(c) As previously disclosed on a Current Report on Form 8-K filed on August 10, 2007, Raining Data Corporation (the Company) reported that, as a result of Richard Smith's resignation from the Company's Board of Directors, the Company is no longer in compliance with Nasdaq Marketplace Rules 4350(c)(1) and 4350(d)(2)(A) because it no longer has a majority of independent directors nor does it have at least three members on the Audit Committee, respectively.

On September 13, 2007, the Company received a Nasdaq Staff Deficiency Letter confirming that the Company no longer complies with Nasdaq's independent director and audit committee requirements, as described above. In addition, the letter states that, consistent with Nasdaq Marketplace Rules 4350(c)(1) and 4350(d)(4), the Company will be provided with a cure period until the earlier of its next annual stockholders meeting or August 3, 2008, or, if the next annual stockholders meeting is held before January 30, 2008, then the Company must provide evidence of compliance no later than January 30, 2008. The letter also states that in the event the Company does not regain compliance within this period, the Company will receive written notice that its securities will be delisted. The Company intends to identify a suitable candidate to fill the vacancy on its Board of Directors and Audit Committee so that the Company can regain compliance under Nasdaq Marketplace Rules 4350(c)(1) and 4350(d)(2)(A) within the prescribed cure period.

In accordance with Nasdaq Marketplace Rule 4803(a), on September 19, 2007, the Company issued a press release announcing its receipt of the letter from Nasdaq. A copy of the press release is included as Exhibit 99.1 hereto and is incorporated herein by reference.
