PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

June 21, 2018

INFORMATION CONCERNING SOLICITATION AND VOTING

The Board of Directors (the "*Board of Directors*" or "*Board*") of Generac Holdings Inc. ("*Generac*," "*we*," "*us*," "*our*," or the "*Company*,") is soliciting your proxy to be voted at the Annual Meeting of Stockholders to be held on Thursday, June 21, 2018, at 9:00 a.m. local time, at Generac corporate headquarters at S45 W29290 Hwy. 59, Waukesha, Wisconsin 53189, and any postponement or adjournment thereof.

In accordance with rules and regulations of the Securities and Exchange Commission (the "*SEC*"), instead of mailing a printed copy of our proxy materials to each stockholder of record or beneficial owner, we furnish proxy materials, which include this proxy statement and the accompanying proxy card, notice of meeting, and annual report to stockholders, to our stockholders over the Internet unless otherwise instructed by the stockholder. If you received a Notice of Internet Availability of Proxy Materials ("*Notice of Internet Availability*") by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability. The Notice of Internet Availability was first mailed on or before May 4, 2018 to all stockholders of record as of the record date for the annual meeting, which was the close of business on April 17, 2018.

Matters to be Considered

At the meeting, stockholders will be asked to vote to elect the four nominees named herein as Class III directors, to ratify the selection of Deloitte & Touche LLP as our independent registered public accounting firm, and to vote on an advisory, non-binding "say-on-pay" resolution to approve the compensation of our executive officers. See "PROPOSAL 1 ELECTION OF CLASS III DIRECTORS", "PROPOSAL 2 RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM" and "PROPOSAL 3 ADVISORY VOTE ON EXECUTIVE COMPENSATION". The Board of Directors does not know of any matters to be brought before the meeting other than as set forth in the notice of meeting. If any other matters properly come before the meeting, the persons named in the enclosed form of proxy or their substitutes will vote in accordance with their best judgment on such matters.

Record Date; Stock Outstanding and Entitled to Vote

Holders of common stock as of the record date are entitled to notice of, and to vote at, the annual meeting. As of the record date, there were 61,953,296 shares of common stock outstanding and entitled to vote at the annual meeting, with each share entitled to one vote.

Table of Contents

If you are a stockholder of record, you will need to present the Notice of Internet Availability or proxy card that you received, together with a form of personal photo identification, in order to be admitted into the meeting. If you are the beneficial owner of shares held in "street name," you will need to provide proof of ownership, such as a recent account statement or letter from your bank, broker or other nominee as of the close of business on April 17, 2018, along with a form of personal photo identification. Alternatively, you may contact the broker, bank or other nominee in whose name your shares of common stock are registered and obtain a legal proxy to bring to the meeting. Audio or visual recording of any portion of the annual meeting is not permitted. No cameras, recording equipment, large bags, briefcases or packages will be allowed in the meeting or adjacent areas. All other items may be subject to search.

Householding. The SEC's rules permit us to deliver a single Notice of Internet Availability or set of annual meeting materials to one address shared by two or more of our stockholders. This delivery method is referred to as "householding" and can result in significant cost savings. To take advantage of this opportunity, we have delivered only one Notice of Internet Availability or proxy statement and annual report to multiple stockholders who share an address, unless we received contrary instructions from the impacted stockholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate Notice of Internet Availability or copy of the other proxy materials to any stockholder at the shared address to which a single copy of those documents was delivered. Voting by and Revocation of Proxies

Stockholders of record are requested to vote by proxy in one of the following ways:

By telephone Use the toll-free telephone number shown on the Notice of Internet Availability or any proxy card you receive;

By internet Visit the internet website indicated on the Notice of Internet Availability or any proxy card you receive and follow the on-screen instructions;

By mail If you request a paper proxy card by telephone or internet, you may elect to vote by mail. If you elect to do so, you should date, sign and promptly return your proxy card by mail in the postage prepaid envelope which accompanied that proxy card; or

In person You can deliver a completed proxy card at the meeting or vote in person.

Voting instructions (including instructions for both telephonic and Internet proxies) are provided on the Notice of Internet Availability and on any proxy card you receive. The internet and telephone proxy procedures are designed to authenticate stockholder identities, to allow stockholders to give voting instructions and to confirm that stockholders' instructions have been recorded properly. A control number, located on the Notice of Internet Availability or proxy card, will identify stockholders and allow them to submit their proxies and confirm that their voting instructions have been properly recorded. Costs associated with electronic access, such as usage charges from internet access providers and telephone companies, must be borne by the stockholder. If you submit your proxy by Internet or telephone, it will not be necessary to return a proxy card for your vote to be counted.

If a stockholder does not submit a proxy by the internet or by telephone or return a signed proxy card, and does not attend the meeting and vote in person, his or her shares will not be voted. Shares of our common stock represented by properly executed proxies received by us or proxies submitted by telephone or via the internet, which are not revoked, will be voted at the meeting in accordance with the instructions contained therein.

If instructions are not given and you do not indicate how your shares should be voted on a proposal, the shares represented by a properly completed proxy will be voted as the Board recommends. In addition, we reserve the right to exercise discretionary authority to vote proxies, in the manner determined by the Board in its sole discretion, on any matters brought before the 2018 annual meeting for which we did not receive adequate notice under the proxy rules promulgated by the SEC.

Any proxy signed and returned by a stockholder or submitted by telephone or via the internet may be revoked at any time before it is exercised by giving written notice of revocation to the Company's Secretary at our address set forth herein, by executing and delivering a later-dated proxy (either in writing, by telephone or via the internet) or by voting in person at the meeting. Attendance at the meeting will not, in and of itself, constitute revocation of a proxy.

If your shares are held in the name of a bank, broker, fiduciary or custodian, follow the voting instructions on the form you receive from your record holder. The availability of internet and telephone proxies for these stockholders will depend on their voting procedures.

Quorum

The presence at the annual meeting, in person or by proxy, of the holders of at least a majority of the number of shares of common stock issued and outstanding and entitled to vote as of the record date, is required to constitute a quorum to transact business at the annual meeting. Abstentions and broker non-votes will be counted toward the establishment of a quorum.

Table of Contents

Required Votes

Election of Nominees named herein as Class III Directors. Proposal 1. Under our Amended and Restated Bylaws (the "Bylaws"), the affirmative vote of a plurality of shares of common stock voting on this matter at the annual meeting is required to elect each nominee named herein as a director. Consequently, only shares that are voted in favor of a particular nominee will be counted toward such nominee's achievement of a plurality. Accordingly, shares not voted (because of abstention, broker non-vote or otherwise) will have no effect on the outcome of the election of Directors. Notwithstanding the foregoing, if a nominee for Director receives more "withheld" or "against" votes for his or her election than votes "for" his or her election in an uncontested election at a meeting of stockholders, the Director shall, in accordance with and subject to our Corporate Governance Guidelines and Principles, promptly tender his or her resignation to the Board.

Ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm. Proposal 2, relating to the ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm for 2018, will be approved if it receives the affirmative vote of a majority of the shares of common stock represented at the annual meeting and entitled to vote. Accordingly, shares not voted (because of abstention, broker non-vote, or otherwise) will have the effect of a vote "against" approval of the resolution.

Approval of Non-Binding "Say-on-Pay" Resolution Regarding Executive Compensation. Proposal 3, relating to the non-binding resolution to approve our executive compensation, will be approved if it receives the affirmative vote of a majority of the shares of common stock represented at the annual meeting and entitled to vote. Accordingly, shares not voted (because of abstention, broker non-vote, or otherwise) will have the effect of a vote "against" approval of the resolution.

