PROXY STATEMENT

GENERAL INFORMATION

Information Regarding the Annual Meeting

This Proxy Statement is furnished to the shareholders of Communications Systems, Inc. (CSI or the Company) in connection with the solicitation of proxies by the Board of Directors of the Company to be voted at the Annual Meeting of Shareholders that will be held at the Company s offices at 6475 City West Parkway, Eden Prairie, Minnesota, on Thursday, May 25, 2006, beginning at 3:00 p.m., Central Daylight Time, or at any adjournment or adjournments thereof. The cost of this solicitation will be paid by the Company. In addition to solicitation by mail, officers, directors and employees of the Company may solicit proxies by telephone, telegraph or in person. The Company may also request banks and brokers to solicit their customers who have a beneficial interest in the Company s Common Stock registered in the names of nominees and will reimburse such banks and brokers for their reasonable out-of-pocket expenses.

Solicitation and Revocation of Proxies

Any proxy may be revoked at any time before it is voted by receipt of a proxy properly signed and dated subsequent to an earlier proxy, or by revocation of a proxy by written request or in person at the Annual Meeting. If not so revoked, the shares represented by such proxy will be voted by the persons designated as proxies in favor of the matters indicated. In the event any other matters that properly come before the meeting require a vote of shareholders, the shares represented by the proxies will be voted by persons named as proxies in accordance with their judgment on such matters. The Company s corporate offices are located at 213 South Main Street, Hector, Minnesota 55342, and its telephone number is (320) 848-6231. The mailing of this Proxy Statement to shareholders of the Company commenced on or about April 11, 2006.

Voting Securities and Record Date

The total number of shares outstanding and entitled to vote at the meeting as of March 31, 2006 consisted of 8,720,133 shares of \$.05 par value Common Stock. Only shareholders of record at the close of business on March 31, 2006 will be entitled to vote at the meeting. Each share of Common Stock is entitled to one vote. Cumulative voting in the election of directors is not permitted. The presence in person or by proxy of the holders of a majority of the shares entitled to vote at the Annual Meeting of Shareholders constitutes a quorum for the transaction of business.

Under Minnesota law, each item of business properly presented at a meeting of shareholders generally must be approved by the affirmative vote of the holders of a majority of the voting power of the shares present, in person or by proxy, and entitled to vote on that item of business. However, if the shares present and entitled to vote on any particular item of business would not constitute a quorum for the transaction of business at the meeting, then that item must be approved by holders of a majority of the minimum number of shares that would constitute such a quorum. Votes cast by proxy or in person at the Annual Meeting of Shareholders will be tabulated at the meeting to determine whether or not a quorum is present. Abstentions on a particular item of business will be treated as shares that are present and entitled

to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining approval of the matter. For shares held in street name, if a broker indicates on the proxy that it does not have discretionary authority as to such shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter, but they are counted as present for the purpose of determining the presence of a quorum.

Each of our directors is expected to make a reasonable effort to attend all meetings of the Board, applicable committee meetings and our annual meeting of shareholders. During 2005, the Board of Directors met four times. Each of our directors attended at least 75% of the meetings of the Board and committees on which he or she served. With the exception of Messrs Paul Anderson and Randall D. Sampson, all of our directors attended our 2005 Annual Meeting of Shareholders.

Board Committees. Our Board of Directors has established the following committees: Audit, Compensation, Governance and Nominating, Finance and Executive. Only members of the Board serve on these committees. Following is information about each committee.

The Deloitte Entities, the Company's independent public accountants, report directly to the Audit Committee. The Audit Committee operates under a formal charter that was most recently amended in, 2004. Each of the members of the Audit Committee is independent as defined by SEC and AMEX listing standards. The current members of the Audit Committee are Edwin C. Freeman, Paul J. Anderson and Luella G. Goldberg and the Board of Directors has determined that Edwin C. Freeman qualifies as the Committee's

financial expert. The Audit Committee met six times during 2005. The report of the Audit Committee is found on page 14.

Compensation Committee. The Compensation Committee provides oversight of the overall compensation strategy of the Company, reviews and recommends to the Board of Directors the compensation of the Company's Chief Executive Officer and the other executive officers, administers the Company's equity based compensation plans and oversees the Company's 401(k) plan and similar employee benefit plans. The Compensation Committee operates under a charter approved by the Board. Each of the members of the Compensation Committee is independent under AMEX listing standards. The Finance Committee interfaces with the Compensation Committee with respect to implementing compensation policies that support the Company's annual business plan. The Finance Committee is also responsible for overseeing and making recommendations about the financial operating policies and procedures relating to matters such as investment of excess cash, management of accounts receivable and inventory, purchases of capital equipment, travel, and employee benefits and perquisites. The current members of the Committee are Wayne E. Sampson, Chair, Edwin C. Freeman, Curtis A. Sampson, and Randall D. Sampson. The Finance Committee met two times during 2005.

