Retirement Savings Plan

Manitowoc, Wisconsin

We have audited the accompanying statements of net assets available for benefits of The Manitowoc Company, Inc. Retirement Savings Plan as of December 31, 2007 and 2006, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of The Manitowoc Company, Inc. Retirement Savings Plan as of December 31, 2007 and 2006, and the changes in its net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2007, is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Retirement Savings Plan

Note 1 **Plan Description**

Edgar Filing: MANITOWOC CO INC - Form 11-K

The following description of The Manitowoc Company, Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan s provisions.

General

The Plan is a retirement savings plan under Section 401(k) of the Internal Revenue Code. The Plan is available to all eligible employees of participating companies of The Manitowoc Company, Inc. (the Company) who have completed either a probationary period with a participating company or six months, whichever is shorter. An eligible employee is an hourly employee of a participating company who is covered by a collective bargaining agreement between the participating company and the union representing employees of the participating company. Participating companies in the Plan are Manitowoc Cranes, Inc.; Manitowoc Ice, Inc.; Manitowoc Marine Group, LLC; KMT Refrigeration, Inc.; and Marinette Marine Co., Inc., which are all wholly owned subsidiaries or divisions of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to contribute from 1% to 75% of eligible compensation up to a maximum contribution allowable under the Internal Revenue Code. The Plan also allows direct rollovers from other qualified plans. Participants that are employed by Manitowoc Cranes, Inc. who are members of the Boilermakers Union shall receive matching contributions at the rate of 25% of the first 4% of eligible compensation. Effective November 5, 2006, the office and professional employees international union local No. 9 AFL/CIO at Manitowoc Cranes, Inc. also received matching contributions at the rate of 25% of the first 4% of eligible compensation. Effective January 1, 2007, those participants that are employed by the Bay Shipbuilding Co. shall receive matching contributions at a rate of 25% of the first 4% of eligible compensation. Effective June 10, 2007, those participants that are employed by Manitowoc Cranes, Inc. who are members of the Local Lodge of 516 of the International Association of Machinist and Aerospace Workers Union AFL-CIO shall receive matching contributions at a rate of 50% of the first 4% of eligible compensation. Total annual contributions to a participant s account are limited to the lesser of 100% of the participant s compensation for the year or the maximum contribution allowable under the Internal Revenue Code.

Note 1 **Plan Description** (Continued)

Participants Accounts

All investments in participants' accounts are participant-directed. The Plan allows participants to select from a variety of investment options including a money market fund, equity funds, and fixed income funds. The Plan also allows participants to purchase The Manitowoc Company, Inc. common stock.

Each participant's account is credited with the participant's contributions, Company matching contributions, and an allocation of plan earnings and is reduced for withdrawals. Plan earnings are determined and credited to each participant's account on a daily basis in accordance with the proportion of the participant's account to all accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Benefits

Plan benefits are available at normal retirement (age 65), disability retirement, death, and termination of employment with vested interests. Benefits are payable in one lump sum, equal installments over a period of years, or an insurance company single premium nontransferable annuity contract.

Vesting

All employee contributions and related earnings are 100% vested immediately. Company matching contributions vest subject to a six-year graded vesting schedule.

Participant Loans

In the event of financial hardship as defined by Internal Revenue Service regulations, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at prime plus 1%. Loans are repaid through payroll deductions over a period not to exceed five years.

Expenses of the Plan

Administrative expenses of the Plan are paid from the assets of The Manitowoc Company, Inc. Employees' Profit Sharing Trust (the Master Trust).

Retirement Savings Plan

Note 1 Plan Description (Continued)

Forfeitures

Plan forfeitures arise as a result of participants who terminate service with the Company before becoming 100% vested in the Company's matching contributions. These forfeitures are used to offset future employer matching contributions.

Transfers to Other Plans

The Plan and the Company allow participants to transfer account balances between other plans sponsored by the Company when they transfer to a new division or their job status changes (i.e., union versus nonunion).

Plan Termination

The employer intends to continue the Plan indefinitely; however, the employer reserves the right to terminate the Plan at any time. In the event of termination, all amounts credited to participants' accounts shall become 100% vested and distributed to participants in accordance with the Plan's provisions.

Note 2 Summary of Significant Accounting Policies

Method of Accounting

The financial statements of The Manitowoc Company, Inc. Retirement Savings Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States.