Other Matters. If any other matters are properly presented at the annual meeting for action, including a question of adjourning or postponing the meeting from time to time, the persons named in the proxies and acting thereunder will have discretion to vote on such matters in accordance with their best judgment.

Shares Held by Brokers

If you are the beneficial owner of shares held for you by a broker, your broker must vote those shares in accordance with your instructions. If you do not give voting instructions to your broker, your broker may vote your shares for you on any discretionary items of business to be voted upon at the annual meeting. If you do not provide voting instructions on a non-discretionary item, including the election of the nominees named herein as directors, the shares will be treated as "broker non-votes." We believe that the ratification of the appointment of Deloitte & Touche LLP (Proposal 2) is a routine matter on which brokers will be permitted to vote any unvoted shares in their discretion. We believe that election of the four nominees named herein as Class III directors (Proposal 1) and the advisory, non-binding "say on pay" resolution (Proposal 3) are non-routine matters on which brokers will not be permitted to vote any unvoted shares. "Broker non-votes" will be included in determining the presence of a quorum at the annual meeting but will have no effect on the outcome of Proposal 1 (election of the four nominees named herein as Class III directors), but will have the effect of votes "against" the approval of Proposal 3.

Proxy Solicitation

We will bear the costs of solicitation of proxies for the annual meeting, including preparation, assembly, printing and mailing of the Notice of Internet Availability, this proxy statement, the annual report, any proxy card and any additional information furnished to stockholders. Copies of our proxy statement will be furnished, upon request, to banks, brokerage houses, fiduciaries and custodians

holding shares of common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation material to such beneficial owners. In addition, under the terms of our engagement with Computershare Trust Company, N.A. ("*Computershare*") as transfer agent for the Company, Computershare provides services in connection with our annual meeting. The anticipated total cost of such engagement is \$20,000, of which a small portion of such cost relates to services provided in connection with our annual meeting. Solicitation of proxies by mail may be supplemented by telephone, email or personal solicitation by Computershare or by directors, officers, or other regular employees of the Company. No additional compensation will be paid to directors, officers or other regular employees for such services.

Independent Registered Public Accounting Firm

A representative of Deloitte & Touche LLP, our independent accounting firm for the year ending December 31, 2017, will attend the annual meeting, will have an opportunity to make a statement if such representative desires to do so, and will be available to respond to appropriate questions.

Annual Report and Company Information

Our Annual Report to Stockholders, which contains consolidated financial statements for the year ended December 31, 2017, is being furnished to stockholders concurrently herewith. You also may obtain a copy of our Annual Report on Form 10-K for the year ended December 31, 2017 that was filed with the SEC, without charge, by writing to Generac Holdings Inc., Attn: Investor Relations, S45 W29290 Hwy. 59, Waukesha, Wisconsin 53189. PROPOSAL 1 ELECTION OF CLASS III DIRECTORS

Our Third Amended and Restated Certificate of Incorporation provides that our Board of Directors is divided into three classes, with each class serving a consecutive three-year term. The term of the current Class III Directors will expire on the date of the 2018 annual meeting, subject to the election and qualification of their respective successors.

In selecting director candidates, the Nominating and Corporate Governance Committee considers whether the candidates possess the required skill sets and fulfill the qualification requirements of directors approved by the Board of Directors, including integrity, objectivity, sound judgment, leadership and diversity of experience (for example, in relation to finance and accounting, strategy, risk, technical expertise, policy-making, etc.). The following biographies describe the business experience of each director. Following the biographical information for each director below, we have listed qualifications that, in addition to those discussed above, the Board of Directors considered in determining whether to recommend the director be nominated for reelection.

The nominees for election as Class III Directors at the 2018 annual meeting are described below. The Board, upon the recommendation of the Nominating and Corporate Governance Committee of the Board of Directors, has nominated each of the candidates for election. If elected, each of the nominees is expected to serve for a three-year term expiring at the annual meeting of stockholders of the Company in 2021 and until their respective successors have been elected and qualified. The Board of Directors expects that each of the nominees will be available for election as a director. However, if by reason of an unexpected occurrence, one or more of the nominees is not available for election, the persons named in the form of proxy have advised that they will vote for such substitute nominees as the Board of Directors may nominate.

The Board of Directors recommends a vote *FOR* the Company's nominees for Class III Directors.

CORPORATE GOVERNANCE

Board of Directors Independence Standards for Directors

Pursuant to our Corporate Governance Policy, a copy of which is available on our website at www.generac.com, the Board of Directors is required to affirmatively determine whether our directors are independent under the listing standards of the New York Stock Exchange ("NYSE"), the principal exchange on which our common stock is traded.

During its annual review of director independence, the Board of Directors considers all information it deems relevant, including without limitation, any transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and affiliates. The Board of Directors also considers the recommendations of the Nominating and Corporate Governance Committee, which conducts a separate independence assessment of all directors as part of its nomination process for the Board of Directors and its respective committees. The purpose of this review is to determine whether any such relationship or transaction is considered a "material relationship" that would be inconsistent with a determination that a director is independent. The Board of Directors has not adopted any "categorical standards" for assessing independence, preferring instead to consider all relevant facts and circumstances in making an independence determination including, without limitation, applicable independence standards promulgated by the NYSE.

As a result of this review, the Board of Directors affirmatively determined that John Bowlin, Robert Dixon, David Ramon, Kathryn Roedel, Bennett Morgan, Todd Adams, Andrew Lampereur, Dominick Zarcone and William Jenkins are independent directors under the applicable rules of the NYSE.

Committees of the Board of Directors

Our Board of Directors has three standing committees: an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. Our Board of Directors has adopted charters for each of its standing committees. Copies of our committee charters are posted on our website at www.generac.com.

Audit Committee

The members of the Audit Committee are Andrew Lampereur (Chair), David Ramon, Robert Dixon and Dominick Zarcone. The Board has determined that each of Messrs. Lampereur, Ramon, Dixon, and Zarcone is an "audit committee financial expert" as defined in Item 407(d)(5) of Regulation S-K, and the Board is satisfied that all members of our Audit Committee have sufficient expertise and business and financial experience necessary to effectively perform their duties as members of the Audit Committee. All members of the Audit Committee meet all applicable independence standards under the NYSE corporate governance standards and applicable SEC and IRS rules.

The Audit Committee, among other things, assists the Board of Directors in fulfilling its responsibility relating to (a) the integrity of our financial statements, (b) our systems of internal controls and disclosure controls and procedures, (c) our compliance with applicable law and ethics programs, (d) the annual independent audit of our financial statements, and (e) the evaluation of financial and enterprise risks. In connection with its review of the Company's financial statements, the Audit Committee receives reports from the Company's Chief Financial Officer and the Company's independent registered public accounting firm regarding significant risks and exposures and assesses management's steps to minimize them. The Audit Committee also reviews material legal and regulatory matters and compliance with significant applicable legal, ethical, and regulatory requirements, and receives reports from the Company's management relating to these matters.

Table of Contents

In discharging its duties, the Audit Committee has the sole authority to select, retain, oversee, and terminate, if necessary, the independent registered public accounting firm, review and approve the scope of the annual audit, review and pre-approve the engagement of our independent registered public accounting firm to perform audit and non-audit services, meet independently with our independent registered public accounting firm and senior management, review the integrity of our financial reporting process and review our financial statements and disclosures and certain SEC filings and financial press releases.

