5. Such other business as may properly come before the Annual Meeting will be transacted.

Voting Securities

Stockholders of NMFC may vote their shares, in person or by proxy, at the Annual Meeting only if such stockholder were a stockholder of record at the close of business on March 19, 2012 (the "Record Date"). On the Record Date, there were _____ shares of the NMFC's common stock outstanding. Each share of NMFC's common stock is entitled to one vote.

Unit holders of NMF Holdings may vote their units, in person or by proxy, at the Annual Meeting only if such unit holder were a unit holder of record on the Record Date. On the Record Date, there were _____ units of NMF Holdings outstanding. Each unit of NMF Holdings is entitled to one vote.

On the Record Date, there were _____ shares of AIV Holdings' common stock outstanding. Each share of AIV Holdings' common stock is entitled to one vote.

NMFC and AIV Holdings are holding companies with no direct operations of their own, and their only business and sole assets are their respective ownership of units of NMF Holdings. NMFC and AIV Holdings own approximately 34.6% and 65.4%, respectively, of the outstanding units of NMF Holdings. Stockholders of NMFC and AIV Holdings will vote on matters relating to NMF Holdings on a pass-through basis.

Stockholders of NMFC and AIV Holdings may vote their proportionate share of NMF Holdings' membership units held by NMFC and AIV Holdings, respectively, on a pass-through basis, in person or by proxy, at the Annual Meeting only if such stockholder were a stockholder of record on the Record Date. Each share of AIV Holdings' common stock entitles the holder to vote _____ units of NMF Holdings.

Quorum Required

A quorum of NMFC's and AIV Holdings' stockholders, and NMF Holdings' unit holders must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, in person or by proxy, of (i) the holders of a majority of the shares of NMFC common stock outstanding on the Record Date, (ii) the holders of a majority of the shares of AIV Holdings common stock outstanding on the Record Date, and (iii) the holders of a majority of the membership units of NMF Holdings outstanding on the Record Date, will constitute a quorum. Abstentions will be treated as Voting Securities present for quorum purposes. Broker Securities for which the nominee has not received voting instructions from the record holder and does not have discretionary authority to vote the Voting Securities on certain proposals (which are considered "Broker Non-Votes" with respect to such proposals) will be treated as Voting Securities present for quorum purposes.

If a quorum is not present at the Annual Meeting, the stockholders and unit holders who are represented may adjourn the Annual Meeting until a quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Vote Required

Election of Directors. A nominee for director shall be elected to the board of directors of each New Mountain Entity if the votes cast for such nominee's election exceed the votes cast against such nominee's election. If you vote "Withhold Authority" with respect to a nominee, your shares will not be voted with respect to the person indicated. **Abstentions and Broker Non-Votes will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.**

Approval of Amended and Restated Investment Advisory and Management Agreement. The affirmative vote of 67.0% or more of the Voting Securities of each New Mountain Entity present at the Annual Meeting, if the holders of more than 50.0% of the outstanding Voting Securities of each New Mountain Entity are present or represented by proxy, or the affirmative vote of more than 50.0% of the outstanding Voting Securities of each New Mountain Entity, whichever is less, is required to approve an amended and restated Investment Advisory and Management Agreement. **Abstentions and Broker Non-Votes will have the effect of a vote against this proposal.**

Additional Solicitation. If there are not enough votes to approve any proposals at the Annual Meeting, the stockholders and unit holders who are represented may adjourn the Annual Meeting to permit the further solicitation of proxies. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against the proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Also, a vote may be taken on one or more of the proposals in this Joint Proxy Statement prior to any such adjournment if there are sufficient votes for approval thereof.

Information Regarding This Solicitation

The New Mountain Entities will bear the expense of the solicitation of proxies for the Annual Meeting, including the cost of preparing, printing and mailing this Joint Proxy Statement, the accompanying Notices of Annual Meeting of Stockholders or Unit Holders and proxy card. We have requested that brokers, nominees, fiduciaries and other persons holding Voting Securities in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners. We will reimburse such persons for their reasonable expenses in so doing.

Edgar Filing: New Mountain Finance Holdings, L.L.C. - Form PRE 14A

Table of Contents

In addition to the solicitation of proxies by the use of the mail, proxies may be solicited in person and by telephone or facsimile transmission by directors, officers or employees of the New Mountain Entities, the Investment Adviser, or the New Mountain Entities' administrator, New Mountain Finance Administration, L.L.C. (the "Administrator"), without special compensation therefor. The New Mountain Entities have also retained Georgeson Inc. to assist in the solicitation of proxies for a fee of approximately \$7,000, plus reimbursement of certain out of pocket expenses.

Holders of Voting Securities may also provide their voting instructions by telephone or through the Internet. These options require holders of Voting Securities to input the Control Number which is located on each proxy card. After inputting this number, holders of Voting Securities will be prompted to provide their voting instructions. Holders of Voting Securities will have an opportunity to review their voting instructions and make any necessary changes before submitting their voting instructions and terminating their telephone call or Internet link. Holders of Voting Securities who vote via the Internet, in addition to confirming their voting instructions prior to submission, will also receive an e-mail confirming their instructions upon request.

If a holder of Voting Securities wishes to participate in the Annual Meeting, but does not wish to give a proxy by telephone or electronically, the holder of Voting Securities may still submit the proxy card originally sent with this Joint Proxy Statement or attend in person.

Any proxy given pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. Any such notice of revocation should be provided in writing and signed by the stockholder or unit holder in the same manner as the proxy being revoked and delivered to the New Mountain Entities' proxy tabulator.

The principal business address of both the Investment Adviser and the Administrator is 787 Seventh Avenue, 48th Floor, New York, NY 10019.

Control Persons and Principal Stockholders

The following table sets forth information with respect to the beneficial ownership of NMFC's common stock, AIV Holdings' common stock and the membership units of NMF Holdings by:

(1) All common membership units of NMF Holdings are held indirectly by the below-listed parties, other than common membership units held by AIV Holdings and NMFC. Some or all of the common membership units of NMF Holdings, other than units held by NMFC, can be exchanged at any time and from time to time on a one-for-one basis into shares of NMFC.

(2) Direct holders of NMFC's common stock have voting power on a pass-through basis over the same number of common membership units of NMF Holdings and, therefore, may be deemed to beneficially own such common membership units of NMF Holdings.

(3) New Mountain Guardian AIV, L.P. ("Guardian AIV") is the sole stockholder of AIV Holdings. AIV Holdings has the right to exchange its common membership units of NMF Holdings for shares of NMFC's common stock on a one-for-one basis. If AIV Holdings chooses to exchange all of its common membership units of NMF Holdings, AIV Holdings would receive 20,221,938 shares of NMFC's common stock. The general partner of Guardian AIV is New Mountain Investments III, L.L.C., of which Steven B. Klinsky is the managing member. New Mountain Investments III, L.L.C., as the general partner of Guardian AIV, has voting power on a pass through basis as to its portion of common membership units of NMF Holdings. In addition, because Guardian AIV owns all of the common stock of AIV Holdings, Guardian AIV may be deemed to beneficially own the common membership units of NMF Holdings held by AIV Holdings. Mr. Klinsky, as the managing member of New Mountain Investments III, L.L.C., has voting power and

Director Independence

In accordance with rules of the NYSE, the New Mountain Entities' boards of directors annually determine each director's independence. We do not consider a director independent unless the boards of directors have determined that he has no material relationship with us. We monitor the relationships of our directors and officers through a questionnaire each director completes no less frequently than annually and updates periodically as information provided in the most recent questionnaire changes.

Table of Contents

Our governance guidelines require any director who has previously been determined to be independent to inform the Chairman of the boards of directors, the Chairman of the Nominating and Corporate Governance Committees and the Corporate Secretary of any change in circumstance that may cause his or her status as an independent director to change. The boards of directors limit membership on the Audit Committees, the Valuation Committees, the Nominating and Corporate Governance Committees and the Compensation Committees to independent directors. In order to evaluate the materiality of any such relationship, the boards of directors use the definition of director independence set forth in the corporate governance listing standards promulgated by the NYSE.

The boards of directors have determined that each of the directors and the nominee for election as a director is independent and has no relationship with us, except as a director and stockholder of NMFC, with the exception of Steven B. Klinsky, as a result of his positions as Founder, Managing Director and Chief Executive Officer of New Mountain Capital, L.L.C. and Robert A. Hamwee, as a result of his positions as Chief Executive Officer and President of the New Mountain Entities.

Board Leadership Structure

The New Mountain Entities' boards of directors monitor and perform an oversight role with respect to the New Mountain Entities' business and affairs, compliance with regulatory requirements and the services, expenses and performance of service providers to the New Mountain Entities. Among other things, the New Mountain Entities' boards of directors approve the appointment of the Administrator and officers, review and monitor the services and activities performed by the Administrator and officers and approve the engagement, and review the performance of, the New Mountain Entities' independent public accounting firm.

Under the New Mountain Entities' bylaws, the New Mountain Entities' boards of directors may designate a chairman to preside over the meetings of the boards of directors and meetings of the stockholders/unit holders and to perform such other duties as may be assigned to him by the boards. The New Mountain Entities do not have a fixed policy as to whether the chairman of the boards should be an independent director and believe that they should maintain the flexibility to select the chairman and reorganize the leadership structure, from time to time, based on the criteria that is in the best interests of the New Mountain Entities and their stockholders/unit holders at such times.

Mr. Klinsky currently serves as the chairman of the New Mountain Entities' boards of directors. Mr. Klinsky is an "interested person" of the New Mountain Entities as defined in Section 2(a)(19) of the 1940 Act because he is a Managing Director, Founder and Chief Executive Officer of New Mountain Capital, L.L.C., serves on the investment committee of the Investment Adviser and is the managing member of the sole member of the Investment Adviser. The New Mountain Entities believe that Mr. Klinsky's history with New Mountain Capital, L.L.C., familiarity with our investment objectives and investment strategy, and extensive knowledge of the financial services industry and the investment valuation process in particular qualify him to serve as the chairman of the New Mountain Entities' boards of directors. The New Mountain Entities believe that, at present, they are best served through this leadership structure, as Mr. Klinsky's relationship with the Investment Adviser and New Mountain Capital, L.L.C., provides an effective bridge and encourages an open dialogue between the New Mountain Entities' management and their boards of directors, ensuring that all groups act with a common purpose.

