(g) **Warrant Shares** shall mean the shares of Common Stock issuable upon exercise of this Warrant.

2. **Exercise of Warrant.**

2.1 **Exercise Mechanics.** The rights represented by this Warrant may, subject to Section 7 below, be exercised in whole or in part at any time during the Exercise Period, by delivery of the following to the Company at its address set forth on the signature page hereto (or at such other address as it may designate by notice in writing to the Investor):

(a) A complete and duly executed Notice of Exercise, by or for the benefit of the Investor, in the form attached hereto as Exhibit A ; and

(b) Payment of the Exercise Price either in cash or by check, or pursuant to the cashless exercise procedures set forth in Section 4 below.

Execution and delivery of the Notice of Exercise shall have the same effect as cancellation of the portion of the original Warrant so exercised, and this Warrant shall evidence the right to purchase the remaining number of Warrant Shares, if any. If requested by the Company, the Investor agrees to provide this Warrant, or an affidavit of lost security, to the Company within a reasonable period after the delivery of the Notice of Exercise.

Certificates for shares purchased hereunder shall be transmitted by the transfer agent of the Company to the Investor by crediting the account of the Investor's prime broker with the Depository Trust Company through its Deposits and Withdrawal at Custodian (DWAC) system if the Company is a participant in such system, and otherwise by physical delivery to the address specified by the Investor in the Notice of Exercise within three (3) business days from the delivery to the Company of the Notice of Exercise, surrender of this Warrant and payment of the aggregate Exercise Price as set forth above. This Warrant shall be deemed to have been exercised on the date the Exercise Price is received by the Company. The Warrant Shares shall be deemed to have been issued, and the Investor shall be deemed to have become a holder of record of such shares for all purposes, as of the date this Warrant has been exercised by payment to the Company of the Exercise Price.

The Investor shall be deemed to have become the holder of record of such shares on the date on which this Warrant was surrendered and payment of the Exercise Price was made, irrespective of the date of delivery of such certificate or certificates, except that, if the date of such

Edgar Filing: INDUSTRIAL SERVICES OF AMERICA INC /FL - Form SC 13D

surrender and payment is a date when the stock transfer books of the Company are closed, such person shall be deemed to have become the holder of such shares at the close of business on the next succeeding date on which the stock transfer books are open.

Unless otherwise prohibited by law, the Company's obligations to issue and deliver Warrant Shares in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by the Investor to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any person or entity or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination.

Nothing herein shall limit the Investor's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing the Warrant Shares upon exercise of this Warrant as required pursuant to the terms hereof.

2.2 Issuance of New Warrants. Upon any partial exercise of this Warrant, the Company, at its expense, will forthwith and, in any event within five (5) business days, issue and deliver to the Investor a new warrant or warrants of like tenor, in the name of the Investor, exercisable, in the aggregate, for the balance of the number of the Warrant Shares remaining available for purchase under this Warrant.

3. Covenants of the Company.

3.1 Due Authorization. The Company covenants and agrees that all Warrant Shares that may be issued upon the exercise of the rights represented by this Warrant will, upon issuance, be validly issued and outstanding, fully paid and nonassessable, and free from all taxes, liens and charges with respect to the issuance thereof.

3.2 Available Shares. The Company covenants and agrees that the Company will at all times during the Exercise Period, have authorized and reserved, free from preemptive rights, a sufficient number of shares of Common Stock to provide for the exercise of the rights represented by this Warrant. During the Exercise Period, if the number of authorized but unissued shares of Common Stock shall not be sufficient to permit exercise of this Warrant into the applicable Warrant Shares, the Company will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes.

3.3 Registration Rights. The Investor shall have the registration rights specified in the Registration Rights Agreement.

3.4 No Impairment. Except and to the extent as waived or consented to by the Investor, the Company will not, by amendment of its Articles of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but will at all times in good faith assist in the carrying out of all the provisions of this Warrant and in the taking of all such action as may be necessary or appropriate in order to protect the exercise rights of the Investor against impairment.

