company or any of the Company Subsidiaries has been advised of any defense to coverage or reservation of rights in connection with any material claim to coverage asserted or noticed by the Company or any of the Company Subsidiaries under or in connection with any of their existing insurance policies. None of the Company or any of the Company Subsidiaries has received any written notice from or on behalf of any insurance carrier issuing policies or binders relating to or covering the Company or the Company Subsidiaries that the Company reasonably believes will cause a cancellation or non-renewal of existing policies or binders or a material decrease in coverage or a material increase in deductible or self insurance retention.

SECTION 4.02 *Merger Sub.* Since the date of its incorporation, Merger Sub has not carried on any business or conducted any operations other than the execution of this Agreement, the performance of its obligations hereunder and matters ancillary thereto. The authorized capital stock of Merger Sub consists of 100 shares of common stock, par value \$0.01 per share, all of which have been validly issued, are fully paid and nonassessable and are owned by Opco free and clear of any Lien.

SECTION 4.03 *Authority; Execution and Delivery, Enforceability.* Each of Parent, Opco and Merger Sub has all requisite corporate power and authority to execute and deliver this Agreement (and, with respect to Parent, the Subscription and Exchange Agreement) and to consummate the Transactions. The execution and delivery by each of Parent, Opco and Merger Sub of this Agreement (and, with respect to Parent, the Subscription and Exchange Agreement) and the consummation by each of Parent, Opco and Merger Sub of the Transactions have been duly authorized by all necessary corporate action on the part of Parent, Opco and Merger Sub. Each of Parent, Opco and Merger Sub has duly executed and delivered this Agreement (and, with respect to Parent, the Subscription and Exchange Agreement), and this Agreement (and, with respect to Parent, the Subscription and Exchange Agreement) constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms.

SECTION 4.04 *No Conflicts; Consents.* (a) The execution and delivery by each of Parent, Opco and Merger Sub of this Agreement (and, with respect to Parent, the Subscription and Exchange Agreement) do not, and the consummation of the Merger and the other Transactions and compliance with the terms hereof and thereof will not, conflict with, or result in any violation of or default (with or without notice or lapse of time, or both) under any provision of (i) the charter or organizational documents of Parent, Opco or Merger Sub, (ii) any Contract to which Parent, Opco or Merger Sub is a

party or by which any of their respect properties or assets is bound or (iii) subject to the filings and other matters referred to in Section 4.04(b), any Judgment or Law applicable to Parent, Opco or Merger Sub or their respective properties or assets, other than, in the case of clauses (ii) and (iii) above, any such items that, individually or in the aggregate, have not had and could not reasonably be expected to have a Parent Material Adverse Effect (as defined in Section 9.03).

(b) No Consent of, or registration, declaration or filing with, or permit from, any Governmental Entity is required to be obtained or made by or with respect to Parent, Opco or Merger Sub in connection with the execution, delivery and performance of this Agreement (or, with respect to Parent, the Subscription and Exchange Agreement) or the consummation of the Transactions, other than (i) compliance with and filings under the HSR Act, (ii) relicensures that may be required following the Effective Time pursuant to applicable state or Federal Law, (iii) such filings as may be required in connection with the taxes described in Section 6.08, and (iv) such other items (A) required solely by reason of the participation of the Company (as opposed to any third party) in the Transactions or (B) that, individually or in the aggregate, have not had and could not reasonably be expected to have a Parent Material Adverse Effect.

SECTION 4.05 *Information Supplied.* None of the information supplied or to be supplied by Parent, Opco, Holdings and Merger Sub for inclusion or incorporation by reference in the Proxy Statement or the Schedule 13E-3 will, in the case of the Proxy Statement, at the date it is first mailed to the Company's stockholders or at the time of the Company Stockholders Meeting, or, in the case of the Schedule 13E-3, at the date it is first filed with the SEC, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. All documents that Parent, Opco, Holdings or Merger Sub is responsible for filing with the SEC in connection with the Transactions will comply as to form, in all material respects, with the applicable provisions of the Exchange Act, except that no representation is made by Parent, Opco, Holdings and Merger Sub with respect to statements made or incorporated by reference therein based on information supplied by the Company or Founder Parties for inclusion or incorporation by reference therein.

