**Class A Common Stock**

Virtu Financial, Inc. is offering 8,718,750 shares of Class A common stock to be sold in this offering and we will use all of the net proceeds that we receive in this offering to purchase an equivalent number of non-voting common interest units of Virtu Financial LLC and corresponding shares of our Class D common stock from our principal equityholder (the "Founding Equityholder") at a net price per unit and share equal to the price per share paid by the underwriters in this offering. The selling stockholders identified in this prospectus are offering an additional 6,281,250 shares of Class A common stock to be sold in this offering. We will not receive any proceeds from the sale of shares of Class A common stock by the selling stockholders. As a result, it is able to control any action requiring the general approval of our stockholders, including the election of our board of directors, the adoption of amendments to our certificate of incorporation and by-laws and the approval of any merger or sale of substantially all of our assets. After the completion of this offering, our Founding Equityholder will continue to own a majority of the combined voting power of our common stock, have the ability to elect a majority of our board of directors and have substantial influence over our governance.

We are a "controlled company" under the corporate governance rules for NASDAQ-listed companies, and therefore are permitted, and have elected, not to comply with certain NASDAQ corporate governance requirements.

Technology and operational efficiency are at the core of our business, and our focus on market making and order routing technology is a key element of our success. We have developed a proprietary, multi-asset, multi-currency technology platform that is highly reliable, scalable and modular, and we integrate directly with exchanges and other liquidity centers. Our market data, order routing, transaction processing, risk management and market surveillance technology modules manage our market making and institutional agency activities in an efficient manner that enables us to scale our activities globally across additional securities and other financial instruments and asset classes without significant incremental costs or third-party licensing or processing fees.

We believe that technology-enabled market makers like Virtu serve an important role in maintaining and improving the overall health and efficiency of the global capital markets by continuously posting bids and offers for financial instruments and thereby providing market participants a transparent and efficient means to transfer risk. All market participants benefit from the increased liquidity, lower overall trading costs and improved execution certainty that Virtu provides.

We primarily conduct our Americas Equities business through our three SEC registered broker-dealers. We are registered with the Central Bank of Ireland and the Financial Conduct Authority ("FCA") in the UK for our European trading and the Monetary Authority of Singapore and Australian Securities and Investments Commission for our Asia Pacific trading. We register as a market maker or liquidity provider and/or enter into direct obligations to provide liquidity on nearly every exchange or venue that offers such programs. We engage regularly with regulators around the world on issues affecting electronic trading and to advocate for increased transparency. In the U.S., we conduct our business from our headquarters in New York, New York and our trading centers in Austin, Texas and Chicago, Illinois. **Recent Developments**

On July 20, 2017, we completed our previously announced acquisition (the "Acquisition") of KCG Holdings, Inc. ("KCG") for an aggregate cash consideration of \$1.40 billion. To fund the Acquisition, we (i) issued 8,012,821 shares of Class A common stock to Aranda Investments Pte. Ltd. ("Aranda" and together with Havelock, the "Temasek Stockholders"), an affiliate of Temasek, and 40,064,103 shares of Class A common stock to North Island Holdings I, LP (the "North Island Stockholder"), for an aggregate of \$743.7 million in cash and (ii) incurred \$1,650.0 million of new indebtedness, consisting of a \$1.15 billion first lien secured term loan under our credit agreement and \$500 million aggregate principal amount of 6.750% Senior Secured Second Lien Notes due 2022 (the "Notes").

On January 2, 2018, we completed our previously announced sale of our BondPoint division and fixed income venue to Intercontinental Exchange, Inc. for total gross proceeds of \$400.0 million. We used the after-tax net proceeds to prepay \$250.0 million of the outstanding principal amount of the senior secured term loan under our credit agreement. Concurrently with the closing of the sale of BondPoint, on January 8, 2018, we entered into a refinancing transaction to reprice our senior secured term loan, along with an additional principal repayment of \$26.0 million. As of May 7, 2018, we have prepaid a total of \$626.0 million of the indebtedness of the senior secured term loan under our credit agreement.

**Other Transactions**

Prior the consummation of this offering, Mr. Viola will exercise stock options for 2,081,250 shares of Class A common stock and will sell such shares of Class A common stock in this offering.

**Organizational Structure**

We conduct our business through Virtu Financial and its subsidiaries. Prior to our initial public offering, we completed an internal reorganization, which we refer to as the "reorganization transactions." In connection with the reorganization transactions, the following occurred:

- (i) we became the sole managing member of Virtu Financial and acquired non-voting common interest units of Virtu Financial ("Virtu Financial Units");
- (ii) certain direct or indirect equityholders of Virtu Financial acquired shares of our Class A common stock; and
- (iii) certain direct or indirect equityholders of Virtu Financial had their interests reclassified into Virtu Financial Units and acquired shares of our Class C common stock or, in the case of the Founding Equityholder only, shares of our Class D common stock (such holders collectively, the "Original Virtu Members"). Subject to certain restrictions, any holder of Virtu Financial Units and Class C common stock or Class D common stock, as applicable (such holders, the "Virtu Members") has the right at any time to exchange its vested Virtu Financial Units (together with a corresponding number of shares of Class C common stock) for shares of Class A common stock on a one-for-one basis. Subject to certain restrictions, the Founding Equityholder has the right at any time to exchange its Virtu Financial Units (together with a corresponding number of shares of Class D common stock) for shares of Class B common stock on a one-for-one basis. Shares of Class B common stock may be converted into shares of Class A common stock on a one-for-one basis. See "Description of the Capital Stock – Common Stock" in the accompanying prospectus.

Each share of our Class C common stock entitles its holder to one vote per share, representing an aggregate of 1.9% (or 2.1% after giving effect to this offering, the use of the net proceeds received by us therefrom and the other transactions described in " Other Transactions" above) of the combined voting power of our issued and outstanding common stock as of May 7, 2018 (or 2.1% if the underwriters exercise their option to purchase additional shares in full and giving effect to the use of the net proceeds received by us therefrom).

Each share of our Class D common stock entitles its holder to 10 votes per share, representing an aggregate of 88.0% (or 85.6% after giving effect to this offering, the use of the net proceeds received by us therefrom and the other transactions described in " Other Transactions" above) of the combined voting power of our issued and outstanding common stock as of May 7, 2018 (or 85.1% if the underwriters exercise their option to purchase additional shares in full and giving effect to the use of the net proceeds received by us therefrom).

All classes of our common stock generally vote together as a single class on all matters submitted to a vote of our stockholders. Our Class D common stock is held exclusively by the Founding Equityholder and our Class C common stock is held by the Virtu Members other than the Founding Equityholder. See "Description of Capital Stock" in the accompanying prospectus.

Exchange/conversion

Virtu Financial Units held by the Founding Equityholder, together with a corresponding number of shares of our Class D common stock, may be exchanged for shares of our Class B common stock on a one-for-one basis.

Each share of our Class B common stock and Class D common stock is convertible at any time, at the option of the holder, into one share of Class A common stock or Class C common stock, respectively.

Table of Contents

Each share of our Class B common stock will automatically convert into one share of Class A common stock and each share of our Class D common stock will automatically convert into one share of our Class C common stock (a) immediately prior to any sale or other transfer of such share by a Founding Equityholder or any of its affiliates or permitted transferees, subject to certain limited exceptions such as transfers to permitted transferees, or (b) if the Founding Equityholder, together with any of its affiliates or permitted transferees, own less than 25% of our issued and outstanding common stock. See "Description of Capital Stock" in the accompanying prospectus.

Use of proceeds

We estimate our net proceeds from this offering will be approximately \$ ( \$ million if the underwriters exercise their option to purchase additional shares in full), after deducting underwriting discounts and commissions of approximately \$ . We intend to use all of the net proceeds that we receive in this offering to purchase Virtu Financial Units and corresponding shares of our Class D common stock from the Founding Equityholder at a net price per unit and share equal to the price per share paid by the underwriters for shares of our Class A common stock in this offering.

We will not receive any proceeds from the sale of shares of Class A common stock sold by the selling stockholders in this offering.

We estimate that the offering expenses (other than the underwriting discounts and commissions) will be approximately \$ . All of such offering expenses will be paid for or otherwise borne by the Company.

See "Use of Proceeds."

Dividend policy

Our board of directors has adopted a policy of returning excess cash to our stockholders. Subject to the sole discretion of our board of directors and the considerations discussed below, our current intent is to pay dividends that will annually equal, in the aggregate, at least 70% of our net income. The payment of dividends is subject to general economic and business conditions, including our financial condition, results of operations and cash flows, capital requirements, contractual restrictions, including restrictions contained in our credit agreement and the indenture governing our Notes, regulatory restrictions, business prospects and other factors that our board of directors considers relevant.

Because we are a holding company and our principal asset is our direct and indirect equity interests in Virtu Financial, we fund dividends by causing Virtu Financial to make distributions to its equityholders, including the Founding Equityholder, the other members of Virtu Financial and us.

Investing in our Class A common stock involves substantial risks. In addition to the other information in this prospectus supplement and the accompanying prospectus, you should carefully consider the following factors before investing in our Class A common stock. In addition to those listed below and elsewhere in this prospectus supplement and accompanying prospectus, you should also consider the risks, uncertainties, and assumptions discussed under the caption "Item 1A. Risk Factors" included in our Annual Report on Form 10-K for the year ended December 31, 2017, which is incorporated by reference in this prospectus supplement and accompanying prospectus. Any of the risk factors we describe below, or incorporate herein by reference, could have a material adverse effect on our business, financial condition, results of operations and cash flows. The market price of our Class A common stock could decline if one or more of these risks or uncertainties develop into actual events, causing you to lose all or part of your investment. While we believe these risks and uncertainties are especially important for you to consider, we may face other risks and uncertainties that could have a material adverse effect on our business. Certain statements contained in the risk factors described below are forward-looking statements. See "Statements Regarding Forward-Looking Information" in the accompanying prospectus for more information.

**Risks Related to Our Class A Common Stock**

**Substantial future sales of shares of our Class A common stock in the public market could cause our stock price to fall.**

As of May 7, 2018, after giving effect to this offering, the use of the net proceeds received by us therefrom and the other transactions described in "Prospectus Summary – Other Transactions", we would have had 102,312,582 shares of Class A common stock outstanding, excluding 11,316,209 shares of Class A common stock issuable pursuant to the 2015 Management Incentive Plan and 87,935,703 shares of Class A common stock issuable upon potential exchanges and/or conversions. Of these shares of Class A common stock, 44,917,976 shares will be freely tradable without further restriction under the Securities Act and the remaining 145,658,487 outstanding shares of Class A common stock (including the 87,935,703 shares issuable upon exchange and/or conversion) will be "restricted securities," as that term is defined under Rule 144 of the Securities Act of 1933, as amended (the "Securities Act"). The holders of these remaining 145,658,487 shares of our Class A common stock, including shares issuable upon exchange or conversion as described above, are entitled to dispose of their shares pursuant to (i) the applicable holding period, volume and other restrictions of Rule 144 or (ii) another exemption from registration under the Securities Act. Additional sales of a substantial number of our shares of Class A common stock in the public market, or the perception that sales could occur, could have a material adverse effect on the price of our Class A common stock.

We, our directors and executive officers, the selling stockholders and certain of our equityholders have agreed with the underwriters not to sell, otherwise dispose of or hedge any Class A common stock or securities convertible or exchangeable for shares of Class A common stock, including the Virtu Financial Units and the Class C common stock and Class D common stock, as applicable, subject to specified exceptions, during the period from the date of this prospectus supplement continuing through the date that is 90 days after the date of this prospectus supplement, except with the prior written consent of the representatives of the underwriters. After the expiration of the 90-day lock-up period, these shares of Class A common stock, including the shares issuable upon exchange of Virtu Financial Units and the Class C common stock and Class D common stock, as applicable, will be eligible for resale from time to time, subject to certain contractual restrictions and the requirements of the Securities Act. The representatives of the underwriters are entitled to waive these lock-up provisions at their discretion prior to the expiration dates of such lock-up agreements.

**We intend to pay regular dividends to our stockholders, but our ability to do so may be limited by our holding company structure, contractual restrictions and regulatory requirements.**

We intend to pay cash dividends on a quarterly basis. See "Market Prices and Dividend Policy." However, we are a holding company with our principal asset being our direct and indirect equity interests in Virtu Financial, and we have no independent means of generating revenue. Accordingly, as the sole managing member of Virtu Financial, we rely on Virtu Financial to make distributions to its equityholders, including the Founding Equityholder, the trust that holds equity interests in Virtu Financial on behalf of certain employees of ours based outside the United States, which we refer to as the "Employee Trust", the vehicle that holds Virtu Financial Units on behalf of certain directors and key employees, which we refer to as the "Virtu Employee Holdco", and us, to fund our dividends. When Virtu Financial makes such distributions, the other equityholders of Virtu Financial are entitled to receive equivalent distributions pro rata based on their economic interests in Virtu Financial. In order for Virtu Financial to make distributions, it may need to receive distributions from its subsidiaries. Certain of these subsidiaries are or may in the future be subject to regulatory capital requirements that limit the size or frequency of distributions. If Virtu Financial is unable to cause these subsidiaries to make distributions, we may not receive adequate distributions from Virtu Financial in order to fund our dividends.

Our board of directors periodically reviews the cash generated from our business and the capital expenditures required to finance our global growth plans and determines whether to modify the amount of regular dividends and/or declare periodic special dividends to our stockholders. Our board of directors takes into account general economic and business conditions, including our financial condition, results of operations and cash flows, capital requirements, contractual restrictions, including restrictions contained in our credit agreement and the indenture governing our Notes, regulatory restrictions, business prospects and other factors that our board of directors considers relevant. There can be no assurance that our board of directors will not reduce the amount of regular cash dividends or cause us to cease paying dividends altogether. In addition, our credit agreement and the indenture governing our Notes limit the amount of distributions our subsidiaries, including Virtu Financial, can make to us and the purposes for which distributions could be made. Accordingly, we may not be able to pay dividends even if our board of directors would otherwise deem it appropriate.

**Provisions in our charter documents and certain rules imposed by regulatory authorities may delay or prevent our acquisition by a third party.**

Our amended and restated certificate of incorporation and by-laws contain several provisions that may make it more difficult or expensive for a third party to acquire control of us without the approval of our board of directors. These provisions, which may delay, prevent or deter a merger, acquisition, tender offer, proxy contest or other transaction that stockholders may consider favorable, include the following, some of which may only become effective when the Founding Equityholder or any of its affiliates or permitted transferees no longer beneficially own shares representing 25% of our issued and outstanding common stock (the "Triggering Event"):

- § the 10 vote per share feature of our Class B common stock and Class D common stock;
- § the division of our board of directors into three classes and the election of each class for three-year terms;
- § the sole ability of the board of directors to fill a vacancy created by the expansion of the board of directors;

Table of Contents

- § advance notice requirements for stockholder proposals and director nominations;
- § after the Triggering Event, provisions limiting stockholders ability to call special meetings of stockholders, to require special meetings of stockholders to be called and to take action by written consent;
- § after the Triggering Event, in certain cases, the approval of holders of at least 75% of the shares entitled to vote generally on the making, alteration, amendment or repeal of our certificate of incorporation or by-laws will be required to adopt, amend or repeal our by-laws, or amend or repeal certain provisions of our certificate of incorporation;
- § after the Triggering Event, the required approval of holders of at least 75% of the shares entitled to vote at an election of the directors to remove directors, which removal may only be for cause; and
- § the ability of our board of directors to designate the terms of and issue new series of preferred stock without stockholder approval, which could be used, among other things, to institute a rights plan that would have the effect of significantly diluting the stock ownership of a potential hostile acquirer, likely preventing acquisitions that have not been approved by our board of directors.

These provisions of our amended and restated certificate of incorporation and by-laws could discourage potential takeover attempts and reduce the price that investors might be willing to pay for shares of our Class A common stock in the future, which could reduce the market price of our Class A common stock.

In addition, a third party attempting to acquire us or a substantial position in our Class A common stock may be delayed or ultimately prevented from doing so by change in ownership or control regulations to which certain of our regulated subsidiaries are subject. FINRA's NASD Rule 1017 generally provides that FINRA approval must be obtained in connection with any transaction resulting in a single person or entity owning, directly or indirectly, 25% or more of a member firm's equity and would include a change in control of a parent company. Similarly, Virtu Financial Ireland Limited is subject to change in control regulations promulgated by the Central Bank of Ireland. We may also be subject to similar restrictions in other jurisdictions in which we operate. These regulations could discourage potential takeover attempts and reduce the price that investors might be willing to pay for shares of our Class A common stock in the future, which could reduce the market price of our Class A common stock.

**Our stock price may be volatile.**

The market price of our Class A common stock is subject to significant fluctuations in response to, among other factors, variations in our operating results and market conditions specific to our business. Furthermore, in recent years the stock market has experienced significant price and volume fluctuations. This volatility has had a significant impact on the market price of securities issued by many companies, including companies in our industry. The changes frequently appear to occur without regard to the operating performance of the affected companies. As such, the price of our Class A common stock could fluctuate based upon factors that have little or nothing to do with us, and these fluctuations could materially reduce the price of our Class A common stock and materially affect the value of your investment.

**Our reliance on exemptions from certain disclosure requirements under the JOBS Act may deter trading in our Class A common stock.**

We qualify as an "emerging growth company" under the Jumpstart Our Business Startups Act (the "JOBS Act"). As a result, we are permitted to, and have relied and intend to continue to rely, on exemptions from certain disclosure requirements. For so long as we are an emerging growth company, we will not be required to:

- § provide an auditor attestation and report with respect to management's assessment of the effectiveness of our internal controls over financial reporting pursuant to section 404(b) of the Sarbanes-Oxley Act;

Table of Contents

§

comply with any requirement that may be adopted by the Public Company Accounting Oversight Board regarding mandatory audit firm rotation or a supplement to the auditor's report providing additional information about the audit and the financial statements (i.e., an auditor discussion and analysis); and

§

submit certain executive compensation matters to shareholder advisory votes, such as "say-on-pay" and "say-on-frequency," and disclose certain executive compensation related items such as the correlation between executive compensation and performance and comparisons of the Chief Executive Officer's compensation to median employee compensation.

In addition, Section 107 of the JOBS Act also provides that an emerging growth company can take advantage of the extended transition period provided in Section 7(a)(2)(B) of the Securities Act for complying with new or revised accounting standards. In other words, an emerging growth company can delay the adoption of certain accounting standards until those standards would otherwise apply to private companies. We have elected not to take advantage of the benefits of this extended transition period.