4. Cashless Exercise. If at any time after March 15, 2015 there is any one (1) or more periods of thirty (30) or more consecutive days that there is no effective Registration Statement registering, or no current Prospectus available for, the resale of the Warrant Shares by the Investor (Lapse Period), then this Warrant may also be exercised after the thirty (30) consecutive days have elapsed in each such Lapse Period by means of a cashless exercise in which the Investor shall be entitled to receive a certificate for the number of Warrant Shares equal to the quotient obtained by dividing [(A-B) (X)] by (A), where:

(A) = the Fair Market Value on the Trading Day immediately preceding the date of such election;

(B) = the Exercise Price of this Warrant, as adjusted; and

Edgar Filing: INDUSTRIAL SERVICES OF AMERICA INC /FL - Form SC 13D

(X) = the number of Warrant Shares issuable upon exercise of this Warrant in accordance with the terms of this Warrant by means of a cash exercise rather than a cashless exercise.

Investor's right to elect a cashless exercise will expire at 11:59 p.m. on the thirtieth (30th) day after the end of each Lapse Period. For example, if Investor's use of the Prospectus is suspended on March 1, 2016 and the suspension is lifted on May 1, 2016, Investor may elect a cashless exercise any time during the period beginning March 30, 2016 and ending May 31, 2016. Investor will not be entitled to effect a cashless exercise of this Warrant in connection with any Lapse Period arising as a result of the Company's withdrawal of any Registration Statement at the request of Investor.

5. Adjustment of Exercise Price and Shares.

5.1 Stock Dividends, Split-Ups, Recapitalizations, Etc. In the event of changes in the outstanding Common Stock of the Company by reason of stock dividends, split-ups, recapitalizations, reclassifications, combinations or exchanges of shares, separations, reorganizations, liquidations, consolidation, acquisition of the Company (whether

through merger or acquisition of substantially all the assets or stock of the Company), or the like, the number, class and type of shares available under this Warrant in the aggregate and the Exercise Price shall be correspondingly adjusted to give the Investor of this Warrant, on exercise for the same aggregate Exercise Price, the total number, class, and type of shares or other property as the Investor would have owned had this Warrant been exercised immediately prior to the event and had the Investor continued to hold such shares until the event requiring adjustment.

5.2 Certificate of Adjustment. Upon the occurrence of each adjustment pursuant to this Section 5, the Company at its expense will, at the written request of the Investor, compute such adjustment in accordance with the terms of this Warrant and prepare a certificate setting forth such adjustment, including a statement of the adjusted Exercise Price and adjusted number or type of Warrant Shares or other securities issuable upon exercise of this Warrant (as applicable). Upon written request, the Company will promptly deliver a copy of each such certificate to the Investor and to the Company's transfer agent.

6. Fractional Shares. No fractional shares shall be issued upon the exercise of this Warrant as a consequence of any adjustment pursuant hereto. All Warrant Shares (including fractions) issuable upon exercise of this Warrant may be aggregated for purposes of determining whether the exercise would result in the issuance of any fractional share. If, after aggregation, the exercise would result in the issuance of a fractional share, the Company shall, in lieu of issuance of any fractional share, pay the Investor otherwise entitled to such fraction a sum in cash equal to the product resulting from multiplying the then current Fair Market Value of a share of Common stock by the fractional share not to be issued

7. Fundamental Transactions. If, at any time while this Warrant is outstanding, (a) the Company, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another Person, (b) the Company, directly or indirectly, effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (c) any direct or indirect purchase offer, tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of more than 50% of the outstanding shares of Common Stock, (d) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property, or (e) the Company, directly or indirectly, in one or more related transactions consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person whereby such other Person acquires more than 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or other Persons making or party to, or associated or affiliated with the Persons making or party to, such stock or share purchase agreement or other business combination) (each, a **Fundamental Transaction**), then, subject to the last sentence of this Section, upon any subsequent exercise of this Warrant, the Investor shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, the number of shares of Common Stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the **Alternate Consideration**) receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such Fundamental Transaction. For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Investor shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. Notwithstanding the foregoing, if at any time while this Warrant is outstanding, the Company engages in any Fundamental Transaction in which the holders of Common Stock receive in exchange for their shares of Common Stock only cash, then the Investor of this Warrant shall be entitled to receive only an amount of cash equal to (i) (A) the amount of cash payable in such Fundamental Transaction to the holders of Common Stock for each share of Common Stock held by the Investor of this Warrant; less (B) the Exercise Price of this Warrant, as adjusted; multiplied by (ii) the number of Warrant Shares issuable upon exercise of this

Warrant, at the same time and on the same terms as the holders of Common Stock, and immediately upon the receipt of such payment by the Investor this Warrant shall terminate.

