The Company's Board of Directors had previously approved such amendments, subject to the approval of the stockholders.

The Plan permits the Company to grant stock options and restricted stock purchase rights to eligible employees, directors and consultants, subject to the terms of the Plan.

This summary of the terms of the Plan is not intended to be complete and is qualified in its entirety by the Plan, attached hereto as Exhibit 10.1.

**ITEM 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

(a) On November 28, 2005, the stockholders of the Company approved amendments to the Company's Restated Certificate of Incorporation to: (1) increase the authorized number of shares of Common Stock from 60,000,000 to 100,000,000 shares; (2) increase the authorized number of shares of Preferred Stock from 300,000 to 5,000,000 shares; and (3) remove the provision requiring the affirmative vote of the holders of two-thirds (2/3) of the outstanding voting shares to amend, alter, modify or repeal provisions of the Company's Restated Certification of Incorporation which (i) set the authorized number of directors, (ii) provide for a classified Board of Directors and (iii) provide for directors to be removed with or without cause. The Company's Board of Directors had previously approved such amendments, subject to the approval of the stockholders. The Company filed an Amended and Restated Certificate of Incorporation reflecting such amendments with the Secretary of State of Delaware on November 29, 2005. Such Amended and Restated Certificate of Incorporation of the Company is attached hereto as Exhibit 3.1.

On November 28, 2005, the stockholders of the Company approved amendments to Section 3.1 and Article XI of the Company's Amended and Restated Bylaws to remove the requirement of the affirmative vote of two-thirds (2/3) of the then-outstanding shares of stock entitled to vote to amend, change or repeal provisions which (i) set the authorized number of directors and (ii) provide for a classified Board of Directors. The Company's Board of Directors had previously approved such amendments, subject to the approval of the stockholders.

In addition, the Board of Directors approved amendments to the Company's Bylaws to (i) prohibit stockholders from taking action by written consent, (ii) require that notice of a stockholder proposal be received by the Company no less than one-hundred twenty (120) days

prior to the date on which the Company first mailed its proxy materials for the previous year's annual meeting of stockholders and (iii) require that such notice include, in addition to the other information detailed in the Bylaws, all information required by Rule 14a of the Securities Exchange Act of 1934. Such amendments to the Bylaws were effective on November 28, 2005, immediately prior to the Annual Meeting of Stockholders held on such date. Prior to such amendments to the Bylaws, (a) stockholders of the Company were permitted to take action by written consent, (b) notice of stockholder proposals were required to be received by the Company not less than ninety (90) days nor more than one-hundred twenty (120) days prior to the date on which the Company first mailed its proxy materials for the previous year's annual meeting of stockholders and (c) there was no Bylaw provision specifically requiring that notice of stockholder proposals include all information required by Rule 14a of the Securities Exchange Act of 1934.

The Amended and Restated Bylaws of the Company reflecting the above-described amendments is attached hereto as Exhibit 3.2.

These summaries of the terms of the Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws are not intended to be complete and are qualified in their entirety by such documents, which are attached hereto as Exhibits 3.1 and 3.2, respectively.