Beginning January 1, 2006, the Plan adopted the requirements as described in Financial Accounting Standards Board Staff Position, FSP AAG INV-1 and SOP 94-4-1, *Reporting of Fully Benefit-Responsive Investment Contracts Held by Certain Investment Companies Subject to the AICPA Investment Company Guide and Defined-Contribution Health and Welfare and Pension Plans* (the "FSP"). These requirements are effective for financial statements issued for periods ending after December 15, 2006. The FSP requires investment contracts held by a defined contribution plan to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

The Manitowoc Company, Inc.
Retirement Savings Plan

Note 2 **Summary of Significant Accounting Policies** (Continued)

Method of Accounting (Continued)

As required by the FSP, the statement of net assets available for benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The statements of changes in net assets available for benefits are prepared on a contract value basis.

Use of Estimates in Preparation of Financial Statements

The preparation of the accompanying financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that directly affect the results of certain reported amounts and disclosures. Actual results may differ from these estimates.

Investments

The Plan's investments are commingled with other plans of The Manitowoc Company, Inc. in the Master Trust. Upon enrollment in the Plan, a participant may direct contributions in 1% increments in any of the defined investment options.

Investments are stated at fair value. Money market funds are stated at cost, which approximates fair value. Mutual funds and common stock of the Company are carried at current value which represents the quoted market values. Common/collective trust funds are valued based on the market value of the underlying investment held by the fund. The Capital Preservation Fund includes funds in a portfolio of guaranteed investment contracts. The fair value of the guaranteed investment contracts is calculated by discounting the related cash flows based on current yields of similar instruments with comparable durations. Participant loans are stated at their outstanding balances, which approximate fair value.

Unrealized appreciation or depreciation is reflected for the year in the statement of changes in net assets available for benefits. Gains or losses on security transactions are recorded as the difference between proceeds received and the carrying value of the investments. Security transactions are accounted for on the trade-date basis (the date the order to buy or sell is executed). Interest income is recognized on the accrual method, and dividend income is recorded on the ex-dividend date.

Note 2 Summary of Significant Accounting Policies (Continued)**Benefit Claims Payable**

Benefit claims payable on the statement of net assets available for benefits relates to distributions requested prior to year-end, but completed subsequent to year-end.

Note 3 Investments in the Master Trust

The Plan's allocated share of the Master Trust's net assets and investment activities is based upon the total of each participant's share of the Master Trust. The percentage of the Plan's assets to the total assets of the Master Trust is 5% and 5% as of December 31, 2007 and 2006, respectively. The Plan's approximate allocated share of the net assets of each fund in the Master Trust at December 31 was:

	2007	2006
Columbia Acorn Fund	4%	4%
Janus Growth & Income Fund	7%	7%
Janus Small-Cap Value Fund*	0%	8%

Fidelity Managed Income Portfolio II	138,434,339	138,713,955
Wells Fargo Advantage Small Cap Disciplined Fund	31,161,783	0

Note 4 Investment Contract

The Plan has entered into a benefit-responsive investment contract with Marshall & Ilsley Trust Company N.A. (M & I). M & I maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The Manitowoc Company, Inc.
Retirement Savings Plan

Note 4 Investment Contract (Continued)

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by M & I, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value; however, the investment contract is subject to certain restrictions which may impact the Plan's ability to fully realize the investment contract's value under certain conditions.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting. There are no guarantees or limitation on the contract at December 31, 2007 and 2006.

	2007	2006
Average yields:		
Based on actual earnings	4.67%	4.33%
Based on interest rate credited to participants	4.73%	4.47%

Note 5 Party-in-Interest Transactions

Transactions involving The Manitowoc Company, Inc. common stock are considered party-in-interest transactions. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

Certain plan investments are common/collective trust funds and guaranteed investment contracts managed by M & I. M & I is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Note 6 Tax-Exempt Status of the Plan

On June 2, 2004, the Internal Revenue Service declared that the Plan is qualified pursuant to Section 401 of the Internal Revenue Code. Plan management believes any amendments and events since the effective date of the last Internal Revenue Service determination letter do not affect the qualified status of the Plan. Accordingly, the Plan is exempt from federal and state income taxes under current provisions of their respective laws.

The Manitowoc Company, Inc.
Retirement Savings Plan

Note 7 Risks and Uncertainties

The Master Trust's investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.
