## **REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Directors

Parks! America, Inc.

Pine Mountain, Georgia

We have audited the accompanying consolidated balance sheets of Parks! America, Inc. and Subsidiaries as of September 30, 2012 and October 2, 2011, and the related consolidated statements of income, changes in stockholders equity, and cash flows for the twelve month period ended September 30, 2012 and the nine month period ended October 2, 2011. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company has determined that it is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Parks! America, Inc. and Subsidiaries as of September 30, 2012 and October 2, 2011 and the results of its operations and cash flows for the twelve month and nine month periods then ended, in conformity with accounting principles generally accepted in the United States of America.
