Item 8.01. Other Events

American States Water Company (NYSE:AWR) announced that on November 10, 2016, the presiding administrative law judge issued a proposed decision (PD) in the general rate case of AWR's regulated subsidiary, Golden State Water Company (GSWC). In 2014, GSWC had filed a general rate case for all of its water regions and the general office to determine new rates for the years 2016-2018. The PD and its respective attachments can be found on the California Public Utilities Commission (CPUC) website at www.cpuc.ca.gov. GSWC is in the process of reviewing the PD and will be providing written comments to the CPUC by the end of November. Oral arguments are then expected to take place in early December. A final CPUC decision on this rate case is expected in December of 2016 or the first quarter of 2017. When finalized, new rates will be retroactive to January 1, 2016.

This Form 8-K is furnished to, but not filed with, the Securities and Exchange Commission.