The Audit Committee formally met nine (9) times in 2017, and members of the Audit Committee also met informally among themselves, with management and with other members of the Board from time to time. Decisions regarding audit-related matters were approved by our Board after taking into account the recommendations of the Audit Committee and its members. The Audit Committee maintains a committee charter and meets with our independent registered public accounting firm without management present on a regular basis.

Compensation Committee

The members of the Compensation Committee are Todd Adams (Chair), Bennett Morgan, John Bowlin, and William Jenkins. All members of the Compensation Committee meet all applicable independence standards under the NYSE corporate governance standards and applicable SEC and IRS rules.

The Compensation Committee plays an integral role in the Company's processes and procedures for the consideration and determination of executive and director compensation. The Compensation Committee determines the compensation policies and individual compensation decisions for our executive officers, and ensures that these policies and decisions are consistent with overall corporate performance. The Compensation Committee, in conjunction with the Nominating and Corporate Governance Committee as needed, reviews the form and amount of director compensation and makes recommendations to the Board related thereto. The Compensation Committee has the authority to approve all stock option grants and other equity awards to our employees, directors, and executive officers. The Compensation Committee also reviews and recommends to the Board of Directors the target annual incentive pool, the annual performance objectives for participants, and actual payouts to participants, including the executive officers. In setting compensation, the Compensation Committee works with its independent compensation consultant and management to create incentives that encourage an appropriate level of risk-taking that is consistent with the Company's business strategy and maximization of stockholder value.

The Compensation Committee has sole decision-making authority with respect to all compensation decisions for our executive officers, including annual incentive plan awards and grants of equity awards subject to further action of the Board as the Board shall determine. The Compensation Committee is responsible for finalizing and approving the performance objectives relevant to the compensation of our CEO and other executive officers. The Compensation Committee is responsible for finalizing and approving the performance objectives relevant to the compensation of our CEO and other executive officers.

The Compensation Committee's recommendations are developed with input from our CEO and, where appropriate, other senior executives. The Compensation Committee reviews management recommendations and input from compensation consultants, along with other sources of data when formulating its independent recommendations to the Board of Directors. A discussion and analysis of the Company's compensation decisions regarding the executive officers named in the Summary Compensation Table appears in this proxy statement under the heading "EXECUTIVE COMPENSATION Compensation Discussion and Analysis."

Table of Contents

To assist it in performing its duties, the Compensation Committee has the authority to engage outside consulting firms. The Compensation Committee engaged Willis Towers Watson & Co. ("Willis Towers Watson") as its independent compensation consultant effective September 2014. In its capacity as outside and independent compensation consultants, Willis Towers Watson reports directly to the Compensation Committee.

The Compensation Committee has sole authority to replace compensation consultants retained from time to time, and to hire additional Compensation Committee consultants at any time. Representatives from outside consulting firms engaged by the Compensation Committee attend meetings of the Compensation Committee, as requested, and communicate with the Chairman of the Compensation Committee between meetings; however, the Compensation Committee is responsible for making recommendations to the Board of Directors regarding the compensation of our executive officers, and the Board of Directors has sole and ultimate decision-making authority in this regard.

The Compensation Committee assessed the independence of Willis Towers Watson pursuant to applicable SEC rules and concluded that no conflict of interest exists that would prevent Willis Towers Watson from independently advising the Compensation Committee.

The Compensation Committee reviews and discusses with management proposed Compensation Discussion and Analysis disclosures and determines whether to recommend the Compensation Discussion and Analysis to the Board of Directors for inclusion in the Company's proxy statement and annual report. The recommendation is described in the Compensation Committee Report included in this proxy statement.

The Compensation Committee formally met five (5) times in 2017, and members of the Compensation Committee also met informally among themselves, with management and with other members of the Board and Willis Towers Watson from time to time. Decisions regarding executive compensation were approved by our Board after taking into account the recommendations of the Compensation Committee and its members.

Nominating and Corporate Governance Committee

The members of the Nominating and Corporate Governance Committee are Robert Dixon (Chair), Bennett Morgan, and Kathryn Roedel. All members of the Nominating and Corporate Governance Committee meet all applicable independence standards under the NYSE corporate governance standards and applicable SEC and IRS rules.

The Nominating and Corporate Governance Committee (a) identifies candidates to serve as directors and on committees of the Board of Directors, (b) develops, recommends, and reviews our corporate governance guidelines on a regular basis, and (c) assists the Board of Directors in its annual review of the Board of Directors' performance. The Nominating and Corporate Governance Committee also undertakes such other tasks delegated to the committee by the Board of Directors.

The Nominating and Corporate Governance Committee formally met four (4) times in 2017, but members of the Nominating and Corporate Governance Committee met informally among themselves, with management and other members of the Board from time to time. Decisions regarding board nominations and corporate governance-related matters were approved by our Board after taking into account the recommendations of the Nominating and Corporate Governance members.

Criteria for Director Nominees

In selecting director candidates, the Nominating and Corporate Governance Committee considers whether the candidates possess the required skill sets and fulfill the qualification requirements of directors approved by the Board of Directors, including integrity, objectivity, sound judgment, leadership and diversity of experience (for example, in relation to finance and accounting, international

Table of Contents

operations, strategy, risk, technical expertise, policy-making, etc.). Annually, the Nominating and Corporate Governance Committee assesses the composition of the Board of Directors, including the Committee's effectiveness in balancing the above considerations.

Other than the foregoing, there are no minimum criteria for director nominees, although the Nominating and Corporate Governance Committee may consider such other factors as it may deem are in the best interests of the Company and its stockholders. The Nominating and Corporate Governance Committee does not assign specific weights to, and a potential or incumbent director will not necessarily satisfy all of, the foregoing criteria and in evaluating a candidate does not distinguish on the basis of whether the candidate was recommended by a stockholder. Accordingly, the Nominating and Corporate Governance Committee does not have a formal diversity policy but considers diversity of experience, as noted above, as a component of evaluating the composition of the Board of Directors in connection with the annual nomination process.

Process for Identifying and Evaluating Director Nominees

The Nominating and Corporate Governance Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board of Directors with that of obtaining a new perspective. If any member of the Board of Directors does not wish to continue in service or if the Nominating and Corporate Governance Committee decides not to re-nominate a member for re-election, the Nominating and Corporate Governance Committee identifies the desired skills and experience of a new nominee based on the criteria listed above. Current members of the Nominating and Corporate Governance Committee and Board of Directors are polled for suggestions as to individuals meeting the criteria of the Nominating and Corporate Governance Committee. Executive search firms may also be retained to identify qualified individuals.

Stockholder Nominations

Our Bylaws contain provisions which address the process by which a stockholder may nominate an individual to stand for election to the Board of Directors at the Company's annual meeting of stockholders. To make a nomination for election to the Board of Directors, a stockholder must submit his or her nomination by providing the person's name and appropriate background and biographical information by writing to the Nominating and Corporate Governance Committee at Generac Holdings Inc., Attn: Raj Kanuru, Senior Vice President, General Counsel, and Secretary, S45 W29290 Hwy 59, Waukesha, Wisconsin 53189. A stockholder's nomination must be received by the Company's Secretary (i) no later than the close of business on the 90th day, nor earlier than the close of business on the 120th day, prior to the first anniversary of the previous year's annual meeting of stockholders, (ii) in the event the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, notice by the stockholder to be timely must be so delivered not earlier than the close of business on the 120th day prior to the date of such annual meeting and not later than the close of business on the later of the 90th day prior to the date of such annual meeting or, if the first public announcement of the date of such annual meeting is less than 100 days prior to the date of such annual meeting, the 10th day following the day on which public announcement of the date of such meeting is first made by the Company, or (iii) in the case of a special meeting of stockholders called for the purpose of electing directors, not earlier than the close of business on the 120th day prior to such special meeting and not later than the close of business on the later of the 90th day prior to such special meeting or the 10th day following the date on which notice of the date of the special meeting was mailed or public disclosure of the date of the special meeting was made, whichever first occurs. stockholder nomination must be accompanied by the information required by the Bylaws with respect to a stockholder director nominee.

