Item 3.01 Notice of Delisting of Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On June 6, 2016, the Partnership was formally notified by the New York Stock Exchange (NYSE) that the NYSE had determined to commence proceedings to delist the Partnership s common units from the NYSE. These proceedings are a result of the Partnership s failure to comply with the continued listing standard set forth in Section 802.01B of the NYSE Listed Company Manual that required the Partnership to maintain an average global market capitalization over a consecutive 30-day trading period of at least \$15.0 million for the Partnership s common units. The NYSE suspended the trading of the Partnership s common units at the close of trading on June 3, 2016. In addition, the NYSE advised the Partnership that its application to the Securities and Exchange Commission (SEC) to delist the Partnership s common units was pending, subject to the completion of applicable procedures.

On June 6, 2016, the Partnership s common units began trading on the OTCQB Market under the same ticker symbol used previously on the NYSE, AZUR . The Partnership will remain subject to the public reporting requirements of the SEC following the trading of its common units on the OTCQB Market.