SECTION 4.06 *Litigation.* Except as disclosed in the Parent SEC Documents, as of the date of this Agreement there is no suit, action or proceeding pending or, to the knowledge of Parent, threatened against Parent or any subsidiary of Parent (and Parent is not aware of any basis for any such suit, action or proceeding), other than any such suit, action or proceeding initiated by the Company, any of its stockholders or any of their respective affiliates, that, individually or in the aggregate, has had or could reasonably be expected to have a Parent Material Adverse Effect, nor is there any Judgment outstanding against Parent or any subsidiary of Parent that has had or could reasonably be expected to have a Parent Material Adverse Effect.

SECTION 4.07 *Brokers.* No broker, investment banker, financial advisor or other person is entitled to any broker's, finder's, financial advisor's or other similar fee or commission in connection with the Merger and the other Transactions based upon arrangements made by or on behalf of Parent or Opco.

SECTION 5.02 No Solicitation. (a) The Company shall not, nor shall it authorize or permit any Company Subsidiary to, nor shall it authorize or permit any officer, director, employee or affiliate of, or any investment banker, attorney or other advisor or representative (collectively, "*Representatives*") of, the Company or any Company Subsidiary to, (i) solicit, initiate or knowingly encourage (including by way of providing any information not provided generally to the public) any prospective purchaser or the submission of any Company Takeover Proposal (as defined in Section 5.02(e)), take any action designed to facilitate any inquiries, offers, or proposals, or make any other efforts or attempts that constitute, or may reasonably be expected to lead to, any Company Takeover Proposal, or engage in any discussions

or negotiations with respect thereto or otherwise cooperate with or assist or participate in, or facilitate any such inquiries, offers, proposals, discussions or negotiations, (ii) accept a Company Takeover Proposal or enter into any agreement or agreement in principle with respect to any Company Takeover Proposal or enter into any agreement or agreement in principle requiring the Company to abandon, terminate or fail to consummate the Transactions or breach its obligations under this Section 5.02, or (iii) furnish to any person any information with respect to, any Company Takeover Proposal; *provided, however*, that if at any time prior to obtaining the Company Stockholder Approval, (i) the Company has otherwise complied with its obligations under this Section 5.02 and the Company has received a Company Takeover Proposal from a person that the Company Board determines in good faith to be bona fide, (ii) the Company Board determines in good faith, after consultation with its independent financial advisors, that such Company Takeover Proposal constitutes or could reasonably be expected to constitute a Superior Company Proposal, and (iii) after consultation with its outside counsel, the Company Board determines in good faith that taking such action is necessary for the Company Board to comply with its fiduciary duties under applicable Law, then in response to such Company Takeover Proposal, and subject to compliance with Section 5.02(c), the Company may (x) furnish information with respect to the Company to the person making such Company Takeover Proposal and its Representatives pursuant to a customary confidentiality agreement that contains provisions which are no less favorable to the Company than those contained in the Confidentiality Agreement and (y) participate in discussions or negotiations (including solicitation of a revised Company Takeover Proposal from such person) with such person and its Representatives regarding such Company Takeover Proposal. Notwithstanding anything contained in the previous sentence, prior to making the determination and taking any actions described in clauses (i), (ii) and (iii) of the proviso to the previous sentence, the Company may engage in discussions (solely to clarify the terms of such Company Takeover Proposal) with the person making a Company Takeover Proposal in order to determine whether such Company Takeover Proposal constitutes or could reasonably be expected to constitute a Superior Company Proposal. The Company shall, and shall cause its Representatives to, promptly provide to Parent any non-public information concerning the Company or any Company Subsidiary that is provided to any person if such information was not previously provided to Parent. The Company shall, and shall cause its Representatives to, cease immediately all discussions and negotiations taking place as of the date of this Agreement regarding any proposal that constitutes, or may reasonably be expected to lead to, a Company Takeover Proposal.