Executive Committee. The current members of the Committee are Edwin C. Freeman, Gerald D. Pint, Curtis A. Sampson and Wayne E. Sampson. While members of the Executive Committee were consulted informally during the year, this committee did not formally meet in 2005.

Director Independence

The Board of Directors has adopted director independence guidelines that are consistent with the definitions of independence set forth in Section 301 of the Sarbanes-Oxley Act of 2002, Rule 10A-3 under the Securities Exchange Act of 1934 and AMEX listing standards. In accordance with these guidelines, the Board of Directors has reviewed and considered facts and circumstances relevant to the

independence of each of our directors and director nominees and has determined that each of the following directors qualifies as independent under AMEX listing standards: Paul J. Anderson, Edwin C. Freeman, Luella G. Goldberg, Frederick M. Green and Gerald D. Pint.

Director Nominations

Our Governance and Nominating Committee is the standing committee responsible for recommending to our full Board of Directors the nominees for election as directors at our annual shareholder meetings. In making its recommendations, the Committee reviews the composition of the full Board to determine the qualifications and areas of expertise needed to further enhance the composition of the Board, and works with management in attracting candidates with those qualifications. In making its recommendations, the Committee considers, among other things, relevant experience, integrity, ability to make independent analytical inquiries, understanding of the Company's business, relationships and associations related to the Company's business, personal health and a willingness to devote adequate time and effort to Board responsibilities, all in the context of an assessment of the perceived needs of the Company.

Although we have never received a submission in the past, the Governance and Nominating Committee will consider qualified candidates for director that are submitted by our shareholders. Shareholders can submit qualified candidates, together with appropriate biographical information, to the Governance and Nominating Committee at: Communications Systems, Inc., 213 South Main Street, Hector, Minnesota 55432. Submissions will be forwarded to the Governance and Nominating Committee for review and consideration. Any stockholder desiring to submit a director candidate for consideration at our 2007 Annual Meeting of shareholders must ensure that the submission is received by the Company no later than December 31, 2006 in order to provide adequate time for the Governance and Nominating Committee to properly consider the candidate. A shareholder wishing to formally nominate a director candidate should follow the procedure hereafter set forth under the caption Other Information Shareholder Proposals for 2007 Annual Meeting Shareholder Nominations.

Director Compensation

All directors, other than Curtis A. Sampson, receive a monthly retainer of \$1000, plus \$1400 for each Board meeting attended and \$1200 for each committee meeting attended, and \$500 for each Board or committee meeting in which the director participates by phone. In addition, chairs of standing committees of the Board receive an annual fee of \$1000. Messrs. Freeman, Wayne. Sampson and Pint, in consideration for their additional services as members of the Executive Committee, are paid an additional monthly retainer of \$250. Mr. C. Sampson received no additional cash compensation for service on the Board.

Presently, each non-employee member of the Board of Directors receives, at the time of the annual meeting of the shareholders, an option to purchase 3,000 shares of the Company's Common Stock. Each director's option is granted at a price equal to the fair market value of the Company's Common Stock on the date of grant and is exercisable over a ten-year period beginning six months after the date the option is granted.

Code of Ethics and Business Conduct

We have a **Code of Ethics and Business Conduct (the Code)** applicable to all of the Company's officers, directors, employees and consultants that establishes guidelines for professional and ethical conduct in the workplace. The Code also contains a special set of guidelines applicable to the Company's senior financial officers, including the chief executive officer, principal financial officer, principal accounting officer, and others involved in the preparation of the Company's financial reports, that are intended to promote the ethical handling of conflicts of interest, full and fair disclosure in periodic reports filed by the Company and compliance with laws, rules and regulations concerning such periodic reporting. A copy of the Code is available on the Investor Resources page of our website at <http://www.commsystems.com/> under Corporate Governance and is also available, without charge, by writing to the Company's Corporate Secretary at: Communications Systems, Inc., 213 South Main Street, Hector, Minnesota 55342.

PROPOSALS

Proposal One: Election of Directors

The Board of Directors is presently comprised of eight director positions, divided into three classes, with each class of directors serving staggered three-year terms. The Governance and Nominating Committee has nominated and the Board of Directors recommends that the Company's shareholders elect, Paul J. Anderson and Wayne E. Sampson, each of whom currently serves as a director, for a three-year term expiring in 2009. The term of director Frederick M. Green also expires at the 2006 Annual Meeting and Mr. Green has advised the Board that he does not wish to stand for reelection at the expiration of his current term. Accordingly, in connection with action on director nominees at the Annual Meeting, shareholders will be asked to approve an amendment of the bylaws to reduce the size of the Board to seven directors pending the appointment or election of a director to fill the vacancy resulting from Mr. Green's decision not to stand for re-election. The Board of Directors believes that each nominee named above will be able to serve as a director, however, should a nominee be unable to serve, the persons named in the proxies have advised that they will vote for the election of such substitute nominee as the Governance and Nominating Committee may recommend and the Board of Directors may propose.