We may require any proposed nominee to furnish other information as we may reasonably require to determine the eligibility of the proposed nominee to serve as a director of the Company. See "PROPOSALS BY STOCKHOLDERS" for the deadline for nominating persons for election as directors at our 2019 annual meeting of stockholders.

Board of Directors Role in Risk Oversight

Our Board and management continually monitor the material risks facing our Company, including financial risk, strategic risk, operational risk, and legal and compliance risk. Management regularly reports to the Board on its activities in monitoring and mitigating such risks. Overall responsibility for risk oversight rests with our Board. In addition, the Board may delegate risk oversight responsibility to a particular committee in situations in which the risk falls within the committee's area of focus or expertise. Our Board believes that for certain areas of risk, our Company is better served by having the initial risk evaluation and risk monitoring undertaken by a subset of the entire Board that is more focused on the issues pertaining to the particular risk. For instance, our Compensation Committee assists the Board in evaluating risks relating to our compensation policies and procedures. Also, our Audit Committee assists the Board in fulfilling the Board's oversight responsibility relating to the evaluation of financial and enterprise risks. As it deems necessary, the respective committee to which oversight and monitoring of a particular risk has been assigned reports on risk exposures and mitigation strategies with respect to such risk to the entire Board.

Board of Directors Leadership Structure

Aaron Jagdfeld has served as a director of the Company since 2006 and is the Company's Chairman of the Board, President and Chief Executive Officer. Bennett Morgan serves as Lead Director. The Lead Director has broad responsibility and authority, including to:

Call meetings of the independent Directors.

Serve as the principal liaison between the Chairman and the independent Directors.

Consult with the Chairman regarding:

Information sent to the Board of Directors, including the quality, quantity, appropriateness, and timeliness of such information.

Meeting agendas for the Board of Directors.

The frequency of Board of Directors meetings and meeting schedules, assuring there is sufficient time for discussion of all agenda items.

Be available, when appropriate, for consultation and direct communication with stockholders.

Edgar Filing: GENERAC HOLDINGS INC. - Form DEF 14A

Select, retain, and consult with outside counsel and other advisors as the Lead Director deems appropriate.

Periodically, our Board assesses these roles and the board leadership structure to ensure the interests of the Company and its stockholders are best served. Our Board has determined that its current structure, with a combined Chairman and CEO role and an independent Lead Director is in

the best interests of the Company and its stockholders at this time based on a number of factors, including:

A combined Chairman and CEO structure provides the Company with decisive and effective leadership with clearer accountability to our stockholders and customers.

The combined role is both counterbalanced and enhanced by the effective oversight and independence of our Board of Directors, and the independent leadership provided by our Lead Director and independent committee chairs.

The Board believes that the appointment of a strong independent Lead Director and the use of regular executive sessions of the non-management Directors, along with the Board's strong committee system and all Directors being independent except for Mr. Jagdfeld, allow it to maintain effective oversight of management.

Stockholders and other parties interested in communicating directly with Mr. Morgan as Lead Director may do so by writing to Mr. Morgan, c/o Generac Holdings Inc., S45 W29290 Hwy. 59, Waukesha, Wisconsin 53189.

Attendance at Meetings

It is our policy that each director is expected to dedicate sufficient time to the performance of his or her duties as a director, including by attending meetings of the stockholders, Board of Directors and committees of which he or she is a member.

In 2017, the Board of Directors held six (6) meetings (including regularly scheduled and special meetings) and took action by unanimous written consent from time to time. All incumbent directors attended at least 75% of (i) the total number of meetings of the Board of Directors (held during the period for which he or she has been a director); and (ii) the total number of meetings held by all committees on which he or she served (during the periods that he or she served).

Concerns relating to accounting, internal controls, or auditing matters will immediately be brought to the attention of the Chairman of the Audit Committee. We have adopted a Whistleblower Policy, which establishes procedures for submitting these types of concerns, either personally or anonymously through a toll free telephone "hotline" or web transmission operated by an independent party. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Securities Exchange Act") requires the Company's officers and directors, and persons who own more than ten percent of the common stock of the Company, to file with the Securities and Exchange Commission reports of ownership of company securities and changes in reported ownership. Officers, directors, and greater than ten percent stockholders, are required by SEC rules to furnish the Company with copies of all Section 16(a) reports they file. Based solely on a review of the copies of such forms furnished to the Company, or written representations from the reporting persons that no Form 5 was required, the Company believes that during 2017 all Section 16(a) filing requirements applicable to its officers, directors, and greater than ten percent beneficial owners were complied with, with the exception of a Form 4 reporting a transaction which was inadvertently filed late by Mr. Minick on November 7, 2017 and a Form 3 which was inadvertently filed late by Mr. Wilde on November 22, 2017.

Table of Contents**EXECUTIVE COMPENSATION****Compensation Discussion and Analysis**

This Compensation Discussion and Analysis (CD&A) describes our executive compensation program. It provides an overview of the 2017 compensation for the following named executive officers, practices and policies, and how the Compensation Committee made its decisions.

2017 Business Highlights & Performance

During 2017 we began to see a significant improvement in a number of our end markets, as net sales increased 16% to approximately \$1.7 billion as compared to \$1.4 billion in 2016. Organic sales growth during the year was strong at 11%, which benefitted from improving end market fundamentals for domestic residential products from heightened power outage activity, the significant recovery in demand for our domestic mobile products, and the strong organic sales growth experienced in the International segment. This organic sales growth was leveraged into strong year-over-year increases in Adjusted EBITDA dollars and Adjusted EPS, and we once again generated a robust level of free cash flow of over \$220 million which allowed us to again deploy cash in a variety of beneficial ways for our shareholders. Our teams at Generac provided an exceptional response during a historic hurricane season during 2017, and we continued to grow the residential standby market with new products and programs along with expanding our dealer base and retail shelf placement. We made further headway on gaining market share within domestic commercial & industrial (C&I) products by focusing on our Lead Gas initiatives and we successfully ramped production for our domestic mobile products in response to a dramatic market rebound. We also consolidated the Country Home Products (CHP) assembly and distribution operations in Winooski, Vermont into our Jefferson, Wisconsin facility. On the international front, we made encouraging progress in achieving strong synergies with the integration of Pramac, our largest acquisition to date which closed in early 2016. In Latin America, Ottomotores had a very solid year with attractive sales growth along with improving margins. We also closed in early 2017 on a smaller but strategic acquisition of the German company Motortech, which is another important component of our Lead Gas strategic initiative to bring to market new gaseous-fueled products for new applications and end markets.