The New Mountain Entities' boards of directors do not currently have a designated lead independent director. The New Mountain Entities are aware of the potential conflicts that may arise when a non-independent director is chairman of the boards, but believe these potential conflicts are offset by their strong corporate governance policies. The New Mountain Entities' corporate governance policies include regular meetings of the independent directors in executive session without the presence of interested directors and management, the establishment of audit and nominating and corporate governance committees comprised solely of independent directors and the appointment of a chief

Table of Contents

compliance officer, with whom the independent directors meet regularly without the presence of interested directors and other members of management, for administering the New Mountain Entities' compliance policies and procedures.

The New Mountain Entities recognize that different board leadership structures are appropriate for companies in different situations. The New Mountain Entities intend to re-examine their corporate governance policies on an ongoing basis to ensure that they continue to meet their needs.

Board's Role In Risk Oversight

The New Mountain Entities' boards of directors perform their risk oversight function primarily through (1) their four standing committees which report to the entire boards of directors, each of which are comprised solely of independent directors and (2) active monitoring by the New Mountain Entities' chief compliance officer and their compliance policies and procedures. In addition, the New Mountain Entities' boards rely on the risk oversight function of NMF Holdings' board of directors.

The New Mountain Entities' audit committees and nominating and corporate governance committees assist their boards of directors in fulfilling their risk oversight responsibilities. The audit committees' risk oversight responsibilities include overseeing the New Mountain Entities' accounting and financial reporting processes, their systems of internal controls regarding finance and accounting, and audits of the New Mountain Entities' financial statements, including the independence of the New Mountain Entities' independent accountants. The nominating and corporate governance committees' risk oversight responsibilities include selecting, researching and nominating directors for election by the New Mountain Entities' stockholders/unit holders, developing and recommending to the boards a set of corporate governance principles and overseeing the evaluation of the boards and the New Mountain Entities' management. The valuation committees are responsible for making recommendations in accordance with the valuation policies and procedures adopted by the boards of directors of the New Mountain Entities, reviewing valuations and any reports of independent valuation firms, confirming that valuations are made in accordance with the valuation policies of the boards of directors of the New Mountain Entities and reporting any deficiencies or violations of such valuation policies to the boards of directors on at least a quarterly basis, and reviewing other matters that the boards of directors or the valuation committees deem appropriate.

The New Mountain Entities' boards of directors perform their risk oversight responsibilities with the assistance of the chief compliance officer. The boards of directors annually review a written report from the chief compliance officer discussing the adequacy and effectiveness of the New Mountain Entities' compliance policies and procedures and their service providers. The chief compliance officers' annual report addresses at a minimum:

the operation of the New Mountain Entities' compliance policies and procedures and their service providers since the last report;

any material changes to these policies and procedures since the last report;

any recommendations for material changes to these policies and procedures as a result of the chief compliance officers' annual review; and

any compliance matter that has occurred since the date of the last report about which the boards of directors would reasonably need to know to oversee the New Mountain Entities' compliance activities and risks.

In addition, the chief compliance officer meets separately in executive session with the independent directors at least once each year.

The New Mountain Entities believe that their boards' role in risk oversight is effective, and appropriate given the extensive regulation to which they are subject as business development companies. The New Mountain Entities are required to comply with certain regulatory requirements

Table of Contents

that control the levels of risk in the New Mountain Entities' business and operations. Because NMFC and AIV Holdings have no assets other than their ownership of common membership units of NMF Holdings and have no material long-term liabilities, NMFC and AIV Holdings look to the assets of NMF Holdings for purposes of satisfying these requirements. For example, the NMF Holdings' ability to incur indebtedness is limited because its asset coverage must equal at least 200% immediately after it incurs indebtedness, NMF Holdings generally has to invest at least 70% of its total assets in "qualifying assets" and is not generally permitted to invest in any portfolio company in which one of its affiliates currently has an investment.

The New Mountain Entities recognize that different board roles in risk oversight are appropriate for companies in different situations. The New Mountain Entities intend to re-examine the manners in which the boards administer their oversight function on an ongoing basis to ensure that they continue to meet the New Mountain Entities' needs.

Committees of the Boards of Directors

The New Mountain Entities' boards of directors have each established an Audit Committee, a Nominating and Corporate Governance Committee, a Compensation Committee and a Valuation Committee. The members of each committee have been appointed by the boards of directors of the New Mountain Entities and serve until their successor is elected and qualifies, unless they are removed or resign. During 2011, the boards of directors of the New Mountain Entities held six Board meetings, three Audit Committee meetings, one Nominating and Corporate Governance Committee meeting, one Compensation Committee meeting and four Valuation Committee meetings. With the exception of Mr. Klinsky, all directors attended at least 75% of the aggregate number of meetings of the boards of directors and of the respective committees of each of the New Mountain Entities on which they serve. We require each director to make a diligent effort to attend all board and committee meetings as well as each annual meeting of the New Mountain Entities' stockholders/unit holders.

Audit Committees

The audit committees operate pursuant to charters approved by the New Mountain Entities' boards of directors, copies of which are available on the New Mountain Entities' website at <http://www.newmountainfinance.com>. The charters set forth the responsibilities of the audit committees. The audit committees are responsible for recommending the selection of, engagement of and discharge of the New Mountain Entities' independent accountants, reviewing the plans, scope and results of the audit engagement with the independent accountants, approving professional services provided by the independent accountants (including compensation therefore), reviewing the independence of the independent accountants and reviewing the adequacy of the New Mountain Entities internal control over financial reporting. The members of the audit committees are Alfred F. Hurley, Jr., David Ogens and Kurt J. Wolfgruber, each of whom is not an interested person of the New Mountain Entities for purposes of the 1940 Act and is independent for purposes of the NYSE's corporate governance listing standards. Kurt J. Wolfgruber serves as the chairman of the audit committees, and the New Mountain Entities' boards of directors have determined that Alfred F. Hurley, Jr., David Ogens and Kurt J. Wolfgruber are "audit committee financial experts" as that term is defined under Item 407 of Regulation S-K, as promulgated under the Exchange Act, and that each of them meets the current independence and experience requirements of Rule 10A-3 of the Exchange Act.

Nominating and Corporate Governance Committees

The nominating and corporate governance committees operate pursuant to charters approved by the New Mountain Entities' boards of directors, copies of which are available on the New Mountain Entities' website at <http://www.newmountainfinance.com>. The charters set forth the responsibilities of the nominating and corporate governance committees. The nominating and corporate governance committees are responsible for determining criteria for service on the board, identifying, researching

Table of Contents

and nominating directors for election by the New Mountain Entities' stockholders/unit holders, selecting nominees to fill vacancies on the New Mountain Entities' boards of directors or committees of the boards, developing and recommending to the boards of directors a set of corporate governance principles and overseeing the self-evaluation of the boards of directors and their committees and evaluation of the New Mountain Entities' management. The nominating and corporate governance committees consider nominees properly recommended by the New Mountain Entities' stockholders/unit holders. The members of the nominating and corporate governance committees are Alfred F. Hurley, Jr., David Ogens and Kurt J. Wolfgruber, each of whom is not an interested person of the New Mountain Entities for purposes of the 1940 Act and is independent for purposes of the NYSE's corporate governance listing standards. Alfred F. Hurley, Jr. serves as the chairman of the nominating and corporate governance committees.

The nominating and corporate governance committees seek candidates who possess the background, skills and expertise to make a significant contribution to the boards of directors, the New Mountain Entities and their stockholders/unit holders. In considering possible candidates for election as a director, the nominating and corporate governance committees take into account, in addition to such other factors as they deem relevant, the desirability of selecting directors who:

are of high character and integrity;

are accomplished in their respective fields, with superior credentials and recognition;

have relevant expertise and experience upon which to be able to offer advice and guidance to management;

have sufficient time available to devote to the affairs of the New Mountain Entities;

are able to work with the other members of the boards of directors and contribute to the success of the New Mountain Entities;

can represent the long-term interests of the New Mountain Entities' stockholders/unit holders as a whole; and

are selected such that the board of directors represents a range of backgrounds and experience.

The nominating and corporate governance committees have not adopted formal policies with regard to the consideration of diversity in identifying director nominees. In determining whether to recommend a director nominee, the nominating and corporate governance committees consider and discuss diversity, among other factors, with a view toward the needs of the boards of directors as a whole. The nominating and corporate governance committees generally conceptualize diversity expansively to include, without limitation, concepts such as race, gender, national origin, differences of viewpoint, professional experience, education, skill and other qualities that contribute to the boards of directors, when identifying and recommending director nominees. The nominating and corporate governance committees believe that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the nominating and corporate governance committees' goal of creating boards of directors that best serve the needs of the New Mountain Entities and the interest of their stockholders/unit holders.

Compensation Committees

The compensation committees operate pursuant to charters approved by the New Mountain Entities' boards of directors, copies of which are available on the New Mountain Entities' website at <http://www.newmountainfinance.com>. The charters set forth the responsibilities of the compensation committees. The compensation committees are responsible for periodically reviewing director compensation and recommending any appropriate changes to the boards of directors. In addition, although the New Mountain Entities do not directly compensate their executive officers currently, to the extent that it does so in the future, the compensation committees would also be responsible for

Table of Contents

reviewing and evaluating their compensation and making recommendations to the boards of directors regarding their compensation. Lastly, the compensation committees would produce a report on the New Mountain Entities' executive compensation practices and policies for inclusion in our proxy statement if required by applicable proxy rules and regulations and, if applicable, make recommendations to the boards of directors on the New Mountain Entities' executive compensation practices and policies. The compensation committees have the authority to engage compensation consultants and to delegate their duties and responsibilities to a member or to a subcommittee of the compensation committees. The compensation committees are composed of Alfred F. Hurley, Jr., David Ogens and Kurt J. Wolfgruber, each of whom is not an interested person of the New Mountain Entities for purposes of the 1940 Act and is independent for purposes of the NYSE's corporate governance listing standards. Alfred F. Hurley, Jr. serves as chairman of the compensation committees.

