Cautionary Statement Regarding Forward-Looking Statements:

This current report includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, regarding, among other things, our plans, strategies and prospects, both business and financial. Although we believe that our plans, intentions and expectations reflected in or suggested by these forward-looking statements are reasonable, we cannot assure you that we will achieve or realize these plans, intentions or expectations. Forward-looking statements are inherently subject to risks, uncertainties and assumptions, including, without limitation, the factors described under "Risk Factors" from time to time in our filings with the Securities and Exchange Commission ("SEC"). Many of the forward-looking statements contained in this current report may be identified by the use of forward-looking words such as "believe," "expect," "anticipate," "should," "planned," "will," "may," "intend," "estimated," "aim," "on track," "target," "opportunity" and "potential," among others. Important factors that could cause actual results to differ materially from the forward-looking statements we make in this current report are set forth in other reports or documents that we file from time to time with the SEC, including our quarterly reports on Form 10-Q filed in 2009 and our most recent annual report on Form 10-K and include, but are not limited to:

- the completion of the Company's restructuring including the outcome and impact on our business of the proceedings under Chapter 11 of the Bankruptcy Code;
- the ability of the Company to satisfy closing conditions under the agreements-in-principle with certain of our bondholders and pre-arranged joint plan of reorganization (as amended, "the Plan") and related documents;
- the availability and access, in general, of funds to meet our debt obligations and to fund our operations and necessary capital expenditures, either through cash on hand, cash flows from operating activities, further borrowings or other sources and, in particular, our ability to fund debt obligations (by dividend, investment or otherwise) to the applicable obligor of such debt;
- our ability to comply with all covenants in our indentures and credit facilities, any violation of which, if not cured in a timely manner, could trigger a default of our other obligations under cross-default provisions;
- our ability to repay debt prior to or when it becomes due and/or successfully access the capital or credit markets to refinance that debt through new issuances, exchange offers or otherwise, especially given recent volatility and disruption in the capital and credit markets;
- the impact of competition from other distributors, including but not limited to incumbent telephone companies, direct broadcast satellite operators, wireless broadband providers, and digital subscriber line ("DSL") providers;
- difficulties in growing and operating our telephone services, while adequately meeting customer expectations for the reliability of voice services;
  - our ability to adequately meet demand for installations and customer service;
- our ability to sustain and grow revenues and cash flows from operating activities by offering video, high-speed Internet, telephone and other services, and to maintain and grow our customer base, particularly in the face of increasingly aggressive competition and the weak economic conditions in the United States;
- our ability to obtain programming at reasonable prices or to adequately raise prices to offset the effects of higher programming costs;
- general business conditions, economic uncertainty or downturn, including the recent volatility and disruption in the capital and credit markets and the significant downturn in the housing sector and overall economy; and
  - the effects of governmental regulation on our business.

All forward-looking statements attributable to us or any person acting on our behalf are expressly qualified in their entirety by this cautionary statement. We are under no duty or obligation to update any of the forward-looking statements after the date of this current report.
