GRAVITY REPORTS FIRST QUARTER OF 2014 RESULTS

Seoul, South Korea May 22, 2014 GRAVITY Co., Ltd. (NasdaqGM: GRVY) (Gravity or the Company), an online game developer and publisher based in South Korea, today announced its unaudited financial results for the first quarter ended March 31, 2014, prepared in accordance with generally accepted accounting principles in the United States.

Revenues for the first quarter ended March 31, 2014 were KRW 10,767 million (US\$10,113 thousand), representing a 4.6% increase from KRW 10,294 million for the fourth quarter ended December 31, 2013 (QoQ) and a 8.7% decrease from KRW 11,796 million for the first quarter ended March 31, 2013 (YoY).

Review of financial results

Revenues

Royalty and license fee revenue for the first quarter ended March 31, 2014 was KRW 3,575 million (US\$3,358 thousand), representing a 25.8% decrease QoQ from KRW 4,821 million and a 46.3% decrease YoY from KRW 6,654 million. The decrease QoQ was mainly due to revenues from a lump-sum recognition of a portion of the license fees for the license and distribution agreement for *Ragnarok Online II* in China in the fourth quarter of 2013 due to its termination in November 2013, which did not occur in the first quarter of 2014. The decrease YoY was primarily due to decreased revenues from *Ragnarok Online* in Japan.

Subscription revenue for the first quarter 2014 was KRW 1,890 million (US\$1,775 thousand), representing a 107.5% increase QoQ but a 3.0% decrease YoY compared to KRW 911 million and KRW 1,948 million, respectively. The increase QoQ was mostly driven by increased revenues from *Ragnarok Online* in Korea. The decrease YoY was mainly due to a decrease in revenues from *Ragnarok Online* in the United States and Canada.

Mobile games and applications revenue was KRW 4,317 million (US\$4,055 thousand) for the first quarter 2014, representing a 15.5% increase QoQ from KRW 3,739 million and a 85.8% increase YoY from KRW 2,323 million. The increase QoQ mostly resulted from increased revenues from *Ragnarok Online Uprising: Valkyrie* and revenues from *Road to Dragons*, which was launched in Korea in January 2014. The increase YoY was mainly attributable to increased revenues from mobile applications and mobile game operation service provided to third-party enterprises, and revenues from *Road to Dragons*.

Character merchandising and other revenue was KRW 985 million (US\$925 thousand) for the first quarter 2014, representing a 19.7% increase QoQ from KRW 823 million and a 13.1% increase YoY from KRW 871 million.

Cost of Revenues and Operating Expenses

Edgar Filing: GRAVITY Co., Ltd. - Form 6-K

Cost of revenues was KRW 9,467 million (US\$8,892 thousand) for the first quarter 2014, representing a 9.4% decrease QoQ from KRW 10,445 million but a 28.0% increase YoY from KRW 7,397 million. The decrease QoQ was attributable to decrease in amortization on intangible assets and commission paid. The Company's increased cost of revenues YoY primarily resulted from increased commission paid related to our services provided for third-party enterprises and to digital storefronts where our mobile games are offered.

Edgar Filing: GRAVITY Co., Ltd. - Form 6-K

Operating expenses were KRW 4,178 million (US\$3,924 thousand) for the first quarter 2014, representing a 61.7% decrease QoQ from KRW 10,904 million and a 29.8% decrease YoY from KRW 5,951 million. The decrease QoQ was mostly due to impairment losses on intangible assets in the fourth quarter of 2013, which did not occur in the first quarter of 2014. The decrease YoY was attributable to decreased salaries as a result of a decrease in the number of employees, and decreased research and development expenses.

Loss before income tax expenses and others was KRW 2,503 million (US\$2,351 thousand) for the first quarter of 2014, which represents a 77.3% decrease QoQ from loss before income tax expenses and others of KRW 11,045 million.

As a result of the foregoing factors, Gravity recorded a net loss attributable to parent company of KRW 2,969 million (US\$2,789 thousand) for the first quarter of 2014 compared to a net loss attributable to parent company of KRW 13,538 million for the fourth quarter of 2013 and a net loss attributable to parent company of KRW 1,629 million for the first quarter of 2013.

The balance of cash and cash equivalents and short-term financial instruments was KRW 46,776 million (US\$43,936 thousand) as of March 31, 2014.

Note: For convenience purposes only, the KRW amounts have been expressed in the U.S. dollars at the exchange rate of KRW 1,064.65 to US\$ 1.00, the noon buying rate in effect on March 31, 2014, as quoted by the Federal Reserve Bank of New York.