We will remain an "emerging growth company" for up to five years, or until the earliest of (i) the last day of the first fiscal year in which our total annual gross revenues exceed \$1.07 billion, (ii) the date that we become a "large accelerated filer" as defined in Rule 12b-2 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), which would occur if the market value of our common stock that is held by non-affiliates exceeds \$700 million as of the last business day of our most recently completed second fiscal quarter or (iii) the date on which we have issued more than \$1 billion in non-convertible debt during the preceding three-year period.

Until such time we cease to be an emerging growth company, however, we cannot predict if investors will find our Class A common stock less attractive because we may rely on these exemptions. If some investors find our Class A common stock less attractive, there may be a less active trading market for our Class A common stock and our stock price may be more volatile.

**We have incurred and expect to continue to incur increased costs as a result of operating as a public company, and we expect our management to be required to devote substantial time to additional compliance initiatives.**

As a public company, we incur significant legal, accounting, insurance and other expenses, and our management and other personnel devote a substantial amount of time to compliance initiatives resulting from operating as a public company. We anticipate that these costs and compliance initiatives will increase when the Company ceases to be an "emerging growth company," as defined in the JOBS Act. We expect we will no longer qualify as an "emerging growth company" beginning on January 1, 2019, in which case we will be required to include an attestation report as to the effectiveness of our internal control over financial reporting that is issued by our independent registered public accounting firm on our Annual Report on Form 10-K for our fiscal year ending December 31, 2018. In addition, we had previously taken advantage of the JOBS Act's reduced disclosure requirements applicable to "emerging growth companies" regarding executive compensation and exemptions from the requirements of holding advisory "say-on-pay" votes on executive compensation. We will also likely be required to comply with the requirements commencing in 2019.

**If securities or industry analysts cease to publish research or publish inaccurate or unfavorable research about us or our business, or publish projections for our business that exceed our actual results, our stock price and trading volume could decline.**

The trading market for our Class A common stock may be affected by the research and reports that securities or industry analysts publish about us or our business. If one or more of the analysts who covers us downgrades our Class A common stock or publishes inaccurate or unfavorable research about our business, our stock price could decline. In addition, the analysts' projections may have little or no relationship to the results we actually achieve and could cause our stock price to decline if we fail to meet their projections. If one or more of these analysts ceases coverage of us or fails to publish reports on us regularly, our stock price or trading volume could decline.

**USE OF PROCEEDS**

We estimate our net proceeds from this offering will be approximately \$ \_\_\_\_\_ (\$ \_\_\_\_\_ million if the underwriters exercise their option to purchase additional shares in full), after deducting underwriting discounts and commissions of approximately \$ \_\_\_\_\_. We intend to use all of the net proceeds that we receive in this offering (including the net proceeds we receive if the underwriters exercise their option to purchase additional shares) to purchase Virtu Financial Units and corresponding shares of our Class D common stock from the Founding Equityholder at a net price per unit and share equal to the price per share paid by the underwriters for shares of our Class A common stock in this offering.

We will not receive any proceeds from the sale of shares of Class A common stock by the selling stockholders that may be sold by them pursuant to this prospectus supplement.

We estimate that the offering expenses (other than the underwriting discounts) will be approximately \$ \_\_\_\_\_. All of such offering expenses (other than the underwriting discounts payable by the selling stockholders) will be paid for or otherwise borne by the Company.

*Holder.* As of May 7, 2018, there are 51 stockholders of record of our Class A common stock, one of which was Cede & Co., a nominee for The Depository Trust Company. All of our Class A common stock held by brokerage firms, banks and other financial institutions as nominees for beneficial owners is considered to be held of record by Cede & Co., who is considered to be one stockholder of record. A substantially greater number of holders of our Class A common stock are "street name" or beneficial holders, whose shares of Class A common stock are held of record by banks, brokers and other financial institutions. Because such shares of Class A common stock are held on behalf of stockholders, and not by the stockholders directly, and because a stockholder can have multiple positions with different brokerage firms, banks and other financial institutions, we are unable to determine the total number of stockholders we have.

Table of Contents

*Dividend Policy.* Our board of directors has adopted a policy of returning excess cash to our stockholders. Subject to the sole discretion of our board of directors and the considerations discussed below, we intend to pay dividends that will annually equal, in the aggregate, at least 70% of our net income.

The Company intends to continue paying regular quarterly dividends to our Class A and Class B common stockholders and to holders of Restricted Stock Units, however, the payment of dividends will be subject to general economic and business conditions, including our financial condition, results of operations and cash flows, capital requirements, contractual restrictions, including restrictions contained in our credit agreement and the indenture governing our Notes, regulatory restrictions, business prospects and other factors that our board of directors considers relevant. The terms of the credit agreement and the indenture governing our Notes contain a number of covenants, including a restriction on our and our restricted subsidiaries' ability to pay dividends on, or make distributions in respect of, our equity interests.

Our board of directors periodically reviews the cash generated from our business and the capital expenditures required to finance our growth plans and determines whether to increase this regular dividend and/or declare and pay periodic special dividends to our stockholders. Any future determination to change the amount of dividends and/or declare special dividends will be at the discretion of our board of directors and will be dependent upon then-existing conditions, including our financial condition and results of operations, capital requirements, contractual restrictions, including restrictions contained in our credit agreement, business prospects and other factors that our board of directors considers relevant.

We have funded our dividends from our portion of distributions made by Virtu Financial, from its available cash generation from operations. Because we are a holding company, we intend to continue funding any future dividends by causing Virtu Financial, in our capacity as its sole managing member, to make distributions to its equityholders, including the Founding Equityholder, the other Virtu Members and us.

Historically, Virtu Financial has regularly declared and paid distributions on its equity interests. See "Selling Stockholders Relationships with Selling Stockholders."

**SELLING STOCKHOLDERS**

The following table and accompanying footnotes set forth, as of May 7, 2018, the following information regarding the selling stockholders:

- § the number and percentage of total outstanding shares of our Class A common stock beneficially owned by the selling stockholders prior to this offering;
- § the number of shares of our Class A common stock to be offered by the selling stockholders; and
- § the number and percentage of total outstanding shares of our Class A common stock to be beneficially owned by the selling stockholders after completion of this offering and the use of the net proceeds received by us therefrom.

The amounts and percentages of Class A common stock beneficially owned are reported on the basis of the regulations of the SEC governing the determination of beneficial ownership of securities. Under these rules, a person is deemed to be a beneficial owner of a security if that person has or shares voting power, which includes the power to vote or to direct the voting of such security, or investment power, which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days. In addition, shares of our Class A common stock issuable pursuant to stock options, the exchange of Virtu Financial Units and corresponding shares of Class C common stock or the exchange of Virtu Financial Units and corresponding shares of Class D common stock (and the related conversion of shares of Class B common stock) are deemed outstanding for computing the percentage of persons holding such stock options or Virtu Financial Units and corresponding shares of Class C common stock or Class D common stock, as

Table of Contents

applicable, but are not outstanding for computing the percentage of any other person. Under these rules, more than one person may be deemed to be a beneficial owner of the same securities.

The amounts and percentages of Class A common stock beneficially owned immediately prior to the completion of this offering is based on 91,512,582 shares of Class A common stock outstanding as of May 7, 2018. Unless otherwise noted, the amounts and percentages of Class A common stock beneficially owned immediately after this offering assumes that the underwriters' option to purchase additional shares in this offering is not exercised.

Each of the selling stockholders shown on the table have furnished information with respect to its beneficial ownership.

Unless otherwise indicated, the address for each beneficial owner listed below is: c/o Virtu Financial, Inc., 300 Vesey Street, New York, New York 10282.

**Amended and Restated Registration Rights Agreement**

On April 15, 2015, prior to the consummation of the Company's initial public offering, the Company entered into a registration rights agreement with the Founding Equityholder, Havelock and certain direct or indirect or equityholders of the Company that granted the parties certain demand and registration rights. In connection with the Temasek Investment (as defined below), on April 20, 2017, the Company and the parties thereto executed the Amended and Restated Registration Rights Agreement to add the North Island Stockholder and Aranda as parties and provide them with similar registration rights as Havelock. The Amended and Restated Registration Rights Agreement became effective on July 20, 2017. The registration statement of which this prospectus supplement and the accompanying prospectus is a part was filed as a result of the exercise of registration rights by selling stockholders under the Amended and Restated Registration Rights Agreement.

Subject to several exceptions, including certain specified underwriter cutbacks and the Company's right to defer a demand registration under certain circumstances, the Founding Equityholder, the Temasek Stockholders and the North Island Stockholder may require that the Company register for public resale under the Securities Act all common stock of the Company constituting registrable securities that they request be

registered at any time so long as the securities requested to be registered in each registration statement have an aggregate estimated market value of least \$50 million. Under the Amended and Restated Registration Rights Agreement, the Company is not obligated to effectuate more than seven demand registrations for the Founding Equityholder, more than four demand registrations for the North Island Stockholder or more than three demand registrations for the Temasek Stockholders. The Founding Equityholder, the Temasek Stockholders and the North Island Stockholder also have the right to require the

Company to register the sale of the registrable securities held by them on Form S-3, subject to offering size and other restrictions. In addition, the Company is required to file a shelf registration statement for the registrable securities, and cause such shelf registration statement to become effective within one year after the closing of the Temasek Investment.

If the Founding Equityholder, the Temasek Stockholders or the North Island Stockholder make a request for registration, the non-requesting parties to the Amended and Restated Registration Rights Agreement are entitled to piggyback registration rights in connection with the request. If such request is for an underwritten offering, the piggyback registration rights are subject to underwriter cutback provisions. In addition, the parties to the Amended and Restated Registration Rights Agreement are entitled to piggyback registration rights with respect to any registration initiated by the Company or another stockholder, and if any such registration is in the form of an underwritten offering, such piggyback registration rights are subject to underwriter cutback provisions.

In connection with the registrations described above, the Company is required to indemnify any selling stockholders and the Company will bear all fees, costs and expenses (except underwriting commissions and discounts and fees and expenses of the selling stockholders and their internal and similar costs (other than the fees and expense of a single law firm representing the selling stockholders)). Pursuant to our Amended and Restated Registration Rights Agreement, we have agreed to indemnify the selling stockholders against certain liabilities and to pay certain expenses of the selling stockholders incurred in connection with the sale of Class A common stock in this offering, excluding underwriters' discounts and commissions.

**Reorganization Agreement and Common Stock Subscription Agreement**

**Amended and Restated Virtu Financial Limited Liability Company Agreement**

In connection with the reorganization transactions preceding our initial public offering, we, Virtu Financial and each of the Original Virtu Members (including the Founding Equityholder and Havelock) entered into the Amended and Restated Virtu Financial LLC Agreement.

In accordance with the terms of the Amended and Restated Virtu Financial LLC Agreement, we operate our business through Virtu Financial and its subsidiaries. Pursuant to the terms of the Amended and Restated Virtu Financial LLC Agreement, so long as affiliates of Mr. Vincent Viola continue to own any Virtu Financial

Units, shares of our Class A common stock or securities exchangeable or convertible into shares of our Class A common stock, we will not, without the prior written consent of such holders, engage in any business activity other than the management and ownership of Virtu Financial and its subsidiaries or own any assets other than securities of Virtu Financial and its subsidiaries and/or any cash or other property or assets distributed by or otherwise received from Virtu Financial and its subsidiaries, unless we determine in good faith that such actions or ownership are in the best interest of Virtu Financial. As the sole managing member of Virtu Financial, we have control over all of the affairs and decision making of Virtu Financial. As such, through our officers and directors, we are responsible for all operational and administrative decisions of Virtu Financial and the day to day management of Virtu Financial's business. We will fund any dividends to our stockholders by causing Virtu Financial to make distributions to its equityholders, including the Founding Equityholder, Virtu Employee Holdco, the Employee Trust and us, subject to the limitations imposed by our credit agreement and the indenture governing our Notes.

The holders of Virtu Financial Units generally incur U.S. federal, state and local income taxes on their proportionate share of any net taxable income of Virtu Financial. Net profits and net losses of Virtu Financial are generally allocated to its members pro rata in accordance with the percentages of their respective ownership of Virtu Financial Units, though certain non pro rata adjustments are made to reflect tax depreciation, amortization and other allocations. The Amended and Restated Virtu Financial LLC Agreement provides for cash distributions to the holders of Virtu Financial Units for purposes of funding their tax obligations in respect of the taxable income of Virtu Financial that is allocated to them. Generally, these tax distributions are computed based on Virtu Financial's estimate of the net taxable income of Virtu Financial allocable to each holder of Virtu Financial Units multiplied by an assumed tax rate equal to the highest effective marginal combined U.S. federal, state and local income tax rate prescribed for an individual or corporate resident in New York, New York (taking into account the non-deductibility of certain expenses and the character of our income).

The Amended and Restated Virtu Financial LLC Agreement provides that, except as otherwise determined by us, if at any time we issue a share of our Class A common stock or Class B common stock, other than pursuant to an issuance and distribution to holders of shares of our common stock of rights to purchase our equity securities under a "poison pill" or similar stockholders rights plan or pursuant to an employee benefit plan, the net proceeds received by us with respect to such share, if any, shall be concurrently invested in Virtu Financial (unless such shares were issued by us solely to fund (i) our ongoing operations or pay our expenses or other obligations or (ii) the purchase from a member of Virtu Financial of Virtu Financial Units (in which cash such net proceeds shall instead be transferred to the selling member as consideration for such purchase)) and Virtu Financial shall issue to us one Virtu Financial Unit. Similarly, except as otherwise determined by us, Virtu Financial will not issue any additional Virtu Financial Units to us unless we issue or sell an equal number of shares of our Class A common stock or Class B common stock. Conversely, if at any time any shares of our Class A common stock or Class B common stock are redeemed, repurchased or otherwise acquired, Virtu Financial will redeem, repurchase or otherwise acquire an equal number of Virtu Financial Units held by us, upon the same terms and for the same price per security, as the shares of our Class A common stock or Class B common stock are redeemed, repurchased or otherwise acquired. In addition, Virtu Financial will not effect any subdivision (by any unit split, unit distribution, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse unit split, reclassification, reorganization, recapitalization or otherwise) of the Virtu Financial Units unless it is accompanied by substantively identical subdivision or combination, as applicable, of each class of our common stock, and we will not effect any subdivision or combination of any class of our common stock unless it is accompanied by a substantively identical subdivision or combination, as applicable, of the Virtu Financial Units.

Pursuant to the terms of the Amended and Restated Virtu Financial LLC Agreement, certain members of management of Virtu Financial, including Mr. Vincent Viola, are subject to non-compete and non-solicitation

obligations until the third anniversary of the date on which such person ceases to be an officer, director or employee of ours.

Subject to certain exceptions, Virtu Financial will indemnify the Virtu Members against all losses or expenses arising from claims or other legal proceedings in which such person (in its capacity as such) may be involved or become subject to in connection with Virtu Financial's business or affairs or the Amended and Restated Virtu Financial LLC Agreement or any related document.

Virtu Financial may be dissolved only upon the first to occur of (i) the sale of substantially all of its assets or (ii) as determined by us. Upon dissolution, Virtu Financial will be liquidated and the proceeds from any liquidation will be applied and distributed in the following manner: (a) first, to creditors (including creditors who are members or affiliates of members) in satisfaction of all of Virtu Financial's liabilities (whether by payment or by making reasonable provision for payment of such liabilities, including the setting up of any reasonably necessary reserves) and (b) second, to the members in proportion to their vested Virtu Financial Units (after giving effect to any obligations of Virtu Financial to make tax distributions).

Historically, Virtu Financial has regularly declared and paid distributions on its equity interests to its members, including the Company. During the years ended December 31, 2017, December 31, 2016 and December 31, 2015, Virtu Financial declared and paid \$150.3 million, \$224.5 million and \$234.5 million, respectively, in cash distributions to its members (including our Founding Equityholder) in accordance with their ownership interests.

**Exchange Agreement**

At the closing of our initial public offering, we entered into an Exchange Agreement (the "Exchange Agreement") with Virtu Financial and each of the Original Virtu Members, pursuant to which they (or certain transferees thereof) have the right to exchange their Virtu Financial Units (along with the corresponding shares of our Class C common stock or Class D common stock, as applicable) for shares of our Class A common stock or Class B common stock, as applicable, on a one for one basis, subject to customary conversion rate adjustments for stock splits, stock dividends and reclassifications. Upon exchange, each share of our Class C common stock or Class D common stock will be cancelled.

The Exchange Agreement provides that, in the event that a tender offer, share exchange offer, issuer bid, takeover bid, recapitalization or similar transaction with respect to our Class A common stock is proposed by us or our stockholders and approved by our board of directors or is otherwise consented to or approved by our board of directors, the Virtu Members will be permitted to participate in such offer by delivery of a notice of exchange that is effective immediately prior to the consummation of such offer. In the case of any such offer proposed by us, we are obligated to use our reasonable best efforts to enable and permit the Virtu Members to participate in such offer to the same extent or on an economically equivalent basis as the holders of shares of our Class A common stock without discrimination. In addition, we are obligated to use our reasonable best efforts to ensure that the Virtu Members may participate in each such offer without being required to exchange Virtu Financial Units and shares of our Class C common stock or Class D common stock.

The Exchange Agreement also provides that, in the event of a merger, consolidation or other business combination involving us (unless, following such transaction, all or substantially all of the holders of the voting power of us prior to such transaction continue to hold a majority of the voting power of the surviving entity (or its parent) in substantially the same proportions as immediately prior to such transaction) is approved by our board of directors and consummated in accordance with applicable law, we may require that each of the Virtu Members exchange with us all of such Virtu Member's Virtu Financial Units and shares of our Class C common stock or Class D common stock, as applicable, for aggregate consideration for each Virtu Financial Unit and share of our Class C common stock or Class D common stock, as applicable, that is equivalent to the consideration payable in respect of each share of our Class A common stock in such transaction. Such Virtu Members are not required to participate in such a transaction that is tax-free

Table of Contents

for our stockholders unless the transaction is also tax-free for such Virtu Members as holders of Virtu Financial Units and shares of our Class C common stock or Class D common stock, as applicable.

