The Consent Fee will be paid in two instalments, on the First Payment Date and the Final Payment Date, respectively, if the relevant Payment Conditions are satisfied, as follows:

- (a) 0.5 per cent. of the aggregate principal amount of Notes which are the subject of a Consent Instruction in favour of the Extraordinary Resolution will be payable on the First Payment Date, if the First Payment Condition is satisfied; and

VOTING AND QUORUM

The provisions governing the convening and holding of the Meetings are set out in Schedule 3 to the Trust Deed, and as further described in the Consent Solicitation Memorandum and below.

All of the Notes are represented by a global note held by a common safekeeper for Clearstream Banking, *société anonyme* (**Clearstream, Luxembourg**) or Euroclear Bank S.A./N.V. (**Euroclear**). For the purposes of the Meetings, a **Noteholder** shall mean each person who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular principal amount outstanding of the Notes.

Entitlement to vote and admission to the Meetings

Pursuant to applicable laws, only those Noteholders who hold Notes through their account with the Clearing Systems, as certified by the Clearing Systems on the basis of their internal records, at the close of business on 13 November 2014, being the seventh trading day (on the Euro MTF Market) prior to the date of the initial Meeting (the **Expiration Deadline**), are entitled to participate in the Consent Solicitation.

Admission to vote

Admission of Noteholders to the Meeting and the right to vote thereat is subject to the delivery to the Issuer, by the end of the third trading day (on the Euro MTF Market) prior to the date fixed for the initial Meeting, i.e. 19 November 2014, of a notice issued by an intermediary stating that the relevant Noteholder is entitled to vote on the basis of the internal records of the clearing systems as of the Expiration Deadline. However, the right to attend and vote shall also be legitimate if the notice is received by the Issuer after the third trading day (on the Euro MTF Market) prior to the date fixed for the initial Meeting, provided that it is received before the beginning of the Meeting.

Voting Certificate and Consent Instructions

In order to be valid, Consent Instructions must be submitted in multiples of 50,000.

Noteholders wishing to attend a Meeting in person or through a representative may obtain a Voting Certificate from the relevant Clearing System (directly or through its own accountholders and in accordance with the procedures of the relevant Clearing System) or, if they do not wish to attend and vote at a Meeting in person or through a representative of their choice, submit a Consent Instruction through Clearstream, Luxembourg or Euroclear to the Tabulation Agent (contact details set out below) instructing the Principal Paying Agent or a Paying Agent to appoint a proxy to attend and vote at such Meeting in accordance with its instructions. A Voting Certificate or Consent Instruction shall be valid until the end of the relevant Meeting. A Voting Certificate and a Consent Instruction cannot be outstanding simultaneously in respect of the same Note.

Voting Certificates and Consent Instructions given in respect of a Meeting (unless surrendered or, as the case may be, revoked not later than the end of the second trading day (on the Euro MTF Market) prior to any Second Meeting or Third Meeting) shall remain valid for such adjourned Meeting.

The Consent Solicitation is not extended to any Noteholder whose participation in the Consent Solicitation would violate the laws of its jurisdiction of residence or domicile or require registration of the Consent Solicitation with any applicable governmental authority in that jurisdiction.

Only Direct Participants may submit a Consent Instruction. If a Noteholder is not a Direct Participant, such Noteholder must arrange for the Direct Participant through which it holds the relevant Notes to submit a Consent Instruction on its behalf to the Tabulation Agent through the relevant Clearing System.

A Noteholder must request the relevant clearing system to block the relevant Notes in such Noteholder's own account and to hold the same to the order or under the control of the Principal Paying Agent in order to obtain Voting Certificates or to give Consent Instructions in respect of such Meeting. Notes so blocked will not be released until the earlier of:

(i) in respect of Voting Certificate(s):

(a) the conclusion of the Meeting (or, if applicable, any adjournment of the Meeting); and

(b) the surrender of the Voting Certificate(s) to the Principal Paying Agent who issued the same and the notification by such Principal Paying Agent to the relevant clearing system of such surrender or the compliance in such other manner with the rules of the relevant clearing system; and

(ii) in respect of Consent Instructions:

(a) the date on which the Consent Solicitation is terminated by the Issuer (provided that such termination is more than 48 hours before the time set for the Meeting);

(b) the date on which the relevant Consent Instruction is validly revoked in accordance with the terms of the Consent Solicitation Memorandum; and

(c) the conclusion of the Meeting (or, if applicable, any Second Meeting or Third Meeting).

For the above purposes, instructions given by a Direct Participant to the Tabulation Agent through Euroclear or Clearstream, Luxembourg will be deemed to be instructions to the Principal Paying Agent.

In order to be eligible for the Consent Fee, Noteholders must deliver or procure delivery of Consent Instructions prior to the Early Voting Deadline. In order to participate in the Consent Solicitation generally, Noteholders must deliver or procure delivery of Consent Instructions prior to the Expiration Deadline.

The provisions of the Consent Solicitation Memorandum are without prejudice to the rights of Noteholders under the relevant Trust Deed. Accordingly, notwithstanding the Expiration Deadline, Noteholders may vote until 19 November 2014 in respect of the relevant initial Meeting, 20 November 2014 in respect of any Second Meeting and 21 November 2014 in respect of any Third Meeting. However, in order to submit a late instruction, Noteholders must contact the Tabulation Agent for further instructions. Additional procedural requirements will apply.

A Block Voting Instruction shall be valid only if deposited at the specified office of the Tabulation Agent or at some other place approved by the Trustee, at least 24 hours before the time fixed for the relevant Meeting or if the Chairman decides otherwise before the Meeting proceeds to business. If the Trustee requires, a notarised copy of each Block Voting Instruction (with an apostille, if applicable) and satisfactory proof of the identity of each proxy named therein shall be produced at the Meeting, but the Trustee shall not be obliged to investigate the validity of any Block Voting Instruction or the authority of any proxy.

Quorum and adjournment

The quorum required for the initial Meetings of the Noteholders is one or more persons present holding Voting Certificates or being proxies or representatives with Consent Instructions and holding or representing in the aggregate at least 50 per cent. in nominal amount of the Notes for the time being outstanding (as defined in the Trust Deed).

In the event that such quorum is not obtained within fifteen minutes of the commencement of the initial Meeting, the initial Meeting shall stand adjourned and the adjourned initial Meeting shall be held on 25 November 2014 (the **Second Meeting**). At any Second Meeting, the quorum shall be one or more persons present holding Voting Certificates or being proxies or representatives with Voting Certificates and holding or representing in the aggregate more than one third of the aggregate principal amount of the Notes for the time being outstanding. At any Third Meeting, the quorum shall be one or more persons present holding Voting Certificates or being proxies or representatives with Voting Certificates and holding or representing in the aggregate at least one fifth of the aggregate principal amount of the Notes the time being outstanding.

The majority required to pass the Extraordinary Resolution (including at any Meeting convened following adjournment of the previous Meeting for want of quorum) will be one or more persons holding or representing at least two thirds of the aggregate principal amount of the Notes represented at the meeting.

If passed, the Extraordinary Resolution shall be binding on all Noteholders, whether present or not at the Meeting at which it is passed and whether or not voting, also in accordance with and for the purposes of Article 2503-*bis* of the Italian Civil Code with respect to the Transaction.

NOTICE OF RESULTS

The Issuer will publish the results of the voting on the Extraordinary Resolution on its website (www.gtech.com) and by way of press release within five days of the conclusion of the relevant Meeting, with a copy of the Extraordinary Resolution to be made available within 30 days from the date of approval, provided that non-publication of such result shall not invalidate such result.