(b) Neither the Company Board nor any committee thereof shall (i) withdraw or modify in a manner adverse to Parent, or propose publicly to withdraw or modify, in a manner adverse to Parent, the approval or recommendation by the Company Board or any such committee of this Agreement, the Merger or the other Transactions, (ii) approve any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other similar agreement constituting or relating to, or that is intended to or could reasonably be expected to lead to, any Company Takeover Proposal or (iii) approve or recommend, or propose publicly to approve or recommend, any Company Takeover Proposal (any action described in clauses (i), (ii) or (iii) being referred to as an "*Adverse Recommendation Change*"). Notwithstanding the foregoing, at any time prior to obtaining the Company Stockholder Approval, the Company Board may make an Adverse Recommendation Change if the Company receives a Superior Company Proposal (as defined in Section 5.02(e)) and as a result thereof the Company Board determines in good faith, after consultation with outside counsel, that it is necessary to do so in order to comply with their fiduciary obligations.

(c) The Company promptly shall advise Parent orally and in writing of any Company Takeover Proposal or any inquiry that could reasonably be expected to lead to any Company Takeover Proposal, the identity of the person making any such Company Takeover Proposal and the principal terms and conditions thereof prior to furnishing any information or participating in any discussions permitted by Section 5.02(a) with respect to such Company Takeover Proposal. The Company shall (i) keep Parent

reasonably informed on a current basis of the status of and material developments respecting any Company Takeover Proposal or inquiry (including any changes to the principal terms and conditions thereof), (ii) provide to Parent as soon as practicable after receipt or delivery thereof with copies of all written acquisition proposals sent or provided to the Company or any Representative from any person, and (iii) provide notice to Parent of any intent to take any of the actions described in Section 8.01(c)(ii) or to terminate this Agreement pursuant to Section 8.01(d)(ii) (it being understood that the Company shall not be entitled to take any of the actions described in Section 8.01(c)(ii), or to terminate this Agreement in accordance with Section 8.01(d)(ii) unless and until it provides Parent not less than three business days notice of such proposed action or termination, as the case may be).

(d) Nothing contained in this Section 5.02 shall prohibit the Company from taking and disclosing to its stockholders a position contemplated by Rule 14e-2(a) or 14d-9 promulgated under the Exchange Act or from making any disclosure to the Company's stockholders if, in the good faith judgment of the Company Board, after consultation with outside counsel, failure so to disclose would be inconsistent with its obligations under applicable Law; *provided, however*, that in no event shall the Company, the Company Board or any committee thereof take, agree or resolve to take any action prohibited by Section 5.02(b). Any action taken by the Company or the Company Board in accordance with this Section 5.02(d) shall be deemed not to be a modification of the Company Board's approval or recommendation of the Merger and this Agreement.

(e) For purposes of this Agreement:

"*Company Takeover Proposal*" means (i) any proposal or offer for a merger, share exchange, business combination, consolidation, dual listed structure, liquidation, dissolution, recapitalization, reorganization or other similar transaction involving the Company, (ii) any proposal or offer to acquire in any manner, directly or indirectly, over 20% of the equity securities of the Company or any business that constitutes 20% or more of the consolidated net revenues, net income or net assets of the Company, (iii) any proposal or offer relating to any tender offer or exchange offer that if consummated would result in any person or group of persons beneficially owning 20% or more of the outstanding equity securities of the Company, or (iv) any proposal or offer to acquire, lease, exchange, mortgage, pledge, dispose of or otherwise transfer, in any manner, directly or indirectly, over 20% of the consolidated total assets of the Company, in a single transaction or a series of related transactions, in each case other than the Transactions contemplated by this Agreement.