**Tax Receivable Agreements**

In connection with the reorganization transactions, we acquired equity interests in Virtu Financial from certain affiliates of a former equityholder and Temasek, as a result of a series of transactions (the "Mergers"). We also used a portion of the net proceeds from our initial public offering and our offering of our Class A common stock that we completed in 2015 to purchase Virtu Financial Units and corresponding shares of common stock from certain direct or indirect equityholders of Virtu Financial. These purchases resulted in favorable tax basis adjustments to the assets of Virtu Financial that will be allocated to us and our subsidiaries. In addition, as described above, we intend to use the net proceeds from this offering to purchase Virtu Financial Units and corresponding shares of Class D common stock from the Founding Equityholder. Future acquisitions of interests in Virtu Financial are expected to produce favorable tax attributes. In addition, exchanges by certain direct or indirect equityholders of Virtu Financial of Virtu Financial Units and corresponding shares of Class C common stock or Class D common stock, as the case may be, for shares of our Class A common stock or Class B common stock, respectively, are expected to produce favorable tax attributes. These tax attributes would not be available to us in the absence of those transactions. Both the existing and anticipated tax basis adjustments are expected to reduce the amount of tax that we would otherwise be required to pay in the future.

We entered into tax receivable agreements with certain direct or indirect equityholders of Virtu Financial, including one with the Founding Equityholder, Virtu Employee Holdco, the Employee Trust, certain management members and other post-initial public offering investors and another with affiliates of a former equityholder and Havelock that provide for the payment by us to certain direct or indirect equityholders of Virtu Financial (or their transferees of Virtu Financial Units or other assignees) of 85% of the amount of cash savings, if any, in U.S. federal, state and local income tax or franchise tax that we actually realize as a result of (i) any increase in tax basis in Virtu Financial's assets resulting from (a) the acquisition of equity interests in Virtu Financial from an affiliate of a former equityholder and Havelock in the reorganization transactions (which represents the unamortized portion of the increase in tax basis in Virtu Financial's assets resulting from a prior acquisition of interests in Virtu Financial by an affiliate of a former equityholder and Havelock, (b) the purchases of Virtu Financial Units (along with the corresponding shares of our Class C common stock or Class D common stock, as applicable) from certain of certain direct or indirect equityholders of Virtu Financial using a portion of the net proceeds from our initial public offering or in any future offering, (c) exchanges by certain direct or indirect equityholders of Virtu Financial of Virtu Financial Units (together with the corresponding shares of our Class C common stock or Class D common stock, as applicable) for shares of our Class A common stock or Class B common stock, as applicable, or (d) payments under the tax receivable agreements, (ii) any net operating losses available to us as a result of the Mergers and (iii) tax benefits related to imputed interest deemed arising as a result of payments made under the tax receivable agreements.

The actual increase in tax basis, as well as the amount and timing of any payments under these agreements, varies depending upon a number of factors, including the timing of exchanges by certain direct or indirect equityholders of Virtu Financial, the price of our Class A common stock at the time of the exchange, the extent to which such exchanges are taxable, the amount and timing of the taxable income we generate in the future and the tax rate then applicable and the portion of our payments under the tax receivable agreements constituting imputed interest.

The payments we are or will be required to make under the tax receivable agreements are expected to be substantial. The payments under the tax receivable agreements are not conditioned upon the certain direct or indirect equityholders of Virtu Financial's continued ownership of us.

In addition, although we are not aware of any issue that would cause the U.S. Internal Revenue Service (the "IRS") to challenge the tax basis increases or other benefits arising under the tax receivable agreements,

Table of Contents

certain direct or indirect equityholders of Virtu Financial (or their transferees or other assignees) will not reimburse us for any payments previously made if such tax basis increases or other tax benefits are subsequently disallowed, except that any excess payments made to certain direct or indirect equityholders of Virtu Financial will be netted against future payments otherwise to be made under the tax receivable agreements, if any, after our determination of such excess. As a result, in such circumstances we could make payments to certain direct or indirect equityholders of Virtu Financial under the tax receivable agreements that are greater than our actual cash tax savings and may not be able to recoup those payments, which could negatively impact our liquidity.

In addition, the tax receivable agreements provide that, upon certain mergers, asset sales or other forms of business combination or certain other changes of control, our or our successor's obligations with respect to tax benefits would be based on certain assumptions, including that we or our successor would have sufficient taxable income to fully utilize the benefits arising from the increased tax deductions and tax basis and other benefits covered by the tax receivable agreements. As a result, upon a change of control, we could be required to make payments under a tax receivable agreement that are greater than or less than the specified percentage of our actual cash tax savings, which could negatively impact our liquidity.

In addition, the tax receivable agreements provide that in the case of a change in control of the Company, certain direct or indirect equityholders of Virtu Financial have the option to terminate the applicable tax receivable agreement, and we will be required to make a payment to such electing party in an amount equal to the present value of future payments (calculated using a discount rate equal to the lesser of 6.5% or LIBOR plus 100 basis points, which may differ from our, or a potential acquirer's, then-current cost of capital) under the tax receivable agreement, which payment would be based on certain assumptions, including those relating to our future taxable income. In these situations, our obligations under the tax receivable agreements could have a substantial negative impact on our, or a potential acquirer's, liquidity and could have the effect of delaying, deferring, modifying or preventing certain mergers, asset sales, other forms of business combinations or other changes of control. These provisions of the tax receivable agreements may result in situations where certain direct or indirect equityholders of Virtu Financial have interests that differ from or are in addition to those of our other stockholders. In addition, we could be required to make payments under the tax receivable agreements that are substantial and in excess of our, or a potential acquirer's, actual cash savings in income tax.

We made our first payments under the tax receivable agreements in 2017. Havelock received \$2.0 million.

**Temasek Investment Agreement**

In connection with financing the Acquisition, on April 20, 2017, the Company entered into an investment agreement (the "Temasek Investment Agreement") with Aranda pursuant to which the Company agreed to issue 8,012,821 shares of the Company's Class A common stock to Aranda at a price of \$15.60 per share. Pursuant to the Temasek Investment Agreement, on July 20, 2017 the Company issued to Aranda 6,346,155 shares of Class A common stock for an aggregate purchase price of approximately \$99.0 million. Additionally, on August 10, 2017, the Company issued an additional 1,666,666 shares of its Class A common stock to Aranda pursuant to the Temasek Investment Agreement, for an aggregate purchase price of \$26.0 million (collectively, the "Temasek Investment").

The Temasek Investment Agreement provides that for so long as Aranda and its affiliates beneficially own at least 25% of its shares of Class A common stock held as of the closing of the Temasek Investment, Aranda is entitled to nominate one representative to serve as an observer on the Company's board of directors.

The Temasek Investment Agreement contains customary representations and warranties by the Company and Aranda, and the Company and Aranda have agreed to indemnify their counterparty for losses resulting from a breach of any representations, warranties or covenants by the other party. The Company has also agreed to indemnify Aranda and certain of its affiliates for losses to the extent (i) such parties are party to a claim as a result of their direct or indirect ownership of the shares of Class A common stock acquired in connection

Table of Contents

with the Temasek Investment and (ii) such claim is based on the Company's or its subsidiaries' (a) failure or alleged failure to comply with any Law (as defined in the Temasek Investment Agreement) or (b) ownership or the operation of its assets and properties or the operation or conduct of its business.

**Stockholders Agreements**

Prior to the consummation of our initial public offering, we entered into a Stockholders Agreement (the "Original Stockholders Agreement") with the Founding Equityholder and certain affiliates of a former equityholder.

The Original Stockholders Agreement provided for the reimbursement of Mr. Vincent Viola's, the Founding Equityholder's and certain affiliates of the former equityholder's out-of-pocket expenses incurred or accrued in connection with the reorganization transactions and our initial public offering (other than taxes and underwriting discounts and commissions), up to a maximum amount of \$850,000 for Mr. Vincent Viola and the Founding Equityholder.

In connection with the reorganization transactions, we, Virtu Financial, two of our wholly owned subsidiaries, and Havelock entered into a merger agreement, which provides for the reimbursement of Temasek's out-of-pocket expenses incurred or accrued in connection with the reorganization transactions and our initial public offering (other than taxes and underwriting discounts and commissions), subject to an agreed upon cap. In April 2015, we reimbursed \$350,000 to Havelock for out-of-pocket expenses incurred or accrued in connection with the reorganization transactions and our initial public offering.

In connection with entering into the Temasek Investment Agreement and an investment by the North Island Stockholder, on April 20, 2017, the Company entered into a Stockholders Agreement (the "Existing Stockholders Agreement") with the Founding Equityholder, Aranda, Havelock and the North Island Stockholder. The Existing Stockholders Agreement became effective on July 20, 2017. The Existing Stockholders Agreement grants the Temasek Stockholders tag along rights, subject to customary exceptions, in connection with a transfer of shares by the Founding Equityholder that are subject to cutback provisions on a pro rata basis (in each case calculated based on a fully exchanged and converted to Class A common stock basis).

**Indemnification Agreements**

We entered into an indemnification agreement with each of our executive officers and directors (including Mr. Vincent Viola) that provides, in general, that we will indemnify them to the fullest extent permitted by law in connection with their service to us or on our behalf.

**Other Transactions**

The Company conducts securities lending transactions with Industrial and Commercial Bank of China ("ICBC"), in which Temasek and its affiliates have a minority interest. In addition, in the ordinary course of business, we purchase telecommunications and Internet services from Level 3 Communications, Inc. ("Level 3 Communications"). Level 3 Communications is a wholly owned subsidiary of CenturyLink, Inc. in which Temasek and its affiliates have a minority ownership interest. For the three months ended March 31, 2018 and 2017, we paid \$0.7 million and \$0.7 million, respectively, to Level 3 for these services.

We purchase and lease computer equipment and maintenance and support from affiliates of Dell Inc. ("Dell"). Dell is a wholly owned subsidiary of Denali Holdings Inc., in which Temasek and its affiliates have a minority ownership interest. During the year ended December 31, 2017, we paid \$2.5 million to Dell for these purchases and leases. For the three months ended March 31, 2018 and 2017, we paid \$0.6 million and \$0.8 million, respectively, to Dell for these purchases and leases.

We purchase market data and software licenses from affiliates of Markit Group Holdings Limited ("MarkIt"). Temasek and its affiliates have a minority ownership interest in MarkIt. For the three months ended March 31, 2018, we paid \$0.4 million to MarkIt for these services.

We previously employed Michael T. Viola, the son of our Founder and Chairman Emeritus, as a trader. Michael T. Viola became a member of our board of directors in April 2016. We paid Mr. Michael T. Viola approximately \$0.8 million in compensation for the year ended December 31, 2015. Michael T. Viola was also granted 60,000 stock options with respect to shares of our Class A common stock under the 2015 Management Incentive Plan.

Additionally, in 2015 we entered into a sublease arrangement with an affiliate of Mr. Michael T. Viola for office space no longer used for our business. During the years ended December 31, 2016 and ended December 31, 2015, we received \$0.2 million and \$0.1 million, respectively, in consideration for the sublease.

**MATERIAL U.S. FEDERAL TAX CONSIDERATIONS**

The following is a general summary of material U.S. federal income tax consequences of the ownership and disposition of shares to a Non-U.S. Holder, as defined below:

***Non-U.S. Holders***

This summary assumes that our Class A common stock is held as a capital asset (generally, for investment). For purposes of this discussion, a Non-U.S. Holder is a beneficial owner of our Class A common stock that is treated for U.S. federal tax purposes as:

- § a non-resident alien individual;
- § a corporation (or other entity treated as a corporation for U.S. federal income tax purposes) created or organized under the laws of a jurisdiction other than the U.S. or any state or political subdivision thereof;
- § an estate, other than an estate the income of which is subject to U.S. federal income taxation regardless of its source; or
- § a trust, other than a trust that (i) is subject to the primary supervision of a court within the U.S. and which has one or more U.S. persons who have the authority to control all substantial decisions of the trust or (ii) has a valid election in effect under applicable U.S. Treasury regulations to be treated as a U.S. person.

For purposes of this discussion, a Non-U.S. Holder does not include a partnership (including for this purpose any entity that is treated as a partnership for U.S. federal income tax purposes). If a partnership or other pass-through entity is a beneficial owner of our Class A common stock, the tax treatment of a partner or other owner will generally depend upon the status of the partner (or other owner) and the activities of the entity. If you are a partner (or other owner) of a pass-through entity that acquires our Class A common stock, you should consult your tax advisor regarding the tax consequences of acquiring, owning and disposing of our Class A common stock. Also, it is important to note that the rules for determining whether an individual is a non-resident alien for income tax purposes differ from those applicable for estate tax purposes.

This discussion is not a complete analysis or listing of all of the possible tax consequences of such transactions and does not address all tax considerations that might be relevant to a Non-U.S. Holder in light of its particular circumstances or to Non-U.S. Holders that may be subject to special treatment under U.S. federal tax laws. Furthermore, this summary does not address estate and gift tax consequences, the Medicare contribution or net investment tax or tax consequences under any state, local or foreign laws.

Table of Contents

The following discussion is based upon the Internal Revenue Code of 1986, as amended (the "Code"), U.S. judicial decisions, administrative pronouncements and existing and proposed U.S. Treasury regulations, all as in effect as of the date hereof. All of the preceding authorities are subject to change, possibly with retroactive effect, so as to result in U.S. federal income tax consequences different from those discussed below. We have not requested, and will not request, a ruling from the IRS with respect to any of the U.S. federal income tax consequences described below.

**The following discussion is for general information only and is not intended to be, nor should it be construed to be, legal or tax advice to any holder or prospective holder of our Class A common stock and no opinion or representation with respect to the U.S. federal income tax consequences to any such holder or prospective holder is made. Prospective purchasers are urged to consult their tax advisors as to the particular consequences to them under U.S. federal, state and local, and applicable foreign tax laws of the acquisition, ownership and disposition of our Class A common stock.**

*Distributions*

Distributions of cash or property that we pay, in respect of our Class A common stock, will constitute dividends for U.S. federal income tax purposes to the extent paid from our current or accumulated earnings and profits (as determined under U.S. federal income tax principles). Except as described below under " U.S. Trade or Business Income," a Non-U.S. Holder generally will be subject to U.S. federal withholding tax at a 30% rate, or at a reduced rate prescribed by an applicable income tax treaty, on any dividends received in respect of our Class A common stock. If the amount of the distribution exceeds our current and accumulated earnings and profits, such excess first will be treated as a return of capital to the extent of the Non-U.S. Holder's tax basis in our Class A common stock, and thereafter will be treated as capital gain. However, except to the extent that we elect (or the paying agent or other intermediary through which a Non-U.S. Holder holds our Class A common stock elects) otherwise, we (or the intermediary) must generally withhold on the entire distribution, in which case the Non-U.S. Holder would be entitled to a refund from the IRS for the withholding tax on the portion of the distribution that exceeded our current and accumulated earnings and profits. In order to obtain a reduced rate of U.S. federal withholding tax under an applicable income tax treaty, a Non-U.S. Holder will be required to provide a properly executed IRS Form W-8BEN (or IRS Form W-8BEN-E or successor form) certifying such stockholder's entitlement to benefits under the treaty. If a Non-U.S. Holder is eligible for a reduced rate of U.S. federal withholding tax under an income tax treaty, the Non-U.S. Holder may obtain a refund or credit of any excess amounts withheld by filing an appropriate claim for a refund with the IRS. Non-U.S. Holders are urged to consult their own tax advisors regarding possible entitlement to benefits under an income tax treaty.

*Sale, Exchange or Other Taxable Disposition of our Class A Common Stock*

Except as described below under " Information Reporting and Backup Withholding Tax," and " FATCA," a Non-U.S. Holder generally will not be subject to U.S. federal income or withholding tax, in respect of any gain on a sale, exchange or other disposition of our Class A common stock, unless:

§ the gain is U.S. trade or business income, in which case, such gain will be taxed as described in " U.S. Trade or Business Income," below;

§ the Non-U.S. Holder is an individual who is present in the U.S. for 183 or more days in the taxable year of the disposition and certain other conditions are met, in which case, the Non-U.S. Holder will be subject to U.S. federal income tax at a rate of 30% (or a reduced rate under an applicable tax treaty) on the amount by which certain capital gains allocable to U.S. sources exceed certain capital losses allocable to U.S. sources; or

§ we are or have been a "U.S. real property holding corporation" (a "USRPHC") under Section 897 of the Code at any time during the period (the "applicable period") that is the shorter of the five-year period ending on the date of the disposition and the Non-US. Holder's holding period for our Class A common stock, in which case, subject to the exception set forth in the second sentence of the next paragraph, such gain will be subject to U.S. federal income tax in the same manner as U.S. trade or business income.

Table of Contents

In general, a corporation is a USRPHC if the fair market value of its "U.S. real property interests" equals or exceeds 50% of the sum of the fair market value of its worldwide real property interests and its other assets used or held for use in a trade or business. In the event that we are determined to be a USRPHC, gain will not be subject to tax as U.S. trade or business income under Section 897 of the Code if a Non-U.S. Holder's holdings (direct and indirect) at all times during the applicable period constituted 5% or less of our Class A common stock; *provided* that our Class A common stock was regularly traded on an established securities market during such period. We believe that we are not currently, and we do not anticipate becoming in the future, a USRPHC for U.S. federal income tax purposes.

***U.S. Trade or Business Income***

For purposes of this discussion, dividend income and gain on the sale, exchange or other taxable disposition of our Class A common stock will be considered to be "U.S. trade or business income" if (A) (i) such income or gain is effectively connected with the conduct of a trade or business within the U.S. by the Non-U.S. Holder and (ii) if the Non-U.S. Holder is eligible for the benefits of an income tax treaty with the U.S., such income or gain is attributable to a permanent establishment (or, in the case of an individual, a fixed base) that the Non-U.S. Holder maintains in the U.S. or (B) we are or have been a USRPHC at any time during the applicable period (subject to the exception set forth above in the second paragraph of "Sale, Exchange or Other Taxable Disposition of our Class A Common Stock"). Generally, U.S. trade or business income is not subject to U.S. federal withholding tax (provided certain certification and disclosure requirements are satisfied, including providing a properly executed IRS Form W-8ECI (or successor form)); instead, such income is subject to U.S. federal income tax on a net basis at regular U.S. federal income tax rates (in the same manner as a U.S. person). Any U.S. trade or business income received by a foreign corporation may also be subject to a "branch profits tax" at a 30% rate, or at a lower rate prescribed by an applicable income tax treaty.