Valuation Committees

The valuation committees operate pursuant to charters approved by the New Mountain Entities' boards of directors, copies of which are available on the New Mountain Entities' website at <http://www.newmountainfinance.com>. The charters set forth the responsibilities of the valuation committees. The valuation committees are responsible for making recommendations in accordance with the valuation policies and procedures adopted by the boards of directors of the New Mountain Entities, reviewing valuations and any reports of independent valuation firms, confirming that valuations are made in accordance with the valuation policies of the boards of directors of the New Mountain Entities and reporting any deficiencies or violations of such valuation policies to the boards of directors on at least a quarterly basis, and reviewing other matters that the boards of directors or the valuation committees deem appropriate. The valuation committees are composed of Alfred F. Hurley, Jr., David Ogens and Kurt J. Wolfgruber, each of whom is not an interested person of the New Mountain Entities for purposes of the 1940 Act and is independent for purposes of the NYSE's corporate governance listing standards. David Ogens serves as chairman of the valuation committees.

Compensation paid to the New Mountain Entities' chief financial officer and chief compliance officer is set by the Administrator and is subject to reimbursement by NMF Holdings of the allocable portion of such compensation for services rendered to the New Mountain Entities.

Indemnification Agreements

NMFC and NMF Holdings have entered into indemnification agreements with their respective directors. The indemnification agreements are intended to provide the directors the maximum indemnification permitted under Delaware law and the 1940 Act. Each indemnification agreement provides that NMFC or NMF Holdings, as applicable, shall indemnify the director who is a party to the agreement, or an Indemnitee, including the advancement of legal expenses, if, by reason of his or her corporate status, the Indemnitee is, or is threatened to be, made a party to or a witness in any

threatened, pending, or completed proceeding, to the maximum extent permitted by Delaware law and the 1940 Act. Any amounts owing by NMFC to any Indemnitee pursuant to the indemnification agreements will be payable by NMF Holdings.

Certain Relationships and Transactions

Together, NMFC and AIV Holdings own all the outstanding units of NMF Holdings. As of December 31, 2011, NMFC and AIV Holdings own approximately 34.6% and 65.4%, respectively, of the units of NMF Holdings.

NMF Holdings has entered into an Investment Advisory and Management Agreement with the Investment Adviser. Pursuant to the Investment Advisory and Management Agreement, payments will be equal to (a) a base management fee of 1.75% of the value of NMF Holdings' gross assets and (b) an incentive fee based on NMF Holdings' performance. Steven B. Klinsky, through his financial interest in the Investment Adviser, is entitled to a portion of any profits earned by the Investment Adviser, which includes any fees payable to the Investment Adviser under the terms of the Investment Advisory and Management Agreement, less expenses incurred by the Investment Adviser in performing its services under the Investment Advisory and Management Agreement. In addition, the New Mountain Entities' executive officers and directors, as well as the current or future members of the Investment Adviser, serve or may serve as officers, directors or principals of entities that operate in the same or a related line of business as the New Mountain Entities do or of investment funds managed by the New Mountain Entities' affiliates. Accordingly, they may have obligations to investors in those entities, the fulfillment of which might not be in the best interests of NMF Holdings, NMFC or NMFC's stockholders.

Although NMF Holdings is currently New Mountain Capital, L.L.C.'s only vehicle focused primarily on investing in first and second lien debt, unsecured notes and mezzanine securities, in the future, the principals of the Investment Adviser and/or New Mountain Capital, L.L.C. employees that provide services pursuant to the Investment Advisory and Management Agreement may manage other funds which may from time to time have overlapping investment objectives with NMF Holdings' and, accordingly, may invest in, whether principally or secondarily, asset classes similar to those targeted by NMF Holdings. If this occurs, the Investment Adviser may face conflicts of interest in allocating investment opportunities to NMF Holdings and such other funds. Although the investment professionals will endeavor to allocate investment opportunities in a fair and equitable manner, it is possible that NMF Holdings may not be given the opportunity to participate in certain investments made by investment funds managed by the Investment Adviser or persons affiliated with the Investment Adviser or that certain of these investment funds may be favored over NMF Holdings. When these investment professionals identify an investment, they will be forced to choose which investment fund should make the investment. Alternatively, depending on the availability of such investment and other appropriate factors, the Investment Adviser or its affiliates may determine that NMF Holdings should invest side-by-side with one or more other funds. Any such investments will be made only to the extent permitted by applicable law and interpretive positions of the SEC and its staff, and consistent with the Investment Adviser's allocation procedures.

The New Mountain Entities have entered into an administration agreement, as amended and restated (the "Administration Agreement"), with the Administrator. The Administrator arranges office space for the New Mountain Entities and provides office equipment and administrative services necessary to conduct their respective day-to-day operations pursuant to the Administration Agreement. NMF Holdings reimburses the Administrator for the allocable portion of overhead and other expenses incurred by it in performing its obligations to the New Mountain Entities under the Administration Agreement, including rent, the fees and expenses associated with performing administrative, finance, and compliance functions, and the compensation of the New Mountain Entities' chief financial officer and chief compliance officer and their respective staffs. Pursuant to the Administration Agreement, as

amended and restated, and further restricted by NMF Holdings, expenses payable to the Administrator by NMF Holdings as well as other direct and indirect expenses (excluding interest and other credit facility expense and management and incentive fees) has been capped at \$3.0 million for the time period from April 1, 2011 to March 31, 2012.

The New Mountain Entities, the Investment Adviser and the Administrator, have also entered into a Trademark License Agreement, as amended, with New Mountain Capital, L.L.C., pursuant to which New Mountain Capital, L.L.C. has agreed to grant each of the New Mountain Entities, the Investment Adviser and the Administrator, a non-exclusive, royalty-free license to use the New Mountain and the New Mountain Finance names. Under the Trademark License Agreement, as amended, subject to certain conditions, NMFC, NMF Holdings, AIV Holdings, the Investment Adviser and the Administrator, will have a right to use the New Mountain and the New Mountain Finance names, for so long as the Investment Adviser or one of its affiliates remains the investment adviser of NMF Holdings. Other than with respect to this limited license, NMFC, NMF Holdings, AIV Holdings, the Investment Adviser and the Administrator, will have no legal right to the New Mountain and the New Mountain Finance names.

NMFC and AIV Holdings have entered into joinder agreements with respect to the Amended and Restated Limited Liability Company Agreement, as amended, of NMF Holdings pursuant to which NMFC and AIV Holdings were admitted as members of the NMF Holdings. Concurrently with the closing of NMFC's initial public offering, NMFC sold 2,172,000 shares of its common stock to certain executives and employees of, and other individuals affiliated with, New Mountain Capital, L.L.C. in a separate private placement at the initial public offering price per share.

AIV Holdings entered into a Registration Rights Agreement with NMFC, Steven B. Klinsky (the Chairman of our boards of directors), an entity related to Steven B. Klinsky and the Investment Adviser. Subject to several exceptions, AIV Holdings and the Investment Adviser have the right to require NMFC to register for public resale under the Securities Act of 1933, as amended, all registerable securities that are held by any of them and that they request to be registered. Registerable securities subject to the Registration Rights Agreement are shares of NMFC's common stock issued or issuable in exchange for units and any other shares of NMFC's common stock held by AIV Holdings, the Investment Adviser and any of their transferees. The rights under the Registration Rights Agreement can be conditionally exercised by AIV Holdings or the Investment Adviser, meaning that prior to the effectiveness of the registration statement related to the shares, AIV Holdings or the Investment Adviser can withdraw their request to have the shares registered. AIV Holdings and the Investment Adviser may each assign their rights to any person that acquires registerable securities subject to the Registration Rights Agreement and who agrees to be bound by the terms of the Registration Rights Agreement. Steven B. Klinsky (and a related entity) will have the right to "piggyback", or include their own registrable securities in such a registration.

Holders of registerable securities have "piggyback" registration rights, including AIV Holdings, which means that these holders may include their respective shares in any future registrations of NMFC's equity securities, whether or not that registration relates to a primary offering by NMFC or a secondary offering by or on behalf of any of NMFC's stockholders. AIV Holdings, the Investment Adviser and Steven B. Klinsky (and a related entity) have priority over NMFC in any registration that is an underwritten offering.

AIV Holdings, the Investment Adviser and Steven B. Klinsky (and a related entity) will be responsible for the expenses of any demand registration (including underwriters' discounts or commissions) and their pro-rata share of any "piggyback" registration. NMFC has agreed to indemnify AIV Holdings, the Investment Adviser and Steven B. Klinsky (and a related entity) with respect to liabilities resulting from untrue statements or omissions in any registration statement filed pursuant to the Registration Rights Agreement, other than untrue statements or omissions resulting from information furnished to NMFC by such parties. AIV Holdings, the Investment Adviser and Steven B.

Klinsky (and a related entity) have also agreed to indemnify NFMC with respect to liabilities resulting from untrue statements or omissions furnished by them to NMFC relating to them in any registration statement.

In the ordinary course of business, NMF Holdings may enter into transactions with portfolio companies that may be considered related party transactions. In order to ensure that NMF Holdings does not engage in any prohibited transactions with any persons affiliated with NMF Holdings, NMF Holdings has implemented certain policies and procedures whereby its executive officers screen each of its transactions for any possible affiliations between the proposed portfolio investment, NMF Holdings, companies controlled by NMF Holdings and its employees and directors. NMF Holdings will not enter into any agreements unless and until it is satisfied that doing so will not raise concerns under the 1940 Act or, if such concerns exist, NMF Holdings has taken appropriate actions to seek board review and approval or exemptive relief for such transaction. NMF Holdings' board of directors reviews these procedures on an annual basis.

The New Mountain Entities have each adopted a Code of Ethics which applies to, among others, their senior officers, including their respective Chief Executive Officer and Chief Financial Officer, as well as all of their officers, directors and employees. The New Mountain Entities' Codes of Ethics requires that all employees and directors avoid any conflict, or the appearance of a conflict, between an individual's personal interests and the New Mountain Entities' interests. Pursuant to such Codes of Ethics, each employee and director must disclose any conflicts of interest, or actions or relationships that might give rise to a conflict, to the New Mountain Entities' Chief Compliance Officer.

