On July 17, 2008, EXACT Sciences Corporation (the Company) filed a Current Report on Form 8-K with the Securities and Exchange Commission regarding, among other things, the Company's reduction in force effective August 1, 2008 (the Original Filing). The Company is filing this Form 8-K/A to amend the Original Filing to disclose an additional non-cash restructuring charge in the third quarter of 2008 relating to the write-off of leasehold improvements abandoned in connection with the Company's reduction in force announced under Item 2.05 of the Original Filing. The disclosure under Item 2.05 of the Original Filing is hereby replaced in its entirety by the disclosure under Item 2.05 of this Amendment No. 1. No other changes have been made to the Original Filing.

**Item 2.05 Costs Associated With Exit or Disposal Activities.**

On July 16, 2008, the Company notified eight employees, representing 67% of the Company's workforce, of their termination from the Company, effective August 1, 2008, under a plan of termination described in paragraph 8 of FASB Statement of Financial Accounting Standards No. 146 Accounting For Costs Associated With Exit or Disposal Activities, pursuant to which charges will be incurred under generally accepted accounting principles (the Restructuring). The Restructuring, which was approved by the Company's Board of Directors on July 15, 2008, was initiated in connection with the Company's revised corporate strategy of reducing costs to better preserve existing cash.

The Company recorded restructuring charges of \$255,000 in the third quarter of 2008 in connection with the Restructuring relating to one-time employee termination benefits, including severance, outplacement and other fringe benefits. These charges will result in future cash expenditures. In addition, the Company incurred a non-cash restructuring charge in the third quarter of 2008 of \$281,000 relating to the write-off of leasehold improvements abandoned in connection with the Restructuring.
