ITEM 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On September 22, 2015, TigerLogic Corporation (the Company) notified the NASDAQ Capital Market (NCM) of its intent to file a Form 25 with the Securities and Exchange Commission (the Commission) to effect the voluntary withdrawal of its common stock from listing on the NCM. The Company plans to file the Form 25 with the Commission on or about October 2, 2015 and expects that its common stock will cease trading on the NCM upon the effectiveness of its withdrawal from listing, which will occur on or about October 13, 2015, ten calendar days following the filing of Form 25.

The Company is currently taking the steps necessary so that its common stock may be quoted for trading in the OTCQX US Market, operated by OTC Markets, Inc., under its current trading symbol TIGR following the withdrawal from trading on the NCM. The Company expects that its common stock will continue to trade in the OTCQX US Market so long as market makers demonstrate an interest in trading in the common stock. The Company will remain a reporting company under the Securities Exchange Act of 1934, as amended.

The Company is voluntarily withdrawing its common stock from listing on the NCM as the Company s Board of Directors has determined that in light of the current thin volume of trading, the cost of continuing to have its stock listed on the NCM is no longer in the best interest of its shareholders. Additionally, as previously disclosed, the Company has received notices from the NCM that the Company is not in compliance with the NCM s \$1.00 minimum bid price per share requirement for continued listing on the NCM.

ITEM 8.01 Other Events.

On September 22, 2015, the Company issued a press release announcing its intent to voluntarily delist its common stock from trading on the NCM, as described in Item 3.01 above. A copy of the press release is filed as an exhibit to this Current Report on Form 8-K.

ITEM 9.01 Financial Statements and Exhibits.

99.1 Press release dated September 22, 2015.
