EXPLANATORY NOTE

This Schedule 14A is being filed by Telephone and Data Systems, Inc. (TDS) to disclose certain information with respect to certain proposed charter amendments and other proposals (Original Proposals) originally included in TDS proxy statement dated August 31, 2011 (Proxy Statement). Capitalized terms used but not defined herein are used as defined in the Proxy Statement.

As background, on August 7, 2011, the TDS Board, including the independent directors, approved the Original Proposals and directed that they be submitted to a vote of the shareholders at a special meeting of shareholders.

TDS disclosed the Original Proposals by press release and filed a preliminary proxy statement with the SEC on August 8, 2011. TDS proceeded to finalize the preliminary proxy statement and distributed the definitive Proxy Statement dated August 31, 2011.

At the Special Meeting on October 6, 2011, TDS did not have sufficient votes from holders of Common Shares to approve Proposals 1, 2, 3 and 4. As a result, the polls were not opened for voting on Proposal 1, 2, 3 or 4. In addition, because Proposals 5, 6 and 7 are conditioned on approval of Proposals 1, 2, 3 and 4, the polls were also not opened for Proposal 5, 6 or 7. TDS opened the polls only with respect to Proposal 8, the Adjournment Proposal, which was approved by the requisite vote.

TDS filed a Form 8-K dated October 6, 2011 that disclosed the voting results with respect to Proposal 8 but, because the polls were not opened with respect to the other proposals, TDS was not required to and did not disclose the votes received with respect to Proposals 1-7.

Because TDS did not have sufficient votes to approve Proposals 1-7, TDS adjourned the Special Meeting until October 20, 2011 to solicit additional votes from holders of Common Shares.

At the adjourned Special Meeting held on October 20, 2011, TDS again did not have sufficient votes to approve Proposals 1-7. Accordingly, this meeting was further adjourned until November 15, 2011.

At the adjourned Special Meeting held on November 15, 2011, TDS again did not have sufficient votes to approve Proposals 1-7. Accordingly, this meeting was adjourned until further notice.

On November 29, 2011, TDS announced that it revised the Original Proposals (Revised Proposals) and filed a proxy supplement and revised proxy cards relating to the Revised Proposals with the SEC.

As a result, all proxies and broker votes previously submitted with respect to the Original Proposals became null and void.

Although all proxies and broker votes submitted with respect to the Original Proposals are null and void, TDS has determined to disclose the pro forma votes received with respect to Original Proposals 1-7. Accordingly, the following shows the votes, on a pro forma basis, that TDS transfer agent reported to TDS and that would have been voted if TDS had opened and closed the polls for voting with respect to Original Proposals 1-7 at the last adjournment of the Special Meeting on November 15, 2011.

Because the polls were not opened with respect to Original Proposals 1-7, the following information does not have any legal effect. The following numbers of pro forma votes are being disclosed for information purposes only.
