Proxy Statement

Annual Meeting of Stockholders

March 19, 2010

The enclosed proxy is solicited by the management of Bridgeline Software, Inc. in connection with the Annual Meeting of Stockholders to be held on March 19, 2010 at 10:00 A.M. at the Burlington Marriott Hotel located at One Burlington Mall Road, Burlington, Massachusetts and any adjournment thereof. The Board of Directors of the Company (the "Board of Directors") has set the close of business on February 17, 2010 as the record date for the determination of stockholders entitled to vote at the Meeting. A stockholder executing and returning a proxy has the power to revoke it at any time before it is exercised by filing a later-dated proxy with, or other communication to, the Secretary of the Company or by attending the Meeting and voting in person.

The proxy will be voted in accordance with your directions to:

1. Consider and act upon a motion to elect two directors;
2. Consider and act upon a motion to amend the Bridgeline Software, Inc. Amended and Restated Stock Incentive Plan to increase the number of shares of Common Stock available for issuance upon exercise of options granted under the Plan from 2,000,000 shares to 2,400,000 shares;
3. Consider and act upon a motion to ratify the appointment of UHY LLP as the Company's independent registered public accounting firm for its fiscal year ending September 30, 2010; and
4. Transact such other business as may properly come before the Meeting. In the absence of direction, the proxy will be voted in favor of management's proposals.

The Proxy Statement, the attached Notice of Meeting, the enclosed form of proxy and the Annual Report are being mailed to stockholders on or about February 24, 2010. The Company's principal executive offices are located at 10 Sixth Road, Woburn, Massachusetts, 01801 and its telephone number at that location is (781) 376-5555.

The entire cost of soliciting proxies will be borne by the Company. The costs of solicitation will include the costs of supplying necessary additional copies of the solicitation materials and the Company's Annual Report to Stockholders for its fiscal year ended September 30, 2009 (the "Annual Report") to beneficial owners of shares held of record by brokers, dealers, banks, trustees, and their nominees, including the reasonable expenses of such record holders for completing the mailing of such materials and Annual Reports to such beneficial owners. Solicitation of proxies may also include solicitation by telephone, fax, electronic mail, or personal solicitations by Directors, officers, or employees of the Company. No additional compensation will be paid for any such services. The Company may engage a professional proxy solicitation firm to assist in the proxy solicitation and, if so, will pay such solicitation firm customary fees plus expenses.

Only stockholders of record of the Company's 11,184,542 shares of Common Stock (the "Common Stock") outstanding at the close of business on February 17, 2010 will be entitled to vote at the Meeting.

Each share of Common Stock is entitled to one vote. A majority of the outstanding shares of the Common Stock represented in person or by proxy at the Meeting will constitute a quorum at the Meeting. All shares of the Common Stock represented in person or by proxy (including shares which abstain or do not vote for any reason with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether a quorum is present at the Meeting. Abstentions will be treated as shares that are present and entitled to vote for purposes of determining the number of shares present and entitled to vote with respect to any particular matter, but will not be counted as a vote in favor of such matter. Accordingly, an abstention from voting on a matter has the same legal effect as a vote against the matter. If a broker or nominee holding stock in "street name" indicates on the proxy that it does not have discretionary authority to vote as to a particular matter ("broker non-votes"), those shares will be counted for purposes of determining whether a quorum is present at the Meeting but will not be considered as present and entitled to vote with respect to such matter. Accordingly, a broker non-vote on a matter has no effect on the voting on such matter.

The Directors will be elected by a plurality of the votes properly cast at the Meeting. Abstentions and broker non-votes as to this election do not count as votes for or against such election. The approval of the proposals to amend the Company's Amended and Restated Stock Incentive Plan and to approve the Company's independent auditors will require the affirmative vote of a majority of the shares of Common Stock properly cast at the Meeting.