Board Consideration of the Investment Advisory and Management Agreement

NMF Holdings' board of directors determined at a meeting held on March 10, 2011, to approve the current Investment Advisory and Management Agreement between NMF Holdings and the Investment Adviser. In its consideration of the approval of the Investment Advisory and Management Agreement, the board of directors of NMF Holdings focused on information it had received relating to, among other things:

the nature, quality and extent of the advisory and other services to be provided to NMF Holdings by the Investment Adviser;

comparative data with respect to advisory fees or similar expenses paid by other business development companies with similar investment objectives;

NMF Holdings' projected operating expenses and expense ratio compared to business development companies with similar investment objectives;

any existing and potential sources of indirect income to the Investment Adviser or the Administrator from their relationships with NMF Holdings and the profitability of those relationships, including through the Investment Advisory and Management Agreement and the Administration Agreement;

information about the services to be performed and the personnel performing such services under the Investment Advisory and Management Agreement;

the organizational capability and financial condition of the Investment Adviser and its affiliates;

the Investment Adviser's practices regarding the selection and compensation of brokers that may execute NMF Holdings' portfolio transactions and the brokers' provision of brokerage and research services to the Investment Adviser; and

the possibility of obtaining similar services from other third party service providers or through an internally managed structure.

Table of Contents

Based on the information reviewed and the discussions, the board of directors of NMF Holdings, including a majority of the non-interested directors, concluded that fees payable to the Investment Adviser pursuant to the Investment Advisory and Management Agreement were reasonable in relation to the services to be provided. The board of directors of NMF Holdings did not assign relative weights to the above factors or the other factors considered by it. In addition, the board of directors of NMF Holdings did not reach any specific conclusion on each factor considered, but conducted an overall analysis of these factors. Individual members of the board of directors of NMF Holdings may have given different weights to different factors.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Exchange Act, the New Mountain Entities' directors and executive officers, and any persons holding more than 10% of its common stock, are required to report their beneficial ownership and any changes therein to the Securities and Exchange Commission and the New Mountain Entities. Specific due dates for those reports have been established, and the New Mountain Entities are required to report herein any failure to file such reports by those due dates. Based solely upon review of Forms 3, 4, and 5 (and amendments thereto) furnished to the New Mountain Entities during or in respect of the fiscal year ended 2011 and written representations from certain reporting persons, we believe that the following director of the New Mountain Entities failed to file on a timely basis certain reports required by Section 16(a) of the Exchange Act during the fiscal year ended 2011: Steven B. Klinsky. Mr. Klinsky filed one late Form 4 involving one transaction. We have no knowledge of a failure of Mr. Klinsky to file a report required under Section 16(a) of the Exchange Act. We believe that all other Section 16(a) filing requirements applicable to our directors, executive officers, and 10% shareholders were satisfied in a timely manner during the fiscal year ended 2011.

Management is responsible for the New Mountain Entities' internal controls and the financial reporting process. The Audit Committees' responsibility is to monitor and oversee these processes. The Audit Committees are also directly responsible for the appointment, compensation and oversight of the New Mountain Entities' independent registered public accounting firm.

Pre-Approval Policy

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, consulting services and other services to be provided by Deloitte & Touche LLP, the New Mountain Entities' independent registered public accounting firm. The policy requires that the Audit Committee pre-approve the audit, non-audit and consulting services performed by the independent auditor in order to assure that the provision of such service does not impair the auditor's independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committees for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committees may delegate pre-approval authority to one or more of their members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at their next scheduled meeting. The Audit Committees do not delegate their responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

PROPOSAL II: APPROVAL OF AN AMENDED AND RESTATED INVESTMENT ADVISORY AND MANAGEMENT AGREEMENT BY AND BETWEEN NEW MOUNTAIN FINANCE HOLDINGS, L.L.C. AND NEW MOUNTAIN FINANCE ADVISERS BDC, L.L.C.

The boards of directors of the New Mountain Entities recommend the approval of the Amended and Restated Investment Advisory and Management Agreement ("New Advisory Agreement"). The New Advisory Agreement will be amended to clarify that (a) any units of NMF Holdings issued to the Investment Adviser as compensation for its incentive fee will be calculated based on the greater of (i) the net asset value (as of the last publicly available annual or quarterly report filed with the SEC) on the Incentive Fee Date (defined below), or (ii) the market price of NMFC's common stock on the Incentive Fee Date (defined below), and in accordance with such restrictions and conditions as may be imposed in connection with the granting of the Exemptive Relief (defined below); and (b) for purposes of calculating the incentive fee payable to the Investment Adviser, NMFC's initial public offering ("IPO") did not step-up the cost basis of NMF Holdings' existing investments to fair market value at the IPO date. The current Investment Advisory and Management Agreement (the "Current Advisory Agreement") was approved by the board of directors of NMF Holdings on March 10, 2011 and is dated May 19, 2011.

Background

NMFC, NMF Holdings and the Investment Adviser are currently seeking exemptive relief from the SEC to permit NMF Holdings to pay 50.0%, on an after tax basis, of the incentive fee payable to the Investment Adviser in units of NMF Holdings, which will be exchangeable into shares of NMFC's common stock (the "Exemptive Relief"). As of December 31, 2011, the Exemptive Relief requested had not been granted and there can be no assurance when or if it will be granted.

If the Exemptive Relief is received, any units of NMF Holdings issued to the Investment Adviser as compensation for its incentive fee will be calculated based on the greater of (i) the net asset value (as of the last publicly available annual or quarterly report filed with the SEC) on the Incentive Fee Date (defined below), or (ii) the market price of NMFC's common stock on the Incentive Fee Date (defined below), and in accordance with such restrictions and conditions as may be imposed in connection with the granting of the Exemptive Relief. The Current Advisory Agreement does not specify clearly that the units of NMF Holdings payable to the Investment Adviser as compensation for the incentive fee will be the greater of the net asset value or the market price of NMFC's common stock. As a result, the revisions made to the New Advisory Agreement clarify this point.

In addition, the revisions to the New Advisory Agreement clarify that for purposes of calculating the incentive fee payable to the Investment Adviser, NMFC's IPO did not step-up the cost basis of NMF Holdings' existing investments to fair market value at the IPO date.

Other than the clarifying changes described above, the terms and conditions of the New Advisory Agreement are identical to the terms and conditions of the Current Advisory Agreement. The New Advisory Agreement would be entered into immediately after the stockholders/unit holders of the New Mountain Entities approve the New Advisory Agreement; if the New Advisory Agreement is not approved by the stockholders/unit holders of the New Mountain Entities, then the Current Advisory Agreement will remain in effect.

The board of directors of NMF Holdings (the "NMF Board") met in person on February 23, 2012 for purposes of, among other things, considering whether it would be in the best interests of the New Mountain Entities and their stockholders/unit holders to approve the New Advisory Agreement. At the meeting, the NMF Board, including a majority of the directors who are not "interested persons" of NMF Holdings, as defined under the 1940 Act (the "Disinterested Directors"), unanimously approved the New Advisory Agreement and unanimously recommended its approval by the stockholders/unit holders of the New Mountain Entities. Stockholders/unit holders of the New Mountain Entities are

now being asked to approve the New Advisory Agreement at the Annual Meeting. The New Advisory Agreement is attached as Appendix A to this Proxy Statement.

Information About the Investment Adviser

The Investment Adviser is a Delaware limited liability company that is registered as an investment adviser under the Investment Advisers Act of 1940, as amended (the "Advisers Act"). The Investment Adviser was formed in 2010 and has over \$700.0 million in assets under management as of December 31, 2011, all of which are the consolidated assets of NMF Holdings. The Investment Adviser has 55 investment professionals. During the fiscal year ended December 31, 2011, the Investment Adviser received approximately \$8.5 million in fees from NMF Holdings under the Current Advisory Agreement and the Administrator received approximately \$2.3 million in reimbursements under the Administration Agreement.

The sole member of the Investment Adviser is New Mountain Capital Group, L.L.C., which is also the managing member of New Mountain Capital, L.L.C. The Investment Adviser is ultimately controlled by Steven B. Klinsky, the Chairman of the New Mountain Entities, through Mr. Klinsky's sole membership interest in New Mountain Capital Group, L.L.C. The Investment Adviser does not have any officers or directors. Robert A. Hamwee, the Chief Executive Officer and President of the New Mountain Entities, is a Managing Director of New Mountain Capital, LLC. Adam J. Weinstein, the Chief Financial Officer of the New Mountain Entities, is a Managing Director of New Mountain Capital, L.L.C. Paula A. Bosco, the Chief Compliance Officer of the New Mountain Entities, is a Managing Director of New Mountain Capital, L.L.C. The business address of the Investment Adviser, New Mountain Capital Group, L.L.C. and Messrs. Klinsky, Hamwee, Weinstein and Ms. Bosco is 787 Seventh Avenue, 48th Floor, New York, NY 10019.

Summary of Current and New Advisory Agreements

Subject to approval of the stockholders/unit holders of the New Mountain Entities, NMF Holdings will enter into the New Advisory Agreement. The terms and conditions of the New Advisory Agreement are identical to the terms and conditions of the Current Advisory Agreement, except for the clarifications that (a) any units of NMF Holdings issued to the Investment Adviser as compensation for its incentive fee will be calculated based on the greater of (i) the net asset value (as of the last publicly available annual or quarterly report filed with the SEC) on the Incentive Fee Date (defined below), or (ii) the market price of NMFC's common stock on the Incentive Fee Date (defined below), and in accordance with such restrictions and conditions as may be required by the exemptive relief; and (b) for purposes of calculating the incentive fee payable to the Investment Adviser, NMFC's IPO did not step-up the cost basis of NMF Holdings' existing investments to fair market value at the IPO date. Following approval by the stockholders/unit holders of the New Mountain Entities in the manner required by the 1940 Act, the New Advisory Agreement will be entered into immediately following the Annual Meeting.