The first awards were earned as of December 31, 2005 for the two-year period ending at that date and paid in early 2006. Future awards will be paid every two years based on performance measured over four year periods. See Compensation Committee Report below for further information regarding base salary, bonus, stock option and long-term incentive plan compensation.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

Our executive compensation programs are administered by the Compensation Committee of the Board of Directors. The Committee is currently composed of independent, non-employee directors, none of whom was at any time during the past fiscal year an officer or employee of the Company, was formerly an officer of the Company or any of its subsidiaries, or had any employment relationship with the Company. Mr. Sampson, the Company's Chairman and Chief Executive Officer, participated in the deliberations of the Compensation Committee that occurred during fiscal 2005 regarding executive compensation, but did not take part in deliberations regarding his own compensation. Mr. Sampson's participation in the deliberations of the Compensation Committee included providing information on the performance of people who work at the Company and advisory recommendations regarding the appropriate levels of compensation for the Company's officers.

COMPENSATION COMMITTEE REPORT

The Compensation Committee appointed by the Company's Board of Directors has primary responsibility in regard to determinations relating to executive compensation and administration of the Company's stock option plans, including authorizing awards under the Company's Stock Plan. The Committee operates under a written charter adopted by the full Board.

Compensation Policies

It is the objective of the Compensation Committee to pay compensation at levels that will attract, retain and motivate executives with superior leadership and management abilities and to structure the forms of compensation paid in order that their interests will be closely aligned with Company's in achieving

superior financial performance. Until early 2004 it was the Committee's practice to achieve these objectives through a mix of base salary, bonus and equity based compensation. In early 2004 the Company determined that it would discontinue option grants after 2004 (except for option grants to directors) in connection with the implementation of a long term incentive plan that is currently available to 19 officers and key management selected by the Committee who have a significant impact on the long term financial results of the Company overall or its principal business units. Under this plan, after the two-year phase in period discussed below, eligible employees will receive awards every two years that cover a four-year performance period. The incentive targets for each participant for each performance period are established, in the Committee's discretion, based on return on assets measures of Company or business unit performance or a combination of both. At the end of each performance period participating employees receive cash payments based upon performance as measured against minimum, target and maximum goals established for the respective participants. Participating employees that resign before the termination of a performance period forfeit any entitlement to cash payments for such period. The first cash payments under this program were made in 2006 for performance during the transitional period that began effective January 1, 2004 and ended on December 31, 2005. The Compensation Committee believes that this combination of base salary, bonus and long-term incentive payments provides an appropriate mix of fixed and variable pay and a balance of incentives for short-term and longer term operational performance.

Compensation Elements

Base salaries of the Company's executive officers are generally established by reference to base salaries paid to executives in similar positions with similar responsibilities based upon publicly available compensation surveys and limited informal surveys by Compensation Committee members. Base salaries are reviewed annually and adjustments are usually made during the first quarter of a fiscal year based primarily on individual and Company performance during the immediately preceding fiscal year. Consideration is given by the Compensation Committee to both measurable financial factors, as well as subjective judgments regarding factors such as development and execution of strategic plans, changes in areas of responsibility and the development and management of employees. The Compensation Committee does not, however, assign specific weights to these various quantitative and qualitative factors in reaching its decisions. Adjustments in 2005 to base compensation paid to the five executives named above represented an average increase of approximately 5.6% and reflected consideration of individual performance of each executive, the performance of the business unit or units for which he had responsibility and the Company's fiscal 2004 results, in which net income increased approximately 75% compared to fiscal 2003.

Bonuses are intended to provide executives with an opportunity to receive additional cash compensation, but only if they earn it through Company, business unit and individual performance. For 2005, the Compensation Committee used a bonus compensation system based on Company and/or business unit financial targets established at the beginning of the fiscal year, as well as objective and subjective measures of individual performance. The total amount of bonuses paid to the executive officers of the Company named in the table above in 2005 was \$457,266, compared to bonuses totaling \$521,495 that were paid to such executive officers in fiscal 2004 reflecting, in addition to assessments of individual performance, an 18.7% decrease in operating income from continuing operations in 2005 compared to 2004.

The Committee regards cash compensation paid to the Company's executive officers as reasonable in relation to published information regarding compensation of executives with similar responsibilities and the Company's financial performance. It should also be noted that none of the named executive officers has an employment contract with the Company, or rights to any guaranteed severance payments in the event of termination.

