Item 1.01. Entry into a Material Definitive Agreement.

On September 27, 2017, EQT Corporation (the Company or EQT) entered into an Underwriting Agreement (Underwriting Agreement) with Citigroup Global Markets Inc., Deutsche Bank Securities Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated and Wells Fargo Securities, LLC, as representatives of the several underwriters named in Schedule 1 thereto (Underwriters), relating to the public offering (Offering) of \$500 million aggregate principal amount of Floating Rate Notes due 2020 (the Floating Rate Notes), \$500 million aggregate principal amount of 2.500% Senior Notes due 2020 (the 2020 Notes), \$750 million aggregate principal amount of 3.000% Senior Notes due 2022 (the 2022 Notes) and \$1,250 million aggregate principal amount of 3.900% Senior Notes due 2027 (the 2027 Notes, and, together with the Floating Rate Notes, the 2020 Notes and the 2022 Notes, the Notes).

The Offering is expected to close on October 4, 2017. The Company expects to use the net proceeds from the Offering, together with cash on hand and borrowings under the Company's revolving credit facility, to fund the cash consideration payable by the Company in connection with the previously announced acquisition (the Merger) of Rice Energy Inc. (Rice); to pay expenses related to the Merger and the other transactions contemplated by the merger agreement with Rice, including the extinguishment of approximately \$1.9 billion of net debt and preferred equity of Rice and its subsidiaries (based on anticipated balances as of October 31, 2017); and for general corporate purposes, which may include redeeming or repaying at maturity all or a portion of the Company's senior notes and medium term notes due in 2018.

The Offering is being made pursuant to the Company's shelf registration statement on Form S-3 (File No. 333-214092), which became effective upon filing on October 14, 2016, and pursuant to the prospectus supplement dated September 27, 2017, filed with the Securities and Exchange Commission (the SEC) pursuant to Rule 424(b) of the Securities Act of 1933, as amended (the Securities Act).

The Underwriting Agreement contains customary representations, warranties and agreements of the Company, and customary conditions to closing, obligations of the parties and termination provisions. The Company has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the Underwriters may be required to make because of any of those liabilities.

The foregoing description of the Underwriting Agreement is not complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 1.1 to this Current Report on Form 8-K and incorporated in this Item 1.01 by reference.

The Underwriting Agreement and the above descriptions have been included to provide investors and security holders with information regarding the terms of the Underwriting Agreement. They are not intended to provide any other factual information about the Company or its subsidiaries or affiliates or equity holders. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of that agreement and as of specific dates; were solely for the benefit of the parties to the Underwriting Agreement; and may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made by each contracting party to the other as a way of allocating contractual risk between them that differ from those applicable to investors. Moreover, the subject matter of the representations and warranties are subject to more recent developments. Accordingly, investors should be aware that these representations, warranties and covenants or any description thereof alone may not describe the actual state of affairs of the Company or its subsidiaries, affiliates, businesses or equity holders as of the date they were made or at any other time.