8. **No Stockholder Rights.** Other than as provided herein, this Warrant in and of itself shall not entitle the Investor to any voting rights or other rights as a stockholder of the Company.

9. **Transfer of Warrant.** This Warrant and all rights hereunder are not transferable.

10. **Lost, Stolen, Mutilated or Destroyed Warrant.** If this Warrant is lost, stolen, mutilated or destroyed, the Company may, on such terms as to indemnity or otherwise as it may reasonably impose (which shall, in the case of a mutilated Warrant, include the surrender thereof for cancellation at the office of the Company), issue a new Warrant of like denomination and tenor as this Warrant so lost, stolen, mutilated or destroyed. Any such new Warrant shall constitute an original contractual obligation of the Company, whether or not the allegedly lost, stolen, mutilated or destroyed Warrant shall be at any time enforceable by anyone.

11. **Notices, Etc.** All notices required or permitted hereunder shall be in writing and shall be deemed effectively given: (a) upon personal delivery to the party to be notified, (b) when sent by electronic transmission or facsimile if sent during normal business hours of the recipient, if not, then on the next business day, (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one (1) day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. All communications shall be sent to the Company at the address listed on the signature page hereto to the attention of the Chief Financial Officer (with a copy to Frost Brown Todd LLC, Attn: James A. Giesel, Email: jgiesel@fbtlaw.com) and to the Investor at the applicable address set forth on the applicable signature page to the Securities Purchase Agreement or at such other address as the Company or the Investor may designate by ten (10) days advance written notice to the other parties hereto.

12. **Acceptance.** Receipt of this Warrant by the Investor shall constitute acceptance of and agreement to all of the terms and conditions contained herein.

13. **Governing Law; Consent to Jurisdiction; Waiver of Jury Trial.** This Agreement shall be construed in accordance with the laws of the State of Indiana, without regard to the principles of conflicts of laws. The parties further agree that any action between them shall be heard in and expressly consent to the jurisdiction and venue of the state court sitting in Auburn, Indiana and the federal court sitting in the City of Fort Wayne, Indiana for the adjudication of any civil action asserted pursuant to this Agreement. **EACH OF THE PARTIES HERETO, AFTER CONSULTING OR HAVING HAD THE OPPORTUNITY TO CONSULT WITH COUNSEL, EACH KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES, IRREVOCABLY, THE RIGHT TO TRIAL BY JURY WITH RESPECT TO ANY LEGAL PROCEEDING BASED HEREON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT OR ANY OTHER AGREEMENT EXECUTED OR CONTEMPLATED TO BE EXECUTED IN CONJUNCTION WITH THIS AGREEMENT, OR ANY COURSE OF CONDUCT OR COURSE OF DEALING IN WHICH THE INVESTOR AND THE COMPANY ARE ADVERSE PARTIES. THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE INVESTOR TO ENTER INTO THIS AGREEMENT**

14. **Interpretation.** All parties have participated jointly in the negotiation and drafting of this Agreement and, in the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as jointly drafted by all of the parties and no

presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Warrant.

15. **Amendment or Waiver.** Any term of this Warrant may be amended or waived (either generally or in a particular instance and either retroactively or prospectively) only by an instrument in writing signed by the Company and the Investor. No waivers of any term, condition or provision of this Warrant, in any one or more instances, shall be deemed to be, or construed as, a further or continuing waiver of any such term, condition or provision.

Securities Laws means the Securities Act of 1933 and the Securities Exchange Act of 1934, each as amended, and the rules promulgated thereunder.

2. **Board Nomination Rights.**

(a) From and after the date hereof and until the provisions of this Section 2 cease to be effective and subject to the terms and conditions of this Agreement, the Investor shall have the right to designate persons for appointment and/or election to the Board (each a Nominee) in accordance with the terms of this Agreement.

(b) The number of Nominees to be designated by the Investor shall be determined by multiplying the total number of Board seats by the Investor's Ownership Percentage and rounding that product up to the next whole number. For example, if the number of Board seats is seven (7) and the Investor's Ownership Percentage is sixteen percent (16%), the Investor would be entitled to designate two (2) Nominees (.16 x 7 = 1.12/rounded up to 2). If the total number of Board seats is nine or less, the maximum number of nominees the Investor is entitled to designate is two (2).