As discussed above, the Company has moved from granting stock options to implementation of a long term incentive plan as a better vehicle to align the interests of management with the interests of stockholders and to motivate long term performance by executives. Accordingly, during the first quarter of fiscal 2004, the Committee granted stock options to purchase 81,000 shares of common stock to the five named executive officers. In addition, in December 2004, as a transitional measure further discussed below, the Committee granted stock options to purchase 27,300 shares of common stock to the five named executive officers. Collectively, these grants represented approximately 37.5% of all options granted to all officers and key employees in 2004. The long-term incentive plan discussed above was implemented with a transitional period from January 1, 2004 to December 31, 2005. At the end of this transitional period the five named executives officers earned an aggregate of \$278,347 that was paid in early 2006.

Chief Executive Officer Compensation

Mr. Curtis A. Sampson, the Company's Chief Executive Officer, participates in the same executive compensation plans provided to other senior executives and is evaluated by the same factors applicable to the other executives as described above. Mr. Sampson's base compensation was increased 1.12% at the beginning of 2005 to \$206,375 and he received a bonus of \$110,279, compared to a bonus of \$132,358 for 2004, under the same bonus program applicable to other executive officers. These determinations reflected a judgment about his individual performance as well as the financial performance of the Company in 2005 and 2004 discussed above. Mr. Sampson devotes approximately 50% of his working time to the Company and 50% to Hector Communications Corporation, where he also serves as Chief Executive Officer. In 2004 Mr. Sampson was awarded options to acquire 38,000 shares of common stock that, because of his significant holdings of Company common stock, under applicable IRS rules were priced at 110% of the market price on the date of grant. Under the long-term incentive plan discussed above for the transitional period from January 1, 2004 to December 31, 2005, Mr. Sampson earned \$86,400 that was paid in early 2006. The Compensation Committee believes, based upon their general knowledge of compensation paid to other chief executives and a review of published regional salary data (but without conducting a formal survey), that Mr. Sampson's total compensation as an executive officer of the Company is reasonable in relation to the scope of his responsibilities and financial performance of the Company during the past several years.

Conclusion

The Committee believes the caliber and motivation of all our employees, and especially our executives and key employees, are essential to the Company's success. We will continue to evaluate and administer our compensation policies and programs in a manner that we believe will serve the interests of the shareholders.

THE COMPANY'S AUDITORS

Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, the "Deloitte Entities") have been the auditors for the Company since 1982 and have been selected by the Board of Directors, upon recommendation of the Audit Committee, to serve as such for the current fiscal year. A representative of the Deloitte Entities is expected to be present at the

Annual Meeting of Shareholders and will have an opportunity to make a statement and will be available to respond to appropriate questions.

The following is a summary of the fees billed to the Company by the Deloitte Entities for professional services rendered for the fiscal years ended December 31, 2005 and December 31, 2004. Audit-Related Fees. This category consists of fees billed for assurance and related services, such as our employee benefit plan audits, that are reasonably related to the performance of the audit or review of our financial statements and are not otherwise reported under Audit Fees.

Tax Fees. This category consists of fees billed for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal and state tax compliance and acquisitions.

Audit Committee Pre-approval Policies and Procedures

In addition to approving the engagement of the independent auditor to audit the Company's consolidated financial statements, it is the policy of the Committee to approve all use of the Company's independent auditor for non-audit services prior to any such engagement. To minimize relationships that could appear to impair the objectivity of the independent auditor, it is the policy of the Committee to restrict the non-audit services that may be provided to the Company by the Company's independent auditor primarily to tax services and merger and acquisition due diligence and integration services and any other services that can clearly be designated as non-audit services, as defined by regulation.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors is responsible for independent, objective oversight of the Company's financial accounting and reporting, by overseeing the system of internal controls established by management and monitoring the participation of management and the independent auditors in the financial reporting process. The Audit Committee is comprised of independent directors, and acts under a written charter. Each of the members of the current Audit Committee is independent as defined under applicable SEC rules and AMEX listing standards.

The Audit Committee held six meetings during fiscal year 2005. The meetings were designed to facilitate and encourage private communication between the Audit Committee and the Company's independent accountants, the Deloitte Entities.

During the meetings, the Audit Committee reviewed and discussed the Company's financial statements with management and the Deloitte Entities. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The discussions with the Deloitte Entities also included the matters required by Statement on Auditing Standards (SAS) No. 61 (Communication with Audit Committees), as amended by SAS 89 and 90 (Audit Committee Communications).

The Deloitte Entities provided to the Audit Committee the written disclosures and the letter regarding its independence as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and this information was discussed with The Deloitte Entities.

Based on the discussions with management and the Deloitte Entities, the Audit Committee's review of the representations of management and the report of the Deloitte Entities, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005, filed with the Securities and Exchange Commission.
