(the “Company”) entered into an amendment (the “Amendment”) to its third amended and restated credit agreement, dated February 28, 2012, governing the Company’s revolving credit facility with Royal Bank of Canada, as Administrative Agent, and the other lenders party thereto. Pursuant to the Amendment, the Company’s borrowing base under the credit facility has been increased from \$300 million to \$350 million. Further, the Amendment increases the amount of permitted additional debt (as defined in the credit agreement) that the Company may incur outside of the revolving credit facility from \$300 million to \$500 million. The Company previously incurred \$300 million of permitted additional debt with the issuance, in May 2012, of its 8% Senior Notes Due 2020.