Abstentions as to these proposals will count as being present and represented at the Meeting and entitled to vote, and will be included in calculating the number of votes cast on this proposal (and thus will have the effect of "no" votes). Broker non-votes will not be included in calculating the number of votes cast on this proposal.

PROPOSAL 1

OTHER INFORMATION CONCERNING THE COMPANY AND THE BOARD OF DIRECTORS

Meetings of the Board of Directors

During the Company's fiscal year ended September 30, 2009 ("Fiscal 2009"), the Board of Directors held six (6) meetings and acted twice by unanimous written consent. During Fiscal 2009, each director attended each meeting, with the exception that one member missed one meeting. The Chairman was present at all meetings. All members of the Board of Directors attended last year's annual meeting, and the Company expects that all of the Board members will attend this year's Annual Meeting.

COMMITTEES OF THE BOARD OF DIRECTORS

The Company has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

Audit Committee

The Audit Committee assists the Board in the oversight of the audit of our consolidated financial statements and the quality and integrity of our accounting, auditing and financial reporting processes. The Audit Committee is responsible for making recommendations to the Board concerning the selection and engagement of independent registered public accountants and for reviewing the scope of the annual audit, audit fees, results of the audit and auditor independence. The Audit Committee also reviews and discusses with management and the Board such matters as accounting policies, internal accounting controls and procedures for preparation of financial statements. Our Audit Committee is comprised of Messrs. Galaznik (Chair), Cavalier and Coldrick. Our Board has determined that each of the members of the Audit Committee meet the criteria for independence under the standards provided by the Nasdaq Stock Market. The Board of Directors has adopted a written charter for the Audit Committee. A copy of such charter is available on the Company's website, www.bridgelinesw.com. The Company's website is not part of this proxy statement. During Fiscal 2009, the Audit Committee met twice. Each member of the Audit Committee attended each such meeting. The Chairman of the Audit Committee was present at all meetings.

Audit Committee Financial Expert. Our Board has also determined that each of Mr. Galaznik and Mr. Cavalier qualifies as an "audit committee financial expert" as defined under Item 407(d)(5) of Regulation S-K.

Compensation Committee

The Compensation Committee evaluates the performance of our senior executives, considers the design and competitiveness of our compensation plans, reviews and approves senior executive compensation and administers our equity compensation plans. In addition, the Committee also conducts reviews of executive compensation to ensure compliance with Section 162(m) of the Internal Revenue Code of 1986, as amended. Our Compensation Committee is comprised of Messrs. Hegarty (Chair), Cavalier and Coldrick, all of whom are independent directors. The Board of Directors has adopted a written charter for the Compensation Committee. A copy of such charter is available on the Company's website, www.bridgelinesw.com. During Fiscal 2009, the Compensation Committee held no formal meetings and acted twice by unanimous written consent.

Nominating and Corporate Governance Committee

The Nominating and Governance Committee identifies candidates for future Board membership and proposes criteria for Board candidates and candidates to fill Board vacancies, as well as a slate of directors for election by the shareholders at each annual meeting. The Nominating and Governance Committee also annually assesses and reports to the Board on Board and Board Committee performance and effectiveness and reviews and makes recommendations to the Board concerning the composition, size and structure of the Board and its committees. Messrs. Coldrick (Chair), Cavalier and Hegarty, all of whom are independent directors, are the members of the Nominating and Governance Committee.

The Nominating and Corporate Governance Committee may consider candidates recommended by stockholders as well as from other sources such as other directors or officers, third party search firms or other appropriate sources. For all potential candidates, the Nominating and Corporate Governance Committee may consider all factors it deems relevant, such as a candidate's personal integrity and sound judgment, business and professional skills and experience, independence, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the Board, and concern for the long-term interests of the stockholders. The Nominating and Corporate Governance Committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. The Nominating and Corporate Governance Committee believes that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board of Directors to fulfill its responsibilities. In general, persons recommended by stockholders will be considered on the same basis as candidates from other sources. If a stockholder wishes to recommend a candidate for director for election at the 2011 Annual Meeting of Stockholders, it must follow the procedures described in "Stockholder Proposals and Recommendations for Director."

