PROXY STATEMENT
DATED OCTOBER 21, 2005

ANNUAL MEETING OF SHAREHOLDERS
FOR THE FISCAL YEAR ENDED MARCH 31, 2005
TO BE HELD ON DECEMBER 1, 2005

GENERAL

This Proxy Statement is being furnished to the shareholders of Bonso Electronics International Inc. ("Bonso" or the "Corporation") in connection with the solicitation of proxies by the Board of Directors of the Corporation (the "Board of Directors") from the shareholders of the Corporation ("Shareholders") for use at the Annual Meeting of the Shareholders to be held at 10:00 a.m., local time, on December 1, 2005, at the Hilton Hotel, located at 5711 West Century Boulevard, Los Angeles, CA 90045, and any adjournments or postponements thereof (the "Meeting"). This Proxy Statement, Notice of Annual Meeting of Shareholders, and the accompanying Proxy Card are first being mailed to

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

Shareholders on or about October 21, 2005.

VOTING SECURITIES AND VOTE REQUIRED

Only Shareholders of record at the close of business on October 3, 2005 (the "Record Date"), are entitled to notice of and to vote the shares of Common Stock of the Corporation held by them on such date at the Meeting. As of the Record Date, 5,577,639 shares of Common Stock were outstanding. There was no other class of voting securities outstanding at that date. Each share of Common Stock held by a Shareholder entitles such Shareholder to one vote on each matter that is voted upon at the Meeting.

The presence, in person or by proxy, of the holders of one-third of the outstanding shares of Common Stock is necessary to constitute a quorum at the Meeting. Abstentions and broker "non-votes" will be counted toward determining the presence of a quorum for the transaction of business. Assuming that a quorum is present, in the election of directors, the seven nominees receiving the highest number of affirmative votes will be elected. Accordingly, abstentions and broker "non-votes" will have no effect in determining which nominees have been elected directors. Assuming that a quorum is present, the ratification of the selection of PricewaterhouseCoopers as the Corporation's public accountants for the fiscal year ending March 31, 2006 will require the affirmative vote of a majority of the shares of the Corporation's Common Stock present in person or represented by proxy at the Annual Meeting. As a result, abstentions and broker "non-votes" will have the effect of a vote against the ratification of the selection of PricewaterhouseCoopers.

3

If the accompanying Proxy Card is properly signed and returned to the Corporation and not revoked, it will be voted in accordance with the instructions contained therein. Unless contrary instructions are given, the persons designated as proxy holders in the accompanying Proxy Card will vote "FOR" each of the seven director nominees named in this Proxy Statement and "FOR" the ratification of the selection of PricewaterhouseCoopers as the Corporation's independent public accountants for the fiscal year ending March 31, 2006. Each Proxy granted by a Shareholder may be revoked by such Shareholder at any time thereafter by writing to the Secretary of the Corporation prior to the Meeting, or by execution and delivery of a subsequent Proxy or by attendance and voting in person at the Meeting, except as to any matter or matters upon which, prior to such revocation, a vote shall be cast pursuant to the authority conferred by such Proxy.

The cost of soliciting these Proxies, consisting of the printing, handling, and mailing of the Proxy and related material, and the actual expense incurred by brokerage houses, custodians, nominees and fiduciaries in forwarding proxy materials to the beneficial owners of the shares of Common Stock, will be paid by the Corporation.

In order to assure that there is a quorum, it may be necessary for certain officers, directors, regular employees and other representatives of the Corporation to solicit Proxies by telephone, facsimile or in person. These persons will receive no extra compensation for their services.

BOARD COMMITTEES

During the fiscal year ended March 31, 2005, Messrs. Woo Ping Fok and Henry F. Schlueter were members of our Audit Committee. Effective July 25, 2005, Mr. Schlueter resigned as a member of our audit committee. Accordingly, Mr. Fok is now the sole member of the Audit Committee. The Board of Directors has determined that Mr. Woo Ping Fok is "independent" as that term is defined in Rule 4200(a)(15) of the listing standards of the National Association of Securities Dealers.

