**Item 1.01. Entry into a Material Definitive Agreement.**

On February 1, 2011, we entered into a commitment to provide a debtor-in-possession credit facility (the Credit Facility ) to DBSD North America, Inc. ( DBSD North America ) and certain of its affiliates in connection with filings by DBSD North America and such affiliates for protection under Chapter 11 of the U.S. Bankruptcy Code. The Credit Facility, which remains subject to approval by the Bankruptcy Court, will consist of a non-revolving, multiple draw term loan in the aggregate principal amount of \$87.5 million, with drawings subject to the terms and conditions set forth in the Credit Facility.

On February 1, 2011, we also entered into an investment agreement pursuant to which we have committed to acquire 100% of the equity of reorganized DBSD North America for approximately \$1 billion subject to certain adjustments, including interest accruing on DBSD North America's existing debt. This transaction is to be completed upon satisfaction of certain conditions, including approval by the Federal Communications Commission and DBSD North America's emergence from bankruptcy. Under the investment agreement, which remains subject to approval by the Bankruptcy Court, we have also committed to support DBSD North America's plan of reorganization under which: (i) all claims under their 7.5% Convertible Senior Secured Notes due 2009, issued under that certain indenture dated August 15, 2005, as supplemented and amended, among DBSD North America, the guarantors named therein, and The Bank of New York Mellon (f/k/a The Bank of New York), as trustee, will be paid in full; (ii) all of DBSD North America's obligations under the Credit Facility will be paid in full; (iii) the holders of general unsecured claims of DBSD North America shall receive partial payment; and (iv) certain additional claims in bankruptcy will also be paid in full.
