Item 1.01 Entry into a Material Definitive Agreement.

On July 5, 2005, West Pharmaceutical Services, Inc (West) entered into a Share and Interest Purchase Agreement (the Agreement) among West, West Pharmaceutical Services of Delaware, Inc., Medimop Medical Projects, Ltd. (Medimop), Medimop USA LLC (Medimop USA) and Freddy Zinger (Zinger) to acquire 90% of the outstanding equity of Medimop and Medimop USA. The Agreement also grants West an option to purchase, at fair value, the remaining 10% ownership of the two companies, which generally becomes exercisable four years after the closing date.

Under the terms of the Agreement, West will pay an initial purchase price of \$36,250,000, of which \$33,125,000 will be paid in cash and the balance in the form of shares of West s common stock valued at fair market. West will also pay up to an additional \$1,840,000 of contingent cash consideration, depending on the achievement of sales goals over a five-year period.

Medimop, a privately owned company headquartered in Ra anana, Israel, is a leading developer of disposable medical devices for the mixing, transfer, reconstitution and administration of injectable drugs. As part of the transaction, Zinger, founder and President of Medimop, will enter into a four-year employment contract. In exchange for a payment of \$3,750,000, Zinger also will agree to certain non-competition and non-solicitation covenants during his employment and for three years following employment termination.

The acquisition will be financed with proceeds from West s recently expanded bank debt and from planned private-lender debt.

The Agreement is subject to customary closing conditions, which are expected to be satisfied within 60 days of the signing of the agreement. The foregoing summary description of the terms of the Agreement is qualified in its entirety by reference to the Agreement, which is attached to this Current Report on Form 8-K as Exhibit 99.1
