statement contained in a document that is deemed to be incorporated by reference or deemed to be part of this Registration Statement after the most recent effective date may modify or replace existing statements contained in this Registration Statement. Explanatory Note. The following disclosure will appear in Item 9B (Other Information) of the next Annual Report on Form 10-K to be filed by the Registrant with the Commission pursuant to the Exchange Act.

ITEM 9B. OTHER INFORMATION

In December 1996 we filed a Registration Statement on Form S-8 (the "1996 S-8") with the Securities and Exchange Commission in connection with the registration of 600,000 shares of our common stock to be used under our 401(k) Savings Plan for issuances and purchases of our common stock. The total number of such issuances and purchases to date has inadvertently exceeded the 600,000 shares of our common stock registered for this purpose under the 1996 S-8, which excess issuances and purchases may constitute violations of Section 5 of the Securities Act of 1933, as amended (the "Securities Act"). Remedies available to the 401(k) Savings Plan participants who received shares that were not covered by the 1996 S-8 (the "Uncovered Shares") may include their right to rescind their acquisition of such shares. Generally, the Securities Act requires that a claim for the violation of Section 5 be brought within one year after the relevant event. We believe that if Plan participants who acquired Uncovered Shares demanded rescission of their acquisition of these shares within the applicable time frame, our exposure, if

any, would be immaterial. We have since filed a new Registration Statement on Form S-8 in respect of future issuances and purchases under our 401(k) Savings Plan.

Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Certain legal matters relating to the issuance of the shares of Common Stock offered hereby have been passed upon by Myron F. Olesnyckyj, Esq.

Item 6. Indemnification of Directors and Officers.

Section 145(a) of the General Corporation Law of the State of Delaware permits the indemnification of directors, officers and employees of a corporation under certain conditions and subject to certain limitations. Article VI of the By-Laws of the Registrant contains provisions for the indemnification of directors, officers and employees within the limitations permitted by Section 145. In addition, the Company has entered into Indemnity Agreements with its directors and officers which provide the maximum indemnification allowed by Section 145. The Company's officers and directors are insured against losses arising from any claim against them as such for wrongful acts or omissions, subject to certain limitations.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities

offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-3, Form S-8, or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
