Item 2.02 Results of Operations and Financial Condition.

On April 24, 2014, Cabot Microelectronics Corporation issued a press release entitled "Cabot Microelectronics Corporation Reports Results for Second Quarter of Fiscal 2014," a copy of which is attached hereto as Exhibit 99.1 and incorporated herein by reference. The press release contains financial and other information including that related to the Company's second fiscal quarter ended March 31, 2014.

This information is being furnished pursuant to Item 2.02 of Form 8-K and shall not be deemed "filed" for purposes of Section 18 of the Securities and Exchange Act of 1934, as amended (the "Exchange Act"), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

Item 8.01 Other Events

The press release referenced above also states that on April 22, 2014, the Company's Board of Directors authorized an increase in the existing share repurchase program to \$150 million from the previous remaining level of \$62 million.

The Company intends to continue to repurchase its shares pursuant to the program from time to time in open market transactions, depending on market conditions, at management's discretion. The timing, manner, price and amounts of repurchases will be determined at the Company's discretion, and the share repurchase program may be suspended, terminated or modified at any time for any reason. The repurchase program does not obligate the Company to acquire any specific number of shares. In addition, as part of the share repurchase program, the Company also intends to repurchase shares pursuant to a Rule 10b5-1 plan, which permits stock repurchases when the Company might otherwise be precluded from doing so under insider trading laws or because of self-imposed trading blackout periods.

Item 9.01 Financial Statements and Exhibits.
