Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

The validity of the shares of common stock covered by this Registration Statement has been passed upon by Forest by Cyrus D. Marter IV, Vice President, General Counsel and Secretary of Forest. As of the date of this Registration Statement, Mr. Marter beneficially owns 28,088 shares of Forest common stock (including restricted shares subject to forfeiture provisions) and holds options to acquire 31,800 shares of Forest common stock under the terms of our stock incentive plans.

Item 6. Indemnification of Directors and Officers.

Sections 721 through 725 of the Business Corporation Law of the State of New York (the "BCL"), in which Forest is incorporated, permit New York corporations, acting through their boards of directors, to extend broad protection to their directors, officers and other employees by way of indemnity and advancement of expenses. These sections (1) provide that the statutory indemnification provisions of the BCL are not exclusive, provided that no indemnification may be made to or on behalf of any director or officer if a judgment or other final adjudication adverse to the director or officer establishes that his acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated, or that he personally gained in fact a financial profit or other advantage to which he was not entitled, (2) establish procedures for indemnification and advancement of expenses that may be contained in the certificate of incorporation or bylaws, or, when authorized by either of the foregoing, set forth in a resolution of the shareholders or directors or an agreement providing for indemnification and advancement of expenses, (3) apply a single standard for statutory indemnification for third-party and derivative suits by providing that indemnification is available if the director or officer acted, in good faith, for a purpose which he reasonably believed to be in the best interests of the corporation, and, in criminal actions, had no reasonable cause to believe that his conduct was unlawful, (4) eliminate the requirement for mandatory statutory indemnification that the indemnified party be wholly successful, and (5) provide for the advancement of litigation expenses upon receipt of an undertaking to repay such advance if the director or officer is ultimately determined not to be entitled to indemnification. Section 726 of the BCL permits the purchase of insurance to indemnify a corporation or its officers and directors to the extent permitted. Essentially, the BCL allows corporations to provide for indemnification of directors, officers and employees except in those cases where a judgment or other final adjudication adverse to the indemnified party establishes that the acts were committed in bad faith or were the result of active and deliberate dishonesty or that the indemnified party personally gained a financial profit or other advantage to which he was not legally entitled.

Forest's certificate of incorporation contains a provision eliminating the liability of the directors for breach of duty unless a judgment or other final adjudication establishes that: (1) the director's acts or omissions were in bad faith or involved intentional misconduct or a knowing violation of law; (2) the director personally gained in fact a financial profit or other advantage to which the director was not legally entitled; or, (3) the director's acts violate Section 719 of the BCL.

Article IX of Forest's bylaws contains very broad indemnification provisions which permit Forest to avail itself of the amended BCL to extend broad protection to its directors, officers and employees by way of indemnity and advancement of expenses. It sets out the standard under which Forest will indemnify directors and officers, provides for reimbursement in such instances, for the advancement or reimbursement for expenses reasonably incurred in defending an action, and for the extension of indemnity to persons other than directors and officers, provides for reimbursement in such instances, for the advancement or reimbursement for expenses reasonably incurred in defending an action, and for the extension of indemnity to persons other than directors and officers. It also establishes the manner of handling indemnification when a lawsuit is settled. It is not intended that this bylaw is an exclusive method of indemnification.

We carry directors and officers liability coverages designed to insure our officers and directors and those of our subsidiaries against certain liabilities incurred by them in the performance of their duties, and also providing for reimbursement in certain cases to us and our subsidiaries for sums paid to directors and officers as indemnification for similar liability.

Item 7. Exemption from Registration Claimed.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that the undertakings set forth in paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the registration statement is on Form S-8, Form S-3 or Form F-3, and the information required to be included in

the post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 (the Exchange Act) that are incorporated by reference in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