The following key financial measures demonstrate our performance results over the last three years. These are measures that are meaningful to our business strategy and stockholders, and have a direct impact on the compensation paid to our named executive officers. In 2017, we performed within

ABOUT OUR EXECUTIVE COMPENSATION PROGRAM***Philosophy and Objectives***

We believe that the compensation program for our executives should directly support the achievement of specific annual, long-term and strategic goals of the business, and, thereby, align the interests of executives with the interests of our stockholders. Our compensation program is designed to provide a balanced program that rewards corporate, business and individual results that support the Company's strategic plan, with a focus on performance-based compensation. The program's strong pay-for-performance alignment is an important part of our continuing commitment to enhancing long-term stockholder value. We also believe that stockholders are best served when we are able to attract and retain high caliber executive talent. To that end, we offer competitive base salary, as well as annual and long-term incentive opportunities, which encourage specific performance and reward the

Table of Contents

successful efforts of our executives. Within this context, the three major objectives for our executive compensation program are:

Alignment: Link executive long-term incentive awards and annual bonuses with increases in stockholder value, as well as align stockholder and executive interests by requiring meaningful executive stock ownership levels.

Motivation: Motivate executives to be accountable for achievement of our strategic and financial objectives.

Retention and Attraction: Retain and attract senior executives, as well as other management personnel, by offering market competitive levels of compensation and incentive upside opportunity.

To achieve these objectives, we have structured a compensation program that provides our executives with the following:

Pay Element	Form	Purpose
Base Salary	Cash (Fixed)	Reflects position responsibilities, competitive market rates, strategic importance of the position and individual experience.
Annual Performance Bonus Plan	Cash (Variable)	Rewards achievement of Generac's annual financial goals as defined by the Compensation Committee and other qualitative and quantitative performance objectives as determined by the Compensation Committee.
Long-Term Incentives	Equity (Variable)	Rewards strong performance with incentives that focus our executive team on creating stockholder value over the long-term.

Generally, the total direct compensation of our executives, including base pay, annual bonus and long-term incentives, is performance based and market driven. The Compensation Committee believes this construct results in a fair level of pay for target performance, and an above-market opportunity if the executive team builds share value in a sustainable way. We target cash compensation (base salary and annual bonus) around the median of our market and compensation peer group, taking into account the relative responsibilities of our executives. In general, we intend to target long-term incentives above the median and up to the 75th percentile of market to encourage the sustainability of the business and drive long-term stockholder value creation. Actual total compensation in any given year may be above or below the target level based on individual and corporate performance.

HOW COMPENSATION DECISIONS ARE MADE

Role of the Compensation Committee and Management

The Compensation Committee, composed solely of independent directors, is responsible for making executive compensation decisions for the named executive officers. The Compensation Committee works closely with its independent compensation consultant and management to examine pay and performance matters throughout the year.

Each year, the CEO and CFO establish a budget, which is approved by the Board of Directors. The budget establishes sales targets and other performance-related goals, which gives the Compensation Committee a basis for approving financial and individual performance targets under the annual incentive plans for the year. The Compensation Committee also reviews the established goals and objectives related to the compensation of the named executive officers. During this review, the Compensation Committee considers the balance between short-term cash compensation and long-term incentives, evaluates the performance of the named executive officers in light of established goals and objectives, considers prior performance and our relative stockholder return and sets the compensation levels of the named executive officers based on that evaluation. The Compensation Committee uses market and peer group data to determine appropriate total direct compensation levels (consisting of base salary, annual bonus and long-term incentives) for the named executive officers (see "*Assessing External Market Practice*" below for more information). Finally, in making subjective evaluations of the overall performance of named executive officers, the Compensation Committee considers the named executive officers' performance from the perspective of our core values and our leadership competencies, which include practicing integrity, driving innovation, demonstrating agility, operational excellence, developing employees, and environmental stewardship.

The CEO and Executive Vice President, Human Resources may also provide the Compensation Committee with additional analyses and recommendations that reflect such factors as level of experience, time in the position and applicable skill set as to the compensation of the named executive officers, although neither the CEO nor the Executive Vice President, Human Resources makes recommendations with respect to his or her own compensation.

The Role of the Independent Consultant

In 2017 the compensation consultant provided advice to the Compensation Committee regarding base pay, use of peer group data, annual and long-term incentive design, and the CEO pay ratio along with a variety of other compensation-related topics. The Compensation Committee has assessed the independence of Willis Towers Watson pursuant to the SEC rules and concluded that no conflict of interest exists that would prevent Willis Towers Watson from independently advising the Compensation Committee.

Assessing External Market Practice

Attracting and incentivizing high caliber executive talent is a critical part of our compensation philosophy and leadership strategy. Therefore, integral to our approach for setting compensation levels is ensuring we have a competitive pay framework. In support of this objective, annually Willis Towers Watson provides the Compensation Committee with compensation data with respect to similarly sized manufacturing companies in the identified peer group and amongst similarly-sized sized general industry companies from a published survey perspective. In 2017 the Compensation Committee considered both of these sources in determining competitive total direct compensation benchmarks for our CEO, CFO and CMO. Published industry specific market survey data was considered in determining market total direct compensation benchmarks for other executives. The Compensation Committee has generally targeted total cash compensation for our named executive officers around the market median, and it has targeted long-term incentive grant values above the market median, with the goal of setting total direct compensation at or above the market median. However, annual incentive opportunity is set such that if the Company achieves outstanding financial performance in a particular year, total cash compensation can be above the market median.

Peer group membership is also reviewed annually. In 2017, the Compensation Committee concluded no changes were necessary for shifts related to company size, focus or business model over the past fiscal year. The Compensation Committee examined the practices of the following peer group companies that most closely approximate the size, scope and complexity of our business:

A.O. Smith	Brady	Graco Inc	Regal Beloit Corp
Actuant	Briggs & Stratton	Hubbell Inc.	Rexnord
Acuity	Donaldson Co Inc.	IDEX Corp.	Snap-On Inc
Altra Industrial Motion Corp	Enpro Industrial Inc.	Nordson Corp	Toro Co
Barnes Group Inc.	Franklin Electric Co, Inc.	Powell	Watts Water Technologies, Inc.

2017 EXECUTIVE COMPENSATION PROGRAM DECISIONS

performance, time in position and industry experience and are intended to more closely align pay with market-competitive levels.

Named Executive Officer	Annual Base Salary at 12/31/2016	Annual Base Salary at 12/31/2017	% Change
Aaron Jagdfeld	\$ 800,000	\$ 830,000	3.8%
York Ragen	\$ 400,000	\$ 410,000	2.5%
Russell Minick	\$ 405,000	\$ 420,000	3.7%
Patrick Forsythe	\$ 357,000	\$ 366,000	2.5%
Erik Wilde	\$ 340,000	\$ 345,000	1.5%

In March 2017, the Compensation Committee increased Mr. Jagdfeld's base salary to \$830,000 to further align his pay to competitive levels. Messrs. Ragen, Minick, Forsythe and Wilde received a base salary increase for 2016 performance and market considerations.

In March 2018, the Compensation Committee sought to further address market considerations and recognize the contributions of Mr. Jagdfeld with an increase to \$870,000. The Compensation Committee increased Messrs. Minick and Forsythe to acknowledge performance and for Messrs. Ragen and Wilde to address both performance and market considerations. The Compensation Committee approved an increase for Mr. Ragen to bring his base salary to \$425,000, an increase for Mr. Minick to bring his salary to \$435,000, an increase for Mr. Forsythe to bring his base salary to \$377,000 and an increase for Mr. Wilde to bring his salary to \$358,000.

