Item 7.01 Regulation FD Disclosure.

On September 24, 2018, Gas Transmission Northwest, LLC ("GTN"), a wholly-owned subsidiary of TC PipeLines, LP (the "Partnership"), filed a petition with the Federal Energy Regulatory Commission ("FERC") requesting a waiver of the requirement to file Form No. 501-G based on an uncontested settlement-in-principle reached by GTN with shippers that will provide customers with rate relief and resolve issues relating to the Tax Cut and Jobs Act ("Tax Act"), FERC's Order No. 849, and the FERC's Revised Policy Statement on Treatment of Income Taxes ("Revised Policy Statement"). GTN currently is required to file its Form No. 501-G on October 11, 2018. FERC provided for a waiver of the Form No. 501-G filing requirement for pipelines that enter into pre-packaged uncontested settlements addressing rate issues arising from the Tax Act, Order No. 849, and the Revised Policy Statement by the date their Form No. 501-G would otherwise be due. GTN is preparing final settlement documents and will file them with FERC for approval as soon as possible. GTN has requested that FERC issue an order granting its petition on or before October 5, 2018 in order to ensure that GTN will have sufficient time to finalize its Form No. 501-G filing if necessary. In the alternative, GTN has requested that FERC postpone the deadline for it to file Form No. 501-G until December 6, 2018.

At this time, the Partnership maintains its previous estimate of the overall impact of the tax-related changes to its revenue and cash flow as it continues to execute its regulatory strategy.
