Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 5(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

Pursuant to the terms of an exchange agreement, dated as of March 11, 2015, the limited partnership units of Summit Materials Holdings L.P. ("LP Units") reported herein are exchangeable from and after the first anniversary of the closing of the issuer's initial public offering (1) (subject to the terms of the exchange agreement and vesting requirements, including certain vesting events more fully described in the issuer's Registration Statement on Form S-1 (File No. 333-201058)) for shares of the issuer's Class A common stock on a one-for-one basis.

(2) The initial Form 3 filed on March 12, 2015, incorrectly reflected the effect of an attempted gift of LP Units from the Reporting Person to a family trust prior to the issuer's initial public offering. The attempted gift was ineffectively made and therefore the purported transfer of LP Units was void ab initio. This Amendment is being filed to correct the number of LP Units reported as beneficially owned directly and indirectly by the Reporting Person as of March 12, 2015 after taking into account the voided gift described herein. The total number of LP Units directly and indirectly beneficially owned by the Reporting Person is unchanged, but the allocation between direct/indirect has been updated.

(3) These transactions also affect the reported balances on subsequent Forms 4 filed by the Reporting Person through March 2, 2017. The sales reported by the Reporting Person on such Forms 4 correctly reported sales by the trust and did not include the LP Units that were the subject of the ineffective transfer, which have not been sold or otherwise disposed of.

(4) Reflects securities held by a trust for the benefit of Mr. Hill's family, for which Mr. Hill's spouse serves as trustee.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *See* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