"*Superior Company Proposal*" means any proposal made by a third party to acquire all or substantially all of the equity securities or assets of the Company, pursuant to a tender or exchange offer, a merger, a consolidation, a liquidation or dissolution, a recapitalization or a sale of all or substantially all of its assets (i) on terms which the Company Board determines in good faith, after consultation with outside counsel, to be superior from a financial point of view to the holders of Company Common Stock than the Transactions contemplated by this Agreement, taking into account all the terms and conditions of such proposal and this Agreement (including any proposal by Parent to amend the terms of this Agreement or the Transactions contemplated by this Agreement) and (ii) that is reasonably capable of being completed, taking into account all financial, regulatory, legal and other aspects of such proposal.

The parties will cooperate with each other in connection with the preparation of the Proxy Statement and the Schedule 13E-3. Each of the parties shall furnish all information concerning itself that is required to be included in the Proxy Statement and the Schedule 13E-3, or that is customarily included in proxy statements prepared in connection with transactions of the type contemplated by this Agreement. The Company, Parent, Opco and Merger Sub shall use their respective reasonable efforts to respond as promptly as practicable to any comments of the SEC with respect to the Proxy Statement or the Schedule 13E-3. Each Party shall notify the other parties promptly of the receipt of any comments from the SEC or its staff and of any request by the SEC or its staff for amendments or supplements to the Proxy Statement or the Schedule 13E-3 or for additional information and shall supply the other parties with copies of all correspondence between the such party or any of its representatives, on the one hand, and the SEC or its staff, on the other hand, with respect to the Proxy Statement or the Schedule 13E-3. The Company shall use its reasonable efforts to have the Proxy Statement cleared by the SEC and prepare and file with the SEC the definitive Proxy Statement and to cause the definitive Proxy Statement to be mailed to the Company's stockholders as promptly as practicable following the date of this Agreement, and the parties hereto will use their reasonable efforts to have the Schedule 13E-3 cleared by the SEC as promptly as practicable following the date of this Agreement. The parties hereto shall provide each other with reasonable opportunity to review and comment on drafts of the Proxy Statement (including each amendment or supplement thereto) and the Schedule 13E-3 (including each amendment or supplement thereto) and all responses to requests for additional information by and replies to comments of the SEC (provided that the Company shall (i) include in any such documents or responses all comments reasonably proposed by Parent and (ii) not file, mail or otherwise deliver such document or respond to the SEC or the staff of the SEC over Parent's reasonable objection), prior to filing such with or sending such to the SEC, and the parties hereto will provide each other with copies of all such filings made with the SEC. If at any time prior to receipt of the Company Stockholder Approval there shall occur any event that should be set forth in an amendment or supplement to the Proxy Statement or the Schedule 13E-3 (including the discovery of any information that should be set forth in an amendment or supplement to the Proxy Statement or Schedule 13E-3 so that the Proxy Statement or Schedule 13E-3 would not include any misstatement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading), an appropriate amendment or supplement describing such event (and information) shall be promptly filed by the Company with the SEC and disseminated by the Company to the stockholders of the Company.

(b) The Company shall, acting through the Company Board and in accordance with applicable Law and the Articles of Incorporation and the Bylaws of the Company, duly call, give notice of, convene and hold a special meeting of its stockholders (the "*Company Stockholders Meeting*") as promptly as practicable after the date of this Agreement (and, in no event, later than 45 days after the mailing of the Proxy Statement to the stockholders of the Company) for the purpose of considering and taking action upon this Agreement and the Merger and, subject to Section 5.02(b), shall solicit proxies in favor of approval of this Agreement and the Merger. Subject to Section 5.02(b), the Company shall, through the Company Board, recommend to its stockholders that they give the Company Stockholder Approval and shall include such recommendation, together with a copy of the opinion referred to in Section 3.23, in the Proxy Statement. Without limiting the generality of the foregoing, the Company's obligations pursuant to the first sentence of this Section 6.01(b) shall not be affected by (i) the commencement, public proposal, public disclosure or communication to the Company of any Company Takeover Proposal or (ii) an Adverse Recommendation Change. Notwithstanding the foregoing, if the

Company properly exercises its right to terminate this Agreement pursuant to Section 8.01(d)(ii), the Company's obligations pursuant to the first sentence of this Section 6.01(b) shall terminate.

