Item 2.05

Costs Associated With Exit or Disposal Activities.

On April 5, 2013 the Company's Board of Directors approved a plan to discontinue operations in its MBS & Rates and Credit Products divisions, the principal components of which were completed on April 10, 2013, and the remaining components of which are expected to be completed by the end of the second quarter of 2013. The principal reason for this decision was to reduce operating and overhead expenses as a result of the impact that recent adverse events affecting the Company have had on these businesses. Exiting these businesses, together with associated rightsizing of administrative and other support personnel, could impact up to approximately 160 employees. The plan does not include the Company's other business operations, principally investment banking.

The Company expects that the total charge in connection with this plan will be approximately \$15 million to \$20 million. Of the total charge, the Company estimates that approximately \$11 million to \$16 million will result in future cash expenditures. The major types of costs associated with the plan, and an estimate of each, are as follows:

- approximately \$11 million to \$13 million related to severance and other compensation costs; and
- approximately \$4 million to \$7 million in costs associated with third-party vendor contracts and other costs (excluding lease commitments).

The Company is currently evaluating its alternatives with respect to its lease commitments and therefore is unable to estimate a lease restructuring cost, if any, at this time.

Item 7.01.

Item 8.01.

Other Events.

On April 10, 2013, the Company announced that after having reopened the period during which stockholders of the Company could submit proposals for nominations to the Company's Board of Directors, the Company has received a submission from Clinton Relational Opportunity Master Fund, L.P., a stockholder of the Company, of a slate of individuals, including Thomas Hughes, the Company's Chief Executive Officer and a current director, that it intends to nominate for election to the Company's Board of Directors at the Annual Meeting of Stockholders scheduled for May 23, 2013.