***Information Reporting and Backup Withholding Tax***

We must annually report to the IRS and to each Non-U.S. Holder any dividend income that is subject to U.S. federal withholding tax, or that is exempt from such withholding pursuant to an income tax treaty. Copies of these information returns may also be made available under the provisions of a specific treaty or agreement to the tax authorities of the country in which a Non-U.S. Holder resides. Under certain circumstances, the Code imposes a backup withholding obligation on certain reportable payments. Dividends paid to a Non-U.S. Holder of our Class A common stock will generally be exempt from backup withholding if the Non-U.S. Holder provides a properly executed IRS Form W-8BEN (or IRS Form W-8BEN-E or successor form) or otherwise establishes an exemption and the applicable withholding agent does not have actual knowledge or reason to know that the stockholder is a U.S. person or that the conditions of such other exemption are not, in fact, satisfied.

The payment of the proceeds from the disposition of our Class A common stock to or through the U.S. office of any broker (U.S. or non-U.S.) will be subject to information reporting and possible backup withholding unless the stockholder certifies as to such stockholder's non-U.S. status under penalties of perjury or otherwise establishes an exemption and the broker does not have actual knowledge or reason to know that the stockholder is a U.S. person or that the conditions of any other exemption are not, in fact, satisfied. The payment of proceeds from the disposition of our Class A common stock to or through a non-U.S. office of a non-U.S. broker will not be subject to information reporting or backup withholding unless the non-U.S. broker has certain types of relationships with the U.S. (a "U.S.-related financial intermediary"). In the case of the payment of proceeds from the disposition of our Class A common stock to or through a non-U.S. office of a broker that is either a U.S. person or a U.S.-related financial intermediary, the U.S. Treasury regulations require information reporting (but not backup withholding) on the payment unless the broker has documentary evidence in its files that the beneficial owner is a Non-U.S. Holder and the broker has no knowledge to the contrary. Holders of our Class A common stock are urged to consult their tax advisor on the application of information reporting and backup withholding in light of their particular circumstances.

Table of Contents

Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules from a payment to a stockholder will be refunded or credited against such stockholder's U.S. federal income tax liability, if any, provided that the required information is timely furnished to the IRS.

**FATCA**

Pursuant to the Foreign Account Tax Compliance Act, or "FATCA," foreign financial institutions (which include most foreign hedge funds, private equity funds, mutual funds, securitization vehicles and any other investment vehicles) and certain other foreign entities must comply with information reporting rules with respect to their U.S. account holders and investors or confront a withholding tax on U.S. source payments made to them (whether received as a beneficial owner or as an intermediary for another party). More specifically, a foreign financial institution or other foreign entity that does not comply with the FATCA reporting requirements will generally be subject to a 30% withholding tax with respect to any "withholdable payments." For this purpose, withholdable payments include generally U.S.-source payments otherwise subject to nonresident withholding tax (e.g., U.S.-source dividends) and also include the entire gross proceeds from the sale or other disposition of any equity or debt instruments of U.S. issuers. An intergovernmental agreement between the U.S. and applicable foreign country may modify these requirements. The FATCA withholding tax will apply even if the payment would otherwise not be subject to U.S. nonresident withholding tax (e.g., because it is capital gain). Administrative guidance from the IRS defers this withholding obligation until January 1, 2019 for gross proceeds from dispositions of U.S. common stock.

Non-U.S. Holders are urged to consult with their own tax advisors regarding the effect, if any, of the FATCA provisions to them based on their particular circumstances.

The underwriting agreement provides that the obligations of the several underwriters are subject to certain conditions precedent such as the receipt by the underwriters of officers' certificates and legal opinions and approval of certain legal matters by their counsel. The underwriting agreement provides that the underwriters will purchase all of the shares of Class A common stock if any of them are purchased. If an underwriter defaults, the underwriting agreement provides that the purchase commitments of the nondefaulting underwriters may be increased or the underwriting agreement may be terminated. We and the selling stockholders have agreed to indemnify the underwriters and certain of their controlling persons against certain liabilities, including liabilities under the Securities Act, and to contribute to payments that the underwriters may be required to make in respect of those liabilities.

The underwriters have advised us that, following the completion of this offering, they currently intend to make a market in the shares of Class A common stock as permitted by applicable laws and regulations. However, the underwriters are not obligated to do so, and the underwriters may discontinue any market-making activities at any time without notice in their sole discretion. Accordingly, no assurance can be given as to the liquidity of the trading market for the shares of Class A common stock, that you will be able to sell any of the shares of Class A common stock held by you at a particular time or that the prices that you receive when you sell will be favorable.

The underwriters are offering the shares of Class A common stock subject to their acceptance of the shares of Class A common stock from us and the selling stockholders and subject to prior sale. The underwriters reserve the right to withdraw, cancel or modify offers to the public and to reject orders in whole or in part.

**Commission and Expenses**

The underwriters have advised us that they propose to offer the shares of Class A common stock to the public at the initial public offering price set forth on the cover page of this prospectus and to certain dealers, which may include the underwriters, at that price less a concession not in excess of \$ per share of Class A common stock. The underwriters may allow, and certain dealers may reallow, a discount from the concession not in excess of \$ per share of Class A common stock to certain brokers and dealers. After the offering, the initial public offering price, concession and reallowance to dealers may be reduced by the representatives. No such reduction will change the amount of proceeds to be received by us as set forth on the cover page of this prospectus.

Table of Contents

The following table shows the public offering price, the underwriting discounts and commissions that we and the selling stockholders are to pay the underwriters and the proceeds, before expenses, to us and the selling stockholders in connection with this offering. Such amounts are shown assuming both no exercise and full exercise of the underwriters' option to purchase additional shares.

	Per Share		Total	
	Without Option to Purchase Additional Shares	With Option to Purchase Additional Shares	Without Option to Purchase Additional Shares	With Option to Purchase Additional Shares
Public offering price	\$	\$	\$	\$
Underwriting discounts and commissions paid by us	\$	\$	\$	\$
Proceeds to us, before expenses	\$	\$	\$	\$
Underwriting discounts and commissions paid by the selling stockholders	\$	\$	\$	\$
Proceeds to the selling stockholders, before expenses	\$	\$	\$	\$

Pursuant to our Amended and Restated Registration Rights Agreement, we have agreed to indemnify the selling stockholders against certain liabilities and to pay certain expenses of the selling stockholders incurred in connection with the sale of Class A common stock in this offering, excluding underwriters' discounts and commissions. We estimate expenses payable by us in connection with this offering, other than the underwriting discounts and commissions referred to above, will be approximately \$ .

**Option to Purchase Additional Shares**

We and one of the selling stockholders have granted to the underwriters an option, exercisable for 30 days from the date of this prospectus, to purchase, from time to time, in whole or in part, up to an aggregate of 1,800,000 shares from us and 450,000 shares from such selling stockholders at the public offering price set forth on the cover page of this prospectus, less underwriting discounts and commissions. If the underwriters exercise this option, each underwriter will be obligated, subject to specified conditions, to purchase a number of additional shares proportionate to that underwriter's initial purchase commitment as indicated in the table above.

**No Sales of Similar Securities**

We, our directors and executive officers, the selling stockholders and certain of our equityholders have agreed with the underwriters, subject to specified exceptions, not to dispose of or hedge any of their common stock or securities convertible into or exchangeable for shares of common stock (including Virtu Financial Units) during the period from the date of this prospectus supplement continuing through the date that is 90 days after the date of this prospectus supplement, except with the prior written consent of the representatives.

**Stabilization**

The underwriters have advised us that they, pursuant to Regulation M under the Exchange Act, certain persons participating in the offering may engage in short sale transactions, stabilizing transactions, syndicate covering transactions or the imposition of penalty bids in connection with this offering. These activities may have the effect of stabilizing or maintaining the market price of the shares of our Class A common stock at a level above that which might otherwise prevail in the open market. Establishing short sales positions may involve either "covered" short sales or "naked" short sales.

"Covered" short sales are sales made in an amount not greater than the underwriters' option to purchase additional shares of our Class A common stock in this offering. The underwriters may close out any covered short position by either exercising their option to purchase additional shares of our Class A common stock or purchasing shares of our Class A common stock in the open market. In determining the source of shares to close out the covered short position, the underwriters will consider, among other things, the price of shares available for purchase in the open market as compared to the price at which they may purchase shares through the option to purchase additional shares.

"Naked" short sales are sales in excess of the option to purchase additional shares of our Class A common stock. The underwriters must close out any naked short position by purchasing shares in the open market. A naked short position is more likely to be created if the underwriters are concerned that there may be downward pressure on the price of the shares of our Class A common stock in the open market after pricing that could adversely affect investors who purchase in this offering.

A stabilizing bid is a bid for the purchase of shares of our Class A common stock on behalf of the underwriters for the purpose of fixing or maintaining the price of the shares of our Class A common stock. A syndicate covering transaction is the bid for or the purchase of shares of our Class A common stock on behalf of the underwriters to reduce a short position incurred by the underwriters in connection with the offering. Similar to other purchase transactions, the underwriter's purchases to cover the syndicate short sales may have the effect of raising or maintaining the market price of our Class A common stock or preventing or retarding a decline in the market price of our Class A common stock. As a result, the price of our Class A common stock may be higher than the price that might otherwise exist in the open market. A penalty bid is an arrangement permitting the underwriters to reclaim the selling concession otherwise accruing to a syndicate member in connection with the offering if the Class A common stock originally sold by such syndicate member are purchased in a syndicate covering transaction and therefore have not been effectively placed by such syndicate member.

None of us, the selling stockholders or any of the underwriters make any representation or prediction as to the direction or magnitude of any effect that the transactions described above may have on the price of our Class A common stock. The underwriters are not obligated to engage in these activities and, if commenced, any of the activities may be discontinued at any time.

The underwriters may also engage in passive market making transactions in our Class A common stock on The NASDAQ Global Select Market in accordance with Rule 103 of Regulation M during a period before the commencement of offers or sales of shares of our Class A common stock in this offering and extending through the completion of distribution. A passive market maker must display its bid at a price not in excess

Table of Contents

of the highest independent bid of that security. However, if all independent bids are lowered below the passive market maker's bid, that bid must then be lowered when specified purchase limits are exceeded.

**Electronic Distribution**

A prospectus in electronic format may be made available by e-mail or on the web sites or through online services maintained by one or more of the underwriters or their affiliates. In those cases, prospective investors may view offering terms online and may be allowed to place orders online. The underwriters may agree with us to allocate a specific number of shares of our Class A common stock for sale to online brokerage account holders. Any such allocation for online distributions will be made by the underwriters on the same basis as other allocations. Other than the prospectus in electronic format, the information on the underwriters' web sites and any information contained in any other web site maintained by any of the underwriters is not part of this prospectus, has not been approved and/or endorsed by us or the underwriters and should not be relied upon by investors.

**Other Activities and Relationships**

The underwriters and certain of their affiliates are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, financing and brokerage activities. The underwriters and certain of their affiliates have, from time to time, performed, and may in the future perform, various commercial and investment banking and financial advisory services for us and our affiliates, for which they received or will receive customary fees and expenses. In particular, certain of the underwriters or their respective affiliates are currently lenders under our senior secured credit facility, broker-dealer and/or our revolving credit facility, as the case may be, for which they receive, or are expected to receive, customary fees and expenses.

In the ordinary course of their various business activities, the underwriters and certain of their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers, and such investment and securities activities may involve securities and/or instruments issued by us and our affiliates. If the underwriters or their respective affiliates have a lending relationship with us, they routinely hedge their credit exposure to us consistent with their customary risk management policies. The underwriters and their respective affiliates may hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in our securities or the securities of our affiliates, including potentially the Class A common stock offered hereby. Any such short positions could adversely affect future trading prices of the Class A common stock offered hereby. The underwriters and certain of their respective affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such securities or instruments and may at any time hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

The underwriters are not required to engage in these activities and may end any of these activities at any time. These transactions may be effected on Nasdaq, NYSE, in the over-the-counter market or otherwise.

We and the selling stockholders have severally agreed to indemnify the underwriters against certain liabilities, including liabilities under the Securities Act.

**MiFID II Product Governance**

Any distributor subject to MiFID II that is offering, selling or recommending the shares of our Class A common stock is responsible for undertaking its own target market assessment in respect of the shares of our Class A common stock and determining its own distribution channels for the purposes of the MiFID product governance rules under Commission Delegated Directive (EU) 2017/593 ("Delegated Directive"). Neither we, the selling stockholders, nor the underwriters make any representations or warranties as to a distributor's compliance with the Delegated Directive.

This prospectus supplement has been prepared on the basis that any offer of shares of Class A common stock in any Member State of the European Economic Area will be made pursuant to an exemption under the Prospectus Directive from the requirement to publish a prospectus for offers of shares of Class A common stock. Accordingly any person making or intending to make an offer in that Member State of shares of Class A common stock which are the subject of the offering contemplated in this prospectus supplement may only do so in circumstances in which no obligation arises for the Company or any of the underwriters to publish a prospectus pursuant to Article 3 of the Prospectus Directive, in each case, in relation to such offer. Neither of the Company nor the underwriters have authorized, nor do they authorize, the making of any offer of shares of Class A common stock in circumstances in which an obligation arises for the Company or the underwriters to publish a prospectus for such offer. Neither of the Company, the selling stockholders, nor the underwriters have authorized, nor do they authorize, the making of any offer of shares of Class A common stock through any financial intermediary, other than offers made by the underwriters, which constitute the final placement of the shares of Class A common stock contemplated in this prospectus supplement.

- (a) to any legal entity which is a "qualified investor" as defined in the Prospectus Directive;
- (b) to fewer than 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive), as permitted under the Prospectus Directive, subject to obtaining the prior consent of the underwriters or the underwriters nominated by us for any such offer; or

provided that no such offer of shares of our Class A common stock shall require us or any of the underwriters to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an "offer of shares of our Class A common stock to the public" in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the shares of our Class A common stock to be offered so as to enable an investor to decide to purchase or subscribe to the shares of our Class A common stock, as the same may be varied in that Relevant Member State by any measure implementing the Prospectus Directive in that Relevant Member State and the expression "Prospectus Directive" means Directive 2003/71/EC (as amended), and includes any relevant implementing measure in the Relevant Member State.

**ABOUT THIS PROSPECTUS**

To understand the terms of the securities offered by this prospectus, you should carefully read this prospectus and any applicable prospectus supplement. You should also read the documents referred to under the heading "Where You Can Find More Information" for information on us and the business conducted by us.

This prospectus is part of a registration statement on Form S-3 that Virtu Financial, Inc., a Delaware corporation, which is also referred to as the "Company," "we," "us," and "our," has filed with the U.S. Securities and Exchange Commission, or the SEC, using a "shelf" registration procedure. Under this procedure, we may offer and sell from time to time, any of the following, in one or more series, which we refer to in this prospectus as the "securities:"

debt securities,

preferred stock,

Class A common stock,

depository shares,

warrants,

purchase contracts, and

units.

In addition, under this procedure, selling stockholders may offer and sell, from time to time in one or more offerings, shares of our Class A common stock.

The securities may be sold for U.S. dollars, foreign-denominated currency or currency units. Amounts payable with respect to any securities may be payable in U.S. dollars or foreign-denominated currency or currency units as specified in the applicable prospectus supplement.

This prospectus provides you with a general description of the securities we may offer. Each time we offer securities, or selling stockholders offer and sell shares of Class A common stock, we or selling stockholders will provide you with a prospectus supplement that will describe the specific amounts, prices and terms of the securities being offered. The prospectus supplement may also add, update or change information contained or incorporated by reference in this prospectus. If there is any inconsistency between the information in this prospectus and any prospectus supplement, you should rely on the information in the prospectus supplement.

The prospectus supplement may also contain information about any material U.S. federal income tax considerations relating to the securities covered by the prospectus supplement.

We and selling stockholders may sell securities to underwriters who will sell the securities to the public on terms fixed at the time of sale. In addition, the securities may be sold by us or selling stockholders directly or through dealers or agents designated from time to time, which agents may be affiliates of ours. If we or selling stockholders, directly or through agents, solicit offers to purchase the securities, we, selling stockholders and our and their agents reserve the sole right to accept and to reject, in whole or in part, any offer.

The prospectus supplement will also contain, with respect to the securities being sold, the names of any underwriters, dealers or agents, together with the terms of the offering, the compensation of any underwriters, dealers or agents and the net proceeds to us, or any selling

stockholders, as applicable.

Any underwriters, dealers or agents participating in the offering may be deemed "underwriters" within the meaning of the Securities Act of 1933, as amended, which we refer to in this prospectus as the "Securities Act."

**STATEMENTS REGARDING FORWARD-LOOKING INFORMATION**

Certain information included in this prospectus or in other materials we have filed or will file with the SEC (as well as information included in oral statements or other written statements made or to be made by us) includes forward-looking statements, which involve risks and uncertainties. You should not place undue reliance on forward-looking statements because they are subject to numerous uncertainties and factors relating to our operations and business environment, all of which are difficult to predict and many of which are beyond our control. Forward-looking statements include all matters that are not historical facts. They appear in a number of places throughout this prospectus and include statements regarding our intentions, beliefs or current expectations concerning, among other things, our results of operations, financial condition, liquidity, prospects, growth, strategies, the industry in which we operate and potential acquisitions. These forward-looking statements can be identified by the use of forward-looking terminology, including the terms "may," "will," "should," "believe," "expect," "anticipate," "intend," "plan," "estimate," "project" or, in each case, their negative, or other variations or comparable terminology and expressions. These statements are based on assumptions that we have made in light of our experience in the industry as well as our perceptions of historical trends, current conditions, expected future developments and other factors we believe are appropriate under the circumstances. As you read and consider this prospectus and any accompanying prospectus supplement, you should understand that these statements are not guarantees of performance or results and that our actual results of operations, financial condition and liquidity, and the development of the industry in which we operate, may differ materially from those made in or suggested by the forward-looking statements contained in this prospectus or any applicable prospectus supplement.