Advisory and Other Services. Under the terms of the Current Advisory Agreement and the New Advisory Agreement (collectively, the "Advisory Agreements"), the Investment Adviser has and will have full discretion and authority to manage the assets and liabilities of NMF Holdings and to manage the day-to-day business and affairs of NMF Holdings, in each case in accordance with the investment objectives, policies and restrictions set forth in NMFC's prospectus dated May 19, 2011, as filed with the SEC.

Management Services

The Investment Adviser will serve pursuant to the Advisory Agreements in accordance with the 1940 Act. Subject to the overall supervision of NMF Holdings' board of directors, the Investment

Adviser will manage NMF Holdings' day-to-day operations and provide it with investment advisory and management services. Under the terms of the Advisory Agreements, the Investment Adviser will:

determine the composition of NMF Holdings' portfolio, the nature and timing of the changes to its portfolio and the manner of implementing such changes;

determine the securities and other assets that NMF Holdings will purchase, retain or sell;

identify, evaluate and negotiate the structure of NMF Holdings' investments that NMF Holdings makes;

execute, monitor and service the investments NMF Holdings makes;

perform due diligence on prospective portfolio companies;

vote, exercise consents and exercise all other rights appertaining to such securities and other assets on behalf of NMF Holdings; and

provide NMF Holdings with such other investment advisory, research and related services as NMF Holdings may, from time to time, reasonably require.

The Investment Adviser's services under the Advisory Agreements are not exclusive, and the Investment Adviser (so long as its services to NMF Holdings are not impaired) and/or other entities affiliated with New Mountain Capital, L.L.C. are permitted to furnish similar services to other entities.

Management Fees

The management fees under the New Advisory Agreement will be calculated in a manner that is identical to that under the Current Advisory Agreement. Pursuant to the Advisory Agreements, NMF Holdings has agreed to pay the Investment Adviser a fee for investment advisory and management services consisting of two components a base management fee and an incentive fee. The cost of both the base management fee payable to the Investment Adviser and any incentive fees paid in cash to the Investment Adviser are borne by NMF Holdings' members, including NMFC and AIV Holdings and, as a result, are indirectly borne by NMFC's and AIV Holdings' common stockholders.

Base Management Fees

The base management fee is calculated at an annual rate of 1.75% of NMF Holdings' gross assets less (i) the borrowings under NMF Holdings' senior loan fund's Loan and Security Agreement with Wells Fargo Bank, National Association, dated October 27, 2010, as amended, (the "SLF Credit Facility") and (ii) cash and cash equivalents. The base management fee is payable quarterly in arrears, and is calculated based on the average value of NMF Holdings' gross assets, borrowings under the SLF Credit Facility, and cash and cash equivalents at the end of each of the two most recently completed calendar quarters, and appropriately adjusted on a pro rata basis for any equity capital raises or repurchases during the current calendar quarter.

Incentive Fees

The incentive fee consists of two parts. The first part is calculated and payable quarterly in arrears and equals 20.0% of NMF Holdings' "Pre-Incentive Fee Adjusted Net Investment Income" for the immediately preceding quarter, subject to a "preferred return", or "hurdle", and a "catch-up" feature. "Pre-Incentive Fee Net Investment Income" means interest income, dividend income and any other income (including any other fees (other than fees for providing managerial assistance), such as commitment, origination, structuring, diligence and consulting fees or other fees that NMF Holdings receives from portfolio companies) accrued during the calendar quarter, minus NMF Holdings' operating expenses for the quarter (including the base management fee, expenses payable under the

Table of Contents

Administration Agreement, as amended and restated, with the Administrator, and any interest expense and distributions paid on any issued and outstanding preferred membership units (of which there are none as of December 31, 2011), but excluding the incentive fee). Pre-Incentive Fee Net Investment Income includes, in the case of investments with a deferred interest feature (such as original issue discount, debt instruments with payment-in-kind ("PIK") interest and zero coupon securities), accrued income that NMF Holdings has not yet received in cash. Pre-Incentive Fee Net Investment Income does not include any realized capital gains, realized capital losses or unrealized capital appreciation or depreciation.

Under accounting principles generally accepted in the United States of America ("GAAP"), NMFC's IPO did not step-up the cost basis of NMF Holdings' existing investments to fair market value at the IPO date. Since the total value of NMF Holdings' investments at the time of the IPO was greater than the investments' cost basis, a larger amount of amortization of purchase or original issue discount, as well as different amounts in realized gain and unrealized appreciation, may be recognized under GAAP in each period than if the step-up had occurred. This will remain until such predecessor investments are sold or mature in the future. NMF Holdings tracks the transferred (or fair market) value of each of its investments as of the time of the IPO and, for purposes of the incentive fee calculation, adjusts Pre-Incentive Fee Net Investment Income to reflect the amortization of purchase or original issue discount on NMF Holdings' investments as if each investment was purchased at the date of the IPO, or stepped up to fair market value. This is defined as "Pre-Incentive Fee Adjusted Net Investment Income". NMF Holdings also uses the transferred (or fair market) value of each of its investments as of the time of the IPO to adjust capital gains ("Adjusted Realized Capital Gains") or losses ("Adjusted Realized Capital Losses") and unrealized capital appreciation ("Adjusted Unrealized Capital Appreciation") and unrealized capital depreciation ("Adjusted Unrealized Capital Depreciation").

Pre-Incentive Fee Adjusted Net Investment Income, expressed as a rate of return on the value of NMF Holdings' net assets at the end of the immediately preceding calendar quarter, will be compared to a "hurdle rate" of 2.0% per quarter (8.0% annualized), subject to a "catch-up" provision measured as of the end of each calendar quarter. The hurdle rate is appropriately pro-rated for any partial periods. The calculation of NMF Holdings' incentive fee with respect to the Pre-Incentive Fee Adjusted Net Investment Income for each quarter is as follows:

No incentive fee is payable to the Investment Adviser in any calendar quarter in which NMF Holdings' Pre-Incentive Fee Adjusted Net Investment Income does not exceed the hurdle rate of 2.0% (the "preferred return" or "hurdle").

100.0% of NMF Holdings' Pre-Incentive Fee Adjusted Net Investment Income with respect to that portion of such Pre-Incentive Fee Adjusted Net Investment Income, if any, that exceeds the hurdle rate but is less than or equal to 2.5% in any calendar quarter (10.0% annualized) is payable to the Investment Adviser. This portion of NMF Holdings' Pre-Incentive Fee Adjusted Net Investment Income (which exceeds the hurdle rate but is less than or equal to 2.5%) is referred to as the "catch-up". The catch-up provision is intended to provide the Investment Adviser with an incentive fee of 20.0% on all of NMF Holdings' Pre-Incentive Fee Adjusted Net Investment Income as if a hurdle rate did not apply when NMF Holdings' Pre-Incentive Fee Adjusted Net Investment Income exceeds 2.5% in any calendar quarter.

20.0% of the amount of NMF Holdings' Pre-Incentive Fee Adjusted Net Investment Income, if any, that exceeds 2.5% in any calendar quarter (10.0% annualized) is payable to the Investment Adviser once the hurdle is reached and the catch-up is achieved.

The second part will be determined and payable in arrears as of the end of each calendar year (or upon termination of the Investment Management Agreement) and will equal 20.0% of NMF Holdings' Adjusted Realized Capital Gains, if any, on a cumulative basis from inception through the end of each

Table of Contents

calendar year, computed net of all Adjusted Realized Capital Losses and Adjusted Unrealized Capital Depreciation on a cumulative basis, less the aggregate amount of any previously paid capital gain incentive fee.

NMFC, NMF Holdings and the Investment Adviser are seeking the Exemptive Relief from the SEC to permit NMF Holdings to pay 50.0%, on an after tax basis, of the incentive fee in units of NMF Holdings, which will be exchangeable into shares of NMFC's common stock on a one-for-one basis. If the Exemptive Relief is granted, the number of NMF Holdings' units payable to the Investment Adviser will be calculated based on the greater of (i) the net asset value (as of the last publicly available annual or quarterly report filed with the SEC) on the last day of each calendar quarter in which the Investment Adviser is entitled to receive an incentive fee (the "Incentive Fee Date"), or (ii) the market price of NMFC's common stock on the Incentive Fee Date, and in accordance with such restrictions and conditions as may be required by the exemptive relief. There can be no assurance that this exemptive relief will be granted. In addition, if NMFC, NMF Holdings and the Investment Adviser receive the Exemptive Relief from the SEC, any units so received by the Investment Adviser will be subject to a three-year lock-up agreement, pursuant to which one-third of the common membership units received by the Investment Adviser will be released from the lock-up on an annual basis until the expiration of each three-year lock-up period. If the Exemptive Relief is not granted, NMF Holdings will continue to pay the entire incentive fee in cash. If the New Advisory Agreement is terminated by NMF Holdings, then the lock-up provisions with respect to any units or shares of NMF Holdings or NMFC received by the Investment Adviser or its transferees pursuant to the New Advisory Agreement immediately expire.

Payment of Expenses

NMF Holdings' primary operating expenses are the payment of a base management fee and any incentive fees under the Investment Management Agreement and the allocable portion of overhead and other expenses incurred by the Administrator in performing its obligations to the New Mountain Entities under the Administration Agreement. NMF Holdings bears all other expenses of the New Mountain Entities' operations and transactions, including (without limitation) fees and expenses relating to:

organizational and offering expenses;

the investigation and monitoring of NMF Holdings' investments;

the cost of calculating net asset value;

interest payable on debt, if any, to finance its investments;

the cost of effecting sales and repurchases of shares of NMFC's common stock and other securities;

fees payable to third parties relating to, or associated with, making investments and valuing investments (including third-party valuation firms);

independent directors' fees and expenses;

brokerage commissions;

costs of proxy statements, stockholders' reports and notices;

costs of preparing government filings, including periodic and current reports with the Securities and Exchange Commission;

fees and expenses associated with independent audits and outside legal costs;

costs associated with reporting and compliance obligations under the 1940 Act and applicable federal and state securities laws;

printing, mailing and all other direct expenses incurred by either the Investment Adviser or the New Mountain Entities in connection with administering our business, including payments under the Administration Agreement that is based upon NMFC's and AIV Holdings' allocable portion of overhead and other expenses incurred by the Administrator in performing its obligations to the New Mountain Entities under the Administration Agreement, including the allocable portion of the compensation of the New Mountain Entities' chief financial officer and chief compliance officer and their respective staffs.

