ITEM 5. OTHER EVENTS

The Company issued a press release announcing that the United States Forest Service (USFS) had completed their appraisal of the properties in the Thunder Mountain Mining District, Valley County, Idaho. The Company and their joint venture partner, Dewey Mining Company own the majority of the private land, drill-indicated mineralization, water rights, timber, etc. in the District.

The property appraised at \$13,000,000 and the appraisal was completed by the USFS in advance of the sale of the joint properties for conservation purposes to the USFS. The Trust for Public Lands has been working with THMG and Dewey Mining to facilitate the sale of the real and mineral property. Based on the terms of the arrangement between THMG and Dewey Mining, and Trust for Public Land, THMG would receive an estimated \$5 to \$5.5 million if and when the sale is completed.

The press release is included by reference and is hereby attached as exhibit 99.1