SECTION 6.02 Access to Information; Confidentiality. The Company shall, and shall cause each of the Company Subsidiaries to, afford to Parent and to Parent's officers, employees, accountants, counsel, financial advisors and other representatives (including financing sources and their officers, employees, accountants, counsel and other representatives), reasonable access during normal business hours during the period prior to the Effective Time to all the Company's properties, books, contracts, commitments, personnel and records and, during such period, the Company shall, and shall cause each of the Company Subsidiaries to, furnish promptly to Parent (a) a copy of each report, schedule, registration statement and other document filed by the Company during such period pursuant to the requirements of Federal or state securities laws and (b) all other information concerning the Company's business, properties and personnel as Parent may reasonably request; *provided, however*, that the Company may withhold any document or information that is subject to the terms of a confidentiality agreement with a person (provided that the Company will use its reasonable efforts to obtain the consent of any such person to permit the Company to furnish such documents or information to Parent and to Parent's officers, employees, accountants, counsel, financial advisors and other representatives (including financing sources and their officer, employees, accountants, counsel and other representatives)). If any material is withheld by the Company pursuant to the proviso to the preceding sentence, the Company shall inform Parent as to the general nature of what is being withheld. All information exchanged pursuant to this Section 6.02 shall be subject to the confidentiality agreement dated June 15, 2005 between the Company and Parent (the "*Confidentiality Agreement*").

SECTION 6.03 Best Efforts; Notification. (a) Upon the terms and subject to the conditions set forth in this Agreement, unless, to the extent permitted by Section 5.02(b), the Company Board approves or recommends a Superior Company Proposal, each of the parties shall use its best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other parties in doing, all things necessary, proper or advisable to consummate and make effective, in the most expeditious manner practicable, the Transactions, including (i) the obtaining of all necessary Consents of Governmental Entities and the making of all necessary registrations, declarations and filings (including filings with Governmental Entities, if any) and the taking of all reasonable steps as may be necessary to obtain an approval or waiver from, or to avoid an action or proceeding by, any Governmental Entity, (ii) the obtaining of all necessary consents, approvals or waivers from third parties, (iii) the defending of any lawsuits or other legal proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the Transactions, including seeking to have any stay or temporary restraining order entered by any court or other Governmental Entity vacated or reversed, and (iv) the execution and delivery of any additional instruments necessary to consummate the Transactions and to fully carry out the purposes of this Agreement. Without limiting the generality of the foregoing, each of the parties hereto shall file or cause to be filed with the Federal Trade Commission (the "*FTC*") and the Antitrust Division of the Department of Justice (the "*Antitrust Division*") any notification required to be filed by it or its "ultimate parent" company under the HSR Act and the rules and regulations promulgated thereunder with respect to the Transactions. Such parties will make such filings promptly and respond on a timely basis to any requests for additional information made by either of such agencies. Each of the parties hereto agrees to furnish the other with copies of all correspondence, filings and communications (and memoranda setting forth the substance thereof) between it and its affiliates and their respective representatives, on the one hand, and the FTC, the Antitrust Division or any other Governmental Entity or members or their respective staffs, on the other hand, with respect to the Merger, other than personal financial information filed therewith.