Term, Continuation and Termination.

The Advisory Agreements provide that the Advisory Agreements will remain in force for two years from the date on which they first become effective, and thereafter shall continue automatically for successive annual periods, provided that such continuance is specifically approved at least annually by (A) the vote of the Board, or by the vote of a majority of the outstanding voting securities of NMF Holdings and (B) the vote of a majority of NMF Holdings' directors who are not parties to Advisory Agreements or "interested persons" (as such term is defined in Section 2(a)(19) of the 1940 Act) of any such party, in accordance with the requirements of the 1940 Act. Notwithstanding the foregoing, the Advisory Agreements may be terminated (i) by NMF Holdings at any time, without the payment of any penalty, upon giving the Investment Adviser 60 days' written notice (which notice may be waived by the Investment Adviser), provided that such termination by NMF Holdings shall be directed or approved by the vote of a majority of the directors of NMF Holdings in office at the time or by the vote of the holders of a majority of the voting securities of NMF Holdings at the time outstanding and entitled to vote, or (ii) by the Investment Adviser on 60 days' written notice to NMF Holdings (which notice may be waived by NMF Holdings).

Board of Directors Consideration of the New Advisory Agreement

At an in-person meeting of NMF's Board held on February 23, 2012, the NMF Board considered the approval of the New Advisory Agreement. Since the New Advisory Agreement is identical to the Current Advisory Agreement except for the clarifications that (a) any units of NMF Holdings issued to the Investment Adviser as compensation for its incentive fee will be calculated based on the greater of (i) the net asset value (as of the last publicly available annual or quarterly report filed with the SEC) on the Incentive Fee Date, or (ii) the market price of NMFC's common stock on the Incentive Fee Date, and in accordance with such restrictions and conditions as may be required by the Exemptive Relief; and (b) for purposes of calculating the incentive fee payable to the Investment Adviser, NMFC's IPO did not step-up the cost basis of NMF Holdings' existing investments to fair market value at the IPO date, NMF's Board believes that the terms and conditions of the New Advisory Agreement are fair to, and in the best interests of, the New Mountain Entities and their stockholders/unit holders. The NMF Board also believes that there will be no change in the services provided by the Investment

Adviser to NMF Holdings, including the investment process, operations or investment advisory services to NMF Holdings under the New Advisory Agreement. Additionally, the NMF Board determined that there would be no diminution in the scope and quality of advisory services provided to NMF Holdings as a result of the clarifications. In reaching a decision to approve the New Advisory Agreement, the board of directors considered, among other things:

the nature, quality and extent of the advisory and other services to be provided to NMF Holdings by the Investment Adviser;

the investment performance of NMF Holdings and the Investment Adviser;

the costs of the services to be provided by the Investment Adviser and the profits to be realized the Investment Adviser and its affiliates from its relationship with NMF Holdings;

the extent to which economies of scale would be realized as NMF Holdings grows, and whether the fees payable under the New Advisory Agreement reflect these economies of scale for the benefit of the Company's shareholders, compared against the Investment Adviser's need to retain additional advisory personnel and commit further resources to its management of NMF Holdings' portfolio as the portfolio continues to grow, in view of the nature of the private debt and equity investments NMF Holdings generally targets;

comparative data with respect to advisory fees or similar expenses paid by other business development companies with similar investment objectives;

NMF Holding's historical and projected operating expenses and expense ratio compared to business development companies with similar investment objectives;

any existing and potential sources of indirect income to the Investment Adviser or the Administrator from their relationships with NMF Holdings and the profitability of those relationships, including through the New Advisory Agreement and the Administration Agreement;

information about the services to be performed and the personnel performing such services under the New Advisory Agreement;

the organizational capability and financial condition of the Investment Adviser and its affiliates;

the Investment Adviser's practices regarding the selection and compensation of brokers that may execute NMF Holding's portfolio transactions and the brokers' provision of brokerage and research services to the Investment Adviser; and

the possibility of obtaining similar services from other third party service providers or through an internally managed structure.

Based on the information reviewed and the discussions, the NMF Holdings' Board, including a majority of the Disinterested Directors, concluded that fees payable to the Investment Adviser pursuant to the New Advisory Agreement were reasonable in relation to the services to be provided, approved the New Advisory Agreement as being in the best interests of NMF Holdings and its unit holders and directed that the New Advisory Agreement be submitted to the New Mountain Entities' stockholders/unit holders for approval with the board of directors' recommendation that stockholders/unit holders vote for the approval of the New Advisory Agreement. The NMF Board did not assign relative weights to the above factors or the other factors considered by it. In addition, the board of directors of NMF Holdings did not reach any specific

conclusion on each factor considered, but conducted an overall analysis of these factors. Individual members of the board of directors of NMF Holdings may have given different weights to different factors.

Agreement (this "*Agreement*") made this day of 2012, by and between NEW MOUNTAIN FINANCE HOLDINGS, L.L.C., a Delaware limited liability company (the "*Company*"), and NEW MOUNTAIN FINANCE ADVISERS BDC, L.L.C., a Delaware limited liability company (the "*Adviser*").

WHEREAS, the Company is a closed-end management investment company that has elected to be treated as a business development company ("*BDC*") under the Investment Company Act of 1940 (the "*Investment Company Act*");

WHEREAS, the Adviser is an investment adviser that is registered under the Investment Advisers Act of 1940 (the "*Advisers Act*"); and

WHEREAS, on May 19, 2011, the Company and the Adviser entered into an Investment Advisory and Management Agreement, pursuant to which the Adviser agreed to furnish investment advisory services to the Company (the "*Initial Advisory Agreement*"); and

WHEREAS, each of the Company and the Adviser, with the approval of the Company's unit holders, desire to amend and restate the Initial Advisory Agreement in its entirety;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the parties hereby agree that the Initial Advisory Agreement is hereby amended and restated in its entirety to read as follows (and that the Initial Advisory Agreement as in effect prior to such amendment and restatement shall be deemed of no further force and effect whatsoever):

1. *Duties of the Adviser.*

(a) The Company hereby employs the Adviser to act as the investment adviser to the Company and to manage the investment and reinvestment of the assets of the Company, subject to the supervision of the Board of Directors of the Company (the "*Board*"), for the period and upon the terms herein set forth. In the performance of its duties, the Adviser shall at all times conform to, and act in accordance with, any requirements imposed by (i) the provisions of the Investment Company Act, and of any rules or regulations in force thereunder, subject to the terms of any exemptive order applicable to the Company; (ii) any other applicable provision of law; (iii) the provisions of the Certificate of Formation and the limited liability company agreement of the Company, as such documents are amended from time to time; (iv) the investment objectives, policies and restrictions applicable to the Company as set forth in the New Mountain Finance Corporation's ("*New Mountain Finance*") Registration Statement on Form N-2, dated May 16, 2011 (the "*Registration Statement*"), as they may be amended from time to time by the Board upon written notice to the Adviser; and (v) any other policies and determinations of the Board provided in writing to the Adviser. Without limiting the generality of the foregoing, the Adviser shall, during the term and subject to the provisions of this Agreement, (i) determine the composition of the portfolio of the Company, the nature and timing of the changes therein and the manner of implementing such changes; (ii) identify, evaluate and negotiate the structure of the investments made by the Company; (iii) execute, monitor and service the Company's investments;

(iv) determine the securities and other assets that the Company will purchase, retain, or sell; (v) perform due diligence on prospective portfolio companies; (vi) vote, exercise consents and exercise all other rights appertaining to such securities and other assets on behalf of the Company; and (vii) provide the Company with such other investment advisory, research and related services as the Company may, from time to time, reasonably require for the investment of its funds. Subject to the supervision of the Board, the Adviser shall have the power and authority on behalf of the Company to effectuate its investment decisions for the Company, including the execution and delivery of all documents relating to the Company's investments and the placing of orders for other purchase or sale transactions on behalf of the Company. In the event that the Company determines to acquire debt financing, the Adviser will arrange for such financing on the Company's behalf, subject to the oversight and approval of the Board. If it is necessary for the Adviser to make investments on behalf of the Company through a special purpose vehicle, the Adviser shall have authority to create or arrange for the creation of such special purpose vehicle and to make such investments through such special purpose vehicle (in accordance with the Investment Company Act).

(b) The Adviser hereby accepts such employment and agrees during the term hereof to render the services described herein for the compensation provided herein.

(c) The Adviser shall for all purposes herein provided be deemed to be an independent contractor and, except as expressly provided or authorized herein, shall have no authority to act for or represent the Company in any way or otherwise be deemed an agent of the Company.

(d) The Adviser shall keep and preserve for the period required by the Investment Company Act any books and records relevant to the provision of its investment advisory services to the Company and shall specifically maintain all books and records in accordance with Section 31(a) of the Investment Company Act with respect to the Company's portfolio transactions and shall render to the Board such periodic and special reports as the Board may reasonably request. The Adviser agrees that all records that it maintains for the Company are the property of the Company and will surrender promptly to the Company any such records upon the Company's request, provided that the Adviser may retain a copy of such records.