(c) From and after the date hereof and until the provisions of this Section 2 cease to be effective, the number of directors of the Company shall be no less than five (5). The Investor may request an increase in the number of directors only if (i) the Board has not otherwise designated existing Board seats to be filled by the Investor's allowed Nominees, and (ii) as a result of the requested increase in the number of directors, the Investor is entitled to and does designate an additional Nominee to fill the open seat or seats created at the request of the Investor. The Board shall increase its size in accordance with the request within sixty (60) days of receipt of the

Investor's request.

(d) Subject to the limitations set forth herein, the Board shall appoint any Nominee to fill any Board seat created upon the request of the Investor or designated by the Board for filling by the Investor. Any Nominee appointed as a director shall be appointed to a term expiring at the next election of directors.

(e) The Company shall use commercially reasonable efforts to assure that (i) any Nominee for election is included in the Board's slate of nominees to the stockholders for the election of directors, and (ii) the Nominee is included in the proxy statement prepared by management of the Company in connection with soliciting proxies for every meeting of the stockholders of the Company called with respect to the election of members of the Board, and at every adjournment or postponement thereof, and on every action or approval by written consent of the stockholders of the Company or the Board with respect to the election of members of the Board.

(f) At the expiration of the term of a director who is a Nominee designated by the Investor, the Investor shall be entitled to designate that Nominee or an alternative Nominee for election to the Board for the following term.

(g) If a vacancy occurs because of the death, disability, disqualification, resignation or removal of a Nominee (including by virtue of a removal of a Nominee at the discretion of the Investor), the Investor shall be entitled, at any time within sixty (60) days of such vacancy, to nominate such person's successors in accordance with this Agreement, and the Board shall fill the vacancy with such successor Nominee by appointment. The successor Nominee shall be appointed to a term expiring at the next election of directors.

(h) If a Nominee is not nominated or elected to the Board because of the Nominee's death, disability, disqualification, withdrawal as a nominee or for other reason is unavailable or unable to serve on the Board, the Investor shall be entitled to designate another Nominee.

(i) Notwithstanding anything to the contrary contained herein, at such time as the Investor's Ownership Percentage is less than five percent (5%) the rights of the Investor under this Section 2 to nominate any Nominee shall terminate automatically and cease to have any further force or effect.

3. Limitation on Company Obligations. Notwithstanding anything herein to the contrary, the Company shall not be obligated to cause to be appointed to the Board, nominated for election to the Board or recommend to the stockholders the election of any Nominee (i) who fails to submit to the Company on a timely basis such questionnaires as the Company may reasonably require of its directors generally and such other information as the Company may reasonably request in connection with the preparation of its filings under the Securities Laws, or (ii) the Board or the Nominating Committee (and any successor thereto performing the nominating and governance committee functions of the Board) determines in good faith, after consultation with outside legal counsel, that such action would constitute a breach of applicable law or result in the Common Stock becoming ineligible for listing on any Trading Market; provided, however, that upon the occurrence of either (i) or (ii) above, the Company shall promptly notify the Investor of the occurrence of such event and use commercially reasonable efforts to permit the Investor to provide an alternate Nominee sufficiently in advance of any Board action, meeting of the stockholders called or written action of stockholders with respect to such election of Nominees, and the Company shall use commercially reasonable efforts to perform its obligations under Section 2(e) with respect to such alternate Nominee (provided that if the Company provides at least thirty (30) days advance notice of the occurrence of any such event such alternative Nominee must be designated by the Investor not less than thirty (30) days in advance of any Board action, notice of meeting of the stockholders or written action of stockholders with respect to such

election of Nominees). The Company shall use commercially reasonable efforts to perform its obligations under Section 2(e) with respect to such alternate Nominee, provided that in no event shall the Company be obligated to postpone, reschedule or delay any scheduled meeting of the stockholders with respect to such election of Nominees.

4. Prohibition against Circumvention by the Company. At any time that the Investor shall have any nomination rights under Section 2, the Company shall not take any action, including making or recommending any amendment to the Articles of Incorporation or the Bylaws that could reasonably be expected to adversely affect the Investor's rights under this Agreement, without the prior written consent of the Investor.