The Board of Directors has adopted a written charter for the Nominating and Corporate Governance Committee. A copy of such charter is available on the Company's website, www.bridgelinesw.com. During Fiscal 2009, the Nominating and Corporate Governance Committee did not hold a formal meeting.

PROPOSAL 2

AMENDMENT OF THE BRIDGELINE SOFTWARE, INC. AMENDED AND RESTATED STOCK INCENTIVE PLAN

The Board of Directors believes that the future success of Bridgeline Software depends, in large part, upon the ability of the Company to attract, retain and motivate key employees and that the granting of stock options serves as an important factor in retaining key employees. In addition, the Board of Directors believes it is important to have a pool of options available for issuance as the Company considers potential acquisitions. On January 27, 2010, Bridgeline Software's Board of Directors approved, subject to stockholder approval, an amendment to the Bridgeline Software, Inc. Amended and Restated Stock Incentive Plan, as amended (the "Stock Incentive Plan"), to increase the number of shares reserved for issuance under the Stock Incentive Plan from 2,000,000 to 2,400,000 shares. As of January 15, 2010, there were 42,212 shares remaining available for issuance under the Stock Incentive Plan.

The Board of Directors believes that the increase in the number of shares available for issuance under the Stock Incentive Plan is in the best interests of the Company and recommends a vote for this proposal.

Purpose of Stock Incentive Plan

The purpose of the Stock Incentive Plan is to advance the interests of Bridgeline Software by encouraging equity participation in Bridgeline Software by directors, officers and employees of Bridgeline Software through the acquisition of shares of Common Stock upon the exercise of options granted under the Stock Incentive Plan.

General Provisions

The following summary of the Stock Incentive Plan is qualified in its entirety by reference to the Stock Incentive Plan, as proposed to be amended, a copy of which is attached as Appendix B to this Proxy Statement.

Our Stock Incentive Plan, originally adopted in 2000, amended and restated in August 2006 and further amended in April 2008, allows us to grant options and other forms of stock-based compensation to our officers, directors, employees and outside consultants and advisors. We have developed this Stock Incentive Plan to align the interests of (i) employees, (ii) non-employee Board members, and (iii) consultants and key advisors with the interests of our shareholders and to provide incentives for these persons to exert maximum efforts for our success and to encourage them to contribute materially to our growth. As of January 15, 2010, there were approximately 141 persons eligible to participate in the Stock Incentive Plan.

The Stock Incentive Plan is not subject to the provisions of the Employment Retirement Income Security Act, as amended ("ERISA"), and is not a "qualified plan" within the meaning of Section 401 of the Internal Revenue Code, as amended (the "Code"). The Stock Incentive Plan is administered by our Compensation Committee which has discretion to select the participants who will receive awards under the Stock Incentive Plan and to determine the type, size and terms of each award. The Compensation Committee has delegated limited authority to grant a limited

number of stock options to a committee comprised of the Company's Chief Executive Officer and other officers of the Company.

Shares Subject to the Stock Incentive Plan. Currently, we may issue up to 2,000,000 shares under the Stock Incentive Plan, subject to adjustment to prevent dilution from stock dividends, stock splits, recapitalization or similar transactions.

Administration of the Stock Incentive Plan. The Stock Incentive Plan is administered by the Compensation Committee. Except for certain non-discretionary option grants to certain of our directors described below, the Compensation Committee selects the individuals to whom options and awards are granted and determines the option exercise price and other terms of each award, subject to the provisions of the Stock Incentive Plan.

Awards under the Stock Incentive Plan. Under the Stock Incentive Plan, the Compensation Committee may grant awards in the form of incentive stock options, as defined in Section 422 of the Code, options which do not so qualify, stock awards, performance share awards and stock appreciation rights.