By their nature, forward-looking statements involve known and unknown risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. Although we believe that the forward-looking statements contained in this prospectus and any accompanying prospectus supplement are based on reasonable assumptions, you should be aware that many factors could affect our actual financial results or results of operations and could cause actual results to differ materially from those made in or suggested by such forward-looking statements, including but not limited to:

reduced levels of overall trading activity;

dependence upon trading counterparties and clearing houses performing their obligations to us;

failures of our customized trading platform;

risks inherent to the electronic market making business and trading generally;

increased competition in market making activities and execution services;

need to maintain and continue developing proprietary technologies;

failure to maintain system security or otherwise maintain confidential and proprietary information;

the effect of the all-cash acquisition (the "Acquisition") of KCG Holdings, Inc. ("KCG") on existing business relationships, operating results, and ongoing business operations generally;

the significant costs and significant indebtedness that we incurred in connection with the Acquisition of KCG, and the integration of KCG into our business;

the risk that we may encounter significant difficulties or delays in integrating the two businesses and that the anticipated benefits, costs savings and synergies or capital release may not be achieved;

the assumption of potential liabilities relating to KCG's business;

capacity constraints, system failures, and delays;

dependence on third party infrastructure or systems;

use of open source software;

failure to protect or enforce our intellectual property rights in our proprietary technology;

risks associated with international operations and expansion, including failed acquisitions or dispositions;

risks associated with potential growth and associated corporate actions;

inability to access, or delay in accessing the capital markets to sell shares or raise additional capital;

loss of key executives and failure to recruit and retain qualified personnel; and

risks associated with losing access to a significant exchange or other trading venue.

**RISK FACTORS**

Investing in our securities involves risk. You should carefully consider the specific risks discussed or incorporated by reference in the applicable prospectus supplement, together with all the other information contained in any applicable prospectus supplement or incorporated by reference in this prospectus and the applicable prospectus supplement. You should also consider the risks, uncertainties and assumptions discussed under the caption "Risk Factors" included in the Form 10-K for the year ended December 31, 2017, which are incorporated by reference into this prospectus, and which may be amended, supplemented or superseded from time to time by other reports we file with the SEC in the future.

**RATIO OF EARNINGS TO FIXED CHARGES AND RATIO OF EARNINGS TO  
COMBINED FIXED CHARGES AND PREFERRED STOCK DIVIDENDS**

The ratio of earnings to fixed charges for Virtu Financial, Inc. is set forth below for the periods indicated.

For purposes of computing the ratio of earnings to fixed charges, earnings were calculated by adding:

- (i) Income before income taxes and noncontrolling interest and
- (ii) Financing interest expense on long-term borrowings.

	Year Ended December 31,				
	2017	2016	2015	2014	2013
Ratio of earnings to fixed charges	2.8x	7.3x	8.4x	7.3x	8.6x

We did not have any preferred stock outstanding for the periods presented, and therefore the ratios of earnings to combined fixed charges and preferred stock dividends would be the same as the ratios of earnings to fixed charges presented above.

We will not receive any proceeds from the resale of our Class A common stock by selling stockholders.

Table of Contents

**DESCRIPTION OF THE DEBT SECURITIES**

**General**

The following description of the terms of our senior debt securities and subordinated debt securities (together, the "debt securities") sets forth certain general terms and provisions of the debt securities to which any prospectus supplement may relate. Unless otherwise noted, the general terms and provisions of our debt securities discussed below apply to both our senior debt securities and our subordinated debt securities. The particular terms of any debt securities and the extent, if any, to which such general provisions will not apply to such debt securities will be described in the prospectus supplement relating to such debt securities.

Our debt securities may be issued from time to time in one or more series. The senior debt securities will be issued from time to time in series under an indenture to be entered into by us and US Bank National Association, as Senior Indenture Trustee (as amended or supplemented from time to time, the "senior indenture"). The subordinated debt securities will be issued from time to time under a subordinated indenture to be entered into by us and US Bank National Association, as Subordinated Indenture Trustee (the "subordinated indenture" and, together with the senior indenture, the "indentures"). The Senior Indenture Trustee and the Subordinated Indenture Trustee are both referred to, individually, as the "Trustee." The senior debt securities will constitute our unsecured and unsubordinated obligations and the subordinated debt securities will constitute our unsecured and subordinated obligations. A detailed description of the subordination provisions is provided below under the caption "Ranking and Subordination Subordination." In general, however, if we declare bankruptcy, holders of senior debt securities will be paid in full before holders of subordinated debt securities will receive anything.

The statements set forth below are brief summaries of certain provisions contained in the indentures, which summaries do not purport to be complete and are qualified in their entirety by reference to the indentures, each of which is incorporated by reference as an exhibit or filed as an exhibit to the registration statement of which this prospectus forms a part. Terms used herein that are otherwise not defined shall have the meanings given to them in the indentures. Such defined terms shall be incorporated herein by reference.

The indentures do not limit the amount of debt securities that may be issued under the applicable indenture and debt securities may be issued under the applicable indenture up to the aggregate principal amount which may be authorized from time to time by us. Any such limit applicable to a particular series will be specified in the prospectus supplement relating to that series.

The applicable prospectus supplement will disclose the terms of each series of debt securities in respect to which such prospectus is being delivered, including the following:

the designation and issue date of the debt securities;

the date or dates on which the principal of the debt securities is payable;

the rate or rates (or manner of calculation thereof), if any, per annum at which the debt securities will bear interest;

the date or dates, if any, from which interest will accrue and the interest payment date or dates for the debt securities;

any limit upon the aggregate principal amount of the debt securities which may be authenticated and delivered under the applicable indenture;

the period or periods within which, the redemption price or prices or the repayment price or prices, as the case may be, at which and the terms and conditions upon which the debt securities

may be redeemed at the Company's option or the option of the holder of such debt securities (a "Holder");

the obligation, if any, of the Company to purchase the debt securities pursuant to any sinking fund or analogous provisions or at the option of a Holder of such debt securities and the period or periods within which, the price or prices at which and the terms and conditions upon which such debt securities will be purchased, in whole or in part, pursuant to such obligation;

if other than denominations of \$2,000 and integral multiples of \$1,000 in excess thereof, the denominations in which the debt securities will be issuable;

provisions, if any, with regard to the conversion or exchange of the debt securities, at the option of the Holders of such debt securities or the Company, as the case may be, for or into new securities of a different series, the Company's Class A common stock or other securities and, if such debt securities are convertible into the Company's Class A common stock or other Marketable Securities (as defined in the indentures), the conversion price;

if other than U.S. dollars, the currency or currencies or units based on or related to currencies in which the debt securities will be denominated and in which payments of principal of, and any premium and interest on, such debt securities shall or may be payable;

if the principal of (and premium, if any) or interest, if any, on the debt securities are to be payable, at the election of the Company or a Holder of such debt securities, in a currency (including a composite currency) other than that in which such debt securities are stated to be payable, the period or periods within which, and the terms and conditions upon which, such election may be made;

if the amount of payments of principal of (and premium, if any) or interest, if any, on the debt securities may be determined with reference to an index based on a currency (including a composite currency) other than that in which such debt securities are stated to be payable, the manner in which such amounts shall be determined;

provisions, if any, related to the exchange of the debt securities, at the option of the Holders of such debt securities, for other securities of the same series of the same aggregate principal amount or of a different authorized series or different authorized denomination or denominations, or both;

the portion of the principal amount of the debt securities, if other than the principal amount thereof, which shall be payable upon declaration of acceleration of the maturity thereof as more fully described under the section " Events of Default, Notice and Waiver" below;

whether the debt securities will be issued in the form of global securities and, if so, the identity of the depositary with respect to such global securities;

with respect to subordinated debt securities only, the amendment or modification of the subordination provisions in the subordinated indenture with respect to the debt securities; and

any other specific terms.

We may issue debt securities of any series at various times and we may reopen any series for further issuances from time to time without notice to existing Holders of securities of that series.

## Edgar Filing: Virtu Financial, Inc. - Form 424B7

Some of the debt securities may be issued as original issue discount debt securities. Original issue discount debt securities bear no interest or bear interest at below-market rates. These are sold at a discount below their stated principal amount. If we issue these securities, the prospectus supplement will describe any special tax, accounting or other information which we think is important. We

Table of Contents

encourage you to consult with your own competent tax and financial advisors on these important matters.

Unless we specify otherwise in the applicable prospectus supplement, the covenants contained in the indentures will not provide special protection to Holders of debt securities if we enter into a highly leveraged transaction, recapitalization or restructuring.

Unless otherwise set forth in the prospectus supplement, interest on outstanding debt securities will be paid to Holders of record on the date that is 15 days prior to the date such interest is to be paid, or, if not a business day, the next preceding business day. Unless otherwise specified in the prospectus supplement, debt securities will be issued in fully registered form only. Unless otherwise specified in the prospectus supplement, the principal amount of the debt securities will be payable at the corporate trust office of the Trustee in New York, New York. The debt securities may be presented for transfer or exchange at such office unless otherwise specified in the prospectus supplement, subject to the limitations provided in the applicable indenture, without any service charge, but we may require payment of a sum sufficient to cover any tax or other governmental charges payable in connection therewith.

**Ranking and Subordination**

*Ranking*

The senior debt securities will be our unsecured, senior obligations, and will rank equally with our other unsecured and unsubordinated obligations. The subordinated debt securities will be our unsecured, subordinated obligations.

The debt securities will effectively rank junior in right of payment to any of our existing and future secured obligations to the extent of the value of the assets securing such obligations. The debt securities will be effectively subordinated to all existing and future liabilities, including indebtedness and trade payables, of our subsidiaries. The indentures do not limit the amount of unsecured indebtedness or other liabilities that can be incurred by our subsidiaries.

*Subordination*

If issued, the indebtedness evidenced by the subordinated debt securities is subordinate to the prior payment in full of all our Senior Indebtedness (as defined below). During the continuance beyond any applicable grace period of any default in the payment of principal, premium, interest or any other payment due on any of our Senior Indebtedness, we may not make any payment of principal of, or premium, if any, or interest on the subordinated debt securities. In addition, upon any payment or distribution of our assets upon any dissolution, winding up, liquidation or reorganization, the payment of the principal of, or premium, if any, and interest on the subordinated debt securities will be subordinated to the extent provided in the subordinated indenture in right of payment to the prior payment in full of all our Senior Indebtedness. Because of this subordination, if we dissolve or otherwise liquidate, Holders of our subordinated debt securities may receive less, ratably, than Holders of our Senior Indebtedness. The subordination provisions do not prevent the occurrence of an event of default under the subordinated indenture.

The term "Senior Indebtedness" of a person means with respect to such person the principal of, premium, if any, interest on, and any other payment due pursuant to any of the following, whether outstanding on the date of the subordinated indenture or incurred by that person in the future:

all of the indebtedness of that person for borrowed money, including any indebtedness secured by a mortgage or other lien which is (1) given to secure all or part of the purchase price of property subject to the mortgage or lien, whether given to the vendor of that property or to another lender, or (2) existing on property at the time that person acquires it;

Table of Contents

all of the indebtedness of that person evidenced by notes, debentures, bonds or other similar instruments sold by that person for money;

all of the lease obligations which are capitalized on the books of that person in accordance with generally accepted accounting principles;

all indebtedness of others of the kinds described in the first two bullet points above and all lease obligations of others of the kind described in the third bullet point above that the person, in any manner, assumes or guarantees or that the person in effect guarantees through an agreement to purchase, whether that agreement is contingent or otherwise; and

all renewals, extensions or refundings of indebtedness of the kinds described in the first, second or fourth bullet point above and all renewals or extensions of leases of the kinds described in the third or fourth bullet point above;

*unless*, in the case of any particular indebtedness, lease, renewal, extension or refunding, the instrument or lease creating or evidencing it or the assumption or guarantee relating to it expressly provides that such indebtedness, lease, renewal, extension or refunding is not superior in right of payment to the subordinated debt securities. Our senior debt securities, and any unsubordinated guarantee obligations of ours to which we are a party, including Indebtedness For Borrowed Money, constitute Senior Indebtedness for purposes of the subordinated indenture.

Pursuant to the subordinated indenture, the subordinated indenture may not be amended, at any time, to alter the subordination provisions of any outstanding subordinated debt securities without the consent of the requisite holders of each outstanding series or class of Senior Indebtedness (as determined in accordance with the instrument governing such Senior Indebtedness) that would be adversely affected.

**Certain Covenants**

*Limitation on Consolidation, Merger, Conveyance or Transfer on Certain Terms*

The indentures provide that we will not consolidate with or merge into any other Person or convey or transfer our properties and assets substantially as an entirety to any Person, unless:

(1) the Person formed by such consolidation or into which our company is merged or the Person which acquires by conveyance or transfer the properties and assets of our company substantially as an entirety shall be organized and existing under the laws of the United States of America or any state of the United States or the District of Columbia, and shall expressly assume, by supplemental indenture, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, the due and punctual payment of the principal of (and premium, if any) and interest on all the debt securities and the performance of every covenant of the applicable indenture (as supplemented from time to time) on the part of our company to be performed or observed;

(2) immediately after giving effect to such transaction, no Event of Default, and no event which, after notice or lapse of time, or both, would become an Event of Default, shall have happened and be continuing; and

(3) we have delivered to the Trustee an officers' certificate and an opinion of counsel each stating that such consolidation, merger, conveyance or transfer and such supplemental indenture comply with this covenant and that all conditions precedent provided for relating to such transaction have been complied with.

Upon any consolidation or merger, or any conveyance or transfer of the properties and assets of our company substantially as an entirety as set forth above, the successor Person formed by such

consolidation or into which our company is merged or to which such conveyance or transfer is made shall succeed to, and be substituted for, and may exercise every right and power of our company under the applicable indenture with the same effect as if such successor had been named as our company in the applicable indenture. In the event of any such conveyance or transfer, our company, as the predecessor, shall be discharged from all obligations and covenants under the applicable indenture and the debt securities issued under such indenture and may be dissolved, wound up or liquidated at any time thereafter.

Subject to the foregoing, the indentures and the debt securities do not contain any covenants or other provisions designed to afford Holders of debt securities protection in the event of a recapitalization or highly leveraged transaction involving our company.

Any additional covenants of our company pertaining to a series of debt securities will be set forth in a prospectus supplement relating to such series of debt securities.

**Certain Definitions**

The following are certain of the terms defined in the indentures:

"*Consolidated Net Worth*" means, with respect to any Person, at the date of any determination, the consolidated stockholders' or owners' equity of the holders of capital stock or partnership interests of such Person and its subsidiaries, determined on a consolidated basis in accordance with GAAP consistently applied.

"*GAAP*" means generally accepted accounting principles as such principles are in effect in the United States as of the date of the applicable indenture.

"*Indebtedness For Borrowed Money*" of any Person means, without duplication, (a) all obligations of such Person for borrowed money, (b) all obligations of such Person evidenced by bonds, debentures, notes or similar instruments and (c) all guarantee obligations of such Person with respect to Indebtedness For Borrowed Money of others. The Indebtedness For Borrowed Money of any Person shall include the Indebtedness For Borrowed Money of any other entity (including any partnership in which such Person is general partner) to the extent such Person is liable therefor as a result of such Person's ownership interest in or other contractual relationship with such entity, except to the extent the terms of such Indebtedness For Borrowed Money provide that such Person is not liable therefor.

"*Material Subsidiary*" means any Person that is a Subsidiary if, at the end of the most recent fiscal quarter of our company, the aggregate amount, determined in accordance with GAAP consistently applied, of securities of, loans and advances to, and other investments in, such Person held by us and our other Subsidiaries exceeded 10% of our Consolidated Net Worth.

"*Person*" means any individual, corporation, limited liability company, partnership, joint venture, association, joint-stock company, trust, unincorporated organization or government or any agency or political subdivision thereof.

"*Subsidiary*" means, with respect to any Person, any corporation more than 50% of the voting stock of which is owned directly or indirectly by such Person, and any partnership, association, joint venture or other entity in which such Person owns more than 50% of the equity interests or has the power to elect a majority of the board of directors or other governing body.

**Optional Redemption**

If specified in the applicable prospectus supplement, we may redeem the debt securities of any series, as a whole or in part, at our option on or after the dates and in accordance with the terms established for such series, if any, in the applicable prospectus supplement. If we redeem the debt

securities of any series, we must also pay accrued and unpaid interest, if any, up to the date of redemption on such debt securities.

**Satisfaction and Discharge**

Each indenture will be discharged and will cease to be of further effect (except as to surviving rights or registration of transfer or exchange of the applicable series of the debt securities, as expressly provided for in the indenture) as to all outstanding debt securities of a series, when:

(1) Either:

(a) all of the applicable series of the debt securities theretofore authenticated and delivered (except lost, stolen or destroyed notes which have been replaced or paid and notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by us and thereafter repaid to us or discharged from such trust) have been delivered to the Trustee for cancellation; or

(b) all of the applicable series of debt securities not theretofore delivered to the Trustee for cancellation (1) have become due and payable or (2) will become due and payable within one year, or are to be called for redemption within one year, under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of us, and we have irrevocably deposited or caused to be deposited with the Trustee funds in an amount in the required currency sufficient to pay and discharge the entire Indebtedness on the applicable series of debt securities not theretofore delivered to the Trustee for cancellation for principal of, premium, if any, and interest on the applicable series of debt securities to the date of deposit or to the stated maturity or redemption date, as the case may be;

(2) we have paid all other sums payable under the indenture by us with regard to the debt securities of such series; and

(3) we have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent under the indenture relating to the satisfaction and discharge of the indenture with respect to the debt securities of such series have been complied with.

**Defeasance**

Each indenture provides that we, at our option:

(a) will be discharged from any and all obligations in respect of any series of debt securities (except in each case for certain obligations to register the transfer or exchange of debt securities, replace stolen, lost or mutilated senior debt securities, maintain paying agencies and hold moneys for payment in trust), or

(b) need not comply with the covenants described above under " Certain Covenants," and any other restrictive covenants described in a prospectus supplement relating to such series of debt securities and certain Events of Default (other than those arising out of the failure to pay interest or principal on the debt securities of a particular series and certain events of bankruptcy, insolvency and reorganization) will no longer constitute Events of Default with respect to such series of debt securities,

in each case if we deposit with the Trustee, in trust, money or the equivalent in securities of the government which issued the currency in which the debt securities are denominated or government agencies backed by the full faith and credit of such government, or a combination thereof, which through the payment of interest thereon and principal thereof in accordance with their terms will provide money in an amount sufficient to pay all the principal (including any mandatory sinking fund

payments) of, and interest on, such series on the dates such payments are due in accordance with the terms of such series.

To exercise any such option, we are required, among other things, to deliver to the Trustee an opinion of counsel to the effect that the deposit and related defeasance would not cause the Holders of such series to recognize income, gain or loss for federal income tax purposes and, in the case of a Discharge pursuant to clause (a) above, accompanied by a ruling to such effect received from or published by the United States Internal Revenue Service.

In addition, we are required to deliver to the Trustee an Officers' Certificate stating that such deposit was not made by us with the intent of preferring the Holders over other creditors of ours or with the intent of defeating, hindering, delaying or defrauding creditors of ours or others.