2. *Company's Responsibilities and Expenses Payable by the Company.*

All investment professionals of the Adviser and their respective staffs, when and to the extent engaged in providing investment advisory and management services hereunder, and the compensation and routine overhead expenses of such personnel allocable to such services, will be provided and paid for by the Adviser and not by the Company. The Company will bear all other costs and expenses of its operations, administration and transactions, including (without limitation) those relating to: organizational and offering expenses; the investigation and monitoring of the Company's investments; the cost of calculating the Company's net asset value, including the cost of any third-party valuation services; interest payable on debt, if any, to finance the Company's investments; the cost of effecting sales and repurchases of shares of New Mountain Finance's common stock and other securities; management and incentive fees payable pursuant to this Agreement; fees payable to third parties relating to, or associated with, making investments and valuing investments (including third-party valuation firms); transfer agent and custodial fees; fees and expenses associated with marketing efforts (including attendance at investment conferences and similar events); federal and state registration fees; any exchange listing fees; U.S. federal, state, local and foreign taxes; independent directors' fees and expenses; brokerage commissions; costs of proxy statements, stockholders' reports and notices; costs of preparing government filings, including periodic and current reports with the SEC; fees and expenses associated with independent audits and outside legal costs; costs associated with reporting and compliance obligations under the 1940 Act and applicable federal and state securities laws; fidelity bond, liability insurance and other insurance premiums; and printing, mailing, independent accountants

and outside legal costs and all other direct expenses incurred by either the Adviser, New Mountain Finance or the Company in connection with administering New Mountain Finance's and the Company's business, including payments under the administration agreement between New Mountain Finance, the Company and New Mountain Finance Administration, LLC (the "*Administrator*") based upon New Mountain Finance's and the Company's allocable portion of overhead and other expenses incurred by the Administrator in performing its obligations to New Mountain Finance and the Company under the administration agreement, including the allocable portion of the compensation of New Mountain Finance's and the Company's chief financial officer and chief compliance officer and their respective staffs.

3. Compensation of the Adviser.

The Company agrees to pay, and the Adviser agrees to accept, as compensation for the services provided by the Adviser hereunder, a base management fee ("Base Management Fee") and an incentive fee ("Incentive Fee") as hereinafter set forth. The Company shall make any payments due hereunder to the Adviser or to the Adviser's designee as the Adviser may otherwise direct. To the extent permitted by applicable law, the Adviser may elect, or the Company may adopt a deferred compensation plan pursuant to which the Adviser may elect, to defer all or a portion of its fees hereunder for a specified period of time.

(a) The Base Management Fee shall be calculated at an annual rate of 1.75% of the Company's gross assets, as presented in the Company's consolidated financial statements prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP"), less (i) the outstanding indebtedness under the Second Amended and Restated Loan and Security Agreement dated March 9, 2011, by and among New Mountain Finance SPV Funding, L.L.C. as the borrower, Wells Fargo Securities, LLC, as the Administrative Agent, and Wells Fargo Bank, National Association, as the Collateral Custodian and (ii) cash and cash equivalents. For services rendered under this agreement, the Base Management Fee will be payable quarterly in arrears. The Base Management Fee will be calculated based on the average value of the Company's gross assets at the end of each of the two most recently completed calendar quarters, and appropriately adjusted on a pro rata basis for any equity capital raised or repurchased during the current calendar quarter. Base Management Fees for any partial month or quarter will be appropriately pro rated.

(b) The Incentive Fee shall consist of two parts, as follows:

(i)

One part will be calculated and payable quarterly in arrears based on the Company's "Pre-Incentive Fee Net Investment Income" for the immediately preceding calendar quarter. For this purpose, Pre-Incentive Fee Net Investment Income means interest income, dividend income and any other income (including any other fees (other than fees for providing managerial assistance), such as commitment, origination, structuring, diligence and consulting fees or other fees that the Company receives from portfolio companies) accrued by the Company during the calendar quarter, minus the Company's operating expenses for the quarter (including the Base Management Fee, expenses payable under the administration agreement with the Administrator, and any interest expense and distributions paid on any issued and outstanding preferred membership units, but excluding the Incentive Fee). Pre-Incentive Fee Net Investment Income includes, in the case of investments with a deferred interest feature (such as original issue discount, debt instruments with pay in kind interest and zero coupon securities), accrued income that the Company has not yet received in cash. Pre-Incentive Fee Net Investment Income does not include any realized capital gains, realized capital losses or unrealized capital appreciation or depreciation. Pre-Incentive Fee Net Investment Income, expressed as a rate of return

Table of Contents

on the value of the Company's net assets at the end of the immediately preceding calendar quarter, will be compared to a "hurdle rate" of 2% per quarter (8% annualized), subject to a "catch-up" provision measured as of the end of each calendar quarter. The Company's net investment income used to calculate this part of the Incentive Fee is also included in the amount of its gross assets used to calculate the 1.75% Base Management Fee. The Company will pay the Adviser an Incentive Fee with respect to the Company's Pre-Incentive Fee Net Investment Income in each calendar quarter as follows: (1) no Incentive Fee in any calendar quarter in which the Company's Pre-Incentive Fee Net Investment Income does not exceed the hurdle rate of 2% (the "preferred return" or "hurdle"); (2) 100% of the Company's Pre-Incentive Fee Net Investment Income with respect to that portion of such Pre-Incentive Fee Net Investment Income, if any, that exceeds the hurdle rate but is less than or equal to 2.5% in any calendar quarter (10% annualized); this portion of the Pre-Incentive Fee Net Investment Income (which exceeds the hurdle rate but is less than or equal to 2.5%) is referred to herein as the "catch-up." The "catch-up" is meant to provide the Adviser with an incentive fee of 20% on all of the Company's Pre-Incentive Fee Net Investment Income as if a hurdle rate did not apply when the Company's Pre-Incentive Fee Net Investment Income exceeds 2.5% in any calendar quarter; and (3) 20% of the amount of the Company's Pre-Incentive Fee Net Investment Income, if any, that exceeds 2.5% in any calendar quarter (10% annualized) payable to the Adviser once the hurdle is reached and the catch-up is achieved, (20% of all Pre-Incentive Fee Net Investment Income thereafter is allocated to the Adviser). These calculations will be appropriately pro rated for any period of less than three months and adjusted for any equity capital raises or repurchases during the relevant calendar quarter.

(ii)

The second part of the Incentive Fee (the "*Capital Gains Fee*") will be determined and payable in arrears as of the end of each calendar year (or upon termination of this Agreement as set forth below), commencing on December 31, 2011, and will equal 20% of the Company's realized capital gains, if any, on a cumulative basis from inception through the end of each calendar year, computed net of all realized capital losses and unrealized capital depreciation on a cumulative basis, less the aggregate amount of any previously paid capital gain Incentive Fees; provided that the Incentive Fee determined as of December 31, 2011 will be calculated for a period of shorter than twelve calendar months to take into account any realized capital gains computed net of all realized capital losses and unrealized capital depreciation from inception.

(iii)

The last day of each calendar quarter in which the Adviser is entitled to receive an Incentive Fee shall be referred to herein as an "*Incentive Fee Date*."

(c) For purposes of the Pre-Incentive Fee Net Investment Income calculation set forth in Section 3(b)(i) of this Agreement, the Company shall track the transferred (or fair market) value of each of its investments held as of the time of New Mountain Finance Corporation's initial public offering (the "IPO") and, for purposes of the incentive fee calculation, adjust the Pre-Incentive Fee Net Investment Income to reflect the amortization of purchase or original issue discount on such investments as if each investment was purchased at the date of the IPO, or stepped-up to fair market value. For purposes of the Capital Gains Fee calculation set forth in Section 3(b)(ii) of this Agreement, the Company shall use the transferred (or fair market) value of each of its investments held as of the time of the IPO to adjust capital gains or losses and unrealized capital depreciation. The foregoing adjustments are intended to reflect that under GAAP, the IPO did not step-up the cost basis of the Company's existing investments to fair market value at the IPO date.

4. Payment of Incentive Fee in Common Membership Units.

(a) The Company agrees to pay, and the Adviser agrees to accept, (x) the portion of the Incentive Fee that equals 50% of the After-Tax Amount (as defined below) in the Company's common membership units (the "Common Membership Units"), which Common Membership Units will be exchangeable into shares of New Mountain Finance's common stock ("NM Finance Common Stock") on a one-for-one basis, provided that the Securities and Exchange Commission has granted the Company and the Adviser an exemptive order under both the Investment Company Act and the Securities Exchange Act of 1934, as amended (the "Exchange Act") in a form acceptable to the Company and the Adviser, and (y) the remainder of the Incentive Fee in cash. Unless and until such exemptive relief is granted, the Company will pay the Adviser the entire Incentive Fee in cash. If such exemptive relief is granted, the number of Common Membership Units payable to the Adviser for its Incentive Fee will be calculated based on the greater of (i) the net asset value, or (ii) the market price of NM Finance Common Stock, and in accordance with such restrictions and conditions as required by the exemptive orders. The After-Tax Amount equals 100% of the Incentive Fee minus the amount of the Assumed Tax Liability. The Assumed Tax Liability equals the product of (x) the maximum combined U.S. federal, New York State and New York City tax rate applicable to an individual on ordinary income, and (y) 100% of the Incentive Fee.

(b)

(i)

The Adviser agrees that until the expiration of the Lock-Up Period (as defined below) applicable to Common Membership Units issued pursuant to Section 4(a), the Adviser will not offer, sell, contract to sell, pledge, grant any option to purchase, exchange, convert, make any short sale or otherwise dispose of such Common Membership Units, or any options or warrants to purchase such Common Membership Units, or any securities convertible into, exchangeable for or that represent the right to receive such Common Membership Units, or enter into a transaction which would have the same effect or enter into any swap, hedge or other arrangement that transfers, in whole or in part, any of the economic consequences of ownership of such Common Membership Units. The foregoing restrictions are expressly agreed to preclude the Adviser from engaging in any hedging or other transaction which is designed to or which reasonably could be expected to lead to or result in a sale or disposition of any Common Membership Units subject to the Lock-Up Period and held by the Adviser, even if such Common Membership Units would be disposed of by someone other than the Adviser. Such prohibited hedging or other transactions would include without limitation any short sale or any purchase, sale or grant of any right (including without limitation any put or call option) with respect to any of the Common Membership Units or with respect to any security that includes, relates to, or derives any significant part of its value from such Common Membership Units.