Options. The duration of any option shall be within the sole discretion of the Compensation Committee; provided, however, that any incentive stock option granted to a 10% or less stockholder or any nonqualified stock option shall, by its terms, be exercised within 10 years after the date the option is granted and any incentive stock option granted to a greater than 10% stockholder shall, by its terms, be exercised within five years after the date the option is granted. The exercise price of all options will be determined by the Compensation Committee; provided, however, that the exercise price of an option (including incentive stock options or nonqualified stock options) will be equal to, or greater than, the fair market value of a share of our stock on the date the option is granted and further provided that incentive stock options may not be granted to an employee who, at the time of grant, owns stock possessing more than 10% of the total combined voting power of all classes of our stock or any parent or subsidiary, as defined in section 424 of the Code, unless the price per share is not less than 110% of the fair market value of our stock on the date of grant.

The Stock Incentive Plan provides that each director who is not an employee of Bridgeline Software, on the date of each annual meeting or special meeting in lieu thereof, shall automatically receive a grant of a non-statutory option for the purchase of 10,000 shares of Common Stock. Such option shall vest over three years on the anniversary of the date of grant at a rate of 33.33% per year until fully vested.

Termination of Employment. Unless the Compensation Committee provides otherwise in the terms of an option agreement, if the employment or service of a participant is terminated, options granted to such participant prior to August 18, 2006 will immediately cease to be exercisable and any options granted after that date will cease to be exercisable (i) immediately if the participant's employment or service is terminated for cause or (ii) up to three (3) months after the participant's employment or service is terminated without cause.

Termination or Amendment of the Stock Incentive Plan. Our Board of Directors may at any time terminate the Stock Incentive Plan or make such amendments thereto as it deems

advisable, without action on the part of our shareholders unless their approval is required under the law. However, no termination or amendment will, without the consent of the individual to whom any option has been granted, affect or impair the rights of such individual. Under Section 422(b)(2) of the Code, no incentive stock option may be granted under the Stock Incentive Plan more than ten years from the date the Stock Incentive Plan was amended and restated or the date such amendment and restatement was approved by our shareholders, whichever is earlier.

New Plan Benefits

We are unable to determine the dollar value and number of stock awards that may be received by or allocated to (i) any of our named executive officers, (ii) our current executive officers, as a group, (iii) our employees who are not executive officers, as a group, and (iv) our non-executive directors, as a group as a result of the approval of the amendment to the Stock Incentive Plan because at this time we are unable to determine whether any of the current non-executive directors will meet the requirements to receive any automatic grants of options under the Stock Incentive Plan and all other stock awards granted to such persons are granted by the Compensation Committee on a discretionary basis.

Federal Income Tax Consequences

The following summarizes the U.S. federal income tax consequences that generally will arise with respect to awards granted under the Stock Incentive Plan. This summary is based on the tax laws in effect as of the date of this proxy statement. This summary assumes that all awards granted under the Stock Incentive Plan are exempt from, or comply with, the rules under Section 409A of the Internal Revenue Code related to nonqualified deferred compensation. Changes to these laws could alter the tax consequences described below. This discussion is not intended to be a complete discussion of all of the federal income tax consequences of the Stock Incentive Plan or of all of the requirements that must be met in order to qualify for the tax treatment described herein. In addition, because tax consequences may vary, and certain exceptions to the general rules discussed herein may be applicable, depending upon the personal circumstances of individual holders of securities, each participant should consider his personal situation and consult with his own tax advisor with respect to the specific tax consequences applicable to him. No information is provided as to state tax laws. The Stock Incentive Plan is not qualified under Section 401 of the Code, nor is it subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended.

Incentive Stock Options. A participant will not have income upon the grant of an incentive stock option. Also, except as described below, a participant will not have income upon exercise of an incentive stock option if the participant has been employed by the Company at all times beginning with the option grant date and ending three months before the date the participant exercises the option. If the participant has not been so employed during that time, then the participant will be taxed as described below under “Nonstatutory Stock Options.” The exercise of an incentive stock option may subject the participant to the alternative minimum tax.