(b) Without limiting the foregoing, the Company and the Company Board shall (i) use their reasonable efforts to take all action necessary or otherwise reasonably requested by Parent, Opco or

Merger Sub to exempt the Merger from the provisions of any applicable takeover, business combination, control share acquisition or similar Law and (ii) if any takeover, business combination, control share acquisition or similar Law becomes applicable to this Agreement or the Merger, use their reasonable efforts to take all action necessary to ensure that the Merger may be consummated as promptly as practicable on the terms contemplated by this Agreement and otherwise to minimize the effect of such statute or regulation on the Merger.

(c) Each party shall give prompt written notice to each other party of the occurrence, or failure to occur, of any event of which it becomes aware that has caused or could reasonably be expected to cause any of the conditions set forth in Section 7.01 to not be capable of being satisfied prior to the Outside Date (as defined in Section 8.01(b)(i)). The Company shall give prompt written notice to Parent of the occurrence, or failure to occur, of any event of which it becomes aware that has caused or could reasonably be expected to cause any of the conditions set forth in Section 7.02 (other than Section 7.02(f)) to not be capable of being satisfied prior to the Outside Date. Parent shall give prompt written notice to the Company of the occurrence, or failure to occur, of any event of which it becomes aware that has caused or could reasonably be expected to cause any of the conditions set forth in Section 7.03 and Section 7.02(f) to not be capable of being satisfied prior to the Outside Date. The delivery of any notice pursuant to this Section 6.03(c) is for informational purposes and shall not limit or otherwise affect the remedies available hereunder to any party or parties receiving such notice.

SECTION 6.04 *Benefit Plans.* (a) Until August 1, 2006, Parent and Opco shall either (i) maintain or cause the Surviving Corporation (or in the case of a transfer of all or substantially all the assets and business of the Surviving Corporation, its successors and assigns) to maintain the Company Benefit Plans (other than plans providing for the issuance of Company Capital Stock or other equity-based compensation) at the benefit levels in effect on the date of this Agreement or (ii) provide or cause the Surviving Corporation (or, in such case, its successors or assigns) to provide benefits to employees of the Company and the Company Subsidiaries that, taken as a whole, are not materially less favorable in the aggregate to such employees than those provided to them prior to the Effective Time. Following the Effective Time, Parent and Opco shall provide or cause the Surviving Corporation to provide the benefits described in Section 6.04(a) of the Company Disclosure Letter to the persons and on the terms disclosed in such section of the Company Disclosure Letter. Nothing in this Section 6.04(a) shall be deemed to prevent the Surviving Corporation or any of its subsidiaries from making any change required by applicable Law.

(b) From and after the Effective Time, Parent and Opco shall, and shall cause the Surviving Corporation to, honor in accordance with their respective terms (as in effect on the date of this Agreement), all the Company's existing employment, severance and termination agreements, plans and policies.

(c) With respect to any "employee benefit plan", as defined in Section 3(3) of ERISA, maintained by Parent or any of its subsidiaries (including any severance plan), for all purposes, including determining eligibility to participate, level of benefits and vesting, service with the Company or any Company Subsidiary shall, to the extent permitted under applicable Law, be treated as service with Parent or any of its subsidiaries.

(d) To the extent permitted by applicable Law, Parent and Opco shall waive, or cause to be waived, any pre-existing condition limitation under any welfare benefit plan maintained by Parent or any of its affiliates (other than the Company) in which employees of the Company and the Company Subsidiaries (and their eligible dependents) will be eligible to participate from and after the Effective Time, except to the extent that such pre-existing condition limitation would have been applicable under the comparable Company welfare benefit plan immediately prior to the Effective Time. To the extent permitted by applicable Law, Parent and Opco shall recognize, or cause to be recognized, the dollar amount of all expenses incurred by each Company employee (and his or her eligible dependents)

during the calendar year in which the Effective Time occurs for purposes of satisfying such year's deductible and co-payment limitations under the relevant welfare benefit plans in which they will be eligible to participate from and after the Effective Time.