**Events of Default, Notice and Waiver**

Each indenture provides that, if an Event of Default specified therein with respect to any series of debt securities issued thereunder shall have happened and be continuing, either the Trustee thereunder or the Holders of 25% in aggregate principal amount of the outstanding debt securities of such series (or 25% in aggregate principal amount of all outstanding debt securities under such indenture, in the case of certain Events of Default affecting all series of debt securities issued under such indenture) may declare the principal of all the debt securities of such series to be due and payable.

"*Events of Default*" in respect of any series are defined in the indentures as being:

default for 30 days in payment of any interest installment with respect to such series;

default in payment of principal of, or premium, if any, on, or any sinking or purchase fund or analogous obligation with respect to, debt securities of such series when due at their stated maturity, by declaration or acceleration, when called for redemption or otherwise;

default for 90 days after written notice to us by the Trustee thereunder or by Holders of 25% in aggregate principal amount of the outstanding debt securities of such series in the performance, or breach, of any covenant or warranty pertaining to debt securities of such series; and

certain events of bankruptcy, insolvency and reorganization with respect to us or any Material Subsidiary of ours which is organized under the laws of the United States or any political subdivision thereof or the entry of an order ordering the winding up or liquidation of our affairs.

Any additions, deletions or other changes to the Events of Default which will be applicable to a series of debt securities will be described in the prospectus supplement relating to such series of debt securities.

Each indenture provides that the Trustee thereunder will, within 90 days after the occurrence of a default with respect to the debt securities of any series issued under such indenture, give to the Holders of the debt securities of such series notice of all uncured and unwaived defaults known to it; provided, however, that, except in the case of default in the payment of principal of, premium, if any, or interest, if any, on any of the debt securities of such series, the Trustee thereunder will be protected in withholding such notice if it in good faith determines that the withholding of such notice is in the interests of the Holders of the debt securities of such series. The term "default" for the purpose of this provision means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to debt securities of such series. Each indenture contains provisions entitling the Trustee under such indenture, subject to the duty of the Trustee during an Event of Default to act with the required standard of care, to be indemnified to its reasonable satisfaction by the Holders of the debt securities before proceeding to exercise any right or power under the applicable indenture at the request of Holders of such debt securities.

Table of Contents

Each indenture provides that the Holders of a majority in aggregate principal amount of the outstanding debt securities of any series issued under such indenture may direct the time, method and place of conducting proceedings for remedies available to the Trustee or exercising any trust or power conferred on the Trustee in respect of such series, subject to certain conditions.

In certain cases, the Holders of a majority in principal amount of the outstanding debt securities of any series may waive, on behalf of the Holders of all debt securities of such series, any past default or Event of Default with respect to the debt securities of such series except, among other things, a default not theretofore cured in payment of the principal of, or premium, if any, or interest, if any, on any of the senior debt securities of such series or payment of any sinking or purchase fund or analogous obligations with respect to such senior debt securities.

Each indenture includes a covenant that we will file annually with the Trustee a certificate of no default or specifying any default that exists.

**Modification of the Indentures**

We and the Trustee may, without the consent of the Holders of the debt securities issued under the indenture governing such debt securities, enter into indentures supplemental to the applicable indenture for, among others, one or more of the following purposes:

- (1) to evidence the succession of another Person to us and the assumption by such successor of our company's obligations under the applicable indenture and the debt securities of any series;
- (2) to add to the covenants of our company, or to surrender any rights or powers of our company, for the benefit of the Holders of debt securities of any or all series issued under such indenture;
- (3) to cure any ambiguity, to correct or supplement any provision in the applicable indenture which may be inconsistent with any other provision therein, or to make any other provisions with respect to matters or questions arising under such indenture or to conform the text of the indenture or the debt securities to this description of notes or the description of notes in an applicable prospectus supplement;
- (4) to add to the applicable indenture any provisions that may be expressly permitted by the Trust Indenture Act of 1939, as amended, or "the Act," excluding the provisions referred to in Section 316(a)(2) of the Act as in effect at the date as of which the applicable indenture was executed or any corresponding provision in any similar federal statute hereafter enacted;
- (5) to establish the form or terms of any series of debt securities to be issued under the applicable indenture, to provide for the issuance of any series of debt securities and/or to add to the rights of the Holders of debt securities;
- (6) to evidence and provide for the acceptance of any successor Trustee with respect to one or more series of debt securities or to add or change any of the provisions of the applicable indenture as shall be necessary to facilitate the administration of the trusts thereunder by one or more trustees in accordance with the applicable indenture;
- (7) to provide any additional Events of Default;
- (8) to provide for uncertificated securities in addition to or in place of certificated securities; provided that the uncertificated securities are issued in registered form for certain federal tax purposes;
- (9) to provide for the terms and conditions of converting those debt securities that are convertible into Class A common stock or another such similar security;

Table of Contents

(10) to secure any series of debt securities pursuant to the applicable indenture's limitation on liens;

(11) to make any change necessary to comply with any requirement of the SEC in connection with the qualification of the applicable indenture or any supplemental indenture under the Act or to comply with the rules of any applicable securities depository; and

(12) to make any other change that does not adversely affect the rights of the Holders of the debt securities.

No supplemental indenture for the purpose identified in clauses (2), (3), (5) or (7) above may be entered into if to do so would adversely affect the rights of the Holders of debt securities of any series issued under the same indenture in any material respect.

Each indenture contains provisions permitting us and the Trustee under such indenture, with the consent of the Holders of a majority in principal amount of the outstanding debt securities of all series issued under such indenture to be affected voting as a single class, to execute supplemental indentures for the purpose of adding any provisions to or changing or eliminating any of the provisions of the applicable indenture or modifying the rights of the Holders of the debt securities of such series to be affected, except that no such supplemental indenture may, without the consent of the Holders of affected debt securities, among other things:

(1) change the maturity of the principal of, or the maturity of any premium on, or any installment of interest on, any such debt security, or reduce the principal amount or the interest or any premium of any such debt securities, or change the method of computing the amount of principal or interest on any such debt securities on any date or change any place of payment where, or the currency in which, any debt securities or any premium or interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the maturity of principal or premium, as the case may be;

(2) reduce the percentage in principal amount of any such debt securities the consent of whose Holders is required for any supplemental indenture, waiver of compliance with certain provisions of the applicable indenture or certain defaults under the applicable indenture;

(3) modify any of the provisions of the applicable indenture related to (i) the requirement that the Holders of debt securities issued under such indenture consent to certain amendments of the applicable indenture, (ii) the waiver of past defaults and (iii) the waiver of certain covenants, except to increase the percentage of Holders required to make such amendments or grant such waivers; or

(4) impair or adversely affect the right of any Holder to institute suit for the enforcement of any payment on, or with respect to, such senior debt securities on or after the maturity of such debt securities.

In addition, the subordinated indenture provides that we may not make any change in the terms of the subordination of the subordinated debt securities of any series in a manner adverse in any material respect to the Holders of any series of subordinated debt securities without the consent of each Holder of subordinated debt securities that would be adversely affected.

Pursuant to the subordinated indenture, the subordinated indenture may not be amended, at any time, to alter the subordination provisions of any outstanding subordinated debt securities without the consent of the requisite holders of each outstanding series or class of Senior Indebtedness (as determined in accordance with the instrument governing such Senior Indebtedness) that would be adversely affected.

**The Trustee**

US Bank National Association is the Trustee under each indenture. The Trustee is a depository for funds and performs other services for, and transacts other banking business with, us in the normal course of business.

**Governing Law**

The indentures will be governed by, and construed in accordance with, the laws of the State of New York.

**Global Securities**

We may issue debt securities through global securities. A global security is a security, typically held by a depository, that represents the beneficial interests of a number of purchasers of the security. If we do issue global securities, the following procedures will apply.

We will deposit global securities with the depository identified in the prospectus supplement. After we issue a global security, the depository will credit on its book-entry registration and transfer system the respective principal amounts of the debt securities represented by the global security to the accounts of persons who have accounts with the depository. These account Holders are known as "participants." The underwriters or agents participating in the distribution of the debt securities will designate the accounts to be credited. Only a participant or a person who holds an interest through a participant may be the beneficial owner of a global security. Ownership of beneficial interests in the global security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the depository and its participants.

We and the Trustee will treat the depository or its nominee as the sole owner or Holder of the debt securities represented by a global security. Except as set forth below, owners of beneficial interests in a global security will not be entitled to have the debt securities represented by the global security registered in their names. They also will not receive or be entitled to receive physical delivery of the debt securities in definitive form and will not be considered the owners or Holders of the debt securities.

Principal, any premium and any interest payments on debt securities represented by a global security registered in the name of a depository or its nominee will be made to the depository or its nominee as the registered owner of the global security. None of us, the Trustee or any paying agent will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in the global security or maintaining, supervising or reviewing any records relating to the beneficial ownership interests.

We expect that the depository, upon receipt of any payments, will immediately credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of the global security as shown on the depository's records. We also expect that payments by participants to owners of beneficial interests in the global security will be governed by standing instructions and customary practices, as is the case with the securities held for the accounts of customers registered in "street names," and will be the responsibility of the participants.

If the depository is at any time unwilling or unable to continue as depository and a successor depository is not appointed by us within 90 days, we will issue registered securities in exchange for the global security. In addition, we may at any time in our sole discretion determine not to have any of the debt securities of a series represented by global securities. In that event, we will issue debt securities of that series in definitive form in exchange for the global securities.

**Common Stock**

*Voting*

The holders of our Class A common stock, Class B common stock, Class C common stock and Class D common stock vote together as a single class on all matters submitted to stockholders for their vote or approval, except (i) as required by applicable law or (ii) any amendment (including by merger, consolidation, reorganization or similar event) to our certificate of incorporation that would affect the rights of the Class A common stock and the Class C common stock in a manner that is disproportionately adverse as compared to the Class B common stock or Class D common stock, or vice versa, in which case the holders of Class A common stock and Class C common stock or the holders of Class B common stock and Class D common stock, as applicable, shall vote together as a class.

Holders of our Class A common stock and Class C common stock are entitled to one vote on all matters submitted to stockholders for their vote or approval. Holders of our Class B common stock and Class D common stock are entitled to ten votes on all matters submitted to stockholders for their vote or approval.

TJMT Holdings LLC (the "Founder Member"), an affiliate of Mr. Vincent Viola, our Founder and Chairman Emeritus, controls approximately 89.4% of the combined voting power of our common stock as a result of its ownership of our Class D common stock. Accordingly, the Founder Member controls our business policies and affairs and can control any action requiring the general approval of our stockholders, including the election of our board or directors, the adoption of amendments to our certificate of incorporation and by-laws and the approval of any merger or sale of substantially all of our assets. The Founder Member will continue to have such control as long as it owns at least 25% of our issued and outstanding common stock. This concentration of ownership and voting power may also delay, defer or even prevent an acquisition by a third party or other change of control of our Company and may make some transactions more difficult or impossible without the support of the Founder Member, even if such events are in the best interests of minority stockholders.

*Dividends*

The holders of Class A common stock and Class B common stock are entitled to receive dividends when, as and if declared by our board of directors out of legally available funds. Under our amended and restated certificate of incorporation, dividends may not be declared or paid in respect of Class B common stock unless they are declared or paid in the same amount in respect of Class A common stock, and vice versa. With respect to stock dividends, holders of Class B common stock must receive Class B common stock while holders of Class A common stock must receive Class A common stock.

Table of Contents

The holders of our Class C common stock and Class D common stock do not have any right to receive dividends other than dividends consisting of shares of our (i) Class C common stock, paid proportionally with respect to each outstanding share of our Class C common stock, and (ii) Class D common stock, paid proportionally with respect to each outstanding share of our Class D common stock, in each case in connection with stock dividends.

*Merger, Consolidation, Tender or Exchange Offer*

The holders of Class B common stock and Class D common stock are not entitled to receive economic consideration for their shares in excess of that payable to the holders of Class A common stock and Class C common stock, respectively, in the event of a merger, consolidation or other business combination requiring the approval of our stockholders or a tender or exchange offer to acquire any shares of our common stock. However, in any such event involving consideration in the form of securities, the holders of Class B common stock and Class D common stock will be entitled to receive securities that have no more than ten times the voting power of any securities distributed to the holders of Class A common stock and Class C common stock.

*Liquidation or Dissolution*

Upon our liquidation or dissolution, the holders of our Class A common stock and Class B common stock are entitled to share ratably in those of our assets that are legally available for distribution to stockholders after payment of liabilities and subject to the prior rights of any holders of preferred stock then outstanding. Other than their par value, the holders of our Class C common stock and Class D common stock do not have any right to receive a distribution upon a liquidation or dissolution of our company.

*Conversion, Transferability and Exchange*

Our amended and restated certificate of incorporation provides that each share of our Class B common stock is convertible at any time, at the option of the holder, into one share of Class A common stock, and each share of our Class D common stock is convertible at any time, at the option of the holder, into one share of Class C common stock. Our amended and restated certificate of incorporation further provides that each share of our Class B common stock will automatically convert into one share of Class A common stock, and each share of our Class D common stock will automatically convert into one share of our Class C common stock (a) immediately prior to any sale or other transfer of such share by the Founder Member or any of its affiliates or permitted transferees (collectively, "Founder Equityholders"), subject to certain limited exceptions, such as transfers to permitted transferees, or (b) if Founder Equityholders own less than 25% of our issued and outstanding common stock. Shares of our Class A common stock and Class C common stock are not subject to any conversion right.

Under our amended and restated certificate of incorporation, "permitted transferees" of the Founder Member include (i) Vincent Viola or any of his immediate family members (which would include parents, grandparents, lineal descendants, siblings of such person or such person's spouse, and lineal descendants of siblings of such person or such person's spouse) or any trust, family-partnership or estate-planning vehicle so long as Mr. Viola and/or his immediate family members are the sole economic beneficiaries thereof, (ii) any corporation, limited liability company, partnership or other entity of which all of the economic beneficial ownership thereof belongs to Mr. Viola, his immediate family members or any trust, family-partnership or estate-planning vehicle whose economic beneficiaries consist solely of Mr. Viola and/or his immediate family members, (iii) a charitable institution controlled by Mr. Viola and/or his immediate family members, (iv) an individual mandated under a qualified domestic relations order and (v) a legal or personal representative of Mr. Viola and/or his immediate family members in the event of death or disability.

Table of Contents

Among other exceptions described in our amended and restated certificate of incorporation, the Founder Equityholders are permitted to pledge shares of Class D common stock and/or Class B common stock that they hold from time to time without causing an automatic conversion to Class C common stock or Class A common stock, as applicable, provided that any pledged shares are not transferred to or registered in the name of the pledgee.

Subject to the terms of the Exchange Agreement (i) the Founder Member may exchange its non-voting common interest units of Virtu Financial LLC, which we refer to as "Virtu Financial Units," and a corresponding number of shares of our Class D common stock or, after the Triggering Event (defined as the point in time when the Founder Equityholders no longer beneficially own shares representing 25% of our issued and outstanding common stock), Class C common stock, for shares of our Class B common stock (or, after the Triggering Event, Class A common stock) and (ii) the other Virtu Post-IPO Members may exchange their vested Virtu Financial Units and a corresponding number of shares of our Class C common stock for shares of our Class A common stock. Each such exchange will be on a one-for-one basis, subject to customary conversion rate adjustments for stock splits, stock dividends and reclassifications. Upon exchange, each share of our Class C common stock or Class D common stock so exchanged will be cancelled.

*Other Provisions*

None of the Class A common stock, Class B common stock, Class C common stock or Class D common stock has any pre-emptive or other subscription rights. There are no redemption or sinking fund provisions applicable to the Class A common stock, Class B common stock, Class C common stock or Class D common stock.

At such time as no Virtu Financial Units remain exchangeable for shares of our Class A common stock, our Class C common stock will be cancelled. At such time as no Virtu Financial Units remain exchangeable for shares of our Class B common stock, our Class D common stock will be cancelled.

***Preferred Stock***

We are authorized to issue up to 50,000,000 shares of preferred stock. Our board of directors is authorized, subject to limitations prescribed by Delaware law and our amended and restated certificate of incorporation, to determine the terms and conditions of the preferred stock, including whether the shares of preferred stock will be issued in one or more series, the number of shares to be included in each series and the powers, designations, preferences and rights of the shares. Our board of directors is also authorized to designate any qualifications, limitations or restrictions on the shares without any further vote or action by the stockholders. The issuance of preferred stock may have the effect of delaying, deferring or preventing a change in control of our Company and may adversely affect the voting and other rights of the holders of our Class A common stock, Class B common stock, Class C common stock and Class D common stock, which could have a negative impact on the market price of our Class A common stock.

**Corporate Opportunities**

Our amended and restated certificate of incorporation provides that, to the fullest extent permitted by law, the doctrine of "corporate opportunity" does not apply against the Founder Member, Mr. Viola, and certain affiliates of Temasek Holdings (Private) Limited ("Temasek"), any of our non-employee directors or any of their respective affiliates in a manner that would prohibit them from investing in competing businesses or doing business with our clients or customers. In addition, subject to the restrictions on competitive activities described below, Mr. Cifu is permitted to become engaged in, or provide services to, any other business or activity in which Mr. Viola is currently engaged or permitted to become engaged, to the extent that Mr. Cifu's level of participation in such businesses or

Table of Contents

activities is consistent with his current participation in such businesses and activities. The Virtu Financial LLC Agreement provides that Mr. Viola, in addition to our other executive officers and our employees that are Virtu Members, may not directly or indirectly engage in certain competitive activities until the third anniversary of the date on which such person ceases to be an officer, director or employee of ours. Certain affiliates of Temasek and our non-employee directors are not subject to any such restriction.

**Certain Certificate of Incorporation, By-Law and Statutory Provisions**

The provisions of our amended and restated certificate of incorporation and by-laws and of the Delaware General Corporation Law summarized below may have an anti-takeover effect and may delay, defer or prevent a tender offer or takeover attempt that you might consider in your best interest, including an attempt that might result in your receipt of a premium over the market price for your shares of Class A common stock.

**Anti-Takeover Effects of our Certificate of Incorporation and Bylaws**

Our amended and restated certificate of incorporation and by-laws contain certain provisions that are intended to enhance the likelihood of continuity and stability in the composition of our board of directors and that may have the effect of delaying, deferring or preventing a future takeover or change in control of our Company unless such takeover or change in control is approved by our board of directors.