A participant will have income upon the sale of the stock acquired under an incentive stock option at a profit (if sales proceeds exceed the exercise price). The type of income will depend on when the participant sells the stock. If a participant sells the stock more than two years after the option was granted and more than one year after the option was exercised, then all of the profit

will be long-term capital gain. If a participant sells the stock prior to satisfying these waiting periods, then the participant will have engaged in a disqualifying disposition and a portion of the profit will be ordinary income and a portion may be capital gain. This capital gain will be long-term if the participant has held the stock for more than one year and otherwise will be short-term. If a participant sells the stock at a loss (sales proceeds are less than the exercise price), then the loss will be a capital loss. This capital loss will be long-term if the participant held the stock for more than one year and otherwise will be short-term.

Nonstatutory Stock Options. A participant will not have income upon the grant of a nonstatutory stock option. A participant will have compensation income upon the exercise of a nonstatutory stock option equal to the value of the stock on the day the participant exercised the option less the exercise price. Upon sale of the stock, the participant will have capital gain or loss equal to the difference between the sales proceeds and the value of the stock on the day the option was exercised. This capital gain or loss will be long-term if the participant has held the stock for more than one year and otherwise will be short-term.

Other Stock-Based Awards. The tax consequences associated with other stock-based awards granted under the Stock Incentive Plan will vary depending on the specific terms of such award. Among the relevant factors are whether or not the award has a readily ascertainable fair market value, whether or not the award is subject to forfeiture provisions or restrictions on transfer, the nature of the property to be received by the participant under the award and the participant's holding period and tax basis for the award or underlying common stock.

Tax Consequences to the Company. There will be no tax consequences to the Company except that the Company will be entitled to a deduction when a participant has compensation income. Any such deduction will be subject to the limitations of Section 162(m) of the Code.

The Board of Directors recommends a vote FOR the approval of Proposal No. 2, the amendment to the Bridgeline Software, Inc. Stock Incentive Plan.

PROPOSAL 3

RAFTIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Upon the recommendation of the Audit Committee, the Board of Directors has reappointed UHY LLP to audit the consolidated financial statements of the Company for the fiscal year ending September 30, 2010. UHY LLP has served as the Company's independent registered public accounting firm since prior to the Company's initial public offering. A representative from UHY LLP is expected to be present at the meeting with the opportunity to make a statement if he or she desires to do so and to be available to respond to appropriate questions.

Although stockholder ratification of the appointment is not required by law, the Company desires to solicit such ratification. If the appointment of UHY LLP is not approved by a majority of the shares represented at the Meeting, the Company will consider the appointment of other independent registered public accounting firms.

The Board recommends a vote FOR the approval of Proposal No. 3, the ratification of the appointment of UHY LLP as the Company's independent auditors for the fiscal year ending September 30, 2010.

Other Matters

The Board of Directors has no knowledge of any other matters which may come before the Meeting and does not intend to present any other matters. However, if any other matters shall properly come before the Meeting or any adjournment thereof, the persons named as proxies will have discretionary authority to vote the shares of Common Stock represented by the accompanying proxy in accordance with their best judgment.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of Securities Exchange Act of 1934 requires the Company's executive officers, directors, and persons who own more than ten percent of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Based solely on its review of the copies of such forms and amendments thereto received by it, the Company believes that during Fiscal 2009 all executive officers, directors and owners of ten percent of the outstanding shares of Common Stock complied with all applicable filing requirements except that Mr. William Coldrick failed to file two Forms 4 on a timely basis to report two purchase transactions.

In addition, a stockholder's notice must contain the information specified in Article I, Section 10 of the Bylaws and must be accompanied by the written consent of the proposed nominee to serve as a director if elected. The stockholder making a nomination must personally appear at the annual or special meeting of stockholders to present the nomination, otherwise the nomination will be disregarded