(e) Immediately prior to the Effective Time, if the Effective Time occurs before the date the fiscal year 2005 bonuses for employees of the Company are determined, the Company, in consultation with Parent, may determine the bonuses to be paid to employees of the Company for fiscal year 2005, consistent with past practice, pursuant to any Contract, any Company Benefit Plan, or any amounts (not to exceed the amount specified in Section 6.04(e) of the Company Disclosure Letter) awarded by the Board of Directors prior to the execution of this Agreement, and the Company may pay such amounts. If the Company has not paid such amounts prior to the Effective Time, then, promptly following the Effective Time, Opco or the Surviving Corporation shall pay such amounts to such employees.

SECTION 6.05 Indemnification. (a) Parent and Opco shall, to the fullest extent permitted by Law, cause the Surviving Corporation to honor all the Company's obligations to indemnify (including any obligations to advance funds for expenses) the current or former directors or officers of the Company for acts or omissions by such directors and officers occurring prior to the Effective Time to the extent that such obligations of the Company exist on the date of this Agreement, whether pursuant to the Company Charter, the Company Bylaws, individual indemnity agreements, applicable Law or otherwise, and such obligations shall survive the Merger and shall continue in full force and effect in accordance with the terms of the Company Charter, the Company Bylaws and such individual indemnity agreements or applicable Law for a period of six years from the Effective Time.

(b) Parent and Opco will purchase prior to the Effective Time a six (6) year extended reporting provision (so-called "tail policy") under a Director's & Officer's Liability policy, to include "employment practices" liability and "fiduciary" with respect to liability obligations of the individuals that are officers and directors on the date of this Agreement in respect of indemnification from liabilities for acts or omissions occurring at or prior to the Closing, which policy shall be no less favorable to the beneficiaries than the directors' and officers' liability policies maintained by the Company on the date of this Agreement and shall be provided by carriers with comparable ratings; *provided, however* that the obligations of Parent and Opco under this Section 6.05(b) shall not exceed \$2,600,000.

SECTION 6.06 Fees and Expenses. (a) Except as provided below, all fees and expenses incurred in connection with the Transactions contemplated by this Agreement shall be paid by the party incurring such fees or expenses, whether or not the Transactions contemplated by this Agreement are consummated. Without limiting the foregoing, the Company shall pay all costs and expenses in connection with the printing and mailing of the Proxy Statement as well as all SEC filing fees related to the Proxy Statement and the Schedule 13E-3, and Parent and Opco shall pay all costs and expenses in connection with any securities filings made by such parties (other than the Schedule 13E-3).

(b) The Company shall pay to Parent or its designee a fee in the amount of \$13,000,000 (the "*Company Termination Fee*") which shall be inclusive of out-of-pocket fees and expenses reasonably incurred by Parent, Opco, Holdings and Merger Sub in connection with this Agreement and the Transactions (including fees and other amounts (including fees and other payments based on a percentage of the Company Termination Fee or the proposed aggregate Merger Consideration) payable to all banks, investment banking firms and other financial institutions, and their respective agents and counsel, and all fees of counsel, accountants, financial printers, experts and consultants to Parent, Opco, Merger Sub and any affiliate thereof) ("*Expenses*"), in cash, by wire transfer of immediately available funds to an account designated by Parent or such designee, if: (i) the Company terminates this Agreement pursuant to Section 8.01(d)(ii) or Parent terminates this Agreement pursuant to Section 8.01(c)(iii); (ii) Parent terminates this Agreement pursuant to Section 8.01(c)(i) (so long as the

