(a) Amendment to Bylaws.

On March 19, 2008, the Board of Directors (the Board) of the Company approved an amendment and restatement of the Company's bylaws (the Bylaws and as amended and restated, the Amended Bylaws), effective immediately. The Bylaws were amended and restated to implement the following:

Section 2.2 (Annual Meeting) was amended to establish requirements for qualification as a qualified representative of a stockholder for purposes of presenting stockholder nominations and proposals at a meeting of stockholders and to provide for the automatic exclusion of a stockholder proposal if the proposing stockholder or a qualified representative does not attend the meeting to present the proposal.

Section 2.6 (Manner of Giving Notice; Affidavit of Notice) was amended to clarify the manner of electronic transmission of notices of meetings of stockholders and of householding of notices to stockholders who share an address. These notices must still be mailed or electronically transmitted in accordance with the Amended Bylaws and applicable state law.

Sections 3.8 (Special Meetings; Notice), 3.10 (Waiver of Notice) and 3.13 (Board Action by Written Consent without a Meeting) were amended to allow for the delivery of notices, waivers and consents of board members by means of facsimile, electronic mail and posting on an electronic network.

Section 3.9 (Quorum) was amended to remove language concerning the continued transaction of business at a board meeting at which a quorum was present and directors have subsequently withdrawn.

Section 3.13 (Board Action by Written Consent Without a Meeting) was amended to allow the Board of Directors to consent to actions by electronic transmission.

Sections 5.10 (Secretary), 8.5 (Stock Certificates) and 8.6 (Special Designation on Certificates) were amended to clarify the Company's authority to issue and transfer uncertificated shares and to make other changes to conform to Securities and Exchange Commission and New York Stock Exchange provisions.

Section 6.1 (Indemnification of Directors and Officers) was amended to: (i) include any action or suit, whether civil, criminal administrative or investigative within the definition of a proceeding, and (ii) to expand the definition of director or officer and employee or agent to include service, at the request of the Company, with respect to employee benefit plans.

Section 6.4 (Expenses) was amended to clarify that the advancement of expenses to a director or officer prior to the final disposition of a proceeding will only be made upon receipt by the Company of an undertaking to repay the amounts advanced if it is ultimately determined that the person was not entitled to be indemnified and to clarify the instances under which the corporation is not required to advance expenses.

Section 6.5 (Claims) was added to allow for the filing of a claim to recover for the amount of any unpaid claims for indemnification or advancement of expenses.

Section 6.7 (Sources) was added to allow the Company to offset any indemnification payments made by another party for the same indemnification claim.

In addition, non-substantive language and conforming changes and other technical edits and updates were made in Sections 4.1 (Committees of Directors), 6.2 (Indemnification of Others), 6.3 (Insurance), 6.9 (Amendments), 7.3 (Representation of Shares of Other Corporations) and Article IX (Amendments).