These provisions include:

*Classified Board.* Our amended and restated certificate of incorporation provides that our board of directors is divided into three classes of directors, with the classes as nearly equal in number as possible. As a result, approximately one-third of our board of directors is elected each year. The classification of directors has the effect of making it more difficult for stockholders to change the composition of our board. Our amended and restated certificate of incorporation also provides that, subject to any rights of holders of preferred stock to elect additional directors under specified circumstances, the number of directors is fixed exclusively pursuant to a resolution adopted by our board of directors.

In addition, our amended and restated certificate of incorporation provides that, following the Triggering Event (defined as the point in time when Founder Equityholders no longer beneficially own shares representing 25% of our issued and outstanding common stock), other than preferred stock directors and subject to obtaining any required stockholder votes or consents under the Stockholders Agreement, directors may only be removed for cause and by the affirmative vote of holders of 75% of the total voting power of our outstanding shares of common stock, voting together as a single class. This requirement of a super-majority vote to remove directors for cause could enable a minority of our stockholders to exercise veto power over any such removal.

*Action by Written Consent; Special Meetings of Stockholders.* Our amended and restated certificate of incorporation provides that, following the Triggering Event, stockholder action can be taken only at an annual or special meeting of stockholders and cannot be taken by written consent in lieu of a meeting. Our amended and restated certificate of incorporation and by-laws also provide that, subject to any special rights of the holders of any series of preferred stock and except as otherwise required by law, special meetings of the stockholders can only be called by the chairman or vice chairman of the board or the chief executive officer, or pursuant to a resolution adopted by a majority of the board of directors or, until the Triggering Event, at the request of holders of a majority of the total voting power of our outstanding shares of common stock, voting together as a single class. Except as described above, stockholders are not permitted to call a special meeting or to require the board of directors to call a special meeting.

Table of Contents

*Advance Notice Procedures.* Our amended and restated by-laws establish an advance notice procedure for stockholder proposals to be brought before an annual meeting of our stockholders, including proposed nominations of persons for election to the board of directors. Stockholders at an annual meeting are only able to consider proposals or nominations specified in the notice of meeting or brought before the meeting by or at the direction of the board of directors or by a stockholder who was a stockholder of record on the record date for the meeting, who is entitled to vote at the meeting and who has given our Secretary timely written notice, in proper form, of the stockholder's intention to bring that business before the meeting. Although the by-laws do not give our board of directors the power to approve or disapprove stockholder nominations of candidates or proposals regarding other business to be conducted at a special or annual meeting, the by-laws may have the effect of precluding the conduct of certain business at a meeting if the proper procedures are not followed or may discourage or deter a potential acquirer from conducting a solicitation of proxies to elect its own slate of directors or otherwise attempting to obtain control of our Company.

*Super-Majority Approval Requirements.* The Delaware General Corporation Law generally provides that the affirmative vote of the holders of a majority of the total voting power of the shares entitled to vote on any matter is required to amend a corporation's certificate of incorporation or by-laws, unless either a corporation's certificate of incorporation or by-laws require a greater percentage. Our amended and restated certificate of incorporation and by-laws provide that, following the Triggering Event, the affirmative vote of holders of 75% of the total voting power of our outstanding common stock eligible to vote in the election of directors, voting together as a single class, is required to amend, alter, change or repeal specified provisions, including those relating to the classified board, actions by written consent of stockholders, calling of special meetings of stockholders, business combinations and amendment of our amended and restated certificate of incorporation and by-laws. This requirement of a super-majority vote to approve amendments to our amended and restated certificate of incorporation and by-laws could enable a minority of our stockholders to exercise veto power over any such amendments.

*Authorized but Unissued Shares.* Our authorized but unissued shares of common stock and preferred stock are available for future issuance without stockholder approval. These additional shares may be utilized for a variety of corporate purposes, including future public offerings to raise additional capital, corporate acquisitions and employee benefit plans. The existence of authorized but unissued shares of common stock and preferred stock could render more difficult or discourage an attempt to obtain control of a majority of our common stock by means of a proxy contest, tender offer, merger or otherwise.

*Business Combinations with Interested Stockholders.* Our amended and restated certificate of incorporation provides that we are not subject to Section 203 of the Delaware General Corporation Law, an antitakeover law. In general, Section 203 prohibits a publicly held Delaware corporation from engaging in a business combination, such as a merger, with a person or group owning 15% or more of the corporation's voting stock for a period of three years following the date the person became an interested stockholder, unless (with certain exceptions) the business combination or the transaction in which the person became an interested stockholder is approved in a prescribed manner. Accordingly, we are not subject to any anti-takeover effects of Section 203. Nevertheless, our amended and restated certificate of incorporation contains provisions that have the same effect as Section 203, except that it provides that the Founder Member, certain affiliates of Temasek, their respective affiliates and successors and their transferees are not deemed to be "interested stockholders," regardless of the percentage of our voting stock owned by them, and accordingly are not subject to such restrictions.

**DESCRIPTION OF THE DEPOSITARY SHARES**

**General**

We may, at our option, elect to offer fractional shares rather than full shares of the preferred stock of a series. In the event that we determine to do so, we will issue receipts for depositary shares, each of which will represent a fraction (to be set forth in the prospectus supplement relating to a particular series of preferred stock) of a share of a particular series of preferred stock as more fully described below.

The shares of any series of preferred stock represented by depositary shares will be deposited under one or more deposit agreements among us, a depositary to be named in the applicable prospectus supplement, and the holders from time to time of depositary receipts issued thereunder. Subject to the terms of the applicable deposit agreement, each holder of a depositary share will be entitled, in proportion to the applicable fraction of a share of preferred stock represented by the depositary share, to all the rights and preferences of the preferred stock represented thereby (including, as applicable, dividend, voting, redemption, subscription and liquidation rights).

The depositary shares will be evidenced by depositary receipts issued pursuant to the deposit agreement. Depositary receipts will be distributed to those persons purchasing the fractional shares of the related series of preferred stock.

The following description sets forth certain general terms and provisions of the depositary shares to which any prospectus supplement may relate. The particular terms of the depositary shares to which any prospectus supplement may relate and the extent, if any, to which such general provisions may apply to the depositary shares so offered will be described in the applicable prospectus supplement. To the extent that any particular terms of the depositary shares or the deposit agreement described in a prospectus supplement differ from any of the terms described below, then the terms described below will be deemed to have been superseded by that prospectus supplement relating to such deposited shares. The forms of deposit agreement and depositary receipt will be filed as exhibits to the documents incorporated or deemed to be incorporated by reference in this prospectus.

The following summary of certain provisions of the depositary shares and deposit agreement does not purport to be complete and is subject to, and is qualified in its entirety by express reference to, all the provisions of the deposit agreement and the applicable prospectus supplement, including the definitions.

Immediately following our issuance of shares of a series of preferred stock that will be offered as fractional shares, we will deposit the shares with the depositary, which will then issue and deliver the depositary receipts to the purchasers thereof. Depositary receipts will only be issued evidencing whole depositary shares. A depositary receipt may evidence any number of whole depositary shares.

Pending the preparation of definitive depositary receipts, the depositary may, upon our written order, issue temporary depositary receipts substantially identical to (and entitling the holders thereof to all the rights pertaining to) the definitive depositary receipts but not in definitive form. Definitive depositary receipts will be prepared thereafter without unreasonable delay, and such temporary depositary receipts will be exchangeable for definitive depositary receipts at our expense.

**Dividends and Other Distributions**

The depositary will distribute all cash dividends or other cash distributions received in respect of the related series of preferred stock to the record holders of depositary shares relating to the series of preferred stock in proportion to the number of the depositary shares owned by the holders.

In the event of a distribution other than in cash, the depositary will distribute property received by it to the record holders of depositary shares entitled thereto in proportion to the number of depositary

Table of Contents

shares owned by the holders, unless the depositary determines that the distribution cannot be made proportionately among the holders or that it is not feasible to make the distributions, in which case the depositary may, with our approval, adopt any method as it deems equitable and practicable for the purpose of effecting the distribution, including the sale (at public or private sale) of the securities or property thus received, or any part thereof, at the place or places and upon those terms as it may deem proper.

The amount distributed in any of the foregoing cases will be reduced by any amounts required to be withheld by us or the depositary on account of taxes or other governmental charges.

**Redemption of Depositary Shares**

If any series of the preferred stock underlying the depositary shares is subject to redemption, the depositary shares will be redeemed from the proceeds received by the depositary resulting from any redemption, in whole or in part, of the series of the preferred stock held by the depositary. The redemption price per depositary share will be equal to the applicable fraction of the redemption price per share payable with respect to the series of the preferred stock. If we redeem shares of a series of preferred stock held by the depositary, the depositary will redeem as of the same redemption date the number of depositary shares representing the shares of preferred stock so redeemed. If less than all of the depositary shares are to be redeemed, the depositary shares to be redeemed will be selected by lot or a substantially equivalent method determined by the depositary.

After the date fixed for redemption, the depositary shares so called for redemption will no longer be deemed to be outstanding and all rights of the holders of the depositary shares will cease, except the right to receive the moneys payable upon redemption and any money or other property to which the holders of the depositary shares were entitled upon such redemption, upon surrender to the depositary of the depositary receipts evidencing the depositary shares. Any funds deposited by us with the depositary for any depositary shares that the holders thereof fail to redeem will be returned to us after a period of two years from the date the funds are so deposited.

**Voting the Underlying Preferred Stock**

Upon receipt of notice of any meeting at which the holders of any series of the preferred stock are entitled to vote, the depositary will mail the information contained in the notice of meeting to the record holders of the depositary shares relating to the series of preferred stock. Each record holder of the depositary shares on the record date (which will be the same date as the record date for the related series of preferred stock) will be entitled to instruct the depositary as to the exercise of the voting rights pertaining to the number of shares of the series of preferred stock represented by that holder's depositary shares. The depositary will endeavor, insofar as practicable, to vote or cause to be voted the number of shares of preferred stock represented by the depositary shares in accordance with the instructions, provided the depositary receives the instructions sufficiently in advance of the meeting to enable it to so vote or cause to be voted the shares of preferred stock, and we will agree to take all reasonable action that may be deemed necessary by the depositary in order to enable the depositary to do so. The depositary will abstain from voting shares of the preferred stock to the extent it does not receive specific instructions from the holders of depositary shares representing the preferred stock.

**Withdrawal of Stock**

Upon surrender of the depositary receipts at the corporate trust office of the depositary and upon payment of the taxes, charges and fees provided for in the deposit agreement and subject to the terms thereof, the holder of the depositary shares evidenced thereby is entitled to delivery at such office, to or upon such holder's order of, the number of whole shares of the related series of preferred stock and any money or other property, if any, represented by the depositary shares. Holders of depositary shares

Table of Contents

will be entitled to receive whole shares of the related series of preferred stock, but holders of the whole shares of preferred stock will not thereafter be entitled to deposit the shares of preferred stock with the depositary or to receive depositary shares therefor. If the depositary receipts delivered by the holder evidence a number of depositary shares in excess of the number of depositary shares representing the number of whole shares of the related series of preferred stock to be withdrawn, the depositary will deliver to the holder or upon such holder's order at the same time a new depositary receipt evidencing the excess number of depositary shares.

**Amendment and Termination of a Deposit Agreement**

The form of depositary receipt evidencing the depositary shares of any series and any provision of the applicable deposit agreement may at any time and from time to time be amended by agreement between us and the depositary. However, any amendment that materially adversely alters the rights of the holders of depositary shares of any series will not be effective unless the amendment has been approved by the holders of at least a majority of the depositary shares of the series then outstanding. Every holder of a depositary receipt at the time the amendment becomes effective will be deemed, by continuing to hold the depositary receipt, to be bound by the deposit agreement as so amended. Notwithstanding the foregoing, in no event may any amendment impair the right of any holder of any depositary shares, upon surrender of the depositary receipts evidencing the depositary shares and subject to any conditions specified in the deposit agreement, to receive shares of the related series of preferred stock and any money or other property represented thereby, except in order to comply with mandatory provisions of applicable law. The deposit agreement may be terminated by us at any time upon not less than 60 days prior written notice to the depositary, in which case, on a date that is not later than 30 days after the date of the notice, the depositary shall deliver or make available for delivery to holders of depositary shares, upon surrender of the depositary receipts evidencing the depositary shares, the number of whole or fractional shares of the related series of preferred stock as are represented by the depositary shares. The deposit agreement shall automatically terminate after all outstanding depositary shares have been redeemed or there has been a final distribution in respect of the related series of preferred stock in connection with any liquidation, dissolution or winding up of us and the distribution has been distributed to the holders of depositary shares.

**Charges of Depositary**

We will pay all transfer and other taxes and governmental charges arising solely from the existence of the depositary arrangements. We will pay the charges of the depositary, including charges in connection with the initial deposit of the related series of preferred stock and the initial issuance of the depositary shares and all withdrawals of shares of the related series of preferred stock, except that holders of depositary shares will pay transfer and other taxes and governmental charges and any other charges as are expressly provided in the deposit agreement to be for their accounts.

**Resignation and Removal of Depositary**

The depositary may resign at any time by delivering to us written notice of its election to do so, and we may at any time remove the depositary. Any resignation or removal is to take effect upon the appointment of a successor depositary, which successor depositary must be appointed within 90 days after delivery of the notice of resignation or removal and must be a bank or trust company having its principal office in the United States and having a combined capital and surplus of at least \$50,000,000.

**Miscellaneous**

The depositary will forward to the holders of depositary shares all reports and communications from us that are delivered to the depositary and which we are required to furnish to the holders of the related preferred stock.

The depositary's corporate trust office will be identified in the applicable prospectus supplement. Unless otherwise set forth in the applicable prospectus supplement, the depositary will act as transfer agent and registrar for depositary receipts and if shares of a series of preferred stock are redeemable, the depositary will also act as redemption agent for the corresponding depositary receipts.

**DESCRIPTION OF THE WARRANTS**

The following description of the terms of the warrants sets forth certain general terms and provisions of the warrants to which any prospectus supplement may relate. Each series of warrants will be issued under a separate warrant agreement to be entered into between us and a bank or trust company, as warrant agent. The warrant agent will act solely as our agent in connection with the warrants and will not assume any obligation or relationship of agency or trust for or with any holders or beneficial owners of warrants. The following summary of certain provisions of the warrants does not purport to be complete and is subject to, and qualified in its entirety by reference to, the provisions of the warrant agreement that will be filed with the SEC in connection with the offering of such warrants.

**DESCRIPTION OF THE PURCHASE CONTRACTS**

We may issue, from time to time, purchase contracts, including contracts obligating holders to purchase from us and obligating us to deliver to the holders, a specified principal amount of senior debt securities, subordinated debt securities, or a specified number of shares of Class A common stock or preferred stock or any of the other securities that we may sell under this prospectus at a future date or dates. We intend to physically settle such purchase contracts by delivering the agreed principal amount or number of securities, as applicable, upon settlement. The purchase contracts may be issued separately or as part of units consisting of a purchase contract and other securities or obligations issued by us. The purchase contracts may require us to make periodic payments to the holders of the purchase contracts or units or vice versa, and the payments may be unsecured or prefunded on some basis. The purchase contracts may require holders to secure their obligations under the purchase contracts.

Since the company maintains the airplane primarily for business purposes, the incremental cost of personal use of the airplane includes only the variable costs applicable to a trip (such as fuel, landing fees, and catering), and not the cost of owning and maintaining the aircraft (such as hanger rent, insurance, and depreciation).

## POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

## Employment Agreements

We have employment agreements with each named executive officer, (collectively, the “Employment Agreements”), with effective dates as detailed in the table below:

Name	Effective Date of Current Employment Agreement	Expiration Date of Current Employment Agreement
Keith G. Myers	April 1, 2014	March 31, 2017
Donald D. Stelly	August 19, 2013	August 18, 2016
Joshua L. Proffitt	August 7, 2015	July 31, 2018
Dionne E. Viator	February 1, 2015	April 30, 2016

Each of the Employment Agreements will automatically renew for additional one-year periods unless either party gives notice to the other of its intent not to renew the agreement. The Employment Agreements provide that each executive is entitled to a minimum annual base salary (subject to annual review and increases for merit performance) and is entitled to participate in all incentive, savings, retirement, and welfare benefit plans generally made available to our senior executive officers. Each of these executives will have an opportunity to earn an annual cash bonus based upon achievement of performance goals to be established by the Compensation Committee. In addition, each of the executives is entitled to fringe benefits generally made available to our senior executive officers, and will be eligible for equity grants under our long-term incentive plans generally made available to our senior executive officers. Effective April 30, 2016, Ms. Viator tendered her resignation as Executive Vice President, Chief Financial officer and Treasurer.

The Employment Agreements may be terminated by us at any time with or without “cause” (as defined therein), or by the executive with or without “good reason” (as defined therein). The Employment Agreements also terminate automatically upon the death or retirement of the executive and may be terminated by us if the executive becomes disabled. Depending on the reason for the termination and when it occurs, the executive will be entitled to certain

severance benefits, as described below.

**Termination for Cause; Resignation without Good Reason or due to Retirement**

If an executive is terminated for cause, resigns without good reason (as such terms are defined in the agreements), or retires, the executive receives only the salary and vested benefits that have accrued through the date of termination or retirement, except as to Ms. Viator, whose outstanding equity awards will continue to vest in accordance with their applicable vesting schedule, if she complies

33

---

with the restrictive covenants discussed below, in the event she resigns without good reason or retires. No other severance benefits are payable.

#### Termination Due to Disability or Death

If an executive is terminated due to disability or death, the executive (or his or her estate) receives salary and vested benefits accrued through the date of termination. The executive's outstanding equity awards will vest and become immediately exercisable pursuant to the terms of our long-term incentive plans and applicable award agreements.

#### Termination without Cause or Disability; Resignation for Good Reason

Under the current terms of the Employment Agreements, if the executive is terminated without cause or disability, or resigns for good reason, then the executive will be entitled to accrued salary, vested benefits, and a pro-rata portion of the annual bonus earned through the date of termination, as well as the continuation of health and welfare benefits for the COBRA-eligible period. In addition, each of Ms. Viator and Messrs. Myers, Stelly, and Proffitt will be entitled to: if the termination occurs prior to, or more than two years following, a change of control of the company: (A) a severance payment equal to the product of 1.5 times the sum of (1) the base salary in effect as of the date of termination, plus (2) the greater of the average of the annual bonuses earned for the two fiscal years in which annual bonuses were paid immediately preceding the termination, or the target bonus for the year in which the date of termination occurs; and (B) continued vesting of outstanding equity awards, assuming compliance with the restrictive covenants discussed below.

if the termination occurs within two years following a change of control of the company: (A) a severance payment equal to the product of 2.5 times the sum of (1) the base salary in effect as of the date of termination, plus (2) the greater of the average of the annual bonuses earned for the two fiscal years in which annual bonuses were paid immediately preceding the termination, or the target bonus for the year in which the date of termination occurs; and (B) the immediate and full vesting of all outstanding equity awards.