On October 1, 1994, the Board of Directors appointed, and has since maintained, an Audit Committee of the Corporation.. The Audit Committee was established to (i) review and approve the scope of audit procedures employed by our independent auditors; (ii) review and approve the audit reports rendered by our independent auditors; (iii) approve the audit fee charged by the independent auditors; (iv) report to the Board of Directors with respect to such matters; (v) recommend the selection of independent auditors; and (vi) discharge such other responsibilities as may be delegated to it from time to time by the Board of Directors. COMPENSATION OF OFFICERS AND DIRECTORS

The aggregate amount of compensation paid by us and our subsidiaries during the year ended March 31, 2005 to all directors and officers as a group for services in all capacities was approximately \$1,224,228, including compensation in the form of housing in Hong Kong for our Chairman and our Director of Engineering and Research and Development, which is consistent with the practice of other companies in Hong Kong. Total compensation for the benefit of Anthony So was \$700,000, for the benefit of Cathy Kit Teng Pang was \$111,912, for the benefit of Kim Wah Chung was \$134,349, for the benefit of Mr. George O'Leary was \$158,766, and for the benefit of Henry F. Schlueter was an aggregate of \$119,201 which was paid to his law firm, Schlueter & Associates, P. C. for legal services rendered and expenses incurred. We currently pay George O'Leary, our President and Chief Executive Officer compensation in the amount of \$20,000 per month or an aggregate of \$240,000 per year for his services.

We did not set aside or accrue any amounts to provide pension, retirement or similar benefits for directors and officers for the fiscal year ended March 31, 2005, other than contributions to our Provident Fund Plan which aggregated \$35,092 for officers and directors during the fiscal year ended March 31, 2005.

Employment Agreements

We have employment agreements with Anthony So, Kim Wah Chung and Cathy Kit Teng Pang. The employment agreements expire on March 31, 2008; however, they are automatically renewable on an annual basis for additional one-year increments. Mr. So's employment agreement provides for a salary of \$700,000 per year plus bonus. Mr. Chung's employment agreement provides for a salary of \$150,000 per year plus bonus and Ms. Pang's employment agreement provides for a salary of \$130,000 per year plus bonus. The employment agreements contain provisions under which we will be obligated to pay Mr. So, Mr. Chung and Ms. Pang all compensation for the remainder of their employment agreements and five times their annual salary and bonus compensation upon a change of control, as defined in the agreements.

During the fiscal year ended March 31, 2005, the amounts paid to Mr. Chung and Ms. Pang were less than the yearly salaries provided for in their employment agreements. See "Compensation." Mr. Chung and Ms. Pang waived the right to be paid the amount representing the deficiency between the actual amounts paid to them and the amount provided for in their employment agreements.

Directors

Except for that mentioned above, our directors do not receive any additional monetary compensation for serving in their capacities. However, outside directors receive stock options pursuant to the 1996 Non-Employee Directors' Stock Option Plan and have been granted other options. (See "Options of Directors and Senior Management" above and "Compensation Pursuant to Options to Purchase Common Stock" below.) All directors are reimbursed for all reasonable expenses incurred in connection with services as a director.

Provident Fund Plan

Our wholly-owned foreign subsidiary, Bonso Electronics Limited ("BEL"), started a Provident Fund Plan (the "Plan") effective January 1, 1998, with a major international assurance company to provide life insurance and retirement benefits for its employees. All permanent full time employees who joined BEL before December 2000, excluding factory workers, are eligible to join the Plan.

Members of the Plan are required to contribute 5% of their monthly salary. The contribution by BEL is as follows:

Years of Service -----	% of salary as BEL's contribution -----
Less than 5 years	5.0%
5 to 10 years	7.5%
More than 10 years	10.0%

The Mandatory Provident Fund (the "MPF") was introduced by the Hong Kong Government in December 2000. BEL joined the MPF with a major international assurance company. All permanent full time employees who joined BEL in or after December 2000, excluding factory workers, are eligible to join the MPF. Members and employers each contribute 5% of the members' monthly salaries to the MPF and are subject to a maximum contribution of HK\$1,000 monthly.

At normal retirement age, death or ill health, the member shall be entitled to receive from the Plan a lump sum equal to the total of the member's and BEL's contributions plus a return on their investment. On resignation prior to normal retirement age, a member shall be entitled to receive from the Plan a lump sum equal to the member's contributions plus a percentage of the employer's balance determined in accordance with a predetermined scale.