breach or failure to perform giving rise to such right of termination was a willful and knowing breach or failure to perform) or Section 8.01(c)(ii); or (iii) the Company or Parent terminates this Agreement pursuant to Section 8.01(b)(i), but only if (A) a Company Takeover Proposal shall have been publicly disclosed or disclosed to the Company prior to the Outside Date, and (B) within 6 months after such termination the Company (or any Company Subsidiary) enters into a definitive agreement with respect to a Superior Company Proposal with the person or group (or any affiliate of such person or any member of such group) that made the Company Takeover Proposal referred to in clause (A) above, or consummates a transaction that constitutes a Superior Company Proposal with such person or group (or any affiliate of such person or any member of such group). The Company shall pay to Parent or its designee in cash, by wire transfer of immediately available funds to an account designated by Parent or such designee: (i) an amount necessary to reimburse Parent, Opco, Holdings and Merger Sub for their Expenses, up to a maximum amount of \$1,000,000, if the Company or Parent terminates this Agreement pursuant to Section 8.01(b)(iii), and (ii) the Company Termination Fee less the amount of Expenses paid pursuant to clause (i) of this sentence if the Company or Parent terminates this Agreement pursuant to Section 8.01(b)(iii), but with respect to this clause (ii) only if (A) a Company Takeover Proposal shall have been publicly disclosed prior to the Company Stockholders Meeting, and (B) within 12 months after such termination the Company (or any Company Subsidiary) enters into a definitive agreement with respect to, or consummates, a Company Takeover Proposal. Any amounts due under this Section 6.06(b) shall be paid on the date of termination of this Agreement (except that in the case of termination pursuant to (x) clause (iii) of the first sentence of this Section 6.06(b) and (y) clause (ii) of the immediately preceding sentence, such payment shall be made on the date of execution of such definitive agreement or, if earlier, consummation of such transactions).

SECTION 6.07 *Public Announcements.* The parties will consult with each other and will mutually agree upon any press release or other public announcement pertaining to the Transactions and shall not issue any such press release or make any such public statement prior to such consultation and agreement (not to be unreasonably withheld or delayed), except as may be required by applicable Law, in which case the party proposing to issue such press release or make such public announcement shall use its reasonable efforts to consult in good faith with the other party before issuing any such press release or making any such public announcement.

SECTION 6.08 *Transfer Taxes.* All stock transfer, real estate transfer, documentary, stamp, recording and other similar Taxes (including interest, penalties and additions to any such Taxes) ("*Transfer Taxes*") incurred in connection with the Transactions contemplated by this Agreement shall be paid by Parent, Opco, Merger Sub or the Surviving Corporation, and expressly shall not be a liability of the stockholders of the Company.

SECTION 6.09 *Stockholder Litigation.* The Company shall notify Parent promptly of any stockholder litigation against the Company and/or its directors relating to this Agreement and the Transactions, and of any material developments with respect to such litigation. No settlement of any such litigation shall be agreed to without Parent's prior written consent, which consent shall not be unreasonably withheld or delayed.

SECTION 6.10 *Financing.* (a) Parent and Opco shall use commercially reasonable efforts to arrange the Bank Financing on the terms and conditions described in the Commitment Letter, including using commercially reasonable efforts (i) to negotiate definitive agreements with respect thereto on the terms and conditions contained therein and (ii) to satisfy on a timely basis all conditions applicable to Parent and Opco in such definitive agreements that are within the control of Parent and Opco. Parent and Opco shall use commercially reasonable efforts to comply with their respective obligations, and enforce their respective rights, under the Commitment Letter. In the event that any portion of the Financing becomes unavailable on the terms and conditions contemplated in the Commitment Letter, Parent and Opco shall use commercially reasonable efforts to obtain any such portion from alternative sources; *provided, however*, that in the event that any portion of the Financing

becomes unavailable on the terms and conditions contemplated in the Commitment Letter as a result of a failure to satisfy any of the conditions set forth in paragraph (e) of Exhibit B to the Commitment Letter, Parent and Opco shall use best efforts to obtain any such portion from alternative sources. Notwithstanding the foregoing, Parent and Opco shall be under no obligation to obtain any alternative financing unless it can be obtained on substantially similar economic terms (to Parent, Opco and the Equity Investor) as those set forth in the Commitment Letter. Parent shall give the Company prompt notice of any breach by any party to the Commitment Letter or any termination of the Commitment Letter. Parent shall keep the Company