#### Restrictive Covenants

Each of the Employment Agreements contains confidentiality, non-compete, and non-solicitation covenants that apply during the executive's employment with the company and for a two year period, except as to Ms. Viator to whom a five year period applies, after the executive's termination of employment (or for a six month period if the executive's termination occurs within two years after a change in control).

#### Summary of Termination Payments and Benefits

The following table summarizes the value of the termination payments and benefits that our named executive officers would have received under their Employment Agreements if employment was terminated employment on December 31, 2015 under each of the circumstances shown. The amounts shown in the table exclude distributions under our 401(k) retirement plan and any additional benefits that are generally available to all of our salaried employees.

	Myers	Stelly	Proffitt	Viator
Reason for Termination:				
By Company Without Cause; by Executive for Good Reason				
Pro-rata Annual Bonus(1)	\$784,000	\$588,500	\$342,700	\$333,750
Cash Severance(2)	2,196,075	1,658,063	1,081,500	1,031,723
Total Estimated Value of Payments and Benefits	2,980,075	2,246,563	1,424,200	1,365,473
Termination Without Cause or by Executive for Good Reason Within 24 Months Following a Change of Control				
Pro-rata Annual Bonus(1)	784,000	588,500	342,700	333,750
Cash Severance(2)	3,660,125	2,763,438	1,802,500	1,719,538
Health and Welfare Continuation(3)	22,872	22,864	22,872	22,831
Value of Accelerated Equity Awards(4)	5,521,123	3,968,038	1,921,881	226,450
Total Estimated Value of Payments and Benefits	9,988,120	7,342,840	4,089,953	2,302,569
Death or Disability				
Pro-rata Annual Bonus(1)	784,000	588,500	342,700	333,750
Value of Accelerated Equity Awards(4)	5,521,123	3,968,038	1,921,881	226,450
Total Estimated Value of Payments and Benefits	\$6,305,123	\$4,556,538	\$2,264,581	\$560,200

Reflects a pro-rata payment of the executive's annual bonus for 2015, based on the portion of the year elapsed prior (1) to termination. As the table assumes that the executive was terminated on December 31, 2015, the amounts reflect full annual bonus for 2015.

Reflects a severance payment equal to the product of 1.5 times, or 2.5 times in the event of a change in control, the sum of (a) the executive's base salary in effect as of the date of termination and (b) the greater of the average of the (2) annual bonuses earned by the executive for the two immediately preceding fiscal years, or the executive's target bonus for the year in which the date of termination occurs.

Reflects the cost of providing continued health and welfare benefits to the executive after the termination date of employment. The company will pay the excess of the COBRA cost of such coverage over the amount that the (3) executive would have had to pay for such coverage if the executive had remained employed and paid the active employee rate. Our obligations to provide health and welfare benefits cease in the event the executive participates in another employer sponsored plan or when the COBRA benefit expires (18 months from qualifying event).

Represents the fair market value of shares of restricted stock that would immediately vest upon termination each (4) based on closing market price of our common stock as of December 31, 2015, which was \$45.29.

## PROPOSAL 2

### ADVISORY VOTE ON EXECUTIVE COMPENSATION

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” PROPOSAL 2, ADOPTION, ON AN ADVISORY BASIS, OF A RESOLUTION APPROVING THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

Pursuant to Section 14A of the Exchange Act, we provide our stockholders with the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers, as disclosed in this Proxy Statement in accordance with the rules of the SEC. This vote does not address any specific item of compensation but rather the overall compensation of our named executive officers and our compensation philosophy and practices as disclosed in the section titled “Executive Officer Compensation.” This disclosure includes the “Compensation Discussion and Analysis” and the “Executive Compensation Tables,” including the accompanying narrative disclosures. At last year’s Annual Meeting, we provided our stockholders with the opportunity to cast a non-binding advisory vote regarding the compensation of our named executive officers as disclosed in our Proxy Statement for the 2015 Annual Meeting of Stockholders. Our stockholders approved the “say-on-pay” proposal by approximately 95% of the voting power of the outstanding shares of our common stock present, in person or by proxy, at the 2015 Annual Meeting and entitled to vote on the proposal. We are again asking our stockholders to vote on the following resolution:

RESOLVED, that the stockholders of LHC Group, Inc. (the “Company”) approve, on an advisory basis, the compensation of the Company’s named executive officers as disclosed in the Proxy Statement for the company’s 2016 Annual Meeting of Stockholders pursuant to Item 402 of Regulation S-K of the rules of the Securities and Exchange Commission.

We understand that executive compensation is an important matter for our stockholders. Our core executive compensation philosophy and practice continue to be based on pay for performance, and we believe that our compensation program is strongly aligned with the long-term interests of our stockholders. In considering how to vote on this proposal, we encourage you to review all the relevant information in this Proxy Statement, including the “Compensation Discussion and Analysis” (including its executive summary), the “Executive Compensation Tables,” and the rest of the narrative disclosures regarding our executive compensation program in the section titled “Executive Officer Compensation”.

While this advisory vote, commonly referred to as a “say-on-pay” vote, is not binding, our board of directors and the Compensation Committee value the opinion of our stockholders and will consider the outcome of the vote when making future compensation decisions for our named executive officers. Following the recommendation of our stockholders at our 2011 Annual Meeting, we will hold a “say-on-pay” vote at each Annual Meeting until the next required vote of our stockholders regarding the frequency of “say-on-pay” at our 2017 Annual Meeting of Stockholders. We invite stockholders who wish to communicate with our board of directors on executive compensation or any other matters to contact us as provided in the section titled “The Board of Directors and Corporate Governance—Stockholder Communications with the Board of Directors.”

For additional information on the voting requirements, see the section titled “Questions and Answers about the Proxy Materials, Annual Meeting and Voting.”

PROPOSAL 3

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” PROPOSAL 3, THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

The independent accounting firm of KPMG LLP (“KPMG”) has served as our independent registered public accounting firm since August 20, 2008. Our Audit Committee has selected KPMG to conduct the annual audit of our financial statements for the fiscal year ending December 31, 2016. KPMG has no financial interest, direct or indirect, in the company and does not have any connection with the company except in its professional capacity as an independent auditor.

The ratification by the stockholders of the selection of KPMG as our independent registered public accounting firm is not required by law or by our bylaws. Our board of directors, consistent with the practice of many publicly held corporations, is nevertheless submitting ratification of its selection of KPMG to its stockholders for approval. If our stockholders do not ratify the selection of KPMG at the annual meeting, the Audit Committee may reconsider its selection of KPMG as our independent registered public accounting firm for the fiscal year ending December 31, 2016. Even if the selection of KPMG is ratified, the Audit Committee, in its sole discretion, may appoint a different independent registered public accounting firm at any time during the fiscal year if the Audit Committee determines that such a change would be in the best interests of the company and our stockholders.

Representatives of KPMG will be present at the 2016 Annual Meeting of Stockholders and will have an opportunity to make a statement, if they so desire, and to respond to appropriate questions.

For additional information on the voting requirements, see the section titled “Questions and Answers about the Proxy Materials, Annual Meeting and Voting.”

Principal Accounting Fees and Services

The following table shows the fees related to the audit and other services provided by KPMG for the fiscal years ended December 31, 2015 and 2014:

Fee Category	2015	2014
Audit Fees (1)	\$1,280,557	\$1,214,478
Audit-Related Fees (2)	—	—
All Other Fees (3)	1,650	1,650
Total	\$1,282,207	\$1,216,128

Audit Fees includes the aggregate fees billed for professional services rendered for the audit of our annual financial (1) statements for 2015 and 2014 and internal control over financial reporting, review of our Form 10-K and Form 10-Qs for the same periods, quarterly reviews, and review of other SEC filings.

(2) Audit-Related Fees includes fees for professional services rendered for assistance with review of financial statements not included in (1) above.

(3) All Other Fees includes the Accounting Research Online tool used by the company during 2015 and 2014.

Audit Committee Pre-Approval Policy

Our Audit Committee approves all fees to be paid for audit and audit-related services and all other fees of our independent auditor prior to engagement for those services.

The Audit Committee is responsible for the appointment, compensation, and oversight of the work performed by our independent registered public accounting firm. The Audit Committee has adopted a pre-approval policy requiring it to pre-approve all audit and audit-related services and permitted non-audit services provided by our independent registered public accounting firm in order to assure that the provision of such services does not impair their independence. The Audit Committee pre-approved all services provided by KPMG in 2014 and 2015. The Audit Committee has pre-approved all services anticipated to be provided by KPMG during 2016.

The Audit Committee pre-approval policy sets forth specified audit, audit-related, tax, and other permissible non-audit services, if any, for which pre-approval is provided, without further approval by the Audit Committee, up to a maximum fee amount set annually by the Audit Committee. Pre-approval is generally provided for up to one year, and any proposed services exceeding these

37

---

fee levels or any services not specifically identified in the policy must be specifically pre-approved by the Audit Committee. Our independent registered public accounting firm and management periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval policy. The Audit Committee may also pre-approve particular services on a case-by-case basis and may delegate specific pre-approval authority to one or more members pursuant to a resolution adopted by the unanimous approval of the Audit Committee, provided that the member reports any pre-approved services at the next regularly scheduled Audit Committee meeting.

## REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee oversees the company's financial reporting process on behalf of our board of directors. Management has the primary responsibility for the financial statements and the financial reporting process, including the systems of internal controls over financial reporting. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the company's audited financial statements for the fiscal year ended December 31, 2015, including a discussion of the acceptability and quality of the accounting principles, the reasonableness of significant accounting judgments, and the clarity of disclosures in the financial statements. In consultation with management, the Audit Committee also considered the company's financial reporting processes and reviewed and assessed the adequacy of internal controls over financial reporting.

The Audit Committee discussed with KPMG LLP ("KPMG"), the company's independent registered public accounting firm, the overall scope and plans for the audit of the company's financial statements. The Audit Committee has met with KPMG, with and without management present, to discuss the results of its observations of the company's internal controls and the overall quality of the company's financial reporting.

The Audit Committee reviewed with KPMG, who are responsible for expressing an opinion whether the financial statements are presented fairly in all material respects in accordance with U.S. generally accepted accounting principles, their judgments as to the acceptability and quality of the company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, including those matters required to be discussed by Statement on Auditing Standards No. 16, Communications with Audit Committees, which superseded Statement on Auditing Standards No. 61, as amended and as adopted by the Public Company Accounting Oversight Board ("PCAOB") in Rule 3200T. The Audit Committee also reviewed and discussed with management and KPMG management's report and KPMG's report and attestation on internal control over financial reporting in accordance with Section 404 of the Sarbanes-Oxley Act of 2002.

In addition, the Audit Committee has received the written disclosures and the letter from KPMG required by applicable requirements of the PCAOB regarding KPMG's communications with the Audit Committee concerning independence and has discussed those disclosures with KPMG. In addition, the Audit Committee discussed with KPMG their independence from management and the company. The Audit Committee also considered whether KPMG's provision of services during 2015 that were unrelated to their audit of the company's financial statements and to their reviews of the company's interim financial statements during 2015 is compatible with maintaining KPMG's independence.

Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and KPMG. Based on the foregoing reviews and discussions with management and with KPMG, and the receipt of an unqualified opinion from KPMG dated March 3, 2016 regarding the company's audited financial statements for the fiscal year ended December 31, 2015, the Audit Committee recommended to our board of directors that the audited financial statements be included in the company's Annual Report on Form 10-K for the fiscal year ended December 31, 2015 for filing with the Securities and Exchange Commission.

Submitted by the Audit Committee of the Board of Directors.

## CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

### Indemnification Agreements with Directors

We have adopted provisions in our Certificate of Incorporation on file with the Delaware Secretary of State that limit the liability of our directors for monetary damages for breach of their fiduciary duties, except for liability that cannot be eliminated under the Delaware General Corporation Law (“DGCL”). The DGCL provides that our directors will not be personally liable for monetary damages for breach of their fiduciary duties as directors, except for any of the following: (1) any breach of their duty of loyalty to the company or our stockholders; (2) acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law; (3) unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the DGCL; or (4) any transaction from which the director derived an improper personal benefit. This limitation does not apply to liabilities arising under the federal securities laws and does not affect the availability of equitable remedies such as injunctive relief or rescission. Our bylaws also provide that we will indemnify our directors and executive officers and we may indemnify our other officers and employees and other agents to the fullest extent permitted by law. In addition, our bylaws permit us to secure insurance on behalf of any officer, director, employee, or other agent for any liability arising out of his or her actions in such capacity, regardless of whether our bylaws would permit indemnification. We have entered into separate indemnification agreements with our directors, in addition to the indemnification provided by our Certificate of Incorporation and bylaws. These agreements, among other things, provide for indemnification of our directors for expenses, judgments, fines, and settlement amounts incurred by our directors in any action or proceeding arising out of his or her services as a director or at our request.

### Company Policy and Certain Relationships

We believe that business decisions and actions taken by our officers, directors, and employees should be based on the best interests of the company, and must not be motivated by personal considerations or relationships. We attempt to analyze any transactions in which the company participates and in which a related person (as defined below) may have a direct or indirect material interest, both due to the potential for a conflict of interest and to determine whether disclosure of the transaction is required under applicable SEC rules and regulations.

In August 2014, the Audit Committee approved revisions to the written policies and procedures adopted by the Audit Committee in April 2007 for reviewing and approving transactions between the company and related persons, including directors, nominees, executive officers, and any person known to be the beneficial owner of more than 5% of the company’s voting securities or any immediate family member of an executive officer, director, nominee, or greater than 5% beneficial holder. The policy also covers any firm, corporation, or other entity which is owned or controlled by any such person, or in which such person has a substantial ownership interest. Prior to entering into a transaction with a related person, notice must be given to our legal counsel containing (i) the related person’s relationship to the company and interest in the transaction, (ii) the material facts of the transaction, (iii) the benefits to the company of the transaction, (iv) the availability of any other sources of comparable products or services, and (v) an assessment of whether the transaction is on terms comparable to those available to an unrelated third party. If our legal counsel determines that it is a related party transaction, the proposed transaction is submitted to the Audit Committee for its approval. The policy also provides for the annual review by the Audit Committee of ongoing related person transactions.

The company maintains an employment arrangement with Ned B. Wilford, brother of Dan S. Wilford, a member of our board of directors. As complete and final compensation for Ned B. Wilford’s services in identifying the opportunity for and further assisting with the company’s acquisition of 13 home health agencies from LifeCare Home Health, Inc. in September 2014, the company paid Ned B. Wilford \$100,000 in 2014 and \$100,000 in 2015.

The company employs Zachary J. Indest, son of John L. Indest, a member of our board of directors. Zachary Indest serves as the company’s Vice President of Integration, and for 2015 was paid an annual salary of \$116,571 and a cash bonus of \$15,809.

The company employs Brach J. Myers, son of Keith G. Myers, our Chief Executive Officer. Brach Myers serves as the company’s Vice President of Strategic Partnerships and Communications, and for 2015 was paid an annual salary of \$123,164, cash bonus of \$18,360, and was granted 995 shares of time-vesting restricted stock of the company.

The company employs Eric Elliott, brother of Dionne E. Viator, our Chief Financial Officer. Eric Elliott serves as the company’s Senior Vice President of Finance, and for 2015 was paid an annual salary of \$138,980, cash bonus of

\$49,393, and was granted 1,540 shares of time-vesting restricted stock of the company.

The company has not had any other transactions with related persons that required disclosure under the applicable SEC rules and regulations, and no such transactions are currently proposed.

## GENERAL INFORMATION

### Delivery of Proxy Materials, Annual Reports and Notices of Internet Availability of Proxy Materials

The delivery rules regarding proxy materials may be satisfied by delivering a single copy of proxy materials to an address shared by two or more stockholders. This method of delivery is referred to as “householding.” Currently, we are not householding for registered stockholders, but brokers, dealers, banks, or other entities that hold common stock in street name for beneficial owners of common stock and that distribute proxy materials they receive to beneficial owners may be householding. Such brokers, dealers, banks, or other entities may deliver only one set of proxy materials to certain multiple stockholders who share an address, unless the company or such other distributor has received contrary instructions from one or more of those stockholders. We undertake to deliver promptly upon request a separate copy of any of the proxy materials to a stockholder at a shared address to which a single copy of these documents was delivered. Stockholders may notify us of their request(s) by calling (800) 489-1307 or by sending a written request addressed to our Corporate Secretary at LHC Group, Inc., 901 Hugh Wallis Road South, Lafayette, Louisiana 70508. Registered stockholders sharing an address can request delivery of a single copy of any of the proxy materials through these methods of notification. In addition, stockholders who hold shares of our common stock in street name who prefer to receive separate copies of the proxy materials, or who are receiving multiple copies of proxy materials and who prefer to receive a single copy, either now or in the future, should contact their broker, dealer, bank, or other record holder entity.

### Incorporation by Reference

To the extent that this Proxy Statement has been or will be specifically incorporated by reference into any other filing of the company under the Securities Act of 1933 or the Exchange Act, the sections of this Proxy Statement entitled “Report of the Audit Committee of the Board of Directors” (to the fullest extent permitted by applicable laws and rules) and “Compensation Committee Report” shall not be deemed to be so incorporated, unless specifically provided otherwise in such filing.

### 2015 Annual Report

Upon the written request of any stockholder entitled to vote at the Annual Meeting, the company will furnish, without charge, a copy of the company’s Annual Report on Form 10-K for the year ended December 31, 2015, as filed with the Securities and Exchange Commission. Requests should be directed to the company’s Corporate Secretary at 901 Hugh Wallis Road South, Lafayette, Louisiana 70508 or by calling (800) 489-1307 or submitting an e-mail through our website at [www.lhcgroup.com](http://www.lhcgroup.com) by clicking on “Contact Us”. A copy of the Annual Report for the fiscal year ended December 31, 2015, which includes the Form 10-K, is being made available concurrently with this Proxy Statement. The Annual Report and the Form 10-K are not incorporated into this Proxy Statement and are not considered proxy solicitation materials.