Annual Performance Bonus Plan

Under the Annual Performance Bonus Plan the Compensation Committee approved the 2017 Executive Management Incentive Plan. The annual bonus is calculated as a percentage of base salary and is paid in cash. For 2017, the threshold, target and maximum bonus opportunity remained at 2016 levels for Mr. Jagdfeld and all other named executive officers as follows:

Named Executive Officer	Below Threshold as a % of Base Salary	Threshold Bonus as a % of Base Salary	Target Bonus as a % of Base Salary	Maximum Bonus as a % of Base Salary
Aaron Jagdfeld	0%	16%	80%	225%
York Ragen	0%	10%	50%	125%
Russell Minick	0%	10%	50%	125%
Patrick Forsythe	0%	10%	50%	125%
Erik Wilde	0%	10%	50%	125%

2017 Annual Performance Bonus Plan Results

For 2017, individual goals for each named executive officer were based on growing our portion of the residential market, increasing industrial market share, geographic expansion (organic and inorganic), achieving the 2017 financial budget of \$319.3 million (target) in Adjusted EBITDA, \$295 million (target) in Operating Free Cash Flow (OFCF) and numerous other goals related to product and organizational development. The 2017 Annual Performance Bonus Plan payout is based on the Company's performance against the Adjusted EBITDA goal and Operating Free Cash flow. Both are calculated using a multiplier based on a sliding scale ranging from zero (0) to three (3) for each component. For 2017, achievement of the above stated financial targets would result in an overall 1.4X bonus multiplier for all components under the plan. For 2017, actual Company Adjusted EBITDA, before deduction for non-controlling interests, was \$317.7 million, which fell slightly short of the target resulting in a 1.2X multiplier for the 50% EBITDA portion. The actual OFCF was \$292.8 million, also

Table of Contents

slightly short of the target and resulting in a 1.2X multiplier for the 25% OFCF portion. The level of Adjusted EBITDA achieved corresponds to the resulting 1.2X multiplier opportunity for the 25% individual performance portion of the bonus plan

The Compensation Committee maintains its discretion to make downward adjustment of annual performance bonuses, regardless of the outcome under incentive bonus formulas. No downward adjustments were made in the 2017 payments.

Long-Term Incentives

Generac believes that equity awards and other forms of long-term incentive compensation are a critical component of a competitive, comprehensive executive compensation program. Consequently, pursuant to the "2010 Equity Incentive Plan", the Company has made annual equity awards to its named executive officers ("NEOs") since 2012.

Our long-term incentive program is designed to reward our executives for their contribution to the Company's long-term growth and performance, and to better align the interests of our named executive officers with those of our stockholders. In addition, our long-term awards are used to attract and retain critical employee talent by providing a competitive market-based opportunity.

To achieve these objectives, our long-term incentive plan provides for the ability to grant nonqualified stock options, incentive stock options, stock appreciation rights, restricted stock, other stock-based awards and performance-based compensation. In 2017, a combination of stock options, restricted stock and performance shares were granted to the named executive officers pursuant to the 2010 Equity Incentive Plan, as follows:

Fifty percent (50%) of the award was granted in the form of stock options, with those options vesting equally over the four anniversaries immediately following the date of grant.

Twenty-five percent (25%) of the award was granted in the form of restricted stock, with those shares vesting equally over the three anniversaries immediately following the grant date.

Twenty-five percent (25%) of the award was granted in the form of performance shares. Named executive officers may earn from 0% to 200% of their target performance share awards based on the achievement of specified revenue growth and EBITDA margin goals. Each performance share has a value equal to a share of common stock and the number of shares that can be earned is contingent upon Company performance over a three-year performance period, against goals approved by the Compensation Committee.

For 2017, the award grants for the named executive officers were as follows:

Aaron Jagdfeld	\$ 1,600,011	\$ 800,033	\$ 800,033	\$ 3,200,077

Russell Minick	\$ 420,009	\$ 210,028	\$ 210,028	\$ 840,065

(1) Value of time-vested stock options at March 2017 grant date.

(2) Value of time-vested restricted stock at March 2017 grant date.

The named executive officers also hold shares of performance awards granted in 2015, subject to three-year performance conditions. This grant was intended to encourage target revenue growth measured in compound annual growth rate (CAGR) and target EBITDA margin percentages during a three-year performance period (2015-2017). Specifically, if revenue growth (CAGR) and average EBITDA margin percentages during the period were achieved within a defined target range, the named executive officers would earn from 10% to 200% of their target performance share awards. The revenue growth (CAGR) and EBITDA margin targets were set at a level, given business conditions at the time the awards were granted, that were designed to be challenging but achievable with strong management performance. After the conclusion of the three-year period, the Performance Share Targets were measured against actual financial results for Generac Power Systems, Inc. excluding any subsidiaries acquired during the three-year period. Although the minimum EBITDA margin was achieved, the minimum financial performance for Revenue Growth (CAGR) was not achieved and therefore no vesting occurred for the three-year performance period from 2015 - 2017. The minimum, target, maximum and actual results for the three-year performance awards are reflected below:

Performance Measure	Minimum	Target	Maximum	Actual Three Year Results
Revenue Growth (CAGR)	5.0%	8%	11%	4.09%
EBITDA Margin %	20%	23%	26%	21.60%

OTHER PRACTICES, POLICES & GUIDELINES

Stock Ownership Guidelines

The Compensation Committee believes that it is in the best interest of Generac and its stockholders to align the financial interests of the Company's officers and directors with those of Generac's stockholders by requiring officers and directors to establish and maintain a permanent minimum ownership position in Company stock (based on the market value of our common stock), and by limiting the ability to sell Company stock until guideline ownership levels have been achieved. In addition, the Compensation Committee believes that the investment community values stock ownership by such officers and that share ownership demonstrate a commitment to and belief in the long-term strategic direction of Generac.

Accordingly, stock ownership guidelines have been established for the Company's officers and directors. In 2017 a total of 15 individuals, including all of the named executive officers and directors, were covered under this stock ownership policy.

Table of Contents

Effective June 2017 stock ownership guidelines were revised as follows:

Position/Level	Multiple of Salary Requirement
CEO	4.0X annual base pay
Directors	3.0X annual cash retainer
CFO, EVP & SVP	2.0X annual base pay
Group Vice Presidents/GM	1.0X annual base pay

Executives are expected to build ownership value over time as a result of their performance and participation in the Company's equity compensation programs. Under the guidelines, no time period is specified for compliance. The following retention ratios will apply to each executive based on years of service and percentage of the guideline that has been achieved. Under the stock ownership guidelines, (i) an executive that has met 50% of the multiple of salary guideline and has less than 5 years of service has a 50% retention ratio, (ii) an executive that has met 50% of the multiple of salary guideline and has five or more years of service has a 25% retention ratio and (iii) an executive that has met less than 50% of the multiple of salary guideline has a 75% retention ratio. The Compensation Committee will assess progress towards meeting the guidelines on an annual basis. Effective September 2017 the Compensation Committee approved a change to include unvested restricted shares in the determination of ownership. As of March 2018 four of the five NEOs, including the CEO and CFO, have met their ownership guidelines. Erik Wilde joined Generac in July 2016 and is progressively increasing his ownership as expected under the above guidelines.

Directors have five years to meet their minimum ownership requirement. Effective April 2018 the Board approved new stock ownership guidelines for outside Directors as follows:

Position/Level	Multiple of Retainer Requirement
Directors	5.0X annual cash retainer

Benefits and Perquisites

Generac does not provide for special medical, dental, insurance or disability benefits for the named executive officers beyond that offered to all employees. In addition, Generac does not offer special perquisites for any of the named executive officers.

