Pursuant to the VBV Merger Agreement, each VBV unit issued and outstanding immediately prior to the effective time of the VBV Merger was converted into the right to receive 7,498.369315 shares of Green Plains common stock.

Concurrently with the VBV Merger, and pursuant to the Agreement and Plan of Merger by and among Green Plains, TN Merger Sub, LLC, a wholly-owned subsidiary of Green Plains (TN Merger Sub), and Ethanol Grain Processors, LLC (EGP), a majority-owned subsidiary of VBV (the EGP Merger Agreement), Green Plains completed its merger with EGP. Pursuant to the terms of the EGP Merger Agreement, TN Merger Sub merged with and into EGP (the EGP Merger), with EGP continuing as the surviving company and becoming an indirect wholly-owned subsidiary of Green Plains.

Pursuant to the EGP Merger Agreement, each EGP unit issued and outstanding immediately prior to the effective time of the EGP Merger was converted into the right to receive 0.151658305 shares of Green Plains common stock.

Concurrently with the VBV Merger and EGP Merger, and pursuant to the Agreement and Plan of Merger by and among Green Plains, IN Merger Sub, LLC, wholly-owned subsidiary of Green Plains (IN Merger Sub), and Indiana Bio-Energy, LLC (IBE), a majority-owned subsidiary of VBV (the IBE Merger Agreement), Green Plains completed its merger with IBE. Pursuant to the terms of the IBE Merger Agreement, IN Merger Sub merged with and into IBE (the IBE Merger) and collectively with the VBV Merger and the EGP Merger, the Mergers), with IBE continuing as the surviving company and becoming an indirect wholly-owned subsidiary of Green Plains.

The descriptions of the VBV Merger Agreement, IBE Merger Agreement and EGP Merger Agreement do not purport to be complete and are qualified in their entirety by reference to the full text of each respective agreement, which are filed as Exhibits 2.1, 2.2 and 2.3, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.

Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

Beginning October 15, 2008, the Green Plains common stock will trade on the NASDAQ Global Market. Because the Mergers are treated by NASDAQ as a reverse merger, the Green Plains common stock will trade under the ticker symbol GPRED through November 7, 2008, and then trade under the existing symbol, GPRE.

Item 3.02. Unregistered Sales of Equity Securities.

On October 15, 2008, Green Plains issued and sold 6,000,000 shares of its common stock to Bioverda International Holdings Limited (Bioverda International) and Bioverda US Holdings LLC (Bioverda US) and together with Bioverda International, the Bioverda Entities) pursuant to the Stock Purchase Agreement dated May 7, 2008, between Green Plains, and the Bioverda Entities (the Stock Purchase Agreement) for an aggregate purchase price of \$60,000,000 in cash (the Stock Purchase). International purchased 5,234,000 shares of Green Plains common stock for \$52,340,000 and Bioverda US purchased 766,000 shares of Green Plains common stock for \$7,660,000.

The common stock sold in the Stock Purchase was issued under the registration exemption provided for in Section 4(2) of the Securities Act of 1933, as amended (the Securities Act).

Item 3.03. Material Modification of Rights of Security Holders.

The information set forth in Item 5.03 of this Current Report is incorporated herein by reference.

Item 5.01. Changes in Control of Registrant.

As a result of the Mergers and the Stock Purchase (collectively, the Transactions), the former owners of VBV, IBE and EGP now hold approximately 68.6% of Green Plains issued and outstanding common stock, which has resulted in a change of control of Green Plains.

The Bioverda Entities now own approximately 51.1% of the outstanding Green Plains common stock. In addition, a Shareholders Agreement has given the Bioverda Entities and Wilon Holdings, S.A. (Wilon), collectively, the right to designate a majority of the nominees to the Green Plains Board of Directors.

The consideration paid by the Bioverda Entities to obtain control of Green Plains was (i) provided in connection with the conversion of their membership interest in VBV into shares of Green Plains common stock as a result of the VBV merger (see Item 2.01, which is incorporated herein by reference), and (ii) \$60,000,000 pursuant to the Stock Purchase (see item 3.02, which is incorporated herein by reference). The Bioverda Entities source of funds for the consideration paid in connection with the Stock Purchase was cash on hand.

Shareholders Agreement

In connection with the VBV Merger Agreement, Green Plains, Wayne B. Hoovestol, in his capacity as a Green Plains shareholder, the Bioverda Entities and Wilon entered into a Shareholders Agreement (the Shareholders Agreement) as of the effective time of the Mergers, that governs certain rights and obligations of the parties as among themselves. The following summary is qualified in its entirety by reference to the provisions of the Shareholders Agreement, which is filed as Exhibit 4.1 hereto and is incorporated herein by reference. For the purposes of this summary, Mr. Hoovestol, the Bioverda Entities and Wilon are referred to collectively as holders, sellers or selling holders, and any shares of Green Plains common stock beneficially owned by them at any time during the term of the Shareholders Agreement are referred to as the registrable securities.

Registration Rights

Under the Shareholders Agreement, at any time after 18 months following the closing of the Mergers:

- the holders of at least 30% of the registrable securities subject to the agreement may request that Green Plains file a Form S-1 registration statement with respect to at least 20% of their registrable securities.
- the holders of at least 20% of the registrable securities subject to the agreement may request that Green Plains file a Form S-3 registration statement with respect to registrable securities having an anticipated aggregate offering price of at least \$5 million dollars.

