(1) An unspecified aggregate initial offering price and number or amount of the securities of each identified class is being registered as may from time to time be sold at unspecified prices. Of this amount, \$368,400 represents fees previously paid and, pursuant to Rule 457(p), applied to payment of the registration fees payable with respect to a portion of the securities registered by the Prior Registration Statement (see note 2 to the calculation of registration fee in the Prior Registration Statement), and \$380,680 represents fees paid in connection with the registration of unsold securities carried forward to the Prior Registration Statement pursuant to Rule 415(a)(6) (see note 3 to the calculation of registration fee in the Prior Registration Statement). Pursuant to Rule 457(p) under the Securities Act, such unutilized registration fees may be applied to the registration fee payable pursuant to this registration statement.