Retirement Plans

The named executive officers are eligible to participate in the Generac Power Systems, Inc. Employees 401(k) Savings Plan on the same terms as other participating employees.

We also provide retirement benefits to certain named executive officers under the terms of the Generac Power Systems Inc. Salaried, Technical & Clerical Employees Pension Plan (the "Plan"). The Plan is a tax qualified defined benefit pension plan. Consistent with our focus on performance-based compensation (as opposed to compensation based on tenure), the Plan was frozen effective December 31, 2008, resulting in a cessation of all future benefit accruals under the Plan. The named executive officers participate in the Plan on the same terms as our other participating employees.

The accumulated benefit is based on service and earnings considered by the Plan for the period through December 31, 2008, at which time the Plan was frozen. Present value has been calculated assuming the named executive officers will remain in service until age 65, the age at which retirement may occur without any reduction in benefits, and that the benefit is payable under the available forms of annuity consistent with the Plan. The interest assumption is 3.60%. The post retirement mortality assumption is based on the RP-2014 Healthy Annuitant Mortality for Males or Females, as appropriate adjusted backwards to 2006 base year by Projection Scale MP-2014, then generational projection forward by Projection Scale MP-2017. For purposes of calculating benefits, average annual compensation is limited by Section 401(a)(17) of the Internal Revenue Code and is based upon wages, salaries and other amounts paid to the employee. a participant earns a vested right to an accrued benefit upon completion of five years of vesting service. See Note 14 Benefit Plans to our consolidated financial statements in the 2017 Annual Report on Form 10-K for more information.

Pay Ratio Disclosure

In accordance with Item 402(u) of Regulation S-K, passed as part of the Dodd-Frank Wall Street Reform Act and Consumer Protection Act of 2010, we determined the ratio of the annual total compensation of Mr. Jagdfeld relative to the annual total compensation of our median employee. We identified our median employee using a multistep process that is permitted under the SEC rules. We first examined the annual cash compensation paid to each employee during 2017, which we gathered from payroll data. The total number of employees was 4,145. For purposes of reporting annual total compensation and the ratio of annual total compensation of the CEO to the median employee, both the CEO and median employee's annual total compensation were calculated consistent with the disclosure requirement of executive compensation under the Summary Compensation Table (SCT) as follows:

Median of annual employee excluding CEO: \$38,639

Annual Total Compensation of CEO: \$4,908,156

Ratio of CEO annual total compensation to median employee compensation: 127:1

To determine the pay ratio, we examined the 2017 annualized base salaries for all individuals, who were employed by us as of November 1, 2017. In accordance with Item 402(u), we included all full-time, part-time, and seasonal employees.

Employment Agreements and Severance Benefits

Mr. Jagdfeld is subject to an employment agreement with the Company which, as of November 5, 2015, provides for a three-year term.

In the event Mr. Jagdfeld's employment is terminated by us without Cause or by the executive for Good Reason, we are obligated to provide severance benefits.

Cause is defined as the executive's: (a) willful and continued failure to substantially perform his or her duties; (b) gross negligence or willful misconduct in the performance of his or her duties; (c) commission of fraud, embezzlement, misappropriation of funds, breach of fiduciary duty or a material act of dishonesty against us; (d) indictment for a felony; or (e) drug addiction or habitual intoxication that adversely affects his or her performance or the reputation or best interests of the Company.

In Mr. Jagdfeld's employment agreement, Good Reason is defined as: (a) a reduction in excess of 5% of the executive's base salary or target bonus opportunity, excluding across the board reductions affecting all senior executives; (b) a material reduction of the executive's duties or responsibilities that has not been cured within 20 days after written notice has been given; (c) a failure of the Company to make available to the executive the type of employee benefits which are available to the executive as of November 5, 2015; (d) a requirement by us that the executive be based in an office that is 50 miles or more from his principal place of employment as of November 5, 2015; and (e) a material breach of any material term or condition of the employment agreement by us that has not been cured within 20 days after written notice has been given.

All severance payments are subject to the executive's execution and effectiveness of a release of claims in the form attached to the employment agreement, and the executive's continued compliance with a Restrictive Covenant Agreement (as defined herein).

If we terminate Mr. Jagdfeld's employment for Cause, or if the executive terminates his employment without Good Reason, the executive is entitled only to the obligations already accrued under his or her employment agreement. If we terminate Mr. Jagdfeld's employment without Cause or if the executive terminates his employment for Good Reason, the executive is entitled to (1) any accrued but unpaid base salary and vacation pay through the Termination Date (as defined in each employment agreement), payable within thirty days following such Termination Date, (2) any earned annual bonus for the fiscal year during which the Termination Date occurred (and the annual bonus for the prior fiscal year, if earned but not yet paid), payable in accordance with our usual bonus payment schedule, and (3) continued participation for the executive and his or her spouse and dependents in our medical, hospitalization, dental and life insurance programs for a period of 24 months at our expense commencing on the Termination Date, and the executive would be entitled to full COBRA rights following the termination of such benefits. In addition, Mr. Jagdfeld would be entitled to continued payment of his base salary for a period of 24 months commencing on the Termination Date, payable in accordance with our standard payroll practices, and payments equal to 200% of the executive's target annual bonus for the year in which the Termination Date occurs, payable in equal installments over a period of 24 months commencing on the Termination Date.

Table of Contents

The following table sets forth the severance benefits that would have been payable to Mr. Jagdfeld if we had terminated Mr. Jagdfeld's employment agreement without Cause on December 31, 2017 or if he terminated his employment agreement for Good Reason:

Aaron Jagdfeld	24 months	\$ 1,660,000	\$ 1,328,000	\$ 33,124	\$ 6,954,111	\$ 9,975,235

(1) Represents the value of the long-term incentive awards to be received upon a qualifying termination of employment. Under the terms of the restricted stock agreements and option agreements, if within the one year period following a change in control, the participant's employment is terminated without cause, the participant's outstanding restricted stock and stock options shall vest as of the date of such termination of employment. In the case of the outstanding restricted stock awards, the equity value represents the value of the shares (determined by multiplying the closing price of \$49.52 per share on December 31, 2017 by the number of unvested shares of restricted stock that would vest upon termination of employment). In the case of option awards, the equity value was determined by multiplying (i) the spread between the exercise price and the closing price of \$49.52 per share on December 31, 2017 and (ii) the number of unvested option shares that would vest following termination

Simultaneously with the execution of Mr. Jagdfeld's employment agreement, we entered into a confidentiality, non-competition and intellectual property agreement ("Restrictive Covenant Agreement") with Mr. Jagdfeld. Pursuant to the Restrictive Covenant Agreement, Mr. Jagdfeld has agreed to maintain Confidential Information (as defined in the Restrictive Covenant Agreement) in confidence and secrecy and has agreed not to compete with us or solicit any of our employees during his employment and for a period of 24 months following his termination.

Although they have not entered into employment agreements, Mr. Ragen, Mr. Minick, Mr. Forsythe and Mr. Wilde have also signed employee nondisclosure and non-compete agreements. Our salary and bonus arrangements with Mr. Ragen, Mr. Minick, Mr. Forsythe and Mr. Wilde are described under "Compensation Discussion and Analysis 2017 Executive Compensation Program Decisions."

Additionally, we entered into Change in Control Severance Agreements with Messrs. Ragen, Minick, Forsythe and Wilde, under which each executive is entitled to severance benefits under certain circumstances following a Change in Control. Under the agreements, an executive is entitled to severance benefits upon termination of employment by us without Cause or by the executive for Good Reason during the twelve-month period following a Change in Control. The term of each agreement continues until one year after a Change in Control. The Compensation Committee approved the terms of these agreements which it believes to be similar to agreements prevalent within our industry and for companies of similar size and structure.

