Amendment No. 2 to Schedule 13D

This Amendment No. 2, which relates to the common shares (“Common Shares”) in American Community Properties Trust, a Maryland real estate investment trust (the “Company”), amends and supplements the statement on Schedule 13D (as amended through the date hereof, the “Statement”) filed with the Commission by the reporting parties listed herein.

The following Items of the Statement are hereby supplemented and/or amended:

Item 4. Purpose of Transaction

The reporting persons have dedicated significant efforts investigating a potential acquisition of the remaining outstanding Common Shares not owned by them in a “going private” transaction (the “Proposed Transaction”). Despite the reporting persons’ consultant and financial advisor, Granite Partners, L.L.C. (“Granite”), approaching approximately 80 potential investors to provide financing for the Proposed Transaction, no proposals have materialized. In addition to seeking investors for the Proposed Transaction, Granite also approached companies which Granite felt might have an interest in acquiring all of the Common Shares of the Company, including the Common Shares of the reporting persons (an “Acquisition”). To date, no indications of interest in an Acquisition received were satisfactory to the reporting persons and the Special Committee of the Board of Trustees of the Company (the “Special Committee”).

In light of the level of interest to date in either the Proposed Transaction or an Acquisition, the reporting persons have considered strategic alternatives for the Company. The reporting persons believe that the Company’s two distinct lines of business (i.e., its multi-family and commercial rental properties and its community development and homebuilding business) may limit the Company’s growth potential, and may be deterring potential acquirors and investors. In particular, the reporting persons believe that companies that specialize in owning and operating commercial and residential rental properties may be unwilling to acquire a business with development assets that require significant capital and management expertise. In addition, cash flow from the Company’s rental properties, which might otherwise be distributed to shareholders or reinvested in rental properties, is being used to satisfy the cash needs of the Company’s development business.

The reporting persons and the Special Committee are currently exploring the possible restructuring of the Company so that it may elect to be treated as a real estate investment trust (“REIT”) for U.S. federal income tax purposes (the “Restructuring Transaction”). This would be achieved by separating the development assets (the “Land Assets”) from the rental properties (the “Investment Assets”), distributing the Company’s historic earning and profits and restructuring the Company’s capital structure to allow the Investment Assets to be held in a REIT. The reporting persons believe that this would allow free cash flow from the Investment Assets to be used to fund distributions to the Company’s shareholders or to be reinvested in existing and additional Investment Assets.

In order to facilitate the separation of the Land Assets and complete a Restructuring Transaction, the reporting persons have offered to purchase the Land Assets from the Company in exchange for a portion of their existing Common Shares. This would be determined on the basis of a valuation of the Company and the Land Assets agreed between the Special Committee and the reporting persons using market recognized valuation techniques.

The reporting persons can provide no assurances that the Restructuring Transaction will be entered into with the reporting persons purchasing the Land Assets or at all. The consummation of the Restructuring Transaction is dependent on several factors, which include but are not limited to, favorable market conditions, potential for the qualification of the Company for REIT status, availability of financing for development of the Land Assets following distribution to the reporting persons and approval from the Special Committee and the Company’s shareholders, if required. The reporting persons are currently exploring potential financing sources for development of the Land

Assets. The reporting persons will continue to evaluate the form and terms and conditions upon which the Restructuring Transaction may be proposed.

The reporting persons expect to evaluate on an ongoing basis the Company's financial condition, business, operations and prospects, market price of the Common Shares, conditions in securities markets generally, general economic and industry conditions and other factors. Accordingly, the reporting persons reserve the right to change their intentions and plans at any time, as they deem appropriate. In particular, the reporting persons may at any time and from time to time acquire additional Common Shares. Any such transactions may be effected at any time and from time to time, subject to any applicable limitations of the Securities Act of 1933, as amended, and the Securities Exchange Act of 1934.

Except as set forth in this Item 4 and in furtherance of the Restructuring Transaction, the reporting persons presently have no plans or proposals that would relate to or result in any of the actions set forth in Parts (a) through (j) of Item 4 of Schedule 13D.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The information in Item 4 is incorporated herein by reference.