BEL's total contributions to the Plan and the MPF for the years ended March

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

Compensation Pursuant to Options to Purchase Common Stock

Non-employee directors receive stock options pursuant to the 1996 Non-Employee Directors' Stock Option Plan and have been granted other options. In October 1996, the Board of Directors adopted a 1996 Non-Employee Directors' Stock Option Plan which provided for the grant of options to purchase an aggregate of not more than 100,000 shares of the Corporation's Common Stock. In January 2000, the Shareholders approved the proposal of the Board of Directors to increase the aggregate number of shares of Common Stock for which options may be granted under the 1996 Non-Employee Directors' Stock Option Plan from 100,000 shares to 600,000 shares. The purpose of the 1996 Non-Employee Directors' Stock Option Plan is to promote the long-term success of the Corporation by creating a long-term mutuality of interests between the non-employee directors and the stockholders of the Corporation, to provide an additional inducement for the non-employee directors to remain with the Corporation and to provide a means through which the Corporation may attract able persons to serve as directors of the Corporation. The 1996 Non-Employee Directors' Stock Option Plan is administered by a committee appointed by the Board of Directors.

Under the 1996 Non-Employee Directors' Stock Option Plan, on the third business day following each annual meeting of the stockholders, each director who is not then an employee of the Corporation or any of its subsidiaries is automatically granted a stock option to purchase 10,000 shares of Common Stock. The exercise price of all options granted under the 1996 Non-Employee Directors' Stock Option Plan is equal to the fair market value of the underlying shares on the date of grant, based on guidelines set forth in the plan. The exercise price may be paid in cash, by the surrender of options, in Common Stock, in other property, including a promissory note from the optionee, or by a combination of the above, at the discretion of the committee administering the 1996 Non-Employee Directors' Stock Option Plan. The term of each option granted pursuant to the 1996 Non-Employee Directors' Stock Option Plan is ten years from the date of grant; however, no option may be exercised during the first six months of its term. The term of an option granted pursuant to the 1996 Non-Employee Directors' Stock Option Plan may be reduced in the event that the optionee ceases to be a director of the Corporation. No option granted pursuant to the plan is transferable otherwise than by will or the laws of descent and distribution.

Employee directors may receive stock options pursuant to the Corporation's 1996 Stock Option Plan. In October 1996, the Board of Directors adopted the 1996 Stock Option Plan which provided for the grant of options to purchase an aggregate of not more than 400,000 shares of the Corporation's Common Stock. In January 2000, the Shareholders approved the proposal of the Board of Directors to increase the aggregate number of shares of Common Stock for which options may be granted under the 1996 Stock Option Plan from 400,000 shares to 900,000 shares. The purpose of the 1996 Stock Option Plan is to make options available to management and employees of the Corporation in order to encourage them to secure or increase on reasonable terms their ownership of Common Stock in the Corporation and to encourage them to remain in the employ of the Corporation.

The 1996 Stock Option Plan is administered by a committee appointed by the Board of Directors which determines the persons to be granted options under the plan, the number of shares subject to each option, the exercise price of each option and the option period, subject to the requirement that no option may be exercisable more than 10 years after the date of grant. The exercise price of an option may be less than fair market value of the underlying shares of Common

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

Stock. No options granted under the plan are transferable by the optionee other than by will or the laws of descent and distribution and each option is exercisable, during the lifetime of the optionee, only by the optionee.

9

The exercise price of an option granted pursuant to the 1996 Stock Option Plan may be paid in cash, by the surrender of options, in Common Stock, in other property, including a promissory note from the optionee, or by a combination of the above, at the discretion of the committee administering the 1996 Stock Option Plan.

On March 23, 2004, our stockholders adopted the 2004 Stock Option Plan (the "2004 Plan") which provides for the grant of up to 600,000 shares of the Corporation's Common Stock in the form of stock options, subject to certain adjustments as described in the 2004 Plan.

The purpose of the 2004 Plan is to induce key employees to remain in the employ of the Corporation and to encourage such employees to secure or increase on reasonable terms their Common Stock ownership in the Corporation. The Corporation believes that the Plan promotes continuity of management and increased incentive and personal interest in the welfare of the Corporation.