Under the agreements, a Change in Control is defined as a: (a) change in our ownership, such that any one person or more than one person acting as a group, other than a subsidiary, acquires ownership of our stock that constitutes more than 50% of the total fair market value or total voting power of our stock; (b) change in effective control, such that the individuals who currently constitute our Board of Directors cease for any reason to constitute at least a majority of the Board of Directors during any twelve-month period, provided, however, that (i) if the election or nomination for election by our stockholders of any new director was approved by a vote of at least a majority of the existing Board of Directors, then such new director shall be considered a member of the existing Board of Directors, and (ii) any reductions in the size of the Board of Directors that are instituted by the existing Board of Directors shall not constitute a Change in Control, and that after such reduction, the existing Board of

Directors shall mean the Board of Directors as so reduced; and (c) change in the ownership of a substantial portion of our assets, such that one person or more than one person acting as a group, other than a subsidiary, acquires (or has acquired during the twelve-month period ending on the date of the most recent acquisition by the person or persons) our assets that have a total gross fair market value (as determined in good faith by the Board of Directors without regard to any liabilities associated with such assets) of more than 50% of the total gross fair market value of all our assets immediately prior to such acquisition or acquisitions.

Cause is defined as the executive's: (a) material breach of any of his obligations under any written agreement with us or our affiliates; (b) material violation of any of our policies, procedures, rules and regulations applicable to employees generally or to similarly situated employees, as they may be amended from time to time; (c) failure to reasonably and substantially perform his duties, other than as a result of physical or mental illness or injury; (d) willful misconduct or gross negligence that has caused or is reasonably expected to result in material injury to our business, reputation or prospects; (e) fraud or misappropriation of funds; or (f) commission of a felony or other serious crime involving moral turpitude.

Good Reason is defined as: (a) a material and adverse reduction in the nature or scope of the authority or title held by the executive or duties assigned to the executive; or (b) the relocation of the executive's principal place of employment more than 50 miles from its location within one year of the effective date of the Change in Control; provided that written notice must be provided to us within 60 days following the occurrence of such event and we have 30 days to cure such event.

If we terminate the employment of the executive without Cause or if the executive terminates his employment for Good Reason during the twelve-month period following a Change in Control, the executive is entitled to receive from us: (1) a cash amount equal to any accrued but unpaid base salary and vacation pay through the date of the executive's termination of employment, payable within 30 days following the date of the executive's termination of employment; (2) a cash amount equal to twelve months of the executive's base salary as of the date of the executive's termination of employment, which shall be paid in accordance with our normal payroll practices over the twelve-month period following the date of the executive's termination of employment; (3) a cash amount equal to one times the executive's base salary multiplied by the executive's target annual bonus level for the fiscal year during which the executive's termination of employment occurs, which shall be paid in accordance with our normal payroll practices over the twelve-month period following the date of the executive's termination of employment; and (4) reimbursement (or direct payment to the carrier) for twelve months following the executive's termination of employment for the premium costs incurred by the executive (and his spouse and dependents, where applicable) to obtain COBRA coverage, pursuant to one of the group health plans sponsored by us, and only if the executive is participating in the group health plan as of the date of termination.

Assuming that the agreements were in place, if we had terminated the employment of Messrs. Ragen, Forsythe, Minick and Wilde without Cause or if they terminated their employment for

We adopted a written policy relating to the approval of related person transactions. Our Audit Committee reviews and approves or ratifies all relationships and related person transactions between us and (1) our directors, director nominees, or executive officers or their immediate family members, (2) any five percent record or beneficial owner of our common stock, or (3) any immediate family member of any person specified in (1) and (2) above. Our Chief Financial Officer is primarily responsible for the development and implementation of processes and controls to obtain information from our directors and executive officers with respect to related person transactions and for determining, based on the facts and circumstances, whether we or a related person have a direct or indirect material interest in the transaction.

As set forth in the related person transaction policy, in the course of its review and approval or ratification of a related party transaction, the Audit Committee will consider:

- the nature of the related person's interest in the transaction;
- the availability of other sources of comparable products or services;
- the material terms of the transaction, including, without limitation, the amount and type of transaction; and
- the importance of the transaction to us.

PROPOSAL 2 RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors recommends that the stockholders ratify the selection of Deloitte & Touche LLP as our independent registered public accounting firm for the year ending December 31, 2018.

Although the Company is not required to seek stockholder approval of this appointment, the Board of Directors believes that doing so is consistent with good corporate governance practices. If the appointment is not ratified, the Audit Committee will explore the reasons for stockholder rejection and will reconsider the appointment.

The Board of Directors unanimously recommends a vote *FOR* ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm.

Principal Accounting Fees and Services

Deloitte & Touche LLP audited our financial statements for the years ended December 31, 2017 and 2016 and currently serves as our independent registered public accounting firm. The following table presents fees paid for the audit of our annual consolidated financial statements and all other professional services for each of the last two years:

	For the Years Ended December 31,	
	2017	2016
Audit Fees	\$ 1,131,000	\$ 1,034,291
Audit-related fees	\$ 103,000	\$ 85,343
Tax fees	\$ 184,000	\$ 158,000
All other fees	\$ 2,000	\$ 2,000
Total Fees	\$ 1,420,000	\$ 1,279,634

The services provided by Deloitte & Touche were pre-approved by the Audit Committee. The Audit Committee has considered whether the provision of the above-noted services is compatible with maintaining the independence of the independent registered public accounting firm and has determined, based on advice from Deloitte & Touche, that the provision of such services has not adversely affected Deloitte & Touche's independence.

According to its charter, the Audit Committee is responsible for approving all audit engagement fees, terms and non-audit engagements with the independent auditors on behalf of the Company in advance of providing any service.

PROPOSAL 3 ADVISORY VOTE ON EXECUTIVE COMPENSATION

As required by Regulation 14A of the Securities Exchange Act, we are offering our stockholders an opportunity to cast an advisory vote on the compensation of our named executive officers, as disclosed in this proxy statement. Although the vote is non-binding, we value continuing and constructive feedback from our stockholders on compensation and other important matters. The Board and the Compensation Committee will consider the voting results when making future compensation decisions.

Table of Contents

At the 2017 Annual Meeting of Stockholders, we provided our stockholders with the opportunity to cast an advisory vote on the compensation of our named executive officers as disclosed in the proxy statement for the 2017 Annual Meeting, and our stockholders overwhelmingly approved the proposal, with more than 84% of the votes cast in favor. Also at the 2017 Annual Meeting, we asked our stockholders to indicate if we should hold an advisory vote on the compensation of our named executive officers every one, two or three years, with our Board recommending an annual advisory vote. Because our Board views it as a good corporate governance practice, and because at our 2017 Annual Meeting more than 90% of the votes cast were in favor of an annual advisory vote, we again are asking our stockholders to approve the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules.

As described in the "Compensation Discussion and Analysis" section of this proxy statement, we believe that our executive compensation program enables us to attract, retain, and motivate a high-performance executive management team that improves our fundamental financial performance and provides value to the long-term interests of Generac and its stockholders.

We ask for your advisory vote on the following resolution:

"RESOLVED, that the stockholders hereby approve the compensation of Generac's named executive officers, as described in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission."

The Board of Directors unanimously recommends a vote "FOR" approval of this proposal.