In both cases, if Green Plains believes in its good faith judgment that such registration statement would be materially detrimental to Green Plains and its shareholders, Green Plains shall have the right to defer taking action with respect to the filing such registration statement for a period of not more than 75 days after such request. Green Plains may invoke this right two times in any 12-month period.

Green Plains shall not be obligated to file a Form S-1 registration statement (i) during a period that is 30 days before and 90 days after the effective date of a Green Plains-filed registration statement; (ii) after Green Plains has effected two registration statement under the Shareholders Agreement; or (iii) if the request for registration can be effected on a Form S-3 registration. Additionally, Green Plains shall not be obligated to file a Form S-3 registration statement (i) during a period that is 30 days before and 90 days after the effective date of a Green Plains filed registration statement; or (ii) if Green Plains has effected two Form S-3 registrations within the 12 months

preceding such request. In no event shall Green Plains be obligated to effect more than four registrations under the Shareholders Agreement.

In the event Green Plains proposes to register any of its common stock, it shall be obligated to give notice to the holders of registrable securities under the Shareholders Agreement to allow them to piggyback onto such registration, and include such holders' registrable securities in such registration. In any offering by Green Plains involving an underwriting of Green Plains shares, Green Plains shall not be required to include any holders' registrable securities unless the holders agree to the terms agreed to by Green Plains and then only in such amounts as the underwriters determine will not jeopardize the success of the offering by Green Plains.

If the registration request by holders includes a request to distribute registrable securities by means of an underwriting, the holders must make such a request of Green Plains. All holders proposing to distribute their securities through such underwriting shall be party to an underwriting agreement and if a limit is imposed on the number of shares to be underwritten, then all holders shall be allocated their proportionate share of such underwriting. If, as a result of an underwriter cutback, fewer than 50% of the registrable securities requested to be registered by the holders are included in such registration, then that registration shall not be counted toward the maximum number of registrations permitted under the Shareholders Agreement.

When required to effect a registration, Green Plains is obligated to, among other things, (i) prepare and file with the SEC the applicable registration statement, amendments and supplements as necessary; (ii) take other usual and customary actions to provide information to the holders, and effect such registration; (iii) use its commercially reasonable efforts to cause the registrable securities to be listed on a national securities exchange or trading system, and (iv) pay all such expenses of such registration other than (a) selling expenses, underwriting discounts, selling commissions, and stock transfer taxes related to the selling holders' shares, and (b) fees of selling holders' legal counsel.

Green Plains and the selling holders agree to indemnify the other, under certain circumstances, from any loss, damage or liability to which a party may become subject under federal and state securities laws in connection with their respective obligations under the Shareholders Agreement. Green Plains further agrees (i) to make and keep available adequate current public information, and (ii) that it shall not, for a period two years after the date of the Shareholders Agreement, without the consent of the holders of the majority of registrable securities covered by the agreement, allow any holder or prospective holder to include such securities in any registration or allow any holder or prospective holder to initiate a demand for registration. The registration rights granted under the Shareholders Agreement shall terminate upon the fifth anniversary of the date of the agreement.

Voting and Board Provisions

The Shareholders Agreement also provides that the parties to the agreement will cause the Green Plains board of directors, following the Mergers, to be comprised of not more than nine directors, unless such increase is approved by at least six of the directors then serving. Of the nine directors, the Bioverda Entities will have the collective right to designate four individuals to be nominated by the board to stand for election (the Bioverda Nominees) and Wilon will have the right to designate one individual to be nominated by the board to stand for election (the Wilon Nominee). The right of the Bioverda Entities and Wilon to designate director nominees shall continue so long as they own shares representing not less than 33.5% and 2.5%, respectively, of the outstanding common stock of Green Plains.

Green Plains shall cause the Bioverda Nominees and Wilon Nominee to be nominated for election as directors of Green Plains at each meeting of Green Plains' shareholders where the election of directors is held. In addition, Green Plains shall solicit proxies for the election of such Nominees and recommend that shareholders vote in favor of each Nominee. Additionally, each of Bioverda International, Bioverda US, Wilon and Wayne Hoovestol agree to vote in favor of all Nominees to the board of directors. If a vacancy on the board of directors of Green Plains is

Edgar Filing: GREEN PLAINS RENEWABLE ENERGY, INC. - Form 8-K

created as a result of the resignation, removal or death of a Nominee, then any of the parties entitled to designate a Nominee shall be entitled to request a special meeting of the shareholders for the purpose of electing directors, and the Green Plains shall be required to call such meeting.

The Shareholders Agreement also provides that each committee of the Green Plains board of directors shall, subject to applicable director independence rules, include at least two Bioverda Nominees or one Bioverda Nominee and one Wilson Nominee.

From the date of the Shareholders Agreement until such time as Green Plains has issued an aggregate of at least 6,000,000 shares of common stock to non-affiliates of Green Plains, the Bioverda Entities and Wilon agree to vote or cause to be voted their shares of Green Plains common stock in favor of four independent nominees proposed by Green Plains in accordance with the Green Plains nominating committee policy, in the same proportion as the shareholders of Green Plains not affiliated with Bioverda and Wilon.

Other Matters

The Shareholders Agreement also provides that Green Plains will indemnify the directors nominated by the Bioverda Entities and Wilon in a manner that is equivalent to what is currently provided by Green Plains to its directors, and further provides that Green Plains will compensate and reimburse those directors consistent with Green Plains compensation policies.

Additionally, the parties to the Shareholders Agreement agree that, following the effective time of the mergers, the headquarters of Green Plains will remain in Omaha, Nebraska until such time as determined otherwise by Green Plains board of directors.