The 2004 Plan is administered by a committee appointed by the Board of Directors which consists of at least two but not more than three members of the Board, one of whom shall be a non-employee of the Corporation. The committee members currently are Anthony So, Woo Ping Fok and George O'Leary. The committee determines the specific terms of the options granted, including the employees to be granted options under the 2004 Plan, the number of shares subject to each option, the exercise price of each option and the option period, subject to the requirement that no option may be exercisable more than 10 years after the date of grant. The exercise price of an option may be less than fair market value of the underlying shares of Common Stock. No options granted under the 2004 Plan are transferable by the optionee other than by will or the laws of descent and distribution and each option is exercisable, during the lifetime of the optionee, only by the optionee.

The exercise price of an option granted pursuant to the 2004 Stock Option Plan may be paid in cash, by the surrender of options, in Common Stock, in other property, including a promissory note from the optionee, or by a combination of the above, at the discretion of the committee administering the 2004 Plan.

As of May 31, 2005, no stock options have been granted under the 2004 Plan. On September 7, 2004, our stockholders adopted the 2004 Stock Bonus Plan (the "Stock Bonus Plan") which authorizes the issuance of up to 500,000 shares of the Corporation's Common Stock in the form of stock bonuses.

The purpose of the Stock Bonus Plan is to: (i) induce key employees to remain in the employ of the Corporation, or of any subsidiary of the Corporation; (ii) increase the stock ownership of key employees; and (iii) reward employees, non-employee directors, advisors and consultants for services rendered or to be rendered to or for the benefit of the Corporation, or any of its subsidiaries. The Corporation believes that Stock Bonus Plan promotes continuity of management and increased incentive and personal interest in the welfare of the Corporation

The Stock Bonus Plan is administered by a committee appointed by the Board of Directors which consists of at least two but not more than three members of the Board, one of whom shall be a non-employee of the Corporation. The initial committee members are Anthony So, Woo Ping Fok and George O'Leary. The committee has the authority, in its sole discretion: (i) to determine the parties to receive bonus stock, the times when they shall receive such awards, the number

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

of shares to be issued, and the time, terms and conditions of the issuance of any such shares; (ii) to construe and interpret the terms of the Stock Bonus Plan; (iii) to establish, amend and rescind rules and regulations for the administration of the Stock Bonus Plan; and (iv) to make all other determinations necessary or advisable for administering the Stock Bonus Plan.

10

As of May 31, 2005, no stock bonuses have been granted under the Stock Bonus Plan

CERTAIN TRANSACTIONS

Over the years, the Corporation has provided to and received cash advances from its officers and directors. In October 1994, the Board of Directors adopted a policy prohibiting the Corporation from making any loan or advance of money or property, or guaranteeing the obligation of any directors of the Corporation, and limiting the Corporation's ability to make such loans, advances or guarantees to officers of the Corporation or its subsidiaries unless a majority of independent, disinterested outside directors determine that such loan, advance or guarantee may reasonably be expected to benefit the Corporation. Further, all future material affiliated transactions, loans and loan guarantees, if any, will be made on terms that are no less favorable to the Corporation than those that are generally available from unaffiliated third parties. The Corporation has neither provided nor received any cash advances to its officers or directors since this policy was adopted.

It is common practice in Hong Kong, the location of the Corporation's principal executive offices, to provide a housing allowance or living accommodations for senior executives as part of their compensation. One of the Corporation's properties in Hong Kong is provided to Mr. So as part of his compensation. The Corporation also provides Mr. Chung with a housing allowance.

PROPOSAL 1

ELECTION OF SEVEN (7) PERSONS TO SERVE AS DIRECTORS OF THE CORPORATION

The number of directors presently authorized by the Articles of Association of the Corporation shall be not less than one (1) nor more than seven (7).

Unless otherwise directed by Shareholders, the proxy holders named in the accompanying Proxy will vote all shares represented by Proxies held by them for the election of the following nominees, all of whom are now members and constitute the Corporation's Board of Directors. The Corporation is advised that all nominees have indicated their availability and willingness to serve if elected. In the event that any nominee becomes unavailable or unable to serve as a director of the Corporation prior to the voting, the proxy holder will vote for a substitute nominee in the exercise of his best judgment.