(ii)

For purposes of this Section 4(b), with respect to those Common Membership Units, if any, payable on any particular Incentive Fee Date, the term "Lock-Up Period" shall mean: (1) with respect to one-third of the Common Membership Units payable on such Incentive Fee Date, the period beginning on the Incentive Fee Date and ending on the first anniversary of such Incentive Fee Date, (2) with respect to one-third of the Common Membership Units payable on such Incentive Fee Date, the period beginning on the Incentive Fee Date and ending on the second anniversary of such Incentive Fee Date, and (3) with respect to one-third of the Common Membership Units payable on such Incentive Fee Date, the period

Table of Contents

beginning on the Incentive Fee Date and ending on the third anniversary of such Incentive Fee Date.

(iii)

Notwithstanding the foregoing, the Adviser may (i) convert the Common Membership Units into NM Finance Common Stock provided such NM Finance Common Stock is otherwise subject to the same Lock-Up Period described above, and (ii) transfer Common Membership Units or NM Finance Common Stock to any affiliate of the Adviser, as defined under the Investment Company Act, or an employee of any such affiliate, provided that such affiliate or employee agrees to be bound by the restrictions set forth in Section 4(b) hereof by executing an agreement substantially in the form attached as Exhibit A.

(iv)

In the event this Agreement is terminated by the Company, the lock-up provisions with respect to any shares of NM Finance Common Stock received by the Adviser or its transferees pursuant to this Agreement shall immediately expire.

5. *Covenants of the Adviser.*

The Adviser agrees that its activities will at all times be in compliance in all material respects with all applicable federal and state laws governing its operations and investments.

6. *Excess Brokerage Commissions.*

The Adviser is hereby authorized, to the fullest extent now or hereafter permitted by law, to cause the Company to pay a member of a national securities exchange, broker or dealer an amount of commission for effecting a securities transaction in excess of the amount of commission another member of such exchange, broker or dealer would have charged for effecting that transaction, if the Adviser determines in good faith, taking into account such factors as price (including the applicable brokerage commission or dealer spread), size of order, difficulty of execution, and operational facilities of the firm and the firm's risk and skill in positioning blocks of securities, that such amount of commission is reasonable in relation to the value of the brokerage and/or research services provided by such member, broker or dealer, viewed in terms of either that particular transaction or its overall responsibilities with respect to the Company's portfolio.

7. *Limitations on the Employment of the Adviser.*

The services of the Adviser to the Company are not exclusive, and the Adviser may engage in any other business or render similar or different services to others including, without limitation, the direct or indirect sponsorship or management of other investment based accounts or commingled pools of capital, however structured, having investment objectives similar to those of the Company, so long as its services to the Company hereunder are not impaired thereby, and nothing in this Agreement shall limit or restrict the right of any manager, partner, officer or employee of the Adviser to engage in any other business or to devote his or her time and attention in part to any other business, whether of a similar or dissimilar nature, or to receive any fees or compensation in connection therewith (including fees for serving as a director of, or providing consulting services to, one or more of the Company's portfolio companies, subject to applicable law). So long as this Agreement or any extension, renewal or amendment remains in effect, the Adviser shall be the only investment adviser for the Company. The Adviser assumes no responsibility under this Agreement other than to render the services called for hereunder. It is understood that directors, officers, employees and shareholders of the Company are or may become interested in the Adviser and its affiliates, as directors, officers, employees, partners, stockholders, members, managers or otherwise, and that the Adviser and directors, officers, employees, partners, stockholders, members and managers of the Adviser and its affiliates are or may become similarly interested in the Company as shareholders or otherwise.

8. *Responsibility of Dual Directors, Officers and/or Employees.*

If any person who is a manager, partner, officer or employee of the Adviser or the Administrator is or becomes a director, officer and/or employee of the Company and acts as such in any business of the Company, then such manager, partner, officer and/or employee of the Adviser or the Administrator shall be deemed to be acting in such capacity solely for the Company, and not as a manager, partner, officer or employee of the Adviser or the Administrator or under the control or direction of the Adviser or the Administrator, even if paid by the Adviser or the Administrator.

9. *Limitation of Liability of the Adviser; Indemnification.*

The Adviser and its officers, managers, agents, employees, controlling persons, members (or their owners) and any other person or entity affiliated with it, shall not be liable to the Company for any action taken or omitted to be taken by the Adviser in connection with the performance of any of its duties or obligations under this Agreement or otherwise as an investment adviser of the Company (except to the extent specified in Section 36(b) of the Investment Company Act concerning loss resulting from a breach of fiduciary duty (as the same is finally determined by judicial proceedings) with respect to the receipt of compensation for services), and the Company shall indemnify, defend and protect the Adviser (and its officers, managers, partners, agents, employees, controlling persons, members and any other person or entity affiliated with the Adviser, (collectively, the "Indemnified Parties") and hold them harmless from and against all damages, liabilities, costs and expenses (including reasonable attorneys' fees and amounts reasonably paid in settlement) incurred by the Indemnified Parties in or by reason of any pending, threatened or completed action, suit, investigation or other proceeding (including an action or suit by or in the right of the Company or its security holders) arising out of or otherwise based upon the performance of any of the Adviser's duties or obligations under this Agreement or otherwise as an investment adviser of the Company. Notwithstanding the preceding sentence of this Section 8 to the contrary, nothing contained herein shall protect or be deemed to protect the Indemnified Parties against or entitle or be deemed to entitle the Indemnified Parties to indemnification in respect of, any liability to the Company or its security holders to which the Indemnified Parties would otherwise be subject by reason of willful misfeasance, bad faith or gross negligence in the performance of the Adviser's duties or by reason of the reckless disregard of the Adviser's duties and obligations under this Agreement (as the same shall be determined in accordance with the Investment Company Act and any interpretations or guidance by the Securities and Exchange Commission or its staff thereunder).

10. *Effectiveness, Duration and Termination of Agreement.*

(a) This Agreement shall continue in effect for two years from the date hereof, or to the extent consistent with the requirements of the Investment Company Act, from the date of the Company's election to be regulated as a BDC under the Investment Company Act, and thereafter shall continue automatically for successive annual periods, provided that such continuance is specifically approved at least annually by (A) the vote of the Board, or by the vote of a majority of the outstanding voting securities of the Company and (B) the vote of a majority of the Company's directors who are not parties to this Agreement or "interested persons" (as such term is defined in Section 2(a)(19) of the Investment Company Act) of any such party, in accordance with the requirements of the Investment Company Act. Notwithstanding the foregoing, this Agreement may be terminated (i) by the Company at any time, without the payment of any penalty, upon giving the Adviser 60 days' written notice (which notice may be waived by the Adviser), provided that such termination by the Company shall be directed or approved by the vote of a majority of the directors of the Company in office at the time or by the vote of the holders of a majority of the voting securities of the Company at the time outstanding and entitled to vote, or (ii) by the Adviser on 60 days' written notice to the Company (which notice may be waived by the Company).

13. Entire Agreement; Governing Law.

This Agreement contains the entire agreement of the parties and supersedes all prior agreements, understandings and arrangements with respect to the subject matter hereof. This Agreement shall be construed in accordance with the laws of the State of New York and in accordance with the applicable provisions of the Investment Company Act. Re: New Mountain Finance Holdings, L.L.C. Lock-Up Agreement

Ladies and Gentlemen:

The undersigned understands that New Mountain Finance Holdings, L.L.C. (the "Company"), is party to an investment management agreement dated (the "Agreement") with New Mountain Finance Advisers BDC, L.L.C. (the "Adviser") under which the Adviser agreed to accept and the Company agreed to pay the Adviser a portion of its Incentive Fee (as such term is defined in the Agreement) in the Company's common membership units (the "Common Membership Units"), and the Adviser further agreed not to offer, sell, pledge or otherwise dispose of such Common Membership Units except in accordance with the Agreement.

In connection with any transfers by the Adviser to the undersigned of any such Common Membership Units, as permitted by the Agreement (the "Transferred Units"), the undersigned agrees that during the Lock-Up Period specified in the Agreement applicable to the Transferred Units, the undersigned will not offer, sell, contract to sell, pledge, grant any option to purchase, exchange, convert, make any short sale or otherwise dispose of any of such Transferred Units, or any options or warrants to purchase such Transferred Units, or any securities convertible into, exchangeable for or that represent the right to receive such Transferred Units, or enter into a transaction which would have the same effect or enter into any swap, hedge or other arrangement that transfers, in whole or in part, any of the economic consequences of ownership of such Transferred Units. The foregoing restrictions are expressly agreed to preclude the undersigned from engaging in any hedging or other transaction which is designed to or which reasonably could be expected to lead to or result in a sale or disposition of any Transferred Units subject to the Lock-Up Period, even if such Transferred Units would be disposed of by someone other than the undersigned. Such prohibited hedging or other transactions would include without limitation any short sale or any purchase, sale or grant of any right (including without limitation any put or call option) with respect to any of the Transferred Units or with respect to any security that includes, relates to, or derives any significant part of its value from such Transferred Units.

Notwithstanding the foregoing, the undersigned may transfer the Transferred Units (i) as a bona fide gift or gifts, provided that the donee or donees thereof agree to be bound in writing by the restrictions set forth herein, (ii) to any trust for the direct or indirect benefit of the undersigned or the immediate family of the undersigned, provided that the trustee of the trust agrees to be bound in writing by the restrictions set forth herein, and provided further that any such transfer shall not involve a disposition for value, or (iii) with the prior written consent of the Company. For purposes of this agreement, "immediate family" shall mean any relationship by blood, marriage or adoption, not more remote than first cousin. In addition, notwithstanding the foregoing, if the undersigned is a corporation, limited liability company, partnership (including a limited partnership) or other entity, such corporation, limited liability company, partnership (including a limited partnership) or other entity may transfer the Transferred Units to any wholly-owned subsidiary of such corporation, limited liability company, partnership (including a limited partnership) or other entity; provided, however, that in any such case, it shall be a condition to the transfer that the transferee execute an agreement stating that the transferee is receiving and holding such Transferred Units subject to the provisions of this agreement and there shall be no further transfer of such Transferred Units except in accordance with this agreement, and provided further that any such transfer shall not involve a disposition for value. undersigned now has, and, except as contemplated by clause (i), (ii), or (iii) above, for the duration of this agreement will have, good and marketable title to the Transferred Units, free and clear of all liens, encumbrances, and claims whatsoever.
